prior hearing, any agency issuing an order pursuant to such 2409
statute shall afford the person to whom the order is issued a 2410
hearing upon request. 2411

Whenever an agency claims that a person is required by 2412

request of a person who claims that the law does not impose such a 2414
requirement. 2415

is required by law, a licensee who has filed an application for 2437
registration or renewal within the time and in the manner provided 2438
by statute or rule of the agency shall not be required to 2439
discontinue a licensed business or profession merely because of 2440

shall meet not less than annually. 2653

(4) Upon setting the amount or rate described in division 2654
(D)(1) of this section, the chairperson of the capital case 2655
attorney fee council promptly shall provide written notice to the 2656

state public defender of the amount or rate so set. The amount or 2657
rate so set shall become effective ninety days after the date on 2658
which the chairperson provides that written notice to the state 2659
public defender. The council shall specify that effective date in 2660
the written notice provided to the state public defender. All 2661
amounts or rates set by the council shall be final, subject to 2662
modification as described in division (D)(5) of this section, and 2663
not subject to appeal. 2664

(5) The capital case attorney fee council may modify an 2665
amount or rate set as described in division (D)(4) of this 2666
section. The provisions of that division apply with respect to any 2667
such modification of an amount or rate. 2668

Sec. 120.36. (A)(1) Subject to division (A)(2), (3), (4), 2669
(5), or (6) of this section, if a person who is a defendant in a 2670
criminal case or a party in a case in juvenile court requests or 2671
is provided a state public defender, a county or joint county 2672
public defender, or any other counsel appointed by the court, the 2673
court in which the criminal case is initially filed or the 2674
juvenile court, whichever is applicable, shall assess, unless the 2675
application fee is waived or reduced, a non-refundable application 2676
fee of twenty-five dollars. 2677

The court shall direct the person to pay the application fee 2678
to the clerk of court. The person shall pay the application fee to 2679
the clerk of court at the time the person files ~~an affidavit of~~ 2680
~~indigency or~~ a financial disclosure form with the court, a state 2681
public defender, a county or joint county public defender, or any 2682
other counsel appointed by the court or within seven days of that 2683
date. If the person does not pay the application fee within that 2684
seven-day period, the court shall assess the application fee at 2685
sentencing or at the final disposition of the case. 2686

(2) For purposes of this section, a criminal case includes 2687

any case involving a violation of any provision of the Revised Code or of an ordinance of a municipal corporation for which the potential penalty includes loss of liberty and includes any contempt proceeding in which a court may impose a term of imprisonment.

(3) In a juvenile court proceeding, the court shall not assess the application fee against a child if the court appoints a guardian ad litem for the child or the court appoints an attorney to represent the child at the request of a guardian ad litem.

(4) The court shall not assess an application fee for a postconviction proceeding or when the defendant files an appeal.

(5)(a) Except when the court assesses an application fee pursuant to division (A)(5)(b) of this section, the court shall assess an application fee when a person is charged with a violation of a community control sanction or a violation of a post-release control sanction.

(b) If a charge of violating a community control sanction or post-release control sanction described in division (A)(5)(a) of this section results in a person also being charged with violating any provision of the Revised Code or an ordinance of a municipal corporation, the court shall only assess an application fee for the case that results from the additional charge.

(6) If a case is transferred from one court to another court and the person failed to pay the application fee to the court that initially assessed the application fee, the court that initially assessed the fee shall remove the assessment, and the court to which the case was transferred shall assess the application fee.

(7) The court shall assess an application fee pursuant to this section one time per case. For purposes of assessing the application fee, a case means one complete proceeding or trial held in one court for a person on an indictment, information,

complaint, petition, citation, writ, motion, or other document 2719
initiating a case that arises out of a single incident or a series 2720
of related incidents, or when one individual is charged with two 2721
or more offenses that the court handles simultaneously. The court 2722
may waive or reduce the fee for a specific person in a specific 2723
case upon a finding that the person lacks financial resources that 2724
are sufficient to pay the fee or that payment of the fee would 2725
result in an undue hardship. 2726

(B) No court, state public defender, county or joint county 2727
public defender, or other counsel appointed by the court shall 2728
deny a person the assistance of counsel solely due to the person's 2729
failure to pay the application fee assessed pursuant to division 2730
(A) of this section. A person's present inability, failure, or 2731
refusal to pay the application fee shall not disqualify that 2732
person from legal representation. 2733

(C) The application fee assessed pursuant to division (A) of 2734
this section is separate from and in addition to any other amount 2735
assessed against a person who is found to be able to contribute 2736
toward the cost of the person's legal representation pursuant to 2737
division (D) of section 2941.51 of the Revised Code. 2738

(D) The clerk of the court that assessed the fees shall 2739
forward all application fees collected pursuant to this section to 2740
the county treasurer for deposit in the county treasury. The 2741
county shall retain eighty per cent of the application fees so 2742
collected to offset the costs of providing legal representation to 2743
indigent persons. Not later than the last day of each month, the 2744
county auditor shall remit twenty per cent of the application fees 2745
so collected in the previous month to the state public defender. 2746
The state public defender shall deposit the remitted fees into the 2747
state treasury to the credit of the client payment fund created 2748
pursuant to division (B)(5) of section 120.04 of the Revised Code. 2749
The state public defender may use that money in accordance with 2750

that section. 2751

(E) On or before the twentieth day of each month beginning in 2752
February of the year 2007, each clerk of court shall provide to 2753
the state public defender a report including all of the following: 2754

(1) The number of persons in the previous month who requested 2755
or were provided a state public defender, county or joint county 2756
public defender, or other counsel appointed by the court; 2757

court waived the application fee pursuant to division (A) of this 2759
section; 2760

(3) The dollar value of the application fees assessed 2761
pursuant to division (A) of this section in the previous month; 2762

discipline, promotion, demotion, or compensation of a public 2923
employee or official, or the investigation of charges or 2924
complaints against a public employee, official, licensee, or 2925

disposition of unneeded, obsolete, or unfit-for-use property in 2940

disclosure of information would give an unfair competitive or 2942
bargaining advantage to a person whose personal, private interest 2943
is adverse to the general public interest. No member of a public 2944
body shall use division (G)(2) of this section as a subterfuge for 2945
providing covert information to prospective buyers or sellers. A 2946

of the public property has received covert information from a 2948
member of a public body that has not been disclosed to the general 2949
public in sufficient time for other prospective buyers and sellers 2950
to prepare and submit offers. 2951

If the minutes of the public body show that all meetings and 2952
deliberations of the public body have been conducted in compliance 2953
with this section, any instrument executed by the public body 2954
purporting to convey, lease, or otherwise dispose of any right, 2955
title, or interest in any public property shall be conclusively 2956

or regulations or state statutes;	2967
(6) Details relative to the security arrangements and	2968
emergency response protocols for a public body or a public office,	2969

office;	2972
(7) In the case of a county hospital operated pursuant to	2973
Chapter 339. of the Revised Code, a joint township hospital	2974
operated pursuant to Chapter 513. of the Revised Code, or a	2975
municipal hospital operated pursuant to Chapter 749. of the	2976
Revised Code, to consider trade secrets, as defined in section	2977
1333.61 of the Revised Code;	2978
(8) To consider confidential information related to the	2979
marketing plans, specific business strategy, production	2980
techniques, trade secrets, or personal financial statements of an	2981
applicant for economic development assistance, or to negotiations	2982
with other political subdivisions respecting requests for economic	2983
development assistance, provided that both of the following	2984
conditions apply:	2985
(a) The information is directly related to a request for	2986
economic development assistance that is to be provided or	2987
administered under any provision of Chapter 715., 725., 1724., or	2988
1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43,	2989
5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of	2990
the Revised Code, or that involves public infrastructure	2991
improvements or the extension of utility services that are	2992
directly related to an economic development project.	2993
(b) A unanimous quorum of the public body determines, by a	2994

roll call vote, that the executive session is necessary to protect 2995
the interests of the applicant or the possible investment or 2996
expenditure of public funds to be made in connection with the 2997
economic development project. 2998

If a public body holds an executive session to consider any 2999
of the matters listed in divisions (G)(2) to (8) of this section, 3000
the motion and vote to hold that executive session shall state 3001
which one or more of the approved matters listed in those 3002
divisions are to be considered at the executive session. 3003

A public body specified in division (B)(1)(c) of this section 3004
shall not hold an executive session when meeting for the purposes 3005
specified in that division. 3006

(H) A resolution, rule, or formal action of any kind is 3007
invalid unless adopted in an open meeting of the public body. A 3008
resolution, rule, or formal action adopted in an open meeting that 3009
results from deliberations in a meeting not open to the public is 3010
invalid unless the deliberations were for a purpose specifically 3011
authorized in division (G) or (J) of this section and conducted at 3012
an executive session held in compliance with this section. A 3013
resolution, rule, or formal action adopted in an open meeting is 3014
invalid if the public body that adopted the resolution, rule, or 3015
formal action violated division (F) of this section. 3016

(I)(1) Any person may bring an action to enforce this 3017
section. An action under division (I)(1) of this section shall be 3018
brought within two years after the date of the alleged violation 3019
or threatened violation. Upon proof of a violation or threatened 3020
violation of this section in an action brought by any person, the 3021
court of common pleas shall issue an injunction to compel the 3022
members of the public body to comply with its provisions. 3023

(2)(a) If the court of common pleas issues an injunction 3024
pursuant to division (I)(1) of this section, the court shall order 3025

the public body that it enjoins to pay a civil forfeiture of five 3026
hundred dollars to the party that sought the injunction and shall 3027
award to that party all court costs and, subject to reduction as 3028
described in division (I)(2) of this section, reasonable 3029
attorney's fees. The court, in its discretion, may reduce an award 3030
of attorney's fees to the party that sought the injunction or not 3031
award attorney's fees to that party if the court determines both 3032
of the following: 3033

(i) That, based on the ordinary application of statutory law 3034
and case law as it existed at the time of violation or threatened 3035
violation that was the basis of the injunction, a well-informed 3036
public body reasonably would believe that the public body was not 3037
violating or threatening to violate this section; 3038

(ii) That a well-informed public body reasonably would 3039
believe that the conduct or threatened conduct that was the basis 3040
of the injunction would serve the public policy that underlies the 3041
authority that is asserted as permitting that conduct or 3042
threatened conduct. 3043

(b) If the court of common pleas does not issue an injunction 3044
pursuant to division (I)(1) of this section and the court 3045
determines at that time that the bringing of the action was 3046
frivolous conduct, as defined in division (A) of section 2323.51 3047
of the Revised Code, the court shall award to the public body all 3048
court costs and reasonable attorney's fees, as determined by the 3049
court. 3050

(3) Irreparable harm and prejudice to the party that sought 3051
the injunction shall be conclusively and irrebuttably presumed 3052
upon proof of a violation or threatened violation of this section. 3053

(4) A member of a public body who knowingly violates an 3054
injunction issued pursuant to division (I)(1) of this section may 3055
be removed from office by an action brought in the court of common 3056

pleas for that purpose by the prosecuting attorney or the attorney 3057
general. 3058

(J)(1) Pursuant to division (C) of section 5901.09 of the 3059
Revised Code, a veterans service commission shall hold an 3060
executive session for one or more of the following purposes unless 3061
an applicant requests a public hearing: 3062

(a) Interviewing an applicant for financial assistance under 3063
sections 5901.01 to 5901.15 of the Revised Code; 3064

(b) Discussing applications, statements, and other documents 3065
described in division (B) of section 5901.09 of the Revised Code; 3066

(c) Reviewing matters relating to an applicant's request for 3067
financial assistance under sections 5901.01 to 5901.15 of the 3068
Revised Code. 3069

(2) A veterans service commission shall not exclude an 3070
applicant for, recipient of, or former recipient of financial 3071
assistance under sections 5901.01 to 5901.15 of the Revised Code, 3072
and shall not exclude representatives selected by the applicant, 3073
recipient, or former recipient, from a meeting that the commission 3074
conducts as an executive session that pertains to the applicant's, 3075
recipient's, or former recipient's application for financial 3076
assistance. 3077

(3) A veterans service commission shall vote on the grant or 3078
denial of financial assistance under sections 5901.01 to 5901.15 3079
of the Revised Code only in an open meeting of the commission. The 3080
minutes of the meeting shall indicate the name, address, and 3081
occupation of the applicant, whether the assistance was granted or 3082
denied, the amount of the assistance if assistance is granted, and 3083
the votes for and against the granting of assistance. 3084

Sec. 122.17. (A) As used in this section:	3237
(1) "Payroll" means the total taxable income paid by the employer during the employer's taxable year, or during the	3238 3239

calendar year that includes the employer's tax period, to each 3240
employee or each home-based employee employed in the project to 3241
the extent such payroll is not used to determine the credit under 3242
section 122.171 of the Revised Code. "Payroll" excludes amounts 3243
paid before the day the taxpayer becomes eligible for the credit 3244
and retirement or other benefits paid or contributed by the 3245
employer to or on behalf of employees. 3246

(2) "Baseline payroll" means Ohio employee payroll, except 3247
that the applicable measurement period is the twelve months 3248
immediately preceding the date the tax credit authority approves 3249
the taxpayer's application or the date the tax credit authority 3250
receives the recommendation described in division (C)(2)(a) of 3251
this section, whichever occurs first, multiplied by the sum of one 3252
plus an annual pay increase factor to be determined by the tax 3253
credit authority. 3254

(3) "Ohio employee payroll" means the amount of compensation 3255
used to determine the withholding obligations in division (A) of 3256
section 5747.06 of the Revised Code and paid by the employer 3257
during the employer's taxable year, or during the calendar year 3258
that includes the employer's tax period, to each employee employed 3259
in the project who is a resident of this state, as defined in 3260
section 5747.01 of the Revised Code, to each employee employed at 3261
the project site who is not a resident and whose compensation is 3262
not exempt from the tax imposed under section 5747.02 of the 3263
Revised Code pursuant to a reciprocity agreement with another 3264
state under division (A)(3) of section 5747.05 of the Revised 3265
Code, or to each home-based employee employed in the project, to 3266
the extent such compensation is not used to determine the credit 3267
under section 122.171 of the Revised Code. "Ohio employee payroll" 3268
excludes amounts paid before the day the taxpayer becomes eligible 3269
for the credit. 3270

(4) "Excess payroll" means Ohio employee payroll minus 3271

baseline payroll. 3272

(5) "Home-based employee" means an employee whose services 3273
are performed primarily from the employee's residence in this 3274
state exclusively for the benefit of the project and whose rate of 3275
pay is at least one hundred thirty-one per cent of the federal 3276
minimum wage under 29 U.S.C. 206. 3277

(6) "Full-time equivalent employees" means the quotient 3278

were compensated for employment in the project by two thousand 3280
eighty. "Full-time equivalent employees" excludes hours that are 3281
counted for a credit under section 122.171 of the Revised Code. 3282

(7) "Metric evaluation date" means the date by which the 3283
taxpayer must meet all of the commitments included in the 3284
agreement. 3285

(B) The tax credit authority may make grants under this 3286
section to foster job creation in this state. Such a grant shall 3287
take the form of a refundable credit allowed against the tax 3288
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 3289
5747.02 or levied under Chapter 5751. of the Revised Code. The 3290
credit shall be claimed for the taxable years or tax periods 3291
specified in the taxpayer's agreement with the tax credit 3292
authority under division (D) of this section. With respect to 3293
taxes imposed under section 5726.02, 5733.06, or 5747.02 or 3294
Chapter 5751. of the Revised Code, the credit shall be claimed in 3295
the order required under section 5726.98, 5733.98, 5747.98, or 3296
5751.98 of the Revised Code. The amount of the credit available 3297
for a taxable year or for a calendar year that includes a tax 3298
period equals the excess payroll for that year multiplied by the 3299
percentage specified in the agreement with the tax credit 3300
authority. 3301

(C)(1) A taxpayer or potential taxpayer who proposes a 3302

project to create new jobs in this state may apply to the tax 3303
credit authority to enter into an agreement for a tax credit under 3304
this section. 3305

An application shall not propose to include both home-based 3306
employees and employees who are not home-based employees in the 3307
computation of Ohio employee payroll for the purposes of the same 3308
tax credit agreement. If a taxpayer or potential taxpayer employs 3309
both home-based employees and employees who are not home-based 3310
employees in a project, the taxpayer shall submit separate 3311
applications for separate tax credit agreements for the project, 3312
one of which shall include home-based employees in the computation 3313
of Ohio employee payroll and one of which shall include all other 3314
employees in the computation of Ohio employee payroll. 3315

The director of development services shall prescribe the form 3316
of the application. After receipt of an application, the authority 3317
may enter into an agreement with the taxpayer for a credit under 3318
this section if it determines all of the following: 3319

(a) The taxpayer's project will increase payroll; 3320

(b) The taxpayer's project is economically sound and will 3321
benefit the people of this state by increasing opportunities for 3322
employment and strengthening the economy of this state; 3323

(c) Receiving the tax credit is a major factor in the 3324
taxpayer's decision to go forward with the project. 3325

(2)(a) A taxpayer that chooses to begin the project prior to 3326
receiving the determination of the authority may, upon submitting 3327
the taxpayer's application to the authority, request that the 3328
chief investment officer of the nonprofit corporation formed under 3329
section 187.01 of the Revised Code and the director review the 3330
taxpayer's application and recommend to the authority that the 3331
taxpayer's application be considered. As soon as possible after 3332
receiving such a request, the chief investment officer and the 3333

director shall review the taxpayer's application and, if they 3334
determine that the application warrants consideration by the 3335
authority, make that recommendation to the authority not later 3336
than six months after the application is received by the 3337
authority. 3338

(b) The authority shall consider any taxpayer's application 3339
for which it receives a recommendation under division (C)(2)(a) of 3340
this section. If the authority determines that the taxpayer does 3341
not meet all of the criteria set forth in division (C)(1) of this 3342
section, the authority and the development services agency shall 3343
proceed in accordance with rules adopted by the director pursuant 3344
to division (I) of this section. 3345

(D) An agreement under this section shall include all of the 3346
following: 3347

(1) A detailed description of the project that is the subject 3348
of the agreement; 3349

(2)(a) The term of the tax credit, which, except as provided 3350
in division (D)(2)(b) of this section, shall not exceed fifteen 3351
years, and the first taxable year, or first calendar year that 3352
includes a tax period, for which the credit may be claimed; 3353

(b) If the tax credit is computed on the basis of home-based 3354
employees, the term of the credit shall expire on or before the 3355
last day of the taxable or calendar year ending before the 3356
beginning of the seventh year after September 6, 2012, the 3357
effective date of H.B. 327 of the 129th general assembly. 3358

(3) A requirement that the taxpayer shall maintain operations 3359
at the project location for at least the greater of seven years or 3360
the term of the credit plus three years; 3361

(4) The percentage, as determined by the tax credit 3362
authority, of excess payroll that will be allowed as the amount of 3363
the credit for each taxable year or for each calendar year that 3364

includes a tax period; 3365

(5) The pay increase factor to be applied to the taxpayer's 3366
baseline payroll; 3367

(6) A requirement that the taxpayer annually shall report to 3368
the director of development services full-time equivalent 3369
employees, payroll, Ohio employee payroll, investment, the 3370
provision of health care benefits and tuition reimbursement if 3371
required in the agreement, and other information the director 3372
needs to perform the director's duties under this section; 3373

(7) A requirement that the director of development services 3374
annually review the information reported under division (D)(6) of 3375
this section and verify compliance with the agreement; if the 3376
taxpayer is in compliance, a requirement that the director issue a 3377
certificate to the taxpayer stating that the information has been 3378
verified and identifying the amount of the credit that may be 3379
claimed for the taxable or calendar year; 3380

(8) A provision providing that the taxpayer may not relocate 3381
a substantial number of employment positions from elsewhere in 3382
this state to the project location unless the director of 3383
development services determines that the legislative authority of 3384
the county, township, or municipal corporation from which the 3385
employment positions would be relocated has been notified by the 3386
taxpayer of the relocation. 3387

For purposes of this section, the movement of an employment 3388
position from one political subdivision to another political 3389
subdivision shall be considered a relocation of an employment 3390
position unless the employment position in the first political 3391
subdivision is replaced. 3392

(9) If the tax credit is computed on the basis of home-based 3393
employees, that the tax credit may not be claimed by the taxpayer 3394
until the taxable year or tax period in which the taxpayer employs 3395

at least two hundred employees more than the number of employees 3396
the taxpayer employed on June 30, 2011. 3397

(E) If a taxpayer fails to meet or comply with any condition 3398
or requirement set forth in a tax credit agreement, the tax credit 3399
authority may amend the agreement to reduce the percentage or term 3400
of the tax credit. The reduction of the percentage or term may 3401
take effect in the current taxable or calendar year. 3402

(F) Projects that consist solely of point-of-final-purchase 3403
retail facilities are not eligible for a tax credit under this 3404
section. If a project consists of both point-of-final-purchase 3405
retail facilities and nonretail facilities, only the portion of 3406
the project consisting of the nonretail facilities is eligible for 3407
a tax credit and only the excess payroll from the nonretail 3408
facilities shall be considered when computing the amount of the 3409
tax credit. If a warehouse facility is part of a 3410
point-of-final-purchase retail facility and supplies only that 3411
facility, the warehouse facility is not eligible for a tax credit. 3412
Catalog distribution centers are not considered 3413
point-of-final-purchase retail facilities for the purposes of this 3414
division, and are eligible for tax credits under this section. 3415

(G) Financial statements and other information submitted to 3416
the development services agency or the tax credit authority by an 3417
applicant or recipient of a tax credit under this section, and any 3418
information taken for any purpose from such statements or 3419
information, are not public records subject to section 149.43 of 3420
the Revised Code. However, the chairperson of the authority may 3421
make use of the statements and other information for purposes of 3422
issuing public reports or in connection with court proceedings 3423
concerning tax credit agreements under this section. Upon the 3424
request of the tax commissioner or, if the applicant or recipient 3425
is an insurance company, upon the request of the superintendent of 3426
insurance, the chairperson of the authority shall provide to the 3427

commissioner or superintendent any statement or information 3428
submitted by an applicant or recipient of a tax credit in 3429
connection with the credit. The commissioner or superintendent 3430
shall preserve the confidentiality of the statement or 3431
information. 3432

(H) A taxpayer claiming a credit under this section shall 3433
submit to the tax commissioner or, if the taxpayer is an insurance 3434
company, to the superintendent of insurance, a copy of the 3435
director of development services' certificate of verification 3436
under division (D)(7) of this section with the taxpayer's tax 3437
report or return for the taxable year or for the calendar year 3438
that includes the tax period. Failure to submit a copy of the 3439
certificate with the report or return does not invalidate a claim 3440
for a credit if the taxpayer submits a copy of the certificate to 3441
the commissioner or superintendent within the time prescribed by 3442
section 5703.0510 of the Revised Code or within thirty days after 3443
the commissioner or superintendent requests it. 3444

(I) The director of development services, after consultation 3445
with the tax commissioner and the superintendent of insurance and 3446
in accordance with Chapter 119. of the Revised Code, shall adopt 3447
rules necessary to implement this section, including rules that 3448
establish a procedure to be followed by the tax credit authority 3449
and the development services agency in the event the authority 3450
considers a taxpayer's application for which it receives a 3451
recommendation under division (C)(2)(a) of this section but does 3452
not approve it. The rules may provide for recipients of tax 3453
credits under this section to be charged fees to cover 3454
administrative costs of the tax credit program. The fees collected 3455
shall be credited to the ~~business assistance~~ tax incentives 3456
operating fund created in section 122.174 of the Revised Code. At 3457
the time the director gives public notice under division (A) of 3458
section 119.03 of the Revised Code of the adoption of the rules, 3459

the director shall submit copies of the proposed rules to the 3460
chairpersons of the standing committees on economic development in 3461
the senate and the house of representatives. 3462

(J) For the purposes of this section, a taxpayer may include 3463
a partnership, a corporation that has made an election under 3464
subchapter S of chapter one of subtitle A of the Internal Revenue 3465
Code, or any other business entity through which income flows as a 3466
distributive share to its owners. A partnership, S-corporation, or 3467
other such business entity may elect to pass the credit received 3468
under this section through to the persons to whom the income or 3469
profit of the partnership, S-corporation, or other entity is 3470
distributed. The election shall be made on the annual report 3471
required under division (D)(6) of this section. The election 3472
applies to and is irrevocable for the credit for which the report 3473
is submitted. If the election is made, the credit shall be 3474
apportioned among those persons in the same proportions as those 3475
in which the income or profit is distributed. 3476

(K)(1) If the director of development services determines 3477
that a taxpayer who has received a credit under this section is 3478
not complying with the requirements of the agreement, the director 3479
shall notify the tax credit authority of the noncompliance. After 3480
receiving such a notice, and after giving the taxpayer an 3481
opportunity to explain the noncompliance, the tax credit authority 3482
may require the taxpayer to refund to this state a portion of the 3483
credit in accordance with the following: 3484

(a) If the taxpayer fails to comply with the requirement 3485
under division (D)(3) of this section, an amount determined in 3486
accordance with the following: 3487

(i) If the taxpayer maintained operations at the project 3488
location for a period less than or equal to the term of the 3489
credit, an amount not exceeding one hundred per cent of the sum of 3490
any credits allowed and received under this section; 3491

(ii) If the taxpayer maintained operations at the project 3492
location for a period longer than the term of the credit, but less 3493
than the greater of seven years or the term of the credit plus 3494
three years, an amount not exceeding seventy-five per cent of the 3495
sum of any credits allowed and received under this section. 3496

(b) If, on the metric evaluation date, the taxpayer fails to 3497
substantially meet the job creation, payroll, or investment 3498
requirements included in the agreement, an amount determined at 3499
the discretion of the authority; 3500

(c) If the taxpayer fails to substantially maintain the 3501
number of new full-time equivalent employees or amount of payroll 3502
required under the agreement at any time during the term of the 3503
agreement after the metric evaluation date, an amount determined 3504
at the discretion of the authority. 3505

(2) If a taxpayer files for bankruptcy and fails as described 3506
in division (K)(1)(a), (b), or (c) of this section, the director 3507
may immediately commence an action to recoup an amount not 3508
exceeding one hundred per cent of the sum of any credits received 3509
by the taxpayer under this section. 3510

(3) In determining the portion of the tax credit to be 3511
refunded to this state, the tax credit authority shall consider 3512
the effect of market conditions on the taxpayer's project and 3513
whether the taxpayer continues to maintain other operations in 3514
this state. After making the determination, the authority shall 3515
certify the amount to be refunded to the tax commissioner or 3516
superintendent of insurance, as appropriate. If the amount is 3517
certified to the commissioner, the commissioner shall make an 3518
assessment for that amount against the taxpayer under Chapter 3519
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 3520
amount is certified to the superintendent, the superintendent 3521
shall make an assessment for that amount against the taxpayer 3522
under Chapter 5725. or 5729. of the Revised Code. The time 3523

limitations on assessments under those chapters do not apply to an 3524
assessment under this division, but the commissioner or 3525
superintendent, as appropriate, shall make the assessment within 3526
one year after the date the authority certifies to the 3527
commissioner or superintendent the amount to be refunded. 3528

(L) On or before the first day of August each year, the 3529
director of development services shall submit a report to the 3530
governor, the president of the senate, and the speaker of the 3531
house of representatives on the tax credit program under this 3532
section. The report shall include information on the number of 3533
agreements that were entered into under this section during the 3534
preceding calendar year, a description of the project that is the 3535
subject of each such agreement, and an update on the status of 3536
projects under agreements entered into before the preceding 3537
calendar year. 3538

(M) There is hereby created the tax credit authority, which 3539
consists of the director of development services and four other 3540
members appointed as follows: the governor, the president of the 3541
senate, and the speaker of the house of representatives each shall 3542
appoint one member who shall be a specialist in economic 3543
development; the governor also shall appoint a member who is a 3544
specialist in taxation. Terms of office shall be for four years. 3545
Each member shall serve on the authority until the end of the term 3546
for which the member was appointed. Vacancies shall be filled in 3547
the same manner provided for original appointments. Any member 3548
appointed to fill a vacancy occurring prior to the expiration of 3549
the term for which the member's predecessor was appointed shall 3550
hold office for the remainder of that term. Members may be 3551
reappointed to the authority. Members of the authority shall 3552
receive their necessary and actual expenses while engaged in the 3553
business of the authority. The director of development services 3554
shall serve as chairperson of the authority, and the members 3555

annually shall elect a vice-chairperson from among themselves. 3556
Three members of the authority constitute a quorum to transact and 3557
vote on the business of the authority. The majority vote of the 3558
membership of the authority is necessary to approve any such 3559
business, including the election of the vice-chairperson. 3560

The director of development services may appoint a 3561
professional employee of the development services agency to serve 3562
as the director's substitute at a meeting of the authority. The 3563
director shall make the appointment in writing. In the absence of 3564
the director from a meeting of the authority, the appointed 3565
substitute shall serve as chairperson. In the absence of both the 3566
director and the director's substitute from a meeting, the 3567
vice-chairperson shall serve as chairperson. 3568

(N) For purposes of the credits granted by this section 3569
against the taxes imposed under sections 5725.18 and 5729.03 of 3570
the Revised Code, "taxable year" means the period covered by the 3571
taxpayer's annual statement to the superintendent of insurance. 3572

(O) On or before the first day of March of each of the five 3573
calendar years beginning with 2014, each taxpayer subject to an 3574
agreement with the tax credit authority under this section on the 3575
basis of home-based employees shall report the number of 3576
home-based employees and other employees employed by the taxpayer 3577
in this state to the development services agency. 3578

(P) On or before the first day of January of 2019, the 3579
director of development services shall submit a report to the 3580
governor, the president of the senate, and the speaker of the 3581
house of representatives on the effect of agreements entered into 3582
under this section in which the taxpayer included home-based 3583
employees in the computation of income tax revenue, as that term 3584
was defined in this section prior to the amendment of this section 3585
by H.B. 64 of the 131st general assembly. The report shall include 3586
information on the number of such agreements that were entered 3587

into in the preceding six years, a description of the projects 3588
that were the subjects of such agreements, and an analysis of 3589
nationwide home-based employment trends, including the number of 3590
home-based jobs created from July 1, 2011, through June 30, 2017, 3591
and a description of any home-based employment tax incentives 3592
provided by other states during that time. 3593

(Q) The director of development services may require any 3594
agreement entered into under this section for a tax credit 3595
computed on the basis of home-based employees to contain a 3596
provision that the taxpayer makes available health care benefits 3597
and tuition reimbursement to all employees. 3598

(R) Original agreements approved by the tax credit authority 3599
under this section in 2014 or 2015 before ~~the effective date of~~ 3600
~~this division~~ September 29, 2015, may be revised at the request of 3601
the taxpayer to conform with the amendments to this section and 3602
sections 5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised 3603
Code by H.B. 64 of the 131st general assembly, upon mutual 3604
agreement of the taxpayer and the development services agency, and 3605
approval by the tax credit authority. 3606

(S)(1) As used in division (S) of this section: 3607

(a) "Eligible agreement" means an agreement approved by the 3608
tax credit authority under this section on or before December 31, 3609
2013. 3610

(b) "Reporting period" means a period corresponding to the 3611
annual report required under division (D)(6) of this section. 3612

(c) "Income tax revenue" has the same meaning as under this 3613
section as it existed before September 29, 2015, the effective 3614
date of the amendment of this section by H.B. 64 of the 131st 3615
general assembly. 3616

(2) In calendar year 2016 and thereafter, the tax credit 3617
authority shall annually determine a withholding adjustment factor 3618

to be used in the computation of income tax revenue for eligible 3619
agreements. The withholding adjustment factor shall be a numerical 3620
percentage that equals the percentage that employer income tax 3621
withholding rates have been increased or decreased as a result of 3622
changes in the income tax rates prescribed by section 5747.02 of 3623
the Revised Code by amendment of that section taking effect on or 3624
after June 29, 2013. 3625

(3) Except as provided in division (S)(4) of this section, 3626
for reporting periods ending in 2015 and thereafter for taxpayers 3627
subject to eligible agreements, the tax credit authority shall 3628
adjust the income tax revenue reported on the taxpayer's annual 3629
report by multiplying the withholding adjustment factor by the 3630
taxpayer's income tax revenue and doing one of the following: 3631

(a) If the income tax rates prescribed by section 5747.02 of 3632
the Revised Code have decreased by amendment of that section 3633
taking effect on or after June 29, 2013, add the product to the 3634
taxpayer's income tax revenue. 3635

(b) If the income tax rates prescribed by section 5747.02 of 3636
the Revised Code have increased by amendment of that section 3637
taking effect on or after June 29, 2013, subtract the product from 3638
the taxpayer's income tax revenue. 3639

(4) Division (S)(3) of this section shall not apply unless 3640
all of the following apply for the reporting period with respect 3641
to the eligible agreement: 3642

(a) The taxpayer has achieved one hundred per cent of the new 3643
employment commitment identified in the agreement. 3644

(b) If applicable, the taxpayer has achieved one hundred per 3645
cent of the new payroll commitment identified in the agreement. 3646

(c) If applicable, the taxpayer has achieved one hundred per 3647
cent of the investment commitment identified in the agreement. 3648

(5) Failure by a taxpayer to have achieved any of the applicable commitments described in divisions (S)(4)(a) to (c) of this section in a reporting period does not disqualify the taxpayer for the adjustment under division (S) of this section for an ensuing reporting period.

Sec. 122.171. (A) As used in this section:

(1) "Capital investment project" means a plan of investment at a project site for the acquisition, construction, renovation, or repair of buildings, machinery, or equipment, or for capitalized costs of basic research and new product development determined in accordance with generally accepted accounting principles, but does not include any of the following:

(a) Payments made for the acquisition of personal property through operating leases;

(b) Project costs paid before January 1, 2002;

(c) Payments made to a related member as defined in section 5733.042 of the Revised Code or to a consolidated elected taxpayer or a combined taxpayer as defined in section 5751.01 of the Revised Code.

(2) "Eligible business" means a taxpayer and its related members with Ohio operations satisfying all of the following:

(a) The taxpayer employs at least five hundred full-time equivalent employees or has an annual Ohio employee payroll of at least thirty-five million dollars at the time the tax credit authority grants the tax credit under this section;

(b) The taxpayer makes or causes to be made payments for the capital investment project of one of the following:

(i) If the taxpayer is engaged at the project site primarily as a manufacturer, at least fifty million dollars in the aggregate at the project site during a period of three consecutive calendar

years, including the calendar year that includes a day of the 3679
taxpayer's taxable year or tax period with respect to which the 3680
credit is granted; 3681

(ii) If the taxpayer is engaged at the project site primarily 3682
in significant corporate administrative functions, as defined by 3683
the director of development services by rule, at least twenty 3684
million dollars in the aggregate at the project site during a 3685
period of three consecutive calendar years including the calendar 3686
year that includes a day of the taxpayer's taxable year or tax 3687
period with respect to which the credit is granted. 3688

(c) The taxpayer had a capital investment project reviewed 3689
and approved by the tax credit authority as provided in divisions 3690
(C), (D), and (E) of this section. 3691

(3) "Full-time equivalent employees" means the quotient 3692
obtained by dividing the total number of hours for which employees 3693
were compensated for employment in the project by two thousand 3694
eighty. "Full-time equivalent employees" shall exclude hours that 3695
are counted for a credit under section 122.17 of the Revised Code. 3696

(4) "Ohio employee payroll" has the same meaning as in 3697
section 122.17 of the Revised Code. 3698

(5) "Manufacturer" has the same meaning as in section 3699
5739.011 of the Revised Code. 3700

(6) "Project site" means an integrated complex of facilities 3701
in this state, as specified by the tax credit authority under this 3702
section, within a fifteen-mile radius where a taxpayer is 3703
primarily operating as an eligible business. 3704

(7) "Related member" has the same meaning as in section 3705
5733.042 of the Revised Code as that section existed on the 3706
effective date of its amendment by Am. Sub. H.B. 215 of the 122nd 3707
general assembly, September 29, 1997. 3708

(8) "Taxable year" includes, in the case of a domestic or 3709
foreign insurance company, the calendar year ending on the 3710
thirty-first day of December preceding the day the superintendent 3711
of insurance is required to certify to the treasurer of state 3712
under section 5725.20 or 5729.05 of the Revised Code the amount of 3713
taxes due from insurance companies. 3714

(B) The tax credit authority created under section 122.17 of 3715
the Revised Code may grant a nonrefundable tax credit to an 3716
eligible business under this section for the purpose of fostering 3717
job retention in this state. Upon application by an eligible 3718
business and upon consideration of the determination of the 3719
director of budget and management, tax commissioner, and the 3720
superintendent of insurance in the case of an insurance company, 3721
and the recommendation and determination of the director of 3722
development services under division (C) of this section, the tax 3723
credit authority may grant the credit against the tax imposed by 3724
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 3725
5751.02 of the Revised Code. 3726

The credit authorized in this section may be granted for a 3727
period up to fifteen taxable years or, in the case of the tax 3728
levied by section 5736.02 or 5751.02 of the Revised Code, for a 3729
period of up to fifteen calendar years. The credit amount for a 3730
taxable year or a calendar year that includes the tax period for 3731
which a credit may be claimed equals the Ohio employee payroll for 3732
that year multiplied by the percentage specified in the agreement 3733
with the tax credit authority. The credit shall be claimed in the 3734
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 3735
5747.98, or 5751.98 of the Revised Code. In determining the 3736
percentage and term of the credit, the tax credit authority shall 3737
consider both the number of full-time equivalent employees and the 3738
value of the capital investment project. The credit amount may not 3739
be based on the Ohio employee payroll for a calendar year before 3740

the calendar year in which the tax credit authority specifies the 3741
tax credit is to begin, and the credit shall be claimed only for 3742
the taxable years or tax periods specified in the eligible 3743
business' agreement with the tax credit authority. In no event 3744
shall the credit be claimed for a taxable year or tax period 3745
terminating before the date specified in the agreement. 3746

If a credit allowed under this section for a taxable year or 3747
tax period exceeds the taxpayer's tax liability for that year or 3748
period, the excess may be carried forward for the three succeeding 3749
taxable or calendar years, but the amount of any excess credit 3750
allowed in any taxable year or tax period shall be deducted from 3751
the balance carried forward to the succeeding year or period. 3752

(C) A taxpayer that proposes a capital investment project to 3753
retain jobs in this state may apply to the tax credit authority to 3754
enter into an agreement for a tax credit under this section. The 3755
director of development services shall prescribe the form of the 3756
application. After receipt of an application, the authority shall 3757
forward copies of the application to the director of budget and 3758
management, the tax commissioner, and the superintendent of 3759
insurance in the case of an insurance company, each of whom shall 3760
review the application to determine the economic impact the 3761
proposed project would have on the state and the affected 3762
political subdivisions and shall submit a summary of their 3763
determinations to the authority. The authority shall also forward 3764
a copy of the application to the director of development services, 3765
who shall review the application to determine the economic impact 3766
the proposed project would have on the state and the affected 3767
political subdivisions and shall submit a summary of the 3768
director's determinations and recommendations to the authority. 3769

(D) Upon review and consideration of the determinations and 3770
recommendations described in division (C) of this section, the tax 3771
credit authority may enter into an agreement with the taxpayer for 3772

a credit under this section if the authority determines all of the 3773
following: 3774

(1) The taxpayer's capital investment project will result in 3775
the retention of employment in this state. 3776

(2) The taxpayer is economically sound and has the ability to 3777
complete the proposed capital investment project. 3778

(3) The taxpayer intends to and has the ability to maintain 3779
operations at the project site for at least the greater of (a) the 3780
term of the credit plus three years, or (b) seven years. 3781

(4) Receiving the credit is a major factor in the taxpayer's 3782
decision to begin, continue with, or complete the project. 3783

(E) An agreement under this section shall include all of the 3784
following: 3785

(1) A detailed description of the project that is the subject 3786
of the agreement, including the amount of the investment, the 3787
period over which the investment has been or is being made, the 3788
number of full-time equivalent employees at the project site, and 3789
the anticipated Ohio employee payroll to be generated. 3790

(2) The term of the credit, the percentage of the tax credit, 3791
the maximum annual value of tax credits that may be allowed each 3792
year, and the first year for which the credit may be claimed. 3793

(3) A requirement that the taxpayer maintain operations at 3794
the project site for at least the greater of (a) the term of the 3795
credit plus three years, or (b) seven years. 3796

(4) A requirement that the taxpayer retain at least five 3797
hundred full-time equivalent employees at the project site and 3798
within this state for the entire term of the credit, or a 3799
requirement that the taxpayer maintain an annual Ohio employee 3800
payroll of at least thirty-five million dollars for the entire 3801
term of the credit. 3802

(5) A requirement that the taxpayer annually report to the director of development services full-time equivalent employees, Ohio employee payroll, capital investment, and other information the director needs to perform the director's duties under this section.

(6) A requirement that the director of development services annually review the annual reports of the taxpayer to verify the information reported under division (E)(5) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit for the taxable year or calendar year that includes the tax period. In determining the number of full-time equivalent employees, no position shall be counted that is filled by an employee who is included in the calculation of a tax credit under section 122.17 of the Revised Code.

(7) A provision providing that the taxpayer may not relocate a substantial number of employment positions from elsewhere in this state to the project site unless the director of development services determines that the taxpayer notified the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated.

For purposes of this section, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position unless the movement is confined to the project site. The transfer of an employment position from one political subdivision to another political subdivision shall not be considered a relocation of an employment position if the employment position in the first political subdivision is replaced by another employment position.

(8) A waiver by the taxpayer of any limitations periods

relating to assessments or adjustments resulting from the 3835
taxpayer's failure to comply with the agreement. 3836

(F) If a taxpayer fails to meet or comply with any condition 3837
or requirement set forth in a tax credit agreement, the tax credit 3838
authority may amend the agreement to reduce the percentage or term 3839
of the credit. The reduction of the percentage or term may take 3840
effect in the current taxable or calendar year. 3841

(G) Financial statements and other information submitted to 3842
the department of development services or the tax credit authority 3843
by an applicant for or recipient of a tax credit under this 3844
section, and any information taken for any purpose from such 3845
statements or information, are not public records subject to 3846
section 149.43 of the Revised Code. However, the chairperson of 3847
the authority may make use of the statements and other information 3848
for purposes of issuing public reports or in connection with court 3849
proceedings concerning tax credit agreements under this section. 3850
Upon the request of the tax commissioner, or the superintendent of 3851
insurance in the case of an insurance company, the chairperson of 3852
the authority shall provide to the commissioner or superintendent 3853
any statement or other information submitted by an applicant for 3854
or recipient of a tax credit in connection with the credit. The 3855
commissioner or superintendent shall preserve the confidentiality 3856
of the statement or other information. 3857

(H) A taxpayer claiming a tax credit under this section shall 3858
submit to the tax commissioner or, in the case of an insurance 3859
company, to the superintendent of insurance, a copy of the 3860
director of development services' certificate of verification 3861
under division (E)(6) of this section with the taxpayer's tax 3862
report or return for the taxable year or for the calendar year 3863
that includes the tax period. Failure to submit a copy of the 3864
certificate with the report or return does not invalidate a claim 3865
for a credit if the taxpayer submits a copy of the certificate to 3866

the commissioner or superintendent within the time prescribed by 3867
section 5703.0510 of the Revised Code or within thirty days after 3868
the commissioner or superintendent requests it. 3869

(I) For the purposes of this section, a taxpayer may include 3870
a partnership, a corporation that has made an election under 3871
subchapter S of chapter one of subtitle A of the Internal Revenue 3872
Code, or any other business entity through which income flows as a 3873
distributive share to its owners. A partnership, S-corporation, or 3874
other such business entity may elect to pass the credit received 3875
under this section through to the persons to whom the income or 3876
profit of the partnership, S-corporation, or other entity is 3877
distributed. The election shall be made on the annual report 3878
required under division (E)(5) of this section. The election 3879
applies to and is irrevocable for the credit for which the report 3880
is submitted. If the election is made, the credit shall be 3881
apportioned among those persons in the same proportions as those 3882
in which the income or profit is distributed. 3883

(J)(1) If the director of development services determines 3884
that a taxpayer that received a certificate under division (E)(6) 3885
of this section is not complying with the requirements of the 3886
agreement, the director shall notify the tax credit authority of 3887
the noncompliance. After receiving such a notice, and after giving 3888
the taxpayer an opportunity to explain the noncompliance, the 3889
authority may terminate the agreement and require the taxpayer, or 3890
any related member or members that claimed the tax credit under 3891
division (N) of this section, to refund to the state all or a 3892
portion of the credit claimed in previous years, as follows: 3893

(a) If the taxpayer fails to comply with the requirement 3894
under division (E)(3) of this section, an amount determined in 3895
accordance with the following: 3896

(i) If the taxpayer maintained operations at the project site 3897
for less than or equal to the term of the credit, an amount not to 3898

exceed one hundred per cent of the sum of any tax credits allowed 3899
and received under this section. 3900

(ii) If the taxpayer maintained operations at the project 3901
site longer than the term of the credit, but less than the greater 3902
of seven years or the term of the credit plus three years, the 3903
amount required to be refunded shall not exceed seventy-five per 3904
cent of the sum of any tax credits allowed and received under this 3905
section. 3906

(b) If the taxpayer fails to substantially maintain both the 3907
number of full-time equivalent employees and the amount of Ohio 3908
employee payroll required under the agreement at any time during 3909
the term of the agreement or during the post-term reporting 3910
period, an amount determined at the discretion of the authority. 3911

(2) If a taxpayer files for bankruptcy and fails as described 3912
in division (J)(1)(a) or (b) of this section, the director may 3913
immediately commence an action to recoup an amount not exceeding 3914
one hundred per cent of the sum of any credits received by the 3915
taxpayer under this section. 3916

(3) In determining the portion of the credit to be refunded 3917
to this state, the authority shall consider the effect of market 3918
conditions on the taxpayer's project and whether the taxpayer 3919
continues to maintain other operations in this state. After making 3920
the determination, the authority shall certify the amount to be 3921
refunded to the tax commissioner or the superintendent of 3922
insurance. If the taxpayer, or any related member or members who 3923
claimed the tax credit under division (N) of this section, is not 3924
an insurance company, the commissioner shall make an assessment 3925
for that amount against the taxpayer under Chapter 5726., 5733., 3926
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 3927
any related member or members that claimed the tax credit under 3928
division (N) of this section, is an insurance company, the 3929
superintendent of insurance shall make an assessment under section 3930

5725.222 or 5729.102 of the Revised Code. The time limitations on 3931
assessments under those chapters and sections do not apply to an 3932
assessment under this division, but the commissioner or 3933
superintendent shall make the assessment within one year after the 3934
date the authority certifies to the commissioner or superintendent 3935
the amount to be refunded. 3936

(K) The director of development services, after consultation 3937
with the tax commissioner and the superintendent of insurance and 3938
in accordance with Chapter 119. of the Revised Code, shall adopt 3939
rules necessary to implement this section. The rules may provide 3940
for recipients of tax credits under this section to be charged 3941
fees to cover administrative costs of the tax credit program. The 3942
fees collected shall be credited to the ~~business assistance tax~~ 3943
incentives operating fund created in section 122.174 of the 3944
Revised Code. At the time the director gives public notice under 3945
division (A) of section 119.03 of the Revised Code of the adoption 3946
of the rules, the director shall submit copies of the proposed 3947
rules to the chairpersons of the standing committees on economic 3948
development in the senate and the house of representatives. 3949

(L) On or before the first day of August of each year, the 3950
director of development services shall submit a report to the 3951
governor, the president of the senate, and the speaker of the 3952
house of representatives on the tax credit program under this 3953
section. The report shall include information on the number of 3954
agreements that were entered into under this section during the 3955
preceding calendar year, a description of the project that is the 3956
subject of each such agreement, and an update on the status of 3957
projects under agreements entered into before the preceding 3958
calendar year. 3959

(M) The aggregate amount of nonrefundable tax credits issued 3960
under this section during any calendar year for capital investment 3961
projects reviewed and approved by the tax credit authority may not 3962

exceed the following amounts: 3963

(1) For 2010, thirteen million dollars; 3964

(2) For 2011 through 2023, the amount of the limit for the 3965
preceding calendar year plus thirteen million dollars; 3966

(3) For 2024 and each year thereafter, one hundred 3967
ninety-five million dollars. 3968

The limitations in division (M) of this section do not apply 3969
to credits for capital investment projects approved by the tax 3970
credit authority before July 1, 2009. 3971

(N) This division applies only to an eligible business that 3972
is part of an affiliated group that includes a diversified savings 3973
and loan holding company or a grandfathered unitary savings and 3974
loan holding company, as those terms are defined in section 3975
5726.01 of the Revised Code. Notwithstanding any contrary 3976
provision of the agreement between such an eligible business and 3977

of the Revised Code. Credits shall be claimed by the eligible 3986
business in sequential order, as applicable, first claiming the 3987
credits to the fullest extent possible against the tax that the 3988
certificate holder is subject to, then against the tax imposed by, 3989
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 3990
lastly 5726.02 of the Revised Code. The credits may be allocated 3991
among the members of the affiliated group in such manner as the 3992
eligible business elects, but subject to the sequential order 3993

required under this division. This division applies to credits 3994
granted before, on, or after March 27, 2013, the effective date of 3995

authority shall annually determine a withholding adjustment factor 4019
to be used in the computation of income tax revenue for eligible 4020
agreements. The withholding adjustment factor shall be a numerical 4021
percentage that equals the percentage that employer income tax 4022
withholding rates have been increased or decreased as a result of 4023
changes in the income tax rates prescribed by section 5747.02 of 4024

the Revised Code by amendment of that section taking effect on or 4025
after June 29, 2013. 4026

(3) Except as provided in division (O)(4) of this section, 4027
for reporting periods ending in 2015 and thereafter for taxpayers 4028
subject to eligible agreements, the tax credit authority shall 4029
adjust the income tax revenue reported on the taxpayer's annual 4030
report by multiplying the withholding adjustment factor by the 4031
taxpayer's income tax revenue and doing one of the following: 4032

(a) If the income tax rates prescribed by section 5747.02 of 4033
the Revised Code have decreased by amendment of this section 4034
taking effect on or after June 29, 2013, add the product to the 4035

(b) If the income tax rates prescribed by section 5747.02 of 4037

(5) Failure by a taxpayer to have achieved any of the 4050
applicable commitments described in divisions (O)(4)(a) to (c) of 4051
this section in a reporting period does not disqualify the 4052
taxpayer for the adjustment under division (O) of this section for 4053
an ensuing reporting period. 4054

(C) A taxpayer that proposes a capital improvement project 4135
for an eligible computer data center in this state may apply to 4136
the tax credit authority to enter into an agreement under this 4137
section authorizing a complete or partial exemption from the taxes 4138

also forward a copy of the application to the director of 4151
development services who shall review the application to determine 4152
the economic impact that the proposed eligible computer data 4153
center would have on the state and the affected political 4154

(D) Upon review and consideration of such determinations and 4157

agreement with the applicant and any other taxpayer that operates 4159
a computer data center business at the project site for a complete 4160
or partial exemption from the taxes imposed under Chapters 5739. 4161

capital investment project. 4176

(E) An agreement entered into under this section shall 4177
include all of the following: 4178

the anticipated amount of income taxes to be withheld from 4184
employee compensation pursuant to section 5747.06 of the Revised 4185
Code. 4186

(2) The percentage of the exemption from the taxes imposed 4187
under Chapters 5739. and 5741. of the Revised Code for the 4188

exemption applies. 4192

(3) A requirement that the computer data center remain an 4193
eligible computer data center during the term of the agreement and 4194
that the applicant maintain operations at the eligible computer 4195
data center during that term. An applicant does not violate the 4196
requirement described in division (E)(3) of this section if the 4197
applicant ceases operations at the eligible computer data center 4198
during the term of the agreement but resumes those operations 4199
within eighteen months after the date of cessation. The agreement 4200
shall provide that, in such a case, the applicant and any other 4201
taxpayer that operates a computer data center business at the 4202
project site shall not claim the tax exemption authorized in the 4203
agreement for any purchase of computer data center equipment made 4204
during the period in which the applicant did not maintain 4205
operations at the eligible computer data center. 4206

(4) A requirement that, for each year of the term of the 4207
agreement beginning on or after the first day of the twenty-fifth 4208

month after the date the agreement was entered into, one or more 4209

site will, in the aggregate, pay annual compensation that is 4211
subject to the withholding obligation imposed under section 4212
5747.06 of the Revised Code of at least one million five hundred 4213
thousand dollars to employees at the eligible computer data 4214
center. 4215

(5) A requirement that each taxpayer subject to the agreement 4216
annually report to the director of development services 4217
employment, tax withholding, capital investment, and other 4218
information required by the director to perform the director's 4219
duties under this section. 4220

(6) A requirement that the director of development services 4221
annually review the annual reports of each taxpayer subject to the 4222
agreement to verify the information reported under division (E)(5) 4223
of this section and compliance with the agreement. Upon 4224
verification, the director shall issue a certificate to each such 4225
taxpayer stating that the information has been verified and that 4226
the taxpayer remains eligible for the exemption specified in the 4227
agreement. 4228

(7) A provision providing that the taxpayers subject to the 4229
agreement may not relocate a substantial number of employment 4230
positions from elsewhere in this state to the project site unless 4231
the director of development services determines that the 4232
appropriate taxpayer notified the legislative authority of the 4233
county, township, or municipal corporation from which the 4234
employment positions would be relocated. For purposes of this 4235
paragraph, the movement of an employment position from one 4236
political subdivision to another political subdivision shall be 4237
considered a relocation of an employment position unless the 4238
movement is confined to the project site. The transfer of an 4239
employment position from one political subdivision to another 4240

political subdivision shall not be considered a relocation of an 4241
employment position if the employment position in the first 4242
political subdivision is replaced by another employment position. 4243

(8) A waiver by each taxpayer subject to the agreement of any 4244
limitations periods relating to assessments or adjustments 4245
resulting from the taxpayer's failure to comply with the 4246
agreement. 4247

(F) The term of an agreement under this section shall be 4248
determined by the tax credit authority, and the amount of the 4249
exemption shall not exceed one hundred per cent of such taxes that 4250
would otherwise be owed in respect to the exempted computer data 4251
center equipment. 4252

(G) If any taxpayer subject to an agreement under this 4253
section fails to meet or comply with any condition or requirement 4254
set forth in the agreement, the tax credit authority may amend the 4255
agreement to reduce the percentage of the exemption or term during 4256
which the exemption applies to the computer data center equipment 4257
used or to be used by the noncompliant taxpayer at an eligible 4258
computer data center. The reduction of the percentage or term may 4259
take effect in the current calendar year. 4260

(H) Financial statements and other information submitted to 4261
the department of development services or the tax credit authority 4262
by an applicant for or recipient of an exemption under this 4263
section, and any information taken for any purpose from such 4264
statements or information, are not public records subject to 4265
section 149.43 of the Revised Code. However, the chairperson of 4266
the authority may make use of the statements and other information 4267
for purposes of issuing public reports or in connection with court 4268
proceedings concerning tax exemption agreements under this 4269
section. Upon the request of the tax commissioner, the chairperson 4270
of the authority shall provide to the tax commissioner any 4271
statement or other information submitted by an applicant for or 4272

recipient of an exemption under this section. The tax commissioner 4273
shall preserve the confidentiality of the statement or other 4274
information. 4275

(I) The tax commissioner shall issue a direct payment permit 4276
under section 5739.031 of the Revised Code to each taxpayer 4277
subject to an agreement under this section. Such direct payment 4278
permit shall authorize the taxpayer to pay any sales and use taxes 4279
due on purchases of computer data center equipment used or to be 4280
used in an eligible computer data center and to pay any sales and 4281
use taxes due on purchases of tangible personal property or 4282
taxable services other than computer data center equipment used or 4283
to be used in an eligible computer data center directly to the tax 4284
commissioner. Each such taxpayer shall pay pursuant to such direct 4285
payment permit all sales tax levied on such purchases under 4286
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 4287
Code and all use tax levied on such purchases under sections 4288
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 4289
consistent with the terms of the agreement entered into under this 4290
section. 4291

During the term of an agreement under this section each 4292
taxpayer subject to the agreement shall submit to the tax 4293
commissioner a return that shows the amount of computer data 4294
center equipment purchased for use at the eligible computer data 4295
center, the amount of tangible personal property and taxable 4296
services other than computer data center equipment purchased for 4297
use at the eligible computer data center, the amount of tax under 4298
Chapter 5739. or 5741. of the Revised Code that would be due in 4299
the absence of the agreement under this section, the exemption 4300
percentage for computer data center equipment specified in the 4301
agreement, and the amount of tax due under Chapter 5739. or 5741. 4302
of the Revised Code as a result of the agreement under this 4303
section. Each such taxpayer shall pay the tax shown on the return 4304

to be due in the manner and at the times as may be further 4305
prescribed by the tax commissioner. Each such taxpayer shall 4306
include a copy of the director of development services' 4307
certificate of verification issued under division (E)(6) of this 4308
section. Failure to submit a copy of the certificate with the 4309
return does not invalidate the claim for exemption if the taxpayer 4310
submits a copy of the certificate to the tax commissioner within 4311
~~sixty days after the tax commissioner requests it~~ the time 4312
prescribed by section 5703.0510 of the Revised Code. 4313

(J) If the director of development services determines that 4314
one or more taxpayers received an exemption from taxes due on the 4315
purchase of computer data center equipment purchased for use at a 4316
computer data center that no longer complies with the requirement 4317
under division (E)(3) of this section, the director shall notify 4318
the tax credit authority and, if applicable, the taxpayer that 4319
applied to enter the agreement for the exemption under division 4320
(C) of this section of the noncompliance. After receiving such a 4321
notice, and after giving each taxpayer subject to the agreement an 4322
opportunity to explain the noncompliance, the authority may 4323
terminate the agreement and require each such taxpayer to pay to 4324
the state all or a portion of the taxes that would have been owed 4325
in regards to the exempt equipment in previous years, all as 4326
determined under rules adopted pursuant to division (K) of this 4327
section. In determining the portion of the taxes that would have 4328
been owed on the previously exempted equipment to be paid to this 4329
state by a taxpayer, the authority shall consider the effect of 4330
market conditions on the eligible computer data center, whether 4331
the taxpayer continues to maintain other operations in this state, 4332
and, with respect to agreements involving multiple taxpayers, the 4333
taxpayer's level of responsibility for the noncompliance. After 4334
making the determination, the authority shall certify to the tax 4335
commissioner the amount to be paid by each taxpayer subject to the 4336
agreement. The tax commissioner shall make an assessment for that 4337

amount against each such taxpayer under Chapter 5739. or 5741. of 4338
the Revised Code. The time limitations on assessments under those 4339
chapters do not apply to an assessment under this division, but 4340
the tax commissioner shall make the assessment within one year 4341
after the date the authority certifies to the tax commissioner the 4342
amount to be paid by the taxpayer. 4343

(K) The director of development services, after consultation 4344
with the tax commissioner and in accordance with Chapter 119. of 4345
the Revised Code, shall adopt rules necessary to implement this 4346
section. The rules may provide for recipients of tax exemptions 4347
under this section to be charged fees to cover administrative 4348
costs incurred in the administration of this section. The fees 4349
collected shall be credited to the ~~business-assistance tax~~ 4350
incentives operating fund created in section 122.174 of the 4351
Revised Code. At the time the director gives public notice under 4352
division (A) of section 119.03 of the Revised Code of the adoption 4353
of the rules, the director shall submit copies of the proposed 4354
rules to the chairpersons of the standing committees on economic 4355
development in the senate and the house of representatives. 4356

(L) On or before the first day of August of each year, the 4357
director of development services shall submit a report to the 4358
governor, the president of the senate, and the speaker of the 4359
house of representatives on the tax exemption authorized under 4360
this section. The report shall include information on the number 4361
of agreements that were entered into under this section during the 4362
preceding calendar year, a description of the eligible computer 4363
data center that is the subject of each such agreement, and an 4364
update on the status of eligible computer data centers under 4365
agreements entered into before the preceding calendar year. 4366

(M) A taxpayer may be made a party to an existing agreement 4367
entered into under this section by the tax credit authority and 4368
another taxpayer or group of taxpayers. In such a case, the 4369

taxpayer shall be entitled to all benefits and bound by all 4370
obligations contained in the agreement and all requirements 4371
described in this section. When an agreement includes multiple 4372
taxpayers, each taxpayer shall be entitled to a direct payment 4373
permit as authorized in division (I) of this section. 4374

(B) For the purpose of encouraging and developing a strong 4423
film industry in this state, the director of development services 4424
may certify a motion picture produced by a motion picture company 4425
as a tax credit-eligible production. In the case of a television 4426
series, the director may certify the production of each episode of 4427
the series as a separate tax credit-eligible production. A motion 4428
picture company shall apply for certification of a motion picture 4429
as a tax credit-eligible production on a form and in the manner 4430
prescribed by the director. Each application shall include the 4431

Within ninety days after certification of a motion picture as a tax credit-eligible production, and any time thereafter upon the	4458 4459

request of the director of development services, the motion 4460
picture company shall present to the director sufficient evidence 4461
of reviewable progress. If the motion picture company fails to 4462
present sufficient evidence, the director may rescind the 4463
certification. Upon rescission, the director shall notify the 4464
applicant that the certification has been rescinded. Nothing in 4465
this section prohibits an applicant whose tax credit-eligible 4466
production certification has been rescinded from submitting a 4467
subsequent application for certification. 4468

(C)(1) A motion picture company whose motion picture has been 4469
certified as a tax credit-eligible production may apply to the 4470
director of development services on or after July 1, 2009, for a 4471
refundable credit against the tax imposed by section 5726.02, 4472
5733.06, 5747.02, or 5751.02 of the Revised Code. The director in 4473
consultation with the tax commissioner shall prescribe the form 4474
and manner of the application and the information or documentation 4475
required to be submitted with the application. 4476

The credit is determined as follows: 4477

(a) If the total budgeted eligible production expenditures 4478
stated in the application submitted under division (B) of this 4479
section or the actual eligible production expenditures as finally 4480
determined under division (D) of this section, whichever is least, 4481
is less than or equal to three hundred thousand dollars, no credit 4482
is allowed; 4483

(b) If the total budgeted eligible production expenditures 4484
stated in the application submitted under division (B) of this 4485
section or the actual eligible production expenditures as finally 4486
determined under division (D) of this section, whichever is least, 4487
is greater than three hundred thousand dollars, the credit equals 4488
thirty per cent of the least of such budgeted or actual eligible 4489
expenditure amounts. 4490

(2) Except as provided in division (C)(4) of this section, if the director of development services approves a motion picture company's application for a credit, the director shall issue a tax credit certificate to the company. The director in consultation with the tax commissioner shall prescribe the form and manner of issuing certificates. The director shall assign a unique identifying number to each tax credit certificate and shall record the certificate in a register devised and maintained by the director for that purpose. The certificate shall state the amount of the eligible production expenditures on which the credit is based and the amount of the credit. Upon the issuance of a certificate, the director shall certify to the tax commissioner the name of the applicant, the amount of eligible production expenditures shown on the certificate, and any other information required by the rules adopted to administer this section.

(3) The amount of eligible production expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Once the eligible production expenditures are finally determined under section 5703.19 of the Revised Code and division (D) of this section, the credit amount is not subject to adjustment unless the director determines an error was committed in the computation of the credit amount.

(4) No tax credit certificate may be issued before the completion of the tax credit-eligible production. Not more than forty million dollars of tax credit may be allowed per fiscal year beginning July 1, 2016.

(D) A motion picture company whose motion picture has been certified as a tax credit-eligible production shall engage, at the company's expense, an independent certified public accountant to examine the company's production expenditures to identify the

expenditures that qualify as eligible production expenditures. The 4523
certified public accountant shall issue a report to the company 4524
and to the director of development services certifying the 4525
company's eligible production expenditures and any other 4526
information required by the director. Upon receiving and examining 4527
the report, the director may disallow any expenditure the director 4528
determines is not an eligible production expenditure. If the 4529
director disallows an expenditure, the director shall issue a 4530
written notice to the motion picture production company stating 4531
that the expenditure is disallowed and the reason for the 4532
disallowance. Upon examination of the report and disallowance of 4533
any expenditures, the director shall determine finally the lesser 4534
of the total budgeted eligible production expenditures stated in 4535
the application submitted under division (B) of this section or 4536
the actual eligible production expenditures for the purpose of 4537
computing the amount of the credit. 4538

(E) No credit shall be allowed under section 5726.55, 4539
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 4540
director has reviewed the report and made the determination 4541
prescribed by division (D) of this section. 4542

(F) This state reserves the right to refuse the use of this 4543
state's name in the credits of any tax credit-eligible motion 4544
picture production. 4545

(G)(1) The director of development services in consultation 4546
with the tax commissioner shall adopt rules for the administration 4547
of this section, including rules setting forth and governing the 4548
criteria for determining whether a motion picture production is a 4549
tax credit-eligible production; activities that constitute the 4550
production of a motion picture; reporting sufficient evidence of 4551
reviewable progress; expenditures that qualify as eligible 4552
production expenditures; a competitive process for approving 4553
credits; consideration of geographic distribution of credits; and 4554

implementation of the program described in division (I) of this 4555
section. The rules shall be adopted under Chapter 119. of the 4556
Revised Code. 4557

(2) The director may require a reasonable application fee to 4558
cover administrative costs of the tax credit program. The fees 4559
collected shall be credited to the ~~business assistance tax~~ 4560
incentives operating fund created in section 122.174 of the 4561
Revised Code. All grants, gifts, fees, and contributions made to 4562
the director for marketing and promotion of the motion picture 4563
industry within this state shall also be credited to the fund. ~~The~~ 4564
~~director shall use money in the fund to pay expenses related to~~ 4565
~~the administration of the Ohio film office and the credit~~ 4566
~~authorized by this section and sections 5726.55, 5733.59, 5747.66,~~ 4567
~~and 5751.54 of the Revised Code.~~ 4568

(H)(1) After the director of development services makes the 4569
determination required under division (D) of this section, a 4570
motion picture company to which a tax credit certificate is issued 4571
may transfer the authority to claim all or a portion of the amount 4572
of the tax credit the motion picture company is authorized to 4573
claim pursuant to that certificate under section 5726.55, 5733.59, 4574
5747.66, or 5751.54 of the Revised Code to one or more other 4575
persons. Within thirty days after a transfer under this division, 4576
the motion picture company shall submit the following information 4577
to the director, on a form prescribed by the director: 4578

(a) Information necessary for the director to identify the 4579
certificate that is the basis for the transfer; 4580

(b) The portion or amount of the tax credit transferred to 4581
each transferee; 4582

(c) The portion or amount of the tax credit that the motion 4583
picture company retains the authority to claim; 4584

(d) The tax identification number of each transferee; 4585

(e) The date of the transfer; 4586

(f) Any other information required by the director; 4587

(g) Any information required by the tax commissioner. 4588

The director shall deliver a copy of any submission received 4589
under division (H)(1) of this section to the tax commissioner. 4590

(2) A transferee may not claim a credit under section 4591
5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless 4592
and until the transferring motion picture company complies with 4593
division (H)(1) of this section. A transferee may claim the 4594
transferred amount of any credit or portion of a credit for the 4595
same taxable year or tax period for which the transferring motion 4596
picture company was authorized to claim the credit or portion of a 4597
credit pursuant to the certificate. A motion picture company shall 4598
make no transfer under division (H)(1) of this section after the 4599
last day of the tax period or taxable year for which the motion 4600
picture company is required to claim the credit pursuant to the 4601
certificate. 4602

A motion picture company may make not more than one transfer 4603
under division (H)(1) of this section for each tax credit 4604
certificate, but pursuant to that transaction, may allocate the 4605
authority to claim a portion of the credit to more than one 4606
transferee. A motion picture company may not authorize more than 4607
one transferee to claim the same portion of a credit. 4608

(I) The director of development services shall establish a 4609
program for the training of Ohio residents who are or wish to be 4610
employed in the film or multimedia industry. Under the program, 4611
the director shall: 4612

(1) Certify individuals as film and multimedia trainees. In 4613
order to receive such a certification, an individual must be an 4614
Ohio resident, have participated in relevant on-the-job training 4615
or have completed a relevant training course approved by the 4616

director, and have met any other requirements established by the 4617
director. 4618

(2) Accept applications from motion picture companies that 4619
intend to hire and provide on-the-job training to one or more 4620
certified film and multimedia trainees who will be employed in the 4621
company's tax credit-eligible production. 4622

(3) Upon completion of a tax-credit eligible production, and 4623
upon the receipt of any salary information and other documentation 4624
required by the director, authorize a reimbursement payment to 4625
each motion picture company whose application was approved under 4626
division (I)(2) of this section. The payment shall equal fifty per 4627
cent of the salaries paid to film and multimedia trainees employed 4628
in the production. 4629

Sec. 122.86. (A) As used in this section and section 5747.81 4630
of the Revised Code: 4631

(1) "Small business enterprise" means a corporation, 4632
pass-through entity, or other person satisfying all of the 4633
following: 4634

assets and annual sales of all of the enterprise's related or 4647
affiliated entities shall be included in the calculation. 4648

(c) The enterprise employs at least fifty full-time 4649
equivalent employees in this state for whom the enterprise is 4650
required to withhold income tax under section 5747.06 of the 4651

(d) The enterprise, within six months after an eligible 4656
investor's qualifying investment is made, invests in or incurs 4657
cost for one or more of the following in an amount at least equal 4658
to the amount of the qualifying investment: 4659

(i) Tangible personal property, other than motor vehicles 4660
operated on public roads and highways, used in business and 4661
physically located in this state from the time of its acquisition 4662
by the enterprise until the end of the investor's holding period; 4663

(ii) Motor vehicles operated on public roads and highways if, 4664
from the time of acquisition by the enterprise until the end of 4665
the investor's holding period, the motor vehicles are purchased in 4666

(v) Compensation for new employees of the enterprise for whom the enterprise is required to withhold income tax under section 5747.06 of the Revised Code, not including increased compensation for owners, officers, or managers of the enterprise. For this purpose compensation for new employees includes compensation for newly hired or retained employees.

(2) "Qualifying investment" means an investment of money made on or after July 1, 2011, to acquire capital stock or other equity interest in a small business enterprise. "Qualifying investment" does not include either of the following:

the amount of the intended investment. The applicant shall pay an 4716
application fee equal to the greater of one-tenth of one per cent 4717

A small business investment certificate entitles the 4719
certificate holder to receive a tax credit under section 5747.81 4720
of the Revised Code if the certificate holder qualifies for the 4721
credit as otherwise provided in this section. If the certificate 4722
holder is a pass-through entity, the certificate entitles the 4723
entity's equity owners to receive their distributive or 4724
proportionate shares of the credit. In any fiscal biennium, an 4725
eligible investor may not apply for small business investment 4726

The director of development services may reserve small 4729
business investment certificates to qualifying applicants in the 4730
order in which the director receives applications, but may issue 4731
the certificates as the applications are completed. An application 4732
is completed when the director has validated that an eligible 4733
investor has made a qualified investment and the small business 4734
enterprise has made the appropriate reinvestment of the qualified 4735
investment pursuant to the requirements of division (A)(1)(d) of 4736

(2) The eligible investor pledges not to sell or otherwise 4743

small business investment certificate to an eligible investor 4751
representing an amount of qualifying investment in excess of the 4752
amount of the intended investment indicated on the investor's 4753
application for the certificate. 4754

(3) The director of development services shall not issue 4755
small business investment certificates in a total amount that 4756
would cause the tax credits claimed in any fiscal biennium to 4757
exceed one hundred million dollars. 4758

business investment certificate only if both of the following 4760

(a) The small business enterprise meets all the requirements 4762
listed in divisions (A)(1)(a)(i) to (iv) of this section; 4763

(b) The eligible investor does not owe any outstanding tax or 4764
other liability to the state. 4765

(D) Before the end of the applicable holding period of a 4766
qualifying investment, each enterprise in which a qualifying 4767
investment was made for which a small business investment 4768
certificate has been issued, upon the request of the director of 4769

development services, shall provide to the director records or 4770
other evidence satisfactory to the director that the enterprise is 4771
a small business enterprise for the purposes of this section. Each 4772
enterprise shall also provide annually to the director records or 4773
evidence regarding the number of jobs created or retained in the 4774
state. No credit may be claimed under this section and section 4775
5747.81 of the Revised Code if the director finds that an 4776
enterprise is not a small business enterprise for the purposes of 4777
this section. The director shall compile and maintain a register 4778
of small business enterprises qualifying under this section and 4779
shall certify the register to the tax commissioner. The director 4780
shall also compile and maintain a record of the number of jobs 4781
created or retained as a result of qualifying investments made 4782
pursuant to this section. 4783

(E) After the conclusion of the applicable holding period for 4784
a qualifying investment, a person to whom a small business 4785
investment certificate has been issued under this section may 4786
claim a credit as provided under section 5747.81 of the Revised 4787
Code. 4788

(F) The director of development services, in consultation 4789
with the tax commissioner, may adopt rules for the administration 4790
of this section, including rules governing the following: 4791

(1) Documents, records, or other information eligible 4792

Revised Code; 4796

business; 4803

eligible investors may be subverting the purposes of this section 4805
and section 5747.81 of the Revised Code. 4806

Sec. 125.32. (A) The department of administrative services 5816
may establish an enterprise data management and analytics program 5817

policies to promote the effective, efficient, and best use of 5820
state resources, and to identify, prevent, or eliminate the 5821

Participating state agencies may use data gathered under the 5823
program for these purposes. 5824

(B) A state agency shall provide data for use under the 5825
program. A state agency that provides data under the program shall 5826

applicable to the state agency that provided the data. The results 5848
of the data analysis shall be compared against the confidentiality 5849
laws applicable to the source data to determine if the results 5850

Any collection of data derived under the program that is a 5872

average growth of tax valuation of the district during the next 6678
five years of an average of not less than one and one-half per 6679

that corrections to permanent improvements are necessary to remove 6709
or prevent health or safety hazards. 6710

(b) Existing fiscal and net indebtedness limitations make 6711
adequate replacement, additions, or improvements impossible. 6712

(2) Upon the declaration of an emergency, the board of 6713

energy consumption and resultant operational and maintenance 6760
costs, as defined by the commission, would be reduced. 6761

If the board finds after receiving the report that the amount 6762
of money the district would spend on such installations, 6763
modifications, or remodeling is not likely to exceed the amount of 6764
money it would save in energy and resultant operational and 6765
maintenance costs over the ensuing fifteen years, the board may 6766
submit to the commission a copy of its findings and a request for 6767
approval to incur indebtedness to finance the making or 6768

meet adequate yearly progress, or has met any condition set forth 6789
in division (A) of section 3302.10 of the Revised Code shall 6790

continues to be required for the district. 6794

(2) The ~~school~~ facilities construction commission shall 6795

made or remodeling has been done pursuant to this division. Except 6819
as provided in division (G)(4) of this section, the board shall 6820
maintain and annually update a report in a form and manner 6821
prescribed by the ~~school~~ facilities construction commission 6822

installations, modifications, or remodeling. The resultant 6825
operational and maintenance cost savings shall be certified by the 6826
school district treasurer. The report shall be submitted annually 6827
to the commission. 6828

(4) If the ~~school~~ facilities construction commission verifies 6829

the guarantee required under division (B) of section 3313.372 of 6832

electors net indebtedness that exceeds the amounts stated in 6838
divisions (A) and (G) of this section for the purpose of paying 6839
costs of permanent improvements, if and to the extent that both of 6840

section, all public records responsive to the request shall be 7253
promptly prepared and made available for inspection to any person 7254
at all reasonable times during regular business hours. Subject to 7255
division (B)(8) of this section, upon request, a public office or 7256
person responsible for public records shall make copies of the 7257
requested public record available at cost and within a reasonable 7258
period of time. If a public record contains information that is 7259
exempt from the duty to permit public inspection or to copy the 7260
public record, the public office or the person responsible for the 7261
public record shall make available all of the information within 7262
the public record that is not exempt. When making that public 7263
record available for public inspection or copying that public 7264

record, the public office or the person responsible for the public 7265
record shall notify the requester of any redaction or make the 7266
redaction plainly visible. A redaction shall be deemed a denial of 7267
a request to inspect or copy the redacted information, except if 7268
federal or state law authorizes or requires a public office to 7269
make the redaction. 7270

(2) To facilitate broader access to public records, a public 7271
office or the person responsible for public records shall organize 7272
and maintain public records in a manner that they can be made 7273
available for inspection or copying in accordance with division 7274
(B) of this section. A public office also shall have available a 7275
copy of its current records retention schedule at a location 7276
readily available to the public. If a requester makes an ambiguous 7277
or overly broad request or has difficulty in making a request for 7278
copies or inspection of public records under this section such 7279
that the public office or the person responsible for the requested 7280
public record cannot reasonably identify what public records are 7281
being requested, the public office or the person responsible for 7282
the requested public record may deny the request but shall provide 7283
the requester with an opportunity to revise the request by 7284
informing the requester of the manner in which records are 7285
maintained by the public office and accessed in the ordinary 7286
course of the public office's or person's duties. 7287

(3) If a request is ultimately denied, in part or in whole, 7288
the public office or the person responsible for the requested 7289
public record shall provide the requester with an explanation, 7290
including legal authority, setting forth why the request was 7291
denied. If the initial request was provided in writing, the 7292
explanation also shall be provided to the requester in writing. 7293
The explanation shall not preclude the public office or the person 7294
responsible for the requested public record from relying upon 7295
additional reasons or legal authority in defending an action 7296

commenced under division (C) of this section. 7297

(4) Unless specifically required or authorized by state or 7298
federal law or in accordance with division (B) of this section, no 7299
public office or person responsible for public records may limit 7300
or condition the availability of public records by requiring 7301
disclosure of the requester's identity or the intended use of the 7302
requested public record. Any requirement that the requester 7303
disclose the requester's identity or the intended use of the 7304
requested public record constitutes a denial of the request. 7305

(5) A public office or person responsible for public records 7306
may ask a requester to make the request in writing, may ask for 7307
the requester's identity, and may inquire about the intended use 7308
of the information requested, but may do so only after disclosing 7309
to the requester that a written request is not mandatory and that 7310
the requester may decline to reveal the requester's identity or 7311
the intended use and when a written request or disclosure of the 7312
identity or intended use would benefit the requester by enhancing 7313
the ability of the public office or person responsible for public 7314
records to identify, locate, or deliver the public records sought 7315
by the requester. 7316

(6) If any person chooses to obtain a copy of a public record 7317
in accordance with division (B) of this section, the public office 7318
or person responsible for the public record may require that 7319
person to pay in advance the cost involved in providing the copy 7320
of the public record in accordance with the choice made by the 7321
person seeking the copy under this division. The public office or 7322
the person responsible for the public record shall permit that 7323
person to choose to have the public record duplicated upon paper, 7324
upon the same medium upon which the public office or person 7325
responsible for the public record keeps it, or upon any other 7326
medium upon which the public office or person responsible for the 7327
public record determines that it reasonably can be duplicated as 7328

an integral part of the normal operations of the public office or 7329
person responsible for the public record. When the person seeking 7330
the copy makes a choice under this division, the public office or 7331
person responsible for the public record shall provide a copy of 7332
it in accordance with the choice made by the person seeking the 7333
copy. Nothing in this section requires a public office or person 7334
responsible for the public record to allow the person seeking a 7335
copy of the public record to make the copies of the public record. 7336

(7)(a) Upon a request made in accordance with division (B) of 7337
this section and subject to division (B)(6) of this section, a 7338
public office or person responsible for public records shall 7339
transmit a copy of a public record to any person by United States 7340
mail or by any other means of delivery or transmission within a 7341
reasonable period of time after receiving the request for the 7342
copy. The public office or person responsible for the public 7343
record may require the person making the request to pay in advance 7344
the cost of postage if the copy is transmitted by United States 7345
mail or the cost of delivery if the copy is transmitted other than 7346
by United States mail, and to pay in advance the costs incurred 7347
for other supplies used in the mailing, delivery, or transmission. 7348

(b) Any public office may adopt a policy and procedures that 7349
it will follow in transmitting, within a reasonable period of time 7350
after receiving a request, copies of public records by United 7351
States mail or by any other means of delivery or transmission 7352
pursuant to division (B)(7) of this section. A public office that 7353
adopts a policy and procedures under division (B)(7) of this 7354
section shall comply with them in performing its duties under that 7355
division. 7356

(c) In any policy and procedures adopted under division 7357
(B)(7) of this section: 7358

(i) A public office may limit the number of records requested 7359
by a person that the office will physically deliver by United 7360

States mail or by another delivery service to ten per month, 7361
unless the person certifies to the office in writing that the 7362
person does not intend to use or forward the requested records, or 7363
the information contained in them, for commercial purposes; 7364

(ii) A public office that chooses to provide some or all of 7365
its public records on a web site that is fully accessible to and 7366
searchable by members of the public at all times, other than 7367
during acts of God outside the public office's control or 7368
maintenance, and that charges no fee to search, access, download, 7369
or otherwise receive records provided on the web site, may limit 7370
to ten per month the number of records requested by a person that 7371
the office will deliver in a digital format, unless the requested 7372
records are not provided on the web site and unless the person 7373
certifies to the office in writing that the person does not intend 7374
to use or forward the requested records, or the information 7375
contained in them, for commercial purposes. 7376

(iii) For purposes of division (B)(7) of this section, 7377
"commercial" shall be narrowly construed and does not include 7378
reporting or gathering news, reporting or gathering information to 7379
assist citizen oversight or understanding of the operation or 7380
activities of government, or nonprofit educational research. 7381

(8) A public office or person responsible for public records 7382
is not required to permit a person who is incarcerated pursuant to 7383
a criminal conviction or a juvenile adjudication to inspect or to 7384
obtain a copy of any public record concerning a criminal 7385
investigation or prosecution or concerning what would be a 7386
criminal investigation or prosecution if the subject of the 7387
investigation or prosecution were an adult, unless the request to 7388
inspect or to obtain a copy of the record is for the purpose of 7389
acquiring information that is subject to release as a public 7390
record under this section and the judge who imposed the sentence 7391
or made the adjudication with respect to the person, or the 7392

judge's successor in office, finds that the information sought in 7393
the public record is necessary to support what appears to be a 7394
justiciable claim of the person. 7395

(9)(a) Upon written request made and signed by a journalist 7396

shall include the journalist's name and title and the name and 7426
address of the journalist's employer and shall state that 7427
disclosure of the information sought would be in the public 7428
interest. 7429

(b) Division (B)(9)(a) of this section also applies to 7430
journalist requests for customer information maintained by a 7431
municipally owned or operated public utility, other than social 7432
security numbers and any private financial information such as 7433

(c) As used in division (B)(9) of this section, "journalist" 7436
means a person engaged in, connected with, or employed by any news 7437

transmitting, compiling, editing, or disseminating information for 7441
the general public. 7442

(C)(1) If a person allegedly is aggrieved by the failure of a 7443
public office or the person responsible for public records to 7444
promptly prepare a public record and to make it available to the 7445
person for inspection in accordance with division (B) of this 7446
section or by any other failure of a public office or the person 7447
responsible for public records to comply with an obligation in 7448
accordance with division (B) of this section, the person allegedly 7449
aggrieved may do only one of the following, and not both: 7450

(a) File a complaint with the clerk of the court of claims or 7451
the clerk of the court of common pleas under section 2743.75 of 7452
the Revised Code; 7453

(b) Commence a mandamus action to obtain a judgment that 7454
orders the public office or the person responsible for the public 7455

court costs and reasonable attorney's fees to the person that 7457
instituted the mandamus action, and, if applicable, that includes 7458
an order fixing statutory damages under division (C)(2) of this 7459
section. The mandamus action may be commenced in the court of 7460
common pleas of the county in which division (B) of this section 7461
allegedly was not complied with, in the supreme court pursuant to 7462
its original jurisdiction under Section 2 of Article IV, Ohio 7463
Constitution, or in the court of appeals for the appellate 7464
district in which division (B) of this section allegedly was not 7465
complied with pursuant to its original jurisdiction under Section 7466
3 of Article IV, Ohio Constitution. 7467

(2) If a requester transmits a written request by hand 7468
delivery or certified mail to inspect or receive copies of any 7469
public record in a manner that fairly describes the public record 7470
or class of public records to the public office or person 7471
responsible for the requested public records, except as otherwise 7472
provided in this section, the requester shall be entitled to 7473
recover the amount of statutory damages set forth in this division 7474
if a court determines that the public office or the person 7475
responsible for public records failed to comply with an obligation 7476
in accordance with division (B) of this section. 7477

The amount of statutory damages shall be fixed at one hundred 7478
dollars for each business day during which the public office or 7479
person responsible for the requested public records failed to 7480
comply with an obligation in accordance with division (B) of this 7481
section, beginning with the day on which the requester files a 7482
mandamus action to recover statutory damages, up to a maximum of 7483
one thousand dollars. The award of statutory damages shall not be 7484
construed as a penalty, but as compensation for injury arising 7485
from lost use of the requested information. The existence of this 7486
injury shall be conclusively presumed. The award of statutory 7487
damages shall be in addition to all other remedies authorized by 7488

this section. 7489

The court may reduce an award of statutory damages or not 7490
award statutory damages if the court determines both of the 7491
following: 7492

(a) That, based on the ordinary application of statutory law 7493
and case law as it existed at the time of the conduct or 7494
threatened conduct of the public office or person responsible for 7495
the requested public records that allegedly constitutes a failure 7496
to comply with an obligation in accordance with division (B) of 7497
this section and that was the basis of the mandamus action, a 7498
well-informed public office or person responsible for the 7499
requested public records reasonably would believe that the conduct 7500
or threatened conduct of the public office or person responsible 7501
for the requested public records did not constitute a failure to 7502
comply with an obligation in accordance with division (B) of this 7503
section; 7504

(b) That a well-informed public office or person responsible 7505
for the requested public records reasonably would believe that the 7506
conduct or threatened conduct of the public office or person 7507
responsible for the requested public records would serve the 7508
public policy that underlies the authority that is asserted as 7509
permitting that conduct or threatened conduct. 7510

(3) In a mandamus action filed under division (C)(1) of this 7511
section, the following apply: 7512

(a)(i) If the court orders the public office or the person 7513
responsible for the public record to comply with division (B) of 7514
this section, the court shall determine and award to the relator 7515
all court costs, which shall be construed as remedial and not 7516
punitive. 7517

(ii) If the court makes a determination described in division 7518
(C)(3)(b)(iii) of this section, the court shall determine and 7519

award to the relator all court costs, which shall be construed as 7520
remedial and not punitive. 7521

(b) If the court renders a judgment that orders the public 7522
office or the person responsible for the public record to comply 7523
with division (B) of this section or if the court determines any 7524
of the following, the court may award reasonable attorney's fees 7525
to the relator, subject to the provisions of division (C)(4) of 7526
this section: 7527

(i) The public office or the person responsible for the 7528
public records failed to respond affirmatively or negatively to 7529
the public records request in accordance with the time allowed 7530
under division (B) of this section. 7531

(ii) The public office or the person responsible for the 7532
public records promised to permit the relator to inspect or 7533
receive copies of the public records requested within a specified 7534
period of time but failed to fulfill that promise within that 7535
specified period of time. 7536

(iii) The public office or the person responsible for the 7537
public records acted in bad faith when the office or person 7538
voluntarily made the public records available to the relator for 7539
the first time after the relator commenced the mandamus action, 7540
but before the court issued any order concluding whether or not 7541
the public office or person was required to comply with division 7542
(B) of this section. No discovery may be conducted on the issue of 7543
the alleged bad faith of the public office or person responsible 7544
for the public records. This division shall not be construed as 7545
creating a presumption that the public office or the person 7546
responsible for the public records acted in bad faith when the 7547
office or person voluntarily made the public records available to 7548
the relator for the first time after the relator commenced the 7549
mandamus action, but before the court issued any order described 7550
in this division. 7551

(c) The court shall not award attorney's fees to the relator 7552
if the court determines both of the following: 7553

(i) That, based on the ordinary application of statutory law 7554
and case law as it existed at the time of the conduct or 7555
threatened conduct of the public office or person responsible for 7556
the requested public records that allegedly constitutes a failure 7557
to comply with an obligation in accordance with division (B) of 7558
this section and that was the basis of the mandamus action, a 7559
well-informed public office or person responsible for the 7560
requested public records reasonably would believe that the conduct 7561
or threatened conduct of the public office or person responsible 7562
for the requested public records did not constitute a failure to 7563
comply with an obligation in accordance with division (B) of this 7564
section; 7565

signature or facsimile is nevertheless valid and sufficient for 8064
all purposes as if the former issuing authority had remained the 8065
issuing authority until such delivery; and if the seal to be 8066

shall continue to be sufficient as to such obligations and 8069
obligations issued in substitution or exchange therefor. 8070

(G) All obligations are negotiable instruments and securities 8071
under Chapter 1308. of the Revised Code, subject to the provisions 8072

into obligations with coupons attached thereto of any obligations 8079
registered as to both principal and interest, and for reasonable 8080
charges for such registration, exchange, conversion, and 8081
reconversion. 8082

(I) Pending preparation of definitive obligations, the 8089
issuing authority may issue interim receipts or certificates which 8090
shall be exchanged for such definitive obligations. 8091

(J) In the discretion of the issuing authority, obligations 8092
may be secured additionally by a trust agreement or indenture 8093
between the issuing authority and a corporate trustee which may be 8094
any trust company or bank having a place of business within the 8095
state. Any such agreement or indenture may contain the resolution 8096
or order authorizing the issuance of the obligations, any 8097
provisions that may be contained in any bond proceedings, and 8098
other provisions which are customary or appropriate in an 8099
agreement or indenture of such type, including, but not limited 8100
to: 8101

(1) Maintenance of each pledge, trust agreement, indenture, 8102
or other instrument comprising part of the bond proceedings until 8103
the state has fully paid the bond service charges on the 8104
obligations secured thereby, or provision therefor has been made; 8105

(2) In the event of default in any payments required to be 8106

issuing authority made as a part of the contract under which the 8108
obligations were issued, enforcement of such payments or agreement 8109
by mandamus, the appointment of a receiver, suit in equity, action 8110
at law, or any combination of the foregoing; 8111

(3) The rights and remedies of the holders of obligations and 8112

authority agree upon, including limitations, conditions, or 8119

qualifications relating to any of the foregoing. 8120

(K) Any holders of obligations or trustees under the bond 8121
proceedings, except to the extent that their rights are restricted 8122
by the bond proceedings, may by any suitable form of legal 8123
proceedings, protect and enforce any rights under the laws of this 8124
state or granted by such bond proceedings. Such rights include the 8125
right to compel the performance of all duties of the issuing 8126
authority, the director of development, the Ohio air quality 8127
development authority, or the division of liquor control required 8128
by this chapter or the bond proceedings; to enjoin unlawful 8129
activities; and in the event of default with respect to the 8130
payment of any bond service charges on any obligations or in the 8131
performance of any covenant or agreement on the part of the 8132
issuing authority, the director of development, the Ohio air 8133
quality development authority, or the division of liquor control 8134
in the bond proceedings, to apply to a court having jurisdiction 8135
of the cause to appoint a receiver to receive and administer the 8136
pledged receipts and special funds, other than those in the 8137
custody of the treasurer of state, which are pledged to the 8138
payment of the bond service charges on such obligations or which 8139
are the subject of the covenant or agreement, with full power to 8140
pay, and to provide for payment of bond service charges on, such 8141
obligations, and with such powers, subject to the direction of the 8142
court, as are accorded receivers in general equity cases, 8143
excluding any power to pledge additional revenues or receipts or 8144
other income or moneys of the issuing authority or the state or 8145
governmental agencies of the state to the payment of such 8146
principal and interest and excluding the power to take possession 8147
of, mortgage, or cause the sale or otherwise dispose of any 8148
project facilities. 8149

Each duty of the issuing authority and the issuing 8150
authority's officers and employees, and of each governmental 8151

agency and its officers, members, or employees, undertaken 8152
pursuant to the bond proceedings or any agreement or lease, 8153
lease-purchase agreement, or loan made under authority of this 8154
chapter, and in every agreement by or with the issuing authority, 8155
is hereby established as a duty of the issuing authority, and of 8156
each such officer, member, or employee having authority to perform 8157
such duty, specifically enjoined by the law resulting from an 8158
office, trust, or station within the meaning of section 2731.01 of 8159
the Revised Code. 8160

The person who is at the time the issuing authority, or the 8161
issuing authority's officers or employees, are not liable in their 8162
personal capacities on any obligations issued by the issuing 8163
authority or any agreements of or with the issuing authority. 8164

(L) The issuing authority may authorize and issue obligations 8165
for the refunding, including funding and retirement, and advance 8166
refunding with or without payment or redemption prior to maturity, 8167
of any obligations previously issued by the issuing authority. 8168
Such obligations may be issued in amounts sufficient for payment 8169
of the principal amount of the prior obligations, any redemption 8170
premiums thereon, principal maturities of any such obligations 8171
maturing prior to the redemption of the remaining obligations on a 8172
parity therewith, interest accrued or to accrue to the maturity 8173
dates or dates of redemption of such obligations, and any 8174
allowable costs including expenses incurred or to be incurred in 8175
connection with such issuance and such refunding, funding, and 8176
retirement. Subject to the bond proceedings therefor, the portion 8177
of proceeds of the sale of obligations issued under this division 8178
to be applied to bond service charges on the prior obligations 8179
shall be credited to an appropriate account held by the trustee 8180
for such prior or new obligations or to the appropriate account in 8181
the bond service fund for such obligations. Obligations authorized 8182
under this division shall be deemed to be issued for those 8183

purposes for which such prior obligations were issued and are 8184
subject to the provisions of this section pertaining to other 8185
obligations, except as otherwise provided in this section; 8186
provided that, unless otherwise authorized by the general 8187
assembly, any limitations imposed by the general assembly pursuant 8188
to this section with respect to bond service charges applicable to 8189
the prior obligations shall be applicable to the obligations 8190
issued under this division to refund, fund, advance refund or 8191
retire such prior obligations. 8192

(M) The authority to issue obligations under this section 8193
includes authority to issue obligations in the form of bond 8194
anticipation notes and to renew the same from time to time by the 8195
issuance of new notes. The holders of such notes or interest 8196
coupons pertaining thereto shall have a right to be paid solely 8197
from the pledged receipts and special funds that may be pledged to 8198
the payment of the bonds anticipated, or from the proceeds of such 8199
bonds or renewal notes, or both, as the issuing authority provides 8200
in the resolution or order authorizing such notes. Such notes may 8201
be additionally secured by covenants of the issuing authority to 8202
the effect that the issuing authority and the state will do such 8203
or all things necessary for the issuance of such bonds or renewal 8204
notes in appropriate amount, and apply the proceeds thereof to the 8205
extent necessary, to make full payment of the principal of and 8206
interest on such notes at the time or times contemplated, as 8207
provided in such resolution or order. For such purpose, the 8208
issuing authority may issue bonds or renewal notes in such 8209
principal amount and upon such terms as may be necessary to 8210
provide funds to pay when required the principal of and interest 8211
on such notes, notwithstanding any limitations prescribed by or 8212
for purposes of this section. Subject to this division, all 8213
provisions for and references to obligations in this section are 8214
applicable to notes authorized under this division. 8215

The issuing authority in the bond proceedings authorizing the 8216
issuance of bond anticipation notes shall set forth for such bonds 8217
an estimated interest rate and a schedule of principal payments 8218
for such bonds and the annual maturity dates thereof, and for 8219
purposes of any limitation on bond service charges prescribed 8220
under division (A) of section 166.11 of the Revised Code, the 8221
amount of bond service charges on such bond anticipation notes is 8222
deemed to be the bond service charges for the bonds anticipated 8223
thereby as set forth in the bond proceedings applicable to such 8224
notes, but this provision does not modify any authority in this 8225
section to pledge receipts and special funds to, and covenant to 8226
issue bonds to fund, the payment of principal of and interest and 8227
any premium on such notes. 8228

(N) Obligations issued under this section are lawful 8229
investments for banks, societies for savings, savings and loan 8230
associations, deposit guarantee associations, trust companies, 8231
trustees, fiduciaries, insurance companies, including domestic for 8232
life and domestic not for life, trustees or other officers having 8233
charge of sinking and bond retirement or other special funds of 8234
political subdivisions and taxing districts of this state, the 8235
commissioners of the sinking fund of the state, the administrator 8236
of workers' compensation, the state teachers retirement system, 8237
the public employees retirement system, the school employees 8238
retirement system, and the Ohio police and fire pension fund, 8239
notwithstanding any other provisions of the Revised Code or rules 8240
adopted pursuant thereto by any governmental agency of the state 8241
with respect to investments by them, and are also acceptable as 8242
security for the deposit of public moneys. 8243

(O) Unless otherwise provided in any applicable bond 8244
proceedings, moneys to the credit of or in the special funds 8245
established by or pursuant to this section may be invested by or 8246
on behalf of the issuing authority only in notes, bonds, or other 8247

obligations of the United States, or of any agency or 8248
instrumentality of the United States, obligations guaranteed as to 8249
principal and interest by the United States, obligations of this 8250
state or any political subdivision of this state, and certificates 8251
of deposit of any national bank located in this state and any 8252
bank, as defined in section 1101.01 of the Revised Code, subject 8253
to inspection by the superintendent of banks. If the law or the 8254
instrument creating a trust pursuant to division (J) of this 8255
section expressly permits investment in direct obligations of the 8256
United States or an agency of the United States, unless expressly 8257
prohibited by the instrument, such moneys also may be invested in 8258
no-front-end-load money market mutual funds consisting exclusively 8259
of obligations of the United States or an agency of the United 8260
States and in repurchase agreements, including those issued by the 8261
fiduciary itself, secured by obligations of the United States or 8262
an agency of the United States; and in common trust funds 8263
established in accordance with section 1111.20 of the Revised Code 8264
and consisting exclusively of any such securities, notwithstanding 8265
division (A)(4) of that section. The income from such investments 8266
shall be credited to such funds as the issuing authority 8267
determines, and such investments may be sold at such times as the 8268
issuing authority determines or authorizes. 8269

(P) Provision may be made in the applicable bond proceedings 8270
for the establishment of separate accounts in the bond service 8271
fund and for the application of such accounts only to the 8272
specified bond service charges on obligations pertinent to such 8273
accounts and bond service fund and for other accounts therein 8274
within the general purposes of such fund. Unless otherwise 8275
provided in any applicable bond proceedings, moneys to the credit 8276
of or in the several special funds established pursuant to this 8277
section shall be disbursed on the order of the treasurer of state, 8278
provided that no such order is required for the payment from the 8279
bond service fund when due of bond service charges on obligations. 8280

(Q) The issuing authority may pledge all, or such portion as 8281
the issuing authority determines, of the pledged receipts to the 8282
payment of bond service charges on obligations issued under this 8283
section, and for the establishment and maintenance of any 8284
reserves, as provided in the bond proceedings, and make other 8285
provisions therein with respect to pledged receipts as authorized 8286
by this chapter, which provisions are controlling notwithstanding 8287
any other provisions of law pertaining thereto. 8288

(R) The issuing authority may covenant in the bond 8289
proceedings, and any such covenants are controlling 8290
notwithstanding any other provision of law, that the state and 8291
applicable officers and governmental agencies of the state, 8292
including the general assembly, so long as any obligations are 8293
outstanding, shall: 8294

(1) Maintain statutory authority for and cause to be charged 8295
and collected wholesale and retail prices for spirituous liquor 8296
sold by the state or its agents so that the pledged receipts are 8297
sufficient in amount to meet bond service charges, and the 8298
establishment and maintenance of any reserves and other 8299
requirements provided for in the bond proceedings, and, as 8300
necessary, to meet covenants contained in contracts of guarantee 8301
made under section 166.06 of the Revised Code; 8302

(2) Take or permit no action, by statute or otherwise, that 8303
would impair the exemption from federal income taxation of the 8304
interest on the obligations. 8305

(S) There is hereby created the economic development bond 8306
service fund, which shall be in the custody of the treasurer of 8307
state but shall be separate and apart from and not a part of the 8308
state treasury. All moneys received by or on account of the 8309
issuing authority or state agencies and required by the applicable 8310
bond proceedings, consistent with this section, to be deposited, 8311
transferred, or credited to a bond service fund or the economic 8312

development bond service fund, and all other moneys transferred or 8313
allocated to or received for the purposes of the fund, shall be 8314
deposited and credited to such fund and to any separate accounts 8315
therein, subject to applicable provisions of the bond proceedings, 8316
but without necessity for any act of appropriation. During the 8317
period beginning with the date of the first issuance of 8318
obligations and continuing during such time as any such 8319
obligations are outstanding, and so long as moneys in the 8320
pertinent bond service funds are insufficient to pay all bond 8321
services charges on such obligations becoming due in each year, a 8322
sufficient amount of the gross profit on the sale of spirituous 8323
liquor included in pledged receipts are committed and shall be 8324
paid to the bond service fund or economic development bond service 8325
fund in each year for the purpose of paying the bond service 8326
charges becoming due in that year without necessity for further 8327
act of appropriation for such purpose and notwithstanding anything 8328
to the contrary in Chapter 4301. of the Revised Code. The economic 8329
development bond service fund is a trust fund and is hereby 8330
pledged to the payment of bond service charges to the extent 8331
provided in the applicable bond proceedings, and payment thereof 8332
from such fund shall be made or provided for by the treasurer of 8333
state in accordance with such bond proceedings without necessity 8334
for any act of appropriation. 8335

(T) The obligations, the transfer thereof, and the income 8336
therefrom, including any profit made on the sale thereof, shall at 8337
all times be free from taxation within the state. 8338

million dollars. The aggregate principal amount of obligations, 8343
exclusive of project financing obligations, that may be issued 8344

under section 166.08 of the Revised Code is six hundred thirty 8345

Code. Of that six hundred thirty million dollars, not more than 8354
eighty-four million principal amount of obligations may be issued 8355
for eligible advanced energy projects and not more than one 8356
hundred million principal amount of obligations may be issued for 8357
eligible logistics and distribution projects. No portion of the 8358
eighty-four million principal amount for eligible advanced energy 8359
projects may be issued after the effective date of this amendment. 8360
The terms of the obligations issued under section 166.08 of the 8361
Revised Code, other than obligations issued to meet guarantees 8362
that cannot be satisfied from amounts then held in the loan 8363
guarantee fund or the innovation Ohio loan guarantee fund, shall 8364
be such that the aggregate amount of moneys used from profit from 8365
the sale of spirituous liquor, and not from other sources, in any 8366
fiscal year shall not exceed sixty-three million dollars. For 8367
purposes of the preceding sentence, "other sources" include the 8368
annual investment income on special funds to the extent it will be 8369
available for payment of any bond service charges in lieu of use 8370
of profit from the sale of spirituous liquor, and shall be 8371
estimated on the basis of the expected funding of those special 8372
funds and assumed investment earnings thereon at a rate equal to 8373
the weighted average yield on investments of those special funds 8374
determined as of any date within sixty days immediately preceding 8375
the date of issuance of the bonds in respect of which the 8376
determination is being made. Amounts received in any fiscal year 8377

under section 6341 of the Internal Revenue Code, 26 U.S.C. 6341, 8378
shall not be included when determining the sixty-three million 8379
dollar limit. The determinations required by this division shall 8380
be made by the treasurer of state at the time of issuance of an 8381
issue of obligations and shall be conclusive for purposes of such 8382
issue of obligations from and after their issuance and delivery. 8383

166.15 of the Revised Code and the unpaid principal of loans made 8386
under sections 166.07, 166.16, and 166.21 of the Revised Code may 8387
not at any time exceed eight hundred million dollars. Of that 8388
eight hundred million dollars, the aggregate amount of the 8389
guaranteed portion of the unpaid principal of loans guaranteed 8390
under sections 166.06 and 166.15 of the Revised Code shall not at 8391
any time exceed two hundred million dollars. However, the 8392
limitations established under this division do not apply to loans 8393
made with proceeds from the issuance and sale of project financing 8394
obligations. 8395

applicant. Termination of employment under this division shall be 9243
considered just cause for discharge for purposes of division 9244

proceedings, with and for the benefit of the issuing authority, 10648
the holders and owners of obligations, and providers of any credit 10649
enhancement facilities, that it shall: (1) maintain statutory 10650
authority for, and cause to be collected and paid directly to the 10651
issuing authority or its assignee, the pledged receipts, (2) 10652
enforce the rights of the issuing authority to receive the 10653
receipts under the tobacco master settlement agreement assigned 10654
and sold to the issuing authority, (3) not materially impair the 10655
rights of the issuing authority to fulfill the terms of its 10656
agreements with the holders or owners of outstanding obligations 10657
under the bond proceedings, (4) not materially impair the rights 10658
and remedies of the holders or owners of outstanding obligations 10659
or materially impair the security for those outstanding 10660
obligations, and (5) enforce Chapter 1346. of the Revised Code, 10661
the tobacco master settlement agreement, and the consent decree to 10662
effectuate the collection of the pledged tobacco settlement 10663
receipts. The bond proceedings may provide or authorize the manner 10664
for determining material impairment of the security for any 10665
outstanding obligations, including by assessing and evaluating the 10666
pledged receipts in the aggregate. 10667

As further provided for in division (H) of this section, the 10668
bond proceedings may also include such other covenants, pledges, 10669
and agreements by the state to protect and safeguard the security 10670
and rights of the holders and owners of the obligations, and of 10671
the providers of any credit enhancement facilities, including, 10672
without limiting the generality of the foregoing, any covenant, 10673
pledge, or agreement customary in transactions involving the 10674
issuance of securities the debt service on which is payable from 10675

or secured by amounts received under the tobacco master settlement 10676
agreement. Notwithstanding any other provision of law, any 10677
covenant, pledge, and agreement of the state, if and when made in 10678
the bond proceedings, shall be controlling and binding upon, and 10679
enforceable against the state in accordance with its terms for so 10680
long as any obligations are outstanding under the applicable bond 10681
proceedings. The bond proceedings may also include limitations on 10682
the remedies available to the issuing authority, the holders and 10683
owners of the obligations, and the providers of any credit 10684
enhancement facilities, including, without limiting the generality 10685
of the foregoing, a provision that those remedies may be limited 10686
to injunctive relief in circumstances where there has been no 10687
prior determination by a court of competent jurisdiction that the 10688
state has not enforced Chapter 1346. of the Revised Code, the 10689
tobacco master settlement agreement, or the consent decree as may 10690
have been covenanted or agreed in the bond proceedings under 10691
division (B)(5) of this section. 10692

Nothing in this section or the bond proceedings shall 10693
preclude or limit, or be construed to preclude or limit, the state 10694
from regulating or authorizing or permitting the regulation of 10695
smoking or from taxing and regulating the sale of cigarettes or 10696
other tobacco products, or from defending or prosecuting cases or 10697
other actions relating to the sale or use of cigarettes or other 10698
tobacco products. Except as otherwise may be agreed in writing by 10699
the attorney general, nothing in this section or the bond 10700
proceedings shall modify or limit, or be construed to modify or 10701
limit, the responsibility, power, judgment, and discretion of the 10702
attorney general to protect and discharge the duties, rights, and 10703
obligations of the state under the tobacco master settlement 10704
agreement, the consent decree, or Chapter 1346. of the Revised 10705
Code. 10706

The governor and the director of budget and management, in 10707

consultation with the attorney general, on behalf of the state, 10708
and any member or officer of the issuing authority as authorized 10709
by that issuing authority, on behalf of the issuing authority, may 10710
take any action and execute any documents, including any purchase 10711
and sale agreements, necessary to effect the assignment and sale 10712
and the acceptance of the assignment and title to the receipts 10713
including, providing irrevocable direction to the escrow agent 10714
acting under the tobacco master settlement agreement to transfer 10715
directly to the issuing authority the amounts to be received under 10716
that agreement that are subject to such assignment and sale. Any 10717
purchase and sale agreement or other bond proceedings may contain 10718
the terms and conditions established by the state and the issuing 10719
authority to carry out and effectuate the purposes of this 10720
section, including, without limitation, covenants binding the 10721
state in favor of the issuing authority and its assignees and the 10722
owners of the obligations. Any such purchase and sale agreement 10723
shall be sufficient to effectuate such purchase and sale without 10724
regard to any other laws governing other property sales or 10725
financial transactions by the state. 10726

Not later than two years following the date on which there 10727
are no longer any obligations outstanding under the bond 10728
proceedings, all assets of the issuing authority shall vest in the 10729
state, the issuing authority shall execute any necessary 10730
assignments or instruments, including any assignment of any right, 10731
title, or ownership to the state for receipt of amounts under the 10732
tobacco master settlement agreement, and the issuing authority 10733
shall be dissolved. 10734

(C) The issuing authority is authorized to issue and to sell 10735
obligations as provided in this section. The aggregate principal 10736
amount of obligations issued under this section shall not exceed 10737
six billion dollars, exclusive of obligations issued under 10738
division (M)(1) of this section to refund, renew, or advance 10739

refund other obligations issued or incurred. At least seventy-five 10740
per cent of the aggregate net proceeds of the obligations issued 10741
under the authority of this section, exclusive of obligations 10742
issued to refund, renew, or advance refund other obligations, 10743
shall be paid to the state for deposit into the school building 10744
program assistance fund created in section 3318.25 of the Revised 10745
Code. 10746

(D) Each issue of obligations shall be authorized by 10747
resolution or order of the issuing authority. The bond proceedings 10748
shall provide for or authorize the manner for determining the 10749
principal amount or maximum principal amount of obligations of an 10750
issue, the principal maturity or maturities, the interest rate or 10751
rates, the date of and the dates of payment of interest on the 10752
obligations, their denominations, and the place or places of 10753
payment of debt service which may be within or outside the state. 10754
Unless otherwise provided by law, the latest principal maturity 10755
may not be later than the earlier of the thirty-first day of 10756
December of the fiftieth calendar year after the year of issuance 10757
of the particular obligations or of the fiftieth calendar year 10758
after the year in which the original obligation to pay was issued 10759
or entered into. Sections 9.96, 9.98, 9.981, 9.982, and 9.983 of 10760
the Revised Code apply to the obligations. 10761

The purpose of the obligations may be stated in the bond 10762
proceedings in general terms, such as, as applicable, "paying 10763
costs of capital facilities for a system of common schools" and 10764
"paying costs of facilities for state-supported and state-assisted 10765
institutions of higher education." Unless otherwise provided in 10766
the bond proceedings or in division (C) of this section, the net 10767
proceeds from the issuance of the obligations shall be paid to the 10768
state for deposit into the applicable improvement fund. In 10769
addition to the investments authorized in Chapter 135. of the 10770
Revised Code, the net proceeds held in an improvement fund may be 10771

invested by the treasurer of state in guaranteed investment 10772
contracts with providers rated at the time of any investment in 10773
the three highest rating categories by two nationally recognized 10774
rating agencies, all subject to the terms and conditions set forth 10775
in those agreements or the bond proceedings. Notwithstanding 10776
anything to the contrary in Chapter 3318. of the Revised Code, net 10777
proceeds of obligations deposited into the school building program 10778
assistance fund created in section 3318.25 of the Revised Code may 10779
be used to pay basic project costs under that chapter at the times 10780
determined by the Ohio ~~school~~ facilities construction commission 10781
without regard to whether those expenditures are in proportion to 10782
the state's and the school district's respective shares of that 10783
basic project cost; provided that this shall not result in any 10784
change in the state or school district shares of the basic project 10785
costs as determined under that chapter. As used in the preceding 10786
sentence, "Ohio ~~school~~ facilities construction commission" and 10787
"basic project costs" have the same meanings as in section 3318.01 10788
of the Revised Code. 10789

(E) The issuing authority may, without need for any other 10790
approval, appoint or provide for the appointment of paying agents, 10791
bond registrars, securities depositories, credit enhancement 10792
providers or counterparties, clearing corporations, and transfer 10793
agents, and retain or contract for the services of underwriters, 10794
investment bankers, financial advisers, accounting experts, 10795
marketing, remarketing, indexing, and administrative agents, other 10796
consultants, and independent contractors, including printing 10797
services, as are necessary in the judgment of the issuing 10798
authority to carry out the issuing authority's functions under 10799
this section and section 183.52 of the Revised Code. The attorney 10800
general as counsel to the issuing authority shall represent the 10801
authority in the execution of its powers and duties, and shall 10802
institute and prosecute all actions on its behalf. The issuing 10803
authority, in consultation with the attorney general, shall select 10804

counsel, and the attorney general shall appoint the counsel 10805
selected, for the purposes of carrying out the functions under 10806
this section and related sections of the Revised Code. Financing 10807
costs are payable, as may be provided in the bond proceedings, 10808
from the proceeds of the obligations, from special funds, or from 10809
other moneys available for the purpose, including as to future 10810
financing costs, from the pledged receipts. 10811

(F) The issuing authority may irrevocably pledge and assign 10812
all, or such portion as the issuing authority determines, of the 10813
pledged receipts to the payment of the debt service charges on 10814
obligations issued under this section, and for the establishment 10815
and maintenance of any reserves, as provided in the bond 10816
proceedings, and make other provisions in the bond proceedings 10817
with respect to pledged receipts as authorized by this section, 10818
which provisions are controlling notwithstanding any other 10819
provisions of law pertaining to them. Any and all pledged receipts 10820
received by the issuing authority and required by the bond 10821
proceedings, consistent with this section, to be deposited, 10822
transferred, or credited to the bond service fund, and all other 10823
money transferred or allocated to or received for the purposes of 10824
that fund, shall be deposited and credited to the bond service 10825
fund created in the bond proceedings for the obligations, subject 10826
to any applicable provisions of those bond proceedings, but 10827
without necessity for any act of appropriation. Those pledged 10828
receipts shall immediately be subject to the lien of that pledge 10829
without any physical delivery thereof or further act, and shall 10830
not be subject to other court judgments. The lien of the pledge of 10831
those pledged receipts shall be valid and binding against all 10832
parties having claims of any kind against the issuing authority, 10833
irrespective of whether those parties have notice thereof. The 10834
pledge shall create a perfected security interest for all purposes 10835
of Chapter 1309. of the Revised Code and a perfected lien for 10836
purposes of any other interest, all without the necessity for 10837

separation or delivery of funds or for the filing or recording of 10838
the applicable bond proceedings by which that pledge is created or 10839
any certificate, statement, or other document with respect 10840
thereto. The pledge of the pledged receipts shall be effective and 10841
the money therefrom and thereof may be applied to the purposes for 10842
which pledged. 10843

(G) Obligations may be further secured, as determined by the 10844
issuing authority, by an indenture or a trust agreement between 10845
the issuing authority and a corporate trustee, which may be any 10846
trust company or bank having a place of business within the state. 10847
Any indenture or trust agreement may contain the resolution or 10848
order authorizing the issuance of the obligations, any provisions 10849
that may be contained in any bond proceedings, and other 10850
provisions that are customary or appropriate in an agreement of 10851
that type, including, but not limited to: 10852

(1) Maintenance of each pledge, indenture, trust agreement, 10853
or other instrument comprising part of the bond proceedings until 10854
the issuing authority has fully paid or provided for the payment 10855
of debt service on the obligations secured by it; 10856

(2) In the event of default in any payments required to be 10857
made by the bond proceedings, enforcement of those payments or 10858
agreements by mandamus, the appointment of a receiver, suit in 10859
equity, action at law, or any combination of them; 10860

(3) The rights and remedies of the holders or owners of 10861
obligations and of the trustee and provisions for protecting and 10862
enforcing them, including limitations on rights of individual 10863
holders and owners. 10864

(H) The bond proceedings may contain additional provisions 10865
customary or appropriate to the financing or to the obligations or 10866
to particular obligations including, but not limited to, 10867
provisions for: 10868

(1) The redemption of obligations prior to maturity at the 10869
option of the issuing authority or of the holder or upon the 10870
occurrence of certain conditions, and at a particular price or 10871
prices and under particular terms and conditions; 10872

(2) The form of and other terms of the obligations; 10873

(3) The establishment, deposit, investment, and application 10874
of special funds, and the safeguarding of moneys on hand or on 10875
deposit, in lieu of the applicability of provisions of Chapter 10876
131. or 135. of the Revised Code, but subject to any special 10877
provisions of this section with respect to the application of 10878
particular funds or moneys. Any financial institution that acts as 10879
a depository of any moneys in special funds or other funds under 10880
the bond proceedings may furnish indemnifying bonds or pledge 10881
securities as required by the issuing authority. 10882

(4) Any or every provision of the bond proceedings being 10883
binding upon the issuing authority and upon such governmental 10884
agency or entity, officer, board, authority, agency, department, 10885
institution, district, or other person or body as may from time to 10886
time be authorized to take actions as may be necessary to perform 10887
all or any part of the duty required by the provision; 10888

(5) The maintenance of each pledge or instrument comprising 10889
part of the bond proceedings until the issuing authority has fully 10890
paid or provided for the payment of the debt service on the 10891
obligations or met other stated conditions; 10892

(6) In the event of default in any payments required to be 10893
made by the bond proceedings, or by any other agreement of the 10894
issuing authority made as part of a contract under which the 10895
obligations were issued or secured, including a credit enhancement 10896
facility, the enforcement of those payments by mandamus, a suit in 10897
equity, an action at law, or any combination of those remedial 10898
actions; 10899

(7) The rights and remedies of the holders or owners of obligations or of book-entry interests in them, and of third parties under any credit enhancement facility, and provisions for protecting and enforcing those rights and remedies, including limitations on rights of individual holders or owners;

(8) The replacement of mutilated, destroyed, lost, or stolen obligations;

(9) The funding, refunding, or advance refunding, or other provision for payment, of obligations that will then no longer be outstanding for purposes of this section or of the applicable bond proceedings;

(10) Amendment of the bond proceedings;

(11) Any other or additional agreements with the owners of obligations, and such other provisions as the issuing authority determines, including limitations, conditions, or qualifications, relating to any of the foregoing or the activities of the issuing authority in connection therewith.

The bond proceedings shall make provision for the payment of the expenses of the enforcement activity of the attorney general referred to in division (B) of this section from the amounts from the tobacco master settlement agreement assigned and sold to the issuing authority under that division or from the proceeds of obligations, or a combination thereof, which may include provision for both annual payments and a special fund providing reserve amounts for the payment of those expenses.

The issuing authority shall not, and shall covenant in the bond proceedings that it shall not, be authorized to and shall not file a voluntary petition under the United States Bankruptcy Code, 11 U.S.C. 101 et seq., as amended, or voluntarily commence any similar bankruptcy proceeding under state law including, without limitation, consenting to the appointment of a receiver or trustee

or making a general or specific assignment for the benefit of 10931
creditors, and neither any public officer or any organization, 10932
entity, or other person shall authorize the issuing authority to 10933
be or become a debtor under the United States Bankruptcy Code or 10934
take any of those actions under the United States Bankruptcy Code 10935
or state law. The state hereby covenants, and the issuing 10936
authority shall covenant, with the holders or owners of the 10937
obligations, that the state shall not permit the issuing authority 10938
to file a voluntary petition under the United States Bankruptcy 10939
Code or take any of those actions under the United States 10940
Bankruptcy Code or state law during the period obligations are 10941
outstanding and for any additional period for which the issuing 10942
authority covenants in the bond proceedings, which additional 10943
period may, but need not, be a period of three hundred sixty-seven 10944
days or more. 10945

(I) The obligations requiring execution by or for the issuing 10946
authority shall be signed as provided in the bond proceedings, and 10947
may bear the official seal of the issuing authority or a facsimile 10948
thereof. Any obligation may be signed by the individual who, on 10949
the date of execution, is the authorized signer even though, on 10950
the date of the obligations, that individual is not an authorized 10951
signer. In case the individual whose signature or facsimile 10952
signature appears on any obligation ceases to be an authorized 10953
signer before delivery of the obligation, that signature or 10954
facsimile is nevertheless valid and sufficient for all purposes as 10955
if that individual had remained the authorized signer until 10956
delivery. 10957

(J) Obligations are investment securities under Chapter 1308. 10958
of the Revised Code. Obligations may be issued in bearer or in 10959
registered form, registrable as to principal alone or as to both 10960
principal and interest, or both, or in certificated or 10961
uncertificated form, as the issuing authority determines. 10962

Provision may be made for the exchange, conversion, or transfer of obligations and for reasonable charges for registration, exchange, conversion, and transfer. Pending preparation of final obligations, the issuing authority may provide for the issuance of interim instruments to be exchanged for the final obligations.

(K) Obligations may be sold at public sale or at private sale, in such manner, and at such price at, above, or below par, all as determined by and provided by the issuing authority in the bond proceedings.

(L) Except to the extent that rights are restricted by the bond proceedings, any owner of obligations or provider of or counterparty to a credit enhancement facility may by any suitable form of legal proceedings protect and enforce any rights relating to obligations or that facility under the laws of this state or granted by the bond proceedings. Those rights include the right to compel the performance of all applicable duties of the issuing authority and the state. Each duty of the issuing authority and that issuing authority's officers, staff, and employees, and of each state entity or agency, or using district or using institution, and its officers, members, staff, or employees, undertaken pursuant to the bond proceedings, is hereby established as a duty of the entity or individual having authority to perform that duty, specifically enjoined by law and resulting from an office, trust, or station within the meaning of section 2731.01 of the Revised Code. The individuals who are from time to time members of the issuing authority, or their designees acting pursuant to section 183.52 of the Revised Code, or the issuing authority's officers, staff, agents, or employees, when acting within the scope of their employment or agency, shall not be liable in their personal capacities on any obligations or otherwise under the bond proceedings, or for otherwise exercising or carrying out any purposes or powers of the issuing authority.

(M)(1) Subject to any applicable limitations in division (C) 10995
of this section, the issuing authority may also authorize and 10996
provide for the issuance of: 10997

(a) Obligations in the form of bond anticipation notes, and 10998
may authorize and provide for the renewal of those notes from time 10999
to time by the issuance of new notes. The holders of notes or 11000
appertaining interest coupons have the right to have debt service 11001
on those notes paid solely from the moneys and special funds, and 11002
all or any portion of the pledged receipts, that are or may be 11003
pledged to that payment, including the proceeds of bonds or 11004
renewal notes or both, as the issuing authority provides in the 11005
bond proceedings authorizing the notes. Notes may be additionally 11006
secured by covenants of the issuing authority to the effect that 11007
the issuing authority will do all things necessary for the 11008
issuance of bonds or renewal notes in such principal amount and 11009
upon such terms as may be necessary to provide moneys to pay when 11010
due the debt service on the notes, and apply their proceeds to the 11011
extent necessary, to make full and timely payment of debt service 11012
on the notes as provided in the applicable bond proceedings. In 11013
the bond proceedings authorizing the issuance of bond anticipation 11014
notes the issuing authority shall set forth for the bonds 11015
anticipated an estimated schedule of annual principal payments the 11016
latest of which shall be no later than provided in division (D) of 11017
this section. While the notes are outstanding there shall be 11018
deposited, as shall be provided in the bond proceedings for those 11019
notes, from the sources authorized for payment of debt service on 11020
the bonds, amounts sufficient to pay the principal of the bonds 11021
anticipated as set forth in that estimated schedule during the 11022
time the notes are outstanding, which amounts shall be used solely 11023
to pay the principal of those notes or of the bonds anticipated. 11024

(b) Obligations for the refunding, including funding and 11025
retirement, and advance refunding, with or without payment or 11026

redemption prior to maturity, of any obligations previously issued 11027
under this section and any bonds or notes previously issued for 11028
the purpose of paying costs of capital facilities for: (i) 11029
state-supported or state-assisted institutions of higher education 11030
as authorized by sections 151.01 and 151.04 of the Revised Code, 11031
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution, 11032
and (ii) housing branches and agencies of state government limited 11033
to facilities for a system of common schools throughout the state 11034
as authorized by sections 151.01 and 151.03 of the Revised Code, 11035
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution. 11036
Refunding obligations may be issued in amounts sufficient to pay 11037
or to provide for repayment of the principal amount, including 11038
principal amounts maturing prior to the redemption of the 11039
remaining prior obligations or bonds or notes, any redemption 11040
premium, and interest accrued or to accrue to the maturity or 11041
redemption date or dates, payable on the prior obligations or 11042
bonds or notes, and related financing costs and any expenses 11043
incurred or to be incurred in connection with that issuance and 11044
refunding. Subject to the applicable bond proceedings, the portion 11045
of the proceeds of the sale of refunding obligations issued under 11046
division (M)(1)(b) of this section to be applied to debt service 11047
on the prior obligations or bonds or notes shall be credited to an 11048
appropriate separate account in the bond service fund and held in 11049
trust for the purpose by the issuing authority or by a corporate 11050
trustee, and may be invested as provided in the bond proceedings. 11051
Obligations authorized under this division shall be considered to 11052
be issued for those purposes for which the prior obligations or 11053
bonds or notes were issued. 11054

(2) The principal amount of refunding, advance refunding, or 11055
renewal obligations issued pursuant to division (M) of this 11056
section shall be in addition to the amount authorized in division 11057
(C) of this section. 11058

(N) Obligations are lawful investments for banks, savings and 11059
loan associations, credit union share guaranty corporations, trust 11060
companies, trustees, fiduciaries, insurance companies, including 11061
domestic for life and domestic not for life, trustees or other 11062
officers having charge of sinking and bond retirement or other 11063
special funds of the state and political subdivisions and taxing 11064
districts of this state, notwithstanding any other provisions of 11065
the Revised Code or rules adopted pursuant to those provisions by 11066
any state agency with respect to investments by them, and are also 11067
acceptable as security for the repayment of the deposit of public 11068
moneys. The exemptions from taxation in Ohio as provided for in 11069
particular sections of the Ohio Constitution and section 5709.76 11070
of the Revised Code apply to the obligations. 11071

(O)(1) Unless otherwise provided or provided for in any 11072
applicable bond proceedings, moneys to the credit of or in a 11073
special fund shall be disbursed on the order of the issuing 11074
authority. No such order is required for the payment, from the 11075
bond service fund or other special fund, when due of debt service 11076
or required payments under credit enhancement facilities. 11077

(2) Payments received by the issuing authority under interest 11078
rate hedges entered into as credit enhancement facilities under 11079
this section shall be deposited as provided in the applicable bond 11080
proceedings. 11081

(P) The obligations shall not be general obligations of the 11082
state and the full faith and credit, revenue, and taxing power of 11083
the state shall not be pledged to the payment of debt service on 11084
them or to any guarantee of the payment of that debt service. The 11085
holders or owners of the obligations shall have no right to have 11086
any moneys obligated or pledged for the payment of debt service 11087
except as provided in this section and in the applicable bond 11088
proceedings. The rights of the holders and owners to payment of 11089
debt service are limited to all or that portion of the pledged 11090

receipts, and those special funds, pledged to the payment of debt 11091
service pursuant to the bond proceedings in accordance with this 11092
section, and each obligation shall bear on its face a statement to 11093
that effect. 11094

paid by a railroad company under a plan of reorganization as	12135

of Chapter VIII of the "Federal Bankruptcy Act," 11 U.S.C.A.	12137

(A) Except as provided in division (H) of this section, all	12139
of such payments shall be made payable, and delivered, to the	12140
county in which the taxing district sharing in a claim for	12141
delinquent taxes is located. Any notes included in such payment	12142

<u>treasurer's</u> custody.	12147

(B) Upon receipt of a payment by cash or check, the county treasurer shall immediately cause such funds to be paid into the county treasury and credited to a special fund established for this purpose, which shall be known as the "undivided bankruptcy claims fund." All of such moneys so received, including any earned interest, shall be credited to said fund.

(C) When the total claim for each county has been satisfied by the receipt of cash or notes, or both, the county auditor shall remit from the tax list and duplicate of real and public utility property in each county, all charges appearing thereon in the name of the railroad company for which such payment has been made, which are delinquent and unpaid from any year previous to the tax year 1977.

(D) At any time that funds are present in the undivided bankruptcy claims fund, either upon initial settlement or at any later time, the county auditor shall, forthwith, distribute by auditors' warrant, such funds to the various taxing districts of the county, in which the property taxes, from which the claim in bankruptcy has derived, were originally charged. The funds so distributed shall be apportioned among the various taxing authorities within each taxing district in the same proportions as the said taxes were originally levied, taking into account the various rates of taxation levied for different purposes for each year in which such taxes were charged and remained unpaid, and any unpaid special assessments, including compound interest thereon at the rate of six per cent per annum to January 1, 1978.

In making such distribution, the auditor shall, first, deduct an amount equal to one per cent of the total amount to be distributed, as fees for services of the county auditor and treasurer in making collection and distribution of the claim in bankruptcy. Such deduction shall be in lieu of all fees provided for in sections 319.54 and 321.26 of the Revised Code. The amount

so deducted shall be credited to the general fund of the county. 12180

If any funds received pursuant to this section represent 12181
taxes which, if collected, would have resulted from any general or 12182
emergency levy which has since expired, such funds may be credited 12183
to the general operating fund and expended as though they are 12184
proceeds from a current levy, and if any of such funds represent 12185
taxes from any current general bond retirement levy or one which 12186
has since expired, said funds may be credited to the current bond 12187
retirement fund and used to service any current bond indebtedness, 12188
or may be credited to the general operating fund of the district, 12189
if so designated by a majority of the members of the taxing 12190
authority of the taxing district. 12191

(E) Except as provided in division (H) of this section, when, 12192
as a part of the settlement of a claim in bankruptcy of a 12193
reorganized railroad company a county receives notes on behalf of 12194
a taxing authority in partial payment of said claim, the county 12195
treasurer shall, within a reasonable length of time, notify the 12196
taxing authority of each taxing district sharing in the claim that 12197
such notes are in ~~his~~ the treasurer's custody. Within sixty days 12198

treasurer, as issued, and allowed to mature according to the terms 12202
presented on their face with the proceeds to be distributed upon 12203
maturity pursuant to division (D) of this section; or 12204

(2) The railroad notes shall be exchanged for several new 12205
notes in denominations equal to the proportionate share, or 12206
portion thereof, of the taxing district having a share in the 12207
claim in bankruptcy as determined in division (D) of this section. 12208
The new notes shall be distributed, upon receipt, to each taxing 12209
authority in full satisfaction of its claim or in full 12210
satisfaction of the portion of its claim represented by the notes 12211

so received. If notes cannot be issued in denominations equal to 12212
the taxing district's proportionate share, the treasurer shall 12213
certify to the taxing authority of the district the amount of 12214
notes held by the treasurer on behalf of the district and for 12215
which notes cannot be issued pursuant to the taxing authority's 12216
decision under this subdivision. Upon receipt of such 12217
certification, the taxing authority may borrow money and issue 12218
notes against such certification in the same manner as is provided 12219
by division (F) of this section. 12220

If a taxing authority elects the option provided under 12221
division (E)(1) of this section, it may at any subsequent time 12222
elect instead the option provided under division (E)(2) of this 12223
section by resolution approved by a majority of its members. The 12224
election of the option provided under division (E)(2) of this 12225
section becomes final upon receipt by the taxing authority of the 12226
new notes or certification distributed by the county treasurer 12227
under such division. 12228

Each taxing authority shall certify a copy of any resolution 12229
adopted under this division to the county treasurer who shall take 12230
appropriate action as directed by each taxing authority. 12231

(F) A taxing authority having possession of any railroad note 12232
or a treasurer's certification issued under division (E)(2) of 12233
this section may, by approval of a majority of its members, borrow 12234
money and issue its note in anticipation of the revenue payable on 12235
maturity of the railroad note and pledge the railroad note or the 12236
proceeds thereof. Such anticipation note shall mature no later 12237
than the railroad note and shall be in an amount no greater than 12238
seventy per cent of the face amount of said railroad note. By like 12239
action a taxing authority may sell any railroad note in its 12240
possession at public or private offering for not less than the 12241
prevailing market price. Such a sale or borrowing shall be exempt 12242
from all other requirements and limitations of the Revised Code, 12243

including the requirements of the Uniform Bond Law. 12244

(1) If a taxing authority desires to issue delinquent tax 12245
bonds pursuant to section 131.23 of the Revised Code prior to 12246
either receipt of any payment from a railroad in bankruptcy or 12247
utilization of the authority granted in this section, the taxing 12248

delinquent taxes unpledged for purposes of division (B)~~(6)~~(5) of 12250
section 131.23 of the Revised Code shall include all or part of 12251
the delinquent taxes owed by a railroad, or, if notes have been 12252
received pursuant to this section, the unpaid principal amount of 12253
such notes. If the taxing authority determines that any such 12254
railroad delinquencies or note amount shall be included under 12255
section 131.23 of the Revised Code, the amount which may be 12256
borrowed pursuant to this section may not exceed seventy per cent 12257
of the total face amount of railroad notes remaining after 12258
deducting the amount so included. 12259

(2) If a taxing authority desires to issue delinquent tax 12260
bonds pursuant to section 131.23 of the Revised Code after 12261
utilization of the authority granted in this section, the net 12262
amount of delinquent taxes unpledged for purposes of division 12263
(B)~~(6)~~(5) of section 131.23 of the Revised Code may not include 12264
the principal amount of railroad notes which have been borrowed 12265
against or sold pursuant to this section. 12266

(G) When a taxing authority receives a railroad note, the 12267
face amount of such note shall not be considered as revenue for 12268
any purpose in the year in which the note is received. Upon sale 12269
or maturity of the note, any proceeds not pledged pursuant to 12270
division (F) of this section shall be considered as unanticipated 12271
revenue from a new source and all of the provisions of law 12272
pertaining to such revenue, including section 5705.36 of the 12273
Revised Code, shall apply. 12274

(H) When there are present in a county nonrepresented taxing 12275

districts as provided in amended substitute house bill 336~~7~~ of the 12276
112th general assembly, all of the provisions of this section 12277
shall apply to such districts, except as follows: 12278

delivered, directly to the treasurer of the taxing district. Any 12280
notes included in the settlement of the district's claim may be 12281
issued, and delivered, directly to said treasurer. 12282

Upon receipt of any of such payments, the treasurer of the 12283
taxing district shall certify, to the county treasurer of the 12284
county in which the district is located, the fact of such receipt 12285
and the amounts so received. 12286

(2) If the claim of a nonrepresented taxing district is not 12287
paid directly to the treasurer of the district but is included 12288
with payments for the remainder of the county, cash payments 12289
included in the initial settlement shall be distributed as 12290
provided in divisions (B) and (D) of this section. Any notes 12291
received as payment shall be exchanged and distributed to 12292
nonrepresented taxing districts upon receipt. 12293

Code, the aggregate rate of which does not exceed one-half of one 13076
per cent on the effective date of the enactment of this section. 13077

(B)(1) The board of trustees of an eligible township, by 13078
resolution, may declare an unincorporated area of the township to 13079
be a tourism development district for the purpose of fostering and 13080

(d) Before adopting the resolution or ordinance, the board 13088

(4) Subject to the limitations of division (B)(1)(a) and (b) 13103

(C) A summary of the proceedings of the legislative authority 13153

~~state~~, the municipal library, and any citizen of the municipal 13157

Sec. 709.023. (A) A petition filed under section 709.021 of 13163
the Revised Code that requests to follow this section is for the 13164

when, subject to division (H) of this section, the land also is 13166
not to be excluded from the township under section 503.07 of the 13167
Revised Code. The owners who sign this petition by their signature 13168
expressly waive their right to appeal in law or equity from the 13169
board of county commissioners' entry of any resolution under this 13170
section, waive any rights they may have to sue on any issue 13171
relating to a municipal corporation requiring a buffer as provided 13172
in this section, and waive any rights to seek a variance that 13173
would relieve or exempt them from that buffer requirement. 13174

The petition circulated to collect signatures for the special 13175
procedure in this section shall contain in boldface capital 13176
letters immediately above the heading of the place for signatures 13177
on each part of the petition the following: "WHOEVER SIGNS THIS 13178
PETITION EXPRESSLY WAIVES THEIR RIGHT TO APPEAL IN LAW OR EQUITY 13179
FROM THE BOARD OF COUNTY COMMISSIONERS' ENTRY OF ANY RESOLUTION 13180
PERTAINING TO THIS SPECIAL ANNEXATION PROCEDURE, ALTHOUGH A WRIT 13181
OF MANDAMUS MAY BE SOUGHT TO COMPEL THE BOARD TO PERFORM ITS 13182
DUTIES REQUIRED BY LAW FOR THIS SPECIAL ANNEXATION PROCEDURE." 13183

(B) Upon the filing of the petition in the office of the 13184
clerk of the board of county commissioners, the clerk shall cause 13185
the petition to be entered upon the board's journal at its next 13186
regular session. This entry shall be the first official act of the 13187
board on the petition. Within five days after the filing of the 13188
petition, the agent for the petitioners shall notify in the manner 13189
and form specified in this division the clerk of the legislative 13190
authority of the municipal corporation to which annexation is 13191
proposed, the fiscal officer of each township any portion of which 13192

is included within the territory proposed for annexation, the 13193
clerk of the board of county commissioners of each county in which 13194
the territory proposed for annexation is located other than the 13195
county in which the petition is filed, and the owners of property 13196
adjacent to the territory proposed for annexation or adjacent to a 13197
road that is adjacent to that territory and located directly 13198
across that road from that territory. The notice shall refer to 13199
the time and date when the petition was filed and the county in 13200
which it was filed and shall have attached or shall be accompanied 13201
by a copy of the petition and any attachments or documents 13202
accompanying the petition as filed. 13203

Notice to a property owner is sufficient if sent by regular 13204
United States mail to the tax mailing address listed on the county 13205
auditor's records. Notice to the appropriate government officer 13206
shall be given by certified mail, return receipt requested, or by 13207
causing the notice to be personally served on the officer, with 13208
proof of service by affidavit of the person who delivered the 13209
notice. Proof of service of the notice on each appropriate 13210
government officer shall be filed with the board of county 13211
commissioners with which the petition was filed. 13212

(C) Within twenty days after the date that the petition is 13213
filed, the legislative authority of the municipal corporation to 13214
which annexation is proposed shall adopt an ordinance or 13215
resolution stating what services the municipal corporation will 13216
provide, and an approximate date by which it will provide them, to 13217
the territory proposed for annexation, upon annexation. The 13218
municipal corporation is entitled in its sole discretion to 13219
provide to the territory proposed for annexation, upon annexation, 13220
services in addition to the services described in that ordinance 13221
or resolution. 13222

If the territory proposed for annexation is subject to zoning 13223
regulations adopted under either Chapter 303. or 519. of the 13224

Revised Code at the time the petition is filed, the legislative 13225
authority of the municipal corporation also shall adopt an 13226
ordinance or resolution stating that, if the territory is annexed 13227
and becomes subject to zoning by the municipal corporation and 13228
that municipal zoning permits uses in the annexed territory that 13229
the municipal corporation determines are clearly incompatible with 13230
the uses permitted under current county or township zoning 13231
regulations in the adjacent land remaining within the township 13232
from which the territory was annexed, the legislative authority of 13233
the municipal corporation will require, in the zoning ordinance 13234
permitting the incompatible uses, the owner of the annexed 13235
territory to provide a buffer separating the use of the annexed 13236
territory and the adjacent land remaining within the township. For 13237
the purposes of this section, "buffer" includes open space, 13238
landscaping, fences, walls, and other structured elements; streets 13239
and street rights-of-way; and bicycle and pedestrian paths and 13240
sidewalks. 13241

The clerk of the legislative authority of the municipal 13242
corporation to which annexation is proposed shall file the 13243
ordinances or resolutions adopted under this division with the 13244
board of county commissioners within twenty days following the 13245
date that the petition is filed. The board shall make these 13246
ordinances or resolutions available for public inspection. 13247

(D) Within twenty-five days after the date that the petition 13248
is filed, the legislative authority of the municipal corporation 13249
to which annexation is proposed and each township any portion of 13250
which is included within the territory proposed for annexation may 13251
adopt and file with the board of county commissioners an ordinance 13252
or resolution consenting or objecting to the proposed annexation. 13253
An objection to the proposed annexation shall be based solely upon 13254
the petition's failure to meet the conditions specified in 13255
division (E) of this section. 13256

If the municipal corporation and each of those townships
timely files an ordinance or resolution consenting to the proposed
annexation, the board at its next regular session shall enter upon
its journal a resolution granting the proposed annexation. If,
instead, the municipal corporation or any of those townships files
an ordinance or resolution that objects to the proposed
annexation, the board of county commissioners shall proceed as
provided in division (E) of this section. Failure of the municipal
corporation or any of those townships to timely file an ordinance
or resolution consenting or objecting to the proposed annexation
shall be deemed to constitute consent by that municipal
corporation or township to the proposed annexation.

(E) Unless the petition is granted under division (D) of this
section, not less than thirty or more than forty-five days after
the date that the petition is filed, the board of county
commissioners shall review it to determine if each of the
following conditions has been met:

(1) The petition meets all the requirements set forth in, and
was filed in the manner provided in, section 709.021 of the
Revised Code.

(2) The persons who signed the petition are owners of the
real estate located in the territory proposed for annexation and
constitute all of the owners of real estate in that territory.

(3) The territory proposed for annexation does not exceed
five hundred acres.

(4) The territory proposed for annexation shares a contiguous
boundary with the municipal corporation to which annexation is
proposed for a continuous length of at least five per cent of the
perimeter of the territory proposed for annexation.

(5) The annexation will not create an unincorporated area of
the township that is completely surrounded by the territory

proposed for annexation. 13288

(6) The municipal corporation to which annexation is proposed 13289
has agreed to provide to the territory proposed for annexation the 13290
services specified in the relevant ordinance or resolution adopted 13291
under division (C) of this section. 13292

(7) If a street or highway will be divided or segmented by 13293
the boundary line between the township and the municipal 13294
corporation as to create a road maintenance problem, the municipal 13295
corporation to which annexation is proposed has agreed as a 13296
condition of the annexation to assume the maintenance of that 13297
street or highway or to otherwise correct the problem. As used in 13298
this section, "street" or "highway" has the same meaning as in 13299
section 4511.01 of the Revised Code. 13300

(F) Not less than thirty or more than forty-five days after 13301
the date that the petition is filed, if the petition is not 13302
granted under division (D) of this section, the board of county 13303
commissioners, if it finds that each of the conditions specified 13304
in division (E) of this section has been met, shall enter upon its 13305
journal a resolution granting the annexation. If the board of 13306
county commissioners finds that one or more of the conditions 13307
specified in division (E) of this section have not been met, it 13308
shall enter upon its journal a resolution that states which of 13309
those conditions the board finds have not been met and that denies 13310
the petition. 13311

(G) If a petition is granted under division (D) or (F) of 13312
this section, the clerk of the board of county commissioners shall 13313
proceed as provided in division (C)(1) of section 709.033 of the 13314
Revised Code, except that no recording or hearing exhibits would 13315
be involved. There is no appeal in law or equity from the board's 13316
entry of any resolution under this section, but any party may seek 13317
a writ of mandamus to compel the board of county commissioners to 13318
perform its duties under this section. 13319

(H) Notwithstanding anything to the contrary in section 13320
503.07 of the Revised Code, unless otherwise provided in an 13321
annexation agreement entered into pursuant to section 709.192 of 13322
the Revised Code or in a cooperative economic development 13323
agreement entered into pursuant to section 701.07 of the Revised 13324
Code, territory annexed into a municipal corporation pursuant to 13325
this section shall not at any time be excluded from the township 13326
under section 503.07 of the Revised Code and, thus, remains 13327
subject to the township's real property taxes. 13328

(I) Any owner of land that remains within a township and that 13329
is adjacent to territory annexed pursuant to this section who is 13330
directly affected by the failure of the annexing municipal 13331
corporation to enforce compliance with any zoning ordinance it 13332
adopts under division (C) of this section requiring the owner of 13333
the annexed territory to provide a buffer zone, may commence in 13334
the court of common pleas a civil action against that owner to 13335
enforce compliance with that buffer requirement whenever the 13336
required buffer is not in place before any development of the 13337
annexed territory begins. 13338

(J) Division (C)~~(18)~~(15) of section 718.01 of the Revised 13339
Code applies to the compensation paid to persons performing 13340
personal services for a political subdivision on property owned by 13341
the political subdivision after that property is annexed to a 13342
municipal corporation under this section. 13343

Sec. 715.014. (A) As used in this section: 13344

(1) "Tourism development district" means a district 13345
designated by a municipal corporation under this section. 13346

(2) "Territory of a tourism development district" means all 13347
of the area included within the territorial boundaries of a 13348
tourism development district. 13349

(3) "Business" and "owner" have the same meanings as in section 503.56 of the Revised Code. 13350
13351

(4) "Eligible municipal corporation" means a municipal corporation wholly or partly located in a county having a population greater than three hundred seventy-five thousand but less than four hundred thousand that levies taxes under section 5739.021 or 5739.026 of the Revised Code, the aggregate rate of which does not exceed one-half of one per cent on ~~the effective date of the enactment of this section~~ September 29, 2015. 13352
13353
13354
13355
13356
13357
13358

(5) "Fiscal officer" means the city auditor, village clerk, or other municipal officer having the duties and functions of a city auditor or village clerk. 13359
13360
13361

(B)(1) The legislative authority of an eligible municipal corporation, by resolution or ordinance, may declare an area of the municipal corporation to be a tourism development district for the purpose of fostering and developing tourism in the district if all of the following criteria are met: 13362
13363
13364
13365
13366

(a) The district's area does not exceed two hundred acres. 13367

(b) All territory in the district is contiguous. 13368

(c) Before adopting the resolution or ordinance, the legislative authority holds at least two public hearings concerning the creation of the tourism development district. 13369
13370
13371

(d) Before adopting the resolution or ordinance, the legislative authority receives a petition signed by every record owner of a parcel of real property located in the proposed district and the owner of every business that operates in the proposed district. 13372
13373
13374
13375
13376

(e) The legislative authority adopts the resolution or ordinance on or before December 31, 2018. 13377
13378

(2) The petition described in division (B)(1)(d) of this 13379

section shall include an explanation of the taxes and charges that 13380
may be levied or imposed in the proposed district. 13381

(3) The legislative authority shall certify the resolution or 13382
ordinance to the tax commissioner within five days after its 13383
adoption, along with a description of the boundaries of the 13384
district authorized in the resolution. That description shall 13385
include sufficient information for the commissioner to determine 13386
if the address of a vendor is within the boundaries of the 13387
district. 13388

(4) Subject to the limitations of divisions (B)(1)(a) and (b) 13389
of this section, the legislative authority of an eligible 13390
municipal corporation may enlarge the territory of an existing 13391
tourism development district in the manner prescribed for the 13392
creation of a district under divisions (B)(1) to (3) of this 13393
section, except that the petition described in division (B)(1)(d) 13394
of this section must be signed by every record owner of a parcel 13395
of real property located in the area proposed to be added to the 13396
district and the owner of every business that operates in the area 13397
proposed to be added to the district. 13398

(C) For the purpose of fostering and developing tourism in a 13399
tourism development district, a lessor leasing real property in a 13400
tourism development district may impose and collect a uniform fee 13401
on each parcel of real property leased by the lessor, to be paid 13402
by each of the person's lessees. A lessee is subject to such a fee 13403
only if the lease separately states the amount of the fee. Before 13404
a lessor may impose and collect such a fee, the lessor shall file 13405
a copy of such lease with the fiscal officer. A lessor that 13406
imposes such a fee shall remit all collections of the fee to the 13407
municipal corporation in which the real property is located. 13408

The legislative authority of that municipal corporation shall 13409
establish all regulations necessary to provide for the 13410
administration and remittance of such fees. The regulations may 13411

prescribe the time for payment of the fee, and may provide for the 13412
imposition of a penalty or interest, or both, for late 13413
remittances, provided that the penalty does not exceed ten per 13414
cent of the amount of fee due, and the rate at which interest 13415
accrues does not exceed the rate per annum prescribed pursuant to 13416
section 5703.47 of the Revised Code. The regulations shall 13417
provide, after deducting the real and actual costs of 13418
administering the fee, that the revenue be used exclusively for 13419
fostering and developing tourism within the tourism development 13420
district. 13421

(D) The legislative authority of an eligible municipal 13422
corporation that has designated a tourism development district may 13423
levy the tax authorized under section 5739.101 of the Revised 13424
Code. Nothing in this section limits the power of the legislative 13425
authority of a municipal corporation to levy a tax on the basis of 13426
admissions in a tourism development district pursuant to its 13427
powers of local self-government conferred by Section 3 of Article 13428
XVIII, Ohio Constitution. 13429

(E) On or before the first day of each January and ~~June~~ July, 13430
beginning after the designation of the tourism development 13431
district, the fiscal officer shall certify a list of vendors 13432
located within the tourism development district to the tax 13433
commissioner, which shall include the name, address, and vendor's 13434
license number for each vendor. 13435

Sec. 715.691. (A) As used in this section: 13436

(1) "Contracting party" means a municipal corporation that 13437
has entered into a joint economic development zone contract or any 13438
party succeeding to the municipal corporation, or a township that 13439
entered into a joint economic development zone contract with a 13440
municipal corporation. 13441

(2) "Zone" means a joint economic development zone designated 13442

under this section. 13443

(3) "Substantial amendment" means an amendment to a joint 13444
economic development zone contract that increases the rate of 13445
municipal income tax that may be imposed within the zone, changes 13446
the purposes for which municipal income tax revenue derived from 13447
the zone may be used, or changes the area or areas included in the 13448
zone. 13449

(B) This section provides procedures and requirements for 13450
creating and operating a joint economic development zone. This 13451
section applies only if one of the contracting parties to the zone 13452
does not levy a municipal income tax ~~under Chapter~~ in accordance 13453
with Chapters 718. and 5718. of the Revised Code. 13454

At any time before January 1, 2015, two or more municipal 13455
corporations or one or more townships and one or more municipal 13456
corporations may enter into a contract whereby they agree to share 13457
in the costs of improvements for an area or areas located in one 13458
or more of the contracting parties that they designate as a joint 13459
economic development zone for the purpose of facilitating new or 13460
expanded growth for commercial or economic development in the 13461
state. The contract and zone shall meet the requirements of 13462
divisions (B) to (J) of this section. 13463

(C) The contract shall set forth each contracting party's 13464
contribution to the joint economic development zone. The 13465
contributions may be in any form that the contracting parties 13466
agree to, and may include, but are not limited to, the provision 13467
of services, money, or equipment. The contract may be amended, 13468
renewed, or terminated with the consent of the contracting 13469
parties, subject to division (K) of this section. The contract 13470
shall continue in existence throughout the term it specifies and 13471
shall be binding on the contracting parties and on any entities 13472
succeeding to the contracting parties. If the contract is approved 13473
by the electors of any contracting party under division (F) of 13474

this section or substantially amended after the effective date of 13475
H.B. 289 of the 130th general assembly, June 5, 2014, the 13476
contracting parties shall include within the contract or the 13477
amendment to the contract an economic development plan for the 13478
zone, a schedule for the implementation or provision of any new, 13479
expanded, or additional services, facilities, or improvements 13480
within the zone or in the area surrounding the zone, and any 13481
provisions necessary for the contracting parties to create a joint 13482
economic development review council in compliance with section 13483
715.692 of the Revised Code. 13484

(D) Before the legislative authority of any of the 13485
contracting parties enacts an ordinance or resolution approving a 13486
contract to designate a joint economic development zone, the 13487
legislative authority of each of the contracting parties shall 13488
hold a public hearing concerning the contract and zone. Each 13489
legislative authority shall provide at least thirty days' public 13490
notice of the time and place of the public hearing in a newspaper 13491
of general circulation in the municipal corporation or township. 13492
During the thirty-day period prior to the public hearing, all of 13493
the following documents shall be available for public inspection 13494
in the office of the clerk of the legislative authority of a 13495
municipal corporation that is a contracting party and in the 13496
office of the fiscal officer of a township that is a contracting 13497
party: 13498

(1) A copy of the contract designating the zone; 13499

(2) A description of the area or areas to be included in the 13500
zone, including a map in sufficient detail to denote the specific 13501
boundaries of the area or areas; 13502

(3) An economic development plan for the zone that includes a 13503
schedule for the provision of any new, expanded, or additional 13504
services, facilities, or improvements. 13505

A public hearing held under division (D) of this section shall allow for public comment and recommendations on the contract and zone. The contracting parties may include in the contract any of those recommendations prior to approval of the contract.

(E) After the public hearings required under division (D) of this section have been held and the economic development plan has been approved under division (D) of section 715.692 of the Revised Code, and before January 1, 2015, each contracting party may enact an ordinance or resolution approving the contract to designate a joint economic development zone. After each contracting party has enacted an ordinance or resolution, the clerk of the legislative authority of a municipal corporation that is a contracting party and the fiscal officer of a township that is a contracting party shall file with the board of elections of each county within which a contracting party is located a copy of the ordinance or resolution approving the contract and shall direct the board of elections to submit the ordinance or resolution to the electors of the contracting party on the day of the next general, primary, or special election occurring at least ninety days after the ordinance or resolution is filed with the board of elections. If any of the contracting parties is a township, however, then only the township or townships shall submit the resolution to the electors. The board of elections shall not submit an ordinance or resolution filed under this division to the electors at any election occurring on or after January 1, 2015.

(F)(1) If a vote is required to approve a municipal corporation as a contracting party to a joint economic development zone under this section, the ballot shall be in the following form:

"Shall the ordinance of the legislative authority of the (city or village) of (name of contracting party) approving the contract with (name of each other contracting party) for the

designation of a joint economic development zone be approved? 13538

13539

	FOR THE ORDINANCE AND CONTRACT
	AGAINST THE ORDINANCE AND CONTRACT

"

13540

13541

13542

(2) If a vote is required to approve a township as a 13543
contracting party to a joint economic development zone under this 13544
section, the ballot shall be in the following form: 13545

"Shall the resolution of the board of township trustees of 13546
the township of (name of contracting party) approving the contract 13547
with (name of each other contracting party) for the designation of 13548
a joint economic development zone be approved? 13549

13550

	FOR THE RESOLUTION AND CONTRACT
	AGAINST THE RESOLUTION AND CONTRACT

"

13551

13552

13553

If a majority of the electors of each contracting party 13554
voting on the issue vote for the ordinance or resolution and 13555
contract, the ordinance or resolution shall become effective 13556
immediately and the contract shall go into effect immediately or 13557
in accordance with its terms. 13558

(G)(1) A board of directors shall govern each joint economic 13559
development zone created under this section. The members of the 13560
board shall be appointed as provided in the contract. Each of the 13561
contracting parties shall appoint three members to the board. 13562
Terms for each member shall be for two years, each term ending on 13563
the same day of the month of the year as did the term that it 13564
succeeds. A member may be reappointed to the board. 13565

(2) Membership on the board is not the holding of a public 13566
office or employment within the meaning of any section of the 13567

Revised Code or any charter provision prohibiting the holding of 13568
other public office or employment. Membership on the board is not 13569
a direct or indirect interest in a contract or expenditure of 13570
money by a municipal corporation, township, county, or other 13571
political subdivision with which a member may be affiliated. 13572
Notwithstanding any provision of law or a charter to the contrary, 13573
no member of the board shall forfeit or be disqualified from 13574
holding any public office or employment by reason of membership on 13575
the board. 13576

(3) The board is a public body for the purposes of section 13577
121.22 of the Revised Code. Chapter 2744. of the Revised Code 13578
applies to the board and the zone. 13579

(H) The contract may grant to the board of directors 13580
appointed under division (G) of this section the power to adopt a 13581
resolution to levy an income tax within the zone. The income tax 13582
shall be used for the purposes of the zone and for the purposes of 13583
the contracting parties pursuant to the contract. Not less than 13584
fifty per cent of the revenue from the tax shall be used solely to 13585
provide the new, expanded, or additional services, facilities, or 13586
improvements specified in the economic development plan until all 13587
such services, facilities, or improvements have been completed as 13588
specified in that plan. The income tax may be levied in the zone 13589
based on income earned by persons working within the zone and on 13590
the net profits of businesses located in the zone. The income tax 13591
is subject to ~~Chapter~~ Chapters 718. and 5718. of the Revised Code, 13592
except that a vote shall be required by the electors residing in 13593
the zone to approve the rate of income tax unless a majority of 13594
the electors residing within the zone, as determined by the total 13595
number of votes cast in the zone for the office of governor at the 13596
most recent general election for that office, submit a petition to 13597
the board requesting that the election provided for in division 13598
(H)(1) of this section not be held. If no electors reside within 13599

the zone, then division (H)(3) of this section applies. The rate 13600
of the income tax shall be no higher than the highest rate being 13601
levied by a municipal corporation that is a party to the contract. 13602

(1) The board of directors may levy an income tax at a rate 13603
that is not higher than the highest rate being levied by a 13604
municipal corporation that is a party to the contract, provided 13605
that the rate of the income tax is first submitted to and approved 13606
by the electors of the zone at the succeeding regular or primary 13607
election, or a special election called by the board, occurring 13608
subsequent to ninety days after a certified copy of the resolution 13609
levying the income tax and calling for the election is filed with 13610
the board of elections. If the voters approve the levy of the 13611
income tax, the income tax shall be in force for the full period 13612
of the contract establishing the zone. No election shall be held 13613
under this section if a majority of the electors residing within 13614
the zone, determined as specified in division (H) of this section, 13615
submit a petition to that effect to the board of directors. Any 13616
increase in the rate of an income tax by the board of directors 13617
shall be approved by a vote of the electors of the zone and shall 13618
be in force for the remaining period of the contract establishing 13619
the zone. 13620

(2) Whenever a zone is located in the territory of more than 13621
one contracting party, a majority vote of the electors in each of 13622
the several portions of the territory of the contracting parties 13623
constituting the zone approving the levy of the tax is required 13624
before it may be imposed under division (H) of this section. 13625

(3) If no electors reside in the zone, no election for the 13626
approval or rejection of an income tax shall be held under this 13627
section, provided that where no electors reside in the zone, the 13628
rate of the income tax shall be no higher than the highest rate 13629
being levied by a municipal corporation that is a party to the 13630
contract. 13631

(4) The board of directors of a zone levying an income tax 13632
shall enter into an agreement with one of the municipal 13633
corporations that is a party to the contract to administer, 13634
collect, and enforce the income tax on behalf of the zone. 13635

(5) The board of directors of a zone shall publish or post 13636
public notice within the zone of any resolution adopted levying an 13637
income tax in the same manner required of municipal corporations 13638
under sections 731.21 and 731.25 of the Revised Code. 13639

(I)(1) If for any reason a contracting party reverts to or 13640
has its boundaries changed so that it is classified as a township 13641
that is the entity succeeding to that contracting party, the 13642
township is considered to be a municipal corporation for the 13643
purposes of the contract for the full period of the contract 13644
establishing the joint economic development zone, except that if 13645
that contracting party is administering, collecting, and enforcing 13646
the income tax on behalf of the district as provided in division 13647
(H)(4) of this section, the contract shall be amended to allow one 13648
of the other contracting parties to administer, collect, and 13649
enforce that tax. 13650

(2) Notwithstanding any other section of the Revised Code, if 13651
there is any change in the boundaries of a township so that a 13652
municipal corporation once located within the township is no 13653
longer so located, the township shall remain in existence even 13654
though its remaining unincorporated area contains less than 13655
twenty-two square miles, if the township has been or becomes a 13656
party to a contract creating a joint economic development zone 13657
under this section or the contract creating that joint economic 13658
development zone under this section is terminated or repudiated 13659
for any reason by any party or person. The township shall continue 13660
its existing status in all respects, including having the same 13661
form of government and the same elected board of trustees as its 13662
governing body. The township shall continue to receive all of its 13663

tax levies and sources of income as a township in accordance with 13664
any section of the Revised Code, whether the levies and sources of 13665
income generate millage within the ten-mill limitation or in 13666
excess of the ten-mill limitation. The name of the township may be 13667
changed to the name of the contracting party appearing in the 13668
contract creating a joint economic development zone under this 13669
section, so long as the name does not conflict with any other name 13670
in the state that has been certified by the secretary of state. 13671
The township shall have all of the powers set out in sections 13672
715.79, 715.80, and 715.81 of the Revised Code. 13673

(J) If, after creating and operating a joint economic 13674
development zone under this section, a contracting party that did 13675
not levy a municipal income tax ~~under Chapter~~ in accordance with 13676
Chapters 718. and 5718. of the Revised Code levies such a tax, the 13677
tax shall not apply to the zone for the full period of the 13678
contract establishing the zone if the board of directors of the 13679
zone has levied an income tax as provided in division (H) of this 13680
section. 13681

(K) No substantial amendment may be made to any joint 13682
economic development zone contract after December 31, 2014. 13683

Sec. 715.70. (A) This section and section 715.71 of the 13684
Revised Code apply only to: 13685

(1) Municipal corporations and townships within a county that 13686
has adopted a charter under Sections 3 and 4 of Article X, Ohio 13687
Constitution; 13688

(2) Municipal corporations and townships that have created a 13689
joint economic development district comprised entirely of real 13690
property owned by a municipal corporation at the time the district 13691
was created under this section. The real property owned by the 13692
municipal corporation shall include an airport owned by the 13693
municipal corporation and located entirely beyond the municipal 13694

corporation's corporate boundary. 13695

(3) Municipal corporations or townships that are part of or 13696
contiguous to a transportation improvement district created under 13697
Chapter 5540. of the Revised Code and that have created a joint 13698
economic development district under this section or section 715.71 13699
of the Revised Code prior to November 15, 1995; 13700

(4) Municipal corporations that have previously entered into 13701
a contract creating a joint economic development district pursuant 13702
to division (A)(2) of this section, even if the territory to be 13703
included in the district does not meet the requirements of that 13704
division. 13705

(B)(1) One or more municipal corporations and one or more 13706
townships may enter into a contract approved by the legislative 13707
authority of each contracting party pursuant to which they create 13708
as a joint economic development district an area or areas for the 13709
purpose of facilitating economic development to create or preserve 13710
jobs and employment opportunities and to improve the economic 13711
welfare of the people in the state and in the area of the 13712
contracting parties. A municipal corporation described in division 13713
(A)(4) of this section may enter into a contract with other 13714
municipal corporations and townships to create a new joint 13715
economic development district. In a district that includes a 13716
municipal corporation described in division (A)(4) of this 13717
section, the territory of each of the contracting parties shall be 13718
contiguous to the territory of at least one other contracting 13719
party, or contiguous to the territory of a township or municipal 13720
corporation that is contiguous to another contracting party, even 13721
if the intervening township or municipal corporation is not a 13722
contracting party. The area or areas of land to be included in the 13723
district shall not include any parcel of land owned in fee by a 13724
municipal corporation or a township or parcel of land that is 13725
leased to a municipal corporation or a township, unless the 13726

municipal corporation or township is a party to the contract or 13727
unless the municipal corporation or township has given its consent 13728
to have its parcel of land included in the district by the 13729
adoption of a resolution. As used in this division, "parcel of 13730
land" means any parcel of land owned by a municipal corporation or 13731
a township for at least a six-month period within a five-year 13732
period prior to the creation of a district, but "parcel of land" 13733
does not include streets or public ways and sewer, water, and 13734
other utility lines whether owned in fee or otherwise. 13735

The district created shall be located within the territory of 13736
one or more of the participating parties and may consist of all or 13737
a portion of such territory. The boundaries of the district shall 13738
be described in the contract or in an addendum to the contract. 13739

(2) Prior to the public hearing to be held pursuant to 13740
division (D)(2) of this section, the participating parties shall 13741
give a copy of the proposed contract to each municipal corporation 13742
located within one-quarter mile of the proposed joint economic 13743
development district and not otherwise a party to the contract, 13744
and afford the municipal corporation the reasonable opportunity, 13745
for a period of thirty days following receipt of the proposed 13746
contract, to make comments and suggestions to the participating 13747
parties regarding elements contained in the proposed contract. 13748

(3) The district shall not exceed two thousand acres in area. 13749
The territory of the district shall not completely surround 13750
territory that is not included within the boundaries of the 13751
district. 13752

(4) Sections 503.07 to 503.12 of the Revised Code do not 13753
apply to territory included within a district created pursuant to 13754
this section as long as the contract creating the district is in 13755
effect, unless the legislative authority of each municipal 13756
corporation and the board of township trustees of each township 13757
included in the district consent, by ordinance or resolution, to 13758

the application of those sections of the Revised Code. 13759

(5) Upon the execution of the contract creating the district 13760
by the parties to the contract, a participating municipal 13761
corporation or township included within the district shall file a 13762
copy of the fully executed contract with the county recorder of 13763
each county within which a party to the contract is located, in 13764
the miscellaneous records of the county. No annexation proceeding 13765
pursuant to Chapter 709. of the Revised Code that proposes the 13766
annexation to, merger, or consolidation with a municipal 13767
corporation of any unincorporated territory within the district 13768
shall be commenced for a period of three years after the contract 13769
is filed with the county recorder of each county within which a 13770
party to the contract is located unless each board of township 13771
trustees whose territory is included, in whole or part, within the 13772
district and the territory proposed to be annexed, merged, or 13773
consolidated adopts a resolution consenting to the commencement of 13774
the proceeding and a copy of the resolution is filed with the 13775
legislative authority of each county within which a party to the 13776
contract is located or unless the contract is terminated during 13777
this period. 13778

The contract entered into between the municipal corporations 13779
and townships pursuant to this section may provide for the 13780
prohibition of any annexation by the participating municipal 13781
corporations of any unincorporated territory within the district 13782
beyond the three-year mandatory prohibition of any annexation 13783
provided for in division (B)(5) of this section. 13784

(C)(1) After the legislative authority of a municipal 13785
corporation and the board of township trustees have adopted an 13786
ordinance and resolution approving a contract to create a joint 13787
economic development district pursuant to this section, and after 13788
a contract has been signed, the municipal corporations and 13789
townships shall jointly file a petition with the legislative 13790

authority of each county within which a party to the contract is located. 13791
13792

(a) The petition shall contain all of the following: 13793

(i) A statement that the area or areas of the district ~~is~~ are 13794
not greater than two thousand acres and ~~is~~ are located within the 13795
territory of one or more of the contracting parties; 13796

(ii) A brief summary of the services to be provided by each 13797
party to the contract or a reference to the portion of the 13798
contract describing those services; 13799

(iii) A description of the area or areas to be designated as 13800
the district; 13801

(iv) The signature of a representative of each of the 13802
contracting parties. 13803

(b) The following documents shall be filed with the petition: 13804

(i) A signed copy of the contract, together with copies of 13805
district maps and plans related to or part of the contract; 13806

(ii) A certified copy of the ordinances and resolutions of 13807
the contracting parties approving the contract; 13808

(iii) A certificate from each of the contracting parties 13809
indicating that the public hearings required by division (D)(2) of 13810
this section have been held, the date of the hearings, and 13811
evidence of publication of the notice of the hearings; 13812

(iv) One or more signed statements of persons who are owners 13813
of property located in whole or in part within the area to be 13814
designated as the district, requesting that the property be 13815
included within the district, provided that those statements shall 13816
represent a majority of the persons owning property located in 13817
whole or in part within the district and persons owning a majority 13818
of the acreage located within the district. A signature may be 13819
withdrawn by the signer up to but not after the time of the public 13820

hearing required by division (D)(2) of this section. 13821

(2) The legislative authority of each county within which a 13822
party to the contract is located shall adopt a resolution 13823
approving the petition for the creation of the district if the 13824
petition and other documents have been filed in accordance with 13825
the requirements of division (C)(1) of this section. If the 13826
petition and other documents do not substantially meet the 13827
requirements of that division, the legislative authority of any 13828
county within which a party to the contract is located may adopt a 13829
resolution disapproving the petition for the creation of the 13830
district. The legislative authority of each county within which a 13831
party to the contract is located shall adopt a resolution 13832
approving or disapproving the petition within thirty days after 13833
the petition was filed. If the legislative authority of each such 13834
county does not adopt the resolution within the thirty-day period, 13835
the petition shall be deemed approved and the contract shall go 13836
into effect immediately after that approval or at such other time 13837
as the contract specifies. 13838

(D)(1) The contract creating the district shall set forth or 13839
provide for the amount or nature of the contribution of each 13840
municipal corporation and township to the development and 13841
operation of the district and may provide for the sharing of the 13842
costs of the operation of and improvements for the district. The 13843
contributions may be in any form to which the contracting 13844
municipal corporations and townships agree and may include but are 13845
not limited to the provision of services, money, real or personal 13846
property, facilities, or equipment. The contract may provide for 13847
the contracting parties to share revenue from taxes levied on 13848
property by one or more of the contracting parties if those 13849
revenues may lawfully be applied to that purpose under the 13850
legislation by which those taxes are levied. The contract shall 13851
provide for new, expanded, or additional services, facilities, or 13852

improvements, including expanded or additional capacity for or 13853
other enhancement of existing services, facilities, or 13854
improvements, provided that those services, facilities, or 13855
improvements, or expanded or additional capacity for or 13856
enhancement of existing services, facilities, or improvements, 13857
required herein have been provided within the two-year period 13858
prior to the execution of the contract. 13859

(2) Before the legislative authority of a municipal 13860
corporation or a board of township trustees passes any ordinance 13861
or resolution approving a contract to create a joint economic 13862
development district pursuant to this section, the legislative 13863
authority of the municipal corporation and the board of township 13864
trustees shall each hold a public hearing concerning the joint 13865
economic development district contract and shall provide thirty 13866
days' public notice of the time and place of the public hearing in 13867
a newspaper of general circulation in the municipal corporation 13868
and the township. The board of township trustees may provide 13869
additional notice to township residents in accordance with section 13870
9.03 of the Revised Code, and any additional notice shall include 13871
the public hearing announcement; a summary of the terms of the 13872
contract; a statement that the entire text of the contract and 13873
district maps and plans are on file for public examination in the 13874
office of the township fiscal officer; and information pertaining 13875
to any tax changes that will or may occur as a result of the 13876
contract. 13877

During the thirty-day period prior to the public hearing, a 13878
copy of the text of the contract together with copies of district 13879
maps and plans related to or part of the contract shall be on 13880
file, for public examination, in the offices of the clerk of the 13881
legislative authority of the municipal corporation and of the 13882
township fiscal officer. The public hearing provided for in 13883
division (D)(2) of this section shall allow for public comment and 13884

recommendations from the public on the proposed contract. The 13885
contracting parties may include in the contract any of those 13886
recommendations prior to the approval of the contract. 13887

(3) Any resolution of the board of township trustees that 13888
approves a contract that creates a joint economic development 13889
district pursuant to this section shall be subject to a referendum 13890
of the electors of the township. When a referendum petition, 13891
signed by ten per cent of the number of electors in the township 13892
who voted for the office of governor at the most recent general 13893
election for the office of governor, is presented to the board of 13894
township trustees within thirty days after the board of township 13895
trustees adopted the resolution, ordering that the resolution be 13896
submitted to the electors of the township for their approval or 13897
rejection, the board of township trustees shall, after ten days 13898
and not later than four p.m. of the ninetieth day before the 13899
election, certify the text of the resolution to the board of 13900
elections. The board of elections shall submit the resolution to 13901
the electors of the township for their approval or rejection at 13902
the next general, primary, or special election occurring 13903
subsequent to ninety days after the certifying of the petition to 13904
the board of elections. 13905

(4) Upon the creation of a district under this section or 13906
section 715.71 of the Revised Code, one of the contracting parties 13907
shall file a copy of the following with the director of 13908
development: 13909

(a) The petition and other documents described in division 13910
(C)(1) of this section, if the district is created under this 13911
section; 13912

(b) The documents described in division (D) of section 715.71 13913
of the Revised Code, if the district is created under this 13914
section. 13915

(E) The district created by the contract shall be governed by a board of directors that shall be established by or pursuant to the contract. The board is a public body for the purposes of section 121.22 of the Revised Code. The provisions of Chapter 2744. of the Revised Code apply to the board and the district. The members of the board shall be appointed as provided in the contract from among the elected members of the legislative authorities and the elected chief executive officers of the contracting parties, provided that there shall be at least two members appointed from each of the contracting parties.

(F) The contract shall enumerate the specific powers, duties, and functions of the board of directors of a district, and the contract shall provide for the determination of procedures that are to govern the board of directors. The contract may grant to the board the power to adopt a resolution to levy an income tax within the district. The income tax shall be used for the purposes of the district and for the purposes of the contracting municipal corporations and townships pursuant to the contract. The income tax may be levied in the district based on income earned by persons working or residing within the district and based on the net profits of businesses located in the district. The income tax shall follow the provisions of ~~Chapter~~ Chapters 718. and 5718. of the Revised Code, except that a vote shall be required by the electors residing in the district to approve the rate of income tax. If no electors reside within the district, then division (F)(4) of this section applies. The rate of the income tax shall be no higher than the highest rate being levied by a municipal corporation that is a party to the contract.

(1) Within one hundred eighty days after the first meeting of the board of directors, the board may levy an income tax, provided that the rate of the income tax is first submitted to and approved by the electors of the district at the succeeding regular or

primary election, or a special election called by the board, 13948
occurring subsequent to ninety days after a certified copy of the 13949
resolution levying the income tax and calling for the election is 13950
filed with the board of elections. If the voters approve the levy 13951
of the income tax, the income tax shall be in force for the full 13952
period of the contract establishing the district. Any increase in 13953
the rate of an income tax that was first levied within one hundred 13954
eighty days after the first meeting of the board of directors 13955
shall be approved by a vote of the electors of the district, shall 13956
be in force for the remaining period of the contract establishing 13957
the district, and shall not be subject to division (F)(2) of this 13958
section. 13959

(2) Any resolution of the board of directors levying an 13960
income tax that is adopted subsequent to one hundred eighty days 13961
after the first meeting of the board of directors shall be subject 13962
to a referendum as provided in division (F)(2) of this section. 13963
Any resolution of the board of directors levying an income tax 13964
that is adopted subsequent to one hundred eighty days after the 13965
first meeting of the board of directors shall be subject to an 13966
initiative proceeding to amend or repeal the resolution levying 13967
the income tax as provided in division (F)(2) of this section. 13968
When a referendum petition, signed by ten per cent of the number 13969
of electors in the district who voted for the office of governor 13970
at the most recent general election for the office of governor, is 13971
filed with the county auditor of each county within which a party 13972
to the contract is located within thirty days after the resolution 13973
is adopted by the board or when an initiative petition, signed by 13974
ten per cent of the number of electors in the district who voted 13975
for the office of governor at the most recent general election for 13976
the office of governor, is filed with the county auditor of each 13977
such county ordering that a resolution to amend or repeal a prior 13978
resolution levying an income tax be submitted to the electors 13979
within the district for their approval or rejection, the county 13980

auditor of each such county, after ten days and not later than 13981
four p.m. of the ninetieth day before the election, shall certify 13982
the text of the resolution to the board of elections of that 13983
county. The county auditor of each such county shall retain the 13984
petition. The board of elections shall submit the resolution to 13985
such electors, for their approval or rejection, at the next 13986
general, primary, or special election occurring subsequent to 13987
ninety days after the certifying of such petition to the board of 13988
elections. 13989

(3) Whenever a district is located in the territory of more 13990
than one contracting party, a majority vote of the electors, if 13991
any, in each of the several portions of the territory of the 13992
contracting parties constituting the district approving the levy 13993
of the tax is required before it may be imposed pursuant to this 13994
division. 13995

(4) If there are no electors residing in the district, no 13996
election for the approval or rejection of an income tax shall be 13997
held pursuant to this section, provided that where no electors 13998
reside in the district, the maximum rate of the income tax that 13999
may be levied shall not exceed one per cent. 14000

(5) The board of directors of a district levying an income 14001
tax shall enter into an agreement with one of the municipal 14002
corporations that is a party to the contract to administer, 14003
collect, and enforce the income tax on behalf of the district. The 14004
resolution levying the income tax shall provide the same credits, 14005
if any, to residents of the district for income taxes paid to 14006
other such districts or municipal corporations where the residents 14007
work, as credits provided to residents of the municipal 14008
corporation administering the income tax. 14009

(6)(a) The board shall publish or post public notice within 14010
the district of any resolution adopted levying an income tax in 14011
the same manner required of municipal corporations under sections 14012

731.21 and 731.25 of the Revised Code. 14013

(b) Except as otherwise specified by this division, any 14014
referendum or initiative proceeding within a district shall be 14015
conducted in the same manner as is required for such proceedings 14016
within a municipal corporation pursuant to sections 731.28 to 14017
731.40 of the Revised Code. 14018

(G) Membership on the board of directors does not constitute 14019
the holding of a public office or employment within the meaning of 14020
any section of the Revised Code or any charter provision 14021
prohibiting the holding of other public office or employment, and 14022
shall not constitute an interest, either direct or indirect, in a 14023
contract or expenditure of money by any municipal corporation, 14024
township, county, or other political subdivision with which the 14025
member may be connected. No member of a board of directors shall 14026
be disqualified from holding any public office or employment, nor 14027
shall such member forfeit or be disqualified from holding any such 14028
office or employment, by reason of the member's membership on the 14029
board of directors, notwithstanding any law or charter provision 14030
to the contrary. 14031

(H) The powers and authorizations granted pursuant to this 14032
section or section 715.71 of the Revised Code are in addition to 14033
and not in derogation of all other powers granted to municipal 14034
corporations and townships pursuant to law. When exercising a 14035
power or performing a function or duty under a contract authorized 14036
pursuant to this section or section 715.71 of the Revised Code, a 14037
municipal corporation may exercise all of the powers of a 14038
municipal corporation, and may perform all the functions and 14039
duties of a municipal corporation, within the district, pursuant 14040
to and to the extent consistent with the contract. When exercising 14041
a power or performing a function or duty under a contract 14042
authorized pursuant to this section or section 715.71 of the 14043
Revised Code, a township may exercise all of the powers of a 14044

township, and may perform all the functions and duties of a township, within the district, pursuant to and to the extent consistent with the contract. The district board of directors has no powers except those specifically set forth in the contract as agreed to by the participating parties. No political subdivision shall authorize or grant any tax exemption pursuant to Chapter 1728. or section 3735.67, 5709.62, 5709.63, or 5709.632 of the Revised Code on any property located within the district without the consent of the contracting parties. The prohibition for any tax exemption pursuant to this division shall not apply to any exemption filed, pending, or approved, or for which an agreement has been entered into, before the effective date of the contract entered into by the parties.

(I) Municipal corporations and townships may enter into binding agreements pursuant to a contract authorized under this section or section 715.71 of the Revised Code with respect to the substance and administration of zoning and other land use regulations, building codes, public permanent improvements, and other regulatory and proprietary matters that are determined, pursuant to the contract, to be for a public purpose and to be desirable with respect to the operation of the district or to facilitate new or expanded economic development in the state or the district, provided that no contract shall exempt the territory within the district from the procedures and processes of land use regulation applicable pursuant to municipal corporation, township, and county regulations, including but not limited to procedures and processes concerning zoning.

(J) A contract creating a joint economic development district under this section or section 715.71 of the Revised Code may designate property as a community entertainment district or may be amended to designate property as a community entertainment district as prescribed in division (D) of section 4301.80 of the

Revised Code. A joint economic development district contract or 14077
amendment designating a community entertainment district shall 14078
include all information and documentation described in divisions 14079
(B)(1) through (6) of section 4301.80 of the Revised Code. The 14080
public notice required under division (D)(2) of this section and 14081
division (C) of section 715.71 of the Revised Code shall specify 14082
that the contract designates a community entertainment district 14083
and describe the location of that district. Except as provided in 14084
division (F) of section 4301.80 of the Revised Code, an area 14085
designated as a community entertainment district under a joint 14086
economic development district contract shall not lose its 14087
designation even if the contract is canceled or terminated. 14088

(K) A contract entered into pursuant to this section or 14089
section 715.71 of the Revised Code may be amended and it may be 14090
renewed, canceled, or terminated as provided in or pursuant to the 14091
contract. The contract may be amended to add property owned by one 14092
of the contracting parties to the district, or may be amended to 14093
delete property from the district whether or not one of the 14094
contracting parties owns the deleted property. The contract shall 14095
continue in existence throughout its term and shall be binding on 14096
the contracting parties and on any entities succeeding to such 14097
parties, whether by annexation, merger, or otherwise. The income 14098
tax levied by the board pursuant to this section or section 715.71 14099
of the Revised Code shall apply in the entire district throughout 14100
the term of the contract, notwithstanding that all or a portion of 14101
the district becomes subject to annexation, merger, or 14102
incorporation. No township or municipal corporation is divested of 14103
its rights or obligations under the contract because of 14104
annexation, merger, or succession of interests. 14105

(L) After the creation of a joint economic development 14106
district described in division (A)(2) of this section, a municipal 14107
corporation that is a contracting party may cease to own property 14108

included in the district, but such property shall continue to be 14109
included in the district and subject to the terms of the contract. 14110

Sec. 715.71. (A) This section provides alternative procedures 14111
and requirements to those set forth in section 715.70 of the 14112
Revised Code for creating and operating a joint economic 14113
development district. Divisions (B), (C), (D)(1) to (3), and (F) 14114
of section 715.70 of the Revised Code do not apply to a joint 14115
economic development district established under this section. 14116
However, divisions (A), (D)(4), (E), (G), (H), (I), (J), (K), and 14117
(L) of section 715.70 of the Revised Code do apply to a district 14118
established under this section. 14119

(B) One or more municipal corporations and one or more 14120
townships may enter into a contract approved by the legislative 14121
authority of each contracting party pursuant to which they create 14122
as a joint economic development district one or more areas for the 14123
purpose of facilitating economic development to create or preserve 14124
jobs and employment opportunities and to improve the economic 14125
welfare of the people in this state and in the area of the 14126
contracting parties. The district created shall be located within 14127
the territory of one or more of the contracting parties and may 14128
consist of all or a portion of that territory. The boundaries of 14129
the district shall be described in the contract or in an addendum 14130
to the contract. The area or areas of land to be included in the 14131
district shall not include any parcel of land owned in fee by or 14132
leased to a municipal corporation or township, unless the 14133
municipal corporation or township is a party to the contract or 14134
has given its consent to have its parcel of land included in the 14135
district by the adoption of a resolution. As used in this 14136
division, "parcel of land" has the same meaning as in division (B) 14137
of section 715.70 of the Revised Code. 14138

(C) Before the legislative authority of a municipal 14139

corporation or a board of township trustees adopts an ordinance or 14140
resolution approving a contract to create a joint economic 14141
development district under this section, it shall hold a public 14142
hearing concerning the joint economic development district 14143
contract and shall provide thirty days' public notice of the time 14144
and place of the public hearing in a newspaper of general 14145
circulation in the municipal corporation and the township. Each 14146
municipal corporation and township that is a party to the contract 14147
shall hold a public hearing. During the thirty-day period prior to 14148
a public hearing, a copy of the text of the contract together with 14149
copies of district maps and plans related to or part of the 14150
contract shall be on file, for public examination, in the offices 14151
of the clerk of the legislative authority of the municipal 14152
corporation and of the township fiscal officer. The public 14153
hearings provided for in this division shall allow for public 14154
comment and recommendations on the proposed contract. The 14155
participating parties may include in the contract any of those 14156
recommendations prior to approval of the contract. 14157

(D) After the legislative authority of a municipal 14158
corporation and the board of township trustees have adopted an 14159
ordinance and resolution approving a contract to create a joint 14160

board of directors. The contract may grant to the board the power 14236
to adopt a resolution to levy an income tax within the district. 14237
The income tax shall be used for the purposes of the district and 14238
for the purposes of the contracting municipal corporations and 14239
townships pursuant to the contract. The income tax may be levied 14240
in the district based on income earned by persons working or 14241
residing within the district and based on the net profits of 14242
businesses located in the district. The income tax of the district 14243
shall follow the provisions of ~~Chapter~~ Chapters 718. and 5718. of 14244
the Revised Code, except that no vote shall be required by the 14245
electors residing in the district. The rate of the income tax 14246
shall be no higher than the highest rate being levied by a 14247
municipal corporation that is a party to the contract. 14248

The board of directors of a district levying an income tax 14249
shall enter into an agreement with one of the municipal 14250
corporations that is a party to the contract to administer, 14251
collect, and enforce the income tax on behalf of the district. The 14252
resolution levying the income tax shall provide the same credits, 14253
if any, to residents of the district for income taxes paid to 14254
other districts or municipal corporations where the residents 14255
work, as credits provided to residents of the municipal 14256
corporation administering the income tax. 14257

(H) No annexation proceeding pursuant to Chapter 709. of the 14258
Revised Code that proposes the annexation to or merger or 14259
consolidation with a municipal corporation, except a municipal 14260
corporation that is a party to the contract, of any unincorporated 14261
territory within the district shall be commenced for a period of 14262
three years after the contract is filed with the legislative 14263
authority of each county within which a party to the contract is 14264
located in accordance with division (D) of this section unless 14265
each board of township trustees whose territory is included, in 14266
whole or part, within the district and the territory proposed to 14267

be annexed, merged, or consolidated adopts a resolution consenting 14268
to the commencement of the proceeding and a copy of the resolution 14269
is filed with the legislative authority of each such county or 14270
unless the contract is terminated during this three-year period. 14271
The contract entered into between the municipal corporations and 14272
townships pursuant to this section may provide for the prohibition 14273
of any annexation by the participating municipal corporations of 14274
any unincorporated territory within the district. 14275

of each of the contracting parties is not contiguous to the 14341
territory of at least one other contracting party, or contiguous 14342
to the territory of a township or municipal corporation that is 14343
contiguous to another contracting party as otherwise required 14344
under division (C)(1) of this section. The contract and district 14345

(b) No electors, except those residing in a mixed-use 14358
development, shall reside within the area or areas on the 14359

effective date of the contract creating the district. 14360

(c) The area or areas shall not include any parcel of land 14361
owned in fee by or leased to a municipal corporation or township, 14362
unless the municipal corporation or township is a contracting 14363
party or has given its consent to have the parcel of land included 14364
in the district by the adoption of an ordinance or resolution. 14365

(2) The contracting parties may designate excluded parcels 14366
within the boundaries of the joint economic development district. 14367
Excluded parcels are not part of the district and persons employed 14368
or residing on such parcels shall not be subject to any income tax 14369
imposed within the district under division (F)(5) of this section. 14370

(F)(1) The contract creating a joint economic development 14371
district shall provide for the amount or nature of the 14372
contribution of each contracting party to the development and 14373
operation of the district and may provide for the sharing of the 14374
costs of the operation of and improvements for the district. The 14375
contributions may be in any form to which the contracting parties 14376
agree and may include, but are not limited to, the provision of 14377
services, money, real or personal property, facilities, or 14378

(2) The contract may provide for the contracting parties to 14380

under the legislation by which those taxes are levied. 14383

(3) The contract shall include an economic development plan 14384
for the district that consists of a schedule for the provision of 14385
new, expanded, or additional services, facilities, or 14386
improvements. The contract may provide for expanded or additional 14387
capacity for or other enhancement of existing services, 14388
facilities, or improvements. 14389

(4) The contract shall enumerate the specific powers, duties, 14390

and functions of the board of directors of the district described 14391
under division (P) of this section and shall designate procedures 14392
consistent with that division for appointing members to the board. 14393
The contract shall enumerate rules to govern the board in carrying 14394
out its business under this section. 14395

(5)(a) The contract may grant to the board the power to adopt 14396
a resolution to levy an income tax within the entire district or 14397
within portions of the district designated by the contract. The 14398
income tax shall be used to carry out the economic development 14399
plan for the district or the portion of the district in which the 14400
tax is levied and for any other lawful purpose of the contracting 14401
parties pursuant to the contract, including the provision of 14402
utility services by one or more of the contracting parties. 14403

(b) An income tax levied under this section shall be based on 14404
both the income earned by persons employed or residing within the 14405
district and the net profit of businesses operating within the 14406
district. 14407

Except as provided in this section, the income tax levied 14408
within the district is subject to ~~Chapter~~ Chapters 718. and 5718. 14409
of the Revised Code, except that no vote shall be required. The 14410
rate of the income tax shall be no higher than the highest rate 14411
being levied by a municipal corporation that is a contracting 14412
party. 14413

(c) If the board adopts a resolution to levy an income tax, 14414
it shall enter into an agreement with a municipal corporation that 14415
is a contracting party to administer, collect, and enforce the 14416
income tax on behalf of the district. 14417

(d) A resolution levying an income tax under this section 14418
shall require the contracting parties to annually set aside a 14419
percentage, to be stated in the resolution, of the amount of the 14420
income tax collected for the long-term maintenance of the 14421

district. 14422

(e) An income tax levied under this section shall apply in 14423
the district or the portion of the district in which the contract 14424
authorizes an income tax throughout the term of the contract 14425
creating the district. The tax shall not apply to any persons 14426
employed or residing on a parcel excluded from the district under 14427
division (E)(2) of this section. 14428

(6) If there is unincorporated territory in the district, the 14429
contract shall specify that restrictions on annexation proceedings 14430
under division (R) of this section apply to such unincorporated 14431
territory. The contract may prohibit proceedings under Chapter 14432
709. of the Revised Code proposing the annexation to, merger of, 14433
or consolidation with a municipal corporation that is a 14434
contracting party of any unincorporated territory within a 14435
township that is a contracting party during the term of the 14436
contract regardless of whether that territory is located within 14437
the district. 14438

(7) The contract may designate property as a community 14439
entertainment district, or may be amended to designate property as 14440
a community entertainment district, as prescribed in division (D) 14441
of section 4301.80 of the Revised Code. A contract or amendment 14442
designating a community entertainment district shall include all 14443
information and documentation described in divisions (B)(1) to (6) 14444
of section 4301.80 of the Revised Code. The public notice required 14445
under division (I) of this section shall specify that the contract 14446
designates a community entertainment district and describe the 14447
location of that district. Except as provided in division (F) of 14448
section 4301.80 of the Revised Code, an area designated as a 14449
community entertainment district under a joint economic 14450
development district contract shall not lose its designation even 14451
if the contract is canceled or terminated. 14452

(G) The contract creating a joint economic development 14453

district shall continue in existence throughout its term and shall 14454
be binding on the contracting parties and on any parties 14455
succeeding to the contracting parties, whether by annexation, 14456
merger, or consolidation. Except as provided in division (H) of 14457
this section, the contract may be amended, renewed, or terminated 14458
with the approval of the contracting parties or any parties 14459
succeeding to the contracting parties. If the contract is amended 14460
to add or remove an area to or from an existing district, the 14461
amendment shall be adopted in the manner prescribed under division 14462
(L) of this section. 14463

(H) If two or more contracting parties previously have 14464
entered into a separate contract for utility services, then 14465
amendment, renewal, or termination of the separate contract for 14466
utility services shall not constitute any part of the 14467
consideration for the contract creating a joint economic 14468
development district. A contract creating a joint economic 14469
development district shall be rebuttably presumed to violate this 14470
division if it is entered into within two years prior or five 14471
years subsequent to the amendment, renewal, or termination of a 14472
separate contract for utility services that two or more 14473
contracting parties previously have entered into. The presumption 14474
stated in this division may be rebutted by clear and convincing 14475
evidence of both of the following: 14476

(1) That other substantial consideration existed to support 14477
the contract creating a joint economic development district; 14478

(2) That the contracting parties entered into the contract 14479
creating a joint economic development district freely and without 14480
duress or coercion related to the amendment, renewal, or 14481
termination of the separate contract for utility services. 14482

A contract creating a joint economic development district 14483
that violates this division is void and unenforceable. 14484

(I)(1) Before the legislative authority of any of the 14485
contracting parties adopts an ordinance or resolution approving a 14486
contract to create a district, the legislative authority of each 14487
of the contracting parties shall hold a public hearing concerning 14488
the contract and district. Each legislative authority shall 14489
provide at least thirty days' public notice of the time and place 14490
of the public hearing in a newspaper of general circulation in the 14491
municipal corporation, township, or county, as applicable. During 14492
the thirty-day period prior to the public hearing and until the 14493
date that an ordinance or resolution is adopted under division (K) 14494
of this section to approve the joint economic development district 14495
contract, all of the following documents shall be available for 14496
public inspection in the office of the clerk of the legislative 14497
authority of a municipal corporation and county that is a 14498
contracting party and in the office of the fiscal officer of a 14499
township that is a contracting party: 14500

(a) A copy of the contract creating the district, including 14501
the economic development plan for the district and the schedule 14502
for the provision of new, expanded, or additional services, 14503
facilities, or improvements described in division (F)(3) of this 14504
section; 14505

(b) A description of the area or areas to be included in the 14506
district, including a map in sufficient detail to denote the 14507
specific boundaries of the area or areas and to indicate any 14508
zoning restrictions applicable to the area or areas, and the 14509
parcel number, provided for under section 319.28 of the Revised 14510
Code, of any parcel located within the boundaries of the joint 14511
economic development district and excluded from the district under 14512
division (E)(2) of this section; 14513

(c) If the contract authorizes the board of directors of the 14514
district to adopt a resolution to levy an income tax within the 14515
district or within portions of the district, a schedule for the 14516

collection of the tax. 14517

(2) A public hearing held under this division shall allow for 14518
public comment and recommendations on the contract and district. 14519
The contracting parties may include in the contract any of those 14520
recommendations prior to approval of the contract. 14521

(J) Before any of the contracting parties approves a contract 14522
under division (K) of this section, the contracting parties shall 14523
circulate one or more petitions to record owners of real property 14524
located within the proposed joint economic development district 14525
and owners of businesses operating within the proposed district. 14526
The petitions shall state that all of the documents described in 14527
divisions (I)(1)(a) to (c) of this section are available for 14528
public inspection in the office of the clerk of the legislative 14529
authority of each municipal corporation and county that is a 14530
contracting party or the office of the fiscal officer of each 14531
township that is a contracting party. The petitions shall clearly 14532
indicate that, by signing the petition, the record owner or owner 14533
consents to the proposed joint economic development district. 14534

A contracting party may send written notice of the petitions 14535
by certified mail with return receipt requested to the last known 14536
mailing addresses of any or all of the record owners of real 14537
property located within the proposed district or the owners of 14538
businesses operating within the proposed district. The contracting 14539
parties shall equally share the costs of complying with this 14540
division. 14541

(K)(1) After the public hearings required under division (I) 14542
of this section have been held and the petitions described in 14543
division (J) of this section have been signed by the majority of 14544
the record owners of real property located within the proposed 14545
joint economic development district and by a majority of the 14546
owners of businesses, if any, operating within the proposed 14547
district, each contracting party may adopt an ordinance or 14548

resolution approving the contract to create a joint economic 14549
development district. Not later than ten days after all of the 14550
contracting parties have adopted ordinances or resolutions 14551
approving the district contract, each contracting party shall give 14552
notice of the proposed district to all of the following: 14553

(a) Each record owner of real property to be included in the 14554
district and in the territory of that contracting party who did 14555
not sign the petitions described in division (J) of this section; 14556

(b) An owner of each business operating within the district 14557
and in the territory of that contracting party no owner of which 14558
signed the petitions described in division (J) of this section. 14559

(2) Such notices shall be given by certified mail and shall 14560
specify that the property or business is located within an area to 14561
be included in the district and that all of the documents 14562
described in divisions (I)(1)(a) to (c) of this section are 14563
available for public inspection in the office of the clerk of the 14564
legislative authority of each municipal corporation and county 14565
that is a contracting party or the office of the fiscal officer of 14566
each township that is a contracting party. The contracting parties 14567
shall equally share the costs of complying with division (K) of 14568
this section. 14569

(L)(1) The contracting parties may amend the joint economic 14570
development district contract to add any area that was not 14571
originally included in the district if the area satisfies the 14572
criteria prescribed under division (E) of this section. The 14573
contracting parties may also amend the district contract to remove 14574
any area originally included in the district or exclude one or 14575
more parcels located within the district pursuant to division 14576
(E)(2) of this section. 14577

(2) An amendment adding an area to a district, removing an 14578
area from the district, or excluding one or more parcels from the 14579

district may be approved only by a resolution or ordinance adopted 14580
by each of the contracting parties. The contracting parties shall 14581
conduct public hearings on the amendment and provide notice in the 14582
manner required under division (I) of this section for original 14583
contracts. The contracting parties shall make available for public 14584
inspection a copy of the amendment, a description of the area to 14585

applicable to the area. 14589

(3) Before adopting a resolution or ordinance approving the 14590
addition of an area to the district, the contracting parties shall 14591
circulate petitions to the record owners of real property located 14592
within the proposed addition to the district and owners of 14593
businesses operating within the proposed addition to the district 14594
in the same manner required under division (J) of this section for 14595
original contracts. The contracting parties may notify such record 14596
owners of real property and owners of businesses that the 14597
petitions are available for signing in the same manner provided by 14598
that division. The contracting parties shall equally share the 14599
costs of complying with this division. 14600

(4) The contracting parties to a joint economic development 14601
district may vote to approve an amendment to the district contract 14602
under this division after the public hearings required under 14603
division (L)(2) of this section are completed and, if the 14604
amendment adds an area or areas to the district, the petitions 14605
required under division (L)(3) of this section have been signed by 14606
the majority of record owners of real property located within the 14607
area or areas added to the district and by a majority of the 14608
owners of businesses, if any, operating within the proposed 14609
addition to the district. 14610

(5) Not later than ten days after all of the contracting 14611

parties have adopted ordinances or resolutions approving an 14612
amendment adding one or more areas to the district, each 14613
contracting party shall give notice of the addition to all of the 14614
following: 14615

(a) Each record owner of real property to be included in the 14616
addition to the district and in the territory of that contracting 14617
party who did not sign the petitions described in division (L)(3) 14618
of this section; 14619

(b) An owner of each business operating within the addition 14620
to the district and in the territory of that contracting party no 14621
owner of which signed the petitions described in division (L)(3) 14622
of this section. 14623

The contracting parties shall equally share the costs of 14624
complying with division (L)(5) of this section. 14625

(M)(1) A board of township trustees that is a party to a 14626
contract creating a joint economic development district may choose 14627
not to submit its resolution approving the contract to the 14628
electors of the township if all of the following conditions are 14629
satisfied: 14630

(a) The resolution has been approved by a unanimous vote of 14631
the members of the board of township trustees or, if a county is 14632
one of the contracting parties under division (D) of this section, 14633
the resolution has been approved by a majority vote of the members 14634
of the board of township trustees; 14635

(b) The contracting parties have circulated petitions as 14636
required under division (J) of this section and obtained the 14637
signatures required under division (L) of this section; 14638

(c) The territory to be included in the proposed district is 14639
zoned in a manner appropriate to the function of the district. 14640

(2) If the board of township trustees has not invoked its 14641

authority under division (M)(1) of this section, the board, at 14642
least ninety days before the date of the election, shall file its 14643
resolution approving the district contract with the board of 14644
elections for submission to the electors of the township for 14645
approval at the next succeeding general, primary, or special 14646
election. 14647

(3) Any contract creating a district in which a board of 14648
township trustees is a party shall provide that the contract is 14649
not effective before the thirty-first day after its approval, 14650
including approval by the electors of the township if required by 14651
this section. 14652

(4) If the board of township trustees invokes its authority 14653
under division (M)(1) of this section and does not submit the 14654
district contract to the electors for approval, the resolution of 14655
the board of township trustees approving the contract is subject 14656
to a referendum of the electors of the township when requested 14657
through a petition. When signed by ten per cent of the number of 14658
electors in the township who voted for the office of governor at 14659
the most recent general election, a referendum petition asking 14660
that the resolution be submitted to the electors of the township 14661
may be presented to the board of township trustees. Such a 14662
petition shall be presented within thirty days after the board of 14663
township trustees adopts the resolution approving the district 14664
contract. The board of township trustees shall, not later than 14665
four p.m. of the tenth day after receipt of the petition, certify 14666
the text of the resolution to the board of elections. The board of 14667
elections shall submit the resolution to the electors of the 14668
township for their approval or rejection at the next general, 14669
primary, or special election occurring at least ninety days after 14670
certification of the resolution. 14671

(N) The ballot respecting a resolution to create a district 14672
or a referendum of such a resolution shall be in the following 14673

form: 14674

"Shall the resolution of the board of township trustees 14675
approving the contract with (here insert name of 14676
every other contracting party) for the creation of a joint 14677
economic development district be approved? 14678

FOR THE RESOLUTION AND CONTRACT 14679

AGAINST THE RESOLUTION AND CONTRACT" 14680

If a majority of the electors of the township voting on the 14681
issue vote for the resolution and contract, the resolution shall 14682
become effective immediately and the contract shall go into effect 14683
on the thirty-first day after the election or thereafter in 14684
accordance with terms of the contract. 14685

(O) Upon the creation of a district under this section, one 14686
of the contracting parties shall file a copy of each of the 14687
following documents with the director of development services: 14688

(1) All of the documents described in divisions (I)(1)(a) to 14689
(c) of this section; 14690

(2) Certified copies of the ordinances and resolutions of the 14691
contracting parties relating to the contract and district; 14692

(3) Documentation from each contracting party that the public 14693

was published as required by that division; 14696

(4) A copy of the signed petitions required under divisions 14697
(J) and (K) of this section. 14698

(P) A board of directors shall govern each district created 14699
under this section. 14700

(1) If there are businesses operating and persons employed 14701
within the district, the board shall be composed of the following 14702
members: 14703

(a) One member representing the municipal corporations that are contracting parties;	14704 14705
(b) One member representing the townships that are contracting parties;	14706 14707

The members of the board shall be appointed as provided in the district contract. Of the members initially appointed to the board, the member described in division (P)(1)(a) of this section shall serve a term of one year; the member described in division (P)(1)(b) of this section shall serve a term of two years; the member described in division (P)(1)(c) of this section shall serve a term of three years; and the members described in divisions (P)(1)(d) and (e) of this section shall serve terms of four years. Thereafter, terms for each member shall be for four years, each term ending on the same day of the same month of the year as did the term that it succeeds. A member may be reappointed to the board, but no member shall serve more than two consecutive terms on the board.	14716 14717 14718 14719 14720 14721 14722 14723 14724 14725 14726 14727 14728
The member described in division (P)(1)(e) of this section shall serve as chairperson of the board described under division (P)(1) of this section.	14729 14730 14731
(2) If there are no businesses operating or persons employed within the district, the board shall be composed of the following members:	14732 14733 14734

(a) One member representing the municipal corporations that 14735
are contracting parties; 14736

(c) One member representing the counties that are contracting 14739
parties, or if no contracting party is a county, one member 14740

The members of the board shall be appointed as provided in 14743
the district contract. Of the members initially appointed to the 14744
board, the member described in division (P)(2)(a) of this section 14745
shall serve a term of one year; the member described in division 14746
(P)(2)(b) of this section shall serve a term of two years; and the 14747
member described in division (P)(2)(c) of this section shall serve 14748
a term of three years. Thereafter, terms for each member shall be 14749
for four years, each term ending on the same day of the same month 14750
of the year as did the term that it succeeds. A member may be 14751
reappointed to the board, but no member shall serve more than two 14752
consecutive terms on the board. 14753

The member described in division (P)(2)(c) of this section 14754
shall serve as chairperson of a board described under division 14755
(P)(2) of this section. 14756

(3) A board described under division (P)(1) or (2) of this 14757
section has no powers except as described in this section and in 14758
the contract creating the district. 14759

(4) Membership on the board of directors of a joint economic 14760
development district created under this section is not the holding 14761
of a public office or employment within the meaning of any section 14762
of the Revised Code prohibiting the holding of other public office 14763
or employment. Membership on such a board is not a direct or 14764
indirect interest in a contract or expenditure of money by a 14765

municipal corporation, township, county, or other political 14766
subdivision with which a member may be affiliated. Notwithstanding 14767
any provision of law to the contrary, no member of a board of 14768
directors of a joint economic development district shall forfeit 14769
or be disqualified from holding any public office or employment by 14770
reason of membership on the board. 14771

(5) The board of directors of a joint economic development 14772
district is a public body for the purposes of section 121.22 of 14773
the Revised Code. Chapter 2744. of the Revised Code applies to 14774
such a board and the district. 14775

(Q)(1) On or before the date occurring six months after the 14776
effective date of the district contract, an owner of a business 14777
operating within the district may, on behalf of the business and 14778
its employees, file a complaint with the court of common pleas of 14779
the county in which the majority of the territory of the district 14780
is located requesting exemption from any income tax imposed by the 14781
board of directors of the district under division (F)(5) of this 14782
section if all of the following apply: 14783

(a) The business operated within an unincorporated area of 14784
the district before the effective date of the district contract; 14785

(b) No owner of the business signed a petition described in 14786
division (J) of this section; 14787

(c) Neither the business nor its employees has derived or 14788
will derive any material benefit from the new, expanded, or 14789
additional services, facilities, or improvements described in the 14790
economic development plan for the district, or the material 14791
benefit that has, or will be, derived is negligible in comparison 14792
to the income tax revenue generated from the net profits of the 14793
business and the income of employees of the business. 14794

The legislative authority of each contracting party shall be 14795
made a party to the proceedings and the business owner filing the 14796

complaint shall serve notice of the complaint by certified mail to 14797
each such contracting party. The court shall not accept any 14798
complaint filed more than six months after the effective date of 14799
the district contract. 14800

(2) Any or all of the contracting parties may submit a 14801
written answer to the complaint submitted under division (Q)(1) of 14802
this section to the court within thirty days after notice of the 14803
complaint was served upon them. Such a contracting party shall 14804
submit to the court, along with the answer, documentation 14805
sufficient to prove that the contracting party sent copies of the 14806
answer to the owner of the business who filed the complaint. 14807

(3) The court shall review each complaint submitted by a 14808
business owner under division (Q)(1) of this section and each 14809
answer submitted by a contracting party under division (Q)(2) of 14810
this section. The court may make a determination on the record and 14811
the evidence thus submitted, or it may conduct a hearing and 14812
request the presence of the business owner and the contracting 14813
parties to present evidence relevant to the complaint. The court 14814
shall make a determination on the complaint not sooner than thirty 14815
days but not later than sixty days after the complaint is filed by 14816
the business owner. The court may make a determination more than 14817
sixty days after the complaint is filed if the business owner and 14818
all contracting parties to the district consent. 14819

(4) The court shall grant the exemption requested in the 14820
complaint if all of the criteria described in divisions (Q)(1)(a) 14821
to (c) of this section are met. 14822

(5) If all the criteria described in divisions (Q)(1)(a) to 14823
(c) of this section are not met, the court shall deny the 14824
complaint and the exemption. 14825

(6) The court shall send notice of the determination with 14826
respect to the complaint to the owner of the business and each 14827

contracting party. If the court grants the exemption, the net 14828
profits of the business from operations within the district and 14829
the income of its employees from employment within the district 14830
are exempt from any income tax imposed by the board of directors 14831
of the district. If the court denies the exemption, the net 14832
profits of the business and the income of its employees shall be 14833
taxed according to the terms of the district contract and any 14834
taxes, penalties, and interest accrued before the date of the 14835
court's determination shall be paid in full. In addition, no owner 14836
of the business may submit another complaint under division (Q)(1) 14837
of this section for the same district contract. The court's 14838
determination on a complaint filed under division (Q) of this 14839
section is final. 14840

(7) Chapter 2506. of the Revised Code does not apply to the 14841
proceedings described in division (Q) of this section. 14842

(R)(1) No proceeding pursuant to Chapter 709. of the Revised 14843
Code that proposes the annexation to, merger of, or consolidation 14844
with a municipal corporation of any unincorporated territory 14845
within a joint economic development district may be commenced at 14846
any time between the effective date of the contract creating the 14847
district and the date the contract expires, terminates, or is 14848
otherwise rendered unenforceable. This division does not apply if 14849
each board of township trustees whose territory is included within 14850
the district and whose territory is proposed to be annexed, 14851
merged, or consolidated adopts a resolution consenting to the 14852
commencement of the proceeding. Each such board of township 14853
trustees shall file a copy of the resolution with the clerk of the 14854
legislative authority of each county within which a contracting 14855
party is located. 14856

(2) The contract creating a joint economic development 14857
district may prohibit any annexation proceeding by a contracting 14858
municipal corporation of any unincorporated territory within the 14859

district or zone beyond the period described in division (R)(1) of 14860
this section. 14861

(3) No contracting party is divested or relieved of its 14862
rights or obligations under the contract creating a joint economic 14863
development district because of annexation, merger, or 14864
consolidation. 14865

(S) Contracting parties may enter into agreements pursuant to 14866
the contract creating a joint economic development district with 14867
respect to the substance and administration of zoning and other 14868
land use regulations, building codes, permanent public 14869
improvements, and other regulatory and proprietary matters 14870
determined to be for a public purpose. No contract, however, shall 14871
exempt the territory within the district from the procedures of 14872
land use regulation applicable pursuant to municipal corporation, 14873
township, and county regulations, including, but not limited to, 14874
zoning procedures. 14875

(T) The powers granted under this section are in addition to 14876
and not in the derogation of all other powers possessed by or 14877
granted to municipal corporations, townships, and counties 14878
pursuant to law. 14879

(1) When exercising a power or performing a function or duty 14880
under a contract entered into under this section, a municipal 14881
corporation may exercise all the powers of a municipal 14882
corporation, and may perform all the functions and duties of a 14883
municipal corporation, within the district, pursuant to and to the 14884
extent consistent with the contract. 14885

(2) When exercising a power or performing a function or duty 14886
under a contract entered into under division (D) of this section, 14887
a county may exercise all of the powers of a county, and may 14888
perform all the functions and duties of a county, within the 14889
district pursuant to and to the extent consistent with the 14890

contract. 14891

(3) When exercising a power or performing a function or duty 14892
under a contract entered into under this section, a township may 14893
exercise all the powers of a township, and may perform all the 14894
functions and duties of a township, within the district, pursuant 14895
to and to the extent consistent with the contract. 14896

(U) No political subdivision shall grant any tax exemption 14897
under Chapter 1728. or section 3735.67, 5709.62, 5709.63, or 14898
5709.632 of the Revised Code on any property located within the 14899
district without the consent of all the contracting parties. The 14900
prohibition against granting a tax exemption under this section 14901
does not apply to any exemption filed, pending, or approved before 14902
the effective date of the contract entered into under this 14903
section. 14904

Sec. 718.01. Any term used in this chapter that is not 14905
otherwise defined in this chapter has the same meaning as when 14906
used in a comparable context in laws of the United States relating 14907
to federal income taxation or in Title LVII of the Revised Code, 14908
unless a different meaning is clearly required. If a term used in 14909
this chapter that is not otherwise defined in this chapter is used 14910
in a comparable context in both the laws of the United States 14911
relating to federal income tax and in Title LVII of the Revised 14912
Code and the use is not consistent, then the use of the term in 14913
the laws of the United States relating to federal income tax shall 14914
control over the use of the term in Title LVII of the Revised 14915
Code. 14916

As used in this chapter: 14917

(A)(1) "Municipal taxable income" means the following: 14918

(a) ~~For a person other than an individual, income reduced by 14919
exempt income to the extent otherwise included in income and then, 14920~~

~~as applicable, apportioned or sitused to the municipal corporation 14921
under section 718.02 of the Revised Code, and further reduced by 14922
any pre 2017 net operating loss carryforward available to the 14923
person for the municipal corporation. 14924~~

~~(b)(i) For an individual who is a resident of a municipal 14925
corporation other than a qualified municipal corporation, income 14926
reduced by exempt income to the extent otherwise included in 14927
income, then reduced as provided in division (A)(2) of this 14928
section, and further reduced by any pre-2017 net operating loss 14929
carryforward available to the individual for the municipal 14930
corporation. 14931~~

~~(ii) For an individual who is a resident of a qualified 14932
municipal corporation, Ohio adjusted gross income reduced by 14933
income exempted, and increased by deductions excluded, by the 14934
qualified municipal corporation from the qualified municipal 14935
corporation's tax. If a qualified municipal corporation, on or 14936
before December 31, 2013, exempts income earned by individuals who 14937
are not residents of the qualified municipal corporation and net 14938
profit of persons that are not wholly located within the qualified 14939
municipal corporation, such individual or person shall have no 14940
municipal taxable income for the purposes of the tax levied by the 14941
qualified municipal corporation and may be exempted by the 14942
qualified municipal corporation from the requirements of section 14943
718.03 of the Revised Code. 14944~~

~~(e)(b) For an individual who is a nonresident of a municipal 14945
corporation, income reduced by exempt income to the extent 14946
otherwise included in income and then, as applicable, apportioned 14947
or sitused to the municipal corporation under section 718.02 of 14948
the Revised Code, then reduced as provided in division (A)(2) of 14949
this section, and further reduced by any pre-2017 net operating 14950
loss carryforward available to the individual for the municipal 14951
corporation. 14952~~

(2) ~~In computing the municipal taxable income of a taxpayer~~ 14953
~~who is an individual, the~~ A taxpayer may subtract, as provided in 14954
division (A)(1)~~(b)~~(a)(i) or ~~(c)~~(b) of this section, the amount of 14955
the individual's employee business expenses reported on the 14956
individual's form 2106 that the individual deducted for federal 14957
income tax purposes for the taxable year, subject to the 14958
limitation imposed by section 67 of the Internal Revenue Code. For 14959
the municipal corporation in which the taxpayer is a resident, the 14960
taxpayer may deduct all such expenses allowed for federal income 14961
tax purposes. For a municipal corporation in which the taxpayer is 14962
not a resident, the taxpayer may deduct such expenses only to the 14963
extent the expenses are related to the taxpayer's performance of 14964
personal services in that nonresident municipal corporation. 14965

(B) "Income" means the following: 14966

(1)(a) For residents, all income, salaries, qualifying wages, 14967
commissions, and other compensation from whatever source earned or 14968
received by the resident, including the resident's distributive 14969
share of the net profit of pass-through entities owned directly or 14970
indirectly by the resident and any net profit of the resident, 14971
except as provided in division (D)(4) of this section. 14972

(b) For the purposes of division (B)(1)(a) of this section: 14973

(i) Any net operating loss of the resident incurred in the 14974
taxable year and the resident's distributive share of any net 14975
operating loss generated in the same taxable year and attributable 14976
to the resident's ownership interest in a pass-through entity 14977
shall be allowed as a deduction, for that taxable year and the 14978
following five taxable years, against any other net profit of the 14979
resident or the resident's distributive share of any net profit 14980
attributable to the resident's ownership interest in a 14981
pass-through entity until fully utilized, subject to division 14982
(B)(1)(d) of this section; 14983

(ii) The resident's distributive share of the net profit of 14984
each pass-through entity owned directly or indirectly by the 14985
resident shall be calculated without regard to any net operating 14986
loss that is carried forward by that entity from a prior taxable 14987
year and applied to reduce the entity's net profit for the current 14988
taxable year. 14989

(c) Division (B)(1)(b) of this section does not apply with 14990
respect to any net profit or net operating loss attributable to an 14991
ownership interest in an S corporation unless shareholders' 14992
distributive shares of net profits from S corporations are subject 14993
to tax in the municipal corporation as provided in division 14994
(C)~~(14)~~(11)(b) or (c) of this section. 14995

(d) Any amount of a net operating loss used to reduce a 14996
taxpayer's net profit for a taxable year shall reduce the amount 14997
of net operating loss that may be carried forward to any 14998
subsequent year for use by that taxpayer. In no event shall the 14999
cumulative deductions for all taxable years with respect to a 15000
taxpayer's net operating loss exceed the original amount of that 15001
net operating loss available to that taxpayer. 15002

(2) In the case of nonresidents, all income, salaries, 15003
qualifying wages, commissions, and other compensation from 15004
whatever source earned or received by the nonresident for work 15005
done, services performed or rendered, or activities conducted in 15006
the municipal corporation, including any net profit of the 15007
nonresident, but excluding the nonresident's distributive share of 15008

receipts from sales and rentals made and services performed shall	15815
be situated to a municipal corporation as follows:	15816

(1) Gross receipts from the sale of tangible personal property shall be situated to the municipal corporation in which the sale originated. For the purposes of this division, a sale of property originates in a municipal corporation if, regardless of where title passes, the property meets any of the following criteria:

(a) The property is shipped to or delivered within the municipal corporation from a stock of goods located within the municipal corporation.

(b) The property is delivered within the municipal corporation from a location outside the municipal corporation, provided the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within such municipal corporation and the sales result from such solicitation or promotion.

(c) The property is shipped from a place within the municipal corporation to purchasers outside the municipal corporation, provided that the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(2) Gross receipts from the sale of services shall be situated to the municipal corporation to the extent that such services are performed in the municipal corporation.

(3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be situated to the municipal corporation.

(4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be situated to the municipal corporation.

(5) Gross receipts from rents and royalties from tangible personal property shall be situated to the municipal corporation

based upon the extent to which the tangible personal property is 15848
used in the municipal corporation. 15849

(E) The net profit received by an individual taxpayer from 15850
the rental of real estate owned directly by the individual or by a 15851
disregarded entity owned by the individual shall be subject to tax 15852
only by the municipal corporation in which the property generating 15853
the net profit is located and the municipal corporation in which 15854
the individual taxpayer that receives the net profit resides. 15855

A municipal corporation shall allow such taxpayers to elect 15856
to use separate accounting for the purpose of calculating net 15857
profit situated under this division to the municipal corporation in 15858
which the property is located. 15859

(F)(1) Except as provided in division (F)(2) of this section, 15860
commissions received by a real estate agent or broker relating to 15861
the sale, purchase, or lease of real estate shall be situated to 15862
the municipal corporation in which the real estate is located. Net 15863
profit reported by the real estate agent or broker shall be 15864
allocated to a municipal corporation based upon the ratio of the 15865
commissions the agent or broker received from the sale, purchase, 15866
or lease of real estate located in the municipal corporation to 15867
the commissions received from the sale, purchase, or lease of real 15868
estate everywhere in the taxable year. 15869

(2) An individual who is a resident of a municipal 15870
corporation that imposes a municipal income tax shall report the 15871
individual's net profit from all real estate activity on the 15872
individual's annual tax return for that municipal corporation. The 15873
individual may claim a credit for taxes the individual paid on 15874
such net profit to another municipal corporation to the extent 15875
that such a credit is allowed under the municipal income tax 15876
ordinance, or rules of the municipal corporation of residence. 15877

(G) ~~If, in computing a taxpayer's adjusted federal taxable~~ 15878

~~income, the taxpayer deducted any amount with respect to a stock 15879
option granted to an employee, and if the employee is not required 15880
to include in the employee's income any such amount or a portion 15881
thereof because it is exempted from taxation under divisions 15882
(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a 15883
municipal corporation to which the taxpayer has apportioned a 15884
portion of its net profit, the taxpayer shall add the amount that 15885
is exempt from taxation to the taxpayer's net profit that was 15886
apportioned to that municipal corporation. In no case shall a 15887
taxpayer be required to add to its net profit that was apportioned 15888
to that municipal corporation any amount other than the amount 15889
upon which the employee would be required to pay tax were the 15890
amount related to the stock option not exempted from taxation. 15891~~

~~This division applies solely for the purpose of making an 15892
adjustment to the amount of a taxpayer's net profit that was 15893
apportioned to a municipal corporation under this section. 15894~~

~~(H) When calculating the ratios described in division (A) of 15895
this section for the purposes of that division or division (B) of 15896
this section, the owner of a disregarded entity shall include in 15897
the owner's ratios the property, payroll, and gross receipts of 15898
such disregarded entity. 15899~~

Sec. 718.04. (A) Notwithstanding division (A) of section 15900
715.013 of the Revised Code, a municipal corporation may levy a 15901
tax on income and a withholding tax if such taxes are levied in 15902
accordance with the provisions and limitations specified in this 15903
chapter. On or after January 1, 2016, the ordinance or resolution 15904
levying such taxes, as adopted or amended by the legislative 15905
authority of the municipal corporation, shall include all of the 15906
following: 15907

(1) A statement that the tax is an annual tax levied on the 15908
income of every person residing in or earning or receiving income 15909

in the municipal corporation and that the tax shall be measured by 15910
municipal taxable income; 15911

(2) A statement that the municipal corporation is levying the 15912
tax in accordance with the limitations specified in this chapter 15913
and that the resolution or ordinance thereby incorporates the 15914
provisions of this chapter; 15915

(3) The rate of the tax; 15916

(4) Whether, and the extent to which, a credit, as described 15917
in division (D) of this section, will be allowed against the tax; 15918

(5) The purpose or purposes of the tax; 15919

(6) Any other provision necessary for the administration of 15920
the tax, provided that the provision does not conflict with any 15921
provision of this chapter. 15922

(B) Any municipal corporation that, on or before March 23, 15923
2015, levies an income tax at a rate in excess of one per cent may 15924
continue to levy the tax at the rate specified in the original 15925
ordinance or resolution, provided that such rate continues in 15926
effect as specified in the original ordinance or resolution. 15927

(C)(1) No municipal corporation shall tax income at other 15928
than a uniform rate. 15929

(2) Except as provided in division (B) of this section, no 15930
municipal corporation shall levy a tax on income at a rate in 15931
excess of one per cent without having obtained the approval of the 15932
excess by a majority of the electors of the municipality voting on 15933
the question at a general, primary, or special election. The 15934
legislative authority of the municipal corporation shall file with 15935
the board of elections at least ninety days before the day of the 15936
election a copy of the ordinance together with a resolution 15937
specifying the date the election is to be held and directing the 15938
board of elections to conduct the election. The ballot shall be in 15939

the following form: "Shall the Ordinance providing for a... per 15940
cent levy on income for (Brief description of the purpose of the 15941
proposed levy) be passed? 15942

	FOR THE INCOME TAX	
	AGAINST THE INCOME TAX	"

15943
15944
15945
15946

In the event of an affirmative vote, the proceeds of the levy may 15947
be used only for the specified purpose. 15948

(D) A municipal corporation may, by ordinance or resolution, 15949
grant a credit to residents of the municipal corporation for all 15950
or a portion of the taxes paid to any municipal corporation, in 15951
this state or elsewhere, by the resident or by a pass-through 15952
entity owned, directly or indirectly, by a resident, on the 15953
resident's distributive or proportionate share of the income of 15954
the pass-through entity. A municipal corporation is not required 15955
to refund taxes not paid to the municipal corporation. 15956

(E) Except as otherwise provided in this chapter, a municipal 15957
corporation that levies an income tax in effect for taxable years 15958
beginning before January 1, 2016, may continue to administer and 15959
enforce the provisions of such tax for all taxable years beginning 15960
before January 1, 2016, provided that the provisions of such tax 15961
are consistent with this chapter as it existed prior to March 23, 15962
2015. 15963

(F)(1) Nothing in this chapter authorizes a municipal 15964
corporation to levy a tax on income, or to administer or collect 15965
such a tax or penalties or interest related to such a tax, 15966
contrary to the provisions and limitations specified in this 15967
chapter. No municipal corporation shall enforce an ordinance or 15968
resolution that conflicts with the provisions of this chapter. 15969

(2) No municipal corporation may administer a tax on the 15970

income of a person other than an individual for a taxable year 15971
beginning on or after January 1, 2018. 15972

(G)(1) Division (G) of this section applies to a municipal 15973
corporation that, at the time of entering into a written agreement 15974
under division (G)(2) of this section, shares the same territory 15975
as a city, local, or exempted village school district, to the 15976
extent that not more than thirty per cent of the territory of the 15977
municipal corporation is located outside the school district and a 15978
portion of the territory of the school district that is not 15979
located within the municipal corporation is located within another 15980
municipal corporation having a population of four hundred thousand 15981
or more according to the federal decennial census most recently 15982
completed before the agreement is entered into under division 15983
(G)(2) of this section. 15984

(2) The legislative authority of a municipal corporation to 15985
which division (G) of this section applies may propose to the 15986
electors an income tax, one of the purposes of which shall be to 15987
provide financial assistance to the school district described in 15988
division (G)(1) of this section. Prior to proposing the tax, the 15989
legislative authority shall negotiate and enter into a written 15990
agreement with the board of education of that school district 15991
specifying the tax rate; the percentage or amount of tax revenue 15992
to be paid to the school district or the method of establishing or 15993
determining that percentage or amount, which may be subject to 15994
change periodically; the purpose for which the school district 15995
will use the money; the first year the tax will be levied; the 15996
date of the election on the question of the tax; and the method 15997
and schedule by which, and the conditions under which, the 15998
municipal corporation will make payments to the school district. 15999
The tax shall otherwise comply with the provisions and limitations 16000
specified in this chapter. 16001

Sec. 718.05. (A) An annual return with respect to the income 16002
tax levied by a municipal corporation shall be completed and filed 16003
by every taxpayer for any taxable year for which the taxpayer is 16004
liable for the tax. If the total credit allowed against the tax as 16005
described in division (D) of section 718.04 of the Revised Code 16006
for the year is equal to or exceeds the tax imposed by the 16007
municipal corporation, no return shall be required unless the 16008
municipal ordinance or resolution levying the tax requires the 16009
filing of a return in such circumstances. 16010

(B) If an individual is deceased, any return or notice 16011
required of that individual shall be completed and filed by that 16012
decedent's executor, administrator, or other person charged with 16013
the property of that decedent. 16014

(C) If an individual is unable to complete and file a return 16015
or notice required by a municipal corporation in accordance with 16016
this chapter, the return or notice required of that individual 16017
shall be completed and filed by the individual's duly authorized 16018
agent, guardian, conservator, fiduciary, or other person charged 16019
with the care of the person or property of that individual. 16020

~~(D) Returns or notices required of an estate or a trust shall 16021
be completed and filed by the fiduciary of the estate or trust. 16022~~

~~(E)~~ No municipal corporation shall deny spouses the ability 16023
to file a joint return. 16024

~~(F)~~(E)(1) Each return required to be filed under this section 16025
shall contain the signature of the taxpayer or the taxpayer's duly 16026
authorized agent and of the person who prepared the return for the 16027
taxpayer, and shall include the taxpayer's social security number 16028
or taxpayer identification number. Each return shall be verified 16029
by a declaration under penalty of perjury. 16030

(2) A tax administrator may require a taxpayer ~~who is an~~ 16031

~~individual~~ to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040 or, in the case of a return or request required by a qualified municipal corporation, Ohio form IT-1040; and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the tax administrator unless the tax administrator requests such copies after the return has been filed.

~~(3) A tax administrator may require a taxpayer that is not an individual to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.~~

~~A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the tax administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway. The department of taxation shall publish a method of electronically submitting~~

~~the documents required under this division through the Ohio
business gateway on or before January 1, 2016. The department
shall transmit all documents submitted electronically under this
division to the appropriate tax administrator.~~

~~(4)~~ After a taxpayer files a tax return, the tax
administrator may request, and the taxpayer shall provide, any
information, statements, or documents required by the municipal
corporation to determine and verify the taxpayer's municipal
income tax liability. The requirements imposed under division
~~(F)~~(E) of this section apply regardless of whether the taxpayer
files on a generic form or on a form prescribed by the tax
administrator.

~~(G)~~(F)(1)~~(a)~~ Except as otherwise provided in this chapter,
each individual income tax return required to be filed under this
section shall be completed and filed as required by the tax
administrator on or before the date prescribed for the filing of
state individual income tax returns under division (G) of section
5747.08 of the Revised Code. The taxpayer shall complete and file
the return or notice on forms prescribed by the tax administrator
or on generic forms, together with remittance made payable to the
municipal corporation or tax administrator. No remittance is
required if the amount shown to be due is ten dollars or less.

~~(b)~~ Except as otherwise provided in this chapter, each annual
net profit return required to be filed under this section by a
taxpayer that is not an individual shall be completed and filed as
required by the tax administrator on or before the fifteenth day
of the fourth month following the end of the taxpayer's taxable
year. The taxpayer shall complete and file the return or notice on
forms prescribed by the tax administrator or on generic forms,
together with remittance made payable to the municipal corporation
or tax administrator. No remittance is required if the amount
shown to be due is ten dollars or less.

(2)(a) Any taxpayer that has duly requested an automatic 16096
six-month extension for filing the taxpayer's federal income tax 16097
return shall automatically receive an extension for the filing of 16098
a municipal income tax return. The extended due date of the 16099
municipal income tax return shall be the fifteenth day of the 16100
tenth month after the last day of the taxable year to which the 16101
return relates. 16102

(b) A taxpayer that has not requested or received a six-month 16103
extension for filing the taxpayer's federal income tax return may 16104
request that the tax administrator grant the taxpayer a six-month 16105
extension of the date for filing the taxpayer's municipal income 16106
tax return. If the request is received by the tax administrator on 16107
or before the date the municipal income tax return is due, the tax 16108
administrator shall grant the taxpayer's requested extension. 16109

(c) An extension of time to file under division ~~(G)~~(F)(2) of 16110
this section is not an extension of the time to pay any tax due 16111
unless the tax administrator grants an extension of that date. 16112

(3) If the tax commissioner extends for all taxpayers the 16113
date for filing state income tax returns under division (G) of 16114
section 5747.08 of the Revised Code, a taxpayer shall 16115
automatically receive an extension for the filing of a municipal 16116
income tax return. The extended due date of the municipal income 16117
tax return shall be the same as the extended due date of the state 16118
income tax return. 16119

(4) If the tax administrator considers it necessary in order 16120
to ensure the payment of the tax imposed by the municipal 16121
corporation in accordance with this chapter, the tax administrator 16122
may require taxpayers to file returns and make payments otherwise 16123
than as provided in this section, including taxpayers not 16124
otherwise required to file annual returns. 16125

(5) To the extent that any provision in this division 16126

conflicts with any provision in section 718.052 of the Revised Code, the provision in that section prevails.

~~(H)(1) For taxable years beginning after 2015, a municipal corporation shall not require a taxpayer to remit tax with respect to net profits if the amount due is less than ten dollars.~~

~~(2) Any taxpayer not required to remit tax to a municipal corporation for a taxable year pursuant to division (H)(1) of this section shall file with the municipal corporation an annual net profit return under division (F)(3) of this section.~~

~~(I)~~(G)(1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that date by United States mail to the tax administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(2) If a payment under this chapter is made by electronic funds transfer, the payment shall be considered to be made on the date of the timestamp assigned by the first electronic system receiving that payment.

~~(J)~~(H) The amounts withheld by an employer, the agent of an employer, or an other payer as described in section 718.03 of the Revised Code shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient by the municipal corporation, unless the amounts withheld were not

remitted to the municipal corporation and the recipient colluded 16158
with the employer, agent, or other payer in connection with the 16159
failure to remit the amounts withheld. 16160

~~(K)~~(I) Each return required by a municipal corporation to be 16161
filed in accordance with this section shall include a box that the 16162
taxpayer may check to authorize another person, including a tax 16163
return preparer who prepared the return, to communicate with the 16164
tax administrator about matters pertaining to the return. The 16165
return or instructions accompanying the return shall indicate that 16166
by checking the box the taxpayer authorizes the tax administrator 16167
to contact the preparer or other person concerning questions that 16168
arise during the examination or other review of the return and 16169
authorizes the preparer or other person only to provide the tax 16170
administrator with information that is missing from the return, to 16171
contact the tax administrator for information about the 16172
examination or other review of the return or the status of the 16173
taxpayer's refund or payments, and to respond to notices about 16174
mathematical errors, offsets, or return preparation that the 16175
taxpayer has received from the tax administrator and has shown to 16176
the preparer or other person. 16177

~~(L)~~(J) The tax administrator of a municipal corporation shall 16178
accept for filing a generic form of any income tax return, report, 16179
or document required by the municipal corporation in accordance 16180
with this chapter, provided that the generic form, once completed 16181
and filed, contains all of the information required by ordinance, 16182
resolution, or rules adopted by the municipal corporation or tax 16183
administrator, and provided that the taxpayer or tax return 16184
preparer filing the generic form otherwise complies with the 16185
provisions of this chapter and of the municipal corporation 16186
ordinance or resolution governing the filing of returns, reports, 16187
or documents. 16188

~~(M)~~(K) When income tax returns, reports, or other documents 16189

require the signature of a tax return preparer, the tax 16190
administrator shall accept a facsimile of such a signature in lieu 16191
of a manual signature. 16192

~~(N)~~(L)(1) As used in this division, "worksite location" has 16193
the same meaning as in section 718.011 of the Revised Code. 16194

(2) A person may notify a tax administrator that the person 16195
does not expect to be a taxpayer with respect to the municipal 16196
corporation for a taxable year if both of the following conditions 16197
apply: 16198

(a) The person was required to file a tax return with the 16199
municipal corporation for the immediately preceding taxable year 16200
because the person performed services at a worksite location 16201
within that municipal corporation. 16202

(b) The person no longer provides services in the municipal 16203
corporation and does not expect to be subject to the municipal 16204
corporation's income tax for the taxable year. 16205

The person shall provide the notice in a signed affidavit 16206
that briefly explains the person's circumstances, including the 16207
location of the previous worksite location and the last date on 16208
which the person performed services or made any sales within the 16209
municipal corporation. The affidavit also shall include the 16210
following statement: "The affiant has no plans to perform any 16211
services within the municipal corporation, make any sales in the 16212
municipal corporation, or otherwise become subject to the tax 16213
levied by the municipal corporation during the taxable year. If 16214
the affiant does become subject to the tax levied by the municipal 16215
corporation for the taxable year, the affiant agrees to be 16216
considered a taxpayer and to properly register as a taxpayer with 16217
the municipal corporation if such a registration is required by 16218
the municipal corporation's resolutions, ordinances, or rules." 16219
The person shall sign the affidavit under penalty of perjury. 16220

(c) If a person submits an affidavit described in division 16221
~~(N)(L)~~(2) of this section, the tax administrator shall not require 16222
the person to file any tax return for the taxable year unless the 16223
tax administrator possesses information that conflicts with the 16224
affidavit or if the circumstances described in the affidavit 16225
change. Nothing in division ~~(N)(L)~~ of this section prohibits the 16226
tax administrator from performing an audit of the person. 16227

Sec. 718.051. (A) Any ~~taxpayer subject to municipal income~~ 16228
~~taxation with respect to the taxpayer's net profit from a business~~ 16229
~~or profession may file any municipal income tax return, estimated~~ 16230
~~municipal income tax return, or extension for filing a municipal~~ 16231
~~income tax return, and may make payment of amounts shown to be due~~ 16232
~~on such returns, by using the Ohio business gateway.~~ 16233

~~(B)~~ Any employer, agent of an employer, or other payer may 16234
report the amount of municipal income tax withheld from qualifying 16235
wages, and may make remittance of such amounts, by using the Ohio 16236
business gateway. 16237

~~(C)~~(B) Nothing in this section affects the due dates for 16238
filing employer withholding tax returns. 16239

~~(D)~~(C) No municipal corporation shall be required to pay any 16240
fee or charge for the operation or maintenance of the Ohio 16241
business gateway. 16242

~~(E)~~(D) The use of the Ohio business gateway by municipal 16243
corporations, taxpayers, or other persons pursuant to this section 16244
does not affect the legal rights of municipalities or taxpayers as 16245
otherwise permitted by law. This state shall not be a party to the 16246
administration of municipal income taxes or to an appeal of a 16247
municipal income tax matter, except as otherwise specifically 16248
provided by law. 16249

~~(F)~~(E)(1) The ~~tax commissioner~~ chairperson of the Ohio 16250

business gateway steering committee shall adopt rules 16251
establishing: 16252

(a) The format of documents to be used by taxpayers to file 16253
returns and make payments through the Ohio business gateway; and 16254

(b) The information taxpayers must submit when filing 16255
municipal income tax returns through the Ohio business gateway. 16256

The ~~commissioner~~ chairperson shall not adopt rules under this 16257
division that conflict with the requirements of section 718.05 of 16258
the Revised Code. 16259

(2) The ~~commissioner~~ chairperson shall consult with the Ohio 16260
business gateway steering committee before adopting the rules 16261
described in division ~~(F)~~(E)(1) of this section. 16262

~~(G)~~(F) Nothing in this section shall be construed as limiting 16263
or removing the authority of any municipal corporation to 16264
administer, audit, and enforce the provisions of its municipal 16265
income tax. 16266

Sec. 718.08. (A) As used in this section: 16267

(1) "Estimated taxes" means the amount that the taxpayer 16268
reasonably estimates to be the taxpayer's tax liability for a 16269
municipal corporation's income tax for the current taxable year. 16270

(2) "Tax liability" means the total taxes due to a municipal 16271
corporation for the taxable year, after allowing any credit to 16272
which the taxpayer is entitled, and after applying any estimated 16273
tax payment, withholding payment, or credit from another taxable 16274
year. 16275

(B)(1) Except as provided in division (F) of this section, 16276
every taxpayer shall make a declaration of estimated taxes for the 16277

(2) When an amended declaration has been filed, the unpaid 16335
balance shown due on the amended declaration shall be paid in 16336
equal installments on or before the remaining payment dates. 16337

(3) On or before the fifteenth day of the fourth month of the 16338
year following that for which the declaration or amended 16339
declaration was filed, an annual return shall be filed and any 16340

accordance with section 718.05 of the Revised Code. 16342

(D)(1) In the case of any underpayment of any portion of a 16343
tax liability, penalty and interest may be imposed pursuant to 16344
section 718.27 of the Revised Code upon the amount of underpayment 16345
for the period of underpayment, unless the underpayment is due to 16346
reasonable cause as described in division (E) of this section. The 16347
amount of the underpayment shall be determined as follows: 16348

(a) For the first payment of estimated taxes each year, 16349
twenty-two and one-half per cent of the tax liability, less the 16350
amount of taxes paid by the date prescribed for that payment; 16351

(2) The period of the underpayment shall run from the day the 16361
estimated payment was required to be made to the date on which the 16362
payment is made. For purposes of this section, a payment of 16363
estimated taxes on or before any payment date shall be considered 16364
a payment of any previous underpayment only to the extent the 16365
payment of estimated taxes exceeds the amount of the payment 16366
presently required to be paid to avoid any penalty. 16367

(E) An underpayment of any portion of tax liability 16368
determined under division (D) of this section shall be due to 16369

be added to the taxes for the taxable year if any of the following 16371
apply: 16372

(1) The amount of estimated taxes that were paid equals at 16373
least ninety per cent of the tax liability for the current taxable 16374
year, determined by annualizing the income received during the 16375
year up to the end of the month immediately preceding the month in 16376
which the payment is due. 16377

(2) The amount of estimated taxes that were paid equals at 16378
least one hundred per cent of the tax liability shown on the 16379

(F)(1) A tax administrator may waive the requirement for 16389
filing a declaration of estimated taxes for any class of taxpayers 16390
after finding that the waiver is reasonable and proper in view of 16391
administrative costs and other factors. 16392

(2) A municipal corporation may, by ordinance or rule, waive 16393
the requirement for filing a declaration of estimated taxes for 16394

computations, or attachments required in the taxpayer's annual 16541
return that are affected, either directly or indirectly, by the 16542
adjustment to the taxpayer's federal or state income tax return 16543
unless it is also filed within the time prescribed in section 16544
718.19 of the Revised Code. Except as set forth in division (C)(2) 16545
of this section, the request shall not reopen those facts, 16546

either directly or indirectly, by the adjustment to the taxpayer's 16548
federal or state income tax return. 16549

within a certain time, and if the person proposing the action or 17053
transaction is required to submit an application or notice to the 17054
superintendent, then the time in which the superintendent must 17055

loan associations, and savings banks, but prior to establishing 17111
the schedule of assessments under this division necessary to fund 17112

current year's schedule to banks, savings and loan associations, 17121
and savings banks doing business under authority granted by the 17122
superintendent, or their successors in interest. 17123

If during the period between the banking commission's 17124
confirmation of the schedule of assessments and the completion of 17125
the fiscal year in which those assessments will be collected, the 17126
banking commission determines additional money is required to 17127
adequately fund the operations of the division of financial 17128
institutions for that fiscal year, the banking commission may, by 17129
the affirmative vote of two-thirds of its members, increase the 17130

state, on the written order of the chief, all or any portion of 17545
the cash, securities, certificates of deposit, or letters of 17546
credit upon depositing with the treasurer of state cash, other 17547
United States government securities, or other negotiable 17548
certificates of deposit or irrevocable letters of credit issued by 17549
any bank organized or transacting business in this state, equal in 17550
par value to the par value of the cash, securities, certificates 17551
of deposit, or letters of credit withdrawn. 17552

A bidder may demand and receive from the treasurer of state 17553
all interest or other income from any such securities or 17554
certificates as it becomes due. If securities so deposited with 17555
and in the possession of the treasurer of state mature or are 17556
called for payment by their issuer, the treasurer of state, at the 17557
request of the bidder who deposited them, shall convert the 17558
proceeds of the redemption or payment of the securities into other 17559
United States government securities, negotiable certificates of 17560
deposit, or cash as the bidder designates. 17561

When the chief finds that a person or governmental agency has 17562
failed to comply with the conditions of the person's or 17563
governmental agency's bond, the chief shall make a finding of that 17564
fact and declare the bond, cash, securities, certificates, or 17565
letters of credit forfeited. The chief thereupon shall certify the 17566
total forfeiture to the attorney general, who shall proceed to 17567
collect the amount of the bond, cash, securities, certificates, or 17568
letters of credit. 17569

In lieu of total forfeiture, the surety, at its option, may 17570
cause the timber sale to be completed or pay to the treasurer of 17571
state the cost thereof. 17572

All moneys collected as a result of forfeitures of bonds, 17573
cash, securities, certificates, and letters of credit under this 17574
section shall be credited to the state forest fund created in this 17575
section. 17576

(C) The chief may grant easements and leases on portions of 17577
the state forest lands and state forest nurseries under terms that 17578
are advantageous to the state, and the chief may grant mineral 17579
rights on a royalty basis on those lands and nurseries, with the 17580
approval of the attorney general and the director. 17581

(D) All moneys received from the sale of state forest lands, 17582
or in payment for easements or leases on or as rents from those 17583
lands or from state forest nurseries, shall be paid into the state 17584
treasury to the credit of the state forest fund, which is hereby 17585
created. In addition, all moneys received from federal grants, 17586
payments, and reimbursements, from the sale of reforestation tree 17587
stock, from the sale of forest products, other than standing 17588
timber, and from the sale of minerals taken from the state forest 17589
lands and state forest nurseries, together with royalties from 17590
mineral rights, shall be paid into the state treasury to the 17591
credit of the state forest fund. Any other revenues derived from 17592
the operation of the state forests and related facilities or 17593
equipment also shall be paid into the state treasury to the credit 17594
of the state forest fund, as shall contributions received for the 17595
issuance of Smokey Bear license plates under section 4503.574 of 17596
the Revised Code and any other moneys required by law to be 17597
deposited in the fund. 17598

The state forest fund shall not be expended for any purpose 17599
other than the administration, operation, maintenance, 17600
development, or utilization of the state forests, forest 17601
nurseries, and forest programs, for facilities or equipment 17602
incident to them, ~~or~~ for the further purchase of lands for state 17603
forest or forest nursery purposes, or for wildfire suppression 17604

payments and, in the case of contributions received pursuant to 17605
section 4503.574 of the Revised Code, for fire prevention 17606
purposes. 17607

All moneys received from the sale of standing timber taken 17608
from state forest lands and state forest nurseries shall be 17609
deposited into the state treasury to the credit of the forestry 17610
holding account redistribution fund, which is hereby created. The 17611
moneys shall remain in the fund until they are redistributed in 17612
accordance with this division. 17613

The redistribution shall occur at least once each year. To 17614
begin the redistribution, the chief first shall determine the 17615
amount of all standing timber sold from state forest lands and 17616
state forest nurseries, together with the amount of the total sale 17617
proceeds, in each county, in each township within the county, and 17618
in each school district within the county. The chief next shall 17619
determine the amount of the direct costs that the division of 17620
forestry incurred in association with the sale of that standing 17621
timber. The amount of the direct costs shall be subtracted from 17622
the amount of the total sale proceeds and shall be transferred 17623
from the forestry holding account redistribution fund to the state 17624
forest fund. 17625

The remaining amount of the total sale proceeds equals the 17626
net value of the standing timber that was sold. The chief shall 17627
determine the net value of standing timber sold from state forest 17628
lands and state forest nurseries in each county, in each township 17629
within the county, and in each school district within the county 17630
and shall send to each county treasurer a copy of the 17631
determination at the time that moneys are paid to the county 17632
treasurer under this division. 17633

Thirty-five per cent of the net value of standing timber sold 17634
from state forest lands and state forest nurseries located in a 17635
county shall be transferred from the forestry holding account 17636

redistribution fund to the state forest fund. The remaining 17637
sixty-five per cent of the net value shall be transferred from the 17638
forestry holding account redistribution fund and paid to the 17639
county treasurer for the use of the general fund of that county. 17640

The county auditor shall do all of the following: 17641

(1) Retain for the use of the general fund of the county 17642
one-fourth of the amount received by the county under division (D) 17643
of this section; 17644

(2) Pay into the general fund of any township located within 17645
the county and containing such lands and nurseries one-fourth of 17646
the amount received by the county from standing timber sold from 17647
lands and nurseries located in the township; 17648

(3) Request the board of education of any school district 17649
located within the county and containing such lands and nurseries 17650
to identify which fund or funds of the district should receive the 17651
moneys available to the school district under division (D)(3) of 17652
this section. After receiving notice from the board, the county 17653
auditor shall pay into the fund or funds so identified one-half of 17654
the amount received by the county from standing timber sold from 17655
lands and nurseries located in the school district, distributed 17656
proportionately as identified by the board. 17657

The division of forestry shall not supply logs, lumber, or 17658
other forest products or minerals, taken from the state forest 17659
lands or state forest nurseries, to any other agency or 17660
subdivision of the state unless payment is made therefor in the 17661
amount of the actual prevailing value thereof. This section is 17662
applicable to the moneys so received. 17663

(E) The chief may enter into a personal service contract for 17664
consulting services to assist the chief with the sale of timber or 17665
other forest products and related inventory. Compensation for 17666
consulting services shall be paid from the proceeds of the sale of 17667

timber or other forest products and related inventory that are the 17668
subject of the personal service contract. 17669

Sec. 1509.02. There is hereby created in the department of 18011
natural resources the division of oil and gas resources 18012
management, which shall be administered by the chief of the 18013
division of oil and gas resources management. The division has 18014
sole and exclusive authority to regulate the permitting, location, 18015
and spacing of oil and gas wells and production operations within 18016
the state, excepting only those activities regulated under federal 18017
laws for which oversight has been delegated to the environmental 18018
protection agency and activities regulated under sections 6111.02 18019
to 6111.028 of the Revised Code. The regulation of oil and gas 18020
activities is a matter of general statewide interest that requires 18021
uniform statewide regulation, and this chapter and rules adopted 18022
under it constitute a comprehensive plan with respect to all 18023
aspects of the locating, drilling, well stimulation, completing, 18024
and operating of oil and gas wells within this state, including 18025
site construction and restoration, permitting related to those 18026
activities, and the disposal of wastes from those wells. In order 18027
to assist the division in the furtherance of its sole and 18028
exclusive authority as established in this section, the chief may 18029
enter into cooperative agreements with other state agencies for 18030
advice and consultation, including visitations at the surface 18031
location of a well on behalf of the division. Such cooperative 18032
agreements do not confer on other state agencies any authority to 18033
administer or enforce this chapter and rules adopted under it. In 18034

addition, such cooperative agreements shall not be construed to 18035
dilute or diminish the division's sole and exclusive authority as 18036
established in this section. Nothing in this section affects the 18037
authority granted to the director of transportation and local 18038
authorities in section 723.01 or 4513.34 of the Revised Code, 18039
provided that the authority granted under those sections shall not 18040
be exercised in a manner that discriminates against, unfairly 18041
impedes, or obstructs oil and gas activities and operations 18042
regulated under this chapter. 18043

The chief shall not hold any other public office, nor shall 18044
the chief be engaged in any occupation or business that might 18045
interfere with or be inconsistent with the duties as chief. 18046

~~Revised Code~~, all civil penalties paid under section 1509.33 of 18052
the Revised Code, and, notwithstanding any section of the Revised 18053
Code relating to the distribution or crediting of fines for 18054
violations of the Revised Code, all fines imposed under divisions 18055
(A) and (B) of section 1509.99 of the Revised Code and fines 18056
imposed under divisions (C) and (D) of section 1509.99 of the 18057
Revised Code for all violations prosecuted by the attorney general 18058
and for violations prosecuted by prosecuting attorneys that do not 18059
involve the transportation of brine by vehicle shall be deposited 18060
into the state treasury to the credit of the oil and gas well 18061
fund, which is hereby created. Fines imposed under divisions (C) 18062
and (D) of section 1509.99 of the Revised Code for violations 18063

transportation of brine by vehicle and penalties associated with a 18065
compliance agreement entered into pursuant to this chapter shall 18066

be paid to the county treasury of the county where the violation 18067
occurred. 18068

The fund shall be used solely and exclusively for the 18069
purposes enumerated in division (B) of section 1509.071 of the 18070
Revised Code, for the expenses of the division associated with the 18071
administration of this chapter and Chapter 1571. of the Revised 18072
Code and rules adopted under them, and for expenses that are 18073
critical and necessary for the protection of human health and 18074
safety and the environment related to oil and gas production in 18075
this state. The expenses of the division in excess of the moneys 18076
available in the fund shall be paid from general revenue fund 18077
appropriations to the department. 18078

Sec. 1509.071. (A) When the chief of the division of oil and 18079
gas resources management finds that an owner has failed to comply 18080
with a final nonappealable order issued or compliance agreement 18081
entered into under section 1509.04, the restoration requirements 18082
of section 1509.072, plugging requirements of section 1509.12, or 18083
permit provisions of section 1509.13 of the Revised Code, or rules 18084
and orders relating thereto, the chief shall make a finding of 18085
that fact and declare any surety bond filed to ensure compliance 18086
with those sections and rules forfeited in the amount set by rule 18087
of the chief. The chief thereupon shall certify the total 18088
forfeiture to the attorney general, who shall proceed to collect 18089
the amount of the forfeiture. In addition, the chief may require 18090
an owner, operator, producer, or other person who forfeited a 18091
surety bond to post a new surety bond in the amount of fifteen 18092
thousand dollars for a single well, thirty thousand dollars for 18093
two wells, or fifty thousand dollars for three or more wells. 18094

In lieu of total forfeiture, the surety or owner, at the 18095
surety's or owner's option, may cause the well to be properly 18096
plugged and abandoned and the area properly restored or pay to the 18097

treasurer of state the cost of plugging and abandonment. 18098

(B) All moneys collected because of forfeitures of bonds as 18099
provided in this section shall be deposited in the state treasury 18100
to the credit of the oil and gas well fund created in section 18101
1509.02 of the Revised Code. 18102

The chief ~~annually shall spend not less than fourteen per~~ 18103
~~cent of the revenue credited to~~ may expend money in the fund 18104
~~during the previous fiscal year~~ for the following purposes: 18105

(1) In accordance with division (D) of this section, to plug 18106
idle and orphaned wells or to restore the land surface properly as 18107
required in section 1509.072 of the Revised Code; 18108

(2) In accordance with division (E) of this section, to 18109
correct conditions that the chief reasonably has determined are 18110
causing imminent health or safety risks at an idle and orphaned 18111
well or a well for which the owner cannot be contacted in order to 18112
initiate a corrective action within a reasonable period of time as 18113
determined by the chief. 18114

Expenditures from the fund shall be made only for lawful 18115
purposes. In addition, expenditures from the fund shall not be 18116
made to purchase real property or to remove a dwelling in order to 18117
access a well. 18118

(C)(1) Upon determining that the owner of a well has failed 18119
to properly plug and abandon it or to properly restore the land 18120
surface at the well site in compliance with the applicable 18121
requirements of this chapter and applicable rules adopted and 18122
orders issued under it or that a well is an abandoned well for 18123
which no funds are available to plug the well in accordance with 18124
this chapter, the chief shall do all of the following: 18125

(a) Determine from the records in the office of the county 18126
recorder of the county in which the well is located the identity 18127
of the owner of the land on which the well is located, the 18128

identity of the owner of the oil or gas lease under which the well 18129
was drilled or the identity of each person owning an interest in 18130
the lease, and the identities of the persons having legal title 18131
to, or a lien upon, any of the equipment appurtenant to the well; 18132

(b) Mail notice to the owner of the land on which the well is 18133
located informing the landowner that the well is to be plugged. If 18134
the owner of the oil or gas lease under which the well was drilled 18135
is different from the owner of the well or if any persons other 18136
than the owner of the well own interests in the lease, the chief 18137
also shall mail notice that the well is to be plugged to the owner 18138
of the lease or to each person owning an interest in the lease, as 18139
appropriate. 18140

(c) Mail notice to each person having legal title to, or a 18141
lien upon, any equipment appurtenant to the well, informing the 18142
person that the well is to be plugged and offering the person the 18143
opportunity to plug the well and restore the land surface at the 18144
well site at the person's own expense in order to avoid forfeiture 18145
of the equipment to this state. 18146

(2) If none of the persons described in division (C)(1)(c) of 18147
this section plugs the well within sixty days after the mailing of 18148
the notice required by that division, all equipment appurtenant to 18149
the well is hereby declared to be forfeited to this state without 18150
compensation and without the necessity for any action by the state 18151
for use to defray the cost of plugging and abandoning the well and 18152
restoring the land surface at the well site. 18153

(D) Expenditures from the fund for the purpose of division 18154
(B)(1) of this section shall be made in accordance with either of 18155
the following: 18156

(1) The expenditures may be made pursuant to contracts 18157
entered into by the chief with persons who agree to furnish all of 18158
the materials, equipment, work, and labor as specified and 18159

provided in such a contract for activities associated with the 18160
restoration or plugging of a well as determined by the chief. The 18161
activities may include excavation to uncover a well, geophysical 18162
methods to locate a buried well when clear evidence of leakage 18163
from the well exists, cleanout of wellbores to remove material 18164
from a failed plugging of a well, plugging operations, 18165
installation of vault and vent systems, including associated 18166
engineering certifications and permits, restoration of property, 18167
and repair of damage to property that is caused by such 18168
activities. Expenditures shall not be used for salaries, 18169
maintenance, equipment, or other administrative purposes, except 18170
for costs directly attributed to the plugging of an idle and 18171
orphaned well. Agents or employees of persons contracting with the 18172
chief for a restoration or plugging project may enter upon any 18173
land, public or private, on which the well is located for the 18174
purpose of performing the work. Prior to such entry, the chief 18175
shall give to the following persons written notice of the 18176
existence of a contract for a project to restore or plug a well, 18177
the names of the persons with whom the contract is made, and the 18178
date that the project will commence: the owner of the well, the 18179
owner of the land upon which the well is located, the owner or 18180
agents of adjoining land, and, if the well is located in the same 18181
township as or in a township adjacent to the excavations and 18182
workings of a mine and the owner or lessee of that mine has 18183
provided written notice identifying those townships to the chief 18184
at any time during the immediately preceding three years, the 18185
owner or lessee of the mine. 18186

(2)(a) The owner of the land on which a well is located who 18187
has received notice under division (C)(1)(b) of this section may 18188
plug the well and be reimbursed by the division of oil and gas 18189
resources management for the reasonable cost of plugging the well. 18190
In order to plug the well, the landowner shall submit an 18191
application to the chief on a form prescribed by the chief and 18192

approved by the technical advisory council on oil and gas created 18193
in section 1509.38 of the Revised Code. The application, at a 18194
minimum, shall require the landowner to provide the same 18195
information as is required to be included in the application for a 18196
permit to plug and abandon under section 1509.13 of the Revised 18197
Code. The application shall be accompanied by a copy of a proposed 18198
contract to plug the well prepared by a contractor regularly 18199
engaged in the business of plugging oil and gas wells. The 18200
proposed contract shall require the contractor to furnish all of 18201
the materials, equipment, work, and labor necessary to plug the 18202
well properly and shall specify the price for doing the work, 18203
including a credit for the equipment appurtenant to the well that 18204
was forfeited to the state through the operation of division 18205
(C)(2) of this section. Expenditures under division (D)(2)(a) of 18206
this section shall be consistent with the expenditures for 18207
activities described in division (D)(1) of this section. The 18208
application also shall be accompanied by the permit fee required 18209
by section 1509.13 of the Revised Code unless the chief, in the 18210
chief's discretion, waives payment of the permit fee. The 18211
application constitutes an application for a permit to plug and 18212
abandon the well for the purposes of section 1509.13 of the 18213
Revised Code. 18214

(b) Within thirty days after receiving an application and 18215
accompanying proposed contract under division (D)(2)(a) of this 18216
section, the chief shall determine whether the plugging would 18217
comply with the applicable requirements of this chapter and 18218
applicable rules adopted and orders issued under it and whether 18219
the cost of the plugging under the proposed contract is 18220
reasonable. If the chief determines that the proposed plugging 18221
would comply with those requirements and that the proposed cost of 18222
the plugging is reasonable, the chief shall notify the landowner 18223
of that determination and issue to the landowner a permit to plug 18224
and abandon the well under section 1509.13 of the Revised Code. 18225

Upon approval of the application and proposed contract, the chief 18226
shall transfer ownership of the equipment appurtenant to the well 18227
to the landowner. The chief may disapprove an application 18228
submitted under division (D)(2)(a) of this section if the chief 18229
determines that the proposed plugging would not comply with the 18230
applicable requirements of this chapter and applicable rules 18231
adopted and orders issued under it, that the cost of the plugging 18232
under the proposed contract is unreasonable, or that the proposed 18233
contract is not a bona fide, arm's length contract. 18234

(c) After receiving the chief's notice of the approval of the 18235
application and permit to plug and abandon a well under division 18236
(D)(2)(b) of this section, the landowner shall enter into the 18237
proposed contract to plug the well. 18238

(d) Upon determining that the plugging has been completed in 18239
compliance with the applicable requirements of this chapter and 18240
applicable rules adopted and orders issued under it, the chief 18241
shall reimburse the landowner for the cost of the plugging as set 18242
forth in the proposed contract approved by the chief. The 18243
reimbursement shall be paid from the oil and gas well fund. If the 18244
chief determines that the plugging was not completed in accordance 18245
with the applicable requirements, the chief shall not reimburse 18246
the landowner for the cost of the plugging, and the landowner or 18247
the contractor, as applicable, promptly shall transfer back to 18248
this state title to and possession of the equipment appurtenant to 18249
the well that previously was transferred to the landowner under 18250
division (D)(2)(b) of this section. If any such equipment was 18251
removed from the well during the plugging and sold, the landowner 18252
shall pay to the chief the proceeds from the sale of the 18253
equipment, and the chief promptly shall pay the moneys so received 18254
to the treasurer of state for deposit into the oil and gas well 18255
fund. 18256

The chief may establish an annual limit on the number of 18257

wells that may be plugged under division (D)(2) of this section or 18258
an annual limit on the expenditures to be made under that 18259
division. 18260

As used in division (D)(2) of this section, "plug" and 18261
"plugging" include the plugging of the well and the restoration of 18262
the land surface disturbed by the plugging. 18263

(E) Expenditures from the oil and gas well fund for the 18264
purpose of division (B)(2) of this section may be made pursuant to 18265
contracts entered into by the chief with persons who agree to 18266
furnish all of the materials, equipment, work, and labor as 18267
specified and provided in such a contract. The competitive bidding 18268
requirements of Chapter 153. of the Revised Code do not apply if 18269
the chief reasonably determines that an emergency situation exists 18270
requiring immediate action for the correction of the applicable 18271
health or safety risk. A contract or purchase of materials for 18272
purposes of addressing the emergency situation is not subject to 18273
division (B) of section 127.16 of the Revised Code. The chief, 18274
designated representatives of the chief, and agents or employees 18275
of persons contracting with the chief under this division may 18276
enter upon any land, public or private, for the purpose of 18277
performing the work. 18278

(F) Contracts entered into by the chief under this section 18279
are not subject to any of the following: 18280

(1) Chapter 4115. of the Revised Code; 18281

(2) Section 153.54 of the Revised Code, except that the 18282
contractor shall obtain and provide to the chief as a bid guaranty 18283
a surety bond or letter of credit in an amount equal to ten per 18284
cent of the amount of the contract; 18285

(3) Section 4733.17 of the Revised Code. 18286

(G) The owner of land on which a well is located who has 18287
received notice under division (C)(1)(b) of this section, in lieu 18288

of plugging the well in accordance with division (D)(2) of this 18289
section, may cause ownership of the well to be transferred to an 18290
owner who is lawfully doing business in this state and who has met 18291
the financial responsibility requirements established under 18292
section 1509.07 of the Revised Code, subject to the approval of 18293
the chief. The transfer of ownership also shall be subject to the 18294
landowner's filing the appropriate forms required under section 18295
1509.31 of the Revised Code and providing to the chief sufficient 18296
information to demonstrate the landowner's or owner's right to 18297
produce a formation or formations. That information may include a 18298
deed, a lease, or other documentation of ownership or property 18299
rights. 18300

The chief shall approve or disapprove the transfer of 18301
ownership of the well. If the chief approves the transfer, the 18302
owner is responsible for operating the well in accordance with 18303
this chapter and rules adopted under it, including, without 18304
limitation, all of the following: 18305

(1) Filing an application with the chief under section 18306
1509.06 of the Revised Code if the owner intends to drill deeper 18307
or produce a formation that is not listed in the records of the 18308
division for that well; 18309

(2) Taking title to and possession of the equipment 18310
appurtenant to the well that has been identified by the chief as 18311
having been abandoned by the former owner; 18312

(3) Complying with all applicable requirements that are 18313
necessary to drill deeper, plug the well, or plug back the well. 18314

(H) The chief shall issue an order that requires the owner of 18315
a well to pay the actual documented costs of a corrective action 18316
that is described in division (B)(2) of this section concerning 18317
the well. The chief shall transmit the money so recovered to the 18318
treasurer of state who shall deposit the money in the state 18319

treasury to the credit of the oil and gas well fund. 18320

(I) The chief may engage in cooperative projects under this 18321
section with any agency of this state, another state, or the 18322
United States; any other governmental agencies; or any state 18323
university or college as defined in section 3345.27 of the Revised 18324
Code. A contract entered into for purposes of a cooperative 18325
project is not subject to division (B) of section 127.16 of the 18326
Revised Code. 18327

Sec. 1509.11. (A)(1)(a) The owner of any well, except a 18328
horizontal well, that is producing or capable of producing oil or 18329
gas shall file with the chief of the division of oil and gas 18330
resources management, on or before the thirty-first day of March, 18331
a statement of production of oil, gas, and brine for the last 18332
preceding calendar year in such form as the chief may prescribe. 18333
An owner that has more than one hundred such wells in this state 18334
shall submit electronically the statement of production in a 18335
format that is approved by the chief. 18336

(b) The owner of an exempt domestic well designated as an 18337
exempt domestic well on or after June 30, 2010, shall remit a fee 18338
of sixty dollars for each such well to the director of the 18339
department of natural resources or the director's designee on or 18340
before the thirty-first day of March of each year, together with 18341
the annual statement filed in accordance with division (A)(1)(a) 18342
of this section or with another form prescribed by the director 18343
for that purpose. Fees collected under this division shall be 18344
credited to the oil and gas well fund. 18345

(2) The owner of any horizontal well that is producing or 18346
capable of producing oil or gas shall file with the chief, on the 18347
forty-fifth day following the close of each calendar quarter, a 18348
statement of production of oil, gas, and brine for the preceding 18349
calendar quarter in a form that the chief prescribes. An owner 18350

that has more than one hundred horizontal wells in this state 18351
shall submit electronically the statement of production in a 18352
format that is approved by the chief. 18353

(B) The chief shall not disclose information received from 18354
the department of taxation under division (C)(12) of section 18355
5703.21 of the Revised Code until the related statement of 18356
production required by division (A) of this section is filed with 18357
the chief. 18358

Sec. 1509.34. (A)(1) If an owner fails to pay the fees 18359
imposed by this chapter, or if the chief of the division of oil 18360
and gas resources management incurs costs under division (E) of 18361
section 1509.071 of the Revised Code to correct conditions 18362
associated with the owner's well that the chief reasonably has 18363
determined are causing imminent health or safety risks, the 18364
division of oil and gas resources management shall have a priority 18365
lien against that owner's interest in the applicable well in front 18366
of all other creditors for the amount of any such unpaid fees and 18367
costs incurred. The chief shall file a statement in the office of 18368
the county recorder of the county in which the applicable well is 18369
located of the amount of the unpaid fees and costs incurred as 18370
described in this division. The statement shall constitute a lien 18371
on the owner's interest in the well as of the date of the filing. 18372
The lien shall remain in force so long as any portion of the lien 18373
remains unpaid or until the chief issues a certificate of release 18374
of the lien. If the chief issues a certificate of release of the 18375
lien, the chief shall file the certificate of release in the 18376
office of the applicable county recorder. 18377

(2) A lien imposed under division (A)(1) of this section 18378
shall be in addition to any lien imposed by the attorney general 18379
for failure to pay the assessment imposed by former section 18380
1509.50 of the Revised Code or the tax levied under division 18381

(A)(5) ~~or (6)~~ to (8) of section 5749.02 of the Revised Code, as 18382
applicable. 18383

(3) If the attorney general cannot collect from a severer or 18384
an owner for an outstanding balance of amounts due under former 18385
section 1509.50 of the Revised Code or of unpaid taxes levied 18386
under ~~division~~ divisions (A)(5) ~~or (6)~~ to (8) of section 5749.02 18387
of the Revised Code, as applicable, the tax commissioner may 18388
request the chief to impose a priority lien against the owner's 18389
interest in the applicable well. Such a lien has priority in front 18390
of all other creditors. 18391

(B) The chief promptly shall issue a certificate of release 18392
of a lien under either of the following circumstances: 18393

(1) Upon the repayment in full of the amount of unpaid fees 18394
imposed by this chapter or costs incurred by the chief under 18395
division (E) of section 1509.071 of the Revised Code to correct 18396
conditions associated with the owner's well that the chief 18397
reasonably has determined are causing imminent health or safety 18398
risks; 18399

(2) Any other circumstance that the chief determines to be in 18400
the best interests of the state. 18401

(C) The chief may modify the amount of a lien under this 18402
section. If the chief modifies a lien, the chief shall file a 18403
statement in the office of the county recorder of the applicable 18404
county of the new amount of the lien. 18405

(D) An owner regarding which the division has recorded a lien 18406
against the owner's interest in a well in accordance with this 18407
section shall not transfer a well, lease, or mineral rights to 18408
another owner or person until the chief issues a certificate of 18409
release for each lien against the owner's interest in the well. 18410

(E) All money from the collection of liens under this section 18411
shall be deposited in the state treasury to the credit of the oil 18412

and gas well fund created in section 1509.02 of the Revised Code. 18413

(F) As used in this section, "former section 1509.50 of the 18414
Revised Code" means section 1509.50 of the Revised Code as it 18415
existed before its repeal by ...B... of the 132nd general 18416
assembly. 18417

Sec. 1513.08. (A) After a coal mining and reclamation permit 18418
application has been approved, the applicant shall file with the 18419
chief of the division of mineral resources management, on a form 18420
prescribed and furnished by the chief, the performance security 18421
required under this section that shall be payable to the state and 18422
conditioned on the faithful performance of all the requirements of 18423
this chapter and rules adopted under it and the terms and 18424
conditions of the permit. 18425

(B) Using the information contained in the permit 18426
application; the requirements contained in the approved permit and 18427
reclamation plan; and, after considering the topography, geology, 18428
hydrology, and revegetation potential of the area of the approved 18429
permit, the probable difficulty of reclamation; the chief shall 18430
determine the estimated cost of reclamation under the initial term 18431
of the permit if the reclamation has to be performed by the 18432
division of mineral resources management in the event of 18433
forfeiture of the performance security by the applicant. The chief 18434
shall send written notice of the amount of the estimated cost of 18435
reclamation by certified mail to the applicant. The applicant 18436
shall send written notice to the chief indicating the method by 18437
which the applicant will provide the performance security pursuant 18438
to division (C) of this section. 18439

(C) The applicant shall provide the performance security in 18440
an amount using one of the following: 18441

(1) If the applicant elects to provide performance security 18442
without reliance on the reclamation forfeiture fund created in 18443

section 1513.18 of the Revised Code, the amount of the estimated 18444
cost of reclamation as determined by the chief under division (B) 18445
of this section for the increments of land on which the operator 18446
will conduct a coal mining and reclamation operation under the 18447
initial term of the permit as indicated in the application; 18448

(2) If the applicant elects to provide performance security 18449
together with reliance on the reclamation forfeiture fund through 18450
payment of the additional tax on the severance of coal that is 18451
levied under division (A)~~(8)~~(10) of section 5749.02 of the Revised 18452
Code, an amount of twenty-five hundred dollars per acre of land on 18453
which the operator will conduct coal mining and reclamation under 18454
the initial term of the permit as indicated in the application. 18455
However, in order for an applicant to be eligible to provide 18456
performance security in accordance with division (C)(2) of this 18457
section, the applicant, an owner and controller of the applicant, 18458
or an affiliate of the applicant shall have held a permit issued 18459
under this chapter for any coal mining and reclamation operation 18460
for a period of not less than five years. In the event of 18461
forfeiture of performance security that was provided in accordance 18462
with division (C)(2) of this section, the difference between the 18463
amount of that performance security and the estimated cost of 18464
reclamation as determined by the chief under division (B) of this 18465
section shall be obtained from money in the reclamation forfeiture 18466
fund as needed to complete the reclamation. 18467

The performance security provided under division (C) of this 18468
section for the entire area to be mined under one permit issued 18469
under this chapter shall not be less than ten thousand dollars. 18470

The performance security shall cover areas of land affected 18471
by mining within or immediately adjacent to the permitted area, so 18472
long as the total number of acres does not exceed the number of 18473
acres for which the performance security is provided. However, the 18474
authority for the performance security to cover areas of land 18475

immediately adjacent to the permitted area does not authorize a 18476
permittee to mine areas outside an approved permit area. As 18477
succeeding increments of coal mining and reclamation operations 18478
are to be initiated and conducted within the permit area, the 18479
permittee shall file with the chief additional performance 18480
security to cover the increments in accordance with this section. 18481
If a permittee intends to mine areas outside the approved permit 18482
area, the permittee shall provide additional performance security 18483
in accordance with this section to cover the areas to be mined. 18484

If an applicant or permittee has not held a permit issued 18485
under this chapter for any coal mining and reclamation operation 18486
for a period of five years or more, the applicant or permittee 18487
shall provide performance security in accordance with division 18488
(C)(1) of this section in the full amount of the estimated cost of 18489
reclamation as determined by the chief for a permitted coal 18490
preparation plant or coal refuse disposal area that is not located 18491
within a permitted area of a mine. If an applicant for a permit 18492
for a coal preparation plant or coal refuse disposal area or a 18493
permittee of a permitted coal preparation plant or coal refuse 18494
disposal area that is not located within a permitted area of a 18495
mine has held a permit issued under this chapter for any coal 18496
mining and reclamation operation for a period of five years or 18497
more, the applicant or permittee may provide performance security 18498
for the coal preparation plant or coal refuse disposal area either 18499
in accordance with division (C)(1) of this section in the full 18500
amount of the estimated cost of reclamation as determined by the 18501
chief or in accordance with division (C)(2) of this section in an 18502
amount of twenty-five hundred dollars per acre of land with 18503
reliance on the reclamation forfeiture fund. If a permittee has 18504
previously provided performance security under division (C)(1) of 18505
this section for a coal preparation plant or coal refuse disposal 18506
area that is not located within a permitted area of a mine and 18507
elects to provide performance security in accordance with division 18508

(C)(2) of this section, the permittee shall submit written notice 18509
to the chief indicating that the permittee elects to provide 18510
performance security in accordance with division (C)(2) of this 18511
section. Upon receipt of such a written notice, the chief shall 18512
release to the permittee the amount of the performance security 18513
previously provided under division (C)(1) of this section that 18514
exceeds the amount of performance security that is required to be 18515
provided under division (C)(2) of this section. 18516

(D) A permittee's liability under the performance security 18517
shall be limited to the obligations established under the permit, 18518
which include completion of the reclamation plan in order to make 18519
the land capable of supporting the postmining land use that was 18520
approved in the permit. The period of liability under the 18521
performance security shall be for the duration of the coal mining 18522
and reclamation operation and for a period coincident with the 18523
operator's responsibility for revegetation requirements under 18524
section 1513.16 of the Revised Code. 18525

(E) The amount of the estimated cost of reclamation 18526
determined under division (B) of this section and the amount of a 18527
permittee's performance security provided in accordance with 18528
division (C)(1) of this section shall be adjusted by the chief as 18529
the land that is affected by mining increases or decreases or if 18530
the cost of reclamation increases or decreases. If the performance 18531
security was provided in accordance with division (C)(2) of this 18532
section and the chief has issued a cessation order under division 18533
(D)(2) of section 1513.02 of the Revised Code for failure to abate 18534
a violation of the contemporaneous reclamation requirement under 18535
division (A)(15) of section 1513.16 of the Revised Code, the chief 18536
may require the permittee to increase the amount of performance 18537
security from twenty-five hundred dollars per acre of land to five 18538
thousand dollars per acre of land. 18539

The chief shall notify the permittee, each surety, and any 18540

person who has a property interest in the performance security and 18541
who has requested to be notified of any proposed adjustment to the 18542
performance security. The permittee may request an informal 18543
conference with the chief concerning the proposed adjustment, and 18544
the chief shall provide such an informal conference. 18545

If the chief increases the amount of performance security 18546
under this division, the permittee shall provide additional 18547
performance security in an amount determined by the chief. If the 18548
chief decreases the amount of performance security under this 18549
division, the chief shall determine the amount of the reduction of 18550
the performance security and send written notice of the amount of 18551
reduction to the permittee. The permittee may reduce the amount of 18552
the performance security in the amount determined by the chief. 18553

(F) A permittee may request a reduction in the amount of the 18554
performance security by submitting to the chief documentation 18555
proving that the amount of the performance security provided by 18556
the permittee exceeds the estimated cost of reclamation if the 18557
reclamation would have to be performed by the division in the 18558
event of forfeiture of the performance security. The chief shall 18559
examine the documentation and determine whether the permittee's 18560
performance security exceeds the estimated cost of reclamation. If 18561
the chief determines that the performance security exceeds that 18562
estimated cost, the chief shall determine the amount of the 18563
reduction of the performance security and send written notice of 18564
the amount to the permittee. The permittee may reduce the amount 18565
of the performance security in the amount determined by the chief. 18566
Adjustments in the amount of performance security under this 18567
division shall not be considered release of performance security 18568
and are not subject to section 1513.16 of the Revised Code. 18569

(G) If the performance security is a bond, it shall be 18570
executed by the operator and a corporate surety licensed to do 18571
business in this state. If the performance security is a cash 18572

deposit or negotiable certificates of deposit of a bank or savings 18573
and loan association, the bank or savings and loan association 18574
shall be licensed and operating in this state. The cash deposit or 18575
market value of the securities shall be equal to or greater than 18576
the amount of the performance security required under this 18577
section. The chief shall review any documents pertaining to the 18578
performance security and approve or disapprove the documents. The 18579
chief shall notify the applicant of the chief's determination. 18580

(H) If the performance security is a bond, the chief may 18581
accept the bond of the applicant itself without separate surety 18582
when the applicant demonstrates to the satisfaction of the chief 18583
the existence of a suitable agent to receive service of process 18584
and a history of financial solvency and continuous operation 18585
sufficient for authorization to self-insure or bond the amount. 18586

(I) Performance security provided under this section may be 18587
held in trust, provided that the state is the primary beneficiary 18588
of the trust and the custodian of the performance security held in 18589
trust is a bank, trust company, or other financial institution 18590
that is licensed and operating in this state. The chief shall 18591
review the trust document and approve or disapprove the document. 18592
The chief shall notify the applicant of the chief's determination. 18593

(J) If a surety, bank, savings and loan association, trust 18594
company, or other financial institution that holds the performance 18595
security required under this section becomes insolvent, the 18596
permittee shall notify the chief of the insolvency, and the chief 18597
shall order the permittee to submit a plan for replacement 18598
performance security within thirty days after receipt of notice 18599
from the chief. If the permittee provided performance security in 18600
accordance with division (C)(1) of this section, the permittee 18601
shall provide the replacement performance security within ninety 18602
days after receipt of notice from the chief. If the permittee 18603
provided performance security in accordance with division (C)(2) 18604

of this section, the permittee shall provide the replacement 18605
performance security within one year after receipt of notice from 18606
the chief, and, for a period of one year after the permittee's 18607
receipt of notice from the chief or until the permittee provides 18608
the replacement performance security, whichever occurs first, 18609
money in the reclamation forfeiture fund shall be the permittee's 18610
replacement performance security in an amount not to exceed the 18611
estimated cost of reclamation as determined by the chief. 18612

(K) If a permittee provided performance security in 18613
accordance with division (C)(1) of this section, the permittee's 18614
responsibility for repairing material damage and replacement of 18615
water supply resulting from subsidence shall be satisfied by 18616
either of the following: 18617

(1) The purchase prior to mining of a noncancelable 18618
premium-prepaid liability insurance policy in lieu of the 18619
permittee's performance security for subsidence damage. The 18620
insurance policy shall contain terms and conditions that 18621
specifically provide coverage for repairing material damage and 18622
replacement of water supply resulting from subsidence. 18623

(2) The provision of additional performance security in the 18624
amount of the estimated cost to the division of mineral resources 18625
management to repair material damage and replace water supplies 18626
resulting from subsidence until the repair or replacement is 18627
completed. However, if such repair or replacement is completed, or 18628
compensation for structures that have been damaged by subsidence 18629
is provided, by the permittee within ninety days of the occurrence 18630
of the subsidence, additional performance security is not 18631
required. In addition, the chief may extend the ninety-day period 18632
for a period not to exceed one year if the chief determines that 18633
the permittee has demonstrated in writing that subsidence is not 18634
complete and that probable subsidence-related damage likely will 18635
occur and, as a result, the completion of repairs of 18636

subsidence-related material damage to lands or protected 18637
structures or the replacement of water supply within ninety days 18638
of the occurrence of the subsidence would be unreasonable. 18639

(L) If the performance security provided in accordance with 18640
this section exceeds the estimated cost of reclamation, the chief 18641
may authorize the amount of the performance security that exceeds 18642
the estimated cost of reclamation together with any interest or 18643
other earnings on the performance security to be paid to the 18644
permittee. 18645

(M) A permittee that held a valid coal mining and reclamation 18646
permit immediately prior to April 6, 2007, shall provide, not 18647
later than a date established by the chief, performance security 18648
in accordance with division (C)(1) or (2) of this section, rather 18649
than in accordance with the law as it existed prior to that date, 18650
by filing it with the chief on a form that the chief prescribes 18651
and furnishes. Accordingly, for purposes of this section, 18652
"applicant" is deemed to include such a permittee. 18653

(N) As used in this section: 18654

(1) "Affiliate of the applicant" means an entity that has a 18655
parent entity in common with the applicant. 18656

(2) "Owner and controller of the applicant" means a person 18657
that has any relationship with the applicant that gives the person 18658
authority to determine directly or indirectly the manner in which 18659
the applicant conducts coal mining operations. 18660

Sec. 1513.18. (A) All money that becomes the property of the 18661
state under division (G) of section 1513.16 of the Revised Code 18662
shall be deposited in the reclamation forfeiture fund, which is 18663
hereby created in the state treasury. Disbursements from the fund 18664
shall be made by the chief of the division of mineral resources 18665
management for the purpose of reclaiming areas of land affected by 18666

coal mining under a coal mining and reclamation permit issued on 18667
or after September 1, 1981, on which an operator has defaulted. 18668

(B) The fund also shall consist of all money from the 18669
collection of liens under section 1513.081 of the Revised Code, 18670
~~any moneys transferred to it under section 1513.181 of the Revised~~ 18671
~~Code from the coal mining and reclamation reserve fund created in~~ 18672
~~that section,~~ all money credited to the fund from the fee levied 18673
by division (F)(8)(c) of section 1513.16 of the Revised Code, 18674
fines collected under division (E) of section 1513.02 and section 18675
1513.99 of the Revised Code, fines collected for a violation of 18676
section 2921.31 of the Revised Code that, prior to July 1, 1996, 18677
would have been a violation of division (G) of section 1513.17 of 18678
the Revised Code as it existed prior to that date, and ~~moneys~~ 18679
money collected and credited to it pursuant to section 5749.02 of 18680
the Revised Code. Disbursements from the fund shall be made by the 18681
chief in accordance with division (D) of this section for the 18682
purpose of reclaiming areas that an operator has affected by 18683
mining and failed to reclaim under a coal mining and reclamation 18684
permit issued under this chapter. 18685

The chief may expend ~~moneys~~ money from the fund to pay 18686
necessary administrative costs, including engineering and design 18687
services, incurred by the division of mineral resources management 18688
in reclaiming these areas. The chief also may expend ~~moneys~~ money 18689
from the fund to pay necessary administrative costs of the 18690
reclamation forfeiture fund advisory board created in section 18691
1513.182 of the Revised Code as authorized by the board under that 18692
section. Expenditures from the fund to pay such administrative 18693
costs need not be made under contract. 18694

(C) Except when paying necessary administrative costs 18695
authorized by division (B) of this section, expenditures from the 18696
fund shall be made under contracts entered into by the chief, with 18697
the approval of the director of natural resources, in accordance 18698

with procedures established by the chief, by rules adopted in 18699
accordance with section 1513.02 of the Revised Code. The chief may 18700
reclaim the land in the same manner as set forth in sections 18701
1513.21 to 1513.24 of the Revised Code. Each contract awarded by 18702
the chief shall be awarded to the lowest responsive and 18703
responsible bidder, in accordance with section 9.312 of the 18704
Revised Code, after sealed bids are received, opened, and 18705
published at the time and place fixed by the chief. The chief 18706
shall publish notice of the time and place at which bids will be 18707
received, opened, and published, at least once and at least ten 18708
days before the date of the opening of the bids, in a newspaper of 18709
general circulation in the county in which the area of land to be 18710
reclaimed under the contract is located. If, after advertising, no 18711
bids are received at the time and place fixed for receiving them, 18712
the chief may advertise again for bids, or, if the chief considers 18713
the public interest will best be served, the chief may enter into 18714
a contract for the reclamation of the area of land without further 18715
advertisement for bids. The chief may reject any or all bids 18716
received and again publish notice of the time and place at which 18717
bids for contracts will be received, opened, and published. The 18718
chief, with the approval of the director, may enter into a 18719
contract with the landowner, a coal mine operator or surface mine 18720
operator mining under a current, valid permit issued under this 18721
chapter or Chapter 1514. of the Revised Code, or a contractor 18722
hired by the surety or trustee, if the performance security is 18723
held in trust, to complete reclamation on land affected by coal 18724
mining on which an operator has defaulted, or with a contractor 18725
hired by the trust administrator of an alternative financial 18726
security that is provided in accordance with division (F)(8) of 18727
section 1513.16 of the Revised Code to provide long-term water 18728
treatment or a long-term alternative water supply on areas 18729
affected by coal mining on which a permittee has defaulted or not 18730
fully funded an alternative financial security, without 18731

advertising for bids. 18732

(D)(1) The chief shall expend money credited to the 18733
reclamation forfeiture fund from the forfeiture of the performance 18734
security applicable to an area of land to pay for the cost of 18735
completing reclamation to the standards established by this 18736
chapter and rules adopted under it. 18737

(2) If the performance security for the area of land was 18738
provided under division (C)(1) of section 1513.08 of the Revised 18739
Code, the chief shall use the money from the forfeited performance 18740
security and any alternative financial security provided under 18741
division (F)(8) of section 1513.16 of the Revised Code to complete 18742
the reclamation that the operator failed to do under the 18743
operator's applicable coal mining and reclamation permit issued 18744
under this chapter. 18745

(3) If the performance security for the area of land was 18746
provided under division (C)(2) of section 1513.08 of the Revised 18747
Code, the chief shall use the money from the forfeited performance 18748
security and any alternative financial security provided under 18749
division (F)(8) of section 1513.16 of the Revised Code to complete 18750
the reclamation that the operator failed to do under the 18751
operator's applicable coal mining and reclamation permit issued 18752
under this chapter. If the money credited to the reclamation 18753
forfeiture fund from the forfeiture of the performance security 18754
provided under division (C)(2) of section 1513.08 of the Revised 18755
Code and any alternative financial security provided under 18756
division (F)(8) of section 1513.16 of the Revised Code is not 18757
sufficient to complete the reclamation to the standards 18758
established by this chapter and rules adopted under it, the chief 18759
shall notify the reclamation forfeiture fund advisory board of the 18760
amount of the insufficiency. The chief may expend money credited 18761
to the reclamation forfeiture fund under section 5749.02 of the 18762
Revised Code, or credited to the reclamation forfeiture fund from 18763

the fee levied by division (F)(8)(c) of section 1513.16 of the Revised Code, ~~or transferred to the fund under section 1513.181 of the Revised Code~~ to complete the reclamation to the standards established by this chapter and rules adopted under it. Except as provided in division (D)(5) of this section, the chief shall not expend money from the fund in an amount that exceeds the difference between the amount of the performance security provided under division (C)(2) of section 1513.08 of the Revised Code and the estimated cost of reclamation as determined by the chief under divisions (B) and (E) of that section.

(4) Except as provided in division (D)(5) of this section, money from the reclamation forfeiture fund shall not be used for reclamation of land or water resources affected by mine drainage that requires extended water treatment after reclamation is completed under the terms of the permit. In addition, money from the reclamation forfeiture fund shall not be used to supplement the performance security of an applicant or permittee that has provided performance security in accordance with division (C)(1) of section 1513.08 of the Revised Code.

(5) If a permittee relies in part on the reclamation forfeiture fund for alternative financial security under division (F)(8)(c) of section 1513.16 of the Revised Code, money from the reclamation forfeiture fund may be used for reclamation of the land or water resources affected by mine drainage that requires water treatment after reclamation is completed under the terms of the permit or an alternative water supply after reclamation is completed under the terms of the permit in an amount not to exceed the balance of the alternative financial security provided by the reclamation forfeiture fund under that division.

(E) The chief shall keep a detailed accounting of the expenditures from the reclamation forfeiture fund to complete reclamation of the land or water resources, as applicable, and,

upon completion of the reclamation, shall certify the expenditures 18796
to the attorney general. Upon the chief's certification of the 18797
expenditures from the reclamation forfeiture fund, the attorney 18798
general shall bring an action for that amount of money. The 18799
operator is liable for that expense in addition to any other 18800
liabilities imposed by law. ~~Moneys~~ Money so recovered shall be 18801
credited to the reclamation forfeiture fund. The chief shall not 18802
postpone the reclamation because of any action brought by the 18803
attorney general under this division. Prior to completing 18804
reclamation, the chief may collect through the attorney general 18805
any additional amount that the chief believes will be necessary 18806
for reclamation in excess of the forfeited performance security 18807
and any alternative financial security amount applicable to the 18808
land or water resources that the operator should have, but failed 18809
to, reclaim. 18810

(F) Except as otherwise provided in division (H) of this 18811
section, if any part of the ~~moneys~~ money in the reclamation 18812
forfeiture fund remains in the fund after the chief has caused the 18813
area of land to be reclaimed and has paid all the reclamation 18814
costs and expenses, the chief may expend those ~~moneys~~ money to 18815
complete other reclamation work performed under this section on 18816
forfeiture areas affected under a coal mining and reclamation 18817
permit issued on or after September 1, 1981. 18818

(G) The chief shall require every contractor performing 18819
reclamation work pursuant to this section to pay workers at the 18820
greater of their regular rate of pay, as established by contract, 18821
agreement, or prior custom or practice, or the average wage rate 18822
paid in this state for the same or similar work as determined by 18823
the chief under section 1513.02 of the Revised Code. 18824

(H) All investment earnings of the fund shall be credited to 18825
the fund and shall be used only for the reclamation of land for 18826
which performance security was provided under division (C)(2) of 18827

section 1513.08 of the Revised Code. 18828

Sec. 1513.182. (A) There is hereby created the reclamation 18829
forfeiture fund advisory board consisting of the director of 18830

security under division (C)(1) of section 1513.08 of the Revised 18839
Code, one shall be a representative of operators of coal mining 18840
operations that have valid permits issued under this chapter and 18841

appointed members shall be for four years, with each term ending 18848
on the same date as the original date of appointment. An appointed 18849
member shall hold office from the date of appointment until the 18850
end of the term for which the member was appointed. Vacancies 18851

performance of their duties as members of the board. The members 18864
appointed by the governor shall receive per diem compensation 18865
fixed pursuant to division (J) of section 124.15 of the Revised 18866
Code and reimbursement for the actual and necessary expenses 18867
incurred in the performance of their duties. 18868

(B) The board annually shall elect from among its members a 18869

the chairperson or a majority of the members determines. 18873

(D) The board shall establish procedures for conducting 18874
meetings and for the election of its chairperson, 18875
vice-chairperson, and secretary. 18876

(E) The board shall do all of the following: 18877

(1) Review the deposits into and expenditures from the 18878
reclamation forfeiture fund created in section 1513.18 of the 18879
Revised Code; 18880

(2) Retain periodically a qualified actuary to perform an 18881
actuarial study of the reclamation forfeiture fund; 18882

(3) Based on an actuarial study and as determined necessary 18883
by the board, adopt rules in accordance with Chapter 119. of the 18884
Revised Code to adjust the rate of the tax levied under division 18885
(A)~~(8)~~(10) of section 5749.02 of the Revised Code and the balance 18886
of the reclamation forfeiture fund that pertains to that rate; 18887

(4) Evaluate any rules, procedures, and methods for 18888
estimating the cost of reclamation for purposes of determining the 18889

amount of performance security that is required under section 18890
1513.08 of the Revised Code; the collection of forfeited 18891
performance security; payments to the reclamation forfeiture fund; 18892
reclamation of sites for which operators have forfeited the 18893
performance security; and the compliance of operators with their 18894
reclamation plans; 18895

(5) Provide a forum for discussion of issues related to the 18896
reclamation forfeiture fund and the performance security that is 18897
required under section 1513.08 of the Revised Code; 18898

(6) Submit a report biennially to the governor that describes 18899
the financial status of the reclamation forfeiture fund and the 18900
adequacy of the amount of money in the fund to accomplish the 18901
purposes of the fund and that may discuss any matter related to 18902
the performance security that is required under section 1513.08 of 18903
the Revised Code; 18904

(7) Make recommendations to the governor, if necessary, of 18905
alternative methods of providing money for or using money in the 18906
reclamation forfeiture fund and issues related to the reclamation 18907
of land or water resources that have been adversely affected by 18908
past coal mining for which the performance security was forfeited; 18909

(8) Adopt rules in accordance with Chapter 119. of the 18910
Revised Code that are necessary to administer this section. 18911

Sec. 1513.20. The chief of the division of mineral resources 18912
management, with the approval of the director of natural 18913
resources, may purchase or acquire by gift, donation, or 18914
contribution any eroded land, including land affected by strip 18915
mining, for which no cash is held in the reclamation forfeiture 18916
fund created by section 1513.18 of the Revised Code. For this 18917
purpose the chief may expend ~~moneys~~ money deposited in the 18918
~~unreclaimed lands~~ mining regulation and safety fund created by 18919
section 1513.30 of the Revised Code. All lands purchased or 18920

acquired shall be deeded to the state, but no deed shall be 18921
accepted or the purchase price paid until the title has been 18922
approved by the attorney general. 18923

Sec. 1513.25. After completion of the reclamation of a tract 18924
of land acquired pursuant to section 1513.20 of the Revised Code, 18925
the chief of the division of mineral resources management may, if 18926
the land is suitable to the uses of any other department, 18927
division, office, or institution of the state, transfer the land 18928
or tract to that department, division, office, or institution, 18929
subject to the approval of the director of natural resources. 18930

With the approval of the attorney general and the director, 18931
the chief may sell any such land or tract, after completion of the 18932
plan of reclamation, when the sale is advantageous to the state. 18933

With the approval of the attorney general and the director, 18934
the chief may grant easements and leases on the land or tract 18935
under terms advantageous to the state, and may grant mineral 18936
rights on a royalty basis. 18937

All ~~moneys~~ money received from the sale of reclaimed lands, 18938
or in payment for easements, leases, or royalties, shall be paid 18939
to the ~~unreclaimed lands~~ mining regulation and safety fund created 18940
in section 1513.30 of the Revised Code. 18941

Sec. 1513.27. As used in this section and sections 1513.28, 18942
1513.30, 1513.31, and 1513.32 of the Revised Code, "damage to 18943
adjacent property" means physical injury or harm to nearby 18944
property caused by the unreclaimed condition of lands mined prior 18945
to April 10, 1972, or pursuant to a license issued prior to April 18946
10, 1972, including, without limitation, injury or harm to 18947
vegetation on adjacent property, pollution of surface or 18948
underground waters on adjacent property, loss or interruption of 18949
water supply on adjacent property, flow of acid water onto or 18950

across adjacent property, flooding of adjacent property, 18951
landslides onto or across adjacent property, erosion of adjacent 18952
property, or deposition of sediment upon adjacent property. Damage 18953
to adjacent property does not include any diminution of the market 18954
value of adjacent property caused exclusively by the visual or 18955
aesthetic appearance of such unreclaimed lands. 18956

The chief of the division of mineral resources management, 18957
with the approval of the director of natural resources, may enter 18958
into a written agreement, which may be in the form of a contract, 18959
with the owner of any unreclaimed land affected by mining before 18960
April 10, 1972, or pursuant to a license issued before April 10, 18961
1972, that causes or may cause pollution of the waters of the 18962
state or damage to adjacent property, is not likely to be mined in 18963
the foreseeable future, and lies within the boundaries of a 18964
project area approved by the chief under section 1513.30 of the 18965
Revised Code, under which the state or its agents may enter the 18966
land to reclaim it at state expense with ~~moneys~~ money from the 18967
~~unreclaimed lands~~ mining regulation and safety fund by 18968
establishing vegetative cover and substantially reducing or 18969
eliminating erosion, sedimentation, landslides, pollution, 18970
accumulation or discharge of acid water, flooding, and damage to 18971
adjacent property. The agreement may include provisions pertaining 18972
to liability for damages and any other provisions necessary or 18973
desirable to achieve the purposes of this section. 18974

If the chief makes a finding of fact that land or water 18975
resources have been adversely affected by past coal mining 18976
practices; if the adverse effects are at a stage where, in the 18977
public interest, action to restore, reclaim, abate, control, or 18978
prevent the adverse effects should be taken; and if the owners of 18979
the affected land or water resources either are not known or 18980
readily available or will not give permission for the state, 18981
political subdivisions, or their agents, employees, or contractors 18982

to enter on the property to restore, reclaim, abate, control, or 18983
prevent the adverse effects, the chief or the chief's agents, 18984
employees, or contractors may enter on the affected property in 18985
order to do all things necessary or expedient to restore, reclaim, 18986
abate, control, or prevent the adverse effects. Prior to entering 18987
on the property, the chief or the chief's agents, employees, or 18988
contractors shall give notice by mail to the owners, if known, or, 18989
if not known, by posting notice on the premises and advertising 18990
once in a newspaper of general circulation in the county or 18991
municipal corporation in which the land lies. Such an entry shall 18992
be construed as an exercise of the police power for the protection 18993
of public health, safety, and welfare and shall not be construed 18994
as an act of condemnation of property or of trespass. The ~~moneys~~ 18995
money expended for the work and the benefits accruing to any 18996
premises so entered upon shall be chargeable against land and 18997
shall mitigate or offset any claim in or any action brought by any 18998
owner of any interest in the premises for any alleged damages by 18999
virtue of the entry. This provision is not intended to create new 19000
rights of action or eliminate existing immunities. 19001

Each agreement entered into pursuant to this section shall 19002
contain provisions for the reimbursement of a portion of the costs 19003
of the reclamation that is commensurate with the increase in the 19004
fair market value of the property attributable to the reclamation 19005
work thereon, as determined by appraisals made before and after 19006
reclamation in the manner stated in the agreement, unless the 19007
determination discloses an increase in value that is 19008
insubstantial. For reimbursement of the portion, the agreement may 19009
include provisions for any of the following: 19010

(A) Public use for soil, water, forest, or wildlife 19011
conservation or public recreation purposes; 19012

(B) Payment to the state of the share of the income from the 19013
crops or timber produced on the land that is stated in the 19014

agreement; 19015

(C) Imposition of a lien in the amount of the increase in 19016
fair market value payable upon transfer or conveyance of the 19017
property to a new owner. All such reimbursements and payments 19018
shall be credited to the ~~unreclaimed lands~~ mining regulation and 19019
safety fund. 19020

(D) Payment to the state in cash of the amount of the 19021
increase in fair market value, payable upon completion of the 19022
reclamation. 19023

For the purpose of selecting lands to be reclaimed within the 19024
boundaries of approved project areas, the chief shall consult the 19025
owners of unreclaimed lands, may consult with local officials, 19026
civic and professional organizations, and interested individuals, 19027
and shall consider the feasibility, cost, and public benefits of 19028
reclaiming particular lands, their potential for being mined, and 19029
the availability of federal or other assistance for reclamation. 19030
Before entering into the agreement, the chief shall prepare or 19031
approve a detailed plan with topographic maps indicating the 19032
reclamation improvements to be made. The plan may include 19033
improvements recommended by the owner, but may not include 19034
improvements that the chief finds are not necessary to establish 19035
vegetative cover or substantially reduce or eliminate erosion, 19036
sedimentation, landslides, pollution, accumulation or discharge of 19037
acid water, flooding, or damage to adjacent property. 19038

With the approval of the director and upon entering into the 19039
agreement with the owner, the chief may carry out the plan of 19040
reclamation or any part thereof with the employees and equipment 19041
of any division of the department of natural resources, or the 19042
chief may carry out the plan or any part thereof by contracting 19043
therefor. 19044

The chief, with the approval of the director and written 19045

consent of the owner, may enter into a contract with an operator 19046
mining adjacent land under a current, valid permit to carry out 19047
the plan of reclamation on the unreclaimed land or any part of the 19048
plan without advertising for bids. Contracts entered into with 19049
operators mining adjacent land are not subject to division (B) of 19050
section 127.16 of the Revised Code. 19051

The chief shall require every operator mining adjacent land 19052
who performs reclamation work pursuant to this section to pay 19053
workers at the greater of their regular rate of pay, as 19054
established by contract, agreement, or prior custom or practice, 19055
or the average wage rate paid in this state for the same or 19056
similar work performed in the same or similar locality by private 19057
companies doing their own reclamation work. Each contract awarded 19058
by the chief to other than an operator mining adjacent land shall 19059
be awarded to the lowest responsible bidder after sealed bids are 19060
received, opened, and published at the time and place fixed by the 19061
chief. The chief shall publish notice of the time and place at 19062
which bids will be received, opened, and published, at least once 19063
at least ten days before the date of the opening of the bids, in a 19064
newspaper of general circulation in the county in which the area 19065
of land to be reclaimed under the contract is located. If, after 19066
so advertising for bids, no bids are received by the chief at the 19067
time and place fixed for receiving them, the chief may advertise 19068
again for bids, or, if the chief considers the public interest 19069
will be best served, the chief may enter into a contract for the 19070
reclamation of the area of land without further advertisement for 19071
bids. The chief may reject all bids received and again publish 19072
notice of the time and place at which bids for contracts will be 19073
received, opened, and published. The chief, with the approval of 19074
the director and written consent of the owner, may enter into a 19075
contract with a licensed mine operator mining adjacent land under 19076
a valid permit to carry out the plan of reclamation on the 19077
unreclaimed land or any part of the plan without advertising for 19078

bids. 19079

Sec. 1513.28. The chief of the division of mineral resources 19080
management, with the approval of the director of natural 19081
resources, may make grants of ~~moneys~~ money from the ~~unreclaimed~~ 19082
~~lands~~ mining regulation and safety fund created by section 1513.30 19083
of the Revised Code for the payment by the state of up to 19084
seventy-five per cent of the reasonable and necessary reclamation 19085
expenses incurred by the owner of any unreclaimed land affected by 19086
mining before April 10, 1972, or pursuant to a license issued 19087
before April 10, 1972, that causes or may cause pollution of the 19088
waters of the state or damage to adjacent property, is not likely 19089
to be mined in the foreseeable future, and lies within the 19090
boundaries of a project area approved by the chief under section 19091
1513.30 of the Revised Code. 19092

The owner shall submit application for a grant on forms 19093
furnished by the division, together with detailed plans and 19094
topographic maps indicating the reclamation improvements to be 19095
made, an itemized estimate of the project's cost, a description of 19096
the project's benefits, and such other information as the chief 19097
prescribes. The plan of reclamation may be prepared in 19098
consultation with a local soil and water conservation district. 19099

The chief may award the applicant a grant only after finding 19100
that the proposed reclamation work will establish vegetative cover 19101
and substantially reduce or eliminate erosion, sedimentation, 19102
landslides, pollution, accumulation or discharge of acid water, 19103
flooding, and damage to adjacent property. 19104

For the purpose of establishing priorities for awarding 19105
grants under this section and section 1513.31 of the Revised Code, 19106
the chief shall consider each project's feasibility, cost, and 19107
public benefits of reclaiming the particular land, its potential 19108
for being mined, and the availability of federal or other 19109

financial assistance for reclamation. 19110

The chief shall determine the amount of a grant under this 19111
section based upon the chief's determination of what constitutes 19112
reasonable and necessary expenses actually incurred for 19113
establishing vegetative cover, substantially reducing or 19114
eliminating erosion, sedimentation, landslides, pollution, 19115
accumulation or discharge of acid water, flooding, or damage to 19116
adjacent property, and preparing the plan of reclamation. The 19117
owner may elect to have other improvements made concurrently, but 19118
in no event shall any part of the grant be made for such other 19119
improvements, and in no event shall the amount of the grant exceed 19120
seventy-five per cent of the total amount, determined by the 19121
chief, of what constitutes reasonable and necessary expenses 19122
actually incurred for the reclamation measures listed in this 19123
section. 19124

The chief shall enter into a contract for funding with each 19125
applicant awarded a grant to ensure that the ~~moneys~~ money granted 19126
are used for the purposes of this section and that the reclamation 19127
work is properly done. The final payment may not be made until the 19128
chief inspects and approves the completed reclamation work. 19129

Each such contract shall contain provisions for the 19130
reimbursement of a portion of the costs of the reclamation that is 19131
commensurate with the increase in the fair market value of the 19132
property attributable to the reclamation work thereon, as 19133
determined by appraisals made before and after reclamation in the 19134
manner stated in the agreement, unless such determination 19135
discloses an increase in value that is insubstantial in comparison 19136
to the benefits to the public from the abatement of pollution or 19137
prevention of damage to adjacent property, considering the 19138
applicant's share of the reclamation cost. For reimbursement of 19139
such portion, the contract may include provisions for: 19140

(A) Public use for soil, water, forest, or wildlife 19141

conservation or public recreation purposes; 19142

(B) Payment to the state of the share of the income from the 19143
crops or timber produced on the land that is stated in the 19144
agreement; 19145

(C) Imposition of a lien in the amount of the increase in 19146
fair market value payable upon transfer or conveyance of the 19147
property to a new owner; 19148

(D) Payment to the state in cash in the amount of the 19149
increase in fair market value, payable upon completion of the 19150
reclamation. 19151

All such reimbursements and payments shall be credited to the 19152
~~unreclaimed lands~~ mining regulation and safety fund. 19153

Not more than forty per cent of the money credited to the 19154
fund during the preceding calendar year may be expended during a 19155
calendar year for grants under this section. 19156

The chief shall require every landowner performing 19157
reclamation work pursuant to this section to pay workers at the 19158
greater of their regular rate of pay, as established by contract, 19159
agreement, or prior custom or practice, or the average wage rate 19160
in this state for the same or similar work performed in the same 19161
or similar locality by private companies doing their own 19162
reclamation work. 19163

Sec. 1513.30. (A) There is hereby created in the state 19164
treasury the ~~unreclaimed lands~~ mining regulation and safety fund, 19165
to be administered by the chief of the division of mineral 19166
resources management ~~and~~. The fund shall be used for the purpose 19167
~~of reclaiming following purposes:~~ 19168

(1) Reclaiming land, public or private, affected by mining, 19169
or controlling mine drainage, for which no cash is held in the 19170
reclamation forfeiture fund created in section 1513.18 of the 19171

Revised Code or the surface mining fund created in section;	19172
<u>(2) Specified purposes in sections 1514.06, 1514.11, and 1561.48 of the Revised Code;</u>	19173
<u>1561.48 of the Revised Code;</u>	19174

(D) Expenditures from the ~~unreclaimed lands~~ mining regulation and safety fund for reclamation projects may be made only for projects that are within the boundaries of project areas approved by the chief. Expenditures from the ~~unreclaimed lands~~ mining regulation and safety fund shall be made by the chief, with the approval of the director of natural resources.

~~The chief may expend an amount not to exceed twenty per cent of the moneys credited annually by the treasurer of state to the unreclaimed lands fund for the purpose of administering the fund.~~

(E) The chief may engage in cooperative projects under this section with any agency of the United States, appropriate state agencies, or state universities or colleges as defined in section 3345.27 of the Revised Code and may transfer money from the fund to other appropriate state agencies or to state universities or colleges in order to carry out the reclamation activities authorized by this section.

~~If the director of natural resources determines it to be necessary, the director may request the controlling board to transfer an amount of money from the fund to the coal mining administration and reclamation reserve fund created in section 1513.181 of the Revised Code.~~

Sec. 1513.31. For the purpose of promoting local or regional economic or community development, the chief of the division of mineral resources management, with the approval of the director of natural resources, may make grants of money from the ~~unreclaimed lands~~ mining regulation and safety fund created by section 1513.30 of the Revised Code for the payment by the state of up to seventy-five per cent of the reasonable and necessary expenses incurred by a political subdivision, community improvement corporation incorporated under Chapter 1724. of the Revised Code, or other nonprofit corporation incorporated under Chapter 1702. of

the Revised Code for the reclamation of any unreclaimed land 19233
affected by mining before April 10, 1972, or pursuant to a license 19234
issued before April 10, 1972, that is owned by the political 19235
subdivision or corporation, is to be reclaimed for the purpose of 19236
commercial or industrial site development by the political 19237
subdivision or corporation or the development of recreational 19238
facilities by the political subdivision, and lies within the 19239
boundaries of a project area approved by the chief. 19240

The owner shall submit an application for a grant on forms 19241
furnished by the division of mineral resources management together 19242
with detailed plans and topographic maps indicating the 19243
reclamation improvements to be made, an itemized estimate of the 19244
project's cost, a description of the project's benefits, and such 19245
other information as the chief prescribes. The chief may award the 19246
applicant a grant only after finding that the proposed reclamation 19247
work will render the unreclaimed land suitable for commercial, 19248
industrial, or, if the land is owned by a political subdivision, 19249
recreational site development and will substantially reduce or 19250
eliminate the damage, if any, to adjacent property that is or may 19251
be caused by the condition of the unreclaimed land. 19252

The chief shall determine the amount of the grant based upon 19253
the chief's determination of what constitutes reasonable and 19254
necessary expenses actually incurred for preparing the plan of 19255
reclamation; preparing the unreclaimed land for commercial, 19256
industrial, or, in the case of land owned by a political 19257
subdivision, recreational site development, including backfilling, 19258
grading, resoiling, planting, or other work to restore the land to 19259
a condition suitable for such development; and, if the condition 19260
of the unreclaimed land so requires, establishing vegetative cover 19261
or substantially reducing or eliminating erosion, sedimentation, 19262
landslides, pollution, accumulation or discharge of acid water, 19263
flooding, or damage to adjacent property. The owner may have other 19264

improvements made concurrently with the reclamation work, but 19265
shall not spend any part of the grant for such other improvements. 19266
No grant shall exceed seventy-five per cent of the total amount, 19267
as determined by the chief, of what constitutes reasonable and 19268
necessary expenses actually incurred for the reclamation measures 19269
listed in this section. 19270

The chief shall enter into a contract for funding with each 19271
applicant awarded a grant in order to ensure that the ~~moneys~~ money 19272
granted are used for the purposes of this section and that the 19273
reclamation work is properly done. The final payment under a grant 19274
may not be made until the chief inspects and approves the 19275
completed reclamation work. 19276

Sec. 1513.32. For the purpose of promoting local or regional 19277
economic or community development, the chief of the division of 19278
mineral resources management, with the approval of the director of 19279
natural resources, may enter into a written agreement, which may 19280
be in the form of a contract, with a political subdivision, 19281
community improvement corporation incorporated under Chapter 1724. 19282
of the Revised Code, or other nonprofit corporation incorporated 19283
under Chapter 1702. of the Revised Code that owns any unreclaimed 19284
land affected by mining before April 10, 1972, or pursuant to a 19285
license issued before April 10, 1972, under which the state or its 19286
agents may enter upon the land to reclaim it at state expense with 19287
~~moneys~~ money from the ~~unreclaimed lands~~ mining regulation and 19288
safety fund created by section 1513.30 of the Revised Code for the 19289
purpose of commercial or industrial site development if the land 19290
is owned by a political subdivision or corporation or the 19291
development of recreational facilities if the land is owned by a 19292
political subdivision. The agreement may include provisions 19293
pertaining to liability for damages and any other provisions 19294
necessary or desirable to achieve the purposes of this section. 19295

For the purpose of selecting lands to be reclaimed for 19296
commercial, industrial, or, if the lands are owned by a political 19297
subdivision, recreational site development, the chief shall 19298
consult with the owners of unreclaimed lands and with local 19299
officials, civic and professional organizations, and interested 19300
individuals and shall consider the feasibility, cost, and public 19301
benefits of reclaiming particular lands and the availability of 19302
federal or other assistance for the reclamation. The chief shall 19303
select for reclamation under this section only lands that lie 19304
within the boundaries of a project area approved by the chief. 19305

Before entering into the agreement, the chief shall prepare 19306
or approve a detailed plan with topographic maps indicating the 19307
reclamation improvements to be made, an itemized estimate of the 19308
project's cost, a description of the project's benefits, and such 19309
other information as the chief considers appropriate. The plan 19310
shall include only reclamation work that is necessary to render 19311
the unreclaimed land suitable for commercial, industrial, or, if 19312
the land is owned by a political subdivision, recreational site 19313
development and will substantially reduce or eliminate the damage, 19314
if any, to adjacent property that is or may be caused by the 19315
condition of the unreclaimed land. The plan may include 19316
improvements recommended by the owner, but may not include any 19317
improvements that the chief finds are not necessary to prepare the 19318
unreclaimed land for commercial, industrial, or, if the land is 19319
owned by a political subdivision, recreational site development, 19320
or if the condition of the unreclaimed land so requires, are not 19321
necessary to establish vegetative cover or substantially reduce or 19322
eliminate erosion, sedimentation, landslides, pollution, 19323
accumulation or discharge of acid water, flooding, or damage to 19324
adjacent property. 19325

With the approval of the director and upon entering into an 19326
agreement with the owner, the chief may carry out the plan of 19327

reclamation or any part thereof with the employees or equipment of 19328
the department, or the chief may carry out the plan or any part 19329
thereof by contracting therefor in accordance with the procedures 19330
prescribed in section 1513.27 of the Revised Code. The chief shall 19331
keep an itemized record of the state's expense in carrying out the 19332
plan. 19333

Expenditure of not more than twenty per cent of the ~~moneys~~ 19334
money credited to the ~~unreclaimed lands~~ mining regulation and 19335
safety fund during the preceding fiscal year may be approved by 19336
the chief during a fiscal year for conducting reclamation projects 19337
under this section and for making grants under section 1513.31 of 19338
the Revised Code, provided that such expenditures are primarily 19339
for the pollution abatement purposes of section 1513.30 of the 19340
Revised Code. 19341

Sec. 1513.33. The amount of any grant to a community 19342
improvement corporation or nonprofit corporation made under 19343
section 1513.31 of the Revised Code or the state's expenses 19344
incurred in reclaiming unreclaimed land owned by a community 19345
improvement corporation or nonprofit corporation under section 19346
1513.32 of the Revised Code shall constitute a loan by the state 19347
to the corporation. Entry into a grant contract under section 19348
1513.31 of the Revised Code or into a reclamation agreement under 19349
section 1513.32 of the Revised Code by the chief of the division 19350
of mineral resources management constitutes the designation of the 19351
community improvement corporation or nonprofit corporation as the 19352
state's agent for the commercial or industrial development of the 19353
land named in the contract or agreement. 19354

Each grant contract under section 1513.31 of the Revised Code 19355
or reclamation agreement under section 1513.32 of the Revised Code 19356
shall include terms for repayment of the grant or reimbursement of 19357
the state for its reclamation expenses, which shall require 19358

repayment of the loan in full upon the first sale, lease, or 19359
rental of the land reclaimed under the contract or agreement if 19360
the entire parcel of reclaimed land is sold, leased, or rented. If 19361
the corporation establishes a business enterprise on the entire 19362
parcel of reclaimed land, the contract shall require repayment of 19363
the loan in full upon the commencement of operation of the 19364
business enterprise. If the reclaimed land is sold, leased, or 19365
rented in portions or the corporation establishes a business 19366
enterprise on any portion of the reclaimed land, the contract or 19367
agreement shall require repayment of that portion of the loan that 19368
corresponds to the portion of the reclaimed land sold, leased, or 19369
rented upon the first sale, lease, or rental of that portion, or 19370
upon commencement of operation of the business enterprise on that 19371
portion, by the corporation in the proportion that the acreage of 19372
the reclaimed land sold, leased, rented, or used in business by 19373
the corporation bears to the total acreage of land reclaimed under 19374
the contract or agreement. 19375

To secure repayment of the ~~moneys~~ money granted under section 19376
1513.31 of the Revised Code or of the state's reclamation expenses 19377
under section 1513.32 of the Revised Code to or on behalf of a 19378
community improvement corporation or nonprofit corporation, the 19379
state shall have a lien on the land owned by the corporation that 19380
is land reclaimed under section 1513.31 or 1513.32 of the Revised 19381
Code equal to the amount of the grant made under section 1513.31 19382
of the Revised Code or to the state's expenses incurred in 19383
reclaiming the land under section 1513.32 of the Revised Code. 19384
Within thirty days after the final grant payment is made under 19385
section 1513.31 of the Revised Code or after the completion of the 19386
reclamation work under section 1513.32 of the Revised Code, the 19387
chief shall cause to be recorded in the office of the county 19388
recorder of the county in which the reclaimed land is located a 19389
statement that shall contain an itemized accounting of the grant 19390
paid under section 1513.31 of the Revised Code or an itemized 19391

record of the state's expenses incurred in reclaiming the land 19392
under section 1513.32 of the Revised Code. The statement shall 19393
constitute a notice of lien and operate as of the date of delivery 19394
as a lien on the land reclaimed in the amount of the grant ~~moneys~~ 19395
money paid out or the reclamation expenses incurred by the state 19396
and shall have priority as a lien second only to the lien of real 19397
property taxes imposed upon the land. The notice of lien and the 19398
lien shall not be valid as against any mortgagee, pledgee, 19399
purchaser, or judgment creditor whose rights have attached prior 19400
to the date of filing of the statement by the chief or to any 19401
prior or subsequent lien for real property taxes imposed pursuant 19402
to section 5719.04 of the Revised Code. 19403

The county recorder shall record and index the chief's 19404
statement, under the name of the state and the corporation, in the 19405
official records maintained by the county recorder's office. The 19406
county recorder shall impose no charge for the recording or 19407
indexing of the statement. If the land is registered, the county 19408
recorder shall make a notation and enter a memorial of the lien 19409
upon the page of the register in which the last certificate of 19410
title to the land is registered, stating the name of the claimant, 19411
amount claimed, volume and page of the record where recorded, and 19412
exact time the memorial was entered. 19413

The lien shall continue in force so long as any portion of 19414
the amount granted under section 1513.31 of the Revised Code or 19415
the state's reclamation expenses incurred under section 1513.32 of 19416
the Revised Code remains unpaid. Upon repayment in full of those 19417
~~moneys~~ money or expenses, the chief promptly shall issue a 19418
certificate of release of the lien. Upon presentation of the 19419
certificate of release, the county recorder of the county where 19420
the lien is recorded shall record the lien as having been 19421
discharged. 19422

A lien imposed under this section shall be foreclosed upon 19423

the substantial failure of a corporation to repay any portion of 19424
the amount granted under section 1513.31 of the Revised Code or 19425
the state's reclamation expenses incurred under section 1513.32 of 19426
the Revised Code in accordance with the terms of the grant 19427
contract or reclamation agreement. Before foreclosing any lien 19428
under this section, the chief shall make a written demand upon the 19429
corporation to comply with the repayment terms of the contract or 19430
agreement. If the corporation does not pay the amount due within 19431
sixty days, the chief shall refer the matter to the attorney 19432
general, who shall institute a civil action to foreclose the lien 19433
of the state. 19434

All ~~moneys~~ money collected from loan repayments and lien 19435
foreclosures under this section shall be credited to the 19436
~~unreclaimed lands~~ mining regulation and safety fund created by 19437
section 1513.30 of the Revised Code. 19438

Sec. 1513.37. (A) There is hereby created in the state 19439
treasury the abandoned mine reclamation fund, which shall be 19440
administered by the chief of the division of mineral resources 19441
management. The fund shall consist of grants from the secretary of 19442
the interior from the federal abandoned mine reclamation fund 19443

(4) Administrative expenses incurred in accomplishing the	19465
purposes of this section;	19466
(5) All other necessary expenses to accomplish the purposes	19467
of this section.	19468
(B) Expenditures of moneys <u>money</u> from the fund on land and	19469
water eligible pursuant to division (C) of this section shall	19470
reflect the following priorities in the order stated:	19471
(1) The protection of public health, safety, general welfare,	19472
and property from extreme danger of adverse effects of coal mining	19473
practices;	19474
(2) The protection of public health, safety, and general	19475
welfare from adverse effects of coal mining practices;	19476
(3) The restoration of land and water resources and the	19477
environment previously degraded by adverse effects of coal mining	19478
practices, including measures for the conservation and development	19479
of soil and water (excluding channelization), woodland, fish and	19480
wildlife, recreation resources, and agricultural productivity;	19481

(6) The development of publicly owned land adversely affected 19489
by coal mining practices, including land acquired as provided in 19490
this section for recreation and historic purposes, conservation 19491
and reclamation purposes, and open space benefits. 19492

(C)(1) Lands and water eligible for reclamation or drainage 19493
abatement expenditures under this section are those that were 19494
mined for coal or were affected by such mining, wastebanks, coal 19495
processing, or other coal mining processes and that meet one of 19496
the following criteria: 19497

(a) Are lands that were abandoned or left in an inadequate 19498
reclamation status prior to August 3, 1977, and for which there is 19499
no continuing reclamation responsibility under state or federal 19500
laws; 19501

(b) Are lands for which the chief finds that surface coal 19502
mining operations occurred at any time between August 4, 1977, and 19503
August 16, 1982, and that any ~~moneys~~ money for reclamation or 19504
abatement that are available pursuant to a bond, performance 19505
security, or other form of financial guarantee or from any other 19506
source are not sufficient to provide for adequate reclamation or 19507
abatement at the site; 19508

(c) Are lands for which the chief finds that surface coal 19509
mining operations occurred at any time between August 4, 1977, and 19510
November 5, 1990, that the surety of the mining operator became 19511
insolvent during that time, and that, as of November 5, 1990, any 19512
~~moneys~~ money immediately available from proceedings relating to 19513
that insolvency or from any financial guarantee or other source 19514
are not sufficient to provide for adequate reclamation or 19515

abatement at the site. 19516

(2) In determining which sites to reclaim pursuant to 19517
divisions (C)(1)(b) and (c) of this section, the chief shall 19518
follow the priorities stated in divisions (B)(1) and (2) of this 19519
section and shall ensure that priority is given to those sites 19520
that are in the immediate vicinity of a residential area or that 19521
have an adverse economic impact on a local community. 19522

(3) Surface coal mining operations on lands eligible for 19523
remining shall not affect the eligibility of those lands for 19524
reclamation and restoration under this section after the release 19525
of the bond, performance security, or other form of financial 19526
guarantee for any such operation as provided under division (F) of 19527
section 1513.16 of the Revised Code. If the bond, performance 19528
security, or other form of financial guarantee for a surface coal 19529
mining operation on lands eligible for remining is forfeited, 19530
~~moneys~~ money available under this section may be used if the 19531
amount of the bond, performance security, or other form of 19532
financial guarantee is not sufficient to provide for adequate 19533
reclamation or abatement, except that if conditions warrant, the 19534
chief immediately shall exercise the authority granted under 19535
division (L) of this section. 19536

(D) The chief may submit to the secretary of the interior a 19537
state reclamation plan and annual projects to carry out the 19538
purposes of this section. 19539

(1) The reclamation plan generally shall identify the areas 19540
to be reclaimed, the purposes for which the reclamation is 19541
proposed, the relationship of the lands to be reclaimed and the 19542
proposed reclamation to surrounding areas, the specific criteria 19543
for ranking and identifying projects to be funded, and the legal 19544
authority and programmatic capability to perform the work in 19545
accordance with this section. 19546

(2) On an annual basis, the chief may submit to the secretary 19547
an application for support of the abandoned mine reclamation fund 19548
and implementation of specific reclamation projects. The annual 19549
requests shall include such information as may be requested by the 19550
secretary. 19551

(3) The costs for each proposed project under this section 19552
shall include actual construction costs, actual operation and 19553
maintenance costs of permanent facilities, planning and 19554
engineering costs, construction inspection costs, and other 19555
necessary administrative expenses. 19556

(4) The chief may submit annual and other reports required by 19557
the secretary when funds are provided by the secretary under Title 19558
IV of the "Surface Mining Control and Reclamation Act of 1977," 91 19559
Stat. 445, 30 U.S.C.A. 1201, regulations adopted under it, and 19560
amendments to the act and regulations. 19561

(E)(1) There is hereby created in the state treasury the acid 19562
mine drainage abatement and treatment fund, which shall be 19563
administered by the chief. The fund shall consist of grants from 19564
the secretary of the interior from the federal abandoned mine 19565
reclamation fund pursuant to section 402(g)(6) of Title IV of the 19566
"Surface Mining Control and Reclamation Act of 1977," 91 Stat. 19567
445, 30 U.S.C.A. 1201. All investment earnings of the fund shall 19568
be credited to the fund. 19569

(2) The chief shall make expenditures from the fund, in 19570
consultation with the United States department of agriculture, 19571
soil conservation service, to implement acid mine drainage 19572
abatement and treatment plans approved by the secretary. The plans 19573
shall provide for the comprehensive abatement of the causes and 19574
treatment of the effects of acid mine drainage within qualified 19575
hydrologic units affected by coal mining practices and shall 19576
include at least all of the following: 19577

(a) An identification of the qualified hydrologic unit. As 19578
used in division (E) of this section, "qualified hydrologic unit" 19579
means a hydrologic unit that meets all of the following criteria: 19580

(i) The water quality in the unit has been significantly 19581
affected by acid mine drainage from coal mining practices in a 19582
manner that has an adverse impact on biological resources. 19583

(ii) The unit contains lands and waters that meet the 19584
eligibility requirements established under division (C) of this 19585
section and any of the priorities established in divisions (B)(1) 19586
to (3) of this section. 19587

(iii) The unit contains lands and waters that are proposed to 19588
be the subject of expenditures from the reclamation forfeiture 19589
fund created in section 1513.18 of the Revised Code or the 19590
~~unreclaimed lands~~ mining regulation and safety fund created in 19591
section 1513.30 of the Revised Code. 19592

(b) The extent to which acid mine drainage is affecting the 19593
water quality and biological resources within the hydrologic unit; 19594

(c) An identification of the sources of acid mine drainage 19595
within the hydrologic unit; 19596

(d) An identification of individual projects and the measures 19597
proposed to be undertaken to abate and treat the causes or effects 19598
of acid mine drainage within the hydrologic unit; 19599

(e) The cost of undertaking the proposed abatement and 19600
treatment measures; 19601

(f) An identification of existing and proposed sources of 19602
funding for those measures; 19603

(g) An analysis of the cost-effectiveness and environmental 19604
benefits of abatement and treatment measures. 19605

(3) The chief may make grants of ~~moneys~~ money from the acid 19606
mine drainage abatement and treatment fund to watershed groups for 19607

conducting projects to accomplish the purposes of this section. A 19608
grant may be made in an amount equal to not more than fifty per 19609
cent of each of the following: 19610

(a) Reasonable and necessary expenses for the collection and 19611
analysis of data sufficient to do either or both of the following: 19612

(i) Identify a watershed as a qualified hydrologic unit; 19613

(ii) Monitor the quality of water in a qualified hydrologic 19614
unit before, during, and at any time after completion of the 19615
project by the watershed group. 19616

(b) Engineering design costs and construction costs involved 19617
in the project, provided that the project is conducted in a 19618
qualified hydrologic unit and the chief considers the project to 19619
be a priority. 19620

A watershed group that wishes to obtain a grant under 19621
division (E)(3) of this section shall submit an application to the 19622
chief on forms provided by the division of mineral resources 19623
management, together with detailed estimates and timetables for 19624
accomplishing the stated goals of the project and any other 19625
information that the chief requires. 19626

For the purposes of establishing priorities for awarding 19627
grants under division (E)(3) of this section, the chief shall 19628
consider each project's feasibility, cost-effectiveness, and 19629
environmental benefit, together with the availability of matching 19630
funding, including in-kind services, for the project. 19631

The chief shall enter into a contract for funding with each 19632
applicant awarded a grant to ensure that the ~~moneys~~ money granted 19633
are used for the purposes of this section and that the work that 19634
the project involves is done properly. The contract is not subject 19635
to division (B) of section 127.16 of the Revised Code. The final 19636
payment of grant ~~moneys~~ money shall not be made until the chief 19637
inspects and approves the completed project. 19638

The chief shall require each applicant awarded a grant under 19639
this section who conducts a project involving construction work to 19640
pay workers at the greater of their regular rate of pay, as 19641
established by contract, agreement, or prior custom or practice, 19642
or the average wage rate paid in this state for the same or 19643
similar work performed in the same or a similar locality by 19644
private companies doing similar work on similar projects. 19645

As used in division (E)(3) of this section, "watershed group" 19646
means a charitable organization as defined in section 1716.01 of 19647
the Revised Code that has been established for the purpose of 19648
conducting reclamation of land and waters adversely affected by 19649
coal mining practices and specifically for conducting acid mine 19650
drainage abatement. 19651

(F)(1) If the chief makes a finding of fact that land or 19652
water resources have been adversely affected by past coal mining 19653
practices; the adverse effects are at a stage where, in the public 19654
interest, action to restore, reclaim, abate, control, or prevent 19655
the adverse effects should be taken; the owners of the land or 19656
water resources where entry must be made to restore, reclaim, 19657
abate, control, or prevent the adverse effects of past coal mining 19658
practices are not known or are not readily available; or the 19659
owners will not give permission for the state, political 19660
subdivisions, or their agents, employees, or contractors to enter 19661
upon the property to restore, reclaim, abate, control, or prevent 19662
the adverse effects of past coal mining practices; then, upon 19663
giving notice by mail to the owners, if known, or, if not known, 19664
by posting notice upon the premises and advertising once in a 19665
newspaper of general circulation in the municipal corporation or 19666
county in which the land lies, the chief or the chief's agents, 19667
employees, or contractors may enter upon the property adversely 19668
affected by past coal mining practices and any other property to 19669
have access to the property to do all things necessary or 19670

expedient to restore, reclaim, abate, control, or prevent the 19671
adverse effects. The entry shall be construed as an exercise of 19672
the police power for the protection of the public health, safety, 19673
and general welfare and shall not be construed as an act of 19674
condemnation of property nor of trespass on it. The ~~moneys~~ money 19675
expended for the work and the benefits accruing to any such 19676
premises so entered upon shall be chargeable against the land and 19677
shall mitigate or offset any claim in or any action brought by any 19678
owner of any interest in the premises for any alleged damages by 19679
virtue of the entry, but this provision is not intended to create 19680
new rights of action or eliminate existing immunities. 19681

(2) The chief or the chief's authorized representatives may 19682
enter upon any property for the purpose of conducting studies or 19683
exploratory work to determine the existence of adverse effects of 19684
past coal mining practices and to determine the feasibility of 19685
restoration, reclamation, abatement, control, or prevention of 19686
such adverse effects. The entry shall be construed as an exercise 19687
of the police power for the protection of the public health, 19688
safety, and general welfare and shall not be construed as an act 19689
of condemnation of property nor trespass on it. 19690

(3) The chief may acquire any land by purchase, donation, or 19691
condemnation that is adversely affected by past coal mining 19692
practices if the chief determines that acquisition of the land is 19693
necessary to successful reclamation and that all of the following 19694
apply: 19695

(a) The acquired land, after restoration, reclamation, 19696
abatement, control, or prevention of the adverse effects of past 19697
coal mining practices, will serve recreation and historic 19698
purposes, serve conservation and reclamation purposes, or provide 19699
open space benefits. 19700

(b) Permanent facilities such as a treatment plant or a 19701
relocated stream channel will be constructed on the land for the 19702

restoration, reclamation, abatement, control, or prevention of the 19703
adverse effects of past coal mining practices. 19704

(c) Acquisition of coal refuse disposal sites and all coal 19705
refuse thereon will serve the purposes of this section or public 19706
ownership is desirable to meet emergency situations and prevent 19707
recurrences of the adverse effects of past coal mining practices. 19708

(4)(a) Title to all lands acquired pursuant to this section 19709
shall be in the name of the state. The price paid for land 19710
acquired under this section shall reflect the market value of the 19711
land as adversely affected by past coal mining practices. 19712

(b) The chief may receive grants on a matching basis from the 19713
secretary of the interior for the purpose of carrying out this 19714
section. 19715

(5)(a) Where land acquired pursuant to this section is 19716
considered to be suitable for industrial, commercial, residential, 19717
or recreational development, the chief may sell the land by public 19718
sale under a system of competitive bidding at not less than fair 19719
market value and under other requirements imposed by rule to 19720
ensure that the lands are put to proper use consistent with local 19721
and state land use plans, if any, as determined by the chief. 19722

(b) The chief, when requested, and after appropriate public 19723
notice, shall hold a public meeting in the county, counties, or 19724
other appropriate political subdivisions of the state in which 19725
lands acquired pursuant to this section are located. The meetings 19726
shall be held at a time that shall afford local citizens and 19727
governments the maximum opportunity to participate in the decision 19728
concerning the use or disposition of the lands after restoration, 19729
reclamation, abatement, control, or prevention of the adverse 19730
effects of past coal mining practices. 19731

(6) In addition to the authority to acquire land under 19732
division (F)(3) of this section, the chief may use money in the 19733

fund to acquire land by purchase, donation, or condemnation, and 19734
to reclaim and transfer acquired land to a political subdivision, 19735
or to any person, if the chief determines that it is an integral 19736
and necessary element of an economically feasible plan for the 19737
construction or rehabilitation of housing for persons disabled as 19738
the result of employment in the mines or work incidental to that 19739
employment, persons displaced by acquisition of land pursuant to 19740
this section, persons dislocated as the result of adverse effects 19741
of coal mining practices that constitute an emergency as provided 19742
in the "Surface Mining Control and Reclamation Act of 1977," 91 19743
Stat. 466, 30 U.S.C.A. 1240, or amendments to it, or persons 19744
dislocated as the result of natural disasters or catastrophic 19745
failures from any cause. Such activities shall be accomplished 19746
under such terms and conditions as the chief requires, which may 19747
include transfers of land with or without monetary consideration, 19748
except that to the extent that the consideration is below the fair 19749
market value of the land transferred, no portion of the difference 19750
between the fair market value and the consideration shall accrue 19751
as a profit to those persons. No part of the funds provided under 19752
this section may be used to pay the actual construction costs of 19753
housing. The chief may carry out the purposes of division (F)(6) 19754
of this section directly or by making grants and commitments for 19755
grants and may advance money under such terms and conditions as 19756
the chief may require to any agency or instrumentality of the 19757
state or any public body or nonprofit organization designated by 19758
the chief. 19759

(G)(1) Within six months after the completion of projects to 19760
restore, reclaim, abate, control, or prevent adverse effects of 19761
past coal mining practices on privately owned land, the chief 19762
shall itemize the ~~moneys~~ money so expended and may file a 19763
statement of the expenditures in the office of the county recorder 19764
of the county in which the land lies, together with a notarized 19765
appraisal by an independent appraiser of the value of the land 19766

before the restoration, reclamation, abatement, control, or 19767
prevention of adverse effects of past coal mining practices if the 19768
~~moneys~~ money so expended result in a significant increase in 19769
property value. The statement shall constitute a lien upon the 19770
land as of the date of the expenditures of the ~~moneys~~ money and 19771
shall have priority as a lien second only to the lien of real 19772
property taxes imposed upon the land. The lien shall not exceed 19773
the amount determined by the appraisal to be the increase in the 19774
fair market value of the land as a result of the restoration, 19775
reclamation, abatement, control, or prevention of the adverse 19776
effects of past coal mining practices. No lien shall be filed 19777
under division (G) of this section against the property of any 19778
person who owned the surface prior to May 2, 1977, and did not 19779
consent to, participate in, or exercise control over the mining 19780
operation that necessitated the reclamation performed. 19781

(2) The landowner may petition, within sixty days after the 19782
filing of the lien, to determine the increase in the fair market 19783
value of the land as a result of the restoration, reclamation, 19784
abatement, control, or prevention of the adverse effects of past 19785
coal mining practices. The amount reported to be the increase in 19786
value of the premises shall constitute the amount of the lien and 19787
shall be recorded with the statement provided in this section. Any 19788
party aggrieved by the decision may appeal as provided by state 19789
law. 19790

(3) The lien provided in division (G) of this section shall 19791
be recorded and indexed, under the name of the state and the 19792
landowner, in the official records in the office of the county 19793
recorder of the county in which the land lies. The county recorder 19794
shall impose no charge for the recording or indexing of the lien. 19795
If the land is registered, the county recorder shall make a 19796
notation and enter a memorial of the lien upon the page of the 19797
register in which the last certificate of title to the land is 19798

registered, stating the name of the claimant, amount claimed, 19799
volume and page of the record where recorded, and exact time the 19800
memorial was entered. 19801

(4) The lien shall continue in force so long as any portion 19802
of the amount of the lien remains unpaid. If the lien remains 19803
unpaid at the time of conveyance of the land on which the lien was 19804
placed, the conveyance may be set aside. Upon repayment in full of 19805
the ~~moneys~~ money expended under this section, the chief promptly 19806
shall issue a certificate of release of the lien. Upon 19807
presentation of the certificate of release, the county recorder of 19808
the county in which the lien is recorded shall record the lien as 19809
having been discharged. 19810

(5) A lien imposed under this section shall be foreclosed 19811
upon the substantial failure of a landowner to pay any portion of 19812
the amount of the lien. Before foreclosing any lien under this 19813
section, the chief shall make a written demand upon the landowner 19814
for payment. If the landowner does not pay the amount due within 19815
sixty days, the chief shall refer the matter to the attorney 19816
general, who shall institute a civil action to foreclose the lien. 19817

(H)(1) The chief may fill voids, seal abandoned tunnels, 19818
shafts, and entryways, and reclaim surface impacts of underground 19819
or strip mines that the chief determines could endanger life and 19820
property, constitute a hazard to the public health and safety, or 19821
degrade the environment. 19822

(2) In those instances where mine waste piles are being 19823
reworked for conservation purposes, the incremental costs of 19824
disposing of the wastes from those operations by filling voids and 19825
sealing tunnels may be eligible for funding, provided that the 19826
disposal of these wastes meets the purposes of this section. 19827

(3) The chief may acquire by purchase, donation, easement, or 19828
otherwise such interest in land as the chief determines necessary 19829

to carry out division (H) of this section. 19830

(I) The chief shall report annually to the secretary of the 19831
interior on operations under the fund and include recommendations 19832
as to its future uses. 19833

(J)(1) The chief may engage in any work and do all things 19834
necessary or expedient, including the adoption of rules, to 19835
implement and administer this section. 19836

(2) The chief may engage in cooperative projects under this 19837
section with any agency of the United States, any other state, or 19838
their governmental agencies or with any state university or 19839
college as defined in section 3345.27 of the Revised Code. The 19840
cooperative projects are not subject to division (B) of section 19841
127.16 of the Revised Code. 19842

(3) The chief may request the attorney general to initiate in 19843
any court of competent jurisdiction an action in equity for an 19844
injunction to restrain any interference with the exercise of the 19845
right to enter or to conduct any work provided in this section, 19846
which remedy is in addition to any other remedy available under 19847
this section. 19848

(4) The chief may construct or operate a plant or plants for 19849
the control and treatment of water pollution resulting from mine 19850
drainage. The extent of this control and treatment may be 19851
dependent upon the ultimate use of the water. Division (J)(4) of 19852
this section does not repeal or supersede any portion of the 19853
"Federal Water Pollution Control Act," 70 Stat. 498 (1965), 33 19854
U.S.C.A. 1151, as amended, and no control or treatment under 19855
division (J)(4) of this section, in any way, shall be less than 19856
that required by that act. The construction of a plant or plants 19857
may include major interceptors and other facilities appurtenant to 19858
the plant. 19859

(5) The chief may transfer money from the abandoned mine 19860

reclamation fund and the acid mine drainage abatement and 19861
treatment fund to other appropriate state agencies or to state 19862
universities or colleges in order to carry out the reclamation 19863
activities authorized by this section. 19864

(K) The chief may contract for any part of work to be 19865
performed under this section, with or without advertising for 19866
bids, if the chief determines that a condition exists that could 19867
reasonably be expected to cause substantial physical harm to 19868
persons, property, or the environment and to which persons or 19869
improvements on real property are currently exposed. 19870

The chief shall require every contractor performing 19871
reclamation work under this section to pay its workers at the 19872
greater of their regular rate of pay, as established by contract, 19873
agreement, or prior custom or practice, or the average wage rate 19874
paid in this state for the same or similar work as determined by 19875
the chief under section 1513.02 of the Revised Code. 19876

(L)(1) The chief may contract for the emergency restoration, 19877
reclamation, abatement, control, or prevention of adverse effects 19878
of mining practices on eligible lands if the chief determines that 19879
an emergency exists constituting a danger to the public health, 19880
safety, or welfare and that no other person or agency will act 19881
expeditiously to restore, reclaim, abate, control, or prevent 19882
those adverse effects. The chief may enter into a contract for 19883
emergency work under division (L) of this section without 19884
advertising for bids. Any such contract or any purchase of 19885
materials for emergency work under division (L) of this section is 19886
not subject to division (B) of section 127.16 of the Revised Code. 19887

(2) The chief or the chief's agents, employees, or 19888
contractors may enter on any land where such an emergency exists, 19889
and on other land in order to have access to that land, in order 19890
to restore, reclaim, abate, control, or prevent the adverse 19891
effects of mining practices and to do all things necessary or 19892

expedient to protect the public health, safety, or welfare. Such 19893
an entry shall be construed as an exercise of the police power and 19894
shall not be construed as an act of condemnation of property or of 19895
trespass. The ~~moneys~~ money expended for the work and the benefits 19896
accruing to any premises so entered upon shall be chargeable 19897
against the land and shall mitigate or offset any claim in or any 19898
action brought by any owner of any interest in the premises for 19899
any alleged damages by virtue of the entry. This provision is not 19900
intended to create new rights of action or eliminate existing 19901
immunities. 19902

Sec. 1514.03. Within thirty days after each anniversary date 19903
of issuance of a surface or in-stream mining permit, the operator 19904
shall file with the chief of the division of mineral resources 19905
management an annual report, on a form prescribed and furnished by 19906
the chief, that, for the period covered by the report, shall state 19907
the amount of and identify the types of minerals and coal, if any 19908
coal, produced and shall state the number of acres affected and 19909
the number of acres estimated to be affected during the next year 19910
of operation. An annual report is not required to be filed if a 19911
final report is filed in lieu thereof. 19912

Each annual report for a surface mining operation shall 19913
include a progress map indicating the location of areas of land 19914
affected during the period of the report and the location of the 19915
area of land estimated to be affected during the next year. The 19916
map shall be prepared in accordance with division (A)(11) or (12) 19917
of section 1514.02 of the Revised Code, as appropriate, except 19918
that a map prepared in accordance with division (A)(12) of that 19919
section may be certified by the operator or authorized agent of 19920
the operator in lieu of certification by a professional engineer 19921
or surveyor registered under Chapter 4733. of the Revised Code. 19922
However, the chief may require that an annual progress map or a 19923
final map be prepared by a registered professional engineer or 19924

registered surveyor if the chief has reason to believe that the 19925
operator exceeded the boundaries of the permit area or, if the 19926
operator filed the map required under division (A)(11) of section 19927
1514.02 of the Revised Code, that the operator extracted ten 19928
thousand tons or more of minerals during the period covered by the 19929
report. 19930

Each annual report for an in-stream mining operation shall 19931
include a statement of the total tonnage removed by in-stream 19932
mining for each month and of the surface acreage and depth of 19933
material removed by in-stream mining and shall include a map that 19934
identifies the area affected by the in-stream mining if the 19935
in-stream mining for the year addressed by the report occurred 19936
beyond the area identified in the most recent approved map, 19937
soundings that depict the cross-sectional views of the channel 19938
bottom of the watercourse if the soundings depict a 19939
cross-sectional view of the channel bottom that is different from 19940
the most recent approved map, and water elevations for the 19941
watercourse if water elevations are different from those indicated 19942
on the most recent approved map. 19943

Each annual report shall be accompanied by a filing fee in 19944
the amount of five hundred dollars, except in the case of an 19945
annual report filed by a small operator or an in-stream mining 19946
operator. A small operator, which is a surface mine operator who 19947
intends to extract fewer than ten thousand tons of minerals and no 19948
coal during the next year of operation under the permit, or an 19949
in-stream mining operator shall include a filing fee in the amount 19950
of two hundred fifty dollars with each annual report. The annual 19951
report of any operator also shall be accompanied by an acreage fee 19952
in the amount of seventy-five dollars multiplied by the number of 19953
acres estimated in the report to be affected during the next year 19954
of operation under the permit. The acreage fee shall be adjusted 19955
by subtracting a credit of seventy-five dollars per excess acre 19956

paid for the preceding year if the acreage paid for the preceding 19957
year exceeds the acreage actually affected or by adding an 19958
additional amount of seventy-five dollars per excess acre affected 19959
if the acreage actually affected exceeds the acreage paid for the 19960
preceding year. 19961

With each annual report the operator shall file a performance 19962
bond in the amount, unless otherwise provided by rule, of five 19963
hundred dollars multiplied by the number of acres estimated to be 19964
affected during the next year of operation under the permit for 19965
which no performance bond previously was filed. Unless otherwise 19966
provided by rule, the bond shall be adjusted by subtracting a 19967
credit of five hundred dollars per excess acre for which bond was 19968
filed for the preceding year if the acreage for which the bond was 19969
filed for the preceding year exceeds the acreage actually 19970
affected, or by adding an amount of five hundred dollars per 19971
excess acre affected if the acreage actually affected exceeds the 19972
acreage for which bond was filed for the preceding year. 19973

Within thirty days after the expiration of the surface or 19974
in-stream mining permit, or completion or abandonment of the 19975
operation, whichever occurs earlier, the operator shall submit a 19976
final report containing the same information required in an annual 19977
report, but covering the time from the last annual report to the 19978
expiration of the permit, or completion or abandonment of the 19979
operation, whichever occurs earlier. 19980

Each final report shall include a map indicating the location 19981
of the area of land affected during the period of the report and 19982
the location of the total area of land affected under the permit. 19983
The map shall be prepared in accordance with division (A)(11) or 19984
(12) of section 1514.02 of the Revised Code, as appropriate. 19985

In the case of a final report for an in-stream mining 19986
operation, the map also shall include the information required 19987
under division (A)(18) of section 1514.02 of the Revised Code, as 19988

applicable. 19989

If the final report and certified map, as verified by the 19990
chief, show that the number of acres affected under the permit is 19991
larger than the number of acres for which the operator has paid an 19992
acreage fee or filed a performance bond, upon notification by the 19993
chief, the operator shall pay an additional acreage fee in the 19994
amount of seventy-five dollars multiplied by the difference 19995
between the number of acres affected under the permit and the 19996
number of acres for which the operator has paid an acreage fee and 19997
shall file an additional performance bond in the amount, unless 19998
otherwise provided by rule, of five hundred dollars multiplied by 19999
the difference between the number of acres affected under the 20000
permit and the number of acres for which the operator has filed 20001
bond. 20002

If the final report and certified map, as verified by the 20003
chief, show that the number of acres affected under the permit is 20004
smaller than the number of acres for which the operator has filed 20005
a performance bond, the chief shall order release of the excess 20006
bond. However, the chief shall retain a performance bond in a 20007
minimum amount of ten thousand dollars irrespective of the number 20008
of acres affected under the permit. The release of the excess bond 20009
shall be in an amount, unless otherwise provided by rule, equal to 20010
five hundred dollars multiplied by the difference between the 20011
number of acres affected under the permit and the number of acres 20012
for which the operator has filed bond. 20013

The fees collected pursuant to this section and section 20014
1514.02 of the Revised Code shall be deposited with the treasurer 20015
of state to the credit of the ~~surface~~ mining regulation and safety 20016
fund created under section ~~1514.06~~ 1513.30 of the Revised Code. 20017

If upon inspection the chief finds that any filing fee, 20018
acreage fee, performance bond, or part thereof is not paid when 20019
due or is paid on the basis of false or substantially inaccurate 20020

reports, the chief may request the attorney general to recover the 20021
unpaid amounts that are due the state, and the attorney general 20022
shall commence appropriate legal proceedings to recover the unpaid 20023
amounts. 20024

Sec. 1514.051. (A) If an operator or a partner or officer of 20025
the operator forfeits a performance bond, the division of mineral 20026
resources management shall have a priority lien in front of all 20027
other interested creditors against the assets of that operator for 20028
the amount that is needed to perform any reclamation that is 20029
required as a result of the operator's mining activities. The 20030
chief of the division of mineral resources management shall file a 20031
statement in the office of the county recorder of each county in 20032
which the mined land lies of the estimated costs to reclaim the 20033
land. Estimated costs shall include direct and indirect costs of 20034
the development, design, construction, management, and 20035
administration of the reclamation. The statement shall constitute 20036
a lien on the assets of the operator as of the date of the filing. 20037
The lien shall continue in force so long as any portion of the 20038
lien remains unpaid or until the chief issues a certificate of 20039
release of the lien. If the chief issues a certificate of release 20040
of the lien, the chief shall file a certificate of release in the 20041
office of each applicable county recorder. 20042

(B) The chief promptly shall issue a certificate of release 20043
under any of the following circumstances: 20044

(1) Upon the repayment in full of the money that is necessary 20045
to complete the reclamation; 20046

(2) Upon the transfer of an existing permit that includes the 20047
areas of the surface mine for which reclamation was not completed 20048
from the operator that forfeited the performance bond to a new 20049
operator; 20050

(3) Any other circumstance that the chief determines to be in 20051

the best interests of the state. 20052

(C) The chief may modify the amount of a lien under this 20053
section. If the chief modifies a lien, the chief shall file a 20054
statement in the office of the county recorder of each applicable 20055
county of the new amount of the lien. 20056

(D) The chief may authorize a closing agent to hold a 20057
certificate of release in escrow for a period not to exceed one 20058
hundred eighty days for the purpose of facilitating the transfer 20059
of unreclaimed mine land. 20060

(E) All money from the collection of liens under this section 20061
shall be deposited in the state treasury to the credit of the 20062
~~surface~~ mining regulation and safety fund created in section 20063
~~1514.06~~ 1513.30 of the Revised Code. 20064

Sec. 1514.06. (A) ~~There is hereby created in the state~~ 20065
~~treasury the surface mining fund consisting of all~~ All money that 20066
becomes the property of the state pursuant to sections 1514.05 and 20067
1514.051 of the Revised Code, money ~~credited to the fund~~ collected 20068
under divisions (C)(1) and (2) of section 1514.071, and other 20069
money specified in section 1514.11 of the Revised Code shall be 20070
credited to the mining regulation and safety fund created in 20071
section 1513.30 of the Revised Code. ~~All investment earnings of~~ 20072
~~the fund shall be credited to the fund. Expenditures from the fund~~ 20073
~~shall be made by the~~ The chief of the division of mineral 20074
resources management may expend such money for the purpose of 20075
reclaiming areas of land affected by surface or in-stream mining 20076
under a permit issued under this chapter that the operator has 20077
failed to reclaim. ~~Provided that the chief maintains a balance in~~ 20078
~~the fund that is sufficient to achieve that purpose and, in doing~~ 20079
~~so, considers the timeliness of reclamation activity, the chief~~ 20080
~~may use the fund for other purposes specified in section 1514.11~~ 20081
~~of the Revised Code.~~ 20082

(B) Expenditures of ~~moneys~~ money from the fund for the 20083
purposes specified in division (A) of this section, except as 20084
otherwise provided by this section, shall be made pursuant to 20085
contracts entered into by the chief with persons who agree to 20086
furnish all of the materials, equipment, work, and labor, as 20087
specified and provided in the contracts, for the prices stipulated 20088
therein. With the approval of the director of natural resources, 20089
the chief may reclaim the land in the same manner as the chief 20090
required of the operator who failed to reclaim the land. Each 20091
contract awarded by the chief shall be awarded to the lowest 20092
responsive and responsible bidder, in accordance with section 20093
9.312 of the Revised Code, after sealed bids are received, opened, 20094
and published at the time and place fixed by the chief. The chief 20095
shall publish notice of the time and place at which bids will be 20096
received, opened, and published, at least once at least ten days 20097
before the date of the opening of the bids, in a newspaper of 20098
general circulation in the county in which the area of land to be 20099
reclaimed under the contract is located. If, after so advertising 20100
for bids, no bids are received by the chief at the time and place 20101
fixed for receiving them, the chief may advertise again for bids, 20102
or, if the chief considers the public interest will be best 20103
served, the chief may enter into a contract for the reclamation of 20104
the area of land without further advertisement for bids. The chief 20105
may reject any or all bids received and again publish notice of 20106
the time and place at which bids for contracts will be received, 20107
opened, and published. 20108

(C) With the approval of the director, the chief, without 20109
advertising for bids, may enter into a contract with the 20110
landowner, a surface or in-stream mine operator or coal mine 20111
operator mining under a current, valid permit issued under this 20112
chapter or Chapter 1513. of the Revised Code, or a contractor 20113
hired by a surety to complete reclamation, to carry out 20114
reclamation on land affected by surface or in-stream mining 20115

operations that an operator has failed to reclaim. 20116

(D) With the approval of the director, the chief may carry 20117
out all or part of the reclamation work on land affected by 20118
surface or in-stream mining operations that the operator has 20119
failed to reclaim using the employees and equipment of any 20120
division of the department of natural resources. 20121

(E) The chief shall require every contractor performing 20122
reclamation work under this section to pay workers at the greater 20123
of their regular rate of pay, as established by contract, 20124
agreement, or prior custom or practice, or the average wage rate 20125
paid in this state for the same or similar work, as determined by 20126
the chief under section 1513.02 of the Revised Code. 20127

(F) Each contract entered into by the chief under this 20128
section shall provide only for the reclamation of land affected by 20129
the surface or in-stream mining operation or operations of one 20130
operator and not reclaimed by the operator as required by this 20131
chapter. If there is money in the fund derived from the 20132
performance bond deposited with the chief by one operator to 20133
ensure the reclamation of two or more areas of land affected by 20134
the surface or in-stream mining operation or operations of one 20135
operator and not reclaimed by the operator as required by this 20136
chapter, the chief may award a single contract for the reclamation 20137
of all such areas of land. 20138

(G) The cost of the reclamation work done under this section 20139
on each area of land affected by surface or in-stream mining 20140
operations that an operator has failed to reclaim shall be paid 20141
out of the money in the fund derived from the performance bond 20142
that was deposited with the chief to ensure the reclamation of 20143
that area of land. ~~If the amount of money is not sufficient to pay~~ 20144
~~the cost of doing all of the reclamation work on the area of land~~ 20145
~~that the operator should have done, but failed to do, the chief~~ 20146
~~may expend from the reclamation forfeiture fund created in section~~ 20147

~~1513.18 of the Revised Code or the surface mining fund created in~~ 20148
~~this section the amount of money needed to complete reclamation to~~ 20149
~~the standards required by this chapter.~~ The operator is liable for 20150
that expense in addition to any other liabilities imposed by law. 20151
At the request of the chief, the attorney general shall bring an 20152
action against the operator for the amount of the expenditures 20153
from ~~either~~ the mining regulation and safety fund. ~~Moneys~~ Money so 20154
recovered shall be deposited in the state treasury to the credit 20155
of the that fund ~~from which the expenditures were made.~~ 20156

~~(H) If any part of the money in the surface mining fund~~ 20157
~~remains in the fund after the chief has caused the area of land to~~ 20158
~~be reclaimed and has paid all the reclamation costs and expenses,~~ 20159
~~or if any money remains because the area of land has been~~ 20160
~~repermitted under this chapter or reclaimed by a person other than~~ 20161
~~the chief, the chief may expend the remaining money to complete~~ 20162
~~other reclamation work performed under this section. The chief~~ 20163
~~shall prepare an annual report that summarizes the money credited~~ 20164
~~to the fund and expenditures made from the fund and post the~~ 20165
~~report on the division of mineral resources management's web site.~~ 20166

Sec. 1514.071. (A) In addition to any other penalties 20167
established under this chapter, the chief of the division of 20168
mineral resources management may assess a civil penalty against 20169
any person who fails to comply with an order issued by the chief 20170
under section 1514.07 of the Revised Code by the date specified in 20171
the order or as subsequently extended by the chief. 20172

(B) Civil penalties assessed under this section shall not 20173
exceed one thousand dollars for each occurrence of noncompliance 20174
with an order. Each day of continuing noncompliance, up to a 20175
maximum of thirty days, may be deemed a separate occurrence for 20176
purposes of penalty assessments. In determining the amount of the 20177
assessment, the chief shall consider the seriousness of the 20178

noncompliance, the effect of the noncompliance, and the operator's 20179
history of noncompliance. 20180

(C) Upon issuance of a notice of noncompliance with an order, 20181
the chief shall inform the person to whom the notice of 20182
noncompliance is issued of the amount of any civil penalty to be 20183
assessed and provide an opportunity for an adjudicatory hearing 20184
with the reclamation commission pursuant to section 1514.09 of the 20185
Revised Code. The person charged with the penalty shall have 20186
thirty days from receipt of the assessment to pay the penalty in 20187
full or, if the person wishes to contest the amount of the 20188
penalty, file a petition for review of the assessment with the 20189
commission pursuant to section 1514.09 of the Revised Code and 20190
forward the amount of the penalty to the secretary of the 20191
commission as required by this division. Failure to forward the 20192
money to the secretary within thirty days after the chief informs 20193
the person of the amount of the penalty shall result in a waiver 20194
of all legal rights to contest the amount of the penalty. 20195

If, after a hearing, the commission affirms or modifies the 20196
amount of the penalty, the person charged with the penalty shall 20197
have thirty days after receipt of the written decision to file an 20198
appeal from the commission's order in accordance with section 20199
1514.09 of the Revised Code. 20200

At the time that the petition for review of the assessment is 20201
filed with the secretary, the person shall forward the amount of 20202
the penalty to the secretary for placement in the reclamation 20203
penalty fund created in division (F)(3) of section 1513.02 of the 20204
Revised Code. Pursuant to administrative or judicial review of the 20205
penalty, the secretary shall do either of the following: 20206

(1) If it is determined that the amount of the penalty should 20207
be reduced, within thirty days, remit the appropriate amount of 20208
the penalty to the person, with interest, and forward any balance 20209
of the penalty, with interest, to the chief for deposit in the 20210

~~surface~~ mining regulation and safety fund created in section 20211
~~1514.06~~ 1513.30 of the Revised Code for reclamation of abandoned 20212
surface or in-stream mining operations in the state; 20213

(2) If the penalty was not reduced, forward the entire 20214
penalty, with interest, to the chief for deposit in the ~~surface~~ 20215
mining regulation and safety fund for reclamation of abandoned 20216
surface or in-stream mining operations in the state. 20217

(D) Civil penalties owed under this section may be recovered 20218
in a civil action brought by the attorney general upon the request 20219
of the chief. 20220

Sec. 1514.11. In addition to the purposes otherwise 20221
authorized ~~in section 1514.06 of the Revised Code~~ by law, the 20222
chief of the division of mineral resources management may use 20223
~~moneys~~ money in the ~~surface~~ mining regulation and safety fund 20224
created under ~~that~~ section 1513.30 of the Revised Code for the 20225
administration and enforcement of this chapter, for the 20226
reclamation of land affected by surface or in-stream mining under 20227
a permit issued under this chapter that the operator failed to 20228
reclaim and for which the performance bond filed by the operator 20229
is insufficient to complete the reclamation, and for the 20230
reclamation of land affected by surface or in-stream mining that 20231
was abandoned and left unreclaimed and for which no permit was 20232
issued or bond filed under this chapter. Also, the chief may use 20233
the portion of the ~~surface~~ mining regulation and safety fund that 20234
consists of ~~moneys~~ money collected from the severance taxes levied 20235
under section 5749.02 of the Revised Code for mine safety and 20236
first aid training. For purposes of reclamation under this 20237
section, the chief shall expend ~~moneys~~ money in the fund in 20238
accordance with the procedures and requirements established in 20239
section 1514.06 of the Revised Code and may enter into contracts 20240
and perform work in accordance with that section. 20241

Fees collected under sections 1514.02 and 1514.03 of the Revised Code, ~~one half of the moneys and money~~ collected from the severance taxes levied under ~~divisions (A)(3) and (4)~~ of section 5749.02 of the Revised Code, ~~and all of the moneys collected from the severance tax levied under division (A)(7) of section 5749.02 of the Revised Code~~ shall be credited to the fund in accordance with those sections. Notwithstanding any section of the Revised Code relating to the distribution or crediting of fines for violations of the Revised Code, all fines imposed under section 1514.99 of the Revised Code shall be credited to the fund.

Sec. 1514.46. If the operator of a surface mining operation requests the division of mineral resources management to conduct mine safety training, the chief of the division of mineral resources management shall conduct mine safety training for the employees of that operator. For persons who are not employed by a holder of a surface mining permit issued under this chapter and who seek the training, the chief may charge a fee in an amount established in rules for conducting it. The safety training shall be conducted in accordance with rules and shall emphasize the standards adopted in rules and include any other content that the chief determines is beneficial. Any fees collected under this section shall be deposited in the state treasury to the credit of the ~~surface~~ mining regulation and safety fund created in section ~~1514.06~~ 1513.30 of the Revised Code.

Sec. 1521.06. (A) No dam may be constructed for the purpose of storing, conserving, or retarding water, or for any other purpose, nor shall any levee be constructed for the purpose of diverting or retaining flood water, unless the person or governmental agency desiring the construction has a construction permit for the dam or levee issued by the chief of the division of water resources.

A construction permit is not required under this section for: 20273

(1) A dam that is or will be less than ten feet in height and 20274
that has or will have a storage capacity of not more than fifty 20275
acre-feet at the elevation of the top of the dam, as determined by 20276
the chief. For the purposes of this section, the height of a dam 20277
shall be measured from the natural stream bed or lowest ground 20278
elevation at the downstream or outside limit of the dam to the 20279
elevation of the top of the dam. 20280

(2) A dam, regardless of height, that has or will have a 20281
storage capacity of not more than fifteen acre-feet at the 20282
elevation of the top of the dam, as determined by the chief; 20283

(3) A dam, regardless of storage capacity, that is or will be 20284
six feet or less in height, as determined by the chief; 20285

(4) A dam or levee that belongs to a class exempted by the 20286
chief; 20287

(5) The repair, maintenance, improvement, alteration, or 20288
removal of a dam or levee that is subject to section 1521.062 of 20289
the Revised Code, unless the construction constitutes an 20290
enlargement or reconstruction of the structure as determined by 20291
the chief; 20292

(6) A dam or impoundment constructed under Chapter 1513. of 20293
the Revised Code. 20294

(B) Before a construction permit may be issued, three copies 20295
of the plans and specifications, including a detailed cost 20296
estimate, for the proposed construction, prepared by a registered 20297
professional engineer, together with ~~the~~ any filing fee specified 20298
by rules adopted by the chief in accordance with division (I) of 20299
this section and the bond or other security required by section 20300
1521.061 of the Revised Code, shall be filed with the chief. The 20301
detailed estimate of the cost shall include all costs associated 20302
with the construction of the dam or levee, including supervision 20303

and inspection of the construction by a registered professional 20304
engineer. ~~The filing fee shall be based on the detailed cost~~ 20305
~~estimate for the proposed construction as filed with and approved~~ 20306
~~by the chief, and shall be determined by the following schedule~~ 20307
~~unless otherwise provided by rules adopted under this section:~~ 20308

~~(1) For the first one hundred thousand dollars of estimated~~ 20309
~~cost, a fee of four per cent;~~ 20310

~~(2) For the next four hundred thousand dollars of estimated~~ 20311
~~cost, a fee of three per cent;~~ 20312

~~(3) For the next five hundred thousand dollars of estimated~~ 20313
~~cost, a fee of two per cent;~~ 20314

~~(4) For all costs in excess of one million dollars, a fee of~~ 20315
~~one half of one per cent.~~ 20316

~~In no case shall the filing fee be less than one thousand~~ 20317
~~dollars or more than one hundred thousand dollars. If the actual~~ 20318
~~cost exceeds the estimated cost by more than fifteen per cent, an~~ 20319
~~additional filing fee shall be required equal to the fee~~ 20320
~~determined by the preceding schedule less the original filing fee.~~ 20321
All fees collected pursuant to this section, and all fines 20322
collected pursuant to section 1521.99 of the Revised Code, shall 20323
be deposited in the state treasury to the credit of the dam safety 20324
fund, which is hereby created. Expenditures from the fund shall be 20325
made by the chief for the purpose of administering this section 20326
and sections 1521.061 and 1521.062 of the Revised Code. 20327

(C) The chief shall, within thirty days from the date of the 20328
receipt of the application, fee, and bond or other security, issue 20329
or deny a construction permit for the construction or may issue a 20330
construction permit conditioned upon the making of such changes in 20331
the plans and specifications for the construction as the chief 20332
considers advisable if the chief determines that the construction 20333
of the proposed dam or levee, in accordance with the plans and 20334

specifications filed, would endanger life, health, or property. 20335

(D) The chief may deny a construction permit after finding 20336
that a dam or levee built in accordance with the plans and 20337
specifications would endanger life, health, or property, because 20338
of improper or inadequate design, or for such other reasons as the 20339
chief may determine. 20340

In the event the chief denies a permit for the construction 20341
of the dam or levee, or issues a permit conditioned upon a making 20342
of changes in the plans or specifications for the construction, 20343
the chief shall state the reasons therefor and so notify, in 20344
writing, the person or governmental agency making the application 20345
for a permit. If the permit is denied, the chief shall return the 20346
bond or other security to the person or governmental agency making 20347
application for the permit. 20348

The decision of the chief conditioning or denying a 20349
construction permit is subject to appeal as provided in Chapter 20350
119. of the Revised Code. A dam or levee built substantially at 20351
variance from the plans and specifications upon which a 20352
construction permit was issued is in violation of this section. 20353
The chief may at any time inspect any dam or levee, or site upon 20354
which any dam or levee is to be constructed, in order to determine 20355
whether it complies with this section. 20356

(E) A registered professional engineer shall inspect the 20357
construction for which the permit was issued during all phases of 20358
construction and shall furnish to the chief such regular reports 20359
of the engineer's inspections as the chief may require. When the 20360
chief finds that construction has been fully completed in 20361
accordance with the terms of the permit and the plans and 20362
specifications approved by the chief, the chief shall approve the 20363
construction. When one year has elapsed after approval of the 20364
completed construction, and the chief finds that within this 20365
period no fact has become apparent to indicate that the 20366

construction was not performed in accordance with the terms of the 20367
permit and the plans and specifications approved by the chief, or 20368
that the construction as performed would endanger life, health, or 20369
property, the chief shall release the bond or other security. No 20370
bond or other security shall be released until one year after 20371
final approval by the chief, unless the dam or levee has been 20372
modified so that it will not retain water and has been approved as 20373
nonhazardous after determination by the chief that the dam or 20374
levee as modified will not endanger life, health, or property. 20375

(F) When inspections required by this section are not being 20376
performed, the chief shall notify the person or governmental 20377
agency to which the permit has been issued that inspections are 20378
not being performed by the registered professional engineer and 20379
that the chief will inspect the remainder of the construction. 20380
Thereafter, the chief shall inspect the construction and the cost 20381
of inspection shall be charged against the owner. Failure of the 20382
registered professional engineer to submit required inspection 20383
reports shall be deemed notice that the engineer's inspections are 20384
not being performed. 20385

(G) The chief may order construction to cease on any dam or 20386
levee that is being built in violation of this section, and may 20387
prohibit the retention of water behind any dam or levee that has 20388
been built in violation of this section. The attorney general, 20389
upon written request of the chief, may bring an action for an 20390
injunction against any person who violates this section or to 20391
enforce an order or prohibition of the chief made pursuant to this 20392
section. 20393

(H) The chief may adopt rules in accordance with Chapter 119. 20394
of the Revised Code, for the design and construction of dams and 20395
levees for which a construction permit is required by this section 20396
or for which periodic inspection is required by section 1521.062 20397
of the Revised Code, ~~for establishing a filing fee schedule in~~ 20398

~~lieu of the schedule established under division (B) of this section,~~ for deposit and forfeiture of bonds and other securities required by section 1521.061 of the Revised Code, for the periodic inspection, operation, repair, improvement, alteration, or removal of all dams and levees, as specified in section 1521.062 of the Revised Code, and for establishing classes of dams or levees that are exempt from the requirements of this section and section 1521.062 of the Revised Code as being of a size, purpose, or situation that does not present a substantial hazard to life, health, or property. The chief may, by rule, limit the period during which a construction permit issued under this section is valid. The rules may allow for the extension of the period during which a permit is valid upon written request, provided that the written request includes a revised construction cost estimate, and may require the payment of an additional filing fee for the requested extension. If a construction permit expires without an extension before construction is completed, the person or agency shall apply for a new permit, and shall not continue construction until the new permit is issued.

(I) The chief shall adopt rules in accordance with Chapter 119. of the Revised Code establishing a filing fee schedule for purposes of division (B) of this section.

Sec. 1521.063. (A) Except for the federal government, the owner of a dam, that is classified as a class I, class II, or class III dam under rules adopted under section 1521.06 of the Revised Code and subject to section 1521.062 of the Revised Code shall pay an annual fee, ~~based upon the height of the dam, the linear foot length of the dam, and the per acre foot of volume of water impounded by the dam~~ in accordance with the annual fee schedule established in rules adopted under division (B) of this section. township trustees by section 517.21 of the Revised Code and shall 20824
pay any costs resulting from the exercise of these powers. This 20825

Revised Code in any part of a cemetery other than the area 20828

such board, any such portion of said lands, and apply the proceeds 20842
thereof to the general purposes of the company or association; but 20843

the board to the auditor of the proper county and placed by that 20845

Such company or association may also take, set aside, or hold 20848
any personal property received by it from any source for cemetery 20849

owned or held by it, or for its use, for cemetery purposes and 20852
with no view to profit, shall be exempt from execution, from being 20853
appropriated for any public purpose, and from taxation, and no tax 20854

~~This chapter does not authorize the exemption of real 20857

taxation under section 501(c)(13) of the "Internal Revenue Code of 20860
1954," 26 U.S.C.A. 501, or any successor provision. 20861~~

All exemptions ~~from taxation~~ provided for in this section 20862
shall be in addition to such other exemptions ~~from taxation~~ as a 20863

company or association incorporated for cemetery purposes, or its 20864
real or personal property, has under any other provisions of the 20865
Revised Code. 20866

Sec. 1721.10. Except as otherwise provided in this section, 20867

public or for private use, and recorded or filed as such in the 20869

situated, and any burial ground that has been used as such for 20871
fifteen years are exempt from sale on execution on a judgment, 20872
~~taxation,~~ dower, and compulsory partition; but land appropriated 20873
and set apart as a private burial ground is not so exempt if it 20874
exceeds in value the sum of fifty dollars. 20875

The lien for taxes against such burial grounds may be 20876
enforced in the same manner prescribed for abandoned lands under 20877
sections 323.65 to 323.79 of the Revised Code except that the 20878
burial ground may be transferred only to a municipal corporation, 20879
county, or township under division (D) of section 323.74 of the 20880
Revised Code. No burial ground that is otherwise exempt from sale 20881

(6) In any other case of the unlawful and forcible detention 20903
of lands or tenements. For purposes of this division, in addition 20904
to any other type of unlawful and forcible detention of lands or 20905
tenements, such a detention may be determined to exist when both 20906
of the following apply: 20907

(a) A tenant fails to vacate residential premises within 20908
three days after both of the following occur: 20909

(i) The tenant's landlord has actual knowledge of or has 20910
reasonable cause to believe that the tenant, any person in the 20911
tenant's household, or any person on the premises with the consent 20912
of the tenant previously has or presently is engaged in a 20913
violation of Chapter 2925. or 3719. of the Revised Code, or of a 20914
municipal ordinance that is substantially similar to any section 20915
in either of those chapters, which involves a controlled substance 20916
and which occurred in, is occurring in, or otherwise was or is 20917
connected with the premises, whether or not the tenant or other 20918
person has been charged with, has pleaded guilty to or been 20919
convicted of, or has been determined to be a delinquent child for 20920
an act that, if committed by an adult, would be a violation as 20921
described in this division. For purposes of this division, a 20922
landlord has "actual knowledge of or has reasonable cause to 20923
believe" that a tenant, any person in the tenant's household, or 20924

any person on the premises with the consent of the tenant 20925
previously has or presently is engaged in a violation as described 20926
in this division if a search warrant was issued pursuant to 20927
Criminal Rule 41 or Chapter 2933. of the Revised Code; the 20928
affidavit presented to obtain the warrant named or described the 20929
tenant or person as the individual to be searched and particularly 20930
described the tenant's premises as the place to be searched, named 20931
or described one or more controlled substances to be searched for 20932
and seized, stated substantially the offense under Chapter 2925. 20933
or 3719. of the Revised Code or the substantially similar 20934
municipal ordinance that occurred in, is occurring in, or 20935
otherwise was or is connected with the tenant's premises, and 20936
states the factual basis for the affiant's belief that the 20937
controlled substances are located on the tenant's premises; the 20938
warrant was properly executed by a law enforcement officer and any 20939
controlled substance described in the affidavit was found by that 20940
officer during the search and seizure; and, subsequent to the 20941
search and seizure, the landlord was informed by that or another 20942
law enforcement officer of the fact that the tenant or person has 20943
or presently is engaged in a violation as described in this 20944
division and it occurred in, is occurring in, or otherwise was or 20945
is connected with the tenant's premises. 20946

(ii) The landlord gives the tenant the notice required by 20947
division (C) of section 5321.17 of the Revised Code. 20948

(b) The court determines, by a preponderance of the evidence, 20949
that the tenant, any person in the tenant's household, or any 20950
person on the premises with the consent of the tenant previously 20951
has or presently is engaged in a violation as described in 20952
division (A)(6)(a)(i) of this section. 20953

(7) In cases arising out of Chapter 5313. of the Revised 20954
Code. In those cases, the court has the authority to declare a 20955
forfeiture of the vendee's rights under a land installment 20956

contract and to grant any other claims arising out of the 20957
contract. 20958

(8) Against tenants who have breached an obligation that is 20959
imposed by section 5321.05 of the Revised Code, other than the 20960
obligation specified in division (A)(9) of that section, and that 20961
materially affects health and safety. Prior to the commencement of 20962
an action under this division, notice shall be given to the tenant 20963
and compliance secured with section 5321.11 of the Revised Code. 20964

(9) Against tenants who have breached an obligation imposed 20965
upon them by a written rental agreement; 20966

(10) Against manufactured home park residents who have 20967
defaulted in the payment of rent or breached the terms of a rental 20968
agreement with a park operator. Nothing in this division precludes 20969
the commencement of an action under division (A)(12) of this 20970
section when the additional circumstances described in that 20971
division apply. 20972

(11) Against manufactured home park residents who have 20973
committed two material violations of the rules of the manufactured 20974
home park, of the ~~manufactured homes commission~~ division of 20975
industrial compliance of the department of commerce, or of 20976

been notified of the violations in compliance with section 4781.45 20978
of the Revised Code; 20979

(12) Against a manufactured home park resident, or the estate 20980
of a manufactured home park resident, who as a result of death or 20981
otherwise has been absent from the manufactured home park for a 20982
period of thirty consecutive days prior to the commencement of an 20983
action under this division and whose manufactured home or mobile 20984
home, or recreational vehicle that is parked in the manufactured 20985

without notice to the park operator and without payment of rent 20987

due under the rental agreement with the park operator; 20988

(13) Against occupants of self-service storage facilities, as 20989

(14) Against any resident or occupant who, pursuant to a 20993
rental agreement, resides in or occupies residential premises 20994
located within one thousand feet of any school premises or 20995
preschool or child day-care center premises and to whom both of 20996
the following apply: 20997

registry of sex offenders and child-victim offenders maintained 20999
under section 2950.13 of the Revised Code. 21000

offenders indicates that the resident or occupant was convicted of 21002
or pleaded guilty to a sexually oriented offense or a child-victim 21003
oriented offense in a criminal prosecution and was not sentenced 21004
to a serious youthful offender dispositional sentence for that 21005
offense. 21006

(15) Against any tenant who permits any person to occupy 21007
residential premises located within one thousand feet of any 21008

offenders and child-victim offenders maintained under section 21012
2950.13 of the Revised Code. 21013

offenders indicates that the person was convicted of or pleaded 21015
guilty to a sexually oriented offense or a child-victim oriented 21016
offense in a criminal prosecution and was not sentenced to a 21017
serious youthful offender dispositional sentence for that offense. 21018

(B) If a tenant or manufactured home park resident holding 21019
under an oral tenancy is in default in the payment of rent, the 21020
tenant or resident forfeits the right of occupancy, and the 21021
landlord may, at the landlord's option, terminate the tenancy by 21022
notifying the tenant or resident, as provided in section 1923.04 21023
of the Revised Code, to leave the premises, for the restitution of 21024
which an action may then be brought under this chapter. 21025

(C)(1) If a tenant or any other person with the tenant's 21026
permission resides in or occupies residential premises that are 21027
located within one thousand feet of any school premises and is a 21028
resident or occupant of the type described in division (A)(14) of 21029
this section or a person of the type described in division (A)(15) 21030
of this section, the landlord for those residential premises, upon 21031
discovery that the tenant or other person is a resident, occupant, 21032
or person of that nature, may terminate the rental agreement or 21033
tenancy for those residential premises by notifying the tenant and 21034
all other occupants, as provided in section 1923.04 of the Revised 21035
Code, to leave the premises. 21036

(2) If a landlord is authorized to terminate a rental 21037
agreement or tenancy pursuant to division (C)(1) of this section 21038
but does not so terminate the rental agreement or tenancy, the 21039
landlord is not liable in a tort or other civil action in damages 21040
for any injury, death, or loss to person or property that 21041
allegedly result from that decision. 21042

(D) This chapter does not apply to a student tenant as 21043

nonprofit entity also is subject to financial audits under section 21222

All special masters shall have been engaged in the practice of law 21793
in this state for at least four years and be in good standing with 21794
the supreme court at the time of designation or hiring. The clerk 21795
may assign administrative and clerical work associated with 21796
complaints brought under this section to current employees or may 21797
hire such additional employees as may be necessary to perform such 21798
work. 21799

(B) The clerk of the court of common pleas in each county 21800
shall act as the clerk of the court of claims for purposes of 21801
accepting those complaints filed with the clerk under division 21802

may seek relief under that section or under this section, 21808
provided, however, that if the allegedly aggrieved person files a 21809
complaint under either section, that person may not seek relief 21810
that pertains to the same request for records in a complaint filed 21811
under the other section. 21812

(2) If the allegedly aggrieved person files a complaint under 21813
this section and the court of claims determines that the complaint 21814
constitutes a case of first impression that involves an issue of 21815
substantial public interest, the court shall dismiss the complaint 21816
without prejudice and direct the allegedly aggrieved person to 21817
commence a mandamus action in the court of appeals with 21818
appropriate jurisdiction as provided in division (C)(1) of section 21819
149.43 of the Revised Code. 21820

(D)(1) An allegedly aggrieved person who proceeds under this section shall file a complaint, on a form prescribed by the clerk of the court of claims, with the clerk of the court of claims or with the clerk of the court of common pleas of the county in which the public office from which the records are requested is located. The person shall attach to the complaint copies of the original records request and any written responses or other communications relating to the request from the public office or person responsible for public records and shall pay a filing fee of twenty-five dollars made payable to the clerk of the court with whom the complaint is filed. The clerk shall serve a copy of the complaint on the public office or person responsible for public records for the particular public office in accordance with Civil Rule 4.1 and, if the complaint is filed with the clerk of the court of common pleas, shall forward the complaint to the clerk of the court of claims, and to no other court, within three business days after service is complete.

(2) Upon receipt of a complaint filed under division (D)(1) of this section, the clerk of the court of claims shall assign a case number for the action and a special master to examine the complaint. Notwithstanding any provision to the contrary in this section, upon the recommendation of the special master, the court of claims on its own motion may dismiss the complaint at any time. The allegedly aggrieved person may voluntarily dismiss the complaint filed by that person under division (D)(1) of this section.

(E)(1) Upon service of a complaint under division (D)(1) of this section, except as otherwise provided in this division, the special master assigned by the clerk under division (D)(2) of this section immediately shall refer the case to mediation services that the court of claims makes available to persons. If, in the interest of justice considering the circumstances of the case or

the parties, the special master determines that the case should 21853
not be referred to mediation, the special master shall notify the 21854
court that the case was not referred to mediation, and the case 21855
shall proceed in accordance with division (F) of this section. If 21856
the case is referred to mediation, any further proceedings under 21857
division (F) of this section shall be stayed until the conclusion 21858
of the mediation. Any mediation proceedings under this division 21859
may be conducted by teleconference, telephone, or other electronic 21860
means. If an agreement is reached during mediation, the court 21861
shall dismiss the complaint. If an agreement is not reached, the 21862
special master shall notify the court that the case was not 21863
resolved and that the mediation has been terminated. 21864

(2) Within ten business days after the termination of the 21865
mediation or the notification to the court that the case was not 21866
referred to mediation under division (E)(1) of this section, the 21867
public office or person responsible for public records shall file 21868
a response, and if applicable, a motion to dismiss the complaint, 21869
with the clerk of the court of claims and transmit copies of the 21870
pleadings to the allegedly aggrieved party. No further motions or 21871
pleadings shall be accepted by the clerk of the court of claims or 21872
by the special master assigned by the clerk under division (D)(2) 21873
of this section unless the special master directs in writing that 21874
a further motion or pleading be filed. 21875

(3) All of the following apply prior to the submission of the 21876
special master's report and recommendation to the court of claims 21877
under division (F)(1) of this section: 21878

(a) The special master shall not permit any discovery. 21879

(b) The parties may attach supporting affidavits to their 21880
respective pleadings. 21881

(c) The special master may require either or both of the 21882
parties to submit additional information or documentation 21883

supported by affidavits. 21884

(F)(1) Not later than seven business days after receiving the 21885
response, or motion to dismiss the complaint, if applicable, of 21886
the public office or person responsible for public records, the 21887
special master shall submit to the court of claims a report and 21888
recommendation based on the ordinary application of statutory law 21889
and case law as they existed at the time of the filing of the 21890
complaint. For good cause shown, the special master may extend the 21891
seven-day period for the submission of the report and 21892
recommendation to the court of claims under this division by an 21893
additional seven business days. 21894

(2) Upon submission of the special master's report and 21895
recommendation to the court of claims under division (F)(1) of 21896
this section, the clerk shall send copies of the report and 21897
recommendation to each party by certified mail, return receipt 21898
requested, not later than three business days after the report and 21899
recommendation is filed. Either party may object to the report and 21900
recommendation within seven business days after receiving the 21901
report and recommendation by filing a written objection with the 21902
clerk and sending a copy to the other party by certified mail, 21903
return receipt requested. Any objection to the report and 21904
recommendation shall be specific and state with particularity all 21905
grounds for the objection. If neither party timely objects, the 21906
court of claims shall promptly issue a final order adopting the 21907
report and recommendation, unless it determines that there is an 21908
error of law or other defect evident on the face of the report and 21909
recommendation. If either party timely objects, the other party 21910
may file with the clerk a response within seven business days 21911
after receiving the objection and send a copy of the response to 21912
the objecting party by certified mail, return receipt requested. 21913
The court, within seven business days after the response to the 21914
objection is filed, shall issue a final order that adopts, 21915

modifies, or rejects the report and recommendation. 21916

(3) If the court of claims determines that the public office 21917
or person responsible for the public records denied the aggrieved 21918
person access to the public records in violation of division (B) 21919
of section 149.43 of the Revised Code and if no appeal from the 21920
court's final order is taken under division (G) of this section, 21921
both of the following apply: 21922

(a) The public office or the person responsible for the 21923
public records shall permit the aggrieved person to inspect or 21924
receive copies of the public records that the court requires to be 21925
disclosed in its order. 21926

(b) The aggrieved person shall be entitled to recover from 21927
the public office or person responsible for the public records the 21928
amount of the filing fee of twenty-five dollars and any other 21929
costs associated with the action that are incurred by the 21930
aggrieved person, but shall not be entitled to recover attorney's 21931
fees, except that division (G)(2) of this section applies if an 21932
appeal is taken under division (G)(1) of this section. 21933

(G)(1) Any appeal from a final order of the court of claims 21934
under this section or from an order of the court of claims 21935
dismissing the complaint as provided in division (D)(2) of this 21936
section shall be taken to the court of appeals of the appellate 21937
district where the principal place of business of the public 21938
office from which the public record is requested is located. 21939
However, no appeal may be taken from a final order of the court of 21940
claims that adopts the special master's report and recommendation 21941
unless a timely objection to that report and recommendation was 21942
filed under division (F)(2) of this section. If the court of 21943
claims materially modifies the special master's report and 21944
recommendation, either party may take an appeal to the court of 21945
appeals of the appellate district of the principal place of 21946
business where that public office is located but the appeal shall 21947

be limited to the issue in the report and recommendation that is 21948
materially modified by the court of claims. In order to facilitate 21949
the expeditious resolution of disputes over alleged denials of 21950
access to public records in violation of division (B) of section 21951
149.43 of the Revised Code, the appeal shall be given such 21952
precedence over other pending matters as will ensure that the 21953
court will reach a decision promptly. 21954

(2) If a court of appeals in any appeal taken under division 21955
(G)(1) of this section by the public office or person responsible 21956
for the public records determines that the public office or person 21957
denied the aggrieved person access to the public records in 21958
violation of division (B) of section 149.43 of the Revised Code 21959
and obviously filed the appeal with the intent to either delay 21960
compliance with the court of claims' order from which the appeal 21961
is taken for no reasonable cause or unduly harass the aggrieved 21962
person, the court of appeals may award reasonable attorney's fees 21963
to the aggrieved person in accordance with division (C) of section 21964
149.43 of the Revised Code. No discovery may be conducted on the 21965
issue of the public office or person responsible for the public 21966
records filing the appeal with the alleged intent to either delay 21967
compliance with the court of claims' order for no reasonable cause 21968
or unduly harass the aggrieved person. This division shall not be 21969
construed as creating a presumption that the public office or the 21970
person responsible for the public records filed the appeal with 21971
the intent to either delay compliance with the court of claims' 21972
order for no reasonable cause or unduly harass the aggrieved 21973
person. 21974

(H) The powers of the court of claims prescribed in section 21975
2743.05 of the Revised Code apply to the proceedings in that court 21976
under this section. 21977

(I)(1) All filing fees collected by a clerk of the court of 21978
common pleas under division (D)(1) of this section shall be paid 21979

to the county treasurer for deposit into the county general 21980
revenue fund. All such money collected during a month shall be 21981
transmitted on or before the twentieth day of the following month 21982
by the clerk of the court of common pleas to the county treasurer. 21983

(2) All filing fees collected by the clerk of the court of 21984
claims under division (D)(1) of this section shall be ~~kept~~ 21985
deposited into the state treasury to the credit of the public 21986
records fund, which is hereby created. Money credited to the fund 21987
shall be used by the court of claims to assist in paying for its 21988
costs to implement this section. All investment earnings of the 21989
fund shall be credited to the fund. Not later than the first day 21990
of February of each year, the clerk of the court of claims shall 21991
prepare a report accessible to the public that details the fees 21992
collected during the preceding calendar year by the clerk of the 21993
court of claims and the clerks of the courts of common pleas under 21994
this section. 21995

(J) Nothing in this section shall be construed to limit the 21996
authority of the auditor of state under division (G) of section 21997
109.43 of the Revised Code. 21998

convictions are insufficient evidence that the person is unfit for 22884
the employment, or that the employer is unfit for the license or 22885
certification, in question. 22886

section 2961.01 or division (B) of section 2961.02 of the Revised 22890

(H) When the court or agency calculates gross income, the court or agency, when appropriate, may average income over a

reasonable period of years. 23311

(I) Unless it would be unjust or inappropriate and therefore 23312
not in the best interests of the child, a court or agency shall 23313
not determine a parent to be voluntarily unemployed or 23314
underemployed and shall not impute income to that parent if either 23315
of the following conditions exist: 23316

(1) The parent is receiving recurring monetary income from 23317
means-tested public assistance benefits, including cash assistance 23318
payments under the Ohio works first program established under 23319
Chapter 5107. of the Revised Code, ~~financial assistance under the~~ 23320
~~disability financial assistance program established under Chapter~~ 23321
~~5115. of the Revised Code,~~ supplemental security income, or 23322
means-tested veterans' benefits; 23323

(2) The parent is incarcerated or institutionalized for a 23324
period of twelve months or more with no other available assets, 23325
unless the parent is incarcerated for an offense relating to the 23326
abuse or neglect of a child who is the subject of the support 23327
order or an offense under Title XXIX of the Revised Code when the 23328
obligee or a child who is the subject of the support order is a 23329
victim of the offense. 23330

(J) When a court or agency requires a parent to pay an amount 23331
for that parent's failure to support a child for a period of time 23332
prior to the date the court modifies or issues a court child 23333
support order or an agency modifies or issues an administrative 23334
child support order for the current support of the child, the 23335
court or agency shall calculate that amount using the basic child 23336
support schedule, worksheets, and child support laws in effect, 23337
and the incomes of the parents as they existed, for that prior 23338
period of time. 23339

(K) A court or agency may disregard a parent's additional 23340
income from overtime or additional employment when the court or 23341

agency finds that the additional income was generated primarily to support a new or additional family member or members, or under other appropriate circumstances.

(L) If both parents involved in the immediate child support determination have a prior order for support relative to a minor child or children born to both parents, the court or agency shall collect information about the existing order or orders and consider those together with the current calculation for support to ensure that the total of all orders for all children of the parties does not exceed the amount that would have been ordered if all children were addressed in a single judicial or administrative proceeding.

Sec. 3121.03. If a court or child support enforcement agency that issued or modified a support order, or the agency administering the support order, is required by the Revised Code to issue one or more withholding or deduction notices described in this section or other orders described in this section, the court or agency shall issue one or more of the following types of notices or orders, as appropriate, for payment of the support and also, if required by the Revised Code or the court, to pay any arrearages:

(A)(1) If the court or the child support enforcement agency determines that the obligor is receiving income from a payor, the court or agency shall require the payor to do all of the following:

(a) Withhold from the obligor's income a specified amount for support in satisfaction of the support order and begin the withholding no later than fourteen business days following the date the notice is mailed or transmitted to the payor under section 3121.035, 3123.021, or 3123.06 of the Revised Code and division (A)(2) of this section or, if the payor is an employer,

no later than the first pay period that occurs after fourteen 23373
business days following the date the notice is mailed or 23374
transmitted; 23375

(b) Send the amount withheld to the office of child support 23376
in the department of job and family services pursuant to section 23377
3121.43 of the Revised Code immediately but not later than seven 23378
business days after the date the obligor is paid; 23379

(c) Continue the withholding at intervals specified in the 23380
notice until further notice from the court or child support 23381
enforcement agency. 23382

To the extent possible, the amount specified to be withheld 23383
shall satisfy the amount ordered for support in the support order 23384
plus any arrearages owed by the obligor under any prior support 23385
order that pertained to the same child or spouse, notwithstanding 23386
any applicable limitations of sections 2329.66, 2329.70, 2716.02, 23387
2716.041, and 2716.05 of the Revised Code. However, in no case 23388
shall the sum of the amount to be withheld and any fee withheld by 23389
the payor as a charge for its services exceed the maximum amount 23390
permitted under section 303(b) of the "Consumer Credit Protection 23391
Act," 15 U.S.C. 1673(b). 23392

(2) A court or agency that imposes an income withholding 23393
requirement shall, within the applicable time specified in section 23394
3119.80, 3119.81, 3121.035, 3123.021, or 3123.06 of the Revised 23395
Code, send to the obligor's payor by regular mail or via secure 23396
federally managed data transmission interface a notice that 23397
contains all of the information applicable to withholding notices 23398
set forth in section 3121.037 of the Revised Code. The notice is 23399
final and is enforceable by the court. 23400

(B)(1) If the court or child support enforcement agency 23401
determines that the obligor has funds that are not exempt under 23402
the laws of this state or the United States from execution, 23403

attachment, or other legal process and are on deposit in an 23404
account in a financial institution under the jurisdiction of the 23405
court that issued the court support order, or in the case of an 23406
administrative child support order, under the jurisdiction of the 23407
common pleas court of the county in which the agency that issued 23408
or is administering the order is located, the court or agency may 23409
require any financial institution in which the obligor's funds are 23410
on deposit to do all of the following: 23411

(a) Deduct from the obligor's account a specified amount for 23412
support in satisfaction of the support order and begin the 23413
deduction no later than fourteen business days following the date 23414
the notice was mailed or transmitted to the financial institution 23415
under section 3121.035 or 3123.06 of the Revised Code and division 23416
(B)(2) of this section; 23417

(b) Send the amount deducted to the office of child support 23418
in the department of job and family services pursuant to section 23419
3121.43 of the Revised Code immediately but not later than seven 23420
business days after the date the latest deduction was made; 23421

(c) Provide the date on which the amount was deducted; 23422

(d) Continue the deduction at intervals specified in the 23423
notice until further notice from the court or child support 23424
enforcement agency. 23425

To the extent possible, the amount to be deducted shall 23426
satisfy the amount ordered for support in the support order plus 23427
any arrearages that may be owed by the obligor under any prior 23428
support order that pertained to the same child or spouse, 23429
notwithstanding the limitations of sections 2329.66, 2329.70, and 23430
2716.13 of the Revised Code. 23431

(2) A court or agency that imposes a deduction requirement 23432
shall, within the applicable period of time specified in section 23433
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 23434

to the financial institution by regular mail or via secure 23435
federally managed data transmission interface a notice that 23436
contains all of the information applicable to deduction notices 23437
set forth in section 3121.037 of the Revised Code. The notice is 23438
final and is enforceable by the court. 23439

(C) With respect to any court support order it issues, a 23440
court may issue an order requiring the obligor to enter into a 23441
cash bond with the court. The court shall issue the order as part 23442
of the court support order or, if the court support order has 23443
previously been issued, as a separate order. The cash bond shall 23444
be in a sum fixed by the court at not less than five hundred nor 23445
more than ten thousand dollars, conditioned that the obligor will 23446
make payment as previously ordered and will pay any arrearages 23447
under any prior court support order that pertained to the same 23448
child or spouse. 23449

The order, along with an additional order requiring the 23450
obligor to immediately notify the child support enforcement 23451
agency, in writing, if the obligor begins to receive income from a 23452
payor, shall be attached to and served on the obligor at the same 23453
time as service of the court support order or, if the court 23454
support order has previously been issued, as soon as possible 23455
after the issuance of the order under this section. The additional 23456
order requiring notice by the obligor shall state all of the 23457
following: 23458

(1) That when the obligor begins to receive income from a 23459
payor the obligor may request that the court cancel its bond order 23460
and instead issue a notice requiring the withholding of an amount 23461
from income for support in accordance with this section; 23462

(2) That when the obligor begins to receive income from a 23463
payor the court will proceed to collect on the bond if the court 23464
determines that payments due under the court support order have 23465
not been made and that the amount that has not been paid is at 23466

least equal to the support owed for one month under the court 23467
support order and will issue a notice requiring the withholding of 23468
an amount from income for support in accordance with this section. 23469
The notice required of the obligor shall include a description of 23470
the nature of any new employment, the name and business address of 23471
any new employer, and any other information reasonably required by 23472
the court. 23473

The court shall not order an obligor to post a cash bond 23474
under this section unless the court determines that the obligor 23475
has the ability to do so. 23476

A child support enforcement agency may not issue a cash bond 23477
order. If a child support enforcement agency is required to issue 23478
a withholding or deduction notice under this section with respect 23479
to a court support order but the agency determines that no 23480
withholding or deduction notice would be appropriate, the agency 23481
may request that the court issue a cash bond order under this 23482
section, and upon the request, the court may issue the order. 23483

(D)(1) If the obligor under a court support order is 23484
unemployed, has no income, and does not have an account at any 23485
financial institution, or on request of a child support 23486
enforcement agency under division (D)(1) or (2) of this section, 23487
the court shall issue an order requiring the obligor, if able to 23488
engage in employment, to seek employment or participate in a work 23489
activity to which a recipient of assistance under Title IV-A of 23490
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 23491
as amended, may be assigned as specified in section 407(d) of the 23492
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 23493
shall include in the order requirements that the obligor register 23494
with the OhioMeansJobs web site and to notify the child support 23495
enforcement agency on obtaining employment, obtaining any income, 23496
or obtaining ownership of any asset with a value of five hundred 23497
dollars or more. The court may issue the order regardless of 23498

whether the obligee to whom the obligor owes support is a 23499
recipient of assistance under Title IV-A of the "Social Security 23500
Act." The court shall issue the order as part of a court support 23501
order or, if a court support order has previously been issued, as 23502
a separate order. If a child support enforcement agency is 23503
required to issue a withholding or deduction notice under this 23504
section with respect to a court support order but determines that 23505
no withholding or deduction notice would be appropriate, the 23506
agency may request that the court issue a court order under 23507
division (D)(1) of this section, and, on the request, the court 23508
may issue the order. 23509

(2) If the obligor under an administrative child support 23510
order is unemployed, has no income, and does not have an account 23511
at any financial institution, the agency shall issue an 23512
administrative order requiring the obligor, if able to engage in 23513
employment, to seek employment or participate in a work activity 23514
to which a recipient of assistance under Title IV-A of the "Social 23515
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 23516
may be assigned as specified in section 407(d) of the "Social 23517
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 23518
include in the order requirements that the obligor register with 23519
the OhioMeansJobs web site and to notify the agency on obtaining 23520
employment or income, or ownership of any asset with a value of 23521
five hundred dollars or more. The agency may issue the order 23522
regardless of whether the obligee to whom the obligor owes support 23523
is a recipient of assistance under Title IV-A of the "Social 23524
Security Act." If an obligor fails to comply with an 23525
administrative order issued pursuant to division (D)(2) of this 23526
section, the agency shall submit a request to a court for the 23527
court to issue an order under division (D)(1) of this section. 23528

Sec. 3301.07. The state board of education shall exercise 23529
under the acts of the general assembly general supervision of the 23530

system of public education in the state. In addition to the powers 23531
otherwise imposed on the state board under the provisions of law, 23532
the board shall have the powers described in this section. 23533

(A) The state board shall exercise policy forming, planning, 23534
and evaluative functions for the public schools of the state 23535
except as otherwise provided by law. 23536

(B)(1) The state board shall exercise leadership in the 23537
improvement of public education in this state, and administer the 23538
educational policies of this state relating to public schools, and 23539
relating to instruction and instructional material, building and 23540
equipment, transportation of pupils, administrative 23541
responsibilities of school officials and personnel, and finance 23542
and organization of school districts, educational service centers, 23543
and territory. Consultative and advisory services in such matters 23544
shall be provided by the board to school districts and educational 23545
service centers of this state. 23546

(2) The state board also shall develop a standard of 23547
financial reporting which shall be used by each school district 23548
board of education and each governing board of an educational 23549
service center, each governing authority of a community school 23550
established under Chapter 3314., each governing body of a STEM 23551
school established under Chapter 3328., and each board of trustees 23552
of a college-preparatory boarding school established under Chapter 23553
3328. of the Revised Code to make its financial information and 23554
annual budgets for each school building under its control 23555
available to the public in a format understandable by the average 23556
citizen. The format shall show, both at the district and at the 23557
school building level, revenue by source; expenditures for 23558
salaries, wages, and benefits of employees, showing such amounts 23559
separately for classroom teachers, other employees required to 23560
hold licenses issued pursuant to sections 3319.22 to 3319.31 of 23561
the Revised Code, and all other employees; expenditures other than 23562

for personnel, by category, including utilities, textbooks and 23563
other educational materials, equipment, permanent improvements, 23564
pupil transportation, extracurricular athletics, and other 23565
extracurricular activities; and per pupil expenditures. The format 23566
shall also include information on total revenue and expenditures, 23567
per pupil revenue, and expenditures for both classroom and 23568
nonclassroom purposes, as defined by the standards adopted under 23569
section 3302.20 of the Revised Code in the aggregate and for each 23570
subgroup of students, as defined by section 3317.40 of the Revised 23571
Code, that receives services provided for by state or federal 23572
funding. 23573

(3) Each school district board, governing authority, 23574
governing body, or board of trustees, or its respective designee, 23575
shall annually report, to the department of education, all 23576
financial information required by the standards for financial 23577
reporting, as prescribed by division (B)(2) of this section and 23578
adopted by the state board. The department shall make all reports 23579
submitted pursuant to this division available in such a way that 23580
allows for comparison between financial information included in 23581
these reports and financial information included in reports 23582
produced prior to July 1, 2013. The department shall post these 23583
reports in a prominent location on its web site and shall notify 23584
each school when reports are made available. 23585

(C) The state board shall administer and supervise the 23586
allocation and distribution of all state and federal funds for 23587
public school education under the provisions of law, and may 23588
prescribe such systems of accounting as are necessary and proper 23589
to this function. It may require county auditors and treasurers, 23590
boards of education, educational service center governing boards, 23591
treasurers of such boards, teachers, and other school officers and 23592
employees, or other public officers or employees, to file with it 23593
such reports as it may prescribe relating to such funds, or to the 23594

management and condition of such funds. 23595

(D)(1) Wherever in Titles IX, XXIII, XXIX, XXXIII, XXXVII, 23596
XLVII, and LI of the Revised Code a reference is made to standards 23597
prescribed under this section or division (D) of this section, 23598
that reference shall be construed to refer to the standards 23599
prescribed under division (D)(2) of this section, unless the 23600
context specifically indicates a different meaning or intent. 23601

(2) The state board shall formulate and prescribe minimum 23602
standards to be applied to all elementary and secondary schools in 23603
this state for the purpose of providing children access to a 23604
general education of high quality according to the learning needs 23605
of each individual, including students with disabilities, 23606
economically disadvantaged students, limited English proficient 23607
students, and students identified as gifted. Such standards shall 23608
provide adequately for: the licensing of teachers, administrators, 23609
and other professional personnel and their assignment according to 23610
training and qualifications; efficient and effective instructional 23611
materials and equipment, including library facilities; the proper 23612
organization, administration, and supervision of each school, 23613
including regulations for preparing all necessary records and 23614
reports and the preparation of a statement of policies and 23615
objectives for each school; the provision of safe buildings, 23616
grounds, health and sanitary facilities and services; admission of 23617
pupils, and such requirements for their promotion from grade to 23618
grade as will assure that they are capable and prepared for the 23619
level of study to which they are certified; requirements for 23620
graduation; and such other factors as the board finds necessary. 23621

The state board shall base any standards governing the 23622
promotion of students or requirements for graduation on the 23623
ability of students, at any grade level, to earn credits or 23624
advance upon demonstration of mastery of knowledge and skills 23625
through competency-based learning models. Credits of grade level 23626

advancement shall not require a minimum number of days or hours in a classroom. 23627
23628

The state board shall base any standards governing the assignment of staff on ensuring each school has a sufficient number of teachers to ensure a student has an appropriate level of interaction to meet each student's personal learning goals. 23629
23630
23631
23632

In the formulation and administration of such standards for nonpublic schools the board shall also consider the particular needs, methods and objectives of those schools, provided they do not conflict with the provision of a general education of a high quality and provided that regular procedures shall be followed for promotion from grade to grade of pupils who have met the educational requirements prescribed. 23633
23634
23635
23636
23637
23638
23639

(3) In addition to the minimum standards required by division (D)(2) of this section, the state board may formulate and prescribe the following additional minimum operating standards for school districts: 23640
23641
23642
23643

(a) Standards for the effective and efficient organization, administration, and supervision of each school district with a commitment to high expectations for every student based on the learning needs of each individual, including students with disabilities, economically disadvantaged students, limited English proficient students, and students identified as gifted, and commitment to closing the achievement gap without suppressing the achievement levels of higher achieving students so that all students achieve core knowledge and skills in accordance with the statewide academic standards adopted under section 3301.079 of the Revised Code; 23644
23645
23646
23647
23648

~~(b) Standards for the establishment of business advisory councils under section 3313.82 of the Revised Code;~~ 23655
23656

~~(e) Standards for school district buildings that may require~~ 23657

the effective and efficient organization, administration, and 23658
supervision of each school district building with a commitment to 23659
high expectations for every student based on the learning needs of 23660
each individual, including students with disabilities, 23661
economically disadvantaged students, limited English proficient 23662
students, and students identified as gifted, and commitment to 23663
closing the achievement gap without suppressing the achievement 23664

core knowledge and skills in accordance with the statewide 23666
academic standards adopted under section 3301.079 of the Revised 23667
Code. 23668

(E) The state board may require as part of the health 23669

Revised Code promoting the donation of anatomical gifts pursuant 23671

joint vocational school district boards of education; 23674

(F) The state board shall prepare and submit annually to the 23675
governor and the general assembly a report on the status, needs, 23676
and major problems of the public schools of the state, with 23677
recommendations for necessary legislative action and a ten-year 23678
projection of the state's public and nonpublic school enrollment, 23679
by year and by grade level. 23680

(G) The state board shall prepare and submit to the director 23681
of budget and management the biennial budgetary requests of the 23682
state board of education, for its agencies and for the public 23683
schools of the state. 23684

(H) The state board shall cooperate with federal, state, and 23685
local agencies concerned with the health and welfare of children 23686
and youth of the state. 23687

(I) The state board shall require such reports from school 23688

districts and educational service centers, school officers, and 23689
employees as are necessary and desirable. The superintendents and 23690
treasurers of school districts and educational service centers 23691
shall certify as to the accuracy of all reports required by law or 23692
state board or state department of education rules to be submitted 23693
by the district or educational service center and which contain 23694
information necessary for calculation of state funding. Any 23695
superintendent who knowingly falsifies such report shall be 23696
subject to license revocation pursuant to section 3319.31 of the 23697
Revised Code. 23698

(J) In accordance with Chapter 119. of the Revised Code, the 23699
state board shall adopt procedures, standards, and guidelines for 23700
the education of children with disabilities pursuant to Chapter 23701
3323. of the Revised Code, including procedures, standards, and 23702
guidelines governing programs and services operated by county 23703
boards of developmental disabilities pursuant to section 3323.09 23704
of the Revised Code. 23705

(K) For the purpose of encouraging the development of special 23706
programs of education for academically gifted children, the state 23707
board shall employ competent persons to analyze and publish data, 23708
promote research, advise and counsel with boards of education, and 23709
encourage the training of teachers in the special instruction of 23710
gifted children. The board may provide financial assistance out of 23711
any funds appropriated for this purpose to boards of education and 23712
educational service center governing boards for developing and 23713
conducting programs of education for academically gifted children. 23714

(L) The state board shall require that all public schools 23715
emphasize and encourage, within existing units of study, the 23716
teaching of energy and resource conservation as recommended to 23717
each district board of education by leading business persons 23718
involved in energy production and conservation, beginning in the 23719

It may provide for the appointment of board members to serve on temporary committees established by the board for such purposes as are necessary. Permanent or standing committees shall not be created.

(O) Upon application from the board of education of a school district, the superintendent of public instruction may issue a waiver exempting the district from compliance with the standards adopted under divisions (B)(2) and (D) of this section, as they relate to the operation of a school operated by the district. The state board shall adopt standards for the approval or disapproval of waivers under this division. The state superintendent shall consider every application for a waiver, and shall determine whether to grant or deny a waiver in accordance with the state board's standards. For each waiver granted, the state superintendent shall specify the period of time during which the waiver is in effect, which shall not exceed five years. A district board may apply to renew a waiver.

Sec. 3301.0711. (A) The department of education shall:

(1) Annually furnish to, grade, and score all assessments required by divisions (A)(1) and (B)(1) of section 3301.0710 of

the Revised Code to be administered by city, local, exempted 23752
village, and joint vocational school districts, except that each 23753
district shall score any assessment administered pursuant to 23754
division (B)(10) of this section. Each assessment so furnished 23755
shall include the data verification code of the student to whom 23756
the assessment will be administered, as assigned pursuant to 23757
division (D)(2) of section 3301.0714 of the Revised Code. In 23758
furnishing the practice versions of Ohio graduation tests 23759
prescribed by division (D) of section 3301.0710 of the Revised 23760
Code, the department shall make the tests available on its web 23761
site for reproduction by districts. In awarding contracts for 23762
grading assessments, the department shall give preference to 23763
Ohio-based entities employing Ohio residents. 23764

(2) Adopt rules for the ethical use of assessments and 23765
prescribing the manner in which the assessments prescribed by 23766
section 3301.0710 of the Revised Code shall be administered to 23767
students. 23768

(B) Except as provided in divisions (C) and (J) of this 23769
section, the board of education of each city, local, and exempted 23770
village school district shall, in accordance with rules adopted 23771
under division (A) of this section: 23772

(1) Administer the English language arts assessments 23773
prescribed under division (A)(1)(a) of section 3301.0710 of the 23774
Revised Code twice annually to all students in the third grade who 23775
have not attained the score designated for that assessment under 23776
division (A)(2)(c) of section 3301.0710 of the Revised Code. 23777

(2) Administer the mathematics assessment prescribed under 23778
division (A)(1)(a) of section 3301.0710 of the Revised Code at 23779
least once annually to all students in the third grade. 23780

(3) Administer the assessments prescribed under division 23781
(A)(1)(b) of section 3301.0710 of the Revised Code at least once 23782

annually to all students in the fourth grade.	23783
(4) Administer the assessments prescribed under division	23784
(A)(1)(c) of section 3301.0710 of the Revised Code at least once	23785
annually to all students in the fifth grade.	23786
(5) Administer the assessments prescribed under division	23787
(A)(1)(d) of section 3301.0710 of the Revised Code at least once	23788
annually to all students in the sixth grade.	23789
(6) Administer the assessments prescribed under division	23790
(A)(1)(e) of section 3301.0710 of the Revised Code at least once	23791
annually to all students in the seventh grade.	23792
(7) Administer the assessments prescribed under division	23793
(A)(1)(f) of section 3301.0710 of the Revised Code at least once	23794
annually to all students in the eighth grade.	23795
(8) Except as provided in division (B)(9) of this section,	23796
administer any assessment prescribed under division (B)(1) of	23797
section 3301.0710 of the Revised Code as follows:	23798
(a) At least once annually to all tenth grade students and at	23799
least twice annually to all students in eleventh or twelfth grade	23800
who have not yet attained the score on that assessment designated	23801
under that division;	23802
(b) To any person who has successfully completed the	23803
curriculum in any high school or the individualized education	23804
program developed for the person by any high school pursuant to	23805
section 3323.08 of the Revised Code but has not received a high	23806
school diploma and who requests to take such assessment, at any	23807
time such assessment is administered in the district.	23808
(9) In lieu of the board of education of any city, local, or	23809
exempted village school district in which the student is also	23810
enrolled, the board of a joint vocational school district shall	23811
administer any assessment prescribed under division (B)(1) of	23812

section 3301.0710 of the Revised Code at least twice annually to 23813
any student enrolled in the joint vocational school district who 23814
has not yet attained the score on that assessment designated under 23815
that division. A board of a joint vocational school district may 23816
also administer such an assessment to any student described in 23817
division (B)(8)(b) of this section. 23818

(10) If the district has a three-year average graduation rate 23819
of not more than seventy-five per cent, administer each assessment 23820
prescribed by division (D) of section 3301.0710 of the Revised 23821
Code in September to all ninth grade students who entered ninth 23822
grade prior to July 1, 2014. 23823

Except as provided in section 3313.614 of the Revised Code 23824
for administration of an assessment to a person who has fulfilled 23825
the curriculum requirement for a high school diploma but has not 23826
passed one or more of the required assessments, the assessments 23827
prescribed under division (B)(1) of section 3301.0710 of the 23828
Revised Code shall not be administered after the date specified in 23829
the rules adopted by the state board of education under division 23830
(D)(1) of section 3301.0712 of the Revised Code. 23831

(11) Administer the assessments prescribed by division (B)(2) 23832
of section 3301.0710 and section 3301.0712 of the Revised Code in 23833
accordance with the timeline and plan for implementation of those 23834
assessments prescribed by rule of the state board adopted under 23835
division (D)(1) of section 3301.0712 of the Revised Code. 23836

(C)(1)(a) In the case of a student receiving special 23837
education services under Chapter 3323. of the Revised Code, the 23838
individualized education program developed for the student under 23839
that chapter shall specify the manner in which the student will 23840
participate in the assessments administered under this section. 23841
The individualized education program may excuse the student from 23842
taking any particular assessment required to be administered under 23843
this section if it instead specifies an alternate assessment 23844

method approved by the department of education as conforming to 23845
requirements of federal law for receipt of federal funds for 23846
disadvantaged pupils. To the extent possible, the individualized 23847
education program shall not excuse the student from taking an 23848
assessment unless no reasonable accommodation can be made to 23849
enable the student to take the assessment. 23850

(b) Any alternate assessment approved by the department for a 23851
student under this division shall produce measurable results 23852
comparable to those produced by the assessment it replaces in 23853
order to allow for the student's results to be included in the 23854
data compiled for a school district or building under section 23855
3302.03 of the Revised Code. 23856

(c) Any student enrolled in a chartered nonpublic school who 23857
has been identified, based on an evaluation conducted in 23858
accordance with section 3323.03 of the Revised Code or section 504 23859
of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C.A. 23860
794, as amended, as a child with a disability shall be excused 23861
from taking any particular assessment required to be administered 23862
under this section if a plan developed for the student pursuant to 23863
rules adopted by the state board excuses the student from taking 23864
that assessment. In the case of any student so excused from taking 23865
an assessment, the chartered nonpublic school shall not prohibit 23866
the student from taking the assessment. 23867

(2) A district board may, for medical reasons or other good 23868
cause, excuse a student from taking an assessment administered 23869
under this section on the date scheduled, but that assessment 23870
shall be administered to the excused student not later than nine 23871
days following the scheduled date. The district board shall 23872
annually report the number of students who have not taken one or 23873
more of the assessments required by this section to the state 23874
board not later than the thirtieth day of June. 23875

(3) As used in this division, "limited English proficient 23876

student" has the same meaning as in 20 U.S.C. 7801. 23877

No school district board shall excuse any limited English 23878
proficient student from taking any particular assessment required 23879
to be administered under this section, except that any limited 23880
English proficient student who has been enrolled in United States 23881
schools for less than one full school year shall not be required 23882
to take any reading, writing, or English language arts assessment. 23883
However, no board shall prohibit a limited English proficient 23884
student who is not required to take an assessment under this 23885
division from taking the assessment. A board may permit any 23886
limited English proficient student to take an assessment required 23887
to be administered under this section with appropriate 23888
accommodations, as determined by the department. For each limited 23889
English proficient student, each school district shall annually 23890
assess that student's progress in learning English, in accordance 23891
with procedures approved by the department. 23892

The governing authority of a chartered nonpublic school may 23893
excuse a limited English proficient student from taking any 23894
assessment administered under this section. However, no governing 23895
authority shall prohibit a limited English proficient student from 23896
taking the assessment. 23897

(D)(1) In the school year next succeeding the school year in 23898
which the assessments prescribed by division (A)(1) or (B)(1) of 23899
section 3301.0710 of the Revised Code or former division (A)(1), 23900
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 23901
existed prior to September 11, 2001, are administered to any 23902
student, the board of education of any school district in which 23903
the student is enrolled in that year shall provide to the student 23904
intervention services commensurate with the student's performance, 23905
including any intensive intervention required under section 23906
3313.608 of the Revised Code, in any skill in which the student 23907
failed to demonstrate at least a score at the proficient level on 23908

the assessment. 23909

(2) Following any administration of the assessments 23910
prescribed by division (D) of section 3301.0710 of the Revised 23911
Code to ninth grade students, each school district that has a 23912
three-year average graduation rate of not more than seventy-five 23913
per cent shall determine for each high school in the district 23914
whether the school shall be required to provide intervention 23915
services to any students who took the assessments. In determining 23916
which high schools shall provide intervention services based on 23917
the resources available, the district shall consider each school's 23918
graduation rate and scores on the practice assessments. The 23919
district also shall consider the scores received by ninth grade 23920
students on the English language arts and mathematics assessments 23921
prescribed under division (A)(1)(f) of section 3301.0710 of the 23922
Revised Code in the eighth grade in determining which high schools 23923
shall provide intervention services. 23924

Each high school selected to provide intervention services 23925
under this division shall provide intervention services to any 23926
student whose results indicate that the student is failing to make 23927
satisfactory progress toward being able to attain scores at the 23928
proficient level on the Ohio graduation tests. Intervention 23929
services shall be provided in any skill in which a student 23930
demonstrates unsatisfactory progress and shall be commensurate 23931
with the student's performance. Schools shall provide the 23932
intervention services prior to the end of the school year, during 23933
the summer following the ninth grade, in the next succeeding 23934
school year, or at any combination of those times. 23935

(E) Except as provided in section 3313.608 of the Revised 23936
Code and division (N) of this section, no school district board of 23937
education shall utilize any student's failure to attain a 23938
specified score on an assessment administered under this section 23939
as a factor in any decision to deny the student promotion to a 23940

higher grade level. However, a district board may choose not to 23941
promote to the next grade level any student who does not take an 23942
assessment administered under this section or make up an 23943
assessment as provided by division (C)(2) of this section and who 23944
is not exempt from the requirement to take the assessment under 23945
division (C)(3) of this section. 23946

(F) No person shall be charged a fee for taking any 23947
assessment administered under this section. 23948

(G)(1) Each school district board shall designate one 23949
location for the collection of assessments administered in the 23950
spring under division (B)(1) of this section and those 23951
administered under divisions (B)(2) to (7) of this section. Each 23952
district board shall submit the assessments to the entity with 23953
which the department contracts for the scoring of the assessments 23954
as follows: 23955

(a) If the district's total enrollment in grades kindergarten 23956
through twelve during the first full school week of October was 23957
less than two thousand five hundred, not later than the Friday 23958
after all of the assessments have been administered; 23959

(b) If the district's total enrollment in grades kindergarten 23960
through twelve during the first full school week of October was 23961
two thousand five hundred or more, but less than seven thousand, 23962
not later than the Monday after all of the assessments have been 23963
administered; 23964

(c) If the district's total enrollment in grades kindergarten 23965
through twelve during the first full school week of October was 23966
seven thousand or more, not later than the Tuesday after all of 23967
the assessments have been administered. 23968

However, any assessment that a student takes during the 23969
make-up period described in division (C)(2) of this section shall 23970
be submitted not later than the Friday following the day the 23971

student takes the assessment. 23972

(2) The department or an entity with which the department 23973
contracts for the scoring of the assessment shall send to each 23974
school district board a list of the individual scores of all 23975
persons taking a state achievement assessment as follows: 23976

(a) Except as provided in division (G)(2)(b) or (c) of this 23977
section, within forty-five days after the administration of the 23978
assessments prescribed by sections 3301.0710 and 3301.0712 of the 23979
Revised Code, but in no case shall the scores be returned later 23980
than the thirtieth day of June following the administration; 23981

(b) In the case of the third-grade English language arts 23982
assessment, within forty-five days after the administration of 23983
that assessment, but in no case shall the scores be returned later 23984
than the fifteenth day of June following the administration; 23985

(c) In the case of the writing component of an assessment or 23986
end-of-course examination in the area of English language arts, 23987
except for the third-grade English language arts assessment, the 23988
results may be sent after forty-five days of the administration of 23989
the writing component, but in no case shall the scores be returned 23990
later than the thirtieth day of June following the administration. 23991

(3) For assessments administered under this section by a 23992
joint vocational school district, the department or entity shall 23993
also send to each city, local, or exempted village school district 23994
a list of the individual scores of any students of such city, 23995
local, or exempted village school district who are attending 23996
school in the joint vocational school district. 23997

(H) Individual scores on any assessments administered under 23998
this section shall be released by a district board only in 23999
accordance with section 3319.321 of the Revised Code and the rules 24000
adopted under division (A) of this section. No district board or 24001
its employees shall utilize individual or aggregate results in any 24002

manner that conflicts with rules for the ethical use of 24003
assessments adopted pursuant to division (A) of this section. 24004

(I) Except as provided in division (G) of this section, the 24005
department or an entity with which the department contracts for 24006
the scoring of the assessment shall not release any individual 24007
scores on any assessment administered under this section. The 24008
state board shall adopt rules to ensure the protection of student 24009
confidentiality at all times. The rules may require the use of the 24010
data verification codes assigned to students pursuant to division 24011
(D)(2) of section 3301.0714 of the Revised Code to protect the 24012
confidentiality of student scores. 24013

(J) Notwithstanding division (D) of section 3311.52 of the 24014
Revised Code, this section does not apply to the board of 24015
education of any cooperative education school district except as 24016
provided under rules adopted pursuant to this division. 24017

(1) In accordance with rules that the state board shall 24018
adopt, the board of education of any city, exempted village, or 24019
local school district with territory in a cooperative education 24020
school district established pursuant to divisions (A) to (C) of 24021
section 3311.52 of the Revised Code may enter into an agreement 24022
with the board of education of the cooperative education school 24023
district for administering any assessment prescribed under this 24024
section to students of the city, exempted village, or local school 24025
district who are attending school in the cooperative education 24026
school district. 24027

(2) In accordance with rules that the state board shall 24028
adopt, the board of education of any city, exempted village, or 24029
local school district with territory in a cooperative education 24030
school district established pursuant to section 3311.521 of the 24031
Revised Code shall enter into an agreement with the cooperative 24032
district that provides for the administration of any assessment 24033
prescribed under this section to both of the following: 24034

(a) Students who are attending school in the cooperative district and who, if the cooperative district were not established, would be entitled to attend school in the city, local, or exempted village school district pursuant to section 3313.64 or 3313.65 of the Revised Code;

(b) Persons described in division (B)(8)(b) of this section.

Any assessment of students pursuant to such an agreement shall be in lieu of any assessment of such students or persons pursuant to this section.

(K)(1) Except as otherwise provided in division (K)(1) or (2) of this section, each chartered nonpublic school for which at least sixty-five per cent of its total enrollment is made up of students who are participating in state scholarship programs shall administer the elementary assessments prescribed by section 3301.0710 of the Revised Code. In accordance with procedures and deadlines prescribed by the department, the parent or guardian of a student enrolled in the school who is not participating in a state scholarship program may submit notice to the chief administrative officer of the school that the parent or guardian does not wish to have the student take the elementary assessments prescribed for the student's grade level under division (A) of section 3301.0710 of the Revised Code. If a parent or guardian submits an opt-out notice, the school shall not administer the assessments to that student. This option does not apply to any assessment required for a high school diploma under section 3313.612 of the Revised Code.

(2) A chartered nonpublic school may submit to the superintendent of public instruction a request for a waiver from administering the elementary assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The state superintendent shall approve or disapprove a request for a waiver submitted under division (K)(1)(c) of this section. No waiver

shall be approved for any school year prior to the 2015-2016 24067
school year. 24068

To be eligible to submit a request for a waiver, a chartered 24069
nonpublic school shall meet the following conditions: 24070

(a) At least ninety-five per cent of the students enrolled in 24071
the school are children with disabilities, as defined under 24072
section 3323.01 of the Revised Code, or have received a diagnosis 24073
by a school district or from a physician, including a 24074
neuropsychiatrist or psychiatrist, or a psychologist who is 24075
authorized to practice in this or another state as having a 24076
condition that impairs academic performance, such as dyslexia, 24077
dyscalculia, attention deficit hyperactivity disorder, or 24078
Asperger's syndrome. 24079

(b) The school has solely served a student population 24080
described in division (K)(1)(a) of this section for at least ten 24081
years. 24082

(c) The school provides to the department at least five years 24083
of records of internal testing conducted by the school that 24084
affords the department data required for accountability purposes, 24085
including diagnostic assessments and nationally standardized 24086
norm-referenced achievement assessments that measure reading and 24087
math skills. 24088

(3) Any chartered nonpublic school that is not subject to 24089
division (K)(1) of this section may participate in the assessment 24090
program by administering any of the assessments prescribed by 24091
division (A) of section 3301.0710 of the Revised Code. The chief 24092
administrator of the school shall specify which assessments the 24093
school will administer. Such specification shall be made in 24094
writing to the superintendent of public instruction prior to the 24095
first day of August of any school year in which assessments are 24096
administered and shall include a pledge that the nonpublic school 24097

will administer the specified assessments in the same manner as 24098
public schools are required to do under this section and rules 24099
adopted by the department. 24100

(4) The department of education shall furnish the assessments 24101
prescribed by section 3301.0710 of the Revised Code to each 24102
chartered nonpublic school that is subject to division (K)(1) of 24103
this section or participates under division (K)(3) of this 24104
section. 24105

(L) If a chartered nonpublic school is educating students in 24106
grades nine through twelve, the following shall apply: 24107

(1) For a student who is enrolled in a chartered nonpublic 24108
school that is accredited through the independent schools 24109
association of the central states and who is attending the school 24110
under a state scholarship program, the student shall either take 24111
all of the assessments prescribed by division (B) of section 24112
3301.0712 of the Revised Code or take an alternative assessment 24113
approved by the department under section 3313.619 of the Revised 24114
Code. 24115

(2) For a student who is enrolled in a chartered nonpublic 24116
school that is accredited through the independent schools 24117
association of the central states, and who is not attending the 24118
school under a state scholarship program, the student shall not be 24119
required to take any assessment prescribed under section 3301.0712 24120
or 3313.619 of the Revised Code. 24121

(3) For a student who is enrolled in a chartered nonpublic 24122
school that is not accredited through the independent schools 24123
association of the central states, regardless of whether the 24124
student is attending or is not attending the school under a state 24125
scholarship program, the student shall do one of the following: 24126

(a) Take all of the assessments prescribed by division (B) of 24127
section 3301.0712 of the Revised Code; 24128

(b) Take only the assessment prescribed by division (B)(1) of section 3301.0712 of the Revised Code, provided that the student's school publishes the results of that assessment for each graduating class. The published results of that assessment shall include the overall composite scores, mean scores, twenty-fifth percentile scores, and seventy-fifth percentile scores for each subject area of the assessment.

(c) Take an alternative assessment approved by the department under section 3313.619 of the Revised Code.

(M)(1) The superintendent of the state school for the blind and the superintendent of the state school for the deaf shall administer the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code. Each superintendent shall administer the assessments in the same manner as district boards are required to do under this section and rules adopted by the department of education and in conformity with division (C)(1)(a) of this section.

(2) The department of education shall furnish the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code to each superintendent.

(N) Notwithstanding division (E) of this section, a school district may use a student's failure to attain a score in at least the proficient range on the mathematics assessment described by division (A)(1)(a) of section 3301.0710 of the Revised Code or on an assessment described by division (A)(1)(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised Code as a factor in retaining that student in the current grade level.

(O)(1) In the manner specified in divisions (O)(3), (4), ~~and (6), and (7)~~ of this section, the assessments required by division (A)(1) of section 3301.0710 of the Revised Code shall become public records pursuant to section 149.43 of the Revised Code on

the thirty-first day of July following the school year that the assessments were administered.

(2) The department may field test proposed questions with samples of students to determine the validity, reliability, or appropriateness of questions for possible inclusion in a future year's assessment. The department also may use anchor questions on assessments to ensure that different versions of the same assessment are of comparable difficulty.

Field test questions and anchor questions shall not be considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A)(1) or (B) of section 3301.0710 and division (B) of section 3301.0712 of the Revised Code.

(3) Any field test question or anchor question administered under division (O)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (O)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public

record. However, for each redacted question, the department shall 24191
inform each city, local, and exempted village school district of 24192
the statewide academic standard adopted by the state board under 24193
section 3301.079 of the Revised Code and the corresponding 24194
benchmark to which the question relates. The preceding sentence 24195
does not apply to field test questions that are redacted under 24196
division (O)(3) of this section. 24197

(c) The administrations of each assessment in the 2011-2012, 24198
2012-2013, and 2013-2014 school years shall not be a public 24199
record. 24200

(5) Each assessment prescribed by division (B)(1) of section 24201
3301.0710 of the Revised Code shall not be a public record. 24202

(6) ~~Beginning with the spring administration for~~ (a) Except 24203
as provided in division (O)(6)(b) of this section, for the 24204
administrations in the 2014-2015, 2015-2016, and 2016-2017 school 24205
year years, questions on the assessments prescribed under division 24206
(A) of section 3301.0710 and division (B)(2) of section 3301.0712 24207
of the Revised Code and the corresponding preferred answers that 24208
are used to compute a student's score shall become a public record 24209
as follows: 24210

~~(a)~~(i) Forty per cent of the questions and preferred answers 24211
on the assessments on the thirty-first day of July following the 24212
administration of the assessment; 24213

~~(b)~~(ii) Twenty per cent of the questions and preferred 24214
answers on the assessment on the thirty-first day of July one year 24215
after the administration of the assessment; 24216

~~(c)~~(iii) The remaining forty per cent of the questions and 24217
preferred answers on the assessment on the thirty-first day of 24218
July two years after the administration of the assessment. 24219

The entire content of an assessment shall become a public 24220
record within three years of its administration. 24221

The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.

(b) No questions and corresponding preferred answers shall become a public record under division (O)(6) of this section after July 31, 2017.

(7) Division (O)(7) of this section applies to the assessments prescribed by division (A) of section 3301.0710 and division (B)(2) of section 3301.0712 of the Revised Code.

Beginning with the assessments administered in the spring of the 2017-2018 school year, not less than forty per cent of the questions on each assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the corresponding statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The department is not required to provide corresponding standards and benchmarks to field test questions that are redacted under division (O)(3) of this section.

(P) As used in this section: 24248

(1) "Three-year average" means the average of the most recent consecutive three school years of data. 24249
24250

(2) "Dropout" means a student who withdraws from school before completing course requirements for graduation and who is 24251
24252

not enrolled in an education program approved by the state board 24253
of education or an education program outside the state. "Dropout" 24254
does not include a student who has departed the country. 24255

(3) "Graduation rate" means the ratio of students receiving a 24256
diploma to the number of students who entered ninth grade four 24257
years earlier. Students who transfer into the district are added 24258
to the calculation. Students who transfer out of the district for 24259
reasons other than dropout are subtracted from the calculation. If 24260
a student who was a dropout in any previous year returns to the 24261
same school district, that student shall be entered into the 24262
calculation as if the student had entered ninth grade four years 24263
before the graduation year of the graduating class that the 24264
student joins. 24265

(4) "State scholarship programs" means the educational choice 24266
scholarship pilot program established under sections 3310.01 to 24267
3310.17 of the Revised Code, the autism scholarship program 24268
established under section 3310.41 of the Revised Code, the Jon 24269
Peterson special needs scholarship program established under 24270
sections 3310.51 to 3310.64 of the Revised Code, and the pilot 24271
project scholarship program established under sections 3313.974 to 24272
3313.979 of the Revised Code. 24273

Sec. 3301.0712. (A) The state board of education, the 24274
superintendent of public instruction, and the chancellor of higher 24275
education shall develop a system of college and work ready 24276
assessments as described in division (B) of this section to assess 24277
whether each student upon graduating from high school is ready to 24278
enter college or the workforce. Beginning with students who enter 24279
the ninth grade for the first time on or after July 1, 2014, the 24280
system shall replace the Ohio graduation tests prescribed in 24281
division (B)(1) of section 3301.0710 of the Revised Code as a 24282
measure of student academic performance and one determinant of 24283

eligibility for a high school diploma in the manner prescribed by 24284
rule of the state board adopted under division (D) of this 24285
section. 24286

(B) The college and work ready assessment system shall 24287
consist of the following: 24288

(1) Nationally standardized assessments that measure college 24289
and career readiness and are used for college admission. The 24290
assessments shall be selected jointly by the state superintendent 24291
and the chancellor, and one of which shall be selected by each 24292
school district or school to administer to its students. The 24293
assessments prescribed under division (B)(1) of this section shall 24294
be administered to all eleventh-grade students in the spring of 24295
the school year. 24296

(2) Seven end-of-course examinations, one in each of the 24297
areas of English language arts I, English language arts II, 24298
science, Algebra I, geometry, American history, and American 24299
government. The end-of-course examinations shall be selected 24300
jointly by the state superintendent and the chancellor in 24301
consultation with faculty in the appropriate subject areas at 24302
institutions of higher education of the university system of Ohio. 24303
Advanced placement examinations and international baccalaureate 24304
examinations, as prescribed under section 3313.6013 of the Revised 24305
Code, in the areas of science, American history, and American 24306
government may be used as end-of-course examinations in accordance 24307
with division (B)(4)(a)(i) of this section. Final course grades 24308
for courses taken under any other advanced standing program, as 24309
prescribed under section 3313.6013 of the Revised Code, in the 24310
areas of science, American history, and American government may be 24311
used in lieu of end-of-course examinations in accordance with 24312
division (B)(4)(a)(ii) of this section. 24313

(3)(a) Not later than July 1, 2013, each school district 24314

board of education shall adopt interim end-of-course examinations 24315
that comply with the requirements of divisions (B)(3)(b)(i) and 24316
(ii) of this section to assess mastery of American history and 24317
American government standards adopted under division (A)(1)(b) of 24318
section 3301.079 of the Revised Code and the topics required under 24319
division (M) of section 3313.603 of the Revised Code. Each high 24320
school of the district shall use the interim examinations until 24321
the state superintendent and chancellor select end-of-course 24322
examinations in American history and American government under 24323
division (B)(2) of this section. 24324

(b) Not later than July 1, 2014, the state superintendent and 24325
the chancellor shall select the end-of-course examinations in 24326
American history and American government. 24327

(i) The end-of-course examinations in American history and 24328
American government shall require demonstration of mastery of the 24329
American history and American government content for social 24330
studies standards adopted under division (A)(1)(b) of section 24331
3301.079 of the Revised Code and the topics required under 24332
division (M) of section 3313.603 of the Revised Code. 24333

(ii) At least twenty per cent of the end-of-course 24334
examination in American government shall address the topics on 24335
American history and American government described in division (M) 24336
of section 3313.603 of the Revised Code. 24337

(4)(a) Notwithstanding anything to the contrary in this 24338
section, beginning with the 2014-2015 school year, both of the 24339
following shall apply: 24340

(i) If a student is enrolled in an appropriate advanced 24341
placement or international baccalaureate course, that student 24342
shall take the advanced placement or international baccalaureate 24343
examination in lieu of the science, American history, or American 24344
government end-of-course examinations prescribed under division 24345

(B)(2) of this section. The state board shall specify the score 24346
levels for each advanced placement examination and international 24347
baccalaureate examination for purposes of calculating the minimum 24348
cumulative performance score that demonstrates the level of 24349
academic achievement necessary to earn a high school diploma. 24350

(ii) If a student is enrolled in an appropriate course under 24351
any other advanced standing program, as described in section 24352
3313.6013 of the Revised Code, that student shall not be required 24353
to take the science, American history, or American government 24354
end-of-course examination, whichever is applicable, prescribed 24355
under division (B)(2) of this section. Instead, that student's 24356
final course grade shall be used in lieu of the applicable 24357
end-of-course examination prescribed under that section. The state 24358
superintendent, in consultation with the chancellor, shall adopt 24359
guidelines for purposes of calculating the corresponding final 24360
course grades that demonstrate the level of academic achievement 24361
necessary to earn a high school diploma. 24362

Division (B)(4)(a)(ii) of this section shall apply only to 24363
courses for which students receive transcribed credit, as defined 24364
in ~~division (U)~~ of section 3365.01 of the Revised Code. It shall 24365
not apply to remedial or developmental courses. 24366

(b) No student shall take a substitute examination or 24367
examination prescribed under division (B)(4)(a) of this section in 24368
place of the end-of-course examinations in English language arts 24369
I, English language arts II, Algebra I, or geometry prescribed 24370
under division (B)(2) of this section. 24371

(c) The state board shall consider additional assessments 24372
that may be used, beginning with the 2016-2017 school year, as 24373
substitute examinations in lieu of the end-of-course examinations 24374
prescribed under division (B)(2) of this section. 24375

(5) The state board shall do all of the following: 24376

(a) Determine and designate at least five ranges of scores on each of the end-of-course examinations prescribed under division (B)(2) of this section, and substitute examinations prescribed under division (B)(4) of this section. Each range of scores shall be considered to demonstrate a level of achievement so that any student attaining a score within such range has achieved one of the following:	24377 24378 24379 24380 24381 24382 24383
(i) An advanced level of skill;	24384
(ii) An accelerated level of skill;	24385
(iii) A proficient level of skill;	24386
(iv) A basic level of skill;	24387
(v) A limited level of skill.	24388
(b) Determine a method by which to calculate a cumulative performance score based on the results of a student's end-of-course examinations or substitute examinations;	24389 24390 24391
(c) Determine the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma;	24392 24393 24394
(d) Develop a table of corresponding score equivalents for the end-of-course examinations and substitute examinations in order to calculate student performance consistently across the different examinations.	24395 24396 24397 24398
A score of two on an advanced placement examination or a score of two or three on an international baccalaureate examination shall be considered equivalent to a proficient level of skill as specified under division (B)(5)(a)(iii) of this section.	24399 24400 24401 24402 24403
(6)(a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:	24404 24405
(i) The student received high school credit prior to July 1,	24406

2015, for a course for which the end-of-course examination is prescribed.	24407 24408
(ii) The examination was not available for administration prior to July 1, 2015.	24409 24410
Receipt of credit for the course described in division (B)(6)(a)(i) of this section shall satisfy the requirement to take the end-of-course examination. A student exempted under division (B)(6)(a) of this section may take the applicable end-of-course examination at a later date.	24411 24412 24413 24414 24415
(b) For purposes of determining whether a student who is exempt from taking an end-of-course examination under division (B)(6)(a) of this section has attained the cumulative score prescribed by division (B)(5)(c) of this section, such student shall select either of the following:	24416 24417 24418 24419 24420
(i) The student is considered to have attained a proficient score on the end-of-course examination from which the student is exempt;	24421 24422 24423
(ii) The student's final course grade shall be used in lieu of a score on the end-of-course examination from which the student is exempt.	24424 24425 24426
The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades and the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.	24427 24428 24429 24430 24431
(7)(a) Notwithstanding anything to the contrary in this section, the state board may replace the algebra I end-of-course examination prescribed under division (B)(2) of this section with an algebra II end-of-course examination, beginning with the 2016-2017 school year for students who enter ninth grade on or after July 1, 2016.	24432 24433 24434 24435 24436 24437

(b) If the state board replaces the algebra I end-of-course examination with an algebra II end-of-course examination as authorized under division (B)(7)(a) of this section, both of the following shall apply:

(i) A student who is enrolled in an advanced placement or international baccalaureate course in algebra II shall take the advanced placement or international baccalaureate examination in lieu of the algebra II end-of-course examination.

(ii) A student who is enrolled in an algebra II course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, shall not be required to take the algebra II end-of-course examination. Instead, that student's final course grade shall be used in lieu of the examination.

(c) If a school district or school utilizes an integrated approach to mathematics instruction, the district or school may do either or both of the following:

(i) Administer an integrated mathematics I end-of-course examination in lieu of the prescribed algebra I end-of-course examination;

(ii) Administer an integrated mathematics II end-of-course examination in lieu of the prescribed geometry end-of-course examination.

(8)(a) For students entering the ninth grade for the first time on or after July 1, 2014, but prior to July 1, 2015, the assessment in the area of science shall be physical science or biology. For students entering the ninth grade for the first time on or after July 1, 2015, the assessment in the area of science shall be biology.

(b) Until July 1, 2019, the department of education shall make available the end-of-course examination in physical science for students who entered the ninth grade for the first time on or

after July 1, 2014, but prior to July 1, 2015, and who wish to 24469
retake the examination. 24470

(c) Not later than July 1, 2016, the state board shall adopt 24471
rules prescribing the requirements for the end-of-course 24472
examination in science for students who entered the ninth grade 24473
for the first time on or after July 1, 2014, but prior to July 1, 24474
2015, and who have not met the requirement prescribed by section 24475
3313.618 of the Revised Code by July 1, 2019, due to a student's 24476
failure to satisfy division (A)(2) of section 3313.618 of the 24477
Revised Code. 24478

(9) Neither the state board nor the department of education 24479
shall develop or administer an end-of-course examination in the 24480
area of world history. 24481

(C) The state board shall convene a group of national 24482
experts, state experts, and local practitioners to provide advice, 24483
guidance, and recommendations for the alignment of standards and 24484
model curricula to the assessments and in the design of the 24485
end-of-course examinations prescribed by this section. 24486

(D) Upon completion of the development of the assessment 24487
system, the state board shall adopt rules prescribing all of the 24488
following: 24489

(1) A timeline and plan for implementation of the assessment 24490
system, including a phased implementation if the state board 24491
determines such a phase-in is warranted; 24492

(2) The date after which a person shall meet the requirements 24493
of the entire assessment system as a prerequisite for a diploma of 24494
adult education under section 3313.611 of the Revised Code; 24495

(3) Whether and the extent to which a person may be excused 24496
from an American history end-of-course examination and an American 24497

3313.61 and division (B)(3) of section 3313.612 of the Revised 24499

Code; 24500

(4) The date after which a person who has fulfilled the 24501
curriculum requirement for a diploma but has not passed one or 24502
more of the required assessments at the time the person fulfilled 24503
the curriculum requirement shall meet the requirements of the 24504
entire assessment system as a prerequisite for a high school 24505
diploma under division (B) of section 3313.614 of the Revised 24506
Code; 24507

(5) The extent to which the assessment system applies to 24508

of the Revised Code. 24511

(E) Not later than forty-five days prior to the state board's 24512
adoption of a resolution directing the department to file the 24513
rules prescribed by division (D) of this section in final form 24514
under section 119.04 of the Revised Code, the superintendent of 24515
public instruction shall present the assessment system developed 24516
under this section to the respective committees of the house of 24517
representatives and senate that consider education legislation. 24518

(F)(1) Any person enrolled in a nonchartered nonpublic school 24519
or any person who has been excused from attendance at school for 24520
the purpose of home instruction under section 3321.04 of the 24521

job skills assessment to a student under this division shall not 24537
exempt a school district from administering the assessments 24538
prescribed in division (B) of this section to that student. 24539

Sec. 3302.03. Annually, not later than the fifteenth day of 24540
September or the preceding Friday when that day falls on a 24541
Saturday or Sunday, the department of education shall assign a 24542
letter grade for overall academic performance and for each 24543
separate performance measure for each school district, and each 24544
school building in a district, in accordance with this section. 24545
The state board shall adopt rules pursuant to Chapter 119. of the 24546
Revised Code to establish performance criteria for each letter 24547
grade and prescribe a method by which the department assigns each 24548
letter grade. For a school building to which any of the 24549
performance measures do not apply, due to grade levels served by 24550
the building, the state board shall designate the performance 24551
measures that are applicable to the building and that must be 24552
calculated separately and used to calculate the building's overall 24553
grade. The department shall issue annual report cards reflecting 24554
the performance of each school district, each building within each 24555
district, and for the state as a whole using the performance 24556
measures and letter grade system described in this section. The 24557

issue grades as described in division (E) of this section for each 24562

of the following performance measures:	24563
(a) Annual measurable objectives;	24564
(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as adopted by the state board. In adopting benchmarks for assigning letter grades under division (A)(1)(b) of this section, the state board of education shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."	24565 24566 24567 24568 24569 24570 24571 24572

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available. The letter grade assigned for this growth measure shall be as follows:	24587 24588 24589 24590 24591

(ii) A score that is at least one standard error of measure 24594
but less than two standard errors of measure above the mean score 24595
shall be designated as a "B." 24596

(iii) A score that is less than one standard error of measure 24597
above the mean score but greater than or equal to one standard 24598
error of measure below the mean score shall be designated as a 24599
"C." 24600

(iv) A score that is not greater than one standard error of 24601
measure below the mean score but is greater than or equal to two 24602
standard errors of measure below the mean score shall be 24603
designated as a "D." 24604

(v) A score that is not greater than two standard errors of 24605
measure below the mean score shall be designated as an "F." 24606

Whenever the value-added progress dimension is used as a 24607
graded performance measure, whether as an overall measure or as a 24608
measure of separate subgroups, the grades for the measure shall be 24609
calculated in the same manner as prescribed in division (A)(1)(e) 24610
of this section. 24611

(f) The value-added progress dimension score for a school 24612
district or building disaggregated for each of the following 24613
subgroups: students identified as gifted, students with 24614
disabilities, and students whose performance places them in the 24615
lowest quintile for achievement on a statewide basis. Each 24616
subgroup shall be a separate graded measure. 24617

(2) Not later than April 30, 2013, the state board of 24618
education shall adopt a resolution describing the performance 24619
measures, benchmarks, and grading system for the 2012-2013 school 24620
year and, not later than June 30, 2013, shall adopt rules in 24621
accordance with Chapter 119. of the Revised Code that prescribe 24622
the methods by which the performance measures under division 24623
(A)(1) of this section shall be assessed and assigned a letter 24624

grade, including performance benchmarks for each letter grade. 24625

At least forty-five days prior to the state board's adoption 24626
of rules to prescribe the methods by which the performance 24627
measures under division (A)(1) of this section shall be assessed 24628
and assigned a letter grade, the department shall conduct a public 24629
presentation before the standing committees of the house of 24630
representatives and the senate that consider education legislation 24631
describing such methods, including performance benchmarks. 24632

(3) There shall not be an overall letter grade for a school 24633
district or building for the 2012-2013 school year. 24634

(B)(1) For the 2013-2014 and 2014-2015 school years, the 24635
department shall issue grades as described in division (E) of this 24636
section for each of the following performance measures: 24637

(a) Annual measurable objectives; 24638

(b) Performance index score for a school district or 24639
building. Grades shall be awarded as a percentage of the total 24640
possible points on the performance index system as created by the 24641
department. In adopting benchmarks for assigning letter grades 24642
under division (B)(1)(b) of this section, the state board shall 24643
designate ninety per cent or higher for an "A," at least seventy 24644
per cent but not more than eighty per cent for a "C," and less 24645
than fifty per cent for an "F." 24646

(c) The extent to which the school district or building meets 24647
each of the applicable performance indicators established by the 24648
state board under section 3302.03 of the Revised Code and the 24649
percentage of applicable performance indicators that have been 24650
achieved. In adopting benchmarks for assigning letter grades under 24651
division (B)(1)(c) of this section, the state board shall 24652
designate ninety per cent or higher for an "A." 24653

(d) The four- and five-year adjusted cohort graduation rates; 24654

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available. 24655
24656
24657
24658

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. (g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state board shall adopt rules to prescribe benchmarks and standards for assigning grades to districts and buildings for purposes of division (B)(1)(g) of this section. In adopting benchmarks for assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of this section, the state board shall determine progress made based on the reduction in the total percentage of students scoring below grade level, or below proficient, compared from year to year on the reading and writing diagnostic assessments administered under section 3301.0715 of the Revised Code and the third grade English language arts assessment under section 3301.0710 of the Revised Code, as applicable. The state board shall designate for a "C" grade a value that is not lower than the statewide average value for this measure. No grade shall be issued under divisions (B)(1)(g) and (C)(1)(g) of this section for a district or building in which less than five per cent of students have scored below grade level on the diagnostic assessment administered to students in kindergarten under division (B)(1) of section 3313.608 of the 24667

Revised Code. 24687

(h) For a high mobility school district or building, an 24688
additional value-added progress dimension score. For this measure, 24689
the department shall use value-added data from the most recent 24690
school year available and shall use assessment scores for only 24691
those students to whom the district or building has administered 24692
the assessments prescribed by section 3301.0710 of the Revised 24693
Code for each of the two most recent consecutive school years. 24694

As used in this division, "high mobility school district or 24695
building" means a school district or building where at least 24696
twenty-five per cent of its total enrollment is made up of 24697
students who have attended that school district or building for 24698
less than one year. 24699

(2) In addition to the graded measures in division (B)(1) of 24700
this section, the department shall include on a school district's 24701
or building's report card all of the following without an assigned 24702
letter grade: 24703

(a) The percentage of students enrolled in a district or 24704
building participating in advanced placement classes and the 24705
percentage of those students who received a score of three or 24706
better on advanced placement examinations; 24707

(b) The number of a district's or building's students who 24708
have earned at least three college credits through dual enrollment 24709
or advanced standing programs, such as the post-secondary 24710
enrollment options program under Chapter 3365. of the Revised Code 24711
and state-approved career-technical courses offered through dual 24712
enrollment or statewide articulation, that appear on a student's 24713
transcript or other official document, either of which is issued 24714
by the institution of higher education from which the student 24715
earned the college credit. The credits earned that are reported 24716
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 24717

include any that are remedial or developmental and shall include 24718
those that count toward the curriculum requirements established 24719
for completion of a degree. 24720

(c) The percentage of students enrolled in a district or 24721
building who have taken a national standardized test used for 24722
college admission determinations and the percentage of those 24723
students who are determined to be remediation-free in accordance 24724
with standards adopted under division (F) of section 3345.061 of 24725
the Revised Code; 24726

(d) The percentage of the district's or the building's 24727
students who receive industry-recognized credentials as approved 24728
under section 3313.6112 of the Revised Code. ~~The state board shall~~ 24729
~~adopt criteria for acceptable industry recognized credentials.~~ 24730

(e) The percentage of students enrolled in a district or 24731
building who are participating in an international baccalaureate 24732
program and the percentage of those students who receive a score 24733
of four or better on the international baccalaureate examinations. 24734

(f) The percentage of the district's or building's students 24735
who receive an honors diploma under division (B) of section 24736
3313.61 of the Revised Code. 24737

(3) Not later than December 31, 2013, the state board shall 24738
adopt rules in accordance with Chapter 119. of the Revised Code 24739
that prescribe the methods by which the performance measures under 24740
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 24741
and assigned a letter grade, including performance benchmarks for 24742
each grade. 24743

At least forty-five days prior to the state board's adoption 24744
of rules to prescribe the methods by which the performance 24745
measures under division (B)(1) of this section shall be assessed 24746
and assigned a letter grade, the department shall conduct a public 24747
presentation before the standing committees of the house of 24748

representatives and the senate that consider education legislation 24749
describing such methods, including performance benchmarks. 24750

(4) There shall not be an overall letter grade for a school 24751
district or building for the 2013-2014, 2014-2015, 2015-2016, and 24752
2016-2017 school years. 24753

(C)(1) For the 2014-2015 school year and each school year 24754
thereafter, the department shall issue grades as described in 24755
division (E) of this section for each of the performance measures 24756
prescribed in division (C)(1) of this section. The graded measures 24757
are as follows: 24758

(a) Annual measurable objectives; 24759

(b) Performance index score for a school district or 24760
building. Grades shall be awarded as a percentage of the total 24761
possible points on the performance index system as created by the 24762
department. In adopting benchmarks for assigning letter grades 24763
under division (C)(1)(b) of this section, the state board shall 24764
designate ninety per cent or higher for an "A," at least seventy 24765
per cent but not more than eighty per cent for a "C," and less 24766
than fifty per cent for an "F." 24767

(c) The extent to which the school district or building meets 24768
each of the applicable performance indicators established by the 24769
state board under section 3302.03 of the Revised Code and the 24770
percentage of applicable performance indicators that have been 24771
achieved. In adopting benchmarks for assigning letter grades under 24772
division (C)(1)(c) of this section, the state board shall 24773
designate ninety per cent or higher for an "A." 24774

(d) The four- and five-year adjusted cohort graduation rates; 24775

(e) The overall score under the value-added progress 24776
dimension, or another measure of student academic progress if 24777
adopted by the state board, of a school district or building, for 24778
which the department shall use up to three years of value-added 24779

data as available. 24780

In adopting benchmarks for assigning letter grades for 24781
overall score on value-added progress dimension under division 24782
(C)(1)(e) of this section, the state board shall prohibit the 24783
assigning of a grade of "A" for that measure unless the district's 24784
or building's grade assigned for value-added progress dimension 24785
for all subgroups under division (C)(1)(f) of this section is a 24786
"B" or higher. 24787

For the metric prescribed by division (C)(1)(e) of this 24788
section, the state board may adopt a student academic progress 24789
measure to be used instead of the value-added progress dimension. 24790
If the state board adopts such a measure, it also shall prescribe 24791
a method for assigning letter grades for the new measure that is 24792
comparable to the method prescribed in division (A)(1)(e) of this 24793
section. 24794

(f) The value-added progress dimension score of a school 24795
district or building disaggregated for each of the following 24796
subgroups: students identified as gifted in superior cognitive 24797
ability and specific academic ability fields under Chapter 3324. 24798
of the Revised Code, students with disabilities, and students 24799
whose performance places them in the lowest quintile for 24800
achievement on a statewide basis, as determined by a method 24801
prescribed by the state board. Each subgroup shall be a separate 24802
graded measure. 24803

The state board may adopt student academic progress measures 24804
to be used instead of the value-added progress dimension. If the 24805
state board adopts such measures, it also shall prescribe a method 24806
for assigning letter grades for the new measures that is 24807
comparable to the method prescribed in division (A)(1)(e) of this 24808
section. 24809

(g) Whether a school district or building is making progress 24810

in improving literacy in grades kindergarten through three, as 24811
determined using a method prescribed by the state board. The state 24812
board shall adopt rules to prescribe benchmarks and standards for 24813
assigning grades to a district or building for purposes of 24814
division (C)(1)(g) of this section. The state board shall 24815
designate for a "C" grade a value that is not lower than the 24816
statewide average value for this measure. No grade shall be issued 24817
under division (C)(1)(g) of this section for a district or 24818
building in which less than five per cent of students have scored 24819
below grade level on the kindergarten diagnostic assessment under 24820
division (B)(1) of section 3313.608 of the Revised Code. 24821

(h) For a high mobility school district or building, an 24822
additional value-added progress dimension score. For this measure, 24823
the department shall use value-added data from the most recent 24824
school year available and shall use assessment scores for only 24825
those students to whom the district or building has administered 24826
the assessments prescribed by section 3301.0710 of the Revised 24827
Code for each of the two most recent consecutive school years. 24828

As used in this division, "high mobility school district or 24829
building" means a school district or building where at least 24830
twenty-five per cent of its total enrollment is made up of 24831
students who have attended that school district or building for 24832
less than one year. 24833

(2) In addition to the graded measures in division (C)(1) of 24834
this section, the department shall include on a school district's 24835
or building's report card all of the following without an assigned 24836
letter grade: 24837

(a) The percentage of students enrolled in a district or 24838
building who have taken a national standardized test used for 24839
college admission determinations and the percentage of those 24840
students who are determined to be remediation-free in accordance 24841
with the standards adopted under division (F) of section 3345.061 24842

of the Revised Code;	24843
(b) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations;	24844 24845 24846 24847
(c) The percentage of a district's or building's students who have earned at least three college credits through advanced standing programs, such as the college credit plus program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree.	24848 24849 24850 24851 24852 24853 24854 24855 24856 24857 24858 24859
(d) The percentage of the district's or building's students who receive an honor's diploma under division (B) of section 3313.61 of the Revised Code;	24860 24861 24862
(e) The percentage of the district's or building's students who receive industry-recognized credentials <u>as approved under section 3313.6112 of the Revised Code</u> ;	24863 24864 24865
(f) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations;	24866 24867 24868 24869
(g) The results of the college and career-ready assessments administered under division (B)(1) of section 3301.0712 of the Revised Code.	24870 24871 24872
(3) The state board shall adopt rules pursuant to Chapter	24873

119. of the Revised Code that establish a method to assign an 24874
overall grade for a school district or school building for the 24875
2017-2018 school year and each school year thereafter. The rules 24876
shall group the performance measures in divisions (C)(1) and (2) 24877
of this section into the following components: 24878

(a) Gap closing, which shall include the performance measure 24879
in division (C)(1)(a) of this section; 24880

(b) Achievement, which shall include the performance measures 24881
in divisions (C)(1)(b) and (c) of this section; 24882

(c) Progress, which shall include the performance measures in 24883
divisions (C)(1)(e) and (f) of this section; 24884

(d) Graduation, which shall include the performance measure 24885
in division (C)(1)(d) of this section; 24886

(e) Kindergarten through third-grade literacy, which shall 24887
include the performance measure in division (C)(1)(g) of this 24888
section; 24889

(f) Prepared for success, which shall include the performance 24890
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 24891
this section. The state board shall develop a method to determine 24892
a grade for the component in division (C)(3)(f) of this section 24893
using the performance measures in divisions (C)(2)(a), (b), (c), 24894
(d), (e), and (f) of this section. When available, the state board 24895
may incorporate the performance measure under division (C)(2)(g) 24896
of this section into the component under division (C)(3)(f) of 24897
this section. When determining the overall grade for the prepared 24898
for success component prescribed by division (C)(3)(f) of this 24899
section, no individual student shall be counted in more than one 24900
performance measure. However, if a student qualifies for more than 24901
one performance measure in the component, the state board may, in 24902
its method to determine a grade for the component, specify an 24903
additional weight for such a student that is not greater than or 24904

equal to 1.0. In determining the overall score under division 24905
(C)(3)(f) of this section, the state board shall ensure that the 24906
pool of students included in the performance measures aggregated 24907
under that division are all of the students included in the four- 24908
and five-year adjusted graduation cohort. 24909

In the rules adopted under division (C)(3) of this section, 24910
the state board shall adopt a method for determining a grade for 24911
each component in divisions (C)(3)(a) to (f) of this section. The 24912
state board also shall establish a method to assign an overall 24913
grade of "A," "B," "C," "D," or "F" using the grades assigned for 24914
each component. The method the state board adopts for assigning an 24915
overall grade shall give equal weight to the components in 24916
divisions (C)(3)(b) and (c) of this section. 24917

At least forty-five days prior to the state board's adoption 24918
of rules to prescribe the methods for calculating the overall 24919
grade for the report card, as required by this division, the 24920
department shall conduct a public presentation before the standing 24921
committees of the house of representatives and the senate that 24922
consider education legislation describing the format for the 24923
report card, weights that will be assigned to the components of 24924
the overall grade, and the method for calculating the overall 24925
grade. 24926

(D) On or after ~~than~~ July 1, 2015, the state board may 24927
develop a measure of student academic progress for high school 24928
students using only data from assessments in English language arts 24929
and mathematics. If the state board develops this measure, each 24930
school district and applicable school building shall be assigned a 24931
separate letter grade for ~~if~~ it not sooner than the 2017-2018 24932
school year. The district's or building's grade for that measure 24933
shall not be included in determining the district's or building's 24934
overall letter grade. 24935

(E) The letter grades assigned to a school district or 24936

building under this section shall be as follows:	24937
(1) "A" for a district or school making excellent progress;	24938
(2) "B" for a district or school making above average progress;	24939 24940
(3) "C" for a district or school making average progress;	24941
(4) "D" for a district or school making below average progress;	24942 24943
(5) "F" for a district or school failing to meet minimum progress.	24944 24945
(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:	24946 24947 24948
(1) Performance of students by grade-level;	24949
(2) Performance of students by race and ethnic group;	24950
(3) Performance of students by gender;	24951
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	24952 24953
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	24954 24955 24956
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	24957 24958
(7) Performance of students grouped by those who are economically disadvantaged;	24959 24960
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	24961 24962 24963
(9) Performance of students grouped by those who are	24964

classified as limited English proficient;	24965
(10) Performance of students grouped by those who have disabilities;	24966 24967
(11) Performance of students grouped by those who are classified as migrants;	24968 24969
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	24970 24971 24972 24973 24974 24975 24976 24977 24978
(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board.	24979 24980 24981
The department may disaggregate data on student performance according to other categories that the department determines are appropriate. To the extent possible, the department shall disaggregate data on student performance according to any combinations of two or more of the categories listed in divisions (F)(1) to (13) of this section that it deems relevant.	24982 24983 24984 24985 24986 24987
In reporting data pursuant to division (F) of this section, the department shall not include in the report cards any data statistical in nature that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report student performance data for any group identified in division (F) of this section that contains less than ten students. If the department does not report student performance data for a group because it contains less than	24988 24989 24990 24991 24992 24993 24994 24995

ten students, the department shall indicate on the report card 24996
that is why data was not reported. 24997

(G) The department may include with the report cards any 24998
additional education and fiscal performance data it deems 24999
valuable. 25000

(H) The department shall include on each report card a list 25001
of additional information collected by the department that is 25002
available regarding the district or building for which the report 25003
card is issued. When available, such additional information shall 25004
include student mobility data disaggregated by race and 25005
socioeconomic status, college enrollment data, and the reports 25006
prepared under section 3302.031 of the Revised Code. 25007

The department shall maintain a site on the world wide web. 25008
The report card shall include the address of the site and shall 25009
specify that such additional information is available to the 25010
public at that site. The department shall also provide a copy of 25011
each item on the list to the superintendent of each school 25012
district. The district superintendent shall provide a copy of any 25013
item on the list to anyone who requests it. 25014

(I)(1)(a) Except as provided in division (I)(1)(b) of this 25015
section, for any district that sponsors a conversion community 25016
school under Chapter 3314. of the Revised Code, the department 25017

guaranteed in a contract entered into by the board of education 25730
under this section, the energy services company shall provide a 25731
surety bond that satisfies all of the following requirements: 25732

the contract, but may not include guaranteed savings that are not 25737

include guaranteed savings that are not measured or that are 25754

not exceed the penal sum stated in the renewal certificate for the 25757
applicable renewal year. 25758

and bearing interest at a rate not exceeding the rate determined 25775
as provided in section 9.95 of the Revised Code. The notes may 25776

Chapter 133. of the Revised Code. In the resolution authorizing 25778
the notes, the board may provide, without the vote of the electors 25779

except that the total net indebtedness of the district without a 25782
vote of the electors incurred under this and all other sections of 25783
the Revised Code, except section 3318.052 of the Revised Code, 25784
shall not exceed one per cent of the district's tax valuation. 25785

of section 133.06 of the Revised Code as a requirement for issuing 25799
energy securities, makes a finding that the amount spent on such 25800
measures is not likely to exceed the amount of money it would save 25801
in energy costs and resultant operational and maintenance costs as 25802
described in that division, except that that finding shall cover 25803
the ensuing fifteen years, and the ~~school~~ facilities construction 25804
commission determines that the district board's findings are 25805
reasonable and approves the contract as described in that 25806
division. 25807

The district board shall monitor the savings and maintain a 25808
report of those savings, which shall be submitted to the 25809
commission in the same manner as required by division (G) of 25810
section 133.06 of the Revised Code in the case of energy 25811

nutrition and the benefits of nutritious foods and physical 25861
activity for overall health; 25862

(3) Mathematics, four units, which shall include one unit of 25863
algebra II or the equivalent of algebra II. However, students who 25864
enter ninth grade for the first time on or after July 1, 2015, and 25865
who are pursuing a career-technical instructional track shall not 25866
be required to take algebra II, and instead may complete a 25867
career-based pathway mathematics course as an alternative. 25868

(4) Physical education, one-half unit; 25869

(5) Science, three units with inquiry-based laboratory 25870
experience that engages students in asking valid scientific 25871
questions and gathering and analyzing information, which shall 25872
include the following, or their equivalent: 25873

(a) Physical sciences, one unit; 25874

(b) Life sciences, one unit; 25875

(c) Advanced study in one or more of the following sciences, 25876
one unit: 25877

(i) Chemistry, physics, or other physical science; 25878

(ii) Advanced biology or other life science;	25879
(iii) Astronomy, physical geology, or other earth or space science.	25880 25881
(6) History and government, one unit, which shall comply with division (M) of this section and shall include both of the following:	25882 25883 25884
(a) American history, one-half unit;	25885
(b) American government, one-half unit.	25886
(7) Social studies, two units.	25887
Each school shall integrate the study of economics and financial literacy, as expressed in the social studies academic content standards adopted by the state board of education under division (A)(1) of section 3301.079 of the Revised Code and the academic content standards for financial literacy and entrepreneurship adopted under division (A)(2) of that section, into one or more existing social studies credits required under division (C)(7) of this section, or into the content of another class, so that every high school student receives instruction in those concepts. In developing the curriculum required by this paragraph, schools shall use available public-private partnerships and resources and materials that exist in business, industry, and through the centers for economics education at institutions of higher education in the state.	25888 25889 25890 25891 25892 25893 25894 25895 25896 25897 25898 25899 25900 25901
Beginning with students who enter ninth grade for the first time on or after July 1, 2017, the two units of instruction prescribed by division (C)(7) of this section shall include at least one-half unit of instruction in the study of world history and civilizations.	25902 25903 25904 25905 25906
(8) Five units consisting of one or any combination of foreign language, fine arts, business, career-technical education,	25907 25908

family and consumer sciences, technology, agricultural education, 25909

by the congress of the United States under title 10 of the United 25911
States Code, or English language arts, mathematics, science, or 25912
social studies courses not otherwise required under division (C) 25913
of this section. 25914

Ohioans must be prepared to apply increased knowledge and 25915
skills in the workplace and to adapt their knowledge and skills 25916
quickly to meet the rapidly changing conditions of the 25917
twenty-first century. National studies indicate that all high 25918
school graduates need the same academic foundation, regardless of 25919
the opportunities they pursue after graduation. The goal of Ohio's 25920
system of elementary and secondary education is to prepare all 25921
students for and seamlessly connect all students to success in 25922
life beyond high school graduation, regardless of whether the next 25923
step is entering the workforce, beginning an apprenticeship, 25924
engaging in post-secondary training, serving in the military, or 25925
pursuing a college degree. 25926

The requirements for graduation prescribed in division (C) of 25927
this section are the standard expectation for all students 25928
entering ninth grade for the first time at a public or chartered 25929
nonpublic high school on or after July 1, 2010. A student may 25930
satisfy this expectation through a variety of methods, including, 25931
but not limited to, integrated, applied, career-technical, and 25932
traditional coursework. 25933

Whereas teacher quality is essential for student success when 25934
completing the requirements for graduation, the general assembly 25935
shall appropriate funds for strategic initiatives designed to 25936
strengthen schools' capacities to hire and retain highly qualified 25937
teachers in the subject areas required by the curriculum. Such 25938
initiatives are expected to require an investment of \$120,000,000 25939
over five years. 25940

Stronger coordination between high schools and institutions 25941
of higher education is necessary to prepare students for more 25942
challenging academic endeavors and to lessen the need for academic 25943
remediation in college, thereby reducing the costs of higher 25944
education for Ohio's students, families, and the state. The state 25945
board and the chancellor of higher education shall develop 25946
policies to ensure that only in rare instances will students who 25947
complete the requirements for graduation prescribed in division 25948
(C) of this section require academic remediation after high 25949
school. 25950

School districts, community schools, and chartered nonpublic 25951
schools shall integrate technology into learning experiences 25952
across the curriculum in order to maximize efficiency, enhance 25953
learning, and prepare students for success in the 25954
technology-driven twenty-first century. Districts and schools 25955
shall use distance and web-based course delivery as a method of 25956
providing or augmenting all instruction required under this 25957
division, including laboratory experience in science. Districts 25958
and schools shall utilize technology access and electronic 25959
learning opportunities provided by the broadcast educational media 25960
commission, chancellor, the Ohio learning network, education 25961
technology centers, public television stations, and other public 25962
and private providers. 25963

(D) Except as provided in division (E) of this section, a 25964
student who enters ninth grade on or after July 1, 2010, and 25965
before July 1, 2016, may qualify for graduation from a public or 25966
chartered nonpublic high school even though the student has not 25967
completed the requirements for graduation prescribed in division 25968
(C) of this section if all of the following conditions are 25969
satisfied: 25970

(1) During the student's third year of attending high school, 25971
as determined by the school, the student and the student's parent, 25972

guardian, or custodian sign and file with the school a written 25973
statement asserting the parent's, guardian's, or custodian's 25974
consent to the student's graduating without completing the 25975
requirements for graduation prescribed in division (C) of this 25976
section and acknowledging that one consequence of not completing 25977
those requirements is ineligibility to enroll in most state 25978
universities in Ohio without further coursework. 25979

(2) The student and parent, guardian, or custodian fulfill 25980
any procedural requirements the school stipulates to ensure the 25981
student's and parent's, guardian's, or custodian's informed 25982
consent and to facilitate orderly filing of statements under 25983
division (D)(1) of this section. Annually, each district or school 25984
shall notify the department of education of the number of students 25985
who choose to qualify for graduation under division (D) of this 25986
section and the number of students who complete the student's 25987
success plan and graduate from high school. 25988

(3) The student and the student's parent, guardian, or 25989
custodian and a representative of the student's high school 25990
jointly develop a student success plan for the student in the 25991
manner described in division (C)(1) of section 3313.6020 of the 25992
Revised Code that specifies the student matriculating to a 25993
two-year degree program, acquiring a business and 25994
industry-recognized credential, or entering an apprenticeship. 25995

(4) The student's high school provides counseling and support 25996
for the student related to the plan developed under division 25997
(D)(3) of this section during the remainder of the student's high 25998
school experience. 25999

(5)(a) Except as provided in division (D)(5)(b) of this 26000
section, the student successfully completes, at a minimum, the 26001
curriculum prescribed in division (B) of this section. 26002

(b) Beginning with students who enter ninth grade for the 26003

first time on or after July 1, 2014, a student shall be required 26004
to complete successfully, at the minimum, the curriculum 26005
prescribed in division (B) of this section, except as follows: 26006

(i) Mathematics, four units, one unit which shall be one of 26007
the following: 26008

(I) Probability and statistics; 26009

(II) Computer programming; 26010

(III) Applied mathematics or quantitative reasoning; 26011

(IV) Any other course approved by the department using 26012
standards established by the superintendent not later than October 26013
1, 2014. 26014

(ii) Elective units, five units; 26015

(iii) Science, three units as prescribed by division (B) of 26016
this section which shall include inquiry-based laboratory 26017
experience that engages students in asking valid scientific 26018
questions and gathering and analyzing information. 26019

The department, in collaboration with the chancellor, shall 26020
analyze student performance data to determine if there are 26021
mitigating factors that warrant extending the exception permitted 26022
by division (D) of this section to high school classes beyond 26023
those entering ninth grade before July 1, 2016. The department 26024
shall submit its findings and any recommendations not later than 26025
December 1, 2015, to the speaker and minority leader of the house 26026
of representatives, the president and minority leader of the 26027
senate, the chairpersons and ranking minority members of the 26028
standing committees of the house of representatives and the senate 26029
that consider education legislation, the state board of education, 26030
and the superintendent of public instruction. 26031

(E) Each school district and chartered nonpublic school 26032
retains the authority to require an even more challenging minimum 26033

curriculum for high school graduation than specified in division 26034
(B) or (C) of this section. A school district board of education, 26035
through the adoption of a resolution, or the governing authority 26036
of a chartered nonpublic school may stipulate any of the 26037
following: 26038

(1) A minimum high school curriculum that requires more than 26039
twenty units of academic credit to graduate; 26040

(2) An exception to the district's or school's minimum high 26041
school curriculum that is comparable to the exception provided in 26042
division (D) of this section but with additional requirements, 26043
which may include a requirement that the student successfully 26044
complete more than the minimum curriculum prescribed in division 26045
(B) of this section; 26046

(3) That no exception comparable to that provided in division 26047
(D) of this section is available. 26048

(F) A student enrolled in a dropout prevention and recovery 26049
program, which program has received a waiver from the department, 26050
may qualify for graduation from high school by successfully 26051
completing a competency-based instructional program administered 26052
by the dropout prevention and recovery program in lieu of 26053
completing the requirements for graduation prescribed in division 26054
(C) of this section. The department shall grant a waiver to a 26055
dropout prevention and recovery program, within sixty days after 26056
the program applies for the waiver, if the program meets all of 26057
the following conditions: 26058

(1) The program serves only students not younger than sixteen 26059
years of age and not older than twenty-one years of age. 26060

(2) The program enrolls students who, at the time of their 26061
initial enrollment, either, or both, are at least one grade level 26062
behind their cohort age groups or experience crises that 26063
significantly interfere with their academic progress such that 26064

they are prevented from continuing their traditional programs. 26065

(3) The program requires students to attain at least the 26066
applicable score designated for each of the assessments prescribed 26067
under division (B)(1) of section 3301.0710 of the Revised Code or, 26068
to the extent prescribed by rule of the state board under division 26069
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 26070
of that section. 26071

(4) The program develops a student success plan for the 26072
student in the manner described in division (C)(1) of section 26073
3313.6020 of the Revised Code that specifies the student's 26074
matriculating to a two-year degree program, acquiring a business 26075
and industry-recognized credential, or entering an apprenticeship. 26076

(5) The program provides counseling and support for the 26077
student related to the plan developed under division (F)(4) of 26078
this section during the remainder of the student's high school 26079
experience. 26080

(6) The program requires the student and the student's 26081
parent, guardian, or custodian to sign and file, in accordance 26082
with procedural requirements stipulated by the program, a written 26083
statement asserting the parent's, guardian's, or custodian's 26084
consent to the student's graduating without completing the 26085
requirements for graduation prescribed in division (C) of this 26086
section and acknowledging that one consequence of not completing 26087
those requirements is ineligibility to enroll in most state 26088
universities in Ohio without further coursework. 26089

(7) Prior to receiving the waiver, the program has submitted 26090
to the department an instructional plan that demonstrates how the 26091
academic content standards adopted by the state board under 26092
section 3301.079 of the Revised Code will be taught and assessed. 26093

(8) Prior to receiving the waiver, the program has submitted 26094
to the department a policy on career advising that satisfies the 26095

requirements of section 3313.6020 of the Revised Code, with an 26096
emphasis on how every student will receive career advising. 26097

(9) Prior to receiving the waiver, the program has submitted 26098
to the department a written agreement outlining the future 26099
cooperation between the program and any combination of local job 26100
training, postsecondary education, nonprofit, and health and 26101
social service organizations to provide services for students in 26102
the program and their families. 26103

Divisions (F)(8) and (9) of this section apply only to 26104
waivers granted on or after July 1, 2015. 26105

If the department does not act either to grant the waiver or 26106
to reject the program application for the waiver within sixty days 26107
as required under this section, the waiver shall be considered to 26108
be granted. 26109

(G) Every high school may permit students below the ninth 26110
grade to take advanced work. If a high school so permits, it shall 26111
award high school credit for successful completion of the advanced 26112
work and shall count such advanced work toward the graduation 26113
requirements of division (B) or (C) of this section if the 26114
advanced work was both: 26115

(1) Taught by a person who possesses a license or certificate 26116
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 26117
Code that is valid for teaching high school; 26118

(2) Designated by the board of education of the city, local, 26119
or exempted village school district, the board of the cooperative 26120
education school district, or the governing authority of the 26121
chartered nonpublic school as meeting the high school curriculum 26122
requirements. 26123

Each high school shall record on the student's high school 26124
transcript all high school credit awarded under division (G) of 26125
this section. In addition, if the student completed a seventh- or 26126

eighth-grade fine arts course described in division (K) of this 26127
section and the course qualified for high school credit under that 26128
division, the high school shall record that course on the 26129
student's high school transcript. 26130

(H) The department shall make its individual academic career 26131
plan available through its Ohio career information system web site 26132
for districts and schools to use as a tool for communicating with 26133
and providing guidance to students and families in selecting high 26134
school courses. 26135

(I) A school district or chartered nonpublic school may 26136
integrate academic content in a subject area for which the state 26137
board has adopted standards under section 3301.079 of the Revised 26138
Code into a course in a different subject area, including a 26139
career-technical education course, in accordance with guidance for 26140
integrated coursework developed by the department. Upon successful 26141
completion of an integrated course, a student may receive credit 26142
for both subject areas that were integrated into the course. Units 26143
earned in English language arts, mathematics, science, and social 26144
studies that are for subject area content delivered through 26145
integrated academic and career-technical instruction are eligible 26146
to meet the graduation requirements of division (B) or (C) of this 26147
section. 26148

For purposes of meeting graduation requirements, if an 26149
end-of-course examination has been prescribed under section 26150
3301.0712 of the Revised Code for the subject area delivered 26151
through integrated instruction, the school district or school may 26152
administer the related subject area examinations upon the 26153
student's completion of the integrated course. 26154

Nothing in division (I) of this section shall be construed to 26155
excuse any school district, chartered nonpublic school, or student 26156
from any requirement in the Revised Code related to curriculum, 26157
assessments, or the awarding of a high school diploma. 26158

(J)(1) The state board, in consultation with the chancellor, 26159
shall adopt a statewide plan implementing methods for students to 26160
earn units of high school credit based on a demonstration of 26161
subject area competency, instead of or in combination with 26162
completing hours of classroom instruction. The state board shall 26163
adopt the plan not later than March 31, 2009, and commence phasing 26164
in the plan during the 2009-2010 school year. The plan shall 26165
include a standard method for recording demonstrated proficiency 26166
on high school transcripts. Each school district and community 26167
school shall comply with the state board's plan adopted under this 26168
division and award units of high school credit in accordance with 26169
the plan. The state board may adopt existing methods for earning 26170
high school credit based on a demonstration of subject area 26171
competency as necessary prior to the 2009-2010 school year. 26172

(2) Not later than December 31, 2015, the state board shall 26173
update the statewide plan adopted pursuant to division (J)(1) of 26174
this section to also include methods for students enrolled in 26175
seventh and eighth grade to meet curriculum requirements based on 26176
a demonstration of subject area competency, instead of or in 26177
combination with completing hours of classroom instruction. 26178
Beginning with the 2017-2018 school year, each school district and 26179
community school also shall comply with the updated plan adopted 26180
pursuant to this division and permit students enrolled in seventh 26181
and eighth grade to meet curriculum requirements based on subject 26182
area competency in accordance with the plan. 26183

(3) Not later than December 31, 2017, the department shall 26184
develop a framework for school districts and community schools to 26185
use in granting units of high school credit to students who 26186
demonstrate subject area competency through work-based learning 26187
experiences, internships, or cooperative education. Beginning with 26188
the 2018-2019 school year, each district and community school 26189
shall comply with the framework. Each district and community 26190

school also shall review any policy it has adopted regarding the 26191
demonstration of subject area competency to identify ways to 26192
incorporate work-based learning experiences, internships, and 26193
cooperative education into the policy in order to increase student 26194
engagement and opportunities to earn units of high school credit. 26195

(K) This division does not apply to students who qualify for 26196
graduation from high school under division (D) or (F) of this 26197
section, or to students pursuing a career-technical instructional 26198
track as determined by the school district board of education or 26199
the chartered nonpublic school's governing authority. 26200
Nevertheless, the general assembly encourages such students to 26201
consider enrolling in a fine arts course as an elective. 26202

Beginning with students who enter ninth grade for the first 26203
time on or after July 1, 2010, each student enrolled in a public 26204
or chartered nonpublic high school shall complete two semesters or 26205
the equivalent of fine arts to graduate from high school. The 26206
coursework may be completed in any of grades seven to twelve. Each 26207
student who completes a fine arts course in grade seven or eight 26208
may elect to count that course toward the five units of electives 26209
required for graduation under division (C)(8) of this section, if 26210
the course satisfied the requirements of division (G) of this 26211
section. In that case, the high school shall award the student 26212
high school credit for the course and count the course toward the 26213
five units required under division (C)(8) of this section. If the 26214
course in grade seven or eight did not satisfy the requirements of 26215
division (G) of this section, the high school shall not award the 26216
student high school credit for the course but shall count the 26217
course toward the two semesters or the equivalent of fine arts 26218
required by this division. 26219

(L) Notwithstanding anything to the contrary in this section, 26220
the board of education of each school district and the governing 26221
authority of each chartered nonpublic school may adopt a policy to 26222

excuse from the high school physical education requirement each 26223
student who, during high school, has participated in 26224
interscholastic athletics, marching band, or cheerleading for at 26225
least two full seasons or in the junior reserve officer training 26226
corps for at least two full school years. If the board or 26227
authority adopts such a policy, the board or authority shall not 26228
require the student to complete any physical education course as a 26229
condition to graduate. However, the student shall be required to 26230
complete one-half unit, consisting of at least sixty hours of 26231
instruction, in another course of study. In the case of a student 26232
who has participated in the junior reserve officer training corps 26233
for at least two full school years, credit received for that 26234
participation may be used to satisfy the requirement to complete 26235
one-half unit in another course of study. 26236

(M) It is important that high school students learn and 26237
understand United States history and the governments of both the 26238
United States and the state of Ohio. Therefore, beginning with 26239
students who enter ninth grade for the first time on or after July 26240
1, 2012, the study of American history and American government 26241
required by divisions (B)(6) and (C)(6) of this section shall 26242
include the study of all of the following documents: 26243

(1) The Declaration of Independence; 26244

(2) The Northwest Ordinance; 26245

(3) The Constitution of the United States with emphasis on 26246
the Bill of Rights; 26247

(4) The Ohio Constitution. 26248

The study of each of the documents prescribed in divisions 26249
(M)(1) to (4) of this section shall include study of that document 26250
in its original context. 26251

The study of American history and government required by 26252
divisions (B)(6) and (C)(6) of this section shall include the 26253

historical evidence of the role of documents such as the 26254
Federalist Papers and the Anti-Federalist Papers to firmly 26255
establish the historical background leading to the establishment 26256
of the provisions of the Constitution and Bill of Rights. 26257

Sec. 3313.608. (A)(1) Beginning with students who enter third 26258
grade in the school year that starts July 1, 2009, and until June 26259
30, 2013, unless the student is excused under division (C) of 26260
section 3301.0711 of the Revised Code from taking the assessment 26261
described in this section, for any student who does not attain at 26262
least the equivalent level of achievement designated under 26263
division (A)(3) of section 3301.0710 of the Revised Code on the 26264
assessment prescribed under that section to measure skill in 26265
English language arts expected at the end of third grade, each 26266
school district, in accordance with the policy adopted under 26267
section 3313.609 of the Revised Code, shall do one of the 26268
following: 26269

(a) Promote the student to fourth grade if the student's 26270
principal and reading teacher agree that other evaluations of the 26271
student's skill in reading demonstrate that the student is 26272
academically prepared to be promoted to fourth grade; 26273

(b) Promote the student to fourth grade but provide the 26274
student with intensive intervention services in fourth grade; 26275

(c) Retain the student in third grade. 26276

(2) Beginning with students who enter third grade in the 26277
2013-2014 school year, unless the student is excused under 26278
division (C) of section 3301.0711 of the Revised Code from taking 26279
the assessment described in this section, no school district shall 26280
promote to fourth grade any student who does not attain at least 26281
the equivalent level of achievement designated under division 26282
(A)(3) of section 3301.0710 of the Revised Code on the assessment 26283

(2) A student shall be considered to be enrolled in a 27535

community school for the period of time beginning on the later of 27536
the date on which the school both has received documentation of 27537
the student's enrollment from a parent and the student has 27538
commenced participation in learning opportunities as defined in 27539
the contract with the sponsor, or thirty days prior to the date on 27540
which the student is entered into the education management 27541
information system established under section 3301.0714 of the 27542
Revised Code. For purposes of applying this division and divisions 27543
(H)(3) and (4) of this section to a community school student, 27544
"learning opportunities" shall be defined in the contract, which 27545
shall describe both classroom-based and non-classroom-based 27546
learning opportunities and shall be in compliance with criteria 27547
and documentation requirements for student participation which 27548
shall be established by the department. Any student's instruction 27549
time in non-classroom-based learning opportunities shall be 27550
certified by an employee of the community school. A student's 27551
enrollment shall be considered to cease on the date on which any 27552
of the following occur: 27553

(a) The community school receives documentation from a parent 27554
terminating enrollment of the student. 27555

(b) The community school is provided documentation of a 27556
student's enrollment in another public or private school. 27557

(c) The community school ceases to offer learning 27558
opportunities to the student pursuant to the terms of the contract 27559
with the sponsor or the operation of any provision of this 27560
chapter. 27561

Except as otherwise specified in this paragraph, beginning in 27562
the 2011-2012 school year, any student who completed the prior 27563
school year in an internet- or computer-based community school 27564
shall be considered to be enrolled in the same school in the 27565
subsequent school year until the student's enrollment has ceased 27566
as specified in division (H)(2) of this section. The department 27567

shall continue subtracting and paying amounts for the student 27568
under division (C) of this section without interruption at the 27569
start of the subsequent school year. However, if the student 27570
without a legitimate excuse fails to participate in the first one 27571
hundred five consecutive hours of learning opportunities offered 27572
to the student in that subsequent school year, the student shall 27573
be considered not to have re-enrolled in the school for that 27574
school year and the department shall recalculate the payments to 27575
the school for that school year to account for the fact that the 27576
student is not enrolled. 27577

(3) The department shall determine each community school 27578
student's percentage of full-time equivalency based on the 27579
percentage of learning opportunities offered by the community 27580
school to that student, reported either as number of hours or 27581
number of days, is of the total learning opportunities offered by 27582
the community school to a student who attends for the school's 27583
entire school year. However, no internet- or computer-based 27584
community school shall be credited for any time a student spends 27585
participating in learning opportunities beyond ten hours within 27586
any period of twenty-four consecutive hours. Whether it reports 27587
hours or days of learning opportunities, each community school 27588
shall offer not less than nine hundred twenty hours of learning 27589
opportunities during the school year. 27590

(4) With respect to the calculation of full-time equivalency 27591
under division (H)(3) of this section, the department shall waive 27592
the number of hours or days of learning opportunities not offered 27593
to a student because the community school was closed during the 27594
school year due to disease epidemic, hazardous weather conditions, 27595
law enforcement emergencies, inoperability of school buses or 27596
other equipment necessary to the school's operation, damage to a 27597
school building, or other temporary circumstances due to utility 27598
failure rendering the school building unfit for school use, so 27599

long as the school was actually open for instruction with students 27600
in attendance during that school year for not less than the 27601
minimum number of hours required by this chapter. The department 27602
shall treat the school as if it were open for instruction with 27603
students in attendance during the hours or days waived under this 27604
division. 27605

(I) The department of education shall reduce the amounts paid 27606
under this section to reflect payments made to colleges under 27607
section 3365.07 of the Revised Code. 27608

(J)(1) No student shall be considered enrolled in any 27609
internet- or computer-based community school or, if applicable to 27610
the student, in any community school that is required to provide 27611
the student with a computer pursuant to division (C) of section 27612
3314.22 of the Revised Code, unless both of the following 27613
conditions are satisfied: 27614

(a) The student possesses or has been provided with all 27615
required hardware and software materials and all such materials 27616
are operational so that the student is capable of fully 27617
participating in the learning opportunities specified in the 27618
contract between the school and the school's sponsor as required 27619
by division (A)(23) of section 3314.03 of the Revised Code; 27620

(b) The school is in compliance with division (A) of section 27621
3314.22 of the Revised Code, relative to such student. 27622

(2) In accordance with policies adopted jointly by the 27623
superintendent of public instruction and the auditor of state, the 27624
department shall reduce the amounts otherwise payable under 27625
division (C) of this section to any community school that includes 27626
in its program the provision of computer hardware and software 27627
materials to any student, if such hardware and software materials 27628
have not been delivered, installed, and activated for each such 27629
student in a timely manner or other educational materials or 27630

services have not been provided according to the contract between 27631
the individual community school and its sponsor. 27632

The superintendent of public instruction and the auditor of 27633
state shall jointly establish a method for auditing any community 27634
school to which this division pertains to ensure compliance with 27635
this section. 27636

The superintendent, auditor of state, and the governor shall 27637
jointly make recommendations to the general assembly for 27638
legislative changes that may be required to assure fiscal and 27639
academic accountability for such schools. 27640

(K)(1) If the department determines that a review of a 27641
community school's enrollment is necessary, such review shall be 27642
completed and written notice of the findings shall be provided to 27643
the governing authority of the community school and its sponsor 27644
within ninety days of the end of the community school's fiscal 27645
year, unless extended for a period not to exceed thirty additional 27646
days for one of the following reasons: 27647

(a) The department and the community school mutually agree to 27648
the extension. 27649

(b) Delays in data submission caused by either a community 27650
school or its sponsor. 27651

(2) If the review results in a finding that additional 27652
funding is owed to the school, such payment shall be made within 27653
thirty days of the written notice. If the review results in a 27654
finding that the community school owes moneys to the state, the 27655
following procedure shall apply: 27656

(a) Within ten business days of the receipt of the notice of 27657
findings, the community school may appeal the department's 27658
determination to the state board of education or its designee. 27659

(b) The board or its designee shall conduct an informal 27660

hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one or more of the assessments required by that section and was not excused pursuant to division (C)(1) or (3) of that section, unless the superintendent of public instruction grants the student a waiver from the requirement to take the assessment and a parent is not paying tuition for the student pursuant to section 3314.26 of the Revised Code. The superintendent may grant a waiver only for good cause in accordance with rules adopted by the state board of education.

(4) Any student who has attained the age of twenty-two years, 27692
except for veterans of the armed services whose attendance was 27693
interrupted before completing the recognized twelve-year course of 27694
the public schools by reason of induction or enlistment in the 27695
armed forces and who apply for enrollment in a community school 27696
not later than four years after termination of war or their 27697
honorable discharge. If, however, any such veteran elects to 27698
enroll in special courses organized for veterans for whom tuition 27699
is paid under federal law, or otherwise, the department shall not 27700
subtract from a school district's state aid account and shall not 27701
pay to a community school under division (C) of this section any 27702
amount for that veteran. 27703

Sec. 3316.20. (A)(1) The school district solvency assistance 27704
fund is hereby created in the state treasury, to consist of such 27705
amounts designated for the purposes of the fund by the general 27706
assembly. The fund shall be used to provide assistance and grants 27707
to school districts to enable them to remain solvent and to pay 27708
unforeseeable expenses of a temporary or emergency nature that 27709
they are unable to pay from existing resources. 27710

(2) There is hereby created within the fund an account known 27711
as the school district shared resource account, which shall 27712
consist of money appropriated to it by the general assembly. The 27713
money in the account shall be used solely for solvency assistance 27714
to school districts that have been declared under division (B) of 27715
section 3316.03 of the Revised Code to be in a state of fiscal 27716
emergency. 27717

(3) There is hereby created within the fund an account known 27718
as the catastrophic expenditures account, which shall consist of 27719
money appropriated to the account by the general assembly plus all 27720
investment earnings of the fund. Money in the account shall be 27721
used solely for the following: 27722

(a) Solvency assistance to school districts that have been 27723
declared under division (B) of section 3316.03 of the Revised Code 27724
to be in a state of fiscal emergency, in the event that all money 27725
in the shared resource account is utilized for solvency 27726
assistance; 27727

(b) Grants to school districts under division (C) of this 27728
section. 27729

(B) Solvency assistance payments under division (A)(2) or 27730
(3)(a) of this section shall be made from the fund by the 27731
superintendent of public instruction in accordance with rules 27732
adopted by the director of budget and management, after consulting 27733
with the superintendent, specifying approval criteria and 27734
procedures necessary for administering the fund. 27735

The fund shall be reimbursed for any solvency assistance 27736
amounts paid under division (A)(2) or (3)(a) of this section not 27737
later than the end of the second fiscal year following the fiscal 27738
year in which the solvency assistance payment was made, except 27739
that, upon the approval of the director of budget and management 27740
and the superintendent of public instruction, the fund may be 27741
reimbursed in another fiscal year designated by the director and 27742
superintendent that is not later than the end of the tenth fiscal 27743
year following the fiscal year in which the solvency assistance 27744
payment was made. If not made directly by the school district, 27745
such reimbursement shall be made by the director of budget and 27746
management from the amounts the school district would otherwise 27747
receive pursuant to Chapter 3317. of the Revised Code, or from any 27748
other funds appropriated for the district by the general assembly. 27749
Reimbursements shall be credited to the respective account from 27750
which the solvency assistance paid to the district was deducted. 27751

(C) The superintendent of public instruction may make 27752
recommendations, and the controlling board may grant money from 27753
the catastrophic expenditures account to any school district that 27754

suffers an unforeseen catastrophic event that severely depletes 27755
the district's financial resources. The superintendent shall make 27756
recommendations for the grants in accordance with rules adopted by 27757
the director of budget and management, after consulting with the 27758
superintendent. A school district shall not be required to repay 27759
any grant awarded to the district under this division, unless the 27760
district receives money from this state or a third party, 27761
including an agency of the government of the United States, 27762
specifically for the purpose of compensating the district for 27763
revenue lost or expenses incurred as a result of the unforeseen 27764
catastrophic event. If a school district receives a grant from the 27765
catastrophic expenditures account on the basis of the same 27766
circumstances for which an adjustment or recomputation is 27767
authorized under section 3317.025, ~~3317.026~~, ~~3317.027~~, 3317.028, 27768
3317.0210, or 3317.0211 of the Revised Code, the department of 27769
education shall reduce the adjustment or recomputation by an 27770
amount not to exceed the total amount of the grant, and an amount 27771
equal to the reduction shall be transferred, from the funding 27772
source from which the adjustment or recomputation would be paid, 27773
to the catastrophic expenditures account. Any adjustment or 27774
recomputation under such sections that is in excess of the total 27775
amount of the grant shall be paid to the school district. 27776

Sec. 3317.01. As used in this section, "school district," 27777
unless otherwise specified, means any city, local, exempted 27778
village, joint vocational, or cooperative education school 27779
district and any educational service center. 27780

This chapter shall be administered by the state board of 27781
education. The superintendent of public instruction shall 27782
calculate the amounts payable to each school district and shall 27783
certify the amounts payable to each eligible district to the 27784
treasurer of the district as provided by this chapter. As soon as 27785
possible after such amounts are calculated, the superintendent 27786

shall certify to the treasurer of each school district the 27787
district's adjusted charge-off increase, as defined in section 27788
5705.211 of the Revised Code. Certification of moneys pursuant to 27789
this section shall include the amounts payable to each school 27790
building, at a frequency determined by the superintendent, for 27791
each subgroup of students, as defined in section 3317.40 of the 27792
Revised Code, receiving services, provided for by state funding, 27793
from the district or school. No moneys shall be distributed 27794
pursuant to this chapter without the approval of the controlling 27795
board. 27796

The state board of education shall, in accordance with 27797
appropriations made by the general assembly, meet the financial 27798
obligations of this chapter. 27799

Moneys distributed to school districts pursuant to this 27800
chapter shall be calculated based on the annual enrollment 27801
calculated from the three reports required under sections 3317.03 27802
and 3317.036 of the Revised Code and paid on a fiscal year basis, 27803
beginning with the first day of July and extending through the 27804
thirtieth day of June. In any given fiscal year, prior to school 27805
districts submitting the first report required under section 27806
3317.03 of the Revised Code, enrollment for the districts shall be 27807
calculated based on the third report submitted by the districts 27808
for the previous fiscal year. The moneys appropriated for each 27809
fiscal year shall be distributed periodically to each school 27810
district unless otherwise provided for. The state board, in June 27811
of each year, shall submit to the controlling board the state 27812
board's year-end distributions pursuant to this chapter. 27813

Except as otherwise provided, payments under this chapter 27814
shall be made only to those school districts in which: 27815

(A) The school district, except for any educational service 27816
center and any joint vocational or cooperative education school 27817
district, levies for current operating expenses at least twenty 27818

mills. Levies for joint vocational or cooperative education school 27819
districts or county school financing districts, limited to or to 27820
the extent apportioned to current expenses, shall be included in 27821
this qualification requirement. School district income tax levies 27822
under Chapter 5748. of the Revised Code, limited to or to the 27823
extent apportioned to current operating expenses, shall be 27824
included in this qualification requirement to the extent 27825
determined by the tax commissioner under division ~~(D)~~(C) of 27826
section 3317.021 of the Revised Code. 27827

(B) The school year next preceding the fiscal year for which 27828
such payments are authorized meets the requirement of section 27829
3313.48 of the Revised Code, with regard to the minimum number of 27830
hours school must be open for instruction with pupils in 27831
attendance, for individualized parent-teacher conference and 27832
reporting periods, and for professional meetings of teachers. 27833

A school district shall not be considered to have failed to 27834
comply with this division because schools were open for 27835
instruction but either twelfth grade students were excused from 27836
attendance for up to the equivalent of three school days or only a 27837
portion of the kindergarten students were in attendance for up to 27838
the equivalent of three school days in order to allow for the 27839
gradual orientation to school of such students. 27840

A board of education or governing board of an educational 27841
service center which has not conformed with other law and the 27842
rules pursuant thereto, shall not participate in the distribution 27843
of funds authorized by this chapter, except for good and 27844
sufficient reason established to the satisfaction of the state 27845
board of education and the state controlling board. 27846

All funds allocated to school districts under this chapter, 27847
except those specifically allocated for other purposes, shall be 27848
used to pay current operating expenses only. 27849

special education programs, as these programs are defined for 27851
purposes of Chapter 3323. of the Revised Code, are as follows: 27852

Sec. 3317.017. The department of education shall compute a 27919
school district's state share index as follows: 27920

(A) Calculate the district's valuation index, which equals 27921
the following quotient: 27922

(The district's three-year average valuation / the district's 27923
total ADM) / (the statewide three-year average valuation for 27924
school districts with a total ADM greater than zero / the 27925
statewide total ADM) 27926

(B)(1) Calculate the district's median income index, which 27927
equals the following quotient: 27928

(The district's median Ohio adjusted gross income / the 27929
median of the median Ohio adjusted gross income of all districts 27930
statewide with a total ADM greater than zero) 27931

(2) Calculate the district's income index, which equals the 27932
following sum: 27933

(The district's median income index X 0.5) + {[the three-year 27934
average federal adjusted gross income of the school district's 27935
residents / the district's formula ADM for fiscal year 2017) / 27936
(the three-year average federal adjusted gross income of all 27937
districts statewide with a formula ADM for fiscal year 2017 27938
greater than zero / the statewide formula ADM for fiscal year 27939
2017)] X 0.5} 27940

(C) Determine the district's wealth index as follows:	27941
(1) If the district's income index is less than the	27942
district's valuation index and the district's median income index	27943
is less than or equal to 1.5, then the district's wealth index	27944
shall be equal to [(0.4 X the district's income index) + (0.6 X	27945
the district's valuation index)].	27946
(2) If the district's income index does not meet both of the	27947
conditions described in division (C)(1) of this section, then the	27948
district's wealth index shall be equal to the district's valuation	27949
index.	27950
(D) Determine the district's state share index as follows:	27951
(1) If the district's wealth index is less than or equal to	27952

purpose, the "potential value" of a school district is the 27972
three-year average valuation of the district plus the tax-exempt 27973

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation costs per student and the ten districts with the lowest transportation costs per student, divide the aggregate cost for school bus service for the remaining districts in the previous fiscal year by the aggregate qualifying ridership of those districts in the previous fiscal year.

(D) The department shall calculate the statewide transportation cost per mile as follows:

(1) Determine each city, local, and exempted village school district's transportation cost per mile by dividing the district's total costs for school bus service in the previous fiscal year by its total number of miles driven for school bus service in the previous fiscal year.

(2) After excluding districts that do not provide school bus service and the ten districts with the highest transportation

costs per mile and the ten districts with the lowest 28585

Sec. 3318.031. (A) The Ohio ~~school~~ facilities construction 29199
commission shall consider student and staff safety and health when 29200
reviewing design plans for classroom facility construction 29201
projects proposed under this chapter. After consulting with 29202
appropriate education, health, and law enforcement personnel, the 29203
commission may require as a condition of project approval under 29204
either section 3318.03 or division (B)(1) of section 3318.41 of 29205
the Revised Code such changes in the design plans as the 29206
commission believes will advance or improve student and staff 29207
safety and health in the proposed classroom facility. 29208

To carry out its duties under this division, the commission 29209
shall review and, if necessary, amend any construction and design 29210
standards used in its project approval process, including 29211
standards for location and number of exits, standards for lead 29212
safety in classroom facilities constructed before 1978 in which 29213
services are provided to children under six years of age, and 29214
location of restrooms, with a focus on advancing student and staff 29215
safety and health. 29216

(B) When reviewing design standards for classroom facility 29217
construction projects proposed under this chapter, the commission 29218
shall also consider the extent to which the design standards 29219
support the following: 29220

(1) Trends in educational delivery methods, including digital 29221
access and blended learning; 29222

(2) Provision of sufficient space for training new teachers 29223
and promotion of collaboration among teaching candidates, 29224
experienced teachers, and teacher educators; 29225

(3) Provision of adequate space for teacher planning and 29226
collaboration; 29227

(4) Provision of adequate space for parent involvement activities;	29228 29229
(5) Provision of sufficient space for innovative partnerships between schools and health and social service agencies.	29230 29231
Sec. 3318.032. (A) Except as otherwise provided in divisions (C) and (D) of this section, the portion of the basic project cost supplied by the school district shall be the greater of:	29232 29233 29234
(1) The required percentage of the basic project costs;	29235
(2)(a) For all districts except a district that opts to divide its entire classroom facilities needs into segments to be completed separately as authorized by section 3318.034 of the Revised Code, an amount necessary to raise the school district's net bonded indebtedness, as of the date the controlling board approved the project, to within five thousand dollars of the required level of indebtedness;	29236 29237 29238 29239 29240 29241 29242
(b) For a district that opts to divide its entire classroom facilities needs into segments to be completed separately as authorized by section 3318.034 of the Revised Code, an amount necessary to raise the school district's net bonded indebtedness, as of the date the controlling board approved the project, to within five thousand dollars of the following:	29243 29244 29245 29246 29247 29248
The required level of indebtedness X (the basic project cost of the segment as approved by the controlling board / the estimated basic project cost of the district's entire classroom facilities needs as determined jointly by the staff of the Ohio school facilities <u>construction</u> commission and the district)	29249 29250 29251 29252 29253 29254
(B) The amount of the district's share determined under this section shall be calculated only as of the date the controlling board approved the project, and that amount applies throughout the	29255 29256 29257

thirteen-month period permitted under section 3318.05 of the Revised Code for the district's electors to approve the propositions described in that section. If the amount reserved and encumbered for a project is released because the electors do not approve those propositions within that period, and the school district later receives the controlling board's approval for the project, subject to a new project scope and estimated costs under section 3318.054 of the Revised Code, the district's portion shall be recalculated in accordance with this section as of the date of the controlling board's subsequent approval.

(C) At no time shall a school district's portion of the basic project cost be greater than ninety-five per cent of the total basic project cost.

(D) If the controlling board approves a project under sections 3318.01 to 3318.20 of the Revised Code for a school district that previously received assistance under those sections or section 3318.37 of the Revised Code within the twenty-year period prior to the date on which the controlling board approves the new project, the district's portion of the basic project cost for the new project shall be the lesser of the following:

(1) The portion calculated under division (A) of this section;

(2) The greater of the following:

(a) The required percentage of the basic project costs for the new project;

(b) The percentage of the basic project cost paid by the district for the previous project.

Sec. 3318.033. (A) As used in this section:

(1) "Formula ADM" has the same meaning as in section 3317.02 of the Revised Code.

(2) "Open enrollment net gain" has the same meaning as in section 3318.011 of the Revised Code. 29288
29289

(B) This section applies to each school district that meets the following criteria: 29290
29291

(1) The Ohio ~~school~~ facilities construction commission certified its conditional approval of the district's project under sections 3318.01 to 3318.20 of the Revised Code after July 1, 2006, and prior to September 29, 2007, and the project had not been completed as of September 29, 2007. 29292
29293
29294
29295
29296

(2) Within one year after the date of the commission's certification of its conditional approval, the district's electors approved a bond issue to pay the district's portion of the basic project cost or the district board of education complied with section 3318.052 of the Revised Code. 29297
29298
29299
29300
29301

(3) In the fiscal year prior to the fiscal year in which the district's project was conditionally approved, the district had an open enrollment net gain that was ten per cent or more of its formula ADM. 29302
29303
29304
29305

(C) For each school district to which this section applies, the department of education shall recalculate the district's percentile ranking under section 3318.011 of the Revised Code for the fiscal year prior to the fiscal year in which the district's project was conditionally approved and shall report the recalculated percentile ranking to the commission. For this purpose, the department shall recalculate every school district's percentile ranking for that fiscal year using the district's "valuation per pupil" as that term is defined in section 3318.011 of the Revised Code on and after September 29, 2007. 29306
29307
29308
29309
29310
29311
29312
29313
29314
29315

(D) For each school district to which this section applies, the commission shall use the recalculated percentile ranking reported under division (C) of this section to determine the 29316
29317
29318

district's portion of the basic project cost under section 29319
3318.032 of the Revised Code. The commission shall not use the 29320
recalculated percentile ranking for any other purpose, and the 29321
recalculated ranking shall not affect any other district's portion 29322
of the basic project cost under section 3318.032 of the Revised 29323
Code or any district's eligibility for assistance under sections 29324
3318.01 to 3318.20 of the Revised Code. The commission shall 29325
revise the agreement entered into under section 3318.08 of the 29326
Revised Code to reflect the district's new portion of the basic 29327
project cost as determined under this division. 29328

Sec. 3318.034. (A) This section applies to both of the 29329
following: 29330

(1) Any school district that has not executed an agreement 29331
for a project under sections 3318.01 to 3318.20 of the Revised 29332
Code prior to June 24, 2008; 29333

(2) Any school district that is eligible for additional 29334
assistance under sections 3318.01 to 3318.20 of the Revised Code 29335
pursuant to division (B)(2) of section 3318.04 of the Revised 29336
Code. 29337

Notwithstanding any provision of this chapter to the 29338
contrary, with the approval of the Ohio ~~school~~ facilities 29339
construction commission, any school district to which this section 29340
applies may opt to divide the district's entire classroom 29341
facilities needs, as those needs are jointly determined by the 29342
staff of the commission and the school district, into discrete 29343
segments and shall comply with all of the provisions of those 29344
sections unless otherwise provided in this section. 29345

(B) Except as provided in division (C) of this section, each 29346
segment shall comply with both of the following: 29347

(1) The segment shall consist of the new construction of one 29348

or more entire buildings, a stand-alone segment of a building that 29349
serves grades kindergarten through twelve, or the complete 29350
renovation of one or more entire existing buildings, with any 29351
necessary additions to that building. 29352

(2) The segment shall not include any construction of or 29353
renovation or repair to any building that does not complete the 29354
needs of the district with respect to that particular building at 29355
the time the segment is completed. 29356

(C) A district described in division (A)(2) of this section 29357
that has not received the additional assistance authorized under 29358
division (B)(2) of section 3318.04 of the Revised Code may 29359
undertake a segment, with commission approval, for the purpose of 29360
renovating or replacing work performed on a facility under the 29361
district's prior project. The commission may approve that segment 29362
if the commission determines that the renovation or replacement is 29363
necessary to protect the facility. The basic project cost of the 29364
segment shall be allocated between the state and the district in 29365
accordance with section 3318.032 of the Revised Code. However, the 29366
requirements of division (B) of this section shall not apply to a 29367
segment undertaken under this division. 29368

(D) The commission shall conditionally approve and seek 29369
controlling board approval in accordance with division (A) of 29370
section 3318.04 of the Revised Code of each segment. 29371

(E)(1) When undertaking a segment under this section, a 29372
school district may elect to prorate its full maintenance amount 29373
by setting aside for maintenance the amount calculated under 29374
division (E)(2) of this section to maintain the classroom 29375
facilities acquired under the segment, if the district will use 29376
one or more of the alternative methods authorized in sections 29377
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 29378
the entire amount calculated under that division. If the district 29379
so elects, the commission and the district shall include in the 29380

agreement entered into under section 3318.08 of the Revised Code a 29381
statement specifying that the district will use the amount 29382
calculated under that division only to maintain the classroom 29383
facilities acquired under the segment. 29384

(2) The commission shall calculate the amount for a school 29385
district to maintain the classroom facilities acquired under a 29386
segment as follows: 29387

The full maintenance amount X (the school district's portion 29388
of the basic project cost for the segment / the school district's 29389
portion of the basic project cost for the district's entire 29390
classroom facilities needs, as determined jointly by the staff of 29391
the commission and the district) 29392

(3) A school district may elect to prorate its full 29393
maintenance amount for any number of segments, provided the 29394
district will use one or more of the alternative methods 29395
authorized in sections 3318.051, 3318.052, and 3318.084 of the 29396
Revised Code to generate the entire amount calculated under 29397
division (E)(2) of this section to maintain the classroom 29398
facilities acquired under each segment for which it so elects. If 29399
the district cannot use one or more of those alternative methods 29400
to generate the entire amount calculated under that division, the 29401
district shall levy the tax described in division (B) of section 29402
3318.05 of the Revised Code or an extension of that tax under 29403
section 3318.061 of the Revised Code in an amount necessary to 29404
generate the remainder of its full maintenance amount. The 29405
commission shall calculate the remainder of the district's full 29406
maintenance amount as follows: 29407

The full maintenance amount - the sum of the amounts 29408
calculated for the district under division (E)(2) of this section 29409
for each prior segment of the district's project 29410

(4) In no case shall the sum of the amounts calculated for a 29411

school district's maintenance of classroom facilities under 29412
divisions (E)(2) and (3) of this section exceed the amount that 29413
would have been required for maintenance if the district had 29414
elected to undertake its project in its entirety instead of 29415
segmenting the project under this section. 29416

(5) If a school district commenced a segment under this 29417
section prior to September 10, 2012, but has not completed that 29418
segment, and has not levied the tax described in division (B) of 29419
section 3318.05 of the Revised Code or an extension of that tax 29420
under section 3318.061 of the Revised Code, the district may 29421
request approval from the commission to prorate its full 29422
maintenance amount in accordance with divisions (E)(1) to (4) of 29423
this section. If the commission approves the request, the 29424
commission and the district shall amend the agreement entered into 29425
under section 3318.08 of the Revised Code to reflect the change. 29426

(F) If a school district levies the tax described in division 29427
(B) of section 3318.05 of the Revised Code or an extension of that 29428
tax under section 3318.061 of the Revised Code, the tax shall run 29429
for twenty-three years from the date the segment for which the tax 29430
is initially levied is undertaken. The maintenance levy 29431
requirement, as defined in section 3318.18 of the Revised Code, 29432
does not apply to a segment undertaken under division (C) of this 29433
section. 29434

(G) As used in this section, "full maintenance amount" means 29435
the amount of total revenue that a school district likely would 29436
generate by one-half mill of the tax described in division (B) of 29437
section 3318.05 of the Revised Code over the entire 29438
twenty-three-year period required under that section, as 29439
determined by the commission in consultation with the department 29440
of taxation. 29441

Sec. 3318.035. (A) This section applies only if there is a 29442

change in the assessment rates on gas pipelines imposed under 29443
state law. 29444

(B) If at any time division (A) of this section applies and 29445
if the change in assessment rates described in that division 29446
affects a school district's valuation as determined under division 29447
(P) of section 3318.01 of the Revised Code by greater than ten per 29448
cent and if the Ohio ~~school~~ facilities construction commission had 29449
determined the state and school district portion of the basic 29450
project cost of such a district's project under section 3318.36 or 29451
3318.37 of the Revised Code prior to that change in valuation, the 29452
commission shall adjust the state and school district portions of 29453
the basic project cost of the school district's project using the 29454
valuation altered by the change in assessment rates described in 29455
division (A) of this section. 29456

Sec. 3318.036. (A) For purposes of this section: 29457

(1) "Eligible school district" is a city, local, or exempted 29458
village school district that satisfies both of the following 29459
conditions: 29460

(a) The district resulted from one of the following that 29461
became effective between July 1, 2013, and June 30, 2018: 29462

(i) A transfer of all of the territory of one school district 29463
to another school district in accordance with section 3311.22, 29464
3311.231, 3311.24, or 3311.38 of the Revised Code; 29465

(ii) The merger of two or more districts in accordance with 29466
section 3311.25 of the Revised Code; 29467

(iii) The creation of a new local school district from all of 29468
one or more local school districts in accordance with section 29469
3311.26 of the Revised Code; 29470

(iv) The consolidation of two or more school districts under 29471

section 3311.37 of the Revised Code. 29472

(b) The district has demonstrated to the Ohio ~~school~~ 29473
facilities construction commission an efficient use of facility 29474
space, including a reduction in the number of buildings used by 29475
students and administrative staff. 29476

(2) "Basic project cost" and "required percentage of the 29477
basic project cost" have the same meanings as in section 3318.01 29478
of the Revised Code. 29479

(B) Notwithstanding anything to the contrary in this chapter: 29480

(1) If the commission determines that a district is an 29481
eligible school district, the commission shall give that district 29482
first priority for funding for a project under sections 3318.01 to 29483
3318.20 of the Revised Code as such funds become available, 29484
regardless of the district's percentile rank under section 29485
3318.011 of the Revised Code. If the district results from a 29486
transfer, merger, consolidation, or creation of a new local 29487
district that takes effect prior to ~~the effective date of this~~ 29488
~~section~~ April 6, 2017, the district's portion of the basic project 29489
cost shall be the required percentage of the basic project cost 29490
based on the percentile ranking of the district that was 29491
transferred, merged, consolidated, or existed prior to the 29492
creation of the new district that has the lowest three-year 29493
average adjusted valuation per pupil, as calculated under section 29494
3318.011 of the Revised Code, on the date that the transfer, 29495
merger, consolidation, or creation of the new district became 29496
effective. 29497

(2) If an eligible school district is given priority under 29498
division (B)(1) of this section, the commission may reduce that 29499
district's portion of the basic project cost by twenty-five 29500
percentage points from the portion determined under section 29501
3318.032 of the Revised Code or, if the district results from a 29502

transfer, merger, consolidation, or creation of a new local 29503
district that takes effect prior to ~~the effective date of this~~ 29504
~~section~~ April 6, 2017, from the portion determined under division 29505
(B)(1) of this section. At no time, however, shall that district's 29506
portion of the basic project cost be less than five per cent. 29507

(3) If an eligible school district is given priority under 29508
division (B)(1) of this section, the commission may reduce that 29509
district's portion of the basic project cost by ten percentage 29510
points from the portion determined under section 3318.032 of the 29511
Revised Code or, if the district results from a transfer, merger, 29512
consolidation, or creation of a new local district that takes 29513
effect prior to ~~the effective date of this section~~ April 6, 2017, 29514
from the portion determined under division (B)(1) of this section, 29515
if the district's project satisfies the following conditions: 29516

(a) The project involves construction of a building on land 29517
owned by a state institution of higher education, as that term is 29518
defined in section 3345.011 of the Revised Code, and the 29519
commission approves the project. 29520

(b) The district and the state institution of higher 29521
education enter into a written agreement regarding the continued 29522
use of the institution's land by the district, and the commission 29523
approves the agreement. 29524

(c) On the date that the district and the state institution 29525
of higher education enter into the written agreement described in 29526
division (B)(3)(b) of this section, the state institution of 29527
higher education is participating in the college credit plus 29528
program established under Chapter 3365. of the Revised Code. 29529

At no time, however, shall that district's portion of the 29530
basic project cost be less than five per cent. 29531

The reduction of the district's portion of the basic project 29532
cost described in division (B)(3) of this section may be in 29533

addition to a reduction of the district's portion of the basic 29534
project cost under division (B)(2) of this section. 29535

(C) Except as provided in division (B) of this section, a 29536
district's project undertaken pursuant to this section shall be 29537
subject to all other requirements in sections 3318.01 to 3318.20 29538
of the Revised Code. 29539

Sec. 3318.04. (A) If the Ohio ~~school~~ facilities construction 29540
commission makes a determination under section 3318.03 of the 29541
Revised Code in favor of constructing, acquiring, reconstructing, 29542
or making additions to a classroom facility, the project shall be 29543
conditionally approved. Such conditional approval shall be 29544
submitted to the controlling board for approval thereof. The 29545
controlling board shall forthwith approve or reject the 29546
commission's determination, conditional approval, the amount of 29547
the state's portion of the basic project cost, and, the amount of 29548
the state's portion to be encumbered in the current fiscal year. 29549
In the event of approval thereof by the controlling board, the 29550
commission shall certify such conditional approval to the school 29551
district board and shall encumber from the total funds 29552
appropriated for the purpose of sections 3318.01 to 3318.20 of the 29553
Revised Code the amount approved under this section to be 29554
encumbered in the current fiscal year. 29555

The basic project cost for a project approved under this 29556
section shall not exceed the cost that would otherwise have to be 29557
incurred if the classroom facilities to be constructed, acquired, 29558
or reconstructed, or the additions to be made to classroom 29559
facilities, under such project meet, but do not exceed, the 29560
specifications for plans and materials for classroom facilities 29561
adopted by the commission. 29562

(B)(1) No school district shall have a project conditionally 29563
approved pursuant to this section if the school district has 29564

already received any assistance for a project funded under any 29565
version of sections 3318.01 to 3318.20 of the Revised Code, and 29566
the prior project was one for which the electors of such district 29567
approved a levy within the last twenty years pursuant to any 29568
version of section 3318.06 of the Revised Code for purposes of 29569
qualifying for the funding of that project, unless the district 29570
demonstrates to the satisfaction of the commission that the 29571
district has experienced since approval of its prior project an 29572
exceptional increase in enrollment significantly above the 29573
district's design capacity under that prior project as determined 29574
by rule of the commission. 29575

(2) Notwithstanding division (B)(1) of this section, any 29576
school district that received assistance under sections 3318.01 to 29577
3318.20 of the Revised Code, as those sections existed prior to 29578
May 20, 1997, may receive additional assistance under those 29579
sections, as they exist on and after May 20, 1997, prior to the 29580
expiration of the period of time required under division (B)(1) of 29581
this section, if the percentile in which the school district is 29582
located, as determined under section 3318.011 of the Revised Code, 29583
is eligible for assistance as prescribed in section 3318.02 of the 29584
Revised Code. 29585

The commission may provide assistance under sections 3318.01 29586
to 3318.20 of the Revised Code pursuant to this division to no 29587
more than five school districts per fiscal year until all eligible 29588
school districts have received the additional assistance 29589
authorized under this division. The commission shall establish 29590
application procedures, deadlines, and priorities for funding 29591
projects under this division. 29592

The commission at its discretion may waive current design 29593
specifications it has adopted for projects under sections 3318.01 29594
to 3318.20 of the Revised Code when assessing an application for 29595
additional assistance under this division for the renovation of 29596

classroom facilities constructed or renovated under a school 29597
district's previous project. If the commission finds that a school 29598
district's existing classroom facilities are adequate to meet all 29599
of the school district's needs, the commission may determine that 29600
no additional state assistance be awarded to a school district 29601
under this division. 29602

In order for a school district to be eligible to receive any 29603
additional assistance under this division, the school district 29604
electors shall extend the school district's existing levy 29605
dedicated for maintenance of classroom facilities under Chapter 29606
3318. of the Revised Code, pursuant to section 3318.061 of the 29607
Revised Code or shall provide equivalent alternative maintenance 29608
funds as specified in division (A)(2) of section 3318.06 of the 29609
Revised Code. 29610

(3) Notwithstanding division (B)(1) of this section, any 29611
school district that has received assistance under sections 29612
3318.01 to 3318.20 of the Revised Code after May 20, 1997, may 29613
receive additional assistance if the commission decides in favor 29614
of providing such assistance pursuant to section 3318.042 of the 29615
Revised Code. 29616

(4) Notwithstanding division (B)(1) of this section, any 29617
school district that has opted to divide its entire classroom 29618
facilities needs into segments to be completed separately, as 29619
authorized by section 3318.034 of the Revised Code, and that has 29620
received assistance under sections 3318.01 to 3318.20 of the 29621
Revised Code for one of those segments may receive assistance 29622
under those sections for a subsequent segment. Assistance for any 29623
subsequent segment shall not include any additional work on a 29624
building included in a prior segment unless the district 29625
demonstrates to the satisfaction of the commission that the 29626
district has experienced since the completion of the prior segment 29627
an exceptional increase in enrollment in the grade levels housed 29628

in that building. 29629

Sec. 3318.041. A school district ranked in the first through 29630
twenty-fifth percentiles may adopt and certify to the Ohio ~~school~~ 29631
facilities construction commission a resolution specifying a 29632
proposed project that meets the requirements of this chapter and 29633
the needs of the district, as confirmed through an on-site visit 29634
pursuant to section 3318.02 of the Revised Code. The commission 29635
shall consider such projects for conditional approval pursuant to 29636
section 3318.03 and shall encumber funds pursuant to section 29637
3318.04 of the Revised Code in the order in which such resolutions 29638
are received. 29639

Sec. 3318.042. (A) The board of education of any school 29640
district that is receiving assistance under sections 3318.01 to 29641
3318.20 of the Revised Code after May 20, 1997, or under sections 29642
3318.40 to 3318.45 of the Revised Code, and whose project is still 29643
under construction, may request that the Ohio ~~school~~ facilities 29644
construction commission examine whether the circumstances 29645
prescribed in either division (B)(1) or (2) of this section exist 29646
in the school district. If the commission so finds, the commission 29647
shall review the school district's original assessment and 29648
approved project and consider providing additional assistance to 29649
the school district to correct the prescribed conditions found to 29650
exist in the district. Additional assistance under this section 29651
shall be limited to additions to one or more buildings, remodeling 29652
of one or more buildings, or changes to the infrastructure of one 29653
or more buildings. 29654

(B) Consideration of additional assistance to a school 29655
district under this section is warranted in either of the 29656
following circumstances: 29657

(1) Additional work is needed to correct an oversight or 29658

deficiency not identified or included in the district's initial 29659
assessment. 29660

(2) Other conditions exist that, in the opinion of the 29661
commission, warrant additions or remodeling of the project 29662
facilities or changes to infrastructure associated with the 29663
district's project that were not identified in the initial 29664
assessment and plan. 29665

(C) If the commission decides in favor of providing 29666
additional assistance to any school district under this section, 29667
the school district shall be responsible for paying for its 29668
portion of the cost of the additions, remodeling, or 29669
infrastructure changes pursuant to section 3318.083 of the Revised 29670
Code. If, after making a financial evaluation of the school 29671
district, the commission determines that the school district is 29672
unable without undue hardship, according to the guidelines adopted 29673
by the commission, to fund the school district portion of the 29674
increase, then the state and the school district shall enter into 29675
an agreement whereby the state shall pay the portion of the cost 29676
increase attributable to the school district which is determined 29677
to be in excess of any local resources available to the district 29678
and the district shall thereafter reimburse the state. The 29679
commission shall establish the district's schedule for reimbursing 29680
the state, which shall not extend beyond ten years. The commission 29681
may lengthen the reimbursement schedule of a school district that 29682
has entered into an agreement under this section prior to ~~the~~ 29683
~~effective date of this amendment~~ September 26, 2003, as long as 29684
the total term of that schedule does not extend beyond ten years. 29685
Debt incurred under this section shall not be included in the 29686
calculation of the net indebtedness of the school district under 29687
section 133.06 of the Revised Code. 29688

Sec. 3318.05. The conditional approval of the Ohio ~~school~~ 29689

facilities construction commission for a project shall lapse and 29690
the amount reserved and encumbered for such project shall be 29691
released unless the school district board accepts such conditional 29692
approval within one hundred twenty days following the date of 29693
certification of the conditional approval to the school district 29694
board and the electors of the school district vote favorably on 29695
both of the propositions described in divisions (A) and (B) of 29696
this section within thirteen months of the date of such 29697
certification, except that a school district described in division 29698
(C) of this section does not need to submit the proposition 29699
described in division (B) of this section. The propositions 29700
described in divisions (A) and (B) of this section shall be 29701
combined in a single proposal. If the district board or the 29702
district's electors fail to meet such requirements and the amount 29703
reserved and encumbered for the district's project is released, 29704
the district shall be given first priority for project funding as 29705
such funds become available, subject to section 3318.054 of the 29706
Revised Code. 29707

(A) On the question of issuing bonds of the school district 29708
board, for the school district's portion of the basic project 29709
cost, in an amount equal to the school district's portion of the 29710
basic project cost less the amount of the proceeds of any 29711
securities authorized or to be authorized under division (J) of 29712
section 133.06 of the Revised Code and dedicated by the school 29713
district board to payment of the district's portion of the basic 29714
project cost; and 29715

(B) On the question of levying a tax the proceeds of which 29716
shall be used to pay the cost of maintaining the classroom 29717
facilities included in the project. Such tax shall be at the rate 29718
of not less than one-half mill for each dollar of valuation for a 29719
period of twenty-three years, subject to any extension approved 29720
under section 3318.061 of the Revised Code. 29721

(C) If a school district has in place a tax levied under 29722
section 5705.21 of the Revised Code for general permanent 29723
improvements for a continuing period of time and the proceeds of 29724
such tax can be used for maintenance, or if a district agrees to 29725
the transfers described in section 3318.051 of the Revised Code, 29726
the school district need not levy the additional tax required 29727
under division (B) of this section, provided the school district 29728
board includes in the agreement entered into under section 3318.08 29729
of the Revised Code provisions either: 29730

(1) Earmarking an amount from the proceeds of that permanent 29731
improvement tax for maintenance of classroom facilities equivalent 29732
to the amount of the additional tax and for the equivalent number 29733
of years otherwise required under this section; 29734

(2) Requiring the transfer of money in accordance with 29735
section 3318.051 of the Revised Code. 29736

The district board subsequently may rescind the agreement to 29737
make the transfers under section 3318.051 of the Revised Code only 29738
so long as the electors of the district have approved, in 29739
accordance with section 3318.063 of the Revised Code, the levy of 29740
a tax for the maintenance of the classroom facilities acquired 29741
under the district's project and that levy continues to be 29742
collected as approved by the electors. 29743

(D) Proceeds of the tax to be used for maintenance of the 29744
classroom facilities under either division (B) or (C)(1) of this 29745
section, and transfers of money in accordance with section 29746
3318.051 of the Revised Code shall be deposited into a separate 29747
fund established by the school district for such purpose. 29748

Sec. 3318.051. (A) Any city, exempted village, or local 29749
school district that commences a project under sections 3318.01 to 29750
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 29751
after September 5, 2006, need not levy the tax otherwise required 29752

under division (B) of section 3318.05 of the Revised Code, if the 29753
district board of education adopts a resolution petitioning the 29754
Ohio ~~school~~ facilities construction commission to approve the 29755
transfer of money in accordance with this section and the 29756
commission approves that transfer. If so approved, the commission 29757
and the district board shall enter into an agreement under which 29758
the board, in each of twenty-three consecutive years beginning in 29759
the year in which the board and the commission enter into the 29760
project agreement under section 3318.08 of the Revised Code, shall 29761
transfer into the maintenance fund required by division (D) of 29762
section 3318.05 of the Revised Code not less than an amount equal 29763
to one-half mill for each dollar of the district's valuation 29764
unless and until the agreement to make those transfers is 29765
rescinded by the district board pursuant to division (F) of this 29766
section. 29767

(B) On the first day of July each year, or on an alternative 29768
date prescribed by the commission, the district treasurer shall 29769
certify to the commission and the auditor of state that the amount 29770
required for the year has been transferred. The auditor of state 29771
shall include verification of the transfer as part of any audit of 29772
the district under section 117.11 of the Revised Code. If the 29773
auditor of state finds that less than the required amount has been 29774
deposited into a district's maintenance fund, the auditor of state 29775
shall notify the district board of education in writing of that 29776
fact and require the board to deposit into the fund, within ninety 29777
days after the date of the notice, the amount by which the fund is 29778
deficient for the year. If the district board fails to demonstrate 29779
to the auditor of state's satisfaction that the board has made the 29780
deposit required in the notice, the auditor of state shall notify 29781
the department of education. At that time, the department shall 29782
withhold an amount equal to ten per cent of the district's funds 29783
calculated for the current fiscal year under Chapter 3317. of the 29784
Revised Code until the auditor of state notifies the department 29785

that the auditor of state is satisfied that the board has made the required transfer. 29786
29787

(C) Money transferred to the maintenance fund shall be used for the maintenance of the facilities acquired under the district's project. 29788
29789
29790

(D) The transfers to the maintenance fund under this section does not affect a district's obligation to establish and maintain a capital and maintenance fund under section 3315.18 of the Revised Code. 29791
29792
29793
29794

(E) Any decision by the commission to approve or not approve the transfer of money under this section is final and not subject to appeal. The commission shall not be responsible for errors or miscalculations made in deciding whether to approve a petition to make transfers under this section. 29795
29796
29797
29798
29799

(F) If the district board determines that it no longer can continue making the transfers agreed to under this section, the board may rescind the agreement only so long as the electors of the district have approved, in accordance with section 3318.063 of the Revised Code, the levy of a tax for the maintenance of the classroom facilities acquired under the district's project and that levy continues to be collected as approved by the electors. That levy shall be for a number of years that is equal to the difference between twenty-three years and the number of years that the district made transfers under this section and shall be at the rate of not less than one-half mill for each dollar of the district's valuation. The district board shall continue to make the transfers agreed to under this section until that levy has been approved by the electors. 29800

permanent improvements, including general permanent improvements, 29817
or a school district income tax levied under Chapter 5748. of the 29818
Revised Code, the proceeds of either of which, pursuant to the 29819
ballot measures approved by the electors, are not so restricted 29820
that they cannot be used to pay the costs of a project or 29821
maintaining classroom facilities, the school district board may: 29822

(A) Within one year following the date of the certification 29823
of the conditional approval of the school district's classroom 29824
facilities project by the Ohio ~~school~~ facilities construction 29825

board covenants and agrees to do one or both of the following: 29829

property tax levy, of that school district income tax, or of 29831
securities issued under this section, or of proceeds from any two 29832
or more of those sources, to pay all or part of the district's 29833
portion of the basic project cost of its classroom facilities 29834
project; 29835

(2) Apply available proceeds of either or both a property tax 29836
levied under section 5705.21 or 5705.218 of the Revised Code in 29837
effect for a continuing period of time, or of a school district 29838
income tax levied under Chapter 5748. of the Revised Code in 29839

maintaining the classroom facilities. 29841

(B) Receive, as a credit against the amount of bonds required 29842
under sections 3318.05 and 3318.06 of the Revised Code, to be 29843
approved by the electors of the district and issued by the 29844
district board for the district's portion of the basic project 29845
cost of its classroom facilities project in order for the district 29846
to receive state assistance for the project, an amount equal to 29847

the specified amount that the district board covenants and agrees 29848
with the commission to apply as set forth in division (A)(1) of 29849
this section; 29850

(C) Receive, as a credit against the amount of the tax levy 29851
required under sections 3318.05 and 3318.06 of the Revised Code, 29852
to be approved by the electors of the district to pay the costs of 29853
maintaining the classroom facilities in order to receive state 29854
assistance for the classroom facilities project, an amount 29855
equivalent to the specified amount of proceeds the school district 29856
board covenants and agrees with the commission to apply as 29857
referred to in division (A)(2) of this section; 29858

(D) Apply proceeds of either or both a school district income 29859
tax levied under Chapter 5748. of the Revised Code that may 29860
lawfully be used to pay the costs of a classroom facilities 29861
project or of a tax levied under section 5705.21 or 5705.218 of 29862
the Revised Code to the payment of debt charges on and financing 29863
costs related to securities issued under this section; 29864

(E) Issue securities to provide moneys to pay all or part of 29865
the district's portion of the basic project cost of its classroom 29866
facilities project in accordance with an agreement entered into 29867
under division (A) of this section. Securities issued under this 29868
section shall be Chapter 133. securities and may be issued as 29869
general obligation securities or issued in anticipation of a 29870
school district income tax or as property tax anticipation notes 29871
under section 133.24 of the Revised Code. The district board's 29872
resolution authorizing the issuance and sale of general obligation 29873
securities under this section shall conform to the applicable 29874
requirements of section 133.22 or 133.23 of the Revised Code. 29875

district board authorizing their issuance and sale includes 29885
covenants to appropriate annually from lawfully available proceeds 29886
of a property tax levied under section 5705.21 or 5705.218 of the 29887
Revised Code or of a school district income tax levied under 29888
Chapter 5748. of the Revised Code and to continue to levy and 29889

No property tax levied under section 5705.21 or 5705.218 of the 29892
Revised Code and no school district income tax levied under 29893
Chapter 5748. of the Revised Code that is pledged, or that the 29894
school district board has covenanted to levy, collect, and 29895
appropriate annually, to pay the debt charges on and financing 29896
costs related to securities issued under this section shall be 29897
repealed while those securities are outstanding. If such a tax is 29898
reduced by the electors of the district or by the district board 29899
while those securities are outstanding, the school district board 29900
shall continue to levy and collect the tax under the authority of 29901
the original election authorizing the tax at a rate in each year 29902
that the board reasonably estimates will produce an amount in that 29903
year equal to the debt charges on the securities in that year, 29904
except that in the case of a school district income tax that 29905
amount shall be rounded up to the nearest one-fourth of one per 29906
cent. 29907

No state moneys shall be released for a project to which this 29908
section applies until the proceeds of the tax securities issued 29909
under this section that are dedicated for the payment of the 29910
district portion of the basic project cost of its classroom 29911
facilities project are first deposited into the district's project 29912

construction fund. 29913

Sec. 3318.054. (A) If conditional approval of a city, 29914
exempted village, or local school district's project lapses as 29915
provided in section 3318.05 of the Revised Code, or if conditional 29916
approval of a joint vocational school district's project lapses as 29917
provided in division (D) of section 3318.41 of the Revised Code, 29918
because the district's electors have not approved the ballot 29919
measures necessary to generate the district's portion of the basic 29920
project cost, and if the district board desires to seek a new 29921
conditional approval of the project, the district board shall 29922
request that the Ohio ~~school~~ facilities construction commission 29923
set the scope, basic project cost, and school district portion of 29924
the basic project cost prior to resubmitting the ballot measures 29925
to the electors. To do so, the commission shall use the district's 29926
current assessed tax valuation and the district's percentile for 29927
the prior fiscal year. For a district that has entered into an 29928
agreement under section 3318.36 of the Revised Code and desires to 29929
proceed with a project under sections 3318.01 to 3318.20 of the 29930
Revised Code, the district's portion of the basic project cost 29931
shall be the percentage specified in that agreement. The project 29932
scope and basic costs established under this division shall be 29933
valid for thirteen months from the date the commission approves 29934
them. 29935

(B) Upon the commission's approval under division (A) of this 29936
section, the district board may submit the ballot measures to the 29937
district's electors for approval of the project based on the new 29938
project scope and estimated costs. Upon electoral approval of 29939
those measures, the district shall be given first priority for 29940
project funding as such funds become available. 29941

(C) When the commission determines that funds are available 29942
for the district's project, the commission shall do all of the 29943

following:	29944
(1) Determine the school district portion of the basic project cost under section 3318.032 of the Revised Code, in the case of a city, exempted village, or local school district, or under section 3318.42 of the Revised Code, in the case of a joint vocational school district;	29945 29946 29947 29948 29949
(2) Conditionally approve the project and submit it to the controlling board for approval pursuant to section 3318.04 of the Revised Code;	29950 29951 29952
(3) Encumber funds for the project under section 3318.11 of the Revised Code;	29953 29954
(4) Enter into an agreement with the district board under section 3318.08 of the Revised Code.	29955 29956
Sec. 3318.06. (A) After receipt of the conditional approval of the Ohio school facilities <u>construction</u> commission, the school district board by a majority of all of its members shall, if it desires to proceed with the project, declare all of the following by resolution:	29957 29958 29959 29960 29961
(1) That by issuing bonds in an amount equal to the school district's portion of the basic project cost the district is unable to provide adequate classroom facilities without assistance from the state;	29962 29963 29964 29965
(2) Unless the school district board has resolved to transfer money in accordance with section 3318.051 of the Revised Code or to apply the proceeds of a property tax or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized under section 3318.052 of the Revised Code, that to qualify for such state assistance it is necessary to do either of the following:	29966 29967 29968 29969 29970 29971 29972
(a) Levy a tax outside the ten-mill limitation the proceeds	29973

of which shall be used to pay the cost of maintaining the 29974
classroom facilities included in the project; 29975

(b) Earmark for maintenance of classroom facilities from the 29976
proceeds of an existing permanent improvement tax levied under 29977
section 5705.21 of the Revised Code, if such tax can be used for 29978
maintenance, an amount equivalent to the amount of the additional 29979
tax otherwise required under this section and sections 3318.05 and 29980
3318.08 of the Revised Code. 29981

(3) That the question of any tax levy specified in a 29982
resolution described in division (A)(2)(a) of this section, if 29983
required, shall be submitted to the electors of the school 29984
district at the next general or primary election, if there be a 29985
general or primary election not less than ninety and not more than 29986
one hundred ten days after the day of the adoption of such 29987
resolution or, if not, at a special election to be held at a time 29988
specified in the resolution which shall be not less than ninety 29989
days after the day of the adoption of the resolution and which 29990
shall be in accordance with the requirements of section 3501.01 of 29991
the Revised Code. 29992

Such resolution shall also state that the question of issuing 29993
bonds of the board shall be combined in a single proposal with the 29994
question of such tax levy. More than one election under this 29995
section may be held in any one calendar year. Such resolution 29996
shall specify both of the following: 29997

(a) That the rate which it is necessary to levy shall be at 29998
the rate of not less than one-half mill for each one dollar of 29999
valuation, and that such tax shall be levied for a period of 30000
twenty-three years; 30001

(b) That the proceeds of the tax shall be used to pay the 30002
cost of maintaining the classroom facilities included in the 30003
project. 30004

(B) A copy of a resolution adopted under division (A) of this section shall after its passage and not less than ninety days prior to the date set therein for the election be certified to the county board of elections.

(D) If it is necessary for the school district to acquire a 30092

Levy." 30135

Where it is necessary to combine the question of issuing 30136

division to be voted on shall be "For the Bond Issue and the Tax 30140
Levies" and "Against the Bond Issue and the Tax Levies." 30141

Where the school district board chooses to combine the 30142
question in division (B) of this section with any of the 30143
additional questions described in divisions (A) to (D) of section 30144
3318.056 of the Revised Code, the question specified in division 30145

the Revised Code has been entered into, the school district board 30152
may proceed under Chapter 133. of the Revised Code, with the 30153
issuance of bonds or bond anticipation notes in accordance with 30154

section 3318.04 of the Revised Code. 30158

The board of education of a school district in which a tax 30159

section 3318.06 of the Revised Code is in effect, may adopt a 30161
resolution by vote of a majority of its members to extend the term 30162

of that tax beyond the expiration of that tax as originally 30163
approved under that section. The school district board may include 30164
in the resolution a proposal to extend the term of that tax at the 30165
rate of not less than one-half mill for each dollar of valuation 30166
for a period of twenty-three years from the year in which the 30167
school district board and the Ohio ~~school~~ facilities construction 30168
commission enter into an agreement under division (B)(2) of 30169
section 3318.04 of the Revised Code or in the following year, as 30170
specified in the resolution. Such a resolution may be adopted at 30171
any time before such an agreement is entered into and before the 30172
tax levied pursuant to section 3318.06 of the Revised Code 30173
expires. If the resolution is combined with a resolution to issue 30174
bonds to pay the school district's portion of the basic project 30175
cost, it shall conform with the requirements of divisions (A)(1), 30176
(2), and (3) of section 3318.06 of the Revised Code, except that 30177
the resolution also shall state that the tax levy proposed in the 30178
resolution is an extension of an existing tax levied under that 30179
section. A resolution proposing an extension adopted under this 30180
section does not take effect until it is approved by a majority of 30181
electors voting in favor of the resolution at a general, primary, 30182
or special election as provided in this section. 30183

A tax levy extended under this section is subject to the same 30184
terms and limitations to which the original tax levied under 30185
section 3318.06 of the Revised Code is subject under that section, 30186
except the term of the extension shall be as specified in this 30187
section. 30188

The school district board shall certify a copy of the 30189
resolution adopted under this section to the proper county board 30190
of elections not later than ninety days before the date set in the 30191
resolution as the date of the election at which the question will 30192
be submitted to electors. The notice of the election shall conform 30193
with the requirements of division (A)(3) of section 3318.06 of the 30194

Revised Code, except that the notice also shall state that the maintenance tax levy is an extension of an existing tax levy.

The form of the ballot shall be as follows:

The necessary tax levy for debt service on the bonds shall be included in the annual tax budget that is certified to the county budget commission or, if adoption of the tax budget is waived under section 5705.281 of the Revised Code, included among the tax rates required to be provided to the budget commission under that section.

Sec. 3318.08. Except in the case of a joint vocational school district that receives assistance under sections 3318.40 to

3318.45 of the Revised Code, if the requisite favorable vote on 30225
the election is obtained, or if the school district board has 30226
resolved to apply the proceeds of a property tax levy or the 30227
proceeds of an income tax, or a combination of proceeds from such 30228
taxes, as authorized in section 3318.052 of the Revised Code, the 30229
Ohio ~~school~~ facilities construction commission, upon certification 30230
to it of either the results of the election or the resolution 30231
under section 3318.052 of the Revised Code, shall enter into a 30232
written agreement with the school district board for the 30233
construction and sale of the project. In the case of a joint 30234
vocational school district that receives assistance under sections 30235
3318.40 to 3318.45 of the Revised Code, if the school district 30236
board of education and the school district electors have satisfied 30237
the conditions prescribed in division (D)(1) of section 3318.41 of 30238
the Revised Code, the commission shall enter into an agreement 30239
with the school district board for the construction and sale of 30240
the project. In either case, the agreement shall include, but need 30241
not be limited to, the following provisions: 30242

(A) The sale and issuance of bonds or notes in anticipation 30243
thereof, as soon as practicable after the execution of the 30244
agreement, in an amount equal to the school district's portion of 30245
the basic project cost, including any securities authorized under 30246
division (J) of section 133.06 of the Revised Code and dedicated 30247
by the school district board to payment of the district's portion 30248
of the basic project cost of the project; provided, that if at 30249
that time the county treasurer of each county in which the school 30250
district is located has not commenced the collection of taxes on 30251
the general duplicate of real and public utility property for the 30252
year in which the controlling board approved the project, the 30253
school district board shall authorize the issuance of a first 30254
installment of bond anticipation notes in an amount specified by 30255
the agreement, which amount shall not exceed an amount necessary 30256

to raise the net bonded indebtedness of the school district as of 30257
the date of the controlling board's approval to within five 30258
thousand dollars of the required level of indebtedness for the 30259
preceding year. In the event that a first installment of bond 30260
anticipation notes is issued, the school district board shall, as 30261
soon as practicable after the county treasurer of each county in 30262
which the school district is located has commenced the collection 30263
of taxes on the general duplicate of real and public utility 30264
property for the year in which the controlling board approved the 30265
project, authorize the issuance of a second and final installment 30266
of bond anticipation notes or a first and final issue of bonds. 30267

The combined value of the first and second installment of 30268
bond anticipation notes or the value of the first and final issue 30269
of bonds shall be equal to the school district's portion of the 30270
basic project cost. The proceeds of any such bonds shall be used 30271
first to retire any bond anticipation notes. Otherwise, the 30272
proceeds of such bonds and of any bond anticipation notes, except 30273
the premium and accrued interest thereon, shall be deposited in 30274
the school district's project construction fund. In determining 30275
the amount of net bonded indebtedness for the purpose of fixing 30276
the amount of an issue of either bonds or bond anticipation notes, 30277
gross indebtedness shall be reduced by moneys in the bond 30278
retirement fund only to the extent of the moneys therein on the 30279
first day of the year preceding the year in which the controlling 30280
board approved the project. Should there be a decrease in the tax 30281
valuation of the school district so that the amount of 30282
indebtedness that can be incurred on the tax duplicates for the 30283
year in which the controlling board approved the project is less 30284
than the amount of the first installment of bond anticipation 30285
notes, there shall be paid from the school district's project 30286
construction fund to the school district's bond retirement fund to 30287
be applied against such notes an amount sufficient to cause the 30288
net bonded indebtedness of the school district, as of the first 30289

day of the year following the year in which the controlling board 30290
approved the project, to be within five thousand dollars of the 30291
required level of indebtedness for the year in which the 30292
controlling board approved the project. The maximum amount of 30293
indebtedness to be incurred by any school district board as its 30294
share of the cost of the project is either an amount that will 30295
cause its net bonded indebtedness, as of the first day of the year 30296
following the year in which the controlling board approved the 30297
project, to be within five thousand dollars of the required level 30298
of indebtedness, or an amount equal to the required percentage of 30299
the basic project costs, whichever is greater. All bonds and bond 30300
anticipation notes shall be issued in accordance with Chapter 133. 30301
of the Revised Code, and notes may be renewed as provided in 30302
section 133.22 of the Revised Code. 30303

(B) The transfer of such funds of the school district board 30304
available for the project, together with the proceeds of the sale 30305
of the bonds or notes, except premium, accrued interest, and 30306
interest included in the amount of the issue, to the school 30307
district's project construction fund; 30308

(C) For all school districts except joint vocational school 30309
districts that receive assistance under sections 3318.40 to 30310
3318.45 of the Revised Code, the following provisions as 30311
applicable: 30312

improvements, or the proceeds of a school district income tax 30317
levied under Chapter 5748. of the Revised Code, or the proceeds 30318
from a combination of those two taxes, in an amount to pay all or 30319
part of the service charges on bonds issued to pay the school 30320

part of the tax required under division (B) of section 3318.05 of the Revised Code; 30322
30323

(2) If section 3318.052 of the Revised Code does not apply, 30324
one of the following: 30325

payment of maintenance costs, as specified in division (B) of 30327

(B) of section 3318.05 of the Revised Code, the commission has 30336
approved the transfer of money to the maintenance fund in 30337
accordance with section 3318.051 of the Revised Code, a 30338
requirement that the district board comply with the provisions of 30339
that section. The district board may rescind the provision 30340
prescribed under division (C)(2)(c) of this section only so long 30341
as the electors of the district have approved, in accordance with 30342
section 3318.063 of the Revised Code, the levy of a tax for the 30343
maintenance of the classroom facilities acquired under the 30344
district's project and that levy continues to be collected as 30345

(E) Dedication of any local donated contribution as provided 30352

for under section 3318.084 of the Revised Code, including a 30353
schedule for depositing such moneys applied as an offset of the 30354

section 3318.05 of the Revised Code as required under division 30356
(D)(2) of section 3318.084 of the Revised Code; 30357

(F) Ownership of or interest in the project during the period 30358

(G) Maintenance of the state's interest in the project until 30362
any obligations issued for the project under section 3318.26 of 30363
the Revised Code are no longer outstanding; 30364

(H) The insurance of the project by the school district from 30365
the time there is an insurable interest therein and so long as the 30366
state retains any ownership or interest in the project pursuant to 30367

determination of whether a site is appropriate for construction 30430
purposes. 30431

(T) A provision stipulating that, unless otherwise authorized 30432
by the commission, any contingency reserve portion of the 30433
construction budget prescribed by the commission shall be used 30434
only to pay costs resulting from unforeseen job conditions, to 30435
comply with rulings regarding building and other codes, to pay 30436
costs related to design clarifications or corrections to contract 30437
documents, and to pay the costs of settlements or judgments 30438
related to the project as provided under section 3318.086 of the 30439
Revised Code; 30440

(U) A provision stipulating that for continued release of 30441
project funds the school district board shall comply with sections 30442
3313.41, 3313.411, and 3313.413 of the Revised Code throughout the 30443
project and shall notify the department of education and the Ohio 30444
community school association when the board plans to dispose of 30445
facilities by sale under that section; 30446

(V) A provision stipulating that the commission shall not 30447
approve a contract for demolition of a facility until the school 30448
district board has complied with sections 3313.41, 3313.411, and 30449
3313.413 of the Revised Code relative to that facility, unless 30450
demolition of that facility is to clear a site for construction of 30451
a replacement facility included in the district's project; 30452

(W) A requirement for the school district to adhere to a 30453
facilities maintenance plan approved by the commission. 30454

Sec. 3318.081. If the board of education of a school district 30455
authorized to impose a tax pursuant to section 3318.06 of the 30456
Revised Code determines that taxable value of property subject to 30457
the tax has increased to the extent it will not be necessary to 30458
impose such tax for twenty-three years in order to generate an 30459
amount equal to the amount of the project cost supplied by the 30460
state, it may request the county auditor to determine the amount 30461
remaining to be paid and the estimated rate of taxation required 30462
each year to pay such remainder in equal installments over the 30463
maximum number of remaining years the tax may be in effect. The 30464
auditor shall make such determination upon request and certify the 30465
results thereof to the board of education. 30466

Upon receipt of the auditor's determination, the board of 30467
education may request the Ohio ~~school~~ facilities construction 30468
commission to enter into a supplemental agreement under which the 30469
district may pay the remainder of the amount in annual amounts 30470
equal to the quotient obtained by dividing the amount remaining to 30471
be paid by the maximum number of remaining years the tax may be in 30472
effect. If such an agreement is entered into, the commission shall 30473
certify a copy thereof to the county auditor and the tax 30474
authorized by section 3318.06 of the Revised Code thereafter shall 30475
be levied at the rate required to make the annual payments 30476
required by the supplemental agreement rather than the rate 30477

required by such section. 30478

Sec. 3318.082. The board of education of any school district 30479
imposing a tax for the purpose of paying the state pursuant to 30480
section 3318.06 of the Revised Code prior to the effective date of 30481
the amendments to that section by Amended Substitute House Bill 30482
No. 748 of the 121st ~~General Assembly~~ general assembly, may enter 30483
into a supplemental agreement with the Ohio ~~school~~ facilities 30484
construction commission under which the proceeds of such tax shall 30485
be distributed in accordance with the requirements of section 30486
3318.06 of the Revised Code, as amended by Amended Substitute 30487
House Bill No. 748 of the 121st general assembly. 30488

Sec. 3318.083. If, after the Ohio ~~school~~ facilities 30489
construction commission and a school district enter into a written 30490
agreement under section 3318.08 of the Revised Code for the 30491
construction of a classroom facilities project, the commission 30492
approves an increase in the basic project cost above the amount 30493
budgeted plus any interest earned and available in the project 30494
construction fund, the state and the school district shall share 30495
the increased cost in proportion to their respective contributions 30496
to the district's project construction fund. 30497

Sec. 3318.084. (A) Notwithstanding anything to the contrary 30498
in Chapter 3318. of the Revised Code, a school district board may 30499
apply any local donated contribution toward any of the following: 30500

(1) The district's portion of the basic project cost of a 30501
project under either sections 3318.01 to 3318.20 or sections 30502
3318.40 to 3318.45 of the Revised Code to reduce the amount of 30503
bonds the district otherwise must issue in order to receive state 30504
assistance under those sections; 30505

(2) If the school district is not a joint vocational school 30506
district proceeding under sections 3318.40 to 3318.45 of the 30507

Revised Code, an offset of all or part of a district's obligation 30508
to levy the tax described in division (B) of section 3318.05 of 30509
the Revised Code, which shall be applied only in the manner 30510
prescribed in division (B) of this section; 30511

(3) If the school district is a joint vocational school 30512
district proceeding under sections 3318.40 to 3318.45 of the 30513
Revised Code, all or part of the amount the school district is 30514
obligated to set aside for maintenance of the classroom facilities 30515
acquired under that project pursuant to section 3318.43 of the 30516
Revised Code. 30517

(B) No school district board shall apply any local donated 30518
contribution under division (A)(2) of this section unless the Ohio 30519
~~school~~ facilities construction commission first approves that 30520
application. 30521

Upon the request of the school district board to apply local 30522
donated contribution under division (A)(2) of this section, the 30523
commission in consultation with the department of taxation shall 30524
determine the amount of total revenue that likely would be 30525
generated by one-half mill of the tax described in division (B) of 30526
section 3318.05 of the Revised Code over the entire 30527
twenty-three-year period required under that section and shall 30528
deduct from that amount any amount of local donated contribution 30529
that the board has committed to apply under division (A)(2) of 30530
this section. The commission then shall determine in consultation 30531
with the department of taxation the rate of tax over twenty-three 30532
years necessary to generate the amount of a one-half mill tax not 30533
offset by the local donated contribution. Notwithstanding anything 30534
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 30535
Revised Code, the rate determined by the commission shall be the 30536
rate for which the district board shall seek elector approval 30537
under those sections to meet its obligation under division (B) of 30538
section 3318.05 of the Revised Code. In the case of a complete 30539

offset of the district's obligation under division (B) of section 30540
3318.05 of the Revised Code, the district shall not be required to 30541
levy the tax otherwise required under that section. At the end of 30542
the twenty-three-year period of the tax required under division 30543
(B) of section 3318.05 of the Revised Code, whether or not the tax 30544
is actually levied, the commission in consultation of the 30545
department of taxation shall recalculate the amount that would 30546
have been generated by the tax if it had been levied at one-half 30547
mill. If the total amount actually generated over that period from 30548
both the tax that was actually levied and any local donated 30549
contribution applied under division (A)(2) of this section is less 30550
than the amount that would have been raised by a one-half mill 30551
tax, the district shall pay any difference. If the total amount 30552
actually raised in such manner is greater than the amount that 30553
would have been raised by a one-half mill tax the difference shall 30554
be zero and no payments shall be made by either the district or 30555
the commission. 30556

(C) As used in this section, "local donated contribution" 30557
means any of the following: 30558

(1) Any moneys irrevocably donated or granted to a school 30559
district board by a source other than the state which the board 30560
has the authority to apply to the school district's project under 30561
sections 3318.01 to 3318.20 of the Revised Code and which the 30562
board has pledged for that purpose by resolution adopted by a 30563
majority of its members; 30564

(2) Any irrevocable letter of credit issued on behalf of a 30565
school district which the school district board has encumbered for 30566
payment of the school district's share of its project under 30567
sections 3318.01 to 3318.20 of the Revised Code that has been 30568
approved by the commission in consultation with the department of 30569
education; 30570

(3) Any cash a school district has on hand that the school 30571

district board has encumbered for payment of the school district's 30572
share of its project under sections 3318.01 to 3318.20 of the 30573
Revised Code that has been approved by the commission in 30574
consultation with the department of education, including the 30575
following: 30576

(a) Any year-end operating fund balances that can be spent 30577
for classroom facilities; 30578

(b) Any cash resulting from a lease-purchase agreement that 30579
the school district board has entered into under section 3313.375 30580
of the Revised Code, provided that the agreement and the related 30581
financing documents contain provisions protecting the state's 30582
superior interest in the project. 30583

(4) Any moneys spent by a source other than the school 30584
district or the state for construction or renovation of specific 30585
classroom facilities that have been approved by the commission as 30586
part of the basic project cost of the district's project. The 30587
school district, the commission, and the entity providing the 30588
local donated contribution under division (C)(4) of this section 30589
shall enter into an agreement identifying the classroom facilities 30590
to be acquired by the expenditures made by that entity. The 30591
agreement shall include, but not be limited to, stipulations that 30592
require an audit by the commission of such expenditures made on 30593
behalf of the district and that specify the maximum amount of 30594
credit to be allowed for those expenditures. Upon completion of 30595
the construction or renovation, the commission shall determine the 30596
actual amount that the commission will credit, at the request of 30597
the district board, toward the district's portion of the basic 30598
project cost, any project cost overruns, or the basic project cost 30599
of future segments if the project has been divided into segments 30600
under section 3318.38 of the Revised Code. The actual amount of 30601
the credit shall not exceed the lesser of the amount specified in 30602
the agreement or the actual cost of the construction or 30603

renovation. 30604

(D) No state moneys shall be released for a project to which 30605
this section applies until: 30606

(1) Any local donated contribution authorized under division 30607
(A)(1) of this section is first deposited into the school 30608
district's project construction fund. 30609

(2) The school district board and the commission have 30610
included a stipulation in their agreement entered into under 30611
section 3318.08 of the Revised Code under which the board will 30612
deposit into a fund approved by the commission according to a 30613
schedule that does not extend beyond the anticipated completion 30614
date of the project the total amount of any local donated 30615
contribution authorized under division (A)(2) or (3) of this 30616
section and dedicated by the board for that purpose. 30617

However, if any local donated contribution as described in 30618
division (C)(4) of this section has been approved under this 30619
section, the state moneys may be released even if the entity 30620
providing that local donated contribution has not spent the moneys 30621
so dedicated as long as the agreement required under that section 30622
has been executed. 30623

Sec. 3318.086. The construction budget for any project under 30624
sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the 30625
Revised Code shall contain a contingency reserve in an amount 30626
prescribed by the Ohio ~~school~~ facilities construction commission, 30627
which unless otherwise authorized by the commission, shall be used 30628
only to pay costs resulting from unforeseen job conditions, to 30629
comply with rulings regarding building and other codes, to pay 30630
costs related to design clarifications or corrections to contract 30631
documents, and to pay the costs of settlements or judgments 30632
related to the project. 30633

Sec. 3318.091. (A) Promptly after the written agreement 30634
between the school district board and the Ohio ~~school~~ facilities 30635
construction commission has been entered into, the school district 30636
board shall proceed with the issuance of its bonds or notes in 30637
anticipation thereof pursuant to the provision of such agreement 30638
required by division (A) of section 3318.08 of the Revised Code 30639
and the deposit of the proceeds thereof in the school district's 30640
project construction fund pursuant to the provision of such 30641
agreement required by division (B) of section 3318.08 of the 30642
Revised Code, and the school district board, with the approval of 30643
the commission shall employ a qualified professional person or 30644
firm to prepare preliminary plans, working drawings, 30645
specifications, estimates of cost, and such data as the school 30646
district board and the commission consider necessary for the 30647
project. When the preliminary plans and preliminary estimates of 30648
cost have been prepared, and approved by the school district 30649
board, they shall be submitted to the commission for approval, 30650
modification, or rejection. The commission shall ensure that the 30651
plans and materials proposed for use in the project comply with 30652
specifications for plans and materials that shall be established 30653
by the commission. When such preliminary plans and preliminary 30654
estimates of cost and any modifications thereof have been approved 30655
by the commission and the school district board, the school 30656
district board shall cause such qualified professional person or 30657
firm to prepare the working drawings, specifications, and 30658
estimates of cost. 30659

(B) Whenever project plans submitted to the commission for 30660
approval under division (A) of this section propose to locate a 30661
facility on a state route or United States highway or within one 30662
mile of a state route or United States highway, the commission 30663
shall send a copy of the plans to the director of transportation. 30664
The director of transportation shall review the plans to determine 30665

the feasibility of the proposed ingress and egress to the 30666
facility, the traffic circulation pattern on roadways around the 30667
facility, and any improvements that would be necessary to conform 30668
the roadways to provisions of the manual adopted by the department 30669
of transportation pursuant to section 4511.09 of the Revised Code 30670
or state or federal law. The director of transportation shall 30671
provide a written summary of the director's findings to the 30672
commission in a timely manner. The commission shall consider the 30673
findings in deciding whether to approve the plans. 30674

Sec. 3318.10. When such working drawings, specifications, and 30675
estimates of cost have been approved by the school district board 30676
and the Ohio ~~school~~ facilities construction commission, the 30677
treasurer of the school district board shall advertise for 30678
construction bids in accordance with section 3313.46 of the 30679
Revised Code. Such notices shall state that plans and 30680
specifications for the project are on file in the office of the 30681
commission and such other place as may be designated in such 30682
notice, and the time and place when and where bids therefor will 30683
be received. 30684

The form of proposal to be submitted by bidders shall be 30685
supplied by the commission. Bidders may be permitted to bid upon 30686
all the branches of work and materials to be furnished and 30687
supplied, upon any branch thereof, or upon all or any thereof. 30688

When the construction bids for all branches of work and 30689
materials have been tabulated, the commission shall cause to be 30690
prepared a revised estimate of the basic project cost based upon 30691
the lowest responsible bids received. If such revised estimate 30692
exceeds the estimated basic project cost as approved by the 30693
controlling board pursuant to section 3318.04 or division (B)(1) 30694
of section 3318.41 of the Revised Code, no contracts may be 30695
entered into pursuant to this section unless such revised estimate 30696

is approved by the commission and by the controlling board. When 30697
such revised estimate has been prepared, and after such approvals 30698
are given, if necessary, and if the school district board has 30699
caused to be transferred to the project construction fund the 30700
proceeds from the sale of the first or first and final installment 30701
of its bonds or bond anticipation notes pursuant to the provision 30702
of the written agreement required by division (B) of section 30703
3318.08 of the Revised Code, and when the director of budget and 30704
management has certified that there is a balance in the 30705
appropriation, not otherwise obligated to pay precedent 30706
obligations, pursuant to which the state's share of such revised 30707
estimate is required to be paid, the contract for all branches of 30708
work and materials to be furnished and supplied, or for any branch 30709
thereof as determined by the school district board, shall be 30710
awarded by the school district board to the lowest responsible 30711
bidder subject to the approval of the commission. Such award shall 30712
be made within sixty days after the date on which the bids are 30713
opened, and the successful bidder shall enter into a contract 30714
within ten days after the successful bidder is notified of the 30715
award of the contract. 30716

Subject to the approval of the commission, the school 30717
district board may reject all bids and readvertise. Any contract 30718
made under this section shall be made in the name of the state and 30719
executed on its behalf by the president and treasurer of the 30720
school district board. 30721

The provisions of sections 9.312 and 3313.46 of the Revised 30722
Code, which are applicable to construction contracts of boards of 30723
education, shall apply to construction contracts for the project. 30724

The remedies afforded to any subcontractor, materials 30725
supplier, laborer, mechanic, or persons furnishing material or 30726
machinery for the project under sections 1311.26 to 1311.32 of the 30727
Revised Code, shall apply to contracts entered into under this 30728

section and the itemized statement required by section 1311.26 of 30729
the Revised Code shall be filed with the school district board. 30730

Notwithstanding any other requirement of this section, a 30731
school district, with the approval of the commission, may utilize 30732
any otherwise lawful alternative construction delivery method for 30733
the construction of the project. 30734

Sec. 3318.11. For any project undertaken with financial 30735
assistance from the state under this chapter, the amount of state 30736
appropriations to be encumbered for the project in each fiscal 30737
year shall be determined by the Ohio ~~school~~ facilities 30738
construction commission based on the project's estimated 30739
construction schedule for that year. In each fiscal year 30740
subsequent to the first year in which state appropriations are 30741
encumbered for the project, the project has priority for state 30742
funds over projects for which initial state funding is sought. 30743

Sec. 3318.112. (A) As used in this section, "solar_ready" 30744
means capable of accommodating the eventual installation of roof 30745
top, solar photovoltaic energy equipment. 30746

(B) The Ohio ~~school~~ facilities construction commission shall 30747
adopt rules prescribing standards for solar_ready equipment in 30748
school buildings under their jurisdiction. The rules shall 30749
include, but not be limited to, standards regarding roof space 30750
limitations, shading and obstruction, building orientation, roof 30751
loading capacity, and electric systems. 30752

(C) A school district may seek, and the commission may grant 30753
for good cause shown, a waiver from part or all of the standards 30754
prescribed under division (B) of this section. 30755

Sec. 3318.12. (A) The Ohio ~~school~~ facilities construction 30756
commission shall cause to be transferred to the school district's 30757

project construction fund the necessary amounts from amounts 30758
appropriated by the general assembly and set aside for such 30759
purpose, from time to time as may be necessary to pay obligations 30760
chargeable to such fund when due. All investment earnings of a 30761
school district's project construction fund shall be credited to 30762
the fund. 30763

(B)(1) The treasurer of the school district board shall 30764
disburse funds from the school district's project construction 30765
fund, including investment earnings credited to the fund, only 30766
upon the approval of the commission or the commission's designated 30767
representative. The commission or the commission's designated 30768
representative shall issue vouchers against such fund, in such 30769
amounts, and at such times as required by the contracts for 30770
construction of the project. 30771

(2) Notwithstanding anything to the contrary in division 30772
(B)(1) of this section, the school district board may, by a duly 30773
adopted resolution, choose to use all or part of the investment 30774
earnings of the district's project construction fund that are 30775
attributable to the district's contribution to the fund to pay the 30776
cost of classroom facilities or portions or components of 30777
classroom facilities that are not included in the district's basic 30778
project cost but that are related to the district's project. If 30779
the district board adopts a resolution in favor of using those 30780
investment earnings as authorized under division (B)(2) of this 30781
section, the treasurer shall disburse the amount as designated and 30782
directed by the board. However, if the district board chooses to 30783
use any part of the investment earnings for classroom facilities 30784
or portions or components of classroom facilities that are not 30785
included in the basic project cost, as authorized under division 30786
(B)(2) of this section, and, subsequently, the cost of the project 30787
exceeds the amount in the project construction fund, the district 30788
board shall restore to the project construction fund the full 30789

amount of the investment earnings used under division (B)(2) of 30790
this section before any additional state moneys shall be released 30791
for the project. 30792

(C) After a certificate of completion has been issued for a 30793
project under section 3318.48 of the Revised Code: 30794

(1) At the discretion of the school district board, any 30795
investment earnings remaining in the project construction fund 30796
that are attributable to the school district's contribution to the 30797
fund shall be: 30798

(a) Retained in the project construction fund for future 30799
projects; 30800

(b) Transferred to the district's maintenance fund required 30801
by division (B) of section 3318.05 or section 3318.43 of the 30802
Revised Code, and the money so transferred shall be used solely 30803
for maintaining the classroom facilities included in the project; 30804

(c) Transferred to the district's permanent improvement fund. 30805

(2) Any investment earnings remaining in the project 30806
construction fund that are attributable to the state's 30807
contribution to the fund shall be transferred to the commission 30808
for expenditure pursuant to sections 3318.01 to 3318.20 or 30809
sections 3318.40 to 3318.45 of the Revised Code. 30810

(3) Any other surplus remaining in the school district's 30811
project construction fund shall be transferred to the commission 30812
and the school district board in proportion to their respective 30813
contributions to the fund. The commission shall use the money 30814
transferred to it under this division for expenditure pursuant to 30815
sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the 30816
Revised Code. 30817

(D) Pursuant to appropriations of the general assembly, any 30818
moneys transferred to the commission under division (C)(2) or (3) 30819

of this section from a project construction fund for a project 30820
under sections 3318.40 to 3318.45 of the Revised Code may be used 30821
for future expenditures for projects under sections 3318.40 to 30822
3318.45 of the Revised Code, notwithstanding the two per cent 30823
annual limit specified in division (B) of section 3318.40 of the 30824
Revised Code. 30825

Sec. 3318.121. As used in this section, "big-eight school 30826
district" has the same meaning as in section 3314.02 of the 30827
Revised Code. 30828

Notwithstanding any provision to the contrary in section 30829
3318.12 or Chapter 5705. of the Revised Code, a big-eight school 30830
district receiving assistance for a project under this chapter, 30831
that has opted with the approval of the Ohio ~~school~~ facilities 30832
construction commission to divide the project into discrete 30833
segments to be completed sequentially, or otherwise, may, with the 30834
approval of the commission or the commission's designated 30835
representative, and pursuant to a resolution adopted by the school 30836
district board, transfer to a special construction fund investment 30837
earnings credited to the project construction fund that are 30838
attributable to the district's contribution to that fund, if the 30839
school district board and the commission, or its designated 30840
representative, determine that the unspent amount of the 30841
district's contribution to the project construction fund, 30842
including any investment earnings on that contribution that are 30843
not to be transferred to the special construction fund, together 30844
with the principal amount of any additional securities authorized 30845
by the voters of the district to be issued to pay the local share 30846
of the basic project cost of the entire project that have not yet 30847
been issued by the district, are projected at the time of the 30848
transfer to be not less than one hundred ten per cent of the 30849
amount required to provide for the entire remaining local share of 30850
the basic project cost because of reductions in the scope and 30851

estimated cost of the project that have been incorporated in the 30852
district's approved master facilities plan. The money in that 30853
special construction fund, including investment earnings 30854
attributable to money in that fund, shall be used by the district 30855
solely to pay costs of classroom facilities (A) in later segments 30856
of the project that are consistent with the specifications for 30857
plans and materials for classroom facilities adopted by the 30858
commission and those specifications used by the district for 30859
classroom facilities included in one or more prior segments, but 30860
which would cause the cost of the facilities in one or more later 30861
segments to be in excess of the approved budgeted basic project 30862
cost for the segment to be shared by the state and the district in 30863
proportion to the state's and the school district's respective 30864
shares of the basic project cost as determined under section 30865
3318.032 of the Revised Code, or (B) that were included in the 30866
master facilities plan prior to the reduction in scope. All 30867
investment earnings on a district's special construction fund 30868
shall be credited to the fund. After the entire project has been 30869
completed, any investment earnings remaining in the special 30870
construction fund shall be transferred to the district's 30871
maintenance fund required by division (B) of section 3318.05 of 30872
the Revised Code, and used solely for maintaining the classroom 30873
facilities included in the project. 30874

Sec. 3318.13. Notwithstanding any provision of sections 30875
5705.27 to 5705.50 of the Revised Code, the tax to be levied on 30876
all taxable property within a school district for the purpose of 30877
paying the cost of maintaining the classroom facilities included 30878
in the project under the agreement provided in section 3318.08 of 30879
the Revised Code or the supplemental agreement provided in section 30880
3318.081 of the Revised Code shall be included in the budget of 30881
the school district for each year upon the certification to the 30882
county budget commission or commissions of the county or counties 30883

in which said school district is located, by the Ohio ~~school~~ 30884
facilities construction commission of the balance due the state 30885
under said agreement or supplemental agreement. Such certification 30886
shall be made on or before the fifteenth day of July in each year. 30887
Thereafter, the respective county budget commissions shall treat 30888
such certification as an additional item on the tax budget for the 30889
school district as to which such certification has been made and 30890
shall provide for the levy therefor in the manner provided in 30891
sections 5705.27 to 5705.50 of the Revised Code for tax levies 30892
included directly in the budgets of the subdivisions. 30893

The levy of taxes shall be included in the next annual tax 30894
budget that is certified to the county budget commission after the 30895
execution of the agreement for the project. 30896

Sec. 3318.15. There is hereby created the public school 30897
building fund within the state treasury consisting of any moneys 30898
transferred or appropriated to the fund by the general assembly, 30899
moneys paid into or transferred in accordance with section 3318.47 30900
of the Revised Code, and any grants, gifts, or contributions 30901
received by the Ohio ~~school~~ facilities construction commission to 30902
be used for the purposes of the fund. All investment earnings of 30903
the fund shall be credited to the fund. 30904

Moneys transferred or appropriated to the fund by the general 30905
assembly and moneys in the fund from grants, gifts, and 30906
contributions shall be used for the purposes of Chapter 3318. of 30907
the Revised Code as prescribed by the general assembly. 30908

Sec. 3318.16. The Ohio ~~school~~ facilities construction 30909
commission shall have an interest in real property purchased with 30910
moneys in the school district's project construction fund. 30911

Once obligations issued to finance a project under section 30912
3318.26 of the Revised Code are no longer outstanding, any 30913

interest held by the commission shall be transferred to the school district. 30914
30915

Sec. 3318.18. (A) As used in this section: 30916

(1) "Valuation" of a school district means the sum of the 30917
amounts described in divisions (A)(1) and (2) of section 3317.021 30918
of the Revised Code as most recently certified for the district 30919
before the annual computation is made under division (B) of this 30920
section. 30921

(2) "Valuation per pupil" of a school district means the 30922
district's valuation divided by the district's formula ADM as most 30923
recently calculated under section 3317.03 of the Revised Code 30924
before the annual computation is made under division (B) of this 30925
section. 30926

(3) "Statewide average valuation per pupil" means the total 30927
of the valuations of all school districts divided by the total of 30928
the formula ADMs of all school districts as most recently 30929
calculated under section 3317.03 of the Revised Code before the 30930
annual computation is made under division (C) of this section. 30931

(4) "Maintenance levy requirement" means the tax required to 30932
be levied pursuant to division (C)(2)(a) of section 3318.08 and 30933
division (B) of section 3318.05 of the Revised Code or the 30934
application of proceeds of another levy to paying the costs of 30935
maintaining classroom facilities pursuant to division (A)(2) of 30936
section 3318.052, division (C)(1) or (C)(2)(b) of section 3318.08, 30937
or division (D)(2) of section 3318.36 of the Revised Code, or a 30938
combination thereof. 30939

(5) "Project agreement" means an agreement between a school 30940
district and the Ohio ~~school~~ facilities construction commission 30941
under section 3318.08 or division (B)(1) of section 3318.36 of the 30942
Revised Code. 30943

(B) On or before July 1, 2006, the department of education 30944
shall compute the statewide average valuation per pupil and the 30945
valuation per pupil of each school district, and provide them to 30946
the Ohio ~~school~~ facilities construction commission. On or before 30947
the first day of July each year beginning in 2007, the department 30948
of education shall compute the statewide average valuation per 30949
pupil and the valuation per pupil of each school district that has 30950
not already entered into a project agreement, and provide the 30951
results of those computations to the commission. 30952

(C)(1) At the time the Ohio ~~school~~ facilities construction 30953
commission enters into a project agreement with a school district, 30954
the commission shall compute the difference between the district's 30955
valuation per pupil and the statewide average valuation per pupil 30956
as most recently provided to the commission under division (B) of 30957
this section. If the school district's valuation per pupil is less 30958
than the average statewide valuation per pupil, the commission 30959
shall multiply the difference between those amounts by one-half 30960
mill times the formula ADM of the district as most recently 30961
reported to the department of education for October under division 30962
(A) of section 3317.03 of the Revised Code. The commission shall 30963
certify the resulting product to the department of education, 30964
along with the date on which the maintenance levy requirement 30965
terminates as provided in the project agreement between the school 30966
district board and the commission. 30967

(2) In the case of a school district that entered into a 30968
project agreement after July 1, 1997, but before July 1, 2006, the 30969
commission shall make the computation described in division (C)(1) 30970
of this section on the basis of the district's valuation per pupil 30971
and the statewide average valuation per pupil computed as of 30972
September 1, 2006, and the district's formula ADM reported for 30973
October 2005. 30974

(3) The amount computed for a school district under division 30975

(C)(1) or (2) of this section shall not change for the period 30976
during which payments are made to the district under division (D) 30977
of this section. 30978

(4) A computation need not be made under division (C)(1) or 30979
(2) of this section for a school district that certified a 30980
resolution to the commission under division (D)(3) of section 30981
3318.36 of the Revised Code until the district becomes eligible 30982
for state assistance as provided in that division. 30983

(D) In the fourth quarter of each fiscal year, for each 30984
school district for which a computation has been made under 30985
division (C) of this section, the department of education shall 30986
pay the amount computed to each such school district. Payments 30987
shall be made to a school district each year until and including 30988
the tax year in which the district's maintenance levy requirement 30989
terminates. Payments shall be paid from the half-mill equalization 30990
fund, subject to appropriation by the general assembly. However, 30991
the department shall make no payments under this section to any 30992
district that elects the procedure authorized by section 3318.051 30993
of the Revised Code. 30994

(E) Payments made to a school district under this section 30995
shall be credited to the district's classroom facilities 30996
maintenance fund and shall be used only for the purpose of 30997
maintaining facilities constructed or renovated under the project 30998
agreement. 30999

(F) There is hereby created in the state treasury the 31000
half-mill equalization fund. The fund shall receive transfers 31001
pursuant to section 5727.85 of the Revised Code. The fund shall be 31002
used first to make annual payments under division (D) of this 31003
section. If a balance remains in the fund after such payments are 31004
made in full for a year, the Ohio ~~school~~ facilities construction 31005
commission may request the controlling board to transfer a 31006
reasonable amount from such remaining balance to the public school 31007

building fund created under section 3318.15 of the Revised Code 31008
for the purposes of this chapter. 31009

All investment earnings arising from investment of money in 31010
the half-mill equalization fund shall be credited to the fund. 31011

Sec. 3318.22. (A) The general assembly finds that many school 31012
districts are prevented by their size, tax base, or other 31013
conditions from performing their essential functions as agencies 31014
of state government to provide adequate classroom facilities and 31015
issuing securities under Chapter 133. of the Revised Code at 31016
favorable interest rates or charges. Accordingly, the Ohio ~~school~~ 31017
facilities construction commission is invested with the powers and 31018
duties provided in sections 3318.21 to 3318.29 of the Revised Code 31019
in order to provide deserved assistance and materially contribute 31020
to the educational revitalization of such school districts and 31021
result in improving the education and welfare of all the people of 31022
the state. 31023

(B) Sections 3318.21 to 3318.29 of the Revised Code do not 31024
authorize the commission or the issuing authority to incur bonded 31025
indebtedness of the state or any political subdivision of the 31026
state, or to obligate or pledge moneys raised by taxation for the 31027
payment of any bonds or notes issued pursuant to sections 3318.21 31028
to 3318.29 of the Revised Code. 31029

Sec. 3318.25. There is hereby created in the state treasury 31030
the school building program assistance fund. The fund shall 31031
consist of the proceeds of obligations issued for the purposes of 31032
such fund pursuant to section 3318.26 of the Revised Code that are 31033
payable from moneys in the lottery profits education fund created 31034
in section 3770.06 of the Revised Code or pursuant to section 31035
151.03 of the Revised Code. All investment earnings of the fund 31036
shall be credited to the fund. Moneys in the fund shall be used as 31037

directed by the Ohio ~~school~~ facilities construction commission for 31038
the cost to the state of constructing classroom facilities under 31039
Chapter 3318. of the Revised Code as prescribed by the general 31040
assembly. 31041

Sec. 3318.26. (A) The provisions of this section apply only 31042
to obligations issued by the issuing authority prior to December 31043
1, 1999. 31044

(B) Subject to the limitations provided in section 3318.29 of 31045
the Revised Code, the issuing authority, upon the certification by 31046
the Ohio ~~school~~ facilities construction commission to the issuing 31047
authority of the amount of moneys or additional moneys needed in 31048
the school building program assistance fund for the purposes of 31049
sections 3318.01 to 3318.20 and sections 3318.40 to 3318.45 of the 31050
Revised Code, or needed for capitalized interest, for funding 31051
reserves, and for paying costs and expenses incurred in connection 31052
with the issuance, carrying, securing, paying, redeeming, or 31053
retirement of the obligations or any obligations refunded thereby, 31054
including payment of costs and expenses relating to letters of 31055
credit, lines of credit, insurance, put agreements, standby 31056
purchase agreements, indexing, marketing, remarketing and 31057
administrative arrangements, interest swap or hedging agreements, 31058
and any other credit enhancement, liquidity, remarketing, renewal, 31059
or refunding arrangements, all of which are authorized by this 31060
section, shall issue obligations of the state under this section 31061
in the required amount. The proceeds of such obligations, except 31062
for obligations issued to provide moneys for the school building 31063
program assistance fund shall be deposited by the treasurer of 31064
state in special funds, including reserve funds, as provided in 31065
the bond proceedings. The issuing authority may appoint trustees, 31066
paying agents, and transfer agents and may retain the services of 31067
financial advisors and accounting experts and retain or contract 31068
for the services of marketing, remarketing, indexing, and 31069

administrative agents, other consultants, and independent 31070
contractors, including printing services, as are necessary in the 31071
issuing authority's judgment to carry out this section. The costs 31072
of such services are payable from the school building program 31073
assistance fund or any special fund determined by the issuing 31074
authority. 31075

(C) The holders or owners of such obligations shall have no 31076
right to have moneys raised by taxation obligated or pledged, and 31077
moneys raised by taxation shall not be obligated or pledged, for 31078
the payment of bond service charges. Such holders or owners shall 31079
have no rights to payment of bond service charges from any money 31080
or property received by the commission, treasurer of state, or the 31081
state, or from any other use of the proceeds of the sale of the 31082
obligations, and no such moneys may be used for the payment of 31083
bond service charges, except for accrued interest, capitalized 31084
interest, and reserves funded from proceeds received upon the sale 31085
of the obligations and except as otherwise expressly provided in 31086
the applicable bond proceedings pursuant to written directions by 31087
the treasurer of state. The right of such holders and owners to 31088
payment of bond service charges shall be limited to all or that 31089
portion of the pledged receipts and those special funds pledged 31090
thereto pursuant to the bond proceedings in accordance with this 31091
section, and each such obligation shall bear on its face a 31092
statement to that effect. 31093

(D) Obligations shall be authorized by resolution or order of 31094
the issuing authority and the bond proceedings shall provide for 31095
the purpose thereof and the principal amount or amounts, and shall 31096
provide for or authorize the manner or agency for determining the 31097
principal maturity or maturities, not exceeding the limits 31098
specified in section 3318.29 of the Revised Code, the interest 31099
rate or rates or the maximum interest rate, the date of the 31100
obligations and the dates of payment of interest thereon, their 31101

denomination, and the establishment within or without the state of 31102
a place or places of payment of bond service charges. Sections 31103
9.98 to 9.983 of the Revised Code are applicable to obligations 31104
issued under this section, subject to any applicable limitation 31105
under section 3318.29 of the Revised Code. The purpose of such 31106
obligations may be stated in the bond proceedings in terms 31107
describing the general purpose or purposes to be served. The bond 31108
proceedings shall also provide, subject to the provisions of any 31109
other applicable bond proceedings, for the pledge of all, or such 31110
part as the issuing authority may determine, of the pledged 31111
receipts and the applicable special fund or funds to the payment 31112
of bond service charges, which pledges may be made either prior or 31113
subordinate to other expenses, claims, or payments, and may be 31114
made to secure the obligations on a parity with obligations 31115
theretofore or thereafter issued, if and to the extent provided in 31116
the bond proceedings. The pledged receipts and special funds so 31117
pledged and thereafter received by the state are immediately 31118
subject to the lien of such pledge without any physical delivery 31119
thereof or further act, and the lien of any such pledges is valid 31120
and binding against all parties having claims of any kind against 31121
the state or any governmental agency of the state, irrespective of 31122
whether such parties have notice thereof, and shall create a 31123
perfected security interest for all purposes of Chapter 1309. of 31124
the Revised Code, without the necessity for separation or delivery 31125
of funds or for the filing or recording of the bond proceedings by 31126
which such pledge is created or any certificate, statement or 31127
other document with respect thereto; and the pledge of such 31128
pledged receipts and special funds is effective and the money 31129
therefrom and thereof may be applied to the purposes for which 31130
pledged without necessity for any act of appropriation, except as 31131
required by section 3770.06 of the Revised Code. Every pledge, and 31132
every covenant and agreement made with respect thereto, made in 31133
the bond proceedings may therein be extended to the benefit of the 31134

owners and holders of obligations authorized by this section, and	31135
to any trustee therefor, for the further security of the payment	31136
of the bond service charges.	31137
(E) The bond proceedings may contain additional provisions as	31138
to:	31139
(1) The redemption of obligations prior to maturity at the	31140
option of the issuing authority at such price or prices and under	31141
such terms and conditions as are provided in the bond proceedings;	31142
(2) Other terms of the obligations;	31143
(3) Limitations on the issuance of additional obligations;	31144
(4) The terms of any trust agreement or indenture securing	31145
the obligations or under which the same may be issued;	31146
(5) The deposit, investment and application of special funds,	31147
and the safeguarding of moneys on hand or on deposit, without	31148
regard to Chapter 131., 133., or 135. of the Revised Code, but	31149
subject to any special provisions of sections 3318.21 to 3318.29	31150
of the Revised Code, with respect to particular funds or moneys,	31151
provided that any bank or trust company that acts as depository of	31152
any moneys in the special funds may furnish such indemnifying	31153
bonds or may pledge such securities as required by the issuing	31154
authority;	31155
(6) Any or every provision of the bond proceedings being	31156
binding upon such officer, board, commission, authority, agency,	31157
department, or other person or body as may from time to time have	31158
the authority under law to take such actions as may be necessary	31159
to perform all or any part of the duty required by such provision;	31160
(7) Any provision that may be made in a trust agreement or	31161
indenture;	31162
(8) The lease or sublease of any interest of the school	31163
district or the state in one or more projects as defined in	31164

division (C) of section 3318.01 of the Revised Code, or in one or 31165
more permanent improvements, to or from the issuing authority, as 31166
provided in one or more lease or sublease agreements between the 31167
school or the state and the issuing authority; 31168

(9) Any other or additional agreements with the holders of 31169
the obligations, or the trustee therefor, relating to the 31170
obligations or the security therefor. 31171

(F) The obligations may have the great seal of the state or a 31172
facsimile thereof affixed thereto or printed thereon. The 31173
obligations and any coupons pertaining to obligations shall be 31174
signed or bear the facsimile signature of the issuing authority. 31175
Any obligations or coupons may be executed by the person who, on 31176
the date of execution, is the proper issuing authority although on 31177
the date of such bonds or coupons such person was not the issuing 31178
authority. In case the issuing authority whose signature or a 31179
facsimile of whose signature appears on any such obligation or 31180
coupon ceases to be the issuing authority before delivery thereof, 31181
such signature or facsimile is nevertheless valid and sufficient 31182
for all purposes as if the issuing authority had remained the 31183
issuing authority until such delivery; and in case the seal to be 31184
affixed to obligations has been changed after a facsimile of the 31185
seal has been imprinted on such obligations, such facsimile seal 31186
shall continue to be sufficient as to such obligations and 31187
obligations issued in substitution or exchange therefor. 31188

(G) All obligations are negotiable instruments and securities 31189
under Chapter 1308. of the Revised Code, subject to the provisions 31190
of the bond proceedings as to registration. The obligations may be 31191
issued in coupon or in registered form, or both, as the issuing 31192
authority determines. Provision may be made for the registration 31193
of any obligations with coupons attached thereto as to principal 31194
alone or as to both principal and interest, their exchange for 31195
obligations so registered, and for the conversion or reconversion 31196

into obligations with coupons attached thereto of any obligations 31197
registered as to both principal and interest, and for reasonable 31198
charges for such registration, exchange, conversion, and 31199
reconversion. 31200

(H) Obligations may be sold at public sale or at private 31201
sale, as determined in the bond proceedings. 31202

(I) Pending preparation of definitive obligations, the 31203
issuing authority may issue interim receipts or certificates which 31204
shall be exchanged for such definitive obligations. 31205

(J) In the discretion of the issuing authority, obligations 31206
may be secured additionally by a trust agreement or indenture 31207
between the issuing authority and a corporate trustee which may be 31208
any trust company or bank having a place of business within the 31209
state. Any such agreement or indenture may contain the resolution 31210
or order authorizing the issuance of the obligations, any 31211
provisions that may be contained in any bond proceedings, and 31212
other provisions that are customary or appropriate in an agreement 31213
or indenture of such type, including, but not limited to: 31214

(1) Maintenance of each pledge, trust agreement, indenture, 31215
or other instrument comprising part of the bond proceedings until 31216
the state has fully paid the bond service charges on the 31217
obligations secured thereby, or provision therefor has been made; 31218

(2) In the event of default in any payments required to be 31219
made by the bond proceedings, or any other agreement of the 31220
issuing authority made as a part of the contract under which the 31221
obligations were issued, enforcement of such payments or agreement 31222
by mandamus, the appointment of a receiver, suit in equity, action 31223
at law, or any combination of the foregoing; 31224

(3) The rights and remedies of the holders of obligations and 31225
of the trustee, and provisions for protecting and enforcing them, 31226
including limitations on rights of individual holders of 31227

obligations;	31228
(4) The replacement of any obligations that become mutilated or are destroyed, lost, or stolen;	31229 31230
(5) Such other provisions as the trustee and the issuing authority agree upon, including limitations, conditions, or qualifications relating to any of the foregoing.	31231 31232 31233
(K) Any holder of obligations or a trustee under the bond proceedings, except to the extent that the holder's or trustee's rights are restricted by the bond proceedings, may by any suitable form of legal proceedings, protect and enforce any rights under the laws of this state or granted by such bond proceedings. ~~2000,~~ the The Ohio ~~school~~ facilities construction commission shall 31391
establish design specifications for classroom facilities that are 31392
appropriate for joint vocational education programs. The 31393
specifications shall provide standards for appropriate pupil 31394
instruction space but shall not include standards for any 31395
vocational education furnishings or equipment that is not 31396
comparable to, or the vocational education equivalent of, the 31397
furnishings or equipment for which assistance is available to 31398
other school districts under sections 3318.01 to 3318.20 of the 31399
Revised Code. 31400

Beginning September 1, 2003, from time to time the commission 31401
may amend the specifications as determined necessary by the 31402
commission; however, any project under sections 3318.40 to 3318.45 31403
of the Revised Code approved by the commission prior to the most 31404
recent amendment to the specifications shall not be subject to the 31405
provisions of such amendment. 31406

Sec. 3318.351. (A) As used in this section: 31407

(1) "Classroom facilities" has the same meaning as in section 31408
3318.01 of the Revised Code. 31409

eligible school districts from moneys specifically appropriated by 31419
the general assembly for the purposes of this section to assist in 31420
emergency projects. Any assistance under this section shall be 31421
used to pay the cost of only the portion of an emergency project 31422
that is not covered by insurance or other public or private 31423
emergency assistance received by or payable to the school 31424
district. Any damage to classroom facilities caused by age of the 31425
facilities or by lack of timely maintenance to the facilities 31426
shall not constitute damage that is subject to assistance under 31427
this section. 31428

(2) The commission shall establish procedures and deadlines 31429
for eligible school districts to follow in applying for assistance 31430
under this section. The commission shall consider such 31431
applications on a case-by-case basis taking into account the 31432
amount of moneys available under this section. 31433

(3) Every effort shall be made to conform an emergency 31434
project to design specifications adopted by the commission, 31435
including minimum capacity requirements adopted under section 31436
3318.03 of the Revised Code, unless in the judgment of the 31437

(b) "Required level of indebtedness" means five per cent of 31447
the school district's valuation for the year preceding the year in 31448
which the commission and school district enter into an agreement 31449

under division (B) of this section, plus [two one-hundredths of 31450
one per cent multiplied by (the percentile in which the district 31451
ranks minus one)]. 31452

(c) "Local resources" means any moneys generated in any 31453
manner permitted for a school district board to raise the school 31454
district portion of a project undertaken with assistance under 31455
sections 3318.01 to 3318.20 of the Revised Code. 31456

(2) For purposes of determining the required level of 31457
indebtedness, the required percentage of the basic project costs 31458
under division (C)(1) of this section, and priority for assistance 31459
under sections 3318.01 to 3318.20 of the Revised Code, the 31460

immediately preceding fiscal year, and the percentile ranking of a 31465
school district with which the commission has entered into such 31466
agreement between the first day of September and the thirtieth day 31467
of June in each fiscal year is the percentile ranking calculated 31468
for that district for the current fiscal year. 31469

(B)(1) There is hereby established the school building 31470
assistance expedited local partnership program. Under the program, 31471
the Ohio ~~school~~ facilities construction commission may enter into 31472
an agreement with the board of any school district under which the 31473
board may proceed with the new construction or major repairs of a 31474
part of the district's classroom facilities needs, as determined 31475
under sections 3318.01 to 3318.20 of the Revised Code, through the 31476
expenditure of local resources prior to the school district's 31477
eligibility for state assistance under those sections, and may 31478
apply that expenditure toward meeting the school district's 31479
portion of the basic project cost of the total of the district's 31480
classroom facilities needs, as recalculated under division (E) of 31481

this section, when the district becomes eligible for state 31482
assistance under sections 3318.01 to 3318.20 or section 3318.364 31483
of the Revised Code. Any school district that is reasonably 31484
expected to receive assistance under sections 3318.01 to 3318.20 31485
of the Revised Code within two fiscal years from the date the 31486
school district adopts its resolution under division (B) of this 31487
section shall not be eligible to participate in the program 31488
established under this section. 31489

(2) To participate in the program, a school district board 31490
shall first adopt a resolution certifying to the commission the 31491
board's intent to participate in the program. 31492

The resolution shall specify the approximate date that the 31493
board intends to seek elector approval of any bond or tax measures 31494
or to apply other local resources to use to pay the cost of 31495
classroom facilities to be constructed under this section. The 31496
resolution may specify the application of local resources or 31497
elector-approved bond or tax measures after the resolution is 31498
adopted by the board, and in such case the board may proceed with 31499
a discrete portion of its project under this section as soon as 31500
the commission and the controlling board have approved the basic 31501
project cost of the district's classroom facilities needs as 31502
specified in division (D) of this section. The board shall submit 31503
its resolution to the commission not later than ten days after the 31504
date the resolution is adopted by the board. 31505

The commission shall not consider any resolution that is 31506
submitted pursuant to division (B)(2) of this section, as amended 31507
by this amendment, sooner than September 14, 2000. 31508

(3) For purposes of determining when a district that enters 31509
into an agreement under this section becomes eligible for 31510
assistance under sections 3318.01 to 3318.20 of the Revised Code 31511
or priority for assistance under section 3318.364 of the Revised 31512
Code, the commission shall use the district's percentile ranking 31513

determined at the time the district entered into the agreement 31514
under this section, as prescribed by division (A)(2) of this 31515
section. 31516

(4) Any project under this section shall comply with section 31517
3318.03 of the Revised Code and with any specifications for plans 31518
and materials for classroom facilities adopted by the commission 31519
under section 3318.04 of the Revised Code. 31520

(5) If a school district that enters into an agreement under 31521
this section has not begun a project applying local resources as 31522
provided for under that agreement at the time the district is 31523
notified by the commission that it is eligible to receive state 31524
assistance under sections 3318.01 to 3318.20 of the Revised Code, 31525
all assessment and agreement documents entered into under this 31526
section are void. 31527

(6) Only construction of or repairs to classroom facilities 31528
that have been approved by the commission and have been therefore 31529
included as part of a district's basic project cost qualify for 31530
application of local resources under this section. 31531

(C) Based on the results of on-site visits and assessment, 31532
the commission shall determine the basic project cost of the 31533
school district's classroom facilities needs. The commission shall 31534
determine the school district's portion of such basic project 31535
cost, which shall be the greater of: 31536

(1) The required percentage of the basic project costs, 31537
determined based on the school district's percentile ranking; 31538

(2) An amount necessary to raise the school district's net 31539
bonded indebtedness, as of the fiscal year the commission and the 31540
school district enter into the agreement under division (B) of 31541
this section, to within five thousand dollars of the required 31542
level of indebtedness. 31543

(D)(1) When the commission determines the basic project cost 31544

of the classroom facilities needs of a school district and the 31545
school district's portion of that basic project cost under 31546
division (C) of this section, the project shall be conditionally 31547
approved. Such conditional approval shall be submitted to the 31548
controlling board for approval thereof. The controlling board 31549
shall forthwith approve or reject the commission's determination, 31550
conditional approval, and the amount of the state's portion of the 31551
basic project cost; however, no state funds shall be encumbered 31552
under this section. Upon approval by the controlling board, the 31553
school district board may identify a discrete part of its 31554
classroom facilities needs, which shall include only new 31555
construction of or additions or major repairs to a particular 31556
building, to address with local resources. Upon identifying a part 31557
of the school district's basic project cost to address with local 31558
resources, the school district board may allocate any available 31559
school district moneys to pay the cost of that identified part, 31560
including the proceeds of an issuance of bonds if approved by the 31561
electors of the school district. 31562

All local resources utilized under this division shall first 31563
be deposited in the project construction account required under 31564
section 3318.08 of the Revised Code. 31565

(2) Unless the school district board exercises its option 31566
under division (D)(3) of this section, for a school district to 31567
qualify for participation in the program authorized under this 31568
section, one of the following conditions shall be satisfied: 31569

(a) The electors of the school district by a majority vote 31570
shall approve the levy of taxes outside the ten-mill limitation 31571
for a period of twenty-three years at the rate of not less than 31572
