one-half mill for each dollar of valuation to be used to pay the 31573
cost of maintaining the classroom facilities included in the basic 31574
project cost as determined by the commission. The form of the 31575
ballot to be used to submit the question whether to approve the 31576

tax required under this division to the electors of the school 31577
district shall be the form for an additional levy of taxes 31578
prescribed in section 3318.361 of the Revised Code, which may be 31579
combined in a single ballot question with the questions prescribed 31580
under section 5705.218 of the Revised Code. 31581

(b) As authorized under division (C) of section 3318.05 of 31582
the Revised Code, the school district board shall earmark from the 31583
proceeds of a permanent improvement tax levied under section 31584
5705.21 of the Revised Code, an amount equivalent to the 31585
additional tax otherwise required under division (D)(2)(a) of this 31586
section for the maintenance of the classroom facilities included 31587
in the basic project cost as determined by the commission. 31588

(c) As authorized under section 3318.051 of the Revised Code, 31589
the school district board shall, if approved by the commission, 31590
annually transfer into the maintenance fund required under section 31591
3318.05 of the Revised Code the amount prescribed in section 31592
3318.051 of the Revised Code in lieu of the tax otherwise required 31593
under division (D)(2)(a) of this section for the maintenance of 31594
the classroom facilities included in the basic project cost as 31595
determined by the commission. 31596

(d) If the school district board has rescinded the agreement 31597
to make transfers under section 3318.051 of the Revised Code, as 31598
provided under division (F) of that section, the electors of the 31599
school district, in accordance with section 3318.063 of the 31600
Revised Code, first shall approve the levy of taxes outside the 31601
ten-mill limitation for the period specified in that section at a 31602
rate of not less than one-half mill for each dollar of valuation. 31603

(e) The school district board shall apply the proceeds of a 31604
tax to leverage bonds as authorized under section 3318.052 of the 31605
Revised Code or dedicate a local donated contribution in the 31606
manner described in division (B) of section 3318.084 of the 31607
Revised Code in an amount equivalent to the additional tax 31608

otherwise required under division (D)(2)(a) of this section for 31609
the maintenance of the classroom facilities included in the basic 31610
project cost as determined by the commission. 31611

(3) A school district board may opt to delay taking any of 31612
the actions described in division (D)(2) of this section until the 31613
school district becomes eligible for state assistance under 31614
sections 3318.01 to 3318.20 of the Revised Code. In order to 31615
exercise this option, the board shall certify to the commission a 31616
resolution indicating the board's intent to do so prior to 31617
entering into an agreement under division (B) of this section. 31618

(4) If pursuant to division (D)(3) of this section a district 31619
board opts to delay levying an additional tax until the district 31620
becomes eligible for state assistance, it shall submit the 31621
question of levying that tax to the district electors as follows: 31622

(a) In accordance with section 3318.06 of the Revised Code if 31623
it will also be necessary pursuant to division (E) of this section 31624
to submit a proposal for approval of a bond issue; 31625

(b) In accordance with section 3318.361 of the Revised Code 31626
if it is not necessary to also submit a proposal for approval of a 31627
bond issue pursuant to division (E) of this section. 31628

(5) No state assistance under sections 3318.01 to 3318.20 of 31629
the Revised Code shall be released until a school district board 31630
that adopts and certifies a resolution under division (D) of this 31631
section also demonstrates to the satisfaction of the commission 31632
compliance with the provisions of division (D)(2) of this section. 31633

Any amount required for maintenance under division (D)(2) of 31634
this section shall be deposited into a separate fund as specified 31635
in division (B) of section 3318.05 of the Revised Code. 31636

(E)(1) If the school district becomes eligible for state 31637
assistance under sections 3318.01 to 3318.20 of the Revised Code 31638
based on its percentile ranking under division (B)(3) of this 31639

section or is offered assistance under section 3318.364 of the Revised Code, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be the percentage of the original basic project cost assigned to the school district as its portion under division (C) of this section. The commission shall deduct the expenditure of school district moneys made under division (D)(1) of this section from the school district's portion of the basic project cost as recalculated under this division. If the amount of school district resources applied by the school district board to the school district's portion of the basic project cost under this section is less than the total amount of such portion as recalculated under this division, the school district board by a majority vote of all of its members shall, if it desires to seek state assistance under sections 3318.01 to 3318.20 of the Revised Code, adopt a resolution as specified in section 3318.06 of the Revised Code to submit to the electors of the school district the question of approval of a bond issue in order to pay any additional amount of school district portion required for state assistance. Any tax levy approved under division (D) of this section satisfies the requirements to levy the additional tax under section 3318.06 of the Revised Code.

(2) If the amount of school district resources applied by the school district board to the school district's portion of the basic project cost under this section is more than the total amount of such portion as recalculated under this division, within one year after the school district's portion is recalculated under division (E)(1) of this section the commission may grant to the

school district the difference between the two calculated 31673
portions, but at no time shall the commission expend any state 31674
funds on a project in an amount greater than the state's portion 31675
of the basic project cost as recalculated under this division. 31676

Any reimbursement under this division shall be only for local 31677
resources the school district has applied toward construction cost 31678
expenditures for the classroom facilities approved by the 31679
commission, which shall not include any financing costs associated 31680
with that construction. 31681

The school district board shall use any moneys reimbursed to 31682
the district under this division to pay off any debt service the 31683
district owes for classroom facilities constructed under its 31684
project under this section before such moneys are applied to any 31685
other purpose. However, the district board first may deposit 31686
moneys reimbursed under this division into the district's general 31687
fund or a permanent improvement fund to replace local resources 31688
the district withdrew from those funds, as long as, and to the 31689
extent that, those local resources were used by the district for 31690
constructing classroom facilities included in the district's basic 31691
project cost. 31692

Sec. 3318.362. This section applies only to a school district 31693
that participates in the school building assistance expedited 31694
local partnership program under section 3318.36 of the Revised 31695
Code. 31696

A school district board that enters into an agreement with 31697
the Ohio ~~school~~ facilities construction commission under division 31698
(B) of section 3318.36 of the Revised Code may propose for 31699
issuance any bonds necessary for its participation in the program 31700
under section 3318.36 of the Revised Code for any number of years 31701
not exceeding the term calculated pursuant to section 133.20 of 31702
the Revised Code. Any moneys received from the state under 31703

division (E)(2) of section 3318.36 of the Revised Code shall be 31704
applied, as agreed in writing by the school district board and the 31705
commission, to pay debt service on outstanding bonds or bond 31706
anticipation notes issued by the school district board for its 31707
participation in the expedited local partnership program, 31708
including by placing those moneys in an applicable escrow fund 31709
under division (D) of section 133.34 of the Revised Code. 31710

Sec. 3318.363. (A) This section applies beginning in fiscal 31711
year 2003 and only to a school district participating in the 31712
school building assistance expedited local partnership program 31713
under section 3318.36 of the Revised Code. 31714

(B) If there is a decrease in the tax valuation of a school 31715
district to which this section applies by ten per cent or greater 31716
from one tax year to the next due to a decrease in the assessment 31717
rate of the taxable property of an electric company that owns 31718
property in the district, as provided for in section 5727.111 of 31719
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 31720
General Assembly, the Ohio ~~school~~ facilities construction 31721
commission shall calculate or recalculate the state and school 31722
district portions of the basic project cost of the school 31723
district's project by determining the percentile rank in which the 31724
district would be located if such ranking were made using the 31725
adjusted valuation per pupil calculated under division (C) of this 31726
section rather than the three-year average adjusted valuation per 31727
pupil, calculated under division (B) of section 3318.011 of the 31728
Revised Code. For such district, the required percentage of the 31729
basic project cost used to determine the state and school district 31730
shares of that cost under division (C) of section 3318.36 of the 31731
Revised Code shall be based on the percentile rank as calculated 31732
under this section rather than as otherwise provided in division 31733
(C)(1) of section 3318.36 of the Revised Code. If the commission 31734
has determined the state and school district portion of the basic 31735

project cost of such a district's project under section 3318.36 of 31736
the Revised Code prior to that decrease in tax valuation, the 31737
commission shall adjust the state and school district shares of 31738
the basic project cost of such project in accordance with this 31739
section. 31740

(C)(1) As used in divisions (C) and (D) of this section, 31741
"total taxable value" and "formula ADM" have the same meanings as 31742
in section 3317.02 of the Revised Code, and "income factor" has 31743
the same meaning as in section 3318.011 of the Revised Code. 31744

(2) The adjusted valuation per pupil for a school district to 31745
which this section applies shall be calculated using the following 31746
formula: 31747

(The district's total taxable value for the tax year 31748
preceding the calendar year in which the current fiscal year 31749
begins / the district's formula ADM for the previous fiscal year) 31750
- [\$30,000 x (1 - the district's income factor)]. 31751

(D) At the request of the Ohio ~~school~~ facilities construction 31752
commission, the department of education shall report a district's 31753
total taxable value for the tax year preceding the calendar year 31754
in which the current fiscal year begins for any district to which 31755
this section applies as that information has been certified to the 31756
department by the tax commissioner pursuant to section 3317.021 of 31757
the Revised Code. 31758

Sec. 3318.364. In any fiscal year, the Ohio ~~school~~ facilities 31759
construction commission may, at its discretion, provide assistance 31760
under sections 3318.01 to 3318.20 of the Revised Code to a school 31761
district that has entered into an expedited local partnership 31762
agreement under section 3318.36 of the Revised Code before the 31763
district is otherwise eligible for that assistance based on its 31764
percentile rank, if the commission determines all of the 31765
following: 31766

(A) The district has made an expenditure of local resources 31767
under its expedited local partnership agreement on a discrete part 31768
of its district-wide project. 31769

(B) The district is ready to complete its district-wide 31770
project or a segment of the project, in accordance with section 31771
3318.034 of the Revised Code. 31772

(C) The district is in compliance with division (D)(2) of 31773
section 3318.36 of the Revised Code. 31774

(D) Sufficient state funds have been appropriated for 31775
classroom facilities projects for the fiscal year to pay the state 31776
share of the district's project or segment after paying the state 31777
share of projects for all of the following: 31778

(1) Districts that previously had their conditional approval 31779
lapse pursuant to section 3318.05 of the Revised Code; 31780

(2) Districts eligible for assistance under division (B)(2) 31781
of section 3318.04 of the Revised Code; 31782

(3) Districts participating in the exceptional needs school 31783
facilities assistance program under section 3318.37 or 3318.371 of 31784
the Revised Code; 31785

(4) Districts participating in the accelerated urban school 31786
building assistance program under section 3318.38 of the Revised 31787
Code. 31788

Assistance under this section shall be offered to eligible 31789
districts in the order of their percentile rankings at the time 31790
they entered into their expedited local partnership agreements, 31791
from lowest to highest percentile. In the event that more than one 31792
district has the same percentile ranking, those districts shall be 31793
offered assistance in the order of the date they entered into 31794
their expedited local partnership agreements, from earliest to 31795
latest date. 31796

As used in this section, "local resources" and "percentile" 31797
have the same meanings as in section 3318.36 of the Revised Code. 31798

Sec. 3318.37. (A)(1) As used in this section: 31799

(a) "Full maintenance amount" has the same meaning as in 31800
section 3318.034 of the Revised Code. 31801

(b) A "school district with an exceptional need for immediate 31802
classroom facilities assistance" means a school district with an 31803
exceptional need for new facilities in order to protect the health 31804
and safety of all or a portion of its students. 31805

(2) No school district that participates in the school 31806
building assistance expedited local partnership program under 31807
section 3318.36 of the Revised Code shall receive assistance under 31808
the program established under this section unless the following 31809
conditions are satisfied: 31810

(a) The district board adopted a resolution certifying its 31811
intent to participate in the school building assistance expedited 31812
local partnership program under section 3318.36 of the Revised 31813
Code prior to September 14, 2000. 31814

(b) The district was selected by the Ohio ~~school~~ facilities 31815
construction commission for participation in the school building 31816
assistance expedited local partnership program under section 31817
3318.36 of the Revised Code in the manner prescribed by the 31818
commission under that section as it existed prior to September 14, 31819
2000. 31820

(B)(1) There is hereby established the exceptional needs 31821
school facilities assistance program. Under the program, the Ohio 31822
~~school~~ facilities construction commission may set aside from the 31823
moneys annually appropriated to it for classroom facilities 31824
assistance projects up to twenty-five per cent for assistance to 31825
school districts with exceptional needs for immediate classroom 31826

facilities assistance. 31827

(2)(a) After consulting with education and construction 31828
experts, the commission shall adopt guidelines for identifying 31829
school districts with an exceptional need for immediate classroom 31830
facilities assistance. 31831

(b) The guidelines shall include application forms and 31832
instructions for school districts to use in applying for 31833
assistance under this section. 31834

(3) The commission shall evaluate the classroom facilities, 31835
and the need for replacement classroom facilities from the 31836
applications received under this section. The commission, 31837
utilizing the guidelines adopted under division (B)(2)(a) of this 31838
section, shall prioritize the school districts to be assessed. 31839

Notwithstanding section 3318.02 of the Revised Code, the 31840
commission may conduct on-site evaluation of the school districts 31841
prioritized under this section and approve and award funds until 31842
such time as all funds set aside under division (B)(1) of this 31843
section have been encumbered. However, the commission need not 31844
conduct the evaluation of facilities if the commission determines 31845
that a district's assessment conducted under section 3318.36 of 31846
the Revised Code is sufficient for purposes of this section. 31847

(4) Notwithstanding division (A) of section 3318.05 of the 31848
Revised Code, the school district's portion of the basic project 31849
cost under this section shall be the "required percentage of the 31850
basic project costs," as defined in division (K) of section 31851
3318.01 of the Revised Code. 31852

(5) Except as otherwise specified in this section, any 31853
project undertaken with assistance under this section shall comply 31854
with all provisions of sections 3318.01 to 3318.20 of the Revised 31855
Code. A school district may receive assistance under sections 31856
3318.01 to 3318.20 of the Revised Code for the remainder of the 31857

district's classroom facilities needs as assessed under this 31858
section when the district is eligible for such assistance pursuant 31859
to section 3318.02 of the Revised Code, but any classroom facility 31860
constructed with assistance under this section shall not be 31861
included in a district's project at that time unless the 31862
commission determines the district has experienced the increased 31863
enrollment specified in division (B)(1) of section 3318.04 of the 31864
Revised Code. 31865

(C) No school district shall receive assistance under this 31866
section for a classroom facility that has been included in the 31867
discrete part of the district's classroom facilities needs 31868
identified and addressed in the district's project pursuant to an 31869
agreement entered into under section 3318.36 of the Revised Code, 31870
unless the district's entire classroom facilities plan consists of 31871
only a single building designed to house grades kindergarten 31872
through twelve. 31873

(D)(1) When undertaking a project under this section, a 31874
school district may elect to prorate its full maintenance amount 31875
by setting aside for maintenance the amount calculated under 31876
division (D)(2) of this section to maintain the classroom 31877
facilities acquired under the project, if the district will use 31878
one or more of the alternative methods authorized in sections 31879
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 31880
the entire amount calculated under that division. If the district 31881
so elects, the commission and the district shall include in the 31882
agreement entered into under section 3318.08 of the Revised Code a 31883
statement specifying that the district will use the amount 31884
calculated under that division only to maintain the classroom 31885
facilities acquired under the project under this section. 31886

(2) The commission shall calculate the amount for a school 31887
district to maintain the classroom facilities acquired under a 31888
project under this section as follows: 31889

The full maintenance amount X (the school district's portion of the basic project cost under this section / the school district's portion of the basic project cost for the district's entire classroom facilities needs, as determined jointly by the staff of the commission and the district)

31890
31891
31892
31893
31894

(3) A school district may elect to prorate its full maintenance amount for any number of projects under this section, provided the district will use one or more of the alternative methods authorized in sections 3318.051, 3318.052, and 3318.084 of the Revised Code to generate the entire amount calculated under division (D)(2) of this section to maintain the classroom facilities acquired under each project for which it so elects. If the district cannot use one or more of those alternative methods to generate the entire amount calculated under that division, the district shall levy the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code in an amount necessary to generate the remainder of its full maintenance amount. The commission shall calculate the remainder of the district's full maintenance amount as follows:

31895
31896
31897
31898
31899
31900
31901
31902
31903
31904
31905
31906
31907
31908
31909

The full maintenance amount - the sum of the amounts calculated for the district under division (D)(2) of this section for each of the district's prior projects under this section

31910
31911
31912

(4) In no case shall the sum of the amounts calculated for a school district's maintenance of classroom facilities under divisions (D)(2) and (3) of this section exceed the amount that would have been required for maintenance if the district had elected to meet its entire classroom facilities needs with a project under sections 3318.01 to 3318.20 of the Revised Code and had not undertaken one or more projects under this section.

31913
31914
31915
31916
31917
31918
31919

(5) If a school district commenced a project under this section prior to ~~the effective date of this amendment~~ September

31920
31921

10, 2012, but has not completed that project, and has not levied the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code, the district may request approval from the commission to prorate its full maintenance amount in accordance with divisions (D)(1) to (4) of this section. If the commission approves the request, the commission and the district shall amend the agreement entered into under section 3318.08 of the Revised Code to reflect the change.

Sec. 3318.371. The Ohio ~~school~~ facilities construction commission may provide assistance under the exceptional needs school facilities program established by section 3318.37 of the Revised Code to any school district for the purpose of the relocation or replacement of classroom facilities required as a result of any contamination of air, soil, or water that impacts the occupants of the facility.

The commission shall make a determination in accordance with guidelines adopted by the commission regarding eligibility and funding for projects under this section. The commission may contract with an independent environmental consultant to conduct a study to assist the commission in making the determination.

If the federal government or other public or private entity provides funds for restitution of costs incurred by the state or school district in the relocation or replacement of the classroom facilities, the school district shall use such funds in excess of the school district's share to refund the state for the state's contribution to the environmental contamination portion of the project. The school district may apply an amount of such restitution funds up to an amount equal to the school district's portion of the project, as defined by the commission, toward paying its portion of that project to reduce the amount of bonds

the school district otherwise must issue to receive state 31953
assistance under sections 3318.01 to 3318.20 of the Revised Code. 31954

Sec. 3318.38. (A) As used in this section, "big-eight school 31955
district" has the same meaning as in section 3314.02 of the 31956
Revised Code. 31957

(B) There is hereby established the accelerated urban school 31958
building assistance program. Under the program, notwithstanding 31959
section 3318.02 of the Revised Code, any big-eight school district 31960
that has not been approved to receive assistance under sections 31961
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 31962
beginning on that date apply for approval of and be approved for 31963
such assistance. Except as otherwise provided in this section, any 31964
project approved and undertaken pursuant to this section shall 31965
comply with all provisions of sections 3318.01 to 3318.20 of the 31966
Revised Code. 31967

The Ohio ~~school~~ facilities construction commission shall 31968
provide assistance to any big-eight school district eligible for 31969
assistance under this section in the following manner: 31970

(1) Notwithstanding section 3318.02 of the Revised Code: 31971

(a) Not later than June 30, 2002, the commission shall 31972
conduct an on-site visit and shall assess the classroom facilities 31973
needs of each big-eight school district eligible for assistance 31974
under this section; 31975

(b) Beginning July 1, 2002, any big-eight school district 31976
eligible for assistance under this section may apply to the 31977
commission for conditional approval of its project as determined 31978
by the assessment conducted under division (B)(1)(a) of this 31979
section. The commission may conditionally approve that project and 31980
submit it to the controlling board for approval pursuant to 31981
section 3318.04 of the Revised Code. 31982

(2) If the controlling board approves the project of a big-eight school district eligible for assistance under this section, the commission and the school district shall enter into an agreement as prescribed in section 3318.08 of the Revised Code. Any agreement executed pursuant to this division shall include any applicable segmentation provisions as approved by the commission under division (B)(3) of this section.

(3) Notwithstanding any provision to the contrary in sections 3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight school district eligible for assistance under this section may with the approval of the commission opt to divide the project as approved under division (B)(1)(b) of this section into discrete segments to be completed sequentially. Any project divided into segments shall comply with all other provisions of sections 3318.05, 3318.06, and 3318.08 of the Revised Code except as otherwise specified in this division.

If a project is divided into segments under this division:

(a) The school district need raise only the amount equal to its proportionate share, as determined under section 3318.032 of the Revised Code, of each segment at any one time and may seek voter approval of each segment separately;

(b) The state's proportionate share, as determined under section 3318.032 of the Revised Code, of only the segment which has been approved by the school district electors or for which the district has applied a local donated contribution under section 3318.084 of the Revised Code shall be encumbered in accordance with section 3318.11 of the Revised Code. Encumbrance of additional amounts to cover the state's proportionate share of later segments shall be approved separately as they are approved by the school district electors or as the district applies a local donated contribution to the segments under section 3318.084 of the Revised Code.

(c) The school district's maintenance levy requirement, as 32015
defined in section 3318.18 of the Revised Code, shall run for 32016
twenty-three years from the date the first segment is undertaken. 32017

(C) In accordance with division (R) of section 3318.08 of the 32018
Revised Code, the state funds reserved and encumbered and the 32019
funds provided by the school district to pay the basic project 32020
cost of any segment of the project under this section, or of the 32021
entire project if it is not divided into segments, shall be spent 32022
on the construction and acquisition of the project simultaneously 32023
in proportion to the state's and the school district's respective 32024
shares of that basic project cost as determined under section 32025
3318.032 of the Revised Code. 32026

Sec. 3318.40. (A)(1) Sections 3318.40 to 3318.45 of the 32027
Revised Code apply only to joint vocational school districts. 32028

(2) As used in sections 3318.40 to 3318.45 of the Revised 32029
Code: 32030

(a) "Ohio ~~school~~ facilities construction commission," 32031
"classroom facilities," "project," and "basic project cost" have 32032
the same meanings as in section 3318.01 of the Revised Code. 32033

(b) "Acquisition of classroom facilities" means constructing, 32034
reconstructing, repairing, or making additions to classroom 32035
facilities. 32036

(B) There is hereby established the vocational school 32037
facilities assistance program. Under the program, the Ohio ~~school~~ 32038
facilities construction commission shall provide assistance to 32039
joint vocational school districts for the acquisition of classroom 32040
facilities suitable to the vocational education programs of the 32041
districts in accordance with sections 3318.40 to 3318.45 of the 32042
Revised Code. For purposes of the program, beginning July 1, 2003, 32043
the commission annually may set aside up to two per cent of the 32044

aggregate amount appropriated to it for classroom facilities 32045
assistance projects in the public school building fund, 32046
established under section 3318.15 of the Revised Code, and the 32047
school building program assistance fund, established under section 32048
3318.25 of the Revised Code. 32049

(C) The commission shall not provide assistance for any 32050
distinct part of a project under sections 3318.40 to 3318.45 of 32051
the Revised Code that when completed will be used exclusively for 32052
an adult education program or exclusively for operation of a 32053
driver training school for instruction leading to the issuance of 32054
a commercial driver's license under Chapter 4506. of the Revised 32055
Code, except for life safety items and basic building components 32056
necessary for complete and continuous construction or renovation 32057
of a classroom facility as determined by the commission. 32058

(D) The commission shall not provide assistance under 32059
sections 3318.40 to 3318.45 of the Revised Code to acquire 32060
classroom facilities for vocational educational instruction at a 32061
location under the control of a school district that is a member 32062
of a joint vocational school district. Any assistance to acquire 32063
classroom facilities for vocational educational instruction at 32064
such location shall be provided to the school district that is a 32065
member of the joint vocational school district through other 32066
provisions of this chapter when that member school district is 32067
eligible for assistance under those provisions. 32068

(E) By September 1, 2003, the commission shall assess the 32069
classroom facilities needs of at least five joint vocational 32070
school districts, according to the order of priority prescribed in 32071
division (B) of section 3318.42 of the Revised Code, and based on 32072
the results of those assessments shall determine the extent to 32073
which amendments to the specifications adopted under section 32074
3318.311 of the Revised Code are warranted. The commission, 32075
thereafter, may amend the specifications as provided in that 32076

section. 32077

(F) After the commission has conducted the assessments 32078
prescribed in division (E) of this section, the commission shall 32079
establish, by rule adopted in accordance with section 111.15 of 32080
the Revised Code, guidelines for the commission to use in deciding 32081
whether to waive compliance with the design specifications adopted 32082
under section 3318.311 of the Revised Code when determining the 32083
number of facilities and the basic project cost of projects as 32084
prescribed in division (A)(1)(a) of section 3318.41 of the Revised 32085
Code. The guidelines shall address the following situations: 32086

(1) Under what circumstances, if any, particular classroom 32087
facilities are adequate to meet the needs of the school district 32088
even though the facilities do not comply with the specifications 32089
adopted under section 3318.311 of the Revised Code; 32090

(2) Under what circumstances, if any, particular classroom 32091
facilities will be renovated or repaired rather than replaced by 32092
construction of new facilities. 32093

Sec. 3318.41. (A)(1) The Ohio ~~school~~ facilities construction 32094
commission annually shall assess the classroom facilities needs of 32095
the number of joint vocational school districts that the 32096
commission reasonably expects to be able to provide assistance to 32097
in a fiscal year, based on the amount set aside for that fiscal 32098
year under division (B) of section 3318.40 of the Revised Code and 32099
the order of priority prescribed in division (B) of section 32100
3318.42 of the Revised Code, except that in fiscal year 2004 the 32101
commission shall conduct at least the five assessments prescribed 32102
in division (E) of section 3318.40 of the Revised Code. 32103

Upon conducting an assessment of the classroom facilities 32104
needs of a school district, the commission shall make a 32105
determination of all of the following: 32106

(a) The number of classroom facilities to be included in a project and the basic project cost of acquiring the classroom facilities included in the project. The number of facilities and basic project cost shall be determined in accordance with the specifications adopted under section 3318.311 of the Revised Code except to the extent that compliance with such specifications is waived by the commission pursuant to the rule of the commission adopted under division (F) of section 3318.40 of the Revised Code.

(b) The school district's portion of the basic project cost as determined under division (C) of section 3318.42 of the Revised Code;

(c) The remaining portion of the basic project cost that shall be supplied by the state;

(d) The amount of the state's portion of the basic project cost to be encumbered in accordance with section 3318.11 of the Revised Code in the current and subsequent fiscal years from funds set aside under division (B) of section 3318.40 of the Revised Code.

(2) Divisions (A), (C), and (D) of section 3318.03 of the Revised Code apply to any project under sections 3318.40 to 3318.45 of the Revised Code.

(B)(1) If the commission makes a determination under division (A) of this section in favor of the acquisition of classroom facilities for a project under sections 3318.40 to 3318.45 of the Revised Code, such project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval. The controlling board shall immediately approve or reject the commission's determination, conditional approval, the amount of the state's portion of the basic project cost, and the amount of the state's portion of the basic project cost to be encumbered in the current fiscal year. In the event of approval by

the controlling board, the commission shall certify the 32138
conditional approval to the joint vocational school district board 32139
of education and shall encumber the approved funds for the current 32140
fiscal year. 32141

(2) No school district that receives assistance under 32142
sections 3318.40 to 3318.45 of the Revised Code shall have another 32143
such project conditionally approved until the expiration of twenty 32144
years after the school district's prior project was conditionally 32145
approved, unless the school district board demonstrates to the 32146
satisfaction of the commission that the school district has 32147
experienced since conditional approval of its prior project an 32148
exceptional increase in enrollment or program requirements 32149
significantly above the school district's design capacity under 32150
that prior project as determined by rule of the commission. Any 32151
rule adopted by the commission to implement this division shall be 32152
tailored to address the classroom facilities needs of joint 32153
vocational school districts. 32154

(C) In addition to generating the amount of the school 32155
district's portion of the basic project cost as determined under 32156
division (C) of section 3318.42 of the Revised Code, in order for 32157
a school district to receive assistance under sections 3318.40 to 32158
3318.45 of the Revised Code, the school district board shall set 32159
aside school district moneys for the maintenance of the classroom 32160
facilities included in the school district's project in the amount 32161
and manner prescribed in section 3318.43 of the Revised Code. 32162

(D)(1) The conditional approval for a project certified under 32163
division (B)(1) of this section shall lapse and the amount 32164
reserved and encumbered for such project shall be released unless 32165
both of the following conditions are satisfied: 32166

(a) Within one hundred twenty days following the date of 32167
certification of the conditional approval to the joint vocational 32168
school district board, the school district board accepts the 32169

conditional approval and certifies to the commission the school 32170
district board's plan to generate the school district's portion of 32171
the basic project cost, as determined under division (C) of 32172
section 3318.42 of the Revised Code, and to set aside moneys for 32173
maintenance of the classroom facilities acquired under the 32174
project, as prescribed in section 3318.43 of the Revised Code. 32175

(b) Within thirteen months following the date of 32176
certification of the conditional approval to the school district 32177
board, the electors of the school district vote favorably on any 32178
ballot measures proposed by the school district board to generate 32179
the school district's portion of the basic project cost. 32180

(2) If the school district board or electors fail to satisfy 32181
the conditions prescribed in division (D)(1) of this section and 32182
the amount reserved and encumbered for the school district's 32183
project is released, the school district shall be given first 32184
priority over other joint vocational school districts for project 32185
funding under sections 3318.40 to 3318.45 of the Revised Code as 32186
such funds become available, subject to section 3318.054 of the 32187
Revised Code. 32188

(E) If the conditions prescribed in division (D)(1) of this 32189
section are satisfied, the commission and the school district 32190
board shall enter into an agreement as prescribed in section 32191
3318.08 of the Revised Code and shall proceed with the development 32192
of plans, cost estimates, designs, drawings, and specifications as 32193
prescribed in section 3318.091 of the Revised Code. 32194

(F) Costs in excess of those approved by the commission under 32195
section 3318.091 of the Revised Code shall be payable only as 32196
provided in sections 3318.042 and 3318.083 of the Revised Code. 32197

(G) Advertisement for bids and the award of contracts for 32198
construction of any project under sections 3318.40 to 3318.45 of 32199
the Revised Code shall be conducted in accordance with section 32200

3318.10 of the Revised Code. 32201

(H) In accordance with division (R) of section 3318.08 of the Revised Code, the state funds reserved and encumbered and the funds provided by the school district to pay the basic project cost of a project under sections 3318.40 to 3318.45 of the Revised Code shall be spent simultaneously in proportion to the state's and the school district's respective portions of that basic project cost. 32202
32203
32204
32205
32206
32207
32208

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised Code apply to projects under sections 3318.40 to 3318.45 of the Revised Code. 32209
32210
32211

Sec. 3318.42. (A) Not later than the sixty-first day after March 14, 2003, and subsequently not later than the sixty-first day after the first day of each ensuing fiscal year, the department of education shall do all of the following: 32212
32213
32214
32215

(1) Calculate the valuation per pupil of each joint vocational school district according to the following formula: 32216
32217

The school district's average taxable value divided by the school district's formula ADM calculated under section 3317.03 of the Revised Code for the previous fiscal year. 32218
32219
32220

For purposes of this calculation: 32221

(a) "Average taxable value" means the average of the amounts certified for a school district in the second, third, and fourth preceding tax years under divisions (A)(1) and (2) of section 3317.021 of the Revised Code. 32222
32223
32224
32225

(b) "Formula ADM" has the same meaning as defined in section 3317.02 of the Revised Code. 32226
32227

(2) Calculate for each school district the three-year average of the valuations per pupil calculated for the school district for the current and two preceding fiscal years; 32228
32229
32230

(3) Rank all joint vocational school districts in order from the school district with the lowest three-year average valuation per pupil to the school district with the highest three-year average valuation per pupil;

(4) Divide the ranking under division (A)(3) of this section into percentiles with the first percentile containing the one per cent of school districts having the lowest three-year average valuations per pupil and the one-hundredth percentile containing the one per cent of school districts having the highest three-year average valuations per pupil;

(5) Certify the information described in divisions (A)(1) to (4) of this section to the Ohio ~~school~~ facilities construction commission.

(B) The commission annually shall select school districts for assistance under sections 3318.40 to 3318.45 of the Revised Code in the order of the school districts' three-year average valuations per pupil such that the school district with the lowest three-year average valuation per pupil shall be given the highest priority for assistance.

(C) Each joint vocational school district's portion of the basic project cost of the school district's project under sections 3318.40 to 3318.45 of the Revised Code shall be one per cent times the percentile in which the district ranks, except that no school district's portion shall be less than twenty-five per cent or greater than ninety-five per cent of the basic project cost.

Sec. 3318.43. Each year for twenty-three successive years after the commencement of a joint vocational school district's project under sections 3318.40 to 3318.45 of the Revised Code, the board of education of that school district shall deposit into a separate maintenance account or into the school district's capital and maintenance fund established under section 3315.18 of the

Revised Code, school district moneys dedicated to maintenance of 32262
the classroom facilities acquired under sections 3318.40 to 32263
3318.45 of the Revised Code in an amount equal to one and one-half 32264
of one per cent of the current insurance value of the classroom 32265
facilities acquired under the project, which value shall be 32266
subject to the approval of the Ohio ~~school~~ facilities construction 32267
commission. 32268

Sec. 3318.46. By rule adopted in accordance with section 32269
111.15 of the Revised Code, the Ohio ~~school~~ facilities 32270
construction commission shall establish a program whereby the 32271
board of education of any joint vocational school district may 32272
enter into an agreement with the commission under which the board 32273
may proceed with the new construction or major repairs of a part 32274
of the school district's classroom facilities needs, as determined 32275
under sections 3318.40 to 3318.45 of the Revised Code, through the 32276
expenditure of local resources prior to the school district's 32277
eligibility for state assistance under sections 3318.40 to 3318.45 32278
of the Revised Code. The program shall be structured in a manner 32279
similar to the program established under section 3318.36 of the 32280
Revised Code. The program shall be operational on July 1, 2004. 32281

Sec. 3318.48. (A) When all of the following have occurred, a 32282
project undertaken by a school district pursuant to this chapter 32283
shall be considered complete and the Ohio ~~school~~ facilities 32284
construction commission shall issue a certificate of completion to 32285
the district board of education: 32286

(1) All facilities to be constructed under the project, as 32287
specified in the project agreement entered into under section 32288
3318.08 of the Revised Code, have been completed and the board has 32289
received a permanent certificate of occupancy for each of those 32290
facilities. 32291

(2) The commission has issued certificates of contract completion on all prime construction contracts entered into by the board under section 3318.10 of the Revised Code.

(3) The commission has completed a final accounting of the district's project construction fund and has determined that all payments from the fund were made in compliance with all policies of the commission.

(4) Any litigation concerning the project has been finally resolved with no chance of appeal.

(5) All construction management services typically provided by the commission to school districts have been delivered and the commission has canceled any remaining encumbrance of funds for those services.

(B) The commission may issue a certificate of completion to a district board prior to all of the conditions described in division (A) of this section being satisfied, if the commission determines that the circumstances preventing the conditions from being satisfied are so minor in nature that the project should be considered complete. When issuing a certificate of completion under this division, the commission may specify any of the following:

(1) Any construction or work that has yet to be completed and the manner in which the board shall oversee its completion, which may include procedures for reporting progress to the commission and for accounting of expenditures;

(2) Terms and conditions for the resolution of any pending litigation;

(3) Any remaining responsibilities of the construction manager regarding the project.

(C) The commission may issue a certificate of completion to a

district board that does not voluntarily participate in the 32322
process of closing out the district's project, if the construction 32323
manager for the project verifies that all facilities to be 32324
constructed under the project, as specified in the project 32325
agreement entered into under section 3318.08 of the Revised Code, 32326
have been completed and the commission determines that those 32327
facilities have been occupied for at least one year. In that case, 32328
all funds due to the commission under division (C) of section 32329
3318.12 of the Revised Code shall be returned to the commission 32330
not later than thirty days after receipt of the certificate of 32331
completion. If the funds due to the commission have not been 32332
returned within sixty days after receipt of the certificate of 32333
completion, the auditor of state shall issue a finding for 32334
recovery against the school district and shall request legal 32335
action under section 117.42 of the Revised Code. 32336

(D) Upon issuance of a certificate of completion under this 32337
section, the commission's ownership of and interest in the 32338
project, as specified in division (F) of section 3318.08 of the 32339
Revised Code, shall cease. This cessation shall not alter or 32340
otherwise affect the state's or commission's interest in the 32341
project or any limitations on the use of the project as specified 32342
in the project agreement pursuant to divisions (G), (M), and (N) 32343
of that section or as specified in section 3318.16 of the Revised 32344
Code. 32345

Sec. 3318.49. (A) The corrective action program is hereby 32346
established to provide funding for the correction of work, in 32347
connection with a project funded under sections 3318.01 to 3318.20 32348
or sections 3318.40 to 3318.45 of the Revised Code, that is found 32349
after occupancy of the facility to be defective or to have been 32350
omitted. 32351

(B) The Ohio ~~school~~ facilities construction commission may 32352

provide funding under this section only if the school district 32353
notifies the executive director of the commission of the defective 32354
or omitted work within five years after occupancy of the facility 32355
for which the district seeks the funding. 32356

(C) The commission shall establish procedures and deadlines 32357
for school districts to follow in applying for assistance under 32358
this section. The procedures shall include definitions of 32359
"defective" and "omitted," and shall require that remediation 32360
efforts focus first on engaging the respective contractors that 32361
designed and constructed the areas that have design or 32362
construction-related issues. The commission shall consider 32363
applications on a case-by-case basis, taking into account the 32364
amount of money appropriated and available for purposes of this 32365
section. 32366

(D) The commission may provide funding assistance necessary 32367
to take corrective measures after evaluating the defective or 32368
omitted work. 32369

(1) If the work to be corrected or remediated is part of a 32370
project not yet completed, the commission may amend the project 32371
agreement to increase the project budget and use corrective action 32372
funding to provide the state portion of the amendment. If the work 32373
to be corrected or remediated is part of a completed project and 32374
funds were retained or transferred pursuant to division (C) of 32375
section 3318.12 of the Revised Code, the commission may enter into 32376
a new agreement to address the corrective action. 32377

(2) Whether or not the project is completed, the district 32378
shall contribute a portion of the cost of the corrective action, 32379
to be determined in accordance with section 3318.032 of the 32380
Revised Code or, if the district is a joint vocational school 32381
district, section 3318.42 of the Revised Code. A district that is 32382
unable to provide its portion so that remediation can proceed may 32383
apply to the commission for additional assistance under section 32384

3318.042 of the Revised Code. 32385

(E) The commission shall assess responsibility for the 32386
defective or omitted work and seek cost recovery from responsible 32387
parties, if applicable. Any recovery of the expense of remediation 32388
shall be applied first to the district portion of the cost of the 32389
corrective action. Any remaining funds shall be applied to the 32390
state portion and deposited into the school building program 32391
assistance fund established under section 3318.25 of the Revised 32392
Code. 32393

Sec. 3318.50. (A) As used in this section and in section 32394
3318.52 of the Revised Code, "classroom facilities" means 32395
buildings, land, grounds, equipment, and furnishings used by a 32396
community school in furtherance of its mission and contract 32397
entered into by the school's governing authority under Chapter 32398
3314. of the Revised Code. 32399

(B) There is hereby established the community school 32400
classroom facilities loan guarantee program. Under the program, 32401
the Ohio ~~school~~ facilities construction commission may guarantee 32402
for up to fifteen years up to eighty-five per cent of the sum of 32403
the principal and interest on a loan made to the governing 32404
authority of a community school established under Chapter 3314. of 32405
the Revised Code for the sole purpose of assisting the governing 32406
authority in acquiring, improving, or replacing classroom 32407
facilities for the community school by lease, purchase, remodeling 32408
of existing facilities, or any other means including new 32409
construction. 32410

The commission shall not make any loan guarantee under this 32411
section unless the commission has determined both that the 32412
applicant is creditworthy and that the classroom facilities that 32413
have been acquired, improved, or replaced under the loan meet 32414
applicable health and safety standards established by law for 32415

school buildings or those facilities that will be acquired, 32416
improved, or replaced under the loan will meet such standards. 32417

The commission shall not guarantee any loan under this 32418
section unless the loan is obtained from a financial institution 32419
regulated by the United States or this state. 32420

(C) At no time shall the commission exceed an aggregate 32421
liability of ten million dollars to repay loans guaranteed under 32422
this section. 32423

(D) Any payment made to a lending institution as a result of 32424
default on a loan guaranteed under this section shall be made from 32425
moneys in the community school classroom facilities loan guarantee 32426
fund established under section 3318.52 of the Revised Code. 32427

(E) The commission may assess a fee of up to five hundred 32428
dollars for each loan guaranteed under this section. 32429

Revised Code, except that the identity of the individual tested 36711
shall not be revealed; 36712

(h) To law enforcement authorities pursuant to a search 36713

AIDS-related condition may be disclosed to a health care provider, 36719
or an authorized agent or employee of a health care facility or a 36720

diagnosis, care, or treatment of the individual on whom the test 36723
was performed or who has been diagnosed as having AIDS or an 36724
AIDS-related condition. 36725

This division does not impose a standard of disclosure 36726
different from the standard for disclosure of all other specific 36727
information about a patient to health care providers and 36728
facilities. Disclosure may not be requested or made solely for the 36729
purpose of identifying an individual who has a positive HIV test 36730
result or has been diagnosed as having AIDS or an AIDS-related 36731

condition in order to refuse to treat the individual. Referral of 36732
an individual to another health care provider or facility based on 36733
reasonable professional judgment does not constitute refusal to 36734
treat the individual. 36735

(3) Not later than ninety days after November 1, 1989, each 36736
health care facility in this state shall establish a protocol to 36737
be followed by employees and individuals affiliated with the 36738
facility in making disclosures authorized by division (B)(2) of 36739
this section. A person employed by or affiliated with a health 36740
care facility who determines in accordance with the protocol 36741
established by the facility that a disclosure is authorized by 36742
division (B)(2) of this section is immune from liability to any 36743
person in a civil action for damages for injury, death, or loss to 36744
person or property resulting from the disclosure. 36745

(C)(1) Any person or government agency may seek access to or 36746
authority to disclose the HIV test records of an individual in 36747
accordance with the following provisions: 36748

(a) The person or government agency shall bring an action in 36749
a court of common pleas requesting disclosure of or authority to 36750
disclose the results of an HIV test of a specific individual, who 36751
shall be identified in the complaint by a pseudonym but whose name 36752
shall be communicated to the court confidentially, pursuant to a 36753
court order restricting the use of the name. The court shall 36754
provide the individual with notice and an opportunity to 36755
participate in the proceedings if the individual is not named as a 36756
party. Proceedings shall be conducted in chambers unless the 36757
individual agrees to a hearing in open court. 36758

(b) The court may issue an order granting the plaintiff 36759
access to or authority to disclose the test results only if the 36760
court finds by clear and convincing evidence that the plaintiff 36761
has demonstrated a compelling need for disclosure of the 36762
information that cannot be accommodated by other means. In 36763

assessing compelling need, the court shall weigh the need for 36764
disclosure against the privacy right of the individual tested and 36765
against any disservice to the public interest that might result 36766
from the disclosure, such as discrimination against the individual 36767
or the deterrence of others from being tested. 36768

(c) If the court issues an order, it shall guard against 36769
unauthorized disclosure by specifying the persons who may have 36770
access to the information, the purposes for which the information 36771
shall be used, and prohibitions against future disclosure. 36772

(2) A person or government agency that considers it necessary 36773
to disclose the results of an HIV test of a specific individual in 36774
an action in which it is a party may seek authority for the 36775
disclosure by filing an in camera motion with the court in which 36776
the action is being heard. In hearing the motion, the court shall 36777
employ procedures for confidentiality similar to those specified 36778
in division (C)(1) of this section. The court shall grant the 36779
motion only if it finds by clear and convincing evidence that a 36780
compelling need for the disclosure has been demonstrated. 36781

(3) Except for an order issued in a criminal prosecution or 36782
an order under division (C)(1) or (2) of this section granting 36783
disclosure of the result of an HIV test of a specific individual, 36784
a court shall not compel a blood bank, hospital blood center, or 36785
blood collection facility to disclose the result of HIV tests 36786
performed on the blood of voluntary donors in a way that reveals 36787
the identity of any donor. 36788

(4) In a civil action in which the plaintiff seeks to recover 36789
damages from an individual defendant based on an allegation that 36790
the plaintiff contracted the HIV virus as a result of actions of 36791
the defendant, the prohibitions against disclosure in this section 36792
do not bar discovery of the results of any HIV test given to the 36793
defendant or any diagnosis that the defendant suffers from AIDS or 36794
an AIDS-related condition. 36795

(D) The results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed to a federal, state, or local government agency, or the official representative of such an agency, for purposes of the medicaid program, the medicare program, or any other public assistance program.

(E) Any disclosure pursuant to this section shall be in writing and accompanied by a written statement that includes the following or substantially similar language: "This information has been disclosed to you from confidential records protected from disclosure by state law. You shall make no further disclosure of this information without the specific, written, and informed release of the individual to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for the purpose of the release of HIV test results or diagnoses."

(F) An individual who knows that the individual has received a positive result on an HIV test or has been diagnosed as having AIDS or an AIDS-related condition shall disclose this information to any other person with whom the individual intends to make common use of a hypodermic needle or engage in sexual conduct as defined in section 2907.01 of the Revised Code. An individual's compliance with this division does not prohibit a prosecution of the individual for a violation of division (B) of section 2903.11 of the Revised Code.

(G) Nothing in this section prohibits the introduction of evidence concerning an HIV test of a specific individual in a criminal proceeding.

Sec. 3701.65. (A) There is hereby created in the state treasury the "choose life" fund. The fund shall consist of the

applicants who voluntarily elect to obtain "choose life" license 36828

section. All investment earnings of the fund shall be credited to 36831
the fund. 36832

during the preceding year to vehicles registered in each county. 36839
The director shall distribute funds allocated for a county as 36840
follows: 36841

(a) To one or more eligible organizations located within the 36842
county; 36843

(b) If no eligible organization located within the county 36844
applies for funding, to one or more eligible organizations located 36845
in contiguous counties; 36846

(c) If no eligible organization located within the county or 36847
a contiguous county applies for funding, to one or more eligible 36848
organizations within any other county. 36849

(3) The director shall ensure that any funds allocated for a 36850
county are distributed equally among eligible organizations that 36851
apply for funding within the county. 36852

(C) Any organization seeking funds under this section 36853
annually shall apply for distribution of the funds based on the 36854

shall follow when annually applying for funds. The application 36860
shall inform the applicant of the conditions for receiving and 36861

(6) Does not discriminate in its provision of any services on 36876
the basis of race, religion, color, age, marital status, national 36877
origin, handicap, gender, or age; 36878

(7) If the organization is applying for funding in a county 36879
in which it is not located, provides services for pregnant women 36880
residing in that county. 36881

(D) The director shall not distribute funds to an 36882
organization that does not provide verifiable evidence of the 36883
requirements specified in the application under division (C) of 36884
this section and shall not provide additional funds to any 36885
organization that fails to comply with division (E) of this 36886

section in regard to its previous receipt of funds under this 36887
section. 36888

(E)(1) An organization receiving funds under this section 36889
shall do all of the following: 36890

holders of particular bonds or notes pledging any particular 37981
revenues. Such pledge shall be valid and binding from the time the 37982
pledge is made and the revenues so pledged and thereafter received 37983

or any issue thereof may contain provisions, subject to such 38027
agreements with bondholders or noteholders as may then exist, 38028
which provisions shall be a part of the contract with the holders 38029
thereof, as to: the pledging of all or any part of the revenues of 38030
the authority to secure the payment of the bonds or notes or of 38031
any issue thereof; the use and disposition of revenues of the 38032
authority; a covenant to fix, alter, and collect rentals and other 38033
charges so that pledged revenues will be sufficient to pay costs 38034

or notes may be applied and the pledging of such proceeds to 38046

(b) Chapter 918. of the Revised Code; 40080

(c) Chapter 953. of the Revised Code. 40081

(D) Neither this chapter nor any rules adopted under it apply 40082
to single-family residential premises; to infectious wastes 40083
generated by individuals for purposes of their own care or 40084
treatment; to the temporary storage of solid wastes, other than 40085
scrap tires, prior to their collection for disposal; to the 40086
storage of one hundred or fewer scrap tires unless they are stored 40087
in such a manner that, in the judgment of the director or the 40088
board of health of the health district in which the scrap tires 40089
are stored, the storage causes a nuisance, a hazard to public 40090
health or safety, or a fire hazard; or to the collection of solid 40091
wastes, other than scrap tires, by a political subdivision or a 40092
person holding a franchise or license from a political subdivision 40093
of the state; to composting, as defined in section 1511.01 of the 40094
Revised Code, conducted in accordance with section 1511.022 of the 40095
Revised Code; or to any person who is licensed to transport raw 40096
rendering material to a compost facility pursuant to section 40097
953.23 of the Revised Code. 40098

(E)(1) As used in this division: 40099

(a) "On-site facility" means a facility that stores, treats, 40100
or disposes of hazardous waste that is generated on the premises 40101
of the facility. 40102

(b) "Off-site facility" means a facility that stores, treats, 40103
or disposes of hazardous waste that is generated off the premises 40104
of the facility and includes such a facility that is also an 40105
on-site facility. 40106

(c) "Satellite facility" means any of the following: 40107

(i) An on-site facility that also receives hazardous waste 40108
from other premises owned by the same person who generates the 40109
waste on the facility premises; 40110

(ii) An off-site facility operated so that all of the 40111
hazardous waste it receives is generated on one or more premises 40112

owned by the person who owns the facility; 40113

(iii) An on-site facility that also receives hazardous waste 40114
that is transported uninterruptedly and directly to the facility 40115
through a pipeline from a generator who is not the owner of the 40116
facility. 40117

(2) Except as provided in division (E)(3) of this section, no 40118
person shall establish or operate a hazardous waste facility, or 40119
use a solid waste facility for the storage, treatment, or disposal 40120
of any hazardous waste, without a hazardous waste facility 40121
installation and operation permit issued in accordance with 40122
section 3734.05 of the Revised Code and subject to the payment of 40123
an application fee not to exceed one thousand five hundred 40124
dollars, payable upon application for a hazardous waste facility 40125
installation and operation permit and upon application for a 40126
renewal permit issued under division (H) of section 3734.05 of the 40127
Revised Code, to be credited to the hazardous waste facility 40128
management fund created in section 3734.18 of the Revised Code. 40129
The term of a hazardous waste facility installation and operation 40130
permit shall not exceed ten years. 40131

In addition to the application fee, there is hereby levied an 40132
annual permit fee to be paid by the permit holder upon the 40133
anniversaries of the date of issuance of the hazardous waste 40134
facility installation and operation permit and of any subsequent 40135
renewal permits and to be credited to the hazardous waste facility 40136
management fund. Annual permit fees totaling forty thousand 40137
dollars or more for any one facility may be paid on a quarterly 40138
basis with the first quarterly payment each year being due on the 40139
anniversary of the date of issuance of the hazardous waste 40140
facility installation and operation permit and of any subsequent 40141
renewal permits. The annual permit fee shall be determined for 40142
each permit holder by the director in accordance with the 40143
following schedule: 40144

A hazardous waste disposal facility that disposes of 40175
hazardous waste by deep well injection and that pays the annual 40176
permit fee established in section 6111.046 of the Revised Code is 40177

not subject to the permit fee established in this division for 40178
disposal facilities using deep well injection unless the director 40179
determines that the facility is not in compliance with applicable 40180
requirements established under this chapter and rules adopted 40181
under it. 40182

In determining the annual permit fee required by this 40183
section, the director shall not require additional payments for 40184
multiple units of the same method of storage, treatment, or 40185
disposal or for individual units that are used for both storage 40186
and treatment. A facility using more than one method of storage, 40187
treatment, or disposal shall pay the permit fee indicated by the 40188
schedule for each such method. 40189

The director shall not require the payment of that portion of 40190
an annual permit fee of any permit holder that would apply to a 40191
hazardous waste management unit for which a permit has been 40192
issued, but for which construction has not yet commenced. Once 40193
construction has commenced, the director shall require the payment 40194
of a part of the appropriate fee indicated by the schedule that 40195
bears the same relationship to the total fee that the number of 40196
days remaining until the next anniversary date at which payment of 40197
the annual permit fee is due bears to three hundred sixty-five. 40198

The director, by rules adopted in accordance with Chapters 40199
119. and 3745. of the Revised Code, shall prescribe procedures for 40200
collecting the annual permit fee established by this division and 40201
may prescribe other requirements necessary to carry out this 40202
division. 40203

(3) The prohibition against establishing or operating a 40204
hazardous waste facility without a hazardous waste facility 40205
installation and operation permit does not apply to either of the 40206
following: 40207

(a) A facility that is operating in accordance with a permit 40208

renewal issued under division (H) of section 3734.05 of the Revised Code, a revision issued under division (I) of that section as it existed prior to August 20, 1996, or a modification issued by the director under division (I) of that section on and after August 20, 1996;

(b) Except as provided in division (J) of section 3734.05 of the Revised Code, a facility that will operate or is operating in accordance with a permit by rule, or that is not subject to permit requirements, under rules adopted by the director. In accordance with Chapter 119. of the Revised Code, the director shall adopt, and subsequently may amend, suspend, or rescind, rules for the purposes of division (E)(3)(b) of this section. Any rules so adopted shall be consistent with and equivalent to regulations pertaining to interim status adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

If a modification is requested or proposed for a facility described in division (E)(3)(a) or (b) of this section, division (I)(7) of section 3734.05 of the Revised Code applies.

(F) No person shall store, treat, or dispose of hazardous waste identified or listed under this chapter and rules adopted under it, regardless of whether generated on or off the premises where the waste is stored, treated, or disposed of, or transport or cause to be transported any hazardous waste identified or listed under this chapter and rules adopted under it to any other premises, except at or to any of the following:

(1) A hazardous waste facility operating under a permit issued in accordance with this chapter;

(2) A facility in another state operating under a license or permit issued in accordance with the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as

amended; 40240

(3) A facility in another nation operating in accordance with 40241
the laws of that nation; 40242

(4) A facility holding a permit issued pursuant to Title I of 40243
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 40244
Stat. 1052, 33 U.S.C.A. 1401, as amended; 40245

(5) A hazardous waste facility as described in division 40246
(E)(3)(a) or (b) of this section. 40247

(G) The director, by order, may exempt any person generating, 40248
collecting, storing, treating, disposing of, or transporting solid 40249
wastes, infectious wastes, or hazardous waste, or processing solid 40250
wastes that consist of scrap tires, in such quantities or under 40251
such circumstances that, in the determination of the director, are 40252
unlikely to adversely affect the public health or safety or the 40253
environment from any requirement to obtain a registration 40254
certificate, permit, or license or comply with the manifest system 40255
or other requirements of this chapter. Such an exemption shall be 40256
consistent with and equivalent to any regulations adopted by the 40257
administrator of the United States environmental protection agency 40258
under the "Resource Conservation and Recovery Act of 1976," 90 40259
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 40260
provided in this chapter. 40261

(H) No person shall engage in filling, grading, excavating, 40262
building, drilling, or mining on land where a hazardous waste 40263
facility, or a solid waste facility, was operated without prior 40264
authorization from the director, who shall establish the procedure 40265
for granting such authorization by rules adopted in accordance 40266
with Chapter 119. of the Revised Code. 40267

A public utility that has main or distribution lines above or 40268
below the land surface located on an easement or right-of-way 40269
across land where a solid waste facility was operated may engage 40270

in any such activity within the easement or right-of-way without 40271
prior authorization from the director for purposes of performing 40272
emergency repair or emergency replacement of its lines; of the 40273
poles, towers, foundations, or other structures supporting or 40274
sustaining any such lines; or of the appurtenances to those 40275
structures, necessary to restore or maintain existing public 40276
utility service. A public utility may enter upon any such easement 40277
or right-of-way without prior authorization from the director for 40278
purposes of performing necessary or routine maintenance of those 40279
portions of its existing lines; of the existing poles, towers, 40280
foundations, or other structures sustaining or supporting its 40281
lines; or of the appurtenances to any such supporting or 40282
sustaining structure, located on or above the land surface on any 40283
such easement or right-of-way. Within twenty-four hours after 40284
commencing any such emergency repair, replacement, or maintenance 40285
work, the public utility shall notify the director or the 40286
director's authorized representative of those activities and shall 40287
provide such information regarding those activities as the 40288
director or the director's representative may request. Upon 40289
completion of the emergency repair, replacement, or maintenance 40290
activities, the public utility shall restore any land of the solid 40291
waste facility disturbed by those activities to the condition 40292
existing prior to the commencement of those activities. 40293

(I) No owner or operator of a hazardous waste facility, in 40294
the operation of the facility, shall cause, permit, or allow the 40295
emission therefrom of any particulate matter, dust, fumes, gas, 40296
mist, smoke, vapor, or odorous substance that, in the opinion of 40297
the director, unreasonably interferes with the comfortable 40298
enjoyment of life or property by persons living or working in the 40299
vicinity of the facility, or that is injurious to public health. 40300
Any such action is hereby declared to be a public nuisance. 40301

(J) Notwithstanding any other provision of this chapter, in 40302

the event the director finds an imminent and substantial danger to public health or safety or the environment that creates an emergency situation requiring the immediate treatment, storage, or disposal of hazardous waste, the director may issue a temporary emergency permit to allow the treatment, storage, or disposal of the hazardous waste at a facility that is not otherwise authorized by a hazardous waste facility installation and operation permit to treat, store, or dispose of the waste. The emergency permit shall not exceed ninety days in duration and shall not be renewed. The director shall adopt, and may amend, suspend, or rescind, rules in accordance with Chapter 119. of the Revised Code governing the issuance, modification, revocation, and denial of emergency permits.

(K) Except for infectious wastes generated by a person who produces fewer than fifty pounds of infectious wastes at a premises during any one month, no owner or operator of a sanitary landfill shall knowingly accept for disposal, or dispose of, any infectious wastes that have not been treated to render them noninfectious.

(L) The director, in accordance with Chapter 119. of the Revised Code, shall adopt, and may amend, suspend, or rescind, rules having uniform application throughout the state establishing a training and certification program that shall be required for employees of boards of health who are responsible for enforcing the solid waste and infectious waste provisions of this chapter and rules adopted under them and for persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities. The rules shall provide all of the following, without limitation:

(1) The program shall be administered by the director and shall consist of a course on new solid waste and infectious waste technologies, enforcement procedures, and rules;

| | |

| (2) The course shall be offered on an annual basis; | 40335 |
| (3) Those persons who are required to take the course under division (L) of this section shall do so triennially; | 40336

area covered by the facility, that is or is to be located within 40366
the boundaries of a state park established or dedicated under 40367
Chapter 1546. of the Revised Code, a state park purchase area 40368
established under section 1546.06 of the Revised Code, any unit of 40369
the national park system, or any property that lies within the 40370
boundaries of a national park or recreation area, but that has not 40371
been acquired or is not administered by the secretary of the 40372
United States department of the interior, located in this state, 40373
or any candidate area located in this state and identified for 40374
potential inclusion in the national park system in the edition of 40375
the "national park system plan" submitted under paragraph (b) of 40376
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 40377
U.S.C.A. 1a-5, as amended, current at the time of filing of the 40378
application for the permit, unless the facility or proposed 40379
facility is or is to be used exclusively for the disposal of solid 40380
wastes generated within the park or recreation area and the 40381
director determines that the facility or proposed facility will 40382
not degrade any of the natural or cultural resources of the park 40383
or recreation area. The director shall not issue a variance under 40384
division (A) of this section and rules adopted under it, or issue 40385
an exemption order under division (G) of this section, that would 40386
authorize any such establishment or expansion of a solid waste 40387
facility within the boundaries of any such park or recreation 40388
area, state park purchase area, or candidate area, other than a 40389
solid waste facility exclusively for the disposal of solid wastes 40390
generated within the park or recreation area when the director 40391
determines that the facility will not degrade any of the natural 40392
or cultural resources of the park or recreation area. 40393

(N)(1) The rules adopted under division (A) of this section, 40394
other than those governing variances, do not apply to scrap tire 40395
collection, storage, monocell, monofill, and recovery facilities. 40396
Those facilities are subject to and governed by rules adopted 40397
under sections 3734.70 to 3734.73 of the Revised Code, as 40398

applicable. 40399

(2) Division (C) of this section does not apply to scrap tire 40400
collection, storage, monocell, monofill, and recovery facilities. 40401
The establishment and modification of those facilities are subject 40402
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 40403
Code, as applicable. 40404

(3) The director may adopt, amend, suspend, or rescind rules 40405
under division (A) of this section creating an alternative system 40406
for authorizing the establishment, operation, or modification of a 40407
solid waste compost facility in lieu of the requirement that a 40408
person seeking to establish, operate, or modify a solid waste 40409
compost facility apply for and receive a permit under division (C) 40410
of this section and section 3734.05 of the Revised Code and a 40411
license under division (A)(1) of that section. The rules may 40412
include requirements governing, without limitation, the 40413
classification of solid waste compost facilities, the submittal of 40414
operating records for solid waste compost facilities, and the 40415
creation of a registration or notification system in lieu of the 40416
issuance of permits and licenses for solid waste compost 40417
facilities. The rules shall specify the applicability of divisions 40418
(A)(1), and (2)(a), ~~(3), and (4)~~ of section 3734.05 of the Revised 40419
Code to a solid waste compost facility. 40420

(O)(1) As used in this division, "secondary aluminum waste" 40421
means waste material or byproducts, when disposed of, containing 40422
aluminum generated from secondary aluminum smelting operations and 40423
consisting of dross, salt cake, baghouse dust associated with 40424
aluminum recycling furnace operations, or dry-milled wastes. 40425

(2) The owner or operator of a sanitary landfill shall not 40426
dispose of municipal solid waste that has been commingled with 40427
secondary aluminum waste. 40428

(3) The owner or operator of a sanitary landfill may dispose 40429

of secondary aluminum waste, but only in a monocell or monofill 40430
that has been permitted for that purpose in accordance with this 40431
chapter and rules adopted under it. 40432

(P)(1) As used in divisions (P) and (Q) of this section: 40433

(a) "Natural background" means two picocuries per gram or the 40434
actual number of picocuries per gram as measured at an individual 40435
solid waste facility, subject to verification by the director of 40436
health. 40437

(b) "Drilling operation" includes a production operation as 40438
defined in section 1509.01 of the Revised Code. 40439

(2) The owner or operator of a solid waste facility shall not 40440
accept for transfer or disposal technologically enhanced naturally 40441
occurring radioactive material if that material contains or is 40442
contaminated with radium-226, radium-228, or any combination of 40443
radium-226 and radium-228 at concentrations equal to or greater 40444
than five picocuries per gram above natural background. 40445

(3) The owner or operator of a solid waste facility may 40446
receive and process for purposes other than transfer or disposal 40447
technologically enhanced naturally occurring radioactive material 40448
that contains or is contaminated with radium-226, radium-228, or 40449
any combination of radium-226 and radium-228 at concentrations 40450
equal to or greater than five picocuries per gram above natural 40451
background, provided that the owner or operator has obtained and 40452
maintains all other necessary authorizations, including any 40453
authorization required by rules adopted by the director of health 40454
under section 3748.04 of the Revised Code. 40455

(4) The director of environmental protection may adopt rules 40456
in accordance with Chapter 119. of the Revised Code governing the 40457
receipt, acceptance, processing, handling, management, and 40458
disposal by solid waste facilities of material that contains or is 40459
contaminated with radioactive material, including, without 40460

limitation, technologically enhanced naturally occurring 40461
radioactive material that contains or is contaminated with 40462
radium-226, radium-228, or any combination of radium-226 and 40463
radium-228 at concentrations less than five picocuries per gram 40464
above natural background. Rules adopted by the director may 40465
include at a minimum both of the following: 40466

(a) Requirements in accordance with which the owner or 40467
operator of a solid waste facility must monitor leachate and 40468
ground water for radium-226, radium-228, and other radionuclides; 40469

(b) Requirements in accordance with which the owner or 40470
operator of a solid waste facility must develop procedures to 40471
ensure that technologically enhanced naturally occurring 40472
radioactive material accepted at the facility neither contains nor 40473
is contaminated with radium-226, radium-228, or any combination of 40474
radium-226 and radium-228 at concentrations equal to or greater 40475
than five picocuries per gram above natural background. 40476

(Q) Notwithstanding any other provision of this section, the 40477
owner or operator of a solid waste facility shall not receive, 40478
accept, process, handle, manage, or dispose of technologically 40479
enhanced naturally occurring radioactive material associated with 40480
drilling operations without first obtaining representative 40481
analytical results to determine compliance with divisions (P)(2) 40482
and (3) of this section and rules adopted under it. 40483

Sec. 3734.041. (A) The owner or operator holding a license 40484
issued under division (A) of section 3734.05 of the Revised Code 40485
for a sanitary landfill that is so situated that a residence or 40486
other occupied structure off the premises of the landfill is 40487
located within one thousand feet horizontal distance from the 40488
exterior boundary of the landfill, and the owner or operator of 40489
any closed landfill that is so situated and for which a license 40490
was issued under division (A) of section 3734.05 of the Revised 40491

Code, or the subsequent owner, lessee, or other person who has 40492
control of the land on which the closed landfill is located, 40493
shall, within sixty days after the effective date of the rules 40494
adopted under division (F) of this section, submit an explosive 40495
gas monitoring plan for the landfill or closed landfill to the 40496
director of environmental protection for approval for compliance 40497
with those rules. After approval of the plan, the owner ~~or,~~ 40498
~~operator of the landfill, or, in the instance of a closed~~ 40499
~~landfill, the owner or operator of the closed landfill, or the,~~ 40500
subsequent owner, lessee, or other person ~~who has control of the~~ 40501
~~land on which the closed landfill is located~~ shall conduct 40502
monitoring of explosive gas levels at the landfill or closed 40503
landfill, and submit written reports of the results of the 40504
monitoring to the director and the board of health of the health 40505
district in which the landfill is located in accordance with the 40506
approved plan and the schedule for implementation contained in the 40507
approved plan. 40508

No person shall violate or fail to perform a duty imposed by 40509
a plan approved under this section. 40510

(B) Division (A) of this section does not apply to a sanitary 40511
landfill or closed sanitary landfill that exclusively disposes, or 40512
disposed, of solid wastes generated on the premises where the 40513
landfill or closed landfill is located; to a sanitary landfill or 40514
closed sanitary landfill that exclusively disposes, or disposed, 40515
of solid wastes generated on one or more premises owned by the 40516
person who owns the landfill or closed landfill; or to a sanitary 40517
landfill or closed sanitary landfill owned or operated by a person 40518
other than the generator of the wastes that exclusively disposes, 40519
or disposed, of nonputrescible solid wastes or nonputrescible 40520
wastes generated by a single generator at one or more premises 40521
owned by the generator. 40522

(C) ~~When~~ As used in this division and division (D) of this 40523

section, "responsible party" includes the owner or operator of a 40524
solid waste disposal facility; any current or former owner of a 40525
closed solid waste disposal facility; any person who was 40526
responsible for the operations of a closed solid waste disposal 40527
facility; any lessee or other person who has control of the 40528
property on which a closed solid waste disposal facility is 40529
located; a receiver appointed pursuant to Chapter 2735. of the 40530
Revised Code with respect to a solid waste disposal facility or 40531
closed solid waste disposal facility; and a trustee in bankruptcy. 40532

Notwithstanding division (B) of this section, if the director 40533
determines that, due to the types of wastes disposed of, the 40534
engineering design, the hydrogeological setting, the period of 40535
time since the commencement of operation, ~~and~~ the proximity of 40536
residential or other occupied structures located off the premises 40537
of ~~the landfill~~ a solid waste disposal facility to the exterior 40538
boundaries, ~~of~~ or information related to concentrations of 40539
explosive gas at or surrounding a sanitary landfill licensed under 40540
division (A) of section 3734.05 of the Revised Code facility or 40541
closed sanitary landfill for which a license was issued under that 40542
division facility, the potential exists for the formation and 40543
subsurface migration of explosive gases in such quantities and 40544
under such conditions as to ~~endanger~~ threaten human health or 40545
safety or the environment, the director ~~shall~~ may issue to the 40546
~~owner or operator of the sanitary landfill, or, in the instance of~~ 40547
~~a closed sanitary landfill, the owner or operator of the sanitary~~ 40548
~~landfill, or the subsequent owner, lessee, or other person who has~~ 40549
~~control of the property on which the closed landfill is located,~~ 40550
any responsible party an order directing ~~such owner~~ the 40551
responsible party to prepare, ~~obtain approval of, and implement an~~ 40552
and submit a new or revised explosive gas monitoring and reporting 40553
plan, in accordance with division (A) of that complies with 40554
division (A) of this section and provides for the adequate 40555
evaluation of explosive gas generation at and migration from the 40556

solid waste disposal facility or closed solid waste disposal 40557
facility. A plan so submitted shall be approved in accordance with 40558
division (A) of this section. After approval of the plan, the 40559
responsible party shall conduct monitoring of explosive gas levels 40560
at the facility or closed facility and submit written reports of 40561
the results of the monitoring in accordance with the plan approved 40562
under this section. For the purposes of this division and division 40563
(D) of this section, explosive gases shall be considered to 40564
~~endanger~~ threaten human health or safety or the environment if 40565
concentrations of methane generated by ~~the landfill~~ a facility in 40566
~~landfill occupied~~ structures, ~~excluding gas control or recovery~~ 40567
~~system components,~~ exceed twenty-five per cent of the lower 40568
explosive limit or if concentrations of methane generated by the 40569
~~landfill~~ facility at the ~~landfill~~ facility boundary exceed the 40570
lower explosive limit. As used in this division, "lower explosive 40571
limit" means the lowest per cent by volume of methane that will 40572
produce a flame in air at twenty-five degrees centigrade and 40573
atmospheric pressure. 40574

(D) If a report submitted pursuant to a plan approved under 40575
division (A) of this section indicates that the formation of 40576
explosive gases at, and migration of explosive gases from, a 40577
~~sanitary landfill~~ solid waste disposal facility or closed ~~sanitary~~ 40578
~~landfill~~ solid waste disposal facility threatens human health or 40579
safety or the environment, the director or his authorized 40580
representative ~~shall promptly~~ may conduct an evaluation of the 40581
levels of explosive gases on the premises of the ~~landfill~~ facility 40582
and in occupied structures located in proximity to the boundaries 40583
of the ~~landfill~~ facility to determine whether the formation of 40584
explosive gases at, and migration of those gases from, the 40585
~~landfill~~ facility or closed ~~landfill~~ facility constitutes such a 40586
threat. In addition, the director or the director's authorized 40587
representative, on their own initiative, may conduct an evaluation 40588
in accordance with division (G) of this section. Based upon the 40589

findings of the ~~an~~ evaluation, ~~or of an evaluation conducted by~~ 40590
~~the director, or his authorized representative, on his own~~ 40591
~~initiative,~~ the director ~~shall~~ may issue an order under division 40592
(A) or (B) of section 3734.13 of the Revised Code, as the director 40593
considers necessary or appropriate, directing ~~the owner or~~ 40594
~~operator of the landfill, or, in the instance of a closed~~ 40595
~~landfill, the owner or operator of the landfill, or the subsequent~~ 40596
~~owner, lessee, or other person who has control of the land on~~ 40597
~~which the closed landfill is located,~~ any responsible party to 40598
perform such measures as the director considers necessary or 40599
appropriate, to abate or minimize the formation of explosive gases 40600
or their migration off the premises of the ~~landfill~~ facility, to 40601
abate or remedy any conditions caused by the formation and 40602
migration of such gases that ~~endanger~~ threaten human health or 40603
safety or the environment and to take such actions as the director 40604
finds necessary or appropriate to prevent recurrence of the 40605
migration of explosive gases or decrease their concentration to 40606
levels set forth in division (C) of this section. 40607

After the issuance of an order under this division, the 40608
director shall inspect the ~~landfill at least once each week, or~~ 40609
facility at such ~~other~~ intervals as the director or ~~his~~ an 40610
authorized representative of the director considers necessary or 40611
appropriate, to ascertain compliance with the order until such 40612
time as the director determines that full compliance with those 40613
terms and conditions has been achieved. 40614

If a report submitted pursuant to a plan approved under 40615
division (A) of this section indicates that the formation of 40616
explosive gases at, and migration of explosive gases from, a 40617
~~landfill~~ solid waste disposal facility that is subject to an order 40618
issued under division (D) of this section has recurred in such 40619
quantities or under such conditions as to threaten human health or 40620
safety or the environment, or if the director determines from an 40621

inspection of any such ~~landfill~~ facility that the ~~owner or~~ 40622
~~operator of the landfill, or, in the instance of a closed~~ 40623
~~landfill, the owner or operator of the landfill, or the subsequent~~ 40624
~~owner, lessee, or other person who has control of the land on~~ 40625
~~which the closed landfill is located, responsible party has~~ 40626
violated or is violating a term or condition of the order or that 40627
measures in addition to those prescribed by the order are 40628
necessary or appropriate under the circumstances, the director 40629
shall take such actions under division (A), (B), or (C) of section 40630
3734.13 of the Revised Code as ~~he~~ the director considers necessary 40631
or appropriate to protect human health or safety or the 40632
environment. 40633

(E) The director shall conduct random inspections of licensed 40634
and closed sanitary landfills for explosive gas levels and to 40635
monitor the accuracy of the reports submitted pursuant to plans 40636
approved under division (A) of this section. 40637

(F) The director shall adopt rules under Chapter 119. of the 40638
Revised Code prescribing standards for conducting the explosive 40639
gas monitoring required by division (A) of this section including, 40640
without limitation, standards governing the numbers, locations, 40641
and design and construction of monitoring wells; quality control 40642
procedures to be followed by persons conducting those evaluations 40643
to ensure the accuracy of the monitoring; the frequency for 40644
sampling the monitoring wells, which shall be at least quarterly, 40645
except as otherwise provided in this division; and the frequency 40646
of reporting monitoring results to the director and board of 40647
health. The rules shall require that, in the instance of closed 40648
sanitary landfills, explosive gas monitoring be conducted for the 40649
period of twenty years after closure or for such other period as 40650
the director considers necessary or appropriate. Such explosive 40651
gas monitoring shall be conducted quarterly during each of the 40652
five years immediately following closure of the landfills and 40653

semiannually thereafter. If such semiannual sampling shows that 40654
the methane limits set in division (C) of this section are 40655
exceeded, sampling may be resumed at a frequency determined by the 40656
director. 40657

(G) The director or the director's authorized representative 40658
may enter upon a solid waste disposal facility or a closed solid 40659
waste disposal facility to conduct an evaluation of the 40660
concentration of explosive gas generated at or migrating from the 40661
facility. The owner or operator of a solid waste disposal facility 40662
or closed solid waste disposal facility shall allow the director 40663
or representative to conduct such an evaluation of the facility, 40664
any structures within the boundary of the facility, and any 40665
occupied structures in close proximity to the boundary of the 40666
facility that are owned or controlled by the owner or operator. 40667

(H) The remedy provided by division (D) of this section is 40668
cumulative and concurrent with any other remedy provided in this 40669
chapter or Chapter 3704. of the Revised Code, and the existence or 40670
exercise of one remedy does not prevent the exercise of any other. 40671

Sec. 3734.05. (A)(1) Except as provided in divisions (A)~~(4)~~, 40672
~~(8)~~, (6) and ~~(9)~~ (7) of this section, no person shall operate or 40673
maintain a solid waste facility without a license issued under 40674
this division by the board of health of the health district in 40675
which the facility is located or by the director of environmental 40676
protection when the health district in which the facility is 40677
located is not on the approved list under section 3734.08 of the 40678
Revised Code. 40679

During the month of December, but before the first day of 40680
January of the next year, every person proposing to continue to 40681
operate an existing solid waste facility shall procure a license 40682
under this division to operate the facility for that year from the 40683
board of health of the health district in which the facility is 40684

located or, if the health district is not on the approved list 40685
under section 3734.08 of the Revised Code, from the director. The 40686
application for such a license shall be submitted to the board of 40687
health or to the director, as appropriate, on or before the last 40688
day of September of the year preceding that for which the license 40689
is sought. In addition to the application fee prescribed in 40690
division (A)(2) of this section, a person who submits an 40691
application after that date shall pay an additional ten per cent 40692
of the amount of the application fee for each week that the 40693
application is late. Late payment fees accompanying an application 40694
submitted to the board of health shall be credited to the special 40695
fund of the health district created in division (B) of section 40696
3734.06 of the Revised Code, and late payment fees accompanying an 40697
application submitted to the director shall be credited to the 40698
general revenue fund. A person who has received a license, upon 40699
sale or disposition of a solid waste facility, and upon consent of 40700
the board of health and the director, may have the license 40701
transferred to another person. The board of health or the director 40702
may include such terms and conditions in a license or revision to 40703
a license as are appropriate to ensure compliance with this 40704
chapter and rules adopted under it. The terms and conditions may 40705
establish the authorized maximum daily waste receipts for the 40706
facility. Limitations on maximum daily waste receipts shall be 40707
specified in cubic yards of volume for the purpose of regulating 40708
the design, construction, and operation of solid waste facilities. 40709
Terms and conditions included in a license or revision to a 40710
license by a board of health shall be consistent with, and pertain 40711
only to the subjects addressed in, the rules adopted under 40712
division (A) of section 3734.02 and division (D) of section 40713
3734.12 of the Revised Code. 40714

(2)(a) Except as provided in divisions (A)(2)(b), ~~(8)(6)~~, and 40715
~~(9)(7)~~ of this section, each person proposing to open a new solid 40716
waste facility or to modify an existing solid waste facility shall 40717

submit an application for a permit with accompanying detail plans 40718
and specifications to the environmental protection agency for 40719
required approval under the rules adopted by the director pursuant 40720
to division (A) of section 3734.02 of the Revised Code and 40721
applicable rules adopted under division (D) of section 3734.12 of 40722
the Revised Code at least two hundred seventy days before proposed 40723
operation of the facility and shall concurrently make application 40724
for the issuance of a license under division (A)(1) of this 40725
section with the board of health of the health district in which 40726
the proposed facility is to be located. 40727

(b) On and after the effective date of the rules adopted 40728
under division (A) of section 3734.02 of the Revised Code and 40729
division (D) of section 3734.12 of the Revised Code governing 40730
solid waste transfer facilities, each person proposing to open a 40731
new solid waste transfer facility or to modify an existing solid 40732
waste transfer facility shall submit an application for a permit 40733
with accompanying engineering detail plans, specifications, and 40734
information regarding the facility and its method of operation to 40735
the environmental protection agency for required approval under 40736
those rules at least two hundred seventy days before commencing 40737
proposed operation of the facility and concurrently shall make 40738
application for the issuance of a license under division (A)(1) of 40739
this section with the board of health of the health district in 40740
which the facility is located or proposed. 40741

(c) Each application for a permit under division (A)(2)(a) or 40742
(b) of this section shall be accompanied by a nonrefundable 40743
application fee of four hundred dollars that shall be credited to 40744
the general revenue fund. Each application for an annual license 40745
under division (A)(1) or (2) of this section shall be accompanied 40746
by a nonrefundable application fee of one hundred dollars. If the 40747
application for an annual license is submitted to a board of 40748
health on the approved list under section 3734.08 of the Revised 40749

Code, the application fee shall be credited to the special fund of 40750
the health district created in division (B) of section 3734.06 of 40751
the Revised Code. If the application for an annual license is 40752
submitted to the director, the application fee shall be credited 40753
to the general revenue fund. If a permit or license is issued, the 40754
amount of the application fee paid shall be deducted from the 40755
amount of the permit fee due under division (Q) of section 3745.11 40756
of the Revised Code or the amount of the license fee due under 40757
division (A)(1), (2), (3), (4), or (5) of section 3734.06 of the 40758
Revised Code. 40759

(d) As used in divisions (A)(2)(d), (e), and (f) of this 40760
section, "modify" means any of the following: 40761

(i) Any increase of more than ten per cent in the total 40762
capacity of a solid waste facility; 40763

(ii) Any expansion of the limits of solid waste placement at 40764
a solid waste facility; 40765

(iii) Any increase in the depth of excavation at a solid 40766
waste facility; 40767

(iv) Any change in the technique of waste receipt or type of 40768
waste received at a solid waste facility that may endanger human 40769
health, as determined by the director by rules adopted in 40770
accordance with Chapter 119. of the Revised Code. 40771

Not later than forty-five days after submitting an 40772
application under division (A)(2)(a) or (b) of this section for a 40773
permit to open a new or modify an existing solid waste facility, 40774
the applicant, in conjunction with an officer or employee of the 40775
environmental protection agency, shall hold a public meeting on 40776
the application within the county in which the new or modified 40777
solid waste facility is or is proposed to be located or within a 40778
contiguous county. Not less than thirty days before holding the 40779
public meeting on the application, the applicant shall publish 40780

notice of the meeting in each newspaper of general circulation 40781
that is published in the county in which the facility is or is 40782
proposed to be located. If no newspaper of general circulation is 40783
published in the county, the applicant shall publish the notice in 40784
a newspaper of general circulation in the county. The notice shall 40785
contain the date, time, and location of the public meeting and a 40786
general description of the proposed new or modified facility. Not 40787
later than five days after publishing the notice, the applicant 40788
shall send by certified mail a copy of the notice and the date the 40789
notice was published to the director and the legislative authority 40790
of each municipal corporation, township, and county, and to the 40791
chief executive officer of each municipal corporation, in which 40792
the facility is or is proposed to be located. At the public 40793
meeting, the applicant shall provide information and describe the 40794
application and respond to comments or questions concerning the 40795
application, and the officer or employee of the agency shall 40796
describe the permit application process. At the public meeting, 40797
any person may submit written or oral comments on or objections to 40798
the application. Not more than thirty days after the public 40799
meeting, the applicant shall provide the director with a copy of a 40800
transcript of the full meeting, copies of any exhibits, displays, 40801
or other materials presented by the applicant at the meeting, and 40802
the original copy of any written comments submitted at the 40803
meeting. 40804

(e) Except as provided in division (A)(2)(f) of this section, 40805
prior to taking an action, other than a proposed or final denial, 40806
upon an application submitted under division (A)(2)(a) of this 40807
section for a permit to open a new or modify an existing solid 40808
waste facility, the director shall hold a public information 40809
session and a public hearing on the application within the county 40810
in which the new or modified solid waste facility is or is 40811
proposed to be located or within a contiguous county. If the 40812
application is for a permit to open a new solid waste facility, 40813

the director shall hold the hearing not less than fourteen days 40814
after the information session. If the application is for a permit 40815
to modify an existing solid waste facility, the director may hold 40816
both the information session and the hearing on the same day 40817
unless any individual affected by the application requests in 40818
writing that the information session and the hearing not be held 40819
on the same day, in which case the director shall hold the hearing 40820
not less than fourteen days after the information session. The 40821
director shall publish notice of the public information session or 40822
public hearing not less than thirty days before holding the 40823
information session or hearing, as applicable. The notice shall be 40824
published in each newspaper of general circulation that is 40825
published in the county in which the facility is or is proposed to 40826
be located. If no newspaper of general circulation is published in 40827
the county, the director shall publish the notice in a newspaper 40828
of general circulation in the county. The notice shall contain the 40829
date, time, and location of the information session or hearing, as 40830
applicable, and a general description of the proposed new or 40831
modified facility. At the public information session, an officer 40832
or employee of the environmental protection agency shall describe 40833
the status of the permit application and be available to respond 40834
to comments or questions concerning the application. At the public 40835
hearing, any person may submit written or oral comments on or 40836
objections to the approval of the application. The applicant, or a 40837
representative of the applicant who has knowledge of the location, 40838
construction, and operation of the facility, shall attend the 40839
information session and public hearing to respond to comments or 40840
questions concerning the facility directed to the applicant or 40841
representative by the officer or employee of the environmental 40842
protection agency presiding at the information session and 40843
hearing. 40844

(f) The solid waste management policy committee of a county 40845
or joint solid waste management district may adopt a resolution 40846

requesting expeditious consideration of a specific application 40847
submitted under division (A)(2)(a) of this section for a permit to 40848
modify an existing solid waste facility within the district. The 40849
resolution shall make the finding that expedited consideration of 40850
the application without the public information session and public 40851
hearing under division (A)(2)(e) of this section is in the public 40852
interest and will not endanger human health, as determined by the 40853
director by rules adopted in accordance with Chapter 119. of the 40854
Revised Code. Upon receiving such a resolution, the director, at 40855
the director's discretion, may issue a final action upon the 40856
application without holding a public information session or public 40857
hearing pursuant to division (A)(2)(e) of this section. 40858

~~(3) Except as provided in division (A)(10) of this section, 40859
and unless the owner or operator of any solid waste facility, 40860
other than a solid waste transfer facility or a compost facility 40861
that accepts exclusively source separated yard wastes, that 40862
commenced operation on or before July 1, 1968, has obtained an 40863
exemption from the requirements of division (A)(3) of this section 40864
in accordance with division (C) of section 3734.02 of the Revised 40865
Code, the owner or operator shall submit to the director an 40866
application for a permit with accompanying engineering detail 40867
plans, specifications, and information regarding the facility and 40868
its method of operation for approval under rules adopted under 40869
division (A) of section 3734.02 of the Revised Code and applicable 40870
rules adopted under division (D) of section 3734.12 of the Revised 40871
Code in accordance with the following schedule: 40872~~

located in the city of Garfield Heights or Parma in Cuyahoga 40874
county: 40875~~

~~(b) Not later than December 24, 1988, if the facility is 40876
located in Delaware, Greene, Guernsey, Hamilton, Madison, 40877

in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or 40884
Summit county or is located in Cuyahoga county outside the cities 40885
of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights; 40886~~

~~(e) Not later than September 24, 1989, if the facility is 40887
located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross 40888
county; 40889~~

~~(f) Not later than December 24, 1989, if the facility is 40890
located in a county not listed in divisions (A)(3)(a) to (c) of 40891
this section; 40892~~

~~(g) Notwithstanding divisions (A)(3)(a) to (f) of this 40893
section, not later than December 31, 1990, if the facility is a 40894
solid waste facility owned by a generator of solid wastes when the 40895
solid waste facility exclusively disposes of solid wastes 40896

regardless of whether the facility is located on a premises where 40898
the wastes are generated and if the facility disposes of more than 40899
one hundred thousand tons of solid wastes per year, provided that 40900
any such facility shall be subject to division (A)(5) of this 40901
section. 40902~~

~~(4) Except as provided in divisions (A)(8), (9), and (10) of 40903
this section, unless the owner or operator of any solid waste 40904
facility for which a permit was issued after July 1, 1968, but 40905
before January 1, 1980, has obtained an exemption from the 40906
requirements of division (A)(4) of this section under division (G) 40907
of section 3734.02 of the Revised Code, the owner or operator 40908
shall submit to the director an application for a permit with 40909~~

~~accompanying engineering detail plans, specifications, and 40910
information regarding the facility and its method of operation for 40911
approval under those rules. 40912~~

(5) The director may issue an order in accordance with 40913
Chapter 3745. of the Revised Code to the owner or operator of a 40914
solid waste facility requiring the person to submit to the 40915
director updated engineering detail plans, specifications, and 40916
information regarding the facility and its method of operation for 40917
approval under rules adopted under division (A) of section 3734.02 40918
of the Revised Code and applicable rules adopted under division 40919
(D) of section 3734.12 of the Revised Code if, in the director's 40920
judgment, conditions at the facility constitute a substantial 40921
threat to public health or safety or are causing or contributing 40922
to or threatening to cause or contribute to air or water pollution 40923
or soil contamination. Any person who receives such an order shall 40924
submit the updated engineering detail plans, specifications, and 40925
information to the director within one hundred eighty days after 40926
the effective date of the order. 40927

~~(6)(4) The director shall act upon an application submitted 40928
under division (A)(3) or (4) of this section and any updated 40929
engineering plans, specifications, and information submitted under 40930
division (A)(5)(3) of this section within one hundred eighty days 40931
after receiving them. If the director denies any such permit 40932
application, the issues an order denying the application or 40933
disapproving the plans, specifications, and information submitted
under division (A)(3) of this section, the order shall include all 40934
of the following requirements that: 40935
40936~~

(a) That the owner or operator submit a plan for closure and 40937
post-closure care of the facility to the director for approval 40938
within six months after issuance of the order. 40939

(b) That the owner or operator cease accepting solid wastes 40940
for disposal or transfer at the facility. 40941

(c) The owner or operator commence closure of the facility 40942
not later than one year after issuance of the order. ~~If~~ 40943

If the director determines that closure of the facility 40944
within that one-year period would result in the unavailability of 40945
sufficient solid waste management facility capacity within the 40946
county or joint solid waste management district in which the 40947
facility is located to dispose of or transfer the solid waste 40948
generated within the district, the director in the order of ~~denial~~ 40949
~~or~~ disapproval may postpone commencement of closure of the 40950
facility for such period of time as the director finds necessary 40951
for the board of county commissioners or directors of the district 40952
to secure access to or for there to be constructed within the 40953
district sufficient solid waste management facility capacity to 40954
meet the needs of the district, provided that the director shall 40955
certify in the director's order that postponing the date for 40956
commencement of closure will not endanger ground water or any 40957
property surrounding the facility, allow methane gas migration to 40958
occur, or cause or contribute to any other type of environmental 40959
damage. 40960

If an emergency need for disposal capacity that may affect 40961
public health and safety exists as a result of closure of a 40962
facility under division (A)~~(6)~~(4) of this section, the director 40963
may issue an order designating another solid waste facility to 40964
accept the wastes that would have been disposed of at the facility 40965
to be closed. 40966

~~(7)~~(5) If the director determines that standards more 40967
stringent than those applicable in rules adopted under division 40968
(A) of section 3734.02 of the Revised Code and division (D) of 40969
section 3734.12 of the Revised Code, or standards pertaining to 40970
subjects not specifically addressed by those rules, are necessary 40971
to ensure that a solid waste facility constructed at the proposed 40972
location will not cause a nuisance, cause or contribute to water 40973

pollution, or endanger public health or safety, the director may 40974
issue a permit for the facility with such terms and conditions as 40975
the director finds necessary to protect public health and safety 40976
and the environment. If a permit is issued, the director shall 40977
state in the order issuing it the specific findings supporting 40978
each such term or condition. 40979

~~(8)(6)~~ Divisions (A)(1), and (2)(a), ~~(3), and (4)~~ of this 40980
section do not apply to a solid waste compost facility that 40981
accepts exclusively source separated yard wastes and that is 40982
registered under division (C) of section 3734.02 of the Revised 40983
Code or, unless otherwise provided in rules adopted under division 40984
(N)(3) of section 3734.02 of the Revised Code, to a solid waste 40985
compost facility if the director has adopted rules establishing an 40986
alternative system for authorizing the establishment, operation, 40987
or modification of a solid waste compost facility under that 40988
division. 40989

~~(9)(7)~~ Divisions (A)(1) to ~~(7)(5)~~ of this section do not 40990
apply to scrap tire collection, storage, monocell, monofill, and 40991
recovery facilities. The approval of plans and specifications, as 40992
applicable, and the issuance of registration certificates, 40993
permits, and licenses for those facilities are subject to sections 40994
3734.75 to 3734.78 of the Revised Code, as applicable, and section 40995
3734.81 of the Revised Code. 40996

~~(10) Divisions (A)(3) and (4) of this section do not apply to~~ 40997
~~a solid waste incinerator that was placed into operation on or~~ 40998
~~before October 12, 1994, and that is not authorized to accept and~~ 40999
~~treat infectious wastes pursuant to division (B) of this section.~~ 41000

(B)(1) No person shall operate or maintain an infectious 41001
waste treatment facility without a license issued by the board of 41002
health of the health district in which the facility is located or 41003
by the director when the health district in which the facility is 41004
located is not on the approved list under section 3734.08 of the 41005

Revised Code. 41006

(2)(a) During the month of December, but before the first day 41007
of January of the next year, every person proposing to continue to 41008
operate an existing infectious waste treatment facility shall 41009
procure a license to operate the facility for that year from the 41010
board of health of the health district in which the facility is 41011
located or, if the health district is not on the approved list 41012
under section 3734.08 of the Revised Code, from the director. The 41013
application for such a license shall be submitted to the board of 41014
health or to the director, as appropriate, on or before the last 41015
day of September of the year preceding that for which the license 41016
is sought. In addition to the application fee prescribed in 41017
division (B)(2)(c) of this section, a person who submits an 41018
application after that date shall pay an additional ten per cent 41019
of the amount of the application fee for each week that the 41020
application is late. Late payment fees accompanying an application 41021
submitted to the board of health shall be credited to the special 41022
infectious waste fund of the health district created in division 41023
(C) of section 3734.06 of the Revised Code, and late payment fees 41024
accompanying an application submitted to the director shall be 41025
credited to the general revenue fund. A person who has received a 41026
license, upon sale or disposition of an infectious waste treatment 41027
facility and upon consent of the board of health and the director, 41028
may have the license transferred to another person. The board of 41029
health or the director may include such terms and conditions in a 41030
license or revision to a license as are appropriate to ensure 41031
compliance with the infectious waste provisions of this chapter 41032
and rules adopted under them. 41033

(b) Each person proposing to open a new infectious waste 41034
treatment facility or to modify an existing infectious waste 41035
treatment facility shall submit an application for a permit with 41036
accompanying detail plans and specifications to the environmental 41037

protection agency for required approval under the rules adopted by 41038
the director pursuant to section 3734.021 of the Revised Code two 41039
hundred seventy days before proposed operation of the facility and 41040
concurrently shall make application for a license with the board 41041
of health of the health district in which the facility is or is 41042
proposed to be located. Not later than ninety days after receiving 41043
a complete application under division (B)(2)(b) of this section 41044
for a permit to open a new infectious waste treatment facility or 41045
modify an existing infectious waste treatment facility to expand 41046
its treatment capacity, or receiving a complete application under 41047
division (A)(2)(a) of this section for a permit to open a new 41048
solid waste incineration facility, or modify an existing solid 41049
waste incineration facility to also treat infectious wastes or to 41050
increase its infectious waste treatment capacity, that pertains to 41051
a facility for which a notation authorizing infectious waste 41052
treatment is included or proposed to be included in the solid 41053
waste incineration facility's license pursuant to division (B)(3) 41054
of this section, the director shall hold a public hearing on the 41055
application within the county in which the new or modified 41056
infectious waste or solid waste facility is or is proposed to be 41057
located or within a contiguous county. Not less than thirty days 41058
before holding the public hearing on the application, the director 41059
shall publish notice of the hearing in each newspaper that has 41060
general circulation and that is published in the county in which 41061
the facility is or is proposed to be located. If there is no 41062
newspaper that has general circulation and that is published in 41063
the county, the director shall publish the notice in a newspaper 41064
of general circulation in the county. The notice shall contain the 41065
date, time, and location of the public hearing and a general 41066
description of the proposed new or modified facility. At the 41067
public hearing, any person may submit written or oral comments on 41068
or objections to the approval or disapproval of the application. 41069
The applicant, or a representative of the applicant who has 41070

knowledge of the location, construction, and operation of the 41071
facility, shall attend the public hearing to respond to comments 41072
or questions concerning the facility directed to the applicant or 41073
representative by the officer or employee of the environmental 41074
protection agency presiding at the hearing. 41075

(c) Each application for a permit under division (B)(2)(b) of 41076
this section shall be accompanied by a nonrefundable application 41077
fee of four hundred dollars that shall be credited to the general 41078
revenue fund. Each application for an annual license under 41079
division (B)(2)(a) of this section shall be accompanied by a 41080
nonrefundable application fee of one hundred dollars. If the 41081
application for an annual license is submitted to a board of 41082
health on the approved list under section 3734.08 of the Revised 41083
Code, the application fee shall be credited to the special 41084
infectious waste fund of the health district created in division 41085
(C) of section 3734.06 of the Revised Code. If the application for 41086
an annual license is submitted to the director, the application 41087
fee shall be credited to the general revenue fund. If a permit or 41088
license is issued, the amount of the application fee paid shall be 41089
deducted from the amount of the permit fee due under division (Q) 41090
of section 3745.11 of the Revised Code or the amount of the 41091
license fee due under division (C) of section 3734.06 of the 41092
Revised Code. 41093

(d) The director may issue an order in accordance with 41094
Chapter 3745. of the Revised Code to the owner or operator of an 41095
infectious waste treatment facility requiring the person to submit 41096
to the director updated engineering detail plans, specifications, 41097
and information regarding the facility and its method of operation 41098
for approval under rules adopted under section 3734.021 of the 41099
Revised Code if, in the director's judgment, conditions at the 41100
facility constitute a substantial threat to public health or 41101
safety or are causing or contributing to or threatening to cause 41102

or contribute to air or water pollution or soil contamination. Any 41103
person who receives such an order shall submit the updated 41104
engineering detail plans, specifications, and information to the 41105
director within one hundred eighty days after the effective date 41106
of the order. 41107

(e) The director shall act on any updated engineering plans, 41108
specifications, and information submitted under division (B)(2)(d) 41109
of this section within one hundred eighty days after receiving 41110
them. If the director disapproves any such updated engineering 41111
plans, specifications, and information, the director shall include 41112
in the order disapproving the plans the requirement that the owner 41113
or operator cease accepting infectious wastes for treatment at the 41114
facility. 41115

(3) Division (B) of this section does not apply to a 41116
generator of infectious wastes that meets any of the following 41117
conditions: 41118

(a) Treats, by methods, techniques, and practices established 41119
by rules adopted under division (B)(2)(a) of section 3734.021 of 41120
the Revised Code, any of the following wastes: 41121

(i) Infectious wastes that are generated on any premises that 41122
are owned or operated by the generator; 41123

(ii) Infectious wastes that are generated by a generator who 41124
has staff privileges at a hospital as defined in section 3727.01 41125
of the Revised Code; 41126

(iii) Infectious wastes that are generated in providing care 41127
to a patient by an emergency medical services organization as 41128
defined in section 4765.01 of the Revised Code. 41129

(b) Holds a license or renewal of a license to operate a 41130
crematory facility issued under Chapter 4717. and a permit issued 41131
under Chapter 3704. of the Revised Code; 41132

|--|-------|
| (c) Treats or disposes of dead animals or parts thereof, or | 41133 |
| the blood of animals, and is subject to any of the following: | 41134 |
| (i) Inspection under the "Federal Meat Inspection Act," 81 | 41135 |
| Stat. 584 (1967), 21 U.S.C.A. 603, as amended; | 41136 |
| (ii) Chapter 918. of the Revised Code; | 41137 |
| (iii) Chapter 953. of the Revised Code. | 41138 |
| Nothing in division (B) of this section requires a facility | 41139 |
| that holds a license issued under division (A) of this section as | 41140 |
| a solid waste facility and that also treats infectious wastes by | 41141 |
| the same method, technique, or process to obtain a license under | 41142 |
| division (B) of this section as an infectious waste treatment | 41143 |
| facility. However, the solid waste facility license for the | 41144 |
| facility shall include the notation that the facility also treats | 41145 |
| infectious wastes. | 41146 |
| The director shall not issue a permit to open a new solid | 41147 |
| waste incineration facility unless the proposed facility complies | 41148 |
| with the requirements for the location of new infectious waste | 41149 |
| incineration facilities established in rules adopted under | 41150 |
| division (B)(2)(b) of section 3734.021 of the Revised Code. | 41151 |
| (C) Except for a facility or activity described in division | 41152 |
| (E)(3) of section 3734.02 of the Revised Code, a person who | 41153 |
| proposes to establish or operate a hazardous waste facility shall | 41154 |
| submit a complete application for a hazardous waste facility | 41155 |
| installation and operation permit and accompanying detail plans, | 41156 |
| specifications, and such information as the director may require | 41157 |
| to the environmental protection agency at least one hundred eighty | 41158 |
| days before the proposed beginning of operation of the facility. | 41159 |
| The applicant shall notify by certified mail the legislative | 41160 |
| authority of each municipal corporation, township, and county in | 41161 |
| which the facility is proposed to be located of the submission of | 41162 |
| the application within ten days after the submission or at such | 41163 |

earlier time as the director may establish by rule. If the 41164
application is for a proposed new hazardous waste disposal or 41165
thermal treatment facility, the applicant also shall give actual 41166
notice of the general design and purpose of the facility to the 41167
legislative authority of each municipal corporation, township, and 41168
county in which the facility is proposed to be located at least 41169
ninety days before the permit application is submitted to the 41170
environmental protection agency. 41171

In accordance with rules adopted under section 3734.12 of the 41172
Revised Code, prior to the submission of a complete application 41173
for a hazardous waste facility installation and operation permit, 41174
the applicant shall hold at least one meeting in the township or 41175
municipal corporation in which the facility is proposed to be 41176
located, whichever is geographically closer to the proposed 41177
location of the facility. The meeting shall be open to the public 41178
and shall be held to inform the community of the proposed 41179
hazardous waste management activities and to solicit questions 41180
from the community concerning the activities. 41181

(D)(1) Except as provided in section 3734.123 of the Revised 41182
Code, upon receipt of a complete application for a hazardous waste 41183
facility installation and operation permit under division (C) of 41184
this section, the director shall consider the application and 41185
accompanying information to determine whether the application 41186
complies with agency rules and the requirements of division (D)(2) 41187
of this section. After making a determination, the director shall 41188
issue either a draft permit or a notice of intent to deny the 41189
permit. The director, in accordance with rules adopted under 41190
section 3734.12 of the Revised Code or with rules adopted to 41191
implement Chapter 3745. of the Revised Code, shall provide public 41192
notice of the application and the draft permit or the notice of 41193
intent to deny the permit, provide an opportunity for public 41194
comments, and, if significant interest is shown, schedule a public 41195

meeting in the county in which the facility is proposed to be 41196
located and give public notice of the date, time, and location of 41197
the public meeting in a newspaper of general circulation in that 41198
county. 41199

(2) The director shall not approve an application for a 41200
hazardous waste facility installation and operation permit or an 41201
application for a modification under division (I)(3) of this 41202
section unless the director finds and determines as follows: 41203

(a) The nature and volume of the waste to be treated, stored, 41204
or disposed of at the facility; 41205

(b) That the facility complies with the director's hazardous 41206
waste standards adopted pursuant to section 3734.12 of the Revised 41207
Code; 41208

(c) That the facility represents the minimum adverse 41209
environmental impact, considering the state of available 41210
technology and the nature and economics of various alternatives, 41211
and other pertinent considerations; 41212

(d) That the facility represents the minimum risk of all of 41213
the following: 41214

(i) Fires or explosions from treatment, storage, or disposal 41215
methods; 41216

(ii) Release of hazardous waste during transportation of 41217
hazardous waste to or from the facility; 41218

(iii) Adverse impact on the public health and safety. 41219

(e) That the facility will comply with this chapter and 41220
Chapters 3704. and 6111. of the Revised Code and all rules and 41221
standards adopted under them; 41222

(f) That if the owner of the facility, the operator of the 41223
facility, or any other person in a position with the facility from 41224
which the person may influence the installation and operation of 41225

the facility has been involved in any prior activity involving 41226
transportation, treatment, storage, or disposal of hazardous 41227
waste, that person has a history of compliance with this chapter 41228
and Chapters 3704. and 6111. of the Revised Code and all rules and 41229
standards adopted under them, the "Resource Conservation and 41230
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 41231
amended, and all regulations adopted under it, and similar laws 41232
and rules of other states if any such prior operation was located 41233
in another state that demonstrates sufficient reliability, 41234
expertise, and competency to operate a hazardous waste facility 41235
under the applicable provisions of this chapter and Chapters 3704. 41236
and 6111. of the Revised Code, the applicable rules and standards 41237
adopted under them, and terms and conditions of a hazardous waste 41238
facility installation and operation permit, given the potential 41239
for harm to the public health and safety and the environment that 41240
could result from the irresponsible operation of the facility. For 41241
off-site facilities, as defined in section 3734.41 of the Revised 41242
Code, the director may use the investigative reports of the 41243
attorney general prepared pursuant to section 3734.42 of the 41244
Revised Code as a basis for making a finding and determination 41245
under division (D)(2)(f) of this section. 41246

(g) That the active areas within a new hazardous waste 41247
facility where acute hazardous waste as listed in 40 C.F.R. 261.33 41248
(e), as amended, or organic waste that is toxic and is listed 41249
under 40 C.F.R. 261, as amended, is being stored, treated, or 41250
disposed of and where the aggregate of the storage design capacity 41251
and the disposal design capacity of all hazardous waste in those 41252
areas is greater than two hundred fifty thousand gallons, are not 41253
located or operated within any of the following: 41254

(i) Two thousand feet of any residence, school, hospital, 41255
jail, or prison; 41256

(ii) Any naturally occurring wetland; 41257

(iii) Any flood hazard area if the applicant cannot show that 41258
the facility will be designed, constructed, operated, and 41259
maintained to prevent washout by a one-hundred-year flood. 41260

Division (D)(2)(g) of this section does not apply to the 41261
facility of any applicant who demonstrates to the director that 41262
the limitations specified in that division are not necessary 41263
because of the nature or volume of the waste and the manner of 41264
management applied, the facility will impose no substantial danger 41265
to the health and safety of persons occupying the structures 41266
listed in division (D)(2)(g)(i) of this section, and the facility 41267
is to be located or operated in an area where the proposed 41268
hazardous waste activities will not be incompatible with existing 41269
land uses in the area. 41270

(h) That the facility will not be located within the 41271
boundaries of a state park established or dedicated under Chapter 41272
1546. of the Revised Code, a state park purchase area established 41273
under section 1546.06 of the Revised Code, any unit of the 41274
national park system, or any property that lies within the 41275
boundaries of a national park or recreation area, but that has not 41276
been acquired or is not administered by the secretary of the 41277
United States department of the interior, located in this state, 41278
or any candidate area located in this state identified for 41279
potential inclusion in the national park system in the edition of 41280
the "national park system plan" submitted under paragraph (b) of 41281
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 41282
U.S.C.A. 1a-5, as amended, current at the time of filing of the 41283
application for the permit, unless the facility will be used 41284
exclusively for the storage of hazardous waste generated within 41285
the park or recreation area in conjunction with the operation of 41286
the park or recreation area. Division (D)(2)(h) of this section 41287
does not apply to the facility of any applicant for modification 41288
of a permit unless the modification application proposes to 41289

increase the land area included in the facility or to increase the 41290
quantity of hazardous waste that will be treated, stored, or 41291
disposed of at the facility. 41292

(3) Not later than one hundred eighty days after the end of 41293
the public comment period, the director, without prior hearing, 41294
shall issue or deny the permit in accordance with Chapter 3745. of 41295
the Revised Code. If the director approves an application for a 41296
hazardous waste facility installation and operation permit, the 41297
director shall issue the permit, upon such terms and conditions as 41298
the director finds are necessary to ensure the construction and 41299
operation of the hazardous waste facility in accordance with the 41300
standards of this section. 41301

(E) No political subdivision of this state shall require any 41302
additional zoning or other approval, consent, permit, certificate, 41303
or condition for the construction or operation of a hazardous 41304
waste facility authorized by a hazardous waste facility 41305
installation and operation permit issued pursuant to this chapter, 41306
nor shall any political subdivision adopt or enforce any law, 41307
ordinance, or rule that in any way alters, impairs, or limits the 41308
authority granted in the permit. 41309

(F) The director may issue a single hazardous waste facility 41310
installation and operation permit to a person who operates two or 41311
more adjoining facilities where hazardous waste is stored, 41312
treated, or disposed of if the application includes detail plans, 41313
specifications, and information on all facilities. For the 41314
purposes of this section, "adjoining" means sharing a common 41315
boundary, separated only by a public road, or in such proximity 41316
that the director determines that the issuance of a single permit 41317
will not create a hazard to the public health or safety or the 41318
environment. 41319

(G) No person shall falsify or fail to keep or submit any 41320
plans, specifications, data, reports, records, manifests, or other 41321

information required to be kept or submitted to the director by 41322
this chapter or the rules adopted under it. 41323

(H)(1) Each person who holds an installation and operation 41324
permit issued under this section and who wishes to obtain a permit 41325
renewal shall submit a completed application for an installation 41326
and operation permit renewal and any necessary accompanying 41327
general plans, detail plans, specifications, and such information 41328
as the director may require to the director no later than one 41329
hundred eighty days prior to the expiration date of the existing 41330
permit or upon a later date prior to the expiration of the 41331
existing permit if the permittee can demonstrate good cause for 41332
the late submittal. The director shall consider the application 41333
and accompanying information, inspection reports of the facility, 41334
results of performance tests, a report regarding the facility's 41335
compliance or noncompliance with the terms and conditions of its 41336
permit and rules adopted by the director under this chapter, and 41337
such other information as is relevant to the operation of the 41338
facility and shall issue a draft renewal permit or a notice of 41339
intent to deny the renewal permit. The director, in accordance 41340
with rules adopted under this section or with rules adopted to 41341
implement Chapter 3745. of the Revised Code, shall give public 41342
notice of the application and draft renewal permit or notice of 41343
intent to deny the renewal permit, provide for the opportunity for 41344
public comments within a specified time period, schedule a public 41345
meeting in the county in which the facility is located if 41346
significant interest is shown, and give public notice of the 41347
public meeting. 41348

(2) Within sixty days after the public meeting or close of 41349
the public comment period, the director, without prior hearing, 41350
shall issue or deny the renewal permit in accordance with Chapter 41351
3745. of the Revised Code. The director shall not issue a renewal 41352
permit unless the director determines that the facility under the 41353

existing permit has a history of compliance with this chapter, 41354
rules adopted under it, the existing permit, or orders entered to 41355
enforce such requirements that demonstrates sufficient 41356
reliability, expertise, and competency to operate the facility 41357
henceforth under this chapter, rules adopted under it, and the 41358
renewal permit. If the director approves an application for a 41359
renewal permit, the director shall issue the permit subject to the 41360
payment of the annual permit fee required under division (E) of 41361
section 3734.02 of the Revised Code and upon such terms and 41362
conditions as the director finds are reasonable to ensure that 41363
continued operation, maintenance, closure, and post-closure care 41364
of the hazardous waste facility are in accordance with the rules 41365
adopted under section 3734.12 of the Revised Code. 41366

(3) An installation and operation permit renewal application 41367
submitted to the director that also contains or would constitute 41368
an application for a modification shall be acted upon by the 41369
director in accordance with division (I) of this section in the 41370
same manner as an application for a modification. In approving or 41371
disapproving the renewal portion of a permit renewal application 41372
containing an application for a modification, the director shall 41373
apply the criteria established under division (H)(2) of this 41374
section. 41375

(4) An application for renewal or modification of a permit 41376
that does not contain an application for a modification as 41377
described in divisions (I)(3)(a) to (d) of this section shall not 41378
be subject to division (D)(2) of this section. 41379

(I)(1) As used in this section, "modification" means a change 41380
or alteration to a hazardous waste facility or its operations that 41381
is inconsistent with or not authorized by its existing permit or 41382
authorization to operate. Modifications shall be classified as 41383
Class 1, 2, or 3 modifications in accordance with rules adopted 41384
under division (K) of this section. Modifications classified as 41385

Class 3 modifications, in accordance with rules adopted under that 41386
division, shall be further classified by the director as either 41387
Class 3 modifications that are to be approved or disapproved by 41388
the director under divisions (I)(3)(a) to (d) of this section or 41389
as Class 3 modifications that are to be approved or disapproved by 41390
the director under division (I)(5) of this section. Not later than 41391
thirty days after receiving a request for a modification under 41392
division (I)(4) of this section that is not listed in Appendix I 41393
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 41394
section, the director shall classify the modification and shall 41395
notify the owner or operator of the facility requesting the 41396
modification of the classification. Notwithstanding any other law 41397
to the contrary, a modification that involves the transfer of a 41398
hazardous waste facility installation and operation permit to a 41399
new owner or operator for any off-site facility as defined in 41400
section 3734.41 of the Revised Code shall be classified as a Class 41401
3 modification. The transfer of a hazardous waste facility 41402
installation and operation permit to a new owner or operator for a 41403
facility that is not an off-site facility shall be classified as a 41404
Class 1 modification requiring prior approval of the director. 41405

(2) Except as provided in section 3734.123 of the Revised 41406
Code, a hazardous waste facility installation and operation permit 41407
may be modified at the request of the director or upon the written 41408
request of the permittee only if any of the following applies: 41409

(a) The permittee desires to accomplish alterations, 41410
additions, or deletions to the permitted facility or to undertake 41411
alterations, additions, deletions, or activities that are 41412
inconsistent with or not authorized by the existing permit; 41413

(b) New information or data justify permit conditions in 41414
addition to or different from those in the existing permit; 41415

(c) The standards, criteria, or rules upon which the existing 41416
permit is based have been changed by new, amended, or rescinded 41417

standards, criteria, or rules, or by judicial decision after the 41418
existing permit was issued, and the change justifies permit 41419
conditions in addition to or different from those in the existing 41420
permit; 41421

(d) The permittee proposes to transfer the permit to another 41422
person. 41423

(3) The director shall approve or disapprove an application 41424
for a modification in accordance with division (D)(2) of this 41425
section and rules adopted under division (K) of this section for 41426
all of the following categories of Class 3 modifications: 41427

(a) Authority to conduct treatment, storage, or disposal at a 41428
site, location, or tract of land that has not been authorized for 41429
the proposed category of treatment, storage, or disposal activity 41430
by the facility's permit; 41431

(b) Modification or addition of a hazardous waste management 41432
unit, as defined in rules adopted under section 3734.12 of the 41433
Revised Code, that results in an increase in a facility's storage 41434
capacity of more than twenty-five per cent over the capacity 41435
authorized by the facility's permit, an increase in a facility's 41436
treatment rate of more than twenty-five per cent over the rate so 41437
authorized, or an increase in a facility's disposal capacity over 41438
the capacity so authorized. The authorized disposal capacity for a 41439
facility shall be calculated from the approved design plans for 41440
the disposal units at that facility. In no case during a five-year 41441
period shall a facility's storage capacity or treatment rate be 41442
modified to increase by more than twenty-five per cent in the 41443
aggregate without the director's approval in accordance with 41444
division (D)(2) of this section. Notwithstanding any provision of 41445
division (I) of this section to the contrary, a request for 41446
modification of a facility's annual total waste receipt limit 41447
shall be classified and approved or disapproved by the director 41448
under division (I)(5) of this section. 41449

(c) Authority to add any of the following categories of regulated activities not previously authorized at a facility by the facility's permit: storage at a facility not previously authorized to store hazardous waste, treatment at a facility not previously authorized to treat hazardous waste, or disposal at a facility not previously authorized to dispose of hazardous waste; or authority to add a category of hazardous waste management unit not previously authorized at the facility by the facility's permit. Notwithstanding any provision of division (I) of this section to the contrary, a request for authority to add or to modify an activity or a hazardous waste management unit for the purposes of performing a corrective action shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(d) Authority to treat, store, or dispose of waste types listed or characterized as reactive or explosive, in rules adopted under section 3734.12 of the Revised Code, or any acute hazardous waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not previously authorized to treat, store, or dispose of those types of wastes by the facility's permit unless the requested authority is limited to wastes that no longer exhibit characteristics meeting the criteria for listing or characterization as reactive or explosive wastes, or for listing as acute hazardous waste, but still are required to carry those waste codes as established in rules adopted under section 3734.12 of the Revised Code because of the requirements established in 40 C.F.R. 261(a) and (e), as amended, that is, the "mixture," "derived-from," or "contained-in" regulations.

(4) A written request for a modification from the permittee shall be submitted to the director and shall contain such information as is necessary to support the request. Requests for modifications shall be acted upon by the director in accordance

with this section and rules adopted under it. 41482

(5) Class 1 modification applications that require prior 41483
approval of the director, as provided in division (I)(1) of this 41484
section or as determined in accordance with rules adopted under 41485
division (K) of this section, Class 2 modification applications, 41486
and Class 3 modification applications that are not described in 41487
divisions (I)(3)(a) to (d) of this section shall be approved or 41488
disapproved by the director in accordance with rules adopted under 41489
division (K) of this section. The board of county commissioners of 41490
the county, the board of township trustees of the township, and 41491
the city manager or mayor of the municipal corporation in which a 41492
hazardous waste facility is located shall receive notification of 41493
any application for a modification for that facility and shall be 41494
considered as interested persons with respect to the director's 41495
consideration of the application. 41496

As used in division (I) of this section: 41497

(a) "Owner" means the person who owns a majority or 41498
controlling interest in a facility. 41499

(b) "Operator" means the person who is responsible for the 41500
overall operation of a facility. 41501

The director shall approve or disapprove an application for a 41502
Class 1 modification that requires the director's approval within 41503
sixty days after receiving the request for modification. The 41504
director shall approve or disapprove an application for a Class 2 41505
modification within three hundred days after receiving the request 41506
for modification. The director shall approve or disapprove an 41507
application for a Class 3 modification within three hundred 41508
sixty-five days after receiving the request for modification. 41509

(6) The approval or disapproval by the director of a Class 1 41510
modification application is not a final action that is appealable 41511
under Chapter 3745. of the Revised Code. The approval or 41512

disapproval by the director of a Class 2 modification or a Class 3 41513
modification is a final action that is appealable under that 41514
chapter. In approving or disapproving a request for a 41515
modification, the director shall consider all comments pertaining 41516
to the request that are received during the public comment period 41517
and the public meetings. The administrative record for appeal of a 41518
final action by the director in approving or disapproving a 41519
request for a modification shall include all comments received 41520
during the public comment period relating to the request for 41521
modification, written materials submitted at the public meetings 41522
relating to the request, and any other documents related to the 41523
director's action. 41524

(7) Notwithstanding any other provision of law to the 41525
contrary, a change or alteration to a hazardous waste facility 41526
described in division (E)(3)(a) or (b) of section 3734.02 of the 41527
Revised Code, or its operations, is a modification for the 41528
purposes of this section. An application for a modification at 41529
such a facility shall be submitted, classified, and approved or 41530
disapproved in accordance with divisions (I)(1) to (6) of this 41531
section in the same manner as a modification to a hazardous waste 41532
facility installation and operation permit. 41533

(J)(1) Except as provided in division (J)(2) of this section, 41534
an owner or operator of a hazardous waste facility that is 41535
operating in accordance with a permit by rule under rules adopted 41536
by the director under division (E)(3)(b) of section 3734.02 of the 41537
Revised Code shall submit either a hazardous waste facility 41538
installation and operation permit application for the facility or 41539
a modification application, whichever is required under division 41540
(J)(1)(a) or (b) of this section, within one hundred eighty days 41541
after the director has requested the application or upon a later 41542
date if the owner or operator demonstrates to the director good 41543
cause for the late submittal. 41544

(a) If the owner or operator does not have a hazardous waste facility installation and operation permit for any hazardous waste treatment, storage, or disposal activities at the facility, the owner or operator shall submit an application for such a permit to the director for the activities authorized by the permit by rule. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the application for the permit in accordance with the procedures governing the approval or disapproval of permit renewals under division (H) of this section.

(b) If the owner or operator has a hazardous waste facility installation and operation permit for hazardous waste treatment, storage, or disposal activities at the facility other than those authorized by the permit by rule, the owner or operator shall submit to the director a request for modification in accordance with division (I) of this section. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the modification application in accordance with division (I)(5) of this section.

Except when in actual conflict with this section, rules governing 41598
the classification of and procedures for the modification of 41599
hazardous waste facility installation and operation permits shall 41600
be substantively and procedurally identical to the regulations 41601
governing hazardous waste facility permitting and permit 41602

facility is authorized to receive daily that is established in the 41728
permit for the facility, and any modifications to that permit, 41729
issued under division (B)(2)(b) of section 3734.05 of the Revised 41730
Code; or the annual license for the facility, and any revisions to 41731
that license, issued under division (B)(2)(a) of section 3734.05 41732
of the Revised Code. If no maximum daily waste receipt is so 41733
established, the annual license fee is sixty thousand dollars 41734

under division (C)(1) of this section and thirty thousand dollars 41735
under division (C)(2) of this section. 41736

(2) The annual license fee for an infectious waste treatment 41737
facility that is an incinerator is one-half the amount shown in 41738
division (C)(1) of this section. 41739

(3) Fees levied under divisions (C)(1) and (2) of this 41740
section shall apply to private operators and to the state and its 41741
political subdivisions and shall be paid within thirty days after 41742
issuance of a license. The fee includes the cost of licensing, all 41743
inspections, and other costs associated with the administration of 41744
the infectious waste provisions of this chapter and rules adopted 41745
under them. Each such license shall specify that it is conditioned 41746
upon payment of the applicable fee to the board of health or the 41747
director, as appropriate, within thirty days after issuance of the 41748
license. 41749

(4) The board of health shall retain two thousand five 41750
hundred dollars of each license fee collected by the board under 41751
divisions (C)(1) and (2) of this section. The moneys retained 41752
shall be paid into a special infectious waste fund, which is 41753
hereby created in each health district, and used solely to 41754
administer and enforce the infectious waste provisions of this 41755
chapter and the rules adopted under them. The remainder of each 41756
license fee collected by the board shall be transmitted to the 41757
director within forty-five days after receipt of the fee. The 41758
director shall transmit these moneys to the treasurer of state to 41759
be credited to the general revenue fund. 41760

Sec. 3734.15. (A) No person shall transport hazardous waste 41761
anywhere in this state unless the person has first ~~registered~~ 41762

registration fee to, the United States department of 41765

transportation in accordance with ~~Chapter 4921. of the Revised~~ 41766
Code 49 C.F.R. 107.601 to 107.620. 41767

For the purposes of this section, "registered transporter" 41768
means any person who ~~is registered~~ has filed an annual 41769
registration statement with ~~and has received a uniform permit from~~ 41770
~~the public utilities commission pursuant to Chapter 4921. of the~~ 41771
~~Revised Code, and paid an annual registration fee to, the United~~ 41772
States department of transportation in accordance with 49 C.F.R. 41773
107.601 to 107.620. 41774

(B) A registered transporter of hazardous waste shall be 41775
responsible for the safe delivery of any hazardous waste that the 41776
registered transporter transports from such time as the registered 41777
transporter obtains the waste until the registered transporter 41778
delivers it to a treatment, storage, or disposal facility 41779
specified in division (F) of section 3734.02 of the Revised Code, 41780
as recorded on the manifest required in division (B) of section 41781
3734.12 of the Revised Code. Any registered transporter who 41782
violates this chapter or any rule adopted under the chapter while 41783
transporting hazardous waste shall be liable for any damage or 41784
injury caused by the violation and for the costs of rectifying the 41785
violation and conditions caused by the violation. 41786

(C) No person who generates hazardous waste shall cause the 41787
waste to be transported by any person who is not a registered 41788
transporter. No person shall accept for treatment, storage, or 41789
disposal any hazardous waste from an unregistered transporter. Any 41790
person who is requested to accept such waste for treatment, 41791
storage, or disposal shall notify the director, the board of 41792
health in the person's location, and the public utilities 41793

If a generator causes an unregistered transporter to 41795
transport the hazardous waste, the generator of the waste, the 41796
transporter, and any person who accepts the waste for treatment, 41797

storage, or disposal shall be jointly and severally liable for any 41798
damage or injury caused by the handling of the waste and for the 41799
costs of rectifying their violation and conditions caused by their 41800
violation. 41801

Sec. 3734.57. (A) The following fees are hereby levied on the 41802
transfer or disposal of solid wastes in this state: 41803

(1) Ninety cents per ton through June 30, ~~2018~~ 2020, twenty 41804
cents of the proceeds of which shall be deposited in the state 41805
treasury to the credit of the hazardous waste facility management 41806
fund created in section 3734.18 of the Revised Code and seventy 41807
cents of the proceeds of which shall be deposited in the state 41808
treasury to the credit of the hazardous waste clean-up fund 41809
created in section 3734.28 of the Revised Code; 41810

(2) An additional seventy-five cents per ton through June 30, 41811
~~2018~~ 2020, the proceeds of which shall be deposited in the state 41812

section 3734.061 of the Revised Code. 41814

(3) An additional two dollars and eighty-five cents per ton 41815
through June 30, ~~2018~~ 2020, the proceeds of which shall be 41816
deposited in the state treasury to the credit of the environmental 41817
protection fund created in section 3745.015 of the Revised Code; 41818

(4) An additional twenty-five cents per ton through June 30, 41819
~~2018~~ 2020, the proceeds of which shall be deposited in the state 41820
treasury to the credit of the soil and water conservation district 41821
assistance fund created in section 940.15 of the Revised Code. 41822

In the case of solid wastes that are taken to a solid waste 41823
transfer facility located in this state prior to being transported 41824
for disposal at a solid waste disposal facility located in this 41825
state or outside of this state, the fees levied under this 41826
division shall be collected by the owner or operator of the 41827

transfer facility as a trustee for the state. The amount of fees 41828
required to be collected under this division at such a transfer 41829
facility shall equal the total tonnage of solid wastes received at 41830
the facility multiplied by the fees levied under this division. In 41831
the case of solid wastes that are not taken to a solid waste 41832
transfer facility located in this state prior to being transported 41833
to a solid waste disposal facility, the fees shall be collected by 41834
the owner or operator of the solid waste disposal facility as a 41835
trustee for the state. The amount of fees required to be collected 41836
under this division at such a disposal facility shall equal the 41837
total tonnage of solid wastes received at the facility that was 41838
not previously taken to a solid waste transfer facility located in 41839
this state multiplied by the fees levied under this division. Fees 41840
levied under this division do not apply to materials separated 41841
from a mixed waste stream for recycling by a generator or 41842
materials removed from the solid waste stream through recycling, 41843
as "recycling" is defined in rules adopted under section 3734.02 41844
of the Revised Code. 41845

The owner or operator of a solid waste transfer facility or 41846
disposal facility, as applicable, shall prepare and file with the 41847
director of environmental protection each month a return 41848
indicating the total tonnage of solid wastes received at the 41849
facility during that month and the total amount of the fees 41850
required to be collected under this division during that month. In 41851
addition, the owner or operator of a solid waste disposal facility 41852
shall indicate on the return the total tonnage of solid wastes 41853
received from transfer facilities located in this state during 41854
that month for which the fees were required to be collected by the 41855
transfer facilities. The monthly returns shall be filed on a form 41856
prescribed by the director. Not later than thirty days after the 41857
last day of the month to which a return applies, the owner or 41858
operator shall mail to the director the return for that month 41859
together with the fees required to be collected under this 41860

division during that month as indicated on the return or may 41861
submit the return and fees electronically in a manner approved by 41862
the director. If the return is filed and the amount of the fees 41863
due is paid in a timely manner as required in this division, the 41864
owner or operator may retain a discount of three-fourths of one 41865
per cent of the total amount of the fees that are required to be 41866
paid as indicated on the return. 41867

The owner or operator may request an extension of not more 41868
than thirty days for filing the return and remitting the fees, 41869
provided that the owner or operator has submitted such a request 41870
in writing to the director together with a detailed description of 41871
why the extension is requested, the director has received the 41872
request not later than the day on which the return is required to 41873
be filed, and the director has approved the request. If the fees 41874
are not remitted within thirty days after the last day of the 41875
month to which the return applies or are not remitted by the last 41876
day of an extension approved by the director, the owner or 41877
operator shall not retain the three-fourths of one per cent 41878
discount and shall pay an additional ten per cent of the amount of 41879
the fees for each month that they are late. For purposes of 41880
calculating the late fee, the first month in which fees are late 41881
begins on the first day after the deadline has passed for timely 41882
submitting the return and fees, and one additional month shall be 41883
counted every thirty days thereafter. 41884

The owner or operator of a solid waste facility may request a 41885
refund or credit of fees levied under this division and remitted 41886
to the director that have not been paid to the owner or operator. 41887
Such a request shall be made only if the fees have not been 41888
collected by the owner or operator, have become a debt that has 41889
become worthless or uncollectable for a period of six months or 41890
more, and may be claimed as a deduction, including a deduction 41891
claimed if the owner or operator keeps accounts on an accrual 41892

basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 41893
U.S.C. 166, as amended, and regulations adopted under it. Prior to 41894
making a request for a refund or credit, an owner or operator 41895
shall make reasonable efforts to collect the applicable fees. A 41896
request for a refund or credit shall not include any costs 41897
resulting from those efforts to collect unpaid fees. 41898

A request for a refund or credit of fees shall be made in 41899
writing, on a form prescribed by the director, and shall be 41900
supported by evidence that may be required in rules adopted by the 41901
director under this chapter. After reviewing the request, and if 41902
the request and evidence submitted with the request indicate that 41903
a refund or credit is warranted, the director shall grant a refund 41904
to the owner or operator or shall permit a credit to be taken by 41905
the owner or operator on a subsequent monthly return submitted by 41906
the owner or operator. The amount of a refund or credit shall not 41907
exceed an amount that is equal to ninety days' worth of fees owed 41908
to an owner or operator by a particular debtor of the owner or 41909
operator. A refund or credit shall not be granted by the director 41910
to an owner or operator more than once in any twelve-month period 41911
for fees owed to the owner or operator by a particular debtor. 41912

If, after receiving a refund or credit from the director, an 41913
owner or operator receives payment of all or part of the fees, the 41914
owner or operator shall remit the fees with the next monthly 41915
return submitted to the director together with a written 41916
explanation of the reason for the submittal. 41917

For purposes of computing the fees levied under this division 41918
or division (B) of this section, any solid waste transfer or 41919
disposal facility that does not use scales as a means of 41920
determining gate receipts shall use a conversion factor of three 41921
cubic yards per ton of solid waste or one cubic yard per ton for 41922
baled waste, as applicable. 41923

The fees levied under this division and divisions (B) and (C) 41924

of this section are in addition to all other applicable fees and 41925
taxes and shall be paid by the customer or a political subdivision 41926
to the owner or operator of a solid waste transfer or disposal 41927
facility. In the alternative, the fees shall be paid by a customer 41928
or political subdivision to a transporter of waste who 41929
subsequently transfers the fees to the owner or operator of such a 41930
facility. The fees shall be paid notwithstanding the existence of 41931
any provision in a contract that the customer or a political 41932
subdivision may have with the owner or operator or with a 41933
transporter of waste to the facility that would not require or 41934
allow such payment regardless of whether the contract was entered 41935
prior to or after October 16, 2009. For those purposes, "customer" 41936
means a person who contracts with, or utilizes the solid waste 41937
services of, the owner or operator of a solid waste transfer or 41938
disposal facility or a transporter of solid waste to such a 41939
facility. 41940

(B) For the purposes specified in division (G) of this 41941
section, the solid waste management policy committee of a county 41942
or joint solid waste management district may levy fees upon the 41943
following activities: 41944

(1) The disposal at a solid waste disposal facility located 41945
in the district of solid wastes generated within the district; 41946

(2) The disposal at a solid waste disposal facility within 41947
the district of solid wastes generated outside the boundaries of 41948
the district, but inside this state; 41949

(3) The disposal at a solid waste disposal facility within 41950
the district of solid wastes generated outside the boundaries of 41951
this state. 41952

The solid waste management plan of the county or joint 41953
district approved under section 3734.521 or 3734.55 of the Revised 41954
Code and any amendments to it, or the resolution adopted under 41955

this division, as appropriate, shall establish the rates of the 41956
fees levied under divisions (B)(1), (2), and (3) of this section, 41957
if any, and shall specify whether the fees are levied on the basis 41958
of tons or cubic yards as the unit of measurement. A solid waste 41959
management district that levies fees under this division on the 41960
basis of cubic yards shall do so in accordance with division (A) 41961
of this section. 41962

The fee levied under division (B)(1) of this section shall be 41963
not less than one dollar per ton nor more than two dollars per 41964
ton, the fee levied under division (B)(2) of this section shall be 41965
not less than two dollars per ton nor more than four dollars per 41966
ton, and the fee levied under division (B)(3) of this section 41967
shall be not more than the fee levied under division (B)(1) of 41968
this section. 41969

Prior to the approval of the solid waste management plan of a 41970
district under section 3734.55 of the Revised Code, the solid 41971
waste management policy committee of a district may levy fees 41972
under this division by adopting a resolution establishing the 41973
proposed amount of the fees. Upon adopting the resolution, the 41974
committee shall deliver a copy of the resolution to the board of 41975
county commissioners of each county forming the district and to 41976
the legislative authority of each municipal corporation and 41977
township under the jurisdiction of the district and shall prepare 41978
and publish the resolution and a notice of the time and location 41979
where a public hearing on the fees will be held. Upon adopting the 41980
resolution, the committee shall deliver written notice of the 41981
adoption of the resolution; of the amount of the proposed fees; 41982
and of the date, time, and location of the public hearing to the 41983
director and to the fifty industrial, commercial, or institutional 41984
generators of solid wastes within the district that generate the 41985
largest quantities of solid wastes, as determined by the 41986
committee, and to their local trade associations. The committee 41987

shall make good faith efforts to identify those generators within 41988
the district and their local trade associations, but the 41989
nonprovision of notice under this division to a particular 41990
generator or local trade association does not invalidate the 41991
proceedings under this division. The publication shall occur at 41992
least thirty days before the hearing. After the hearing, the 41993
committee may make such revisions to the proposed fees as it 41994
considers appropriate and thereafter, by resolution, shall adopt 41995
the revised fee schedule. Upon adopting the revised fee schedule, 41996
the committee shall deliver a copy of the resolution doing so to 41997
the board of county commissioners of each county forming the 41998
district and to the legislative authority of each municipal 41999
corporation and township under the jurisdiction of the district. 42000
Within sixty days after the delivery of a copy of the resolution 42001
adopting the proposed revised fees by the policy committee, each 42002
such board and legislative authority, by ordinance or resolution, 42003
shall approve or disapprove the revised fees and deliver a copy of 42004
the ordinance or resolution to the committee. If any such board or 42005
legislative authority fails to adopt and deliver to the policy 42006
committee an ordinance or resolution approving or disapproving the 42007
revised fees within sixty days after the policy committee 42008
delivered its resolution adopting the proposed revised fees, it 42009
shall be conclusively presumed that the board or legislative 42010
authority has approved the proposed revised fees. The committee 42011
shall determine if the resolution has been ratified in the same 42012
manner in which it determines if a draft solid waste management 42013
plan has been ratified under division (B) of section 3734.55 of 42014
the Revised Code. 42015

The committee may amend the schedule of fees levied pursuant 42016
to a resolution adopted and ratified under this division by 42017
adopting a resolution establishing the proposed amount of the 42018
amended fees. The committee may repeal the fees levied pursuant to 42019
such a resolution by adopting a resolution proposing to repeal 42020

them. Upon adopting such a resolution, the committee shall proceed 42021
to obtain ratification of the resolution in accordance with this 42022
division. 42023

Not later than fourteen days after declaring the new fees to 42024
be ratified or the fees to be repealed under this division, the 42025
committee shall notify by certified mail the owner or operator of 42026
each solid waste disposal facility that is required to collect the 42027
fees of the ratification and the amount of the fees or of the 42028
repeal of the fees. Collection of any fees shall commence or 42029
collection of repealed fees shall cease on the first day of the 42030
second month following the month in which notification is sent to 42031
the owner or operator. 42032

Fees levied under this division also may be established, 42033
amended, or repealed by a solid waste management policy committee 42034
through the adoption of a new district solid waste management 42035
plan, the adoption of an amended plan, or the amendment of the 42036
plan or amended plan in accordance with sections 3734.55 and 42037
3734.56 of the Revised Code or the adoption or amendment of a 42038
district plan in connection with a change in district composition 42039
under section 3734.521 of the Revised Code. 42040

Not later than fourteen days after the director issues an 42041
order approving a district's solid waste management plan, amended 42042
plan, or amendment to a plan or amended plan that establishes, 42043
amends, or repeals a schedule of fees levied by the district, the 42044
committee shall notify by certified mail the owner or operator of 42045
each solid waste disposal facility that is required to collect the 42046
fees of the approval of the plan or amended plan, or the amendment 42047
to the plan, as appropriate, and the amount of the fees, if any. 42048
In the case of an initial or amended plan approved under section 42049
3734.521 of the Revised Code in connection with a change in 42050
district composition, other than one involving the withdrawal of a 42051
county from a joint district, the committee, within fourteen days 42052

after the change takes effect pursuant to division (G) of that 42053
section, shall notify by certified mail the owner or operator of 42054
each solid waste disposal facility that is required to collect the 42055
fees that the change has taken effect and of the amount of the 42056
fees, if any. Collection of any fees shall commence or collection 42057
of repealed fees shall cease on the first day of the second month 42058
following the month in which notification is sent to the owner or 42059
operator. 42060

If, in the case of a change in district composition involving 42061
the withdrawal of a county from a joint district, the director 42062
completes the actions required under division (G)(1) or (3) of 42063
section 3734.521 of the Revised Code, as appropriate, forty-five 42064
days or more before the beginning of a calendar year, the policy 42065
committee of each of the districts resulting from the change that 42066
obtained the director's approval of an initial or amended plan in 42067
connection with the change, within fourteen days after the 42068
director's completion of the required actions, shall notify by 42069
certified mail the owner or operator of each solid waste disposal 42070
facility that is required to collect the district's fees that the 42071
change is to take effect on the first day of January immediately 42072
following the issuance of the notice and of the amount of the fees 42073
or amended fees levied under divisions (B)(1) to (3) of this 42074
section pursuant to the district's initial or amended plan as so 42075
approved or, if appropriate, the repeal of the district's fees by 42076
that initial or amended plan. Collection of any fees set forth in 42077
such a plan or amended plan shall commence on the first day of 42078
January immediately following the issuance of the notice. If such 42079
an initial or amended plan repeals a schedule of fees, collection 42080
of the fees shall cease on that first day of January. 42081

If, in the case of a change in district composition involving 42082
the withdrawal of a county from a joint district, the director 42083
completes the actions required under division (G)(1) or (3) of 42084

section 3734.521 of the Revised Code, as appropriate, less than 42085
forty-five days before the beginning of a calendar year, the 42086
director, on behalf of each of the districts resulting from the 42087
change that obtained the director's approval of an initial or 42088
amended plan in connection with the change proceedings, shall 42089
notify by certified mail the owner or operator of each solid waste 42090
disposal facility that is required to collect the district's fees 42091
that the change is to take effect on the first day of January 42092
immediately following the mailing of the notice and of the amount 42093
of the fees or amended fees levied under divisions (B)(1) to (3) 42094
of this section pursuant to the district's initial or amended plan 42095
as so approved or, if appropriate, the repeal of the district's 42096
fees by that initial or amended plan. Collection of any fees set 42097
forth in such a plan or amended plan shall commence on the first 42098
day of the second month following the month in which notification 42099
is sent to the owner or operator. If such an initial or amended 42100
plan repeals a schedule of fees, collection of the fees shall 42101
cease on the first day of the second month following the month in 42102
which notification is sent to the owner or operator. 42103

If the schedule of fees that a solid waste management 42104
district is levying under divisions (B)(1) to (3) of this section 42105
is amended or repealed, the fees in effect immediately prior to 42106
the amendment or repeal shall continue to be collected until 42107
collection of the amended fees commences or collection of the 42108
repealed fees ceases, as applicable, as specified in this 42109
division. In the case of a change in district composition, money 42110
so received from the collection of the fees of the former 42111
districts shall be divided among the resulting districts in 42112
accordance with division (B) of section 343.012 of the Revised 42113
Code and the agreements entered into under division (B) of section 42114
343.01 of the Revised Code to establish the former and resulting 42115
districts and any amendments to those agreements. 42116

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. section, each sewage sludge facility shall pay a minimum annual
sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage
sludge facility that treats or disposes of exceptional quality
sludge in this state shall be thirty-five per cent less per dry
ton of exceptional quality sludge than the fee assessed under
division (Y)(1) of this section, subject to the following
exceptions:

(i) Except as provided in division (Y)(2)(d) of this section,
a sewage sludge facility that treats or disposes of exceptional
quality sludge shall pay a minimum annual sewage sludge fee of one
hundred dollars.

(ii) A sewage sludge facility that treats or disposes of
exceptional quality sludge shall not be required to pay the annual
sludge fee for treatment or disposal in this state of exceptional
quality sludge generated outside of this state and contained in
bags or other containers not greater than one hundred pounds in
capacity.

A thirty-five per cent reduction for exceptional quality
sludge applies to the maximum annual fees established under
division (Y)(3) of this section.

(c) A sewage sludge facility that transfers sewage sludge to
another sewage sludge facility in this state for further treatment
prior to disposal in this state shall not be required to pay the
annual sludge fee for the tons of sewage sludge that have been
transferred. In such a case, the sewage sludge facility that
disposes of the sewage sludge shall pay the annual sludge fee.
However, the facility transferring the sewage sludge shall pay the
one-hundred-dollar minimum fee required under division (Y)(2)(a)
of this section.

In the case of a sewage sludge facility that treats sewage

sludge in this state and transfers it out of this state to another 44292
entity for disposal, the sewage sludge facility in this state 44293
shall be required to pay the annual sludge fee for the tons of 44294
sewage sludge that have been transferred. 44295

(d) A sewage sludge facility that generates sewage sludge 44296
resulting from an average daily discharge flow of less than five 44297
thousand gallons per day is not subject to the fees assessed under 44298
division (Y) of this section. 44299

(3) No sewage sludge facility required to pay the annual 44300
sludge fee shall be required to pay more than the maximum annual 44301
fee for each disposal method that the sewage sludge facility uses. 44302
The maximum annual fee does not include the additional amount that 44303
may be charged under division (Y)(5) of this section for late 44304
payment of the annual sludge fee. The maximum annual fee for the 44305
following methods of disposal of sewage sludge is as follows: 44306

(a) Incineration: five thousand dollars; 44307

(b) Preexisting land reclamation project or disposal in a 44308
landfill: five thousand dollars; 44309

(c) Land application, land reclamation, surface disposal, or 44310
any other disposal method not specified in division (Y)(3)(a) or 44311
(b) of this section: twenty thousand dollars. 44312

(4)(a) In the case of an entity that generates sewage sludge 44313
or a sewage sludge facility that treats sewage sludge and 44314
transfers the sewage sludge to an incineration facility for 44315
disposal, the incineration facility, and not the entity generating 44316
the sewage sludge or the sewage sludge facility treating the 44317
sewage sludge, shall pay the annual sludge fee for the tons of 44318
sewage sludge that are transferred. However, the entity or 44319
facility generating or treating the sewage sludge shall pay the 44320
one-hundred-dollar minimum fee required under division (Y)(2)(a) 44321
of this section. 44322

(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall

issue with the notification a new invoice to the person 44355
identifying the amount of the annual sludge fee assessed and 44356
stating the first day of July as the deadline for payment. 44357

Not later than the first day of July, any person who is 44358
required to do so shall pay the annual sludge fee. Any person who 44359
is required to pay the fee, but who fails to do so on or before 44360
that date shall pay an additional amount that equals ten per cent 44361
of the required annual sludge fee. 44362

(6) The director shall transmit all moneys collected under 44363
division (Y) of this section to the treasurer of state for deposit 44364
into the surface water protection fund created in section 6111.038 44365
of the Revised Code. The moneys shall be used to defray the costs 44366
of administering and enforcing provisions in Chapter 6111. of the 44367
Revised Code and rules adopted under it that govern the use, 44368
storage, treatment, or disposal of sewage sludge. 44369

(7) Beginning in fiscal year 2001, and every two years 44370
thereafter, the director shall review the total amount of moneys 44371
generated by the annual sludge fees to determine if that amount 44372
exceeded six hundred thousand dollars in either of the two 44373
preceding fiscal years. If the total amount of moneys in the fund 44374
exceeded six hundred thousand dollars in either fiscal year, the 44375
director, after review of the fee structure and consultation with 44376
affected persons, shall issue an order reducing the amount of the 44377
fees levied under division (Y) of this section so that the 44378
estimated amount of moneys resulting from the fees will not exceed 44379
six hundred thousand dollars in any fiscal year. 44380

If, upon review of the fees under division (Y)(7) of this 44381
section and after the fees have been reduced, the director 44382
determines that the total amount of moneys collected and 44383
accumulated is less than six hundred thousand dollars, the 44384
director, after review of the fee structure and consultation with 44385
affected persons, may issue an order increasing the amount of the 44386

fees levied under division (Y) of this section so that the 44387
estimated amount of moneys resulting from the fees will be 44388
approximately six hundred thousand dollars. Fees shall never be 44389
increased to an amount exceeding the amount specified in division 44390
(Y)(7) of this section. 44391

Notwithstanding section 119.06 of the Revised Code, the 44392
director may issue an order under division (Y)(7) of this section 44393
without the necessity to hold an adjudicatory hearing in 44394
connection with the order. The issuance of an order under this 44395
division is not an act or action for purposes of section 3745.04 44396
of the Revised Code. 44397

video lottery technology provider, independent testing laboratory, 45155
or gaming employee, including suspension or revocation without 45156
affording an opportunity for a prior hearing under section 119.07 45157

(2) If the governor directs the director to do so, the director shall enter into an agreement with other lottery jurisdictions to conduct statewide joint lottery games. If the governor signs the agreement personally or by means of an authenticating officer pursuant to section 107.15 of the Revised Code, the director then may conduct statewide joint lottery games under the agreement.

Sec. 3770.03. (A) The state lottery commission shall promulgate rules under which a statewide lottery may be conducted, which includes, and since the original enactment of this section has included, the authority for the commission to operate video lottery terminal games. Any reference in this chapter to tickets

shall not be construed to in any way limit the authority of the 45221
commission to operate video lottery terminal games. Nothing in 45222
this chapter shall restrict the authority of the commission to 45223
promulgate rules related to the operation of games utilizing video 45224
lottery terminals as described in section 3770.21 of the Revised 45225
Code. The rules shall be promulgated pursuant to Chapter 119. of 45226
the Revised Code, except that instant game rules shall be 45227
promulgated pursuant to section 111.15 of the Revised Code but are 45228
not subject to division (D) of that section. Subjects covered in 45229
these rules shall include, but need not be limited to, the 45230

(1) The type of lottery to be conducted; 45232

(2) The prices of tickets in the lottery; 45233

(3) The number, nature, and value of prize awards, the manner 45234

shall be awarded to holders of winning tickets. 45236

(B) The commission shall promulgate rules, in addition to 45237
those described in division (A) of this section, pursuant to 45238
Chapter 119. of the Revised Code under which a statewide lottery 45239
and statewide joint lottery games may be conducted. Subjects 45240
covered in these rules shall include, but not be limited to, the 45241
following: 45242

(1) The locations at which lottery tickets may be sold and 45243

the sale of lottery tickets by commission personnel or other 45245
licensed individuals from traveling show wagons at the state fair, 45246
and at any other expositions the director of the commission 45247
considers acceptable. These rules shall prohibit commission 45248
personnel or other licensed individuals from soliciting from an 45249
exposition the right to sell lottery tickets at that exposition, 45250
but shall allow commission personnel or other licensed individuals 45251

to sell lottery tickets at an exposition if the exposition 45252
requests commission personnel or licensed individuals to do so. 45253
These rules may also address the accessibility of sales agent 45254
locations to commission products in accordance with the "Americans 45255
with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101 45256
et seq. 45257

sales agents consistent with section 3770.05 of the Revised Code, 45265
and procedures for revoking or suspending their licenses 45266
consistent with Chapter 119. of the Revised Code. If 45267
circumstances, such as the nonpayment of funds owed by a lottery 45268
sales agent, or other circumstances related to the public safety, 45269
convenience, or trust, require immediate action, the director may 45270
suspend a license without affording an opportunity for a prior 45271
hearing under section 119.07 of the Revised Code. 45272

(5) Special game rules to implement any agreements signed by 45273
the governor that the director enters into with other lottery 45274
jurisdictions under division (J) of section 3770.02 of the Revised 45275
Code to conduct statewide joint lottery games. The rules shall 45276
require that the entire net proceeds of those games that remain, 45277
after associated operating expenses, prize disbursements, lottery 45278
sales agent bonuses, commissions, and reimbursements, and any 45279
other expenses necessary to comply with the agreements or the 45280

including the establishment of any fees, fines, ~~or~~ payment 45286
schedules, or the establishment of a voluntary exclusion program. 45287

(C) Chapter 2915. of the Revised Code does not apply to, 45288

standards governing the display of advertising and celebrity 45292
images on lottery tickets and on other items that are used in the 45293
conduct of, or to promote, the statewide lottery and statewide 45294
joint lottery games. Any revenue derived from the sale of 45295
advertising displayed on lottery tickets and on those other items 45296
shall be considered, for purposes of section 3770.06 of the 45297
Revised Code, to be related proceeds in connection with the 45298
statewide lottery or gross proceeds from statewide joint lottery 45299
games, as applicable. 45300

(E)(1) The commission shall meet with the director at least 45301
once each month and shall convene other meetings at the request of 45302
the chairperson or any five of the members. No action taken by the 45303
commission shall be binding unless at least five of the members 45304
present vote in favor of the action. A written record shall be 45305
made of the proceedings of each meeting and shall be transmitted 45306

each month, showing the total revenues, prize disbursements, and 45311
operating expenses of the state lottery for the preceding month. 45312
As soon as practicable after the end of each fiscal year, the 45313
commission shall prepare and transmit to the governor and the 45314
general assembly a report of lottery revenues, prize 45315

disbursements, and operating expenses for the preceding fiscal 45316
year and any recommendations for legislation considered necessary 45317
by the commission. 45318

Sec. 3770.06. (A) There is hereby created the state lottery 45319
gross revenue fund, which shall be in the custody of the treasurer 45320
of state but shall not be part of the state treasury. All gross 45321
revenues received from sales of lottery tickets, fines, fees, and 45322
related proceeds in connection with the statewide lottery and all 45323
gross proceeds from statewide joint lottery games shall be 45324
deposited into the fund. The treasurer of state shall invest any 45325
portion of the fund not needed for immediate use in the same 45326
manner as, and subject to all provisions of law with respect to 45327
the investment of, state funds. The treasurer of state shall 45328
disburse money from the fund on order of the director of the state 45329
lottery commission or the director's designee. 45330

Except for gross proceeds from statewide joint lottery games, 45331
all revenues of the state lottery gross revenue fund that are not 45332
paid to holders of winning lottery tickets, that are not required 45333
to meet short-term prize liabilities, that are not credited to 45334
lottery sales agents in the form of bonuses, commissions, or 45335
reimbursements, that are not paid to financial institutions to 45336
reimburse those institutions for sales agent nonsufficient funds, 45337
and that are collected from sales agents for remittance to 45338
insurers under contract to provide sales agent bonding services 45339
shall be transferred to the state lottery fund, which is hereby 45340
created in the state treasury. In addition, all revenues of the 45341
state lottery gross revenue fund that represent the gross proceeds 45342
from the statewide joint lottery games and that are not paid to 45343
holders of winning lottery tickets, that are not required to meet 45344
short-term prize liabilities, that are not credited to lottery 45345
sales agents in the form of bonuses, commissions, or 45346
reimbursements, and that are not necessary to cover operating 45347

expenses associated with those games or to otherwise comply with 45348
the agreements signed by the governor that the director enters 45349
into under division (J) of section 3770.02 of the Revised Code or 45350
the rules the commission adopts under division (B)(5) of section 45351
3770.03 of the Revised Code shall be transferred to the state 45352
lottery fund. All investment earnings of the fund shall be 45353
credited to the fund. Moneys shall be disbursed from the fund 45354
pursuant to vouchers approved by the director. Total disbursements 45355
for monetary prize awards to holders of winning lottery tickets in 45356
connection with the statewide lottery and purchases of goods and 45357
services awarded as prizes to holders of winning lottery tickets 45358
shall be of an amount equal to at least fifty per cent of the 45359
total revenue accruing from the sale of lottery tickets. 45360

(B) Pursuant to Section 6 of Article XV, Ohio Constitution, 45361
there is hereby established in the state treasury the lottery 45362
profits education fund. Whenever, in the judgment of the director 45363
of the state lottery commission, the amount to the credit of the 45364
state lottery fund that does not represent proceeds from statewide 45365
joint lottery games is in excess of that needed to meet the 45366
maturing obligations of the commission and as working capital for 45367
its further operations, the director of the state lottery 45368
commission shall recommend the amount of the excess to be 45369
transferred to the lottery profits education fund, and the 45370
director of budget and management may transfer the excess to the 45371
lottery profits education fund in connection with the statewide 45372
lottery. In addition, whenever, in the judgment of the director of 45373
the state lottery commission, the amount to the credit of the 45374
state lottery fund that represents proceeds from statewide joint 45375
lottery games equals the entire net proceeds of those games as 45376
described in division (B)(5) of section 3770.03 of the Revised 45377
Code and the rules adopted under that division, the director of 45378
the state lottery commission shall recommend the amount of the 45379
proceeds to be transferred to the lottery profits education fund, 45380

and the director of budget and management may transfer those 45381
proceeds to the lottery profits education fund. Investment 45382
earnings of the lottery profits education fund shall be credited 45383
to the fund. 45384

The lottery profits education fund shall be used solely for 45385
the support of elementary, secondary, vocational, and special 45386
education programs as determined in appropriations made by the 45387
general assembly, or as provided in applicable bond proceedings 45388
for the payment of debt service on obligations issued to pay costs 45389
of capital facilities, including those for a system of common 45390
schools throughout the state pursuant to section 2n of Article 45391
VIII, Ohio Constitution. When determining the availability of 45392
money in the lottery profits education fund, the director of 45393
budget and management may consider all balances and estimated 45394
revenues of the fund. 45395

(C) There is hereby established in the state treasury the 45396
deferred prizes trust fund. With the approval of the director of 45397
budget and management, an amount sufficient to fund annuity prizes 45398
shall be transferred from the state lottery fund and credited to 45399
the trust fund. The treasurer of state shall credit all earnings 45400
arising from investments purchased under this division to the 45401
trust fund. Within sixty days after the end of each fiscal year, 45402
the treasurer of state shall certify to the director of budget and 45403
management whether the actuarial amount of the trust fund is 45404
sufficient over the fund's life for continued funding of all 45405
remaining deferred prize liabilities as of the last day of the 45406
fiscal year just ended. Also, within that sixty days, the director 45407
of budget and management shall certify the amount of investment 45408
earnings necessary to have been credited to the trust fund during 45409
the fiscal year just ending to provide for such continued funding 45410
of deferred prizes. Any earnings credited in excess of the latter 45411
certified amount shall be transferred to the lottery profits 45412

education fund. 45413

To provide all or a part of the amounts necessary to fund 45414
deferred prizes awarded by the commission in connection with the 45415
statewide lottery, the treasurer of state, in consultation with 45416
the commission, may invest moneys contained in the deferred prizes 45417
trust fund which represents proceeds from the statewide lottery in 45418
obligations of the type permitted for the investment of state 45419
funds but whose maturities are thirty years or less. 45420
Notwithstanding the requirements of any other section of the 45421
Revised Code, to provide all or part of the amounts necessary to 45422
fund deferred prizes awarded by the commission in connection with 45423
statewide joint lottery games, the treasurer of state, in 45424
consultation with the commission, may invest moneys in the trust 45425
fund which represent proceeds derived from the statewide joint 45426
lottery games in accordance with the rules the commission adopts 45427
under division (B)(5) of section 3770.03 of the Revised Code. 45428
Investments of the trust fund are not subject to the provisions of 45429
division (A)(10) of section 135.143 of the Revised Code limiting 45430
to twenty-five per cent the amount of the state's total average 45431
portfolio that may be invested in debt interests other than 45432
commercial paper and limiting to five per cent the amount that may 45433
be invested in debt interests, including commercial paper, of a 45434
single issuer. 45435

All purchases made under this division shall be effected on a 45436
delivery versus payment method and shall be in the custody of the 45437
treasurer of state. 45438

The treasurer of state may retain an investment advisor, if 45439
necessary. The commission shall pay any costs incurred by the 45440
treasurer of state in retaining an investment advisor. 45441

(D) The auditor of state shall conduct annual audits of all 45442
funds and any other audits as the auditor of state or the general 45443
assembly considers necessary. The auditor of state may examine all 45444

records, files, and other documents of the commission, and records 45445
of lottery sales agents that pertain to their activities as 45446
agents, for purposes of conducting authorized audits. 45447

(E) The state lottery commission shall establish an internal 45448
audit plan before the beginning of each fiscal year, subject to 45449
the approval of the office of internal audit in the office of 45450

(ii) The director may waive the requirement that a claimant 46071
be actively seeking work when the director finds that the 46072
individual has been laid off and the employer who laid the 46073
individual off has notified the director within ten days after the 46074
layoff, that work is expected to be available for the individual 46075

this waiver shall cease to be operative with respect to that 46079
layoff. 46080

(iii) The director may waive the requirement that a claimant 46081
be actively seeking work if the director determines that the 46082
individual has been laid off and the employer who laid the 46083
individual off has notified the director in accordance with 46084
division (C) of section 4141.28 of the Revised Code that the 46085
employer has closed the employer's entire plant or part of the 46086
employer's plant for a purpose other than inventory or vacation 46087
that will cause unemployment for a definite period not exceeding 46088
twenty-six weeks beginning on the date the employer notifies the 46089
director, for the period of the specific shutdown, if all of the 46090

an individual from meeting the other requirements specified in 46102
division (A)(4)(a)(i) of this section to be able to work and 46103
otherwise fully be available for work. An exemption granted under 46104
division (A)(4)(a)(iii) of this section may be granted only with 46105
respect to a specific plant closing. 46106

(b)(i) The individual shall be instructed as to the efforts 46107

information provided by the individual at the time of 46121
registration. For each week that the individual claims benefits, 46122
the individual shall keep a record of the individual's work search 46123

efforts and shall produce that record in the manner and means 46124
prescribed by the director. 46125

(iii) No individual shall be required to register with the 46126
OhioMeansJobs web site if the individual is legally prohibited 46127
from using a computer, has a physical or visual impairment that 46128

ability to read, write, speak, or understand a language in which 46130
the OhioMeansJobs web site is available. 46131

division if the individual is participating and advancing in a 46143
training program, as defined in division (P) of section 5709.61 of 46144
the Revised Code, and if an enterprise, defined in division (B) of 46145
section 5709.61 of the Revised Code, is paying all or part of the 46146
cost of the individual's participation in the training program 46147
with the intention of hiring the individual for employment as a 46148
new employee, as defined in division (L) of section 5709.61 of the 46149
Revised Code, for at least ninety days after the individual's 46150
completion of the training program. 46151

regularly established school and whose base period qualifying 46153

division (A)(4)(a) of this section if the individual regularly 46156

(e) An individual who is a member in good standing with a 46163
labor organization that refers individuals to jobs meets the 46164
active search for work requirement specified in division (A)(4)(a) 46165

training of provisions in this chapter, or any applicable federal 46176
unemployment compensation law, relating to availability for work, 46177

waiting period of one week and no benefits shall be payable during 46239
this required waiting period. Not more than one week of waiting 46240
period shall be required of any individual in any benefit year in 46241
order to establish the individual's eligibility for total or 46242
partial unemployment benefits. 46243

(C) The waiting period for total or partial unemployment 46244
shall commence on the first day of the first week with respect to 46245
which the individual first files a claim for benefits at an 46246

for benefits in accordance with the rules of the department of job 46250

director. 46252

(D) Notwithstanding division (A) of this section, no 46253
individual may serve a waiting period or be paid benefits under 46254
the following conditions: 46255

(1) For any week with respect to which the director finds 46256
that: 46257

(a) The individual's unemployment was due to a labor dispute 46258
other than a lockout at any factory, establishment, or other 46259
premises located in this or any other state and owned or operated 46260
by the employer by which the individual is or was last employed; 46261

labor dispute. No individual shall be disqualified under this 46263
provision if either of the following applies: 46264

(i) The individual's employment was with such employer at any 46265
factory, establishment, or premises located in this state, owned 46266
or operated by such employer, other than the factory, 46267

it is shown that the individual is not financing, participating 46269
in, or directly interested in such labor dispute; 46270

(ii) The individual's employment was with an employer not 46271
involved in the labor dispute but whose place of business was 46272

dispute, unless the individual's employer is a wholly owned 46274
subsidiary of the employer engaged in the dispute, or unless the 46275
individual actively participates in or voluntarily stops work 46276
because of such dispute. If it is established that the claimant 46277
was laid off for an indefinite period and not recalled to work 46278
prior to the dispute, or was separated by the employer prior to 46279

the dispute for reasons other than the labor dispute, or that the individual obtained a bona fide job with another employer while the dispute was still in progress, such labor dispute shall not render the employee ineligible for benefits.

(b) The individual has been given a disciplinary layoff for misconduct in connection with the individual's work.

(2) For the duration of the individual's unemployment if the director finds that:

(a) The individual quit work without just cause or has been discharged for just cause in connection with the individual's work, provided division (D)(2) of this section does not apply to the separation of a person under any of the following circumstances:

to the most recent separation where the remuneration, hours, or 46312
other conditions of such concurrent employment were substantially 46313
less favorable than the individual's most recent employment and 46314
where such employment, if offered as new work, would be considered 46315
not suitable under the provisions of divisions (E) and (F) of this 46316
section. Any benefits that would otherwise be chargeable to the 46317
account of the employer from whom an individual has left 46318
employment or was separated from employment that was concurrent 46319
employment under conditions described in division (D)(2)(a)(iii) 46320

(D)(2) of section 4141.24 of the Revised Code. 46327

(iv) When an individual has been issued a definite layoff 46328
date by the individual's employer and before the layoff date, the 46329
individual quits to accept other employment, the provisions of 46330
division (D)(2)(a)(iii) of this section apply and no 46331
disqualification shall be imposed under division (D) of this 46332
section. However, if the individual fails to meet the employment 46333
and earnings requirements of division (A)(2) of section 4141.291 46334
of the Revised Code, then the individual, pursuant to division 46335
(A)(5) of this section, shall be ineligible for benefits for any 46336
week of unemployment that occurs prior to the layoff date. 46337

(b) The individual has refused without good cause to accept 46338
an offer of suitable work when made by an employer either in 46339
person or to the individual's last known address, or has refused 46340
or failed to investigate a referral to suitable work when directed 46341

to do so by a local employment office of this state or another 46342
state, provided that this division shall not cause a 46343
disqualification for a waiting week or benefits under the 46344
following circumstances: 46345

(i) When work is offered by the individual's employer and the 46346
individual is not required to accept the offer pursuant to the 46347
terms of the labor-management contract or agreement; or 46348

(ii) When the individual is attending a training course 46349
pursuant to division (A)(4) of this section except, in the event 46350
of a refusal to accept an offer of suitable work or a refusal or 46351
failure to investigate a referral, benefits thereafter paid to 46352
such individual shall not be charged to the account of any 46353
employer and, except as provided in division (B)(1)(b) of section 46354
4141.241 of the Revised Code, shall be charged to the mutualized 46355
account as provided in division (B) of section 4141.25 of the 46356
Revised Code. 46357

(c) Such individual quit work to marry or because of marital, 46358
parental, filial, or other domestic obligations. 46359

(d) The individual became unemployed by reason of commitment 46360
to any correctional institution. 46361

(e) The individual became unemployed because of dishonesty in 46362
connection with the individual's most recent or any base period 46363
work. Remuneration earned in such work shall be excluded from the 46364
individual's total base period remuneration and qualifying weeks 46365
that otherwise would be credited to the individual for such work 46366
in the individual's base period shall not be credited for the 46367
purpose of determining the total benefits to which the individual 46368
is eligible and the weekly benefit amount to be paid under section 46369
4141.30 of the Revised Code. Such excluded remuneration and 46370
noncredited qualifying weeks shall be excluded from the 46371
calculation of the maximum amount to be charged, under division 46372

(D) of section 4141.24 and section 4141.33 of the Revised Code, 46373
against the accounts of the individual's base period employers. In 46374
addition, no benefits shall thereafter be paid to the individual 46375
based upon such excluded remuneration or noncredited qualifying 46376
weeks. 46377

For purposes of division (D)(2)(e) of this section, 46378
"dishonesty" means the commission of substantive theft, fraud, or 46379
deceitful acts. 46380

(E) No individual otherwise qualified to receive benefits 46381
shall lose the right to benefits by reason of a refusal to accept 46382
new work if: 46383

(1) As a condition of being so employed the individual would 46384
be required to join a company union, or to resign from or refrain 46385
from joining any bona fide labor organization, or would be denied 46386
the right to retain membership in and observe the lawful rules of 46387
any such organization. 46388

(2) The position offered is vacant due directly to a strike, 46389
lockout, or other labor dispute. 46390

(3) The work is at an unreasonable distance from the 46391
individual's residence, having regard to the character of the work 46392
the individual has been accustomed to do, and travel to the place 46393
of work involves expenses substantially greater than that required 46394
for the individual's former work, unless the expense is provided 46395
for. 46396

(4) The remuneration, hours, or other conditions of the work 46397
offered are substantially less favorable to the individual than 46398
those prevailing for similar work in the locality. 46399

(F) Subject to the special exceptions contained in division 46400
(A)(4)(f) of this section and section 4141.301 of the Revised 46401
Code, in determining whether any work is suitable for a claimant 46402
in the administration of this chapter, the director, in addition 46403

to the determination required under division (E) of this section, 46404
shall consider the degree of risk to the claimant's health, 46405
safety, and morals, the individual's physical fitness for the 46406
work, the individual's prior training and experience, the length 46407
of the individual's unemployment, the distance of the available 46408
work from the individual's residence, and the individual's 46409
prospects for obtaining local work. 46410

(G) The "duration of unemployment" as used in this section 46411
means the full period of unemployment next ensuing after a 46412
separation from any base period or subsequent work and until an 46413
individual has become reemployed in employment subject to this 46414
chapter, or the unemployment compensation act of another state, or 46415
of the United States, and until such individual has worked six 46416
weeks and for those weeks has earned or been paid remuneration 46417
equal to six times an average weekly wage of not less than: 46418
eighty-five dollars and ten cents per week beginning on June 26, 46419
1990; and beginning on and after January 1, 1992, twenty-seven and 46420
one-half per cent of the statewide average weekly wage as computed 46421
each first day of January under division (B)(3) of section 4141.30 46422
of the Revised Code, rounded down to the nearest dollar, except 46423
for purposes of division (D)(2)(c) of this section, such term 46424
means the full period of unemployment next ensuing after a 46425
separation from such work and until such individual has become 46426
reemployed subject to the terms set forth above, and has earned 46427
wages equal to one-half of the individual's average weekly wage or 46428
sixty dollars, whichever is less. 46429

(H) If a claimant is disqualified under division (D)(2)(a), 46430
(c), or (d) of this section or found to be qualified under the 46431
exceptions provided in division (D)(2)(a)(i), (iii), or (iv) of 46432
this section or division (A)(2) of section 4141.291 of the Revised 46433
Code, then benefits that may become payable to such claimant, 46434
which are chargeable to the account of the employer from whom the 46435

individual was separated under such conditions, shall be charged 46436
to the mutualized account provided in section 4141.25 of the 46437
Revised Code, provided that no charge shall be made to the 46438
mutualized account for benefits chargeable to a reimbursing 46439
employer, except as provided in division (D)(2) of section 4141.24 46440
of the Revised Code. In the case of a reimbursing employer, the 46441
director shall refund or credit to the account of the reimbursing 46442
employer any over-paid benefits that are recovered under division 46443
(B) of section 4141.35 of the Revised Code. Amounts chargeable to 46444
other states, the United States, or Canada that are subject to 46445
agreements and arrangements that are established pursuant to 46446
section 4141.43 of the Revised Code shall be credited or 46447
reimbursed according to the agreements and arrangements to which 46448
the chargeable amounts are subject. 46449

(I)(1) Benefits based on service in employment as provided in 46450
divisions (B)(2)(a) and (b) of section 4141.01 of the Revised Code 46451
shall be payable in the same amount, on the same terms, and 46452
subject to the same conditions as benefits payable on the basis of 46453
other service subject to this chapter; except that after December 46454
31, 1977: 46455

(a) Benefits based on service in an instructional, research, 46456
or principal administrative capacity in an institution of higher 46457
education, as defined in division (Y) of section 4141.01 of the 46458
Revised Code; or for an educational institution as defined in 46459
division (CC) of section 4141.01 of the Revised Code, shall not be 46460
paid to any individual for any week of unemployment that begins 46461
during the period between two successive academic years or terms, 46462
or during a similar period between two regular but not successive 46463
terms or during a period of paid sabbatical leave provided for in 46464
the individual's contract, if the individual performs such 46465
services in the first of those academic years or terms and has a 46466
contract or a reasonable assurance that the individual will 46467

perform services in any such capacity for any such institution in 46468
the second of those academic years or terms. 46469

(b) Benefits based on service for an educational institution 46470
or an institution of higher education in other than an 46471
instructional, research, or principal administrative capacity, 46472
shall not be paid to any individual for any week of unemployment 46473
which begins during the period between two successive academic 46474
years or terms of the employing educational institution or 46475
institution of higher education, provided the individual performed 46476
those services for the educational institution or institution of 46477
higher education during the first such academic year or term and, 46478
there is a reasonable assurance that such individual will perform 46479
those services for any educational institution or institution of 46480
higher education in the second of such academic years or terms. 46481

If compensation is denied to any individual for any week 46482
under division (I)(1)(b) of this section and the individual was 46483
not offered an opportunity to perform those services for an 46484
institution of higher education or for an educational institution 46485
for the second of such academic years or terms, the individual is 46486
entitled to a retroactive payment of compensation for each week 46487
for which the individual timely filed a claim for compensation and 46488
for which compensation was denied solely by reason of division 46489
(I)(1)(b) of this section. An application for retroactive benefits 46490
shall be timely filed if received by the director or the 46491
director's deputy within or prior to the end of the fourth full 46492
calendar week after the end of the period for which benefits were 46493
denied because of reasonable assurance of employment. The 46494
provision for the payment of retroactive benefits under division 46495
(I)(1)(b) of this section is applicable to weeks of unemployment 46496
beginning on and after November 18, 1983. The provisions under 46497
division (I)(1)(b) of this section shall be retroactive to 46498
September 5, 1982, only if, as a condition for full tax credit 46499

against the tax imposed by the "Federal Unemployment Tax Act," 53 46500
Stat. 183 (1939), 26 U.S.C.A. 3301 to 3311, the United States 46501
secretary of labor determines that retroactivity is required by 46502
federal law. 46503

(c) With respect to weeks of unemployment beginning after 46504
December 31, 1977, benefits shall be denied to any individual for 46505
any week which commences during an established and customary 46506
vacation period or holiday recess, if the individual performs any 46507
services described in divisions (I)(1)(a) and (b) of this section 46508
in the period immediately before the vacation period or holiday 46509
recess, and there is a reasonable assurance that the individual 46510
will perform any such services in the period immediately following 46511
the vacation period or holiday recess. 46512

(d) With respect to any services described in division 46513
(I)(1)(a), (b), or (c) of this section, benefits payable on the 46514
basis of services in any such capacity shall be denied as 46515
specified in division (I)(1)(a), (b), or (c) of this section to 46516
any individual who performs such services in an educational 46517
institution or institution of higher education while in the employ 46518
of an educational service agency. For this purpose, the term 46519
"educational service agency" means a governmental agency or 46520
governmental entity that is established and operated exclusively 46521
for the purpose of providing services to one or more educational 46522
institutions or one or more institutions of higher education. 46523

(e) Any individual employed by a county board of 46524
developmental disabilities shall be notified by the thirtieth day 46525
of April each year if the individual is not to be reemployed the 46526
following academic year. 46527

(f) Any individual employed by a school district, other than 46528
a municipal school district as defined in section 3311.71 of the 46529
Revised Code, shall be notified by the first day of June each year 46530
if the individual is not to be reemployed the following academic 46531

year. 46532

(2) No disqualification will be imposed, between academic 46533
years or terms or during a vacation period or holiday recess under 46534
this division, unless the director or the director's deputy has 46535
received a statement in writing from the educational institution 46536
or institution of higher education that the claimant has a 46537
contract for, or a reasonable assurance of, reemployment for the 46538
ensuing academic year or term. 46539

(3) If an individual has employment with an educational 46540
institution or an institution of higher education and employment 46541
with a noneducational employer, during the base period of the 46542
individual's benefit year, then the individual may become eligible 46543
for benefits during the between-term, or vacation or holiday 46544
recess, disqualification period, based on employment performed for 46545
the noneducational employer, provided that the employment is 46546
sufficient to qualify the individual for benefit rights separately 46547
from the benefit rights based on school employment. The weekly 46548
benefit amount and maximum benefits payable during a 46549
disqualification period shall be computed based solely on the 46550
nonschool employment. 46551

(J) Benefits shall not be paid on the basis of employment 46552
performed by an alien, unless the alien had been lawfully admitted 46553
to the United States for permanent residence at the time the 46554
services were performed, was lawfully present for purposes of 46555
performing the services, or was otherwise permanently residing in 46556
the United States under color of law at the time the services were 46557
performed, under section 212(d)(5) of the "Immigration and 46558
Nationality Act," 66 Stat. 163, 8 U.S.C.A. 1101: 46559

(1) Any data or information required of individuals applying 46560
for benefits to determine whether benefits are not payable to them 46561
because of their alien status shall be uniformly required from all 46562
applicants for benefits. 46563

(2) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to the individual are not payable because of the individual's alien status shall be made except upon a preponderance of the evidence that the individual had not, in fact, been lawfully admitted to the United States.

(K) The director shall establish and utilize a system of profiling all new claimants under this chapter that:

(1) Identifies which claimants will be likely to exhaust regular compensation and will need job search assistance services to make a successful transition to new employment;

(2) Refers claimants identified pursuant to division (K)(1) of this section to reemployment services, such as job search assistance services, available under any state or federal law;

(3) Collects follow-up information relating to the services received by such claimants and the employment outcomes for such claimant's subsequent to receiving such services and utilizes such information in making identifications pursuant to division (K)(1) of this section; and

(4) Meets such other requirements as the United States secretary of labor determines are appropriate.

(L) Except as otherwise provided in division (A)(6) of this section, ineligibility pursuant to division (A) of this section shall begin on the first day of the week in which the claimant becomes ineligible for benefits and shall end on the last day of the week preceding the week in which the claimant satisfies the eligibility requirements.

(M) The director may adopt rules that the director considers necessary for the administration of division (A) of this section.

Sec. 4141.43. (A) The director of job and family services may

cooperate with the industrial commission, the bureau of workers' 46594
compensation, the United States internal revenue service, the 46595
United States employment service, and other similar departments 46596
and agencies, as determined by the director, in the exchange or 46597
disclosure of information as to wages, employment, payrolls, 46598
unemployment, and other information. The director may employ, 46599
jointly with one or more of such agencies or departments, 46600
auditors, examiners, inspectors, and other employees necessary for 46601
the administration of this chapter and employment and training 46602
services for workers in the state. 46603

(B) The director may make the state's record relating to the 46604
administration of this chapter available to the railroad 46605
retirement board and may furnish the board at the board's expense 46606
such copies thereof as the board deems necessary for its purposes. 46607

(C) The director may afford reasonable cooperation with every 46608
agency of the United States charged with the administration of any 46609
unemployment compensation law. 46610

(D) The director may enter into arrangements with the 46611
appropriate agencies of other states or of the United States or 46612
Canada whereby individuals performing services in this and other 46613
states for a single employer under circumstances not specifically 46614
provided for in division (B) of section 4141.01 of the Revised 46615
Code or in similar provisions in the unemployment compensation 46616
laws of such other states shall be deemed to be engaged in 46617
employment performed entirely within this state or within one of 46618
such other states or within Canada, and whereby potential rights 46619
to benefits accumulated under the unemployment compensation laws 46620
of several states or under such a law of the United States, or 46621
both, or of Canada may constitute the basis for the payment of 46622
benefits through a single appropriate agency under terms that the 46623
director finds will be fair and reasonable as to all affected 46624
interests and will not result in any substantial loss to the 46625

unemployment compensation fund. 46626

(E) The director may enter into agreements with the 46627
appropriate agencies of other states or of the United States or 46628
Canada: 46629

(1) Whereby services or wages upon the basis of which an 46630
individual may become entitled to benefits under the unemployment 46631
compensation law of another state or of the United States or 46632
Canada shall be deemed to be employment or wages for employment by 46633
employers for the purposes of qualifying claimants for benefits 46634
under this chapter, and the director may estimate the number of 46635
weeks of employment represented by the wages reported to the 46636
director for such claimants by such other agency, provided such 46637
other state agency or agency of the United States or Canada has 46638
agreed to reimburse the unemployment compensation fund for such 46639
portion of benefits paid under this chapter upon the basis of such 46640
services or wages as the director finds will be fair and 46641
reasonable as to all affected interests; 46642

(2) Whereby the director will reimburse other state or 46643
federal or Canadian agencies charged with the administration of 46644
unemployment compensation laws with such reasonable portion of 46645
benefits, paid under the law of such other states or of the United 46646
States or of Canada upon the basis of employment or wages for 46647
employment by employers, as the director finds will be fair and 46648
reasonable as to all affected interests. Reimbursements so payable 46649
shall be deemed to be benefits for the purpose of section 4141.09 46650
and division (A) of section 4141.30 of the Revised Code. However, 46651
no reimbursement so payable shall be charged against any 46652
employer's account for the purposes of section 4141.24 of the 46653
Revised Code if the employer's account, under the same or similar 46654
circumstances, with respect to benefits charged under the 46655
provisions of this chapter, other than this section, would not be 46656
charged or, if the claimant at the time the claimant files the 46657

combined wage claim cannot establish benefit rights under this 46658
chapter. This noncharging shall not be applicable to a nonprofit 46659
organization that has elected to make payments in lieu of 46660
contributions under section 4141.241 of the Revised Code, except 46661
as provided in division (D)(2) of section 4141.24 of the Revised 46662
Code. The director may make to other state or federal or Canadian 46663
agencies and receive from such other state or federal or Canadian 46664
agencies reimbursements from or to the unemployment compensation 46665
fund, in accordance with arrangements pursuant to this section. 46666

(3) Notwithstanding division (B)(2)(f) of section 4141.01 of 46667
the Revised Code, the director may enter into agreements with 46668
other states whereby services performed for a crew leader, as 46669
defined in division (BB) of section 4141.01 of the Revised Code, 46670
may be covered in the state in which the crew leader either: 46671

(a) Has the crew leader's place of business or from which the 46672
crew leader's business is operated or controlled; 46673

(b) Resides if the crew leader has no place of business in 46674
any state. 46675

(F) The director may apply for an advance to the unemployment 46676
compensation fund and do all things necessary or required to 46677
obtain such advance and arrange for the repayment of such advance 46678
in accordance with Title XII of the "Social Security Act" as 46679
amended. 46680

(G) The director may enter into reciprocal agreements or 46681
arrangements with the appropriate agencies of other states in 46682
regard to services on vessels engaged in interstate or foreign 46683
commerce whereby such services for a single employer, wherever 46684
performed, shall be deemed performed within this state or within 46685
such other states. 46686

(H) The director shall participate in any arrangements for 46687
the payment of compensation on the basis of combining an 46688

individual's wages and employment, covered under this chapter, 46689
with the individual's wages and employment covered under the 46690
unemployment compensation laws of other states which are approved 46691
by the United States secretary of labor in consultation with the 46692
state unemployment compensation agencies as reasonably calculated 46693
to assure the prompt and full payment of compensation in such 46694
situations and which include provisions for: 46695

(1) Applying the base period of a single state law to a claim 46696
involving the combining of an individual's wages and employment 46697
covered under two or more state unemployment compensation laws, 46698
and 46699

(2) Avoiding the duplicate use of wages and employment by 46700
reason of such combining. 46701

(I) The director shall cooperate with the United States 46702
department of labor to the fullest extent consistent with this 46703
chapter, and shall take such action, through the adoption of 46704
appropriate rules, regulations, and administrative methods and 46705
standards, as may be necessary to secure to this state and its 46706
citizens all advantages available under the provisions of the 46707
"Social Security Act" that relate to unemployment compensation, 46708
the "Federal Unemployment Tax Act," (1970) 84 Stat. 713, 26 46709
U.S.C.A. 3301 to 3311, the "Wagner-Peyser Act," (1933) 48 Stat. 46710
113, 29 U.S.C.A. 49, ~~and~~ the "Federal-State Extended Unemployment 46711
Compensation Act of 1970," 84 Stat. 596, 26 U.S.C.A. 3306, and the 46712
~~"Workforce Investment Act of 1998," 112 Stat. 936, 29 U.S.C.A.~~ 46713
~~2801 et seq~~ "Workforce Innovation and Opportunity Act," 29 46714
U.S.C.A. 3101 et seq. 46715

(J) The director may disclose wage information furnished to 46716
or maintained by the director under Chapter 4141. of the Revised 46717
Code to a consumer reporting agency as defined by the "Fair Credit 46718
Reporting Act," 84 Stat. 1128, 15 U.S.C.A. 1681a, as amended, for 46719
the purpose of verifying an individual's income under a written 46720

agreement that requires all of the following: 46721

(1) A written statement of informed consent from the 46722
individual whose information is to be disclosed; 46723

(2) A written statement confirming that the consumer 46724
reporting agency and any other entity to which the information is 46725
disclosed or released will safeguard the information from illegal 46726
or unauthorized disclosure; 46727

(3) A written statement confirming that the consumer 46728
reporting agency will pay to the bureau all costs associated with 46729
the disclosure. 46730

The director shall prescribe a manner and format in which 46731
this information may be provided. 46732

(K) The director shall adopt rules defining the requirements 46733
of the release of individual income verification information 46734
specified in division (J) of this section, which shall include all 46735
terms and conditions necessary to meet the requirements of federal 46736
law as interpreted by the United States department of labor or 46737
considered necessary by the director for the proper administration 46738
of this division. 46739

(L) The director shall disclose information furnished to or 46740
maintained by the director under this chapter upon request and on 46741
a reimbursable basis as required by section 303 of the "Social 46742
Security Act," 42 U.S.C.A. 503, and section 3304 of the "Internal 46743

(C) If the program involving a type of nonstandard license plate is terminated under division (B) of this section, the registration of any motor vehicle displaying that type of nonstandard license plate at the time of termination may be renewed so long as the nonstandard license plates remain serviceable. If the nonstandard license plates of such a motor vehicle become unfit for service, the owner of the motor vehicle may apply for the issuance of nonstandard license plates of that same type, but the registrar or deputy registrar shall issue such nonstandard license plates only if at the time of application the stock of the bureau contains license plates of that type of nonstandard license plate. If, at the time of such application, the stock of the bureau does not contain license plates of that type of nonstandard license plate, the registrar or deputy registrar shall inform the owner of that fact, and the application shall be refused.

If the program involving a type of nonstandard license plate is terminated under division (B) of this section and the registration of motor vehicles displaying such license plates continues as permitted by this division, the registrar, for as long as such registrations continue to be issued, shall continue to collect and distribute any contribution that was required to be collected and distributed prior to the termination of that program.

(D) If the program involving a nonstandard license plate is terminated under division (B)(1) of this section, the sponsor of that license plate may apply to the registrar for the reestablishment of the program. If the program involving that nonstandard license plate is reestablished, the reestablishment is subject to division (B) of section 4503.78 of the Revised Code.

dealer the opportunity to comply with the dealer's obligation to 47682
rescind the manufactured home or mobile home transaction. 47683

(4) If the retail purchaser does not deliver notice to the 47684
dealer within the applicable time period specified in division 47685
(C)(1), (2), or (3) of this section, the retail purchaser shall 47686
not be entitled to any recovery or have any cause of action under 47687

construed as prohibiting the dealer and the retail purchaser or 47690
their representatives from negotiating a compromise resolution 47691
that is satisfactory to both parties. 47692

(D) If a retail purchaser notifies a dealer of one or more of 47693
the circumstances listed in division (B) of this section within 47694

the applicable time period specified in division (C)(1), (2), or 47695
(3) of this section and the dealer fails to comply with the 47696

section or reach a satisfactory compromise with the retail 47698
purchaser within seven business days of presentation of the retail 47699
purchaser's rescission claim, the retail purchaser may apply to the 47700
attorney general for payment from the fund of the full purchase 47701
price to the retail purchaser. 47702

(E)(1) Upon application by a retail purchaser for payment 47703
from the fund, if the attorney general is satisfied that one or 47704

attorney general may cause an amount equal to that which the 47744
dealer agreed to pay to the secured creditor to be paid from the 47745
fund, along with any additional interest and late fees resulting 47746
from the dealer's failure to pay the secured creditor in a timely 47747
manner. 47748

(H) Failure by a dealer to comply with both divisions (B) and 47749
(C) of this section constitutes a deceptive act or practice in 47750
connection with a consumer transaction, and is a violation of 47751
section 1345.02 of the Revised Code. 47752

Code, may be admitted with expert testimony to be considered with 47953
any other relevant and competent evidence in determining the guilt 47954
or innocence of the defendant. 47955

(b) In any criminal prosecution or juvenile court proceeding 47956
for a violation of division (A) or (B) of this section or for an 47957
equivalent offense that is vehicle-related, the court may admit 47958
evidence on the concentration of alcohol, drugs of abuse, 47959
controlled substances, metabolites of a controlled substance, or a 47960
combination of them in the defendant's whole blood, blood serum or 47961
plasma, breath, urine, or other bodily substance at the time of 47962
the alleged violation as shown by chemical analysis of the 47963
substance withdrawn within three hours of the time of the alleged 47964
violation. The three-hour time limit specified in this division 47965
regarding the admission of evidence does not extend or affect the 47966
two-hour time limit specified in division (A) of section 4511.192 47967
of the Revised Code as the maximum period of time during which a 47968
person may consent to a chemical test or tests as described in 47969
that section. The court may admit evidence on the concentration of 47970
alcohol, drugs of abuse, or a combination of them as described in 47971
this division when a person submits to a blood, breath, urine, or 47972
other bodily substance test at the request of a law enforcement 47973
officer under section 4511.191 of the Revised Code or a blood or 47974

urine sample is obtained pursuant to a search warrant. Only a 47975
physician, a registered nurse, an emergency medical 47976
technician-intermediate, an emergency medical 47977
technician-paramedic, or a qualified technician, chemist, or 47978
phlebotomist shall withdraw a blood sample for the purpose of 47979
determining the alcohol, drug, controlled substance, metabolite of 47980
a controlled substance, or combination content of the whole blood, 47981
blood serum, or blood plasma. This limitation does not apply to 47982
the taking of breath or urine specimens. A person authorized to 47983
withdraw blood under this division may refuse to withdraw blood 47984
under this division, if in that person's opinion, the physical 47985
welfare of the person would be endangered by the withdrawing of 47986
blood. 47987

The bodily substance withdrawn under division (D)(1)(b) of 47988
this section shall be analyzed in accordance with methods approved 47989
by the director of health by an individual possessing a valid 47990
permit issued by the director pursuant to section 3701.143 of the 47991
Revised Code. 47992

(c) As used in division (D)(1)(b) of this section, "emergency 47993
medical technician-intermediate" and "emergency medical 47994
technician-paramedic" have the same meanings as in section 4765.01 47995
of the Revised Code. 47996

(2) In a criminal prosecution or juvenile court proceeding 47997
for a violation of division (A) of this section or for an 47998
equivalent offense that is vehicle-related, if there was at the 47999
time the bodily substance was withdrawn a concentration of less 48000
than the applicable concentration of alcohol specified in 48001
divisions (A)(1)(b), (c), (d), and (e) of this section or less 48002
than the applicable concentration of a listed controlled substance 48003
or a listed metabolite of a controlled substance specified for a 48004
violation of division (A)(1)(j) of this section, that fact may be 48005
considered with other competent evidence in determining the guilt 48006

or innocence of the defendant. This division does not limit or 48007
affect a criminal prosecution or juvenile court proceeding for a 48008
violation of division (B) of this section or for an equivalent 48009
offense that is substantially equivalent to that division. 48010

(3) Upon the request of the person who was tested, the 48011
results of the chemical test shall be made available to the person 48012
or the person's attorney, immediately upon the completion of the 48013
chemical test analysis. 48014

If the chemical test was obtained pursuant to division 48015
(D)(1)(b) of this section, the person tested may have a physician, 48016
a registered nurse, or a qualified technician, chemist, or 48017
phlebotomist of the person's own choosing administer a chemical 48018
test or tests, at the person's expense, in addition to any 48019
administered at the request of a law enforcement officer. If the 48020
person was under arrest as described in division (A)(5) of section 48021
4511.191 of the Revised Code, the arresting officer shall advise 48022
the person at the time of the arrest that the person may have an 48023
independent chemical test taken at the person's own expense. If 48024
the person was under arrest other than described in division 48025
(A)(5) of section 4511.191 of the Revised Code, the form to be 48026
read to the person to be tested, as required under section 48027
4511.192 of the Revised Code, shall state that the person may have 48028
an independent test performed at the person's expense. The failure 48029
or inability to obtain an additional chemical test by a person 48030
shall not preclude the admission of evidence relating to the 48031
chemical test or tests taken at the request of a law enforcement 48032
officer. 48033

(4)(a) As used in divisions (D)(4)(b) and (c) of this 48034
section, "national highway traffic safety administration" means 48035
the national highway traffic safety administration established as 48036
an administration of the United States department of 48037
transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105. 48038

(b) In any criminal prosecution or juvenile court proceeding 48039
for a violation of division (A) or (B) of this section, of a 48040
municipal ordinance relating to operating a vehicle while under 48041
the influence of alcohol, a drug of abuse, or alcohol and a drug 48042
of abuse, or of a municipal ordinance relating to operating a 48043
vehicle with a prohibited concentration of alcohol, a controlled 48044
substance, or a metabolite of a controlled substance in the whole 48045
blood, blood serum or plasma, breath, or urine, if a law 48046
enforcement officer has administered a field sobriety test to the 48047
operator of the vehicle involved in the violation and if it is 48048
shown by clear and convincing evidence that the officer 48049
administered the test in substantial compliance with the testing 48050
standards for any reliable, credible, and generally accepted field 48051
sobriety tests that were in effect at the time the tests were 48052
administered, including, but not limited to, any testing standards 48053
then in effect that were set by the national highway traffic 48054
safety administration, all of the following apply: 48055

(i) The officer may testify concerning the results of the 48056
field sobriety test so administered. 48057

(ii) The prosecution may introduce the results of the field 48058
sobriety test so administered as evidence in any proceedings in 48059
the criminal prosecution or juvenile court proceeding. 48060

(iii) If testimony is presented or evidence is introduced 48061
under division (D)(4)(b)(i) or (ii) of this section and if the 48062
testimony or evidence is admissible under the Rules of Evidence, 48063
the court shall admit the testimony or evidence and the trier of 48064
fact shall give it whatever weight the trier of fact considers to 48065
be appropriate. 48066

(c) Division (D)(4)(b) of this section does not limit or 48067
preclude a court, in its determination of whether the arrest of a 48068
person was supported by probable cause or its determination of any 48069
other matter in a criminal prosecution or juvenile court 48070

proceeding of a type described in that division, from considering 48071
evidence or testimony that is not otherwise disallowed by division 48072
(D)(4)(b) of this section. 48073

(E)(1) Subject to division (E)(3) of this section, in any 48074
criminal prosecution or juvenile court proceeding for a violation 48075
of division (A)(1)(b), (c), (d), (e), (f), (g), (h), (i), or (j) 48076
or (B)(1), (2), (3), or (4) of this section or for an equivalent 48077
offense that is substantially equivalent to any of those 48078
divisions, a laboratory report from any laboratory personnel 48079
issued a permit by the department of health authorizing an 48080
analysis as described in this division that contains an analysis 48081
of the whole blood, blood serum or plasma, breath, urine, or other 48082
bodily substance tested and that contains all of the information 48083
specified in this division shall be admitted as prima-facie 48084
evidence of the information and statements that the report 48085
contains. The laboratory report shall contain all of the 48086
following: 48087

(a) The signature, under oath, of any person who performed 48088
the analysis; 48089

(b) Any findings as to the identity and quantity of alcohol, 48090
a drug of abuse, a controlled substance, a metabolite of a 48091
controlled substance, or a combination of them that was found; 48092

(c) A copy of a notarized statement by the laboratory 48093
director or a designee of the director that contains the name of 48094
each certified analyst or test performer involved with the report, 48095
the analyst's or test performer's employment relationship with the 48096
laboratory that issued the report, and a notation that performing 48097
an analysis of the type involved is part of the analyst's or test 48098
performer's regular duties; 48099

(d) An outline of the analyst's or test performer's 48100
education, training, and experience in performing the type of 48101

analysis involved and a certification that the laboratory 48102
satisfies appropriate quality control standards in general and, in 48103
this particular analysis, under rules of the department of health. 48104

(2) Notwithstanding any other provision of law regarding the 48105
admission of evidence, a report of the type described in division 48106
(E)(1) of this section is not admissible against the defendant to 48107
whom it pertains in any proceeding, other than a preliminary 48108
hearing or a grand jury proceeding, unless the prosecutor has 48109
served a copy of the report on the defendant's attorney or, if the 48110
defendant has no attorney, on the defendant. 48111

(3) A report of the type described in division (E)(1) of this 48112
section shall not be prima-facie evidence of the contents, 48113
identity, or amount of any substance if, within seven days after 48114
the defendant to whom the report pertains or the defendant's 48115
attorney receives a copy of the report, the defendant or the 48116
defendant's attorney demands the testimony of the person who 48117
signed the report. The judge in the case may extend the seven-day 48118
time limit in the interest of justice. 48119

(F) Except as otherwise provided in this division, any 48120
physician, registered nurse, emergency medical 48121
technician-intermediate, emergency medical technician-paramedic, 48122
or qualified technician, chemist, or phlebotomist who withdraws 48123
blood from a person pursuant to this section or section 4511.191 48124
or 4511.192 of the Revised Code, and any hospital, first-aid 48125
station, or clinic at which blood is withdrawn from a person 48126
pursuant to this section or section 4511.191 or 4511.192 of the 48127
Revised Code, is immune from criminal liability and civil 48128
liability based upon a claim of assault and battery or any other 48129
claim that is not a claim of malpractice, for any act performed in 48130
withdrawing blood from the person. The immunity provided in this 48131
division also extends to an emergency medical service organization 48132
that employs an emergency medical technician-intermediate or 48133

emergency medical technician-paramedic who withdraws blood under 48134
this section. The immunity provided in this division is not 48135
available to a person who withdraws blood if the person engages in 48136
willful or wanton misconduct. 48137

As used in this division, "emergency medical 48138
technician-intermediate" and "emergency medical 48139
technician-paramedic" have the same meanings as in section 4765.01 48140
of the Revised Code. 48141

(G)(1) Whoever violates any provision of divisions (A)(1)(a) 48142
to (i) or (A)(2) of this section is guilty of operating a vehicle 48143
under the influence of alcohol, a drug of abuse, or a combination 48144
of them. Whoever violates division (A)(1)(j) of this section is 48145
guilty of operating a vehicle while under the influence of a 48146
listed controlled substance or a listed metabolite of a controlled 48147
substance. The court shall sentence the offender for either 48148
offense under Chapter 2929. of the Revised Code, except as 48149
otherwise authorized or required by divisions (G)(1)(a) to (e) of 48150
this section: 48151

(a) Except as otherwise provided in division (G)(1)(b), (c), 48152
(d), or (e) of this section, the offender is guilty of a 48153
misdemeanor of the first degree, and the court shall sentence the 48154
offender to all of the following: 48155

(i) If the sentence is being imposed for a violation of 48156
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 48157
mandatory jail term of three consecutive days. As used in this 48158
division, three consecutive days means seventy-two consecutive 48159
hours. The court may sentence an offender to both an intervention 48160
program and a jail term. The court may impose a jail term in 48161
addition to the three-day mandatory jail term or intervention 48162
program. However, in no case shall the cumulative jail term 48163
imposed for the offense exceed six months. 48164

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 5119.38 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 5119. of the Revised Code by the director of mental health and addiction services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to section 5119.38 of the Revised Code. As used in this division, three consecutive days means seventy-two consecutive hours. If the

court determines that the offender is not conducive to treatment 48198
in a drivers' intervention program, if the offender refuses to 48199
attend a drivers' intervention program, or if the jail at which 48200
the offender is to serve the jail term imposed can provide a 48201
driver's intervention program, the court shall sentence the 48202
offender to a mandatory jail term of at least six consecutive 48203
days. 48204

The court may require the offender, under a community control 48205
sanction imposed under section 2929.25 of the Revised Code, to 48206
attend and satisfactorily complete any treatment or education 48207
programs that comply with the minimum standards adopted pursuant 48208
to Chapter 5119. of the Revised Code by the director of mental 48209
health and addiction services, in addition to the required 48210
attendance at drivers' intervention program, that the operators of 48211
the drivers' intervention program determine that the offender 48212
should attend and to report periodically to the court on the 48213
offender's progress in the programs. The court also may impose any 48214
other conditions of community control on the offender that it 48215
considers necessary. 48216

(iii) In all cases, a fine of not less than three hundred 48217
seventy-five and not more than one thousand seventy-five dollars; 48218

(iv) In all cases, a class five license suspension of the 48219
offender's driver's or commercial driver's license or permit or 48220
nonresident operating privilege from the range specified in 48221
division (A)(5) of section 4510.02 of the Revised Code. The court 48222
may grant limited driving privileges relative to the suspension 48223
under sections 4510.021 and 4510.13 of the Revised Code. 48224

(b) Except as otherwise provided in division (G)(1)(e) of 48225
this section, an offender who, within six years of the offense, 48226
previously has been convicted of or pleaded guilty to one 48227
violation of division (A) or (B) of this section or one other 48228
equivalent offense is guilty of a misdemeanor of the first degree. 48229

The court shall sentence the offender to all of the following: 48230

(i) If the sentence is being imposed for a violation of 48231
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 48232
mandatory jail term of ten consecutive days. The court shall 48233
impose the ten-day mandatory jail term under this division unless, 48234
subject to division (G)(3) of this section, it instead imposes a 48235
sentence under that division consisting of both a jail term and a 48236
term of house arrest with electronic monitoring, with continuous 48237
alcohol monitoring, or with both electronic monitoring and 48238
continuous alcohol monitoring. The court may impose a jail term in 48239
addition to the ten-day mandatory jail term. The cumulative jail 48240
term imposed for the offense shall not exceed six months. 48241

In addition to the jail term or the term of house arrest with 48242
electronic monitoring or continuous alcohol monitoring or both 48243
types of monitoring and jail term, the court shall require the 48244
offender to be assessed by a community addiction services provider 48245
that is authorized by section 5119.21 of the Revised Code, subject 48246
to division (I) of this section, and shall order the offender to 48247
follow the treatment recommendations of the services provider. The 48248
purpose of the assessment is to determine the degree of the 48249
offender's alcohol usage and to determine whether or not treatment 48250
is warranted. Upon the request of the court, the services provider 48251
shall submit the results of the assessment to the court, including 48252
all treatment recommendations and clinical diagnoses related to 48253
alcohol use. 48254

(ii) If the sentence is being imposed for a violation of 48255
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 48256
section, except as otherwise provided in this division, a 48257
mandatory jail term of twenty consecutive days. The court shall 48258
impose the twenty-day mandatory jail term under this division 48259
unless, subject to division (G)(3) of this section, it instead 48260
imposes a sentence under that division consisting of both a jail 48261

term and a term of house arrest with electronic monitoring, with 48262
continuous alcohol monitoring, or with both electronic monitoring 48263
and continuous alcohol monitoring. The court may impose a jail 48264
term in addition to the twenty-day mandatory jail term. The 48265
cumulative jail term imposed for the offense shall not exceed six 48266
months. 48267

In addition to the jail term or the term of house arrest with 48268
electronic monitoring or continuous alcohol monitoring or both 48269
types of monitoring and jail term, the court shall require the 48270
offender to be assessed by a community addiction service provider 48271
that is authorized by section 5119.21 of the Revised Code, subject 48272
to division (I) of this section, and shall order the offender to 48273
follow the treatment recommendations of the services provider. The 48274
purpose of the assessment is to determine the degree of the 48275
offender's alcohol usage and to determine whether or not treatment 48276
is warranted. Upon the request of the court, the services provider 48277
shall submit the results of the assessment to the court, including 48278
all treatment recommendations and clinical diagnoses related to 48279
alcohol use. 48280

(iii) In all cases, notwithstanding the fines set forth in 48281
Chapter 2929. of the Revised Code, a fine of not less than five 48282
hundred twenty-five and not more than one thousand six hundred 48283
twenty-five dollars; 48284

(iv) In all cases, a class four license suspension of the 48285
offender's driver's license, commercial driver's license, 48286
temporary instruction permit, probationary license, or nonresident 48287
operating privilege from the range specified in division (A)(4) of 48288
section 4510.02 of the Revised Code. The court may grant limited 48289
driving privileges relative to the suspension under sections 48290
4510.021 and 4510.13 of the Revised Code. 48291

(v) In all cases, if the vehicle is registered in the 48292
offender's name, immobilization of the vehicle involved in the 48293

offense for ninety days in accordance with section 4503.233 of the Revised Code and impoundment of the license plates of that vehicle for ninety days.

(c) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to two violations of division (A) or (B) of this section or other equivalent offenses is guilty of a misdemeanor. The court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a mandatory jail term of thirty consecutive days. The court shall impose the thirty-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the thirty-day mandatory jail term. Notwithstanding the jail terms set forth in sections 2929.21 to 2929.28 of the Revised Code, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, a mandatory jail term of sixty consecutive days. The court shall impose the sixty-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose

a jail term in addition to the sixty-day mandatory jail term. 48326
Notwithstanding the jail terms set forth in sections 2929.21 to 48327
2929.28 of the Revised Code, the additional jail term shall not 48328
exceed one year, and the cumulative jail term imposed for the 48329
offense shall not exceed one year. 48330

(iii) In all cases, notwithstanding the fines set forth in 48331
Chapter 2929. of the Revised Code, a fine of not less than eight 48332
hundred fifty and not more than two thousand seven hundred fifty 48333
dollars; 48334

(iv) In all cases, a class three license suspension of the 48335
offender's driver's license, commercial driver's license, 48336
temporary instruction permit, probationary license, or nonresident 48337
operating privilege from the range specified in division (A)(3) of 48338
section 4510.02 of the Revised Code. The court may grant limited 48339
driving privileges relative to the suspension under sections 48340
4510.021 and 4510.13 of the Revised Code. 48341

(v) In all cases, if the vehicle is registered in the 48342
offender's name, criminal forfeiture of the vehicle involved in 48343
the offense in accordance with section 4503.234 of the Revised 48344
Code. Division (G)(6) of this section applies regarding any 48345
vehicle that is subject to an order of criminal forfeiture under 48346
this division. 48347

(vi) In all cases, the court shall order the offender to 48348
participate with a community addiction services provider 48349
authorized by section 5119.21 of the Revised Code, subject to 48350
division (I) of this section, and shall order the offender to 48351
follow the treatment recommendations of the services provider. The 48352
operator of the services provider shall determine and assess the 48353
degree of the offender's alcohol dependency and shall make 48354
recommendations for treatment. Upon the request of the court, the 48355
services provider shall submit the results of the assessment to 48356
the court, including all treatment recommendations and clinical 48357

diagnoses related to alcohol use. 48358

(d) Except as otherwise provided in division (G)(1)(e) of 48359
this section, an offender who, within six years of the offense, 48360
previously has been convicted of or pleaded guilty to three or 48361
four violations of division (A) or (B) of this section or other 48362
equivalent offenses or an offender who, within twenty years of the 48363
offense, previously has been convicted of or pleaded guilty to 48364
five or more violations of that nature is guilty of a felony of 48365
the fourth degree. The court shall sentence the offender to all of 48366
the following: 48367

(i) If the sentence is being imposed for a violation of 48368
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 48369
mandatory prison term of one, two, three, four, or five years as 48370
required by and in accordance with division (G)(2) of section 48371
2929.13 of the Revised Code if the offender also is convicted of 48372
or also pleads guilty to a specification of the type described in 48373
section 2941.1413 of the Revised Code or, in the discretion of the 48374

consecutive days in accordance with division (G)(2) of that 48378
section if the offender is not convicted of and does not plead 48379
guilty to a specification of that type. If the court imposes a 48380
mandatory term of local incarceration, it may impose a jail term 48381
in addition to the sixty-day mandatory term, the cumulative total 48382
of the mandatory term and the jail term for the offense shall not 48383
exceed one year, and, except as provided in division (A)(1) of 48384
section 2929.13 of the Revised Code, no prison term is authorized 48385

of the prison terms so imposed prior to serving the community 48396
control sanction. 48397

(ii) If the sentence is being imposed for a violation of 48398

section 2929.13 of the Revised Code if the offender also is 48402
convicted of or also pleads guilty to a specification of the type 48403
described in section 2941.1413 of the Revised Code or, in the 48404
discretion of the court, either a mandatory term of local 48405
incarceration of one hundred twenty consecutive days in accordance 48406
with division (G)(1) of section 2929.13 of the Revised Code or a 48407
mandatory prison term of one hundred twenty consecutive days in 48408
accordance with division (G)(2) of that section if the offender is 48409
not convicted of and does not plead guilty to a specification of 48410
that type. If the court imposes a mandatory term of local 48411
incarceration, it may impose a jail term in addition to the one 48412
hundred twenty-day mandatory term, the cumulative total of the 48413
mandatory term and the jail term for the offense shall not exceed 48414
one year, and, except as provided in division (A)(1) of section 48415
2929.13 of the Revised Code, no prison term is authorized for the 48416
offense. If the court imposes a mandatory prison term, 48417
notwithstanding division (A)(4) of section 2929.14 of the Revised 48418
Code, it also may sentence the offender to a definite prison term 48419
that shall be not less than six months and not more than thirty 48420
months and the prison terms shall be imposed as described in 48421
division (G)(2) of section 2929.13 of the Revised Code. If the 48422

court imposes a mandatory prison term or mandatory prison term and 48423
additional prison term, in addition to the term or terms so 48424
imposed, the court also may sentence the offender to a community 48425
control sanction for the offense, but the offender shall serve all 48426
of the prison terms so imposed prior to serving the community 48427
control sanction. 48428

(iii) In all cases, notwithstanding section 2929.18 of the 48429
Revised Code, a fine of not less than one thousand three hundred 48430

driving privileges relative to the suspension under sections 48437
4510.021 and 4510.13 of the Revised Code. 48438

(v) In all cases, if the vehicle is registered in the 48439
offender's name, criminal forfeiture of the vehicle involved in 48440

Code. Division (G)(6) of this section applies regarding any 48442
vehicle that is subject to an order of criminal forfeiture under 48443
this division. 48444

(vi) In all cases, the court shall order the offender to 48445
participate with a community addiction services provider 48446
authorized by section 5119.21 of the Revised Code, subject to 48447
division (I) of this section, and shall order the offender to 48448
follow the treatment recommendations of the services provider. The 48449
operator of the services provider shall determine and assess the 48450
degree of the offender's alcohol dependency and shall make 48451
recommendations for treatment. Upon the request of the court, the 48452
services provider shall submit the results of the assessment to 48453
the court, including all treatment recommendations and clinical 48454

diagnoses related to alcohol use. 48455

(vii) In all cases, if the court sentences the offender to a 48456
mandatory term of local incarceration, in addition to the 48457
mandatory term, the court, pursuant to section 2929.17 of the 48458
Revised Code, may impose a term of house arrest with electronic 48459
monitoring. The term shall not commence until after the offender 48460
has served the mandatory term of local incarceration. 48461

(e) An offender who previously has been convicted of or 48462
pleaded guilty to a violation of division (A) of this section that 48463
was a felony, regardless of when the violation and the conviction 48464
or guilty plea occurred, is guilty of a felony of the third 48465
degree. The court shall sentence the offender to all of the 48466
following: 48467

(i) If the offender is being sentenced for a violation of 48468
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 48469
mandatory prison term of one, two, three, four, or five years as 48470
required by and in accordance with division (G)(2) of section 48471
2929.13 of the Revised Code if the offender also is convicted of 48472
or also pleads guilty to a specification of the type described in 48473
section 2941.1413 of the Revised Code or a mandatory prison term 48474
of sixty consecutive days in accordance with division (G)(2) of 48475
section 2929.13 of the Revised Code if the offender is not 48476
convicted of and does not plead guilty to a specification of that 48477
type. The court may impose a prison term in addition to the 48478
mandatory prison term. The cumulative total of a sixty-day 48479
mandatory prison term and the additional prison term for the 48480
offense shall not exceed five years. In addition to the mandatory 48481
prison term or mandatory prison term and additional prison term 48482
the court imposes, the court also may sentence the offender to a 48483
community control sanction for the offense, but the offender shall 48484
serve all of the prison terms so imposed prior to serving the 48485
community control sanction. 48486

(ii) If the sentence is being imposed for a violation of 48487
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 48488
section, a mandatory prison term of one, two, three, four, or five 48489
years as required by and in accordance with division (G)(2) of 48490
section 2929.13 of the Revised Code if the offender also is 48491
convicted of or also pleads guilty to a specification of the type 48492
described in section 2941.1413 of the Revised Code or a mandatory 48493
prison term of one hundred twenty consecutive days in accordance 48494
with division (G)(2) of section 2929.13 of the Revised Code if the 48495
offender is not convicted of and does not plead guilty to a 48496
specification of that type. The court may impose a prison term in 48497
addition to the mandatory prison term. The cumulative total of a 48498
one hundred twenty-day mandatory prison term and the additional 48499
prison term for the offense shall not exceed five years. In 48500
addition to the mandatory prison term or mandatory prison term and 48501
additional prison term the court imposes, the court also may 48502
sentence the offender to a community control sanction for the 48503
offense, but the offender shall serve all of the prison terms so 48504
imposed prior to serving the community control sanction. 48505

(iii) In all cases, notwithstanding section 2929.18 of the 48506
Revised Code, a fine of not less than one thousand three hundred 48507
fifty nor more than ten thousand five hundred dollars; 48508

(iv) In all cases, a class two license suspension of the 48509
offender's driver's license, commercial driver's license, 48510
temporary instruction permit, probationary license, or nonresident 48511
operating privilege from the range specified in division (A)(2) of 48512
section 4510.02 of the Revised Code. The court may grant limited 48513
driving privileges relative to the suspension under sections 48514
4510.021 and 4510.13 of the Revised Code. 48515

(v) In all cases, if the vehicle is registered in the 48516
offender's name, criminal forfeiture of the vehicle involved in 48517
the offense in accordance with section 4503.234 of the Revised 48518

Code. Division (G)(6) of this section applies regarding any 48519
vehicle that is subject to an order of criminal forfeiture under 48520
this division. 48521

(vi) In all cases, the court shall order the offender to 48522
participate with a community addiction services provider 48523
authorized by section 5119.21 of the Revised Code, subject to 48524
division (I) of this section, and shall order the offender to 48525
follow the treatment recommendations of the services provider. The 48526
operator of the services provider shall determine and assess the 48527
degree of the offender's alcohol dependency and shall make 48528
recommendations for treatment. Upon the request of the court, the 48529
services provider shall submit the results of the assessment to 48530
the court, including all treatment recommendations and clinical 48531
diagnoses related to alcohol use. 48532

(2) An offender who is convicted of or pleads guilty to a 48533
violation of division (A) of this section and who subsequently 48534
seeks reinstatement of the driver's or occupational driver's 48535
license or permit or nonresident operating privilege suspended 48536
under this section as a result of the conviction or guilty plea 48537
shall pay a reinstatement fee as provided in division (F)(2) of 48538
section 4511.191 of the Revised Code. 48539

(3) If an offender is sentenced to a jail term under division 48540
(G)(1)(b)(i) or (ii) or (G)(1)(c)(i) or (ii) of this section and 48541
if, within sixty days of sentencing of the offender, the court 48542
issues a written finding on the record that, due to the 48543
unavailability of space at the jail where the offender is required 48544
to serve the term, the offender will not be able to begin serving 48545
that term within the sixty-day period following the date of 48546
sentencing, the court may impose an alternative sentence under 48547
this division that includes a term of house arrest with electronic 48548
monitoring, with continuous alcohol monitoring, or with both 48549
electronic monitoring and continuous alcohol monitoring. 48550

As an alternative to a mandatory jail term of ten consecutive 48551
days required by division (G)(1)(b)(i) of this section, the court, 48552
under this division, may sentence the offender to five consecutive 48553
days in jail and not less than eighteen consecutive days of house 48554
arrest with electronic monitoring, with continuous alcohol 48555
monitoring, or with both electronic monitoring and continuous 48556
alcohol monitoring. The cumulative total of the five consecutive 48557
days in jail and the period of house arrest with electronic 48558
monitoring, continuous alcohol monitoring, or both types of 48559
monitoring shall not exceed six months. The five consecutive days 48560
in jail do not have to be served prior to or consecutively to the 48561
period of house arrest. 48562

As an alternative to the mandatory jail term of twenty 48563
consecutive days required by division (G)(1)(b)(ii) of this 48564
section, the court, under this division, may sentence the offender 48565
to ten consecutive days in jail and not less than thirty-six 48566
consecutive days of house arrest with electronic monitoring, with 48567
continuous alcohol monitoring, or with both electronic monitoring 48568
and continuous alcohol monitoring. The cumulative total of the ten 48569
consecutive days in jail and the period of house arrest with 48570
electronic monitoring, continuous alcohol monitoring, or both 48571
types of monitoring shall not exceed six months. The ten 48572
consecutive days in jail do not have to be served prior to or 48573
consecutively to the period of house arrest. 48574

As an alternative to a mandatory jail term of thirty 48575
consecutive days required by division (G)(1)(c)(i) of this 48576
section, the court, under this division, may sentence the offender 48577
to fifteen consecutive days in jail and not less than fifty-five 48578
consecutive days of house arrest with electronic monitoring, with 48579
continuous alcohol monitoring, or with both electronic monitoring 48580
and continuous alcohol monitoring. The cumulative total of the 48581
fifteen consecutive days in jail and the period of house arrest 48582

with electronic monitoring, continuous alcohol monitoring, or both 48583
types of monitoring shall not exceed one year. The fifteen 48584
consecutive days in jail do not have to be served prior to or 48585
consecutively to the period of house arrest. 48586

As an alternative to the mandatory jail term of sixty 48587
consecutive days required by division (G)(1)(c)(ii) of this 48588
section, the court, under this division, may sentence the offender 48589
to thirty consecutive days in jail and not less than one hundred 48590
ten consecutive days of house arrest with electronic monitoring, 48591
with continuous alcohol monitoring, or with both electronic 48592
monitoring and continuous alcohol monitoring. The cumulative total 48593
of the thirty consecutive days in jail and the period of house 48594
arrest with electronic monitoring, continuous alcohol monitoring, 48595
or both types of monitoring shall not exceed one year. The thirty 48596
consecutive days in jail do not have to be served prior to or 48597
consecutively to the period of house arrest. 48598

(4) If an offender's driver's or occupational driver's 48599
license or permit or nonresident operating privilege is suspended 48600
under division (G) of this section and if section 4510.13 of the 48601
Revised Code permits the court to grant limited driving 48602
privileges, the court may grant the limited driving privileges in 48603
accordance with that section. If division (A)(7) of that section 48604
requires that the court impose as a condition of the privileges 48605
that the offender must display on the vehicle that is driven 48606
subject to the privileges restricted license plates that are 48607
issued under section 4503.231 of the Revised Code, except as 48608
provided in division (B) of that section, the court shall impose 48609
that condition as one of the conditions of the limited driving 48610
privileges granted to the offender, except as provided in division 48611
(B) of section 4503.231 of the Revised Code. 48612

(5) Fines imposed under this section for a violation of 48613
division (A) of this section shall be distributed as follows: 48614

(a) Twenty-five dollars of the fine imposed under division 48615
(G)(1)(a)(iii), thirty-five dollars of the fine imposed under 48616
division (G)(1)(b)(iii), one hundred twenty-three dollars of the 48617
fine imposed under division (G)(1)(c)(iii), and two hundred ten 48618
dollars of the fine imposed under division (G)(1)(d)(iii) or 48619
(e)(iii) of this section shall be paid to an enforcement and 48620
education fund established by the legislative authority of the law 48621
enforcement agency in this state that primarily was responsible 48622
for the arrest of the offender, as determined by the court that 48623
imposes the fine. The agency shall use this share to pay only 48624
those costs it incurs in enforcing this section or a municipal OVI 48625
ordinance and in informing the public of the laws governing the 48626
operation of a vehicle while under the influence of alcohol, the 48627
dangers of the operation of a vehicle under the influence of 48628
alcohol, and other information relating to the operation of a 48629
vehicle under the influence of alcohol and the consumption of 48630
alcoholic beverages. 48631

(b) Fifty dollars of the fine imposed under division 48632
(G)(1)(a)(iii) of this section shall be paid to the political 48633
subdivision that pays the cost of housing the offender during the 48634
offender's term of incarceration. If the offender is being 48635
sentenced for a violation of division (A)(1)(a), (b), (c), (d), 48636
(e), or (j) of this section and was confined as a result of the 48637
offense prior to being sentenced for the offense but is not 48638
sentenced to a term of incarceration, the fifty dollars shall be 48639
paid to the political subdivision that paid the cost of housing 48640
the offender during that period of confinement. The political 48641
subdivision shall use the share under this division to pay or 48642
reimburse incarceration or treatment costs it incurs in housing or 48643
providing drug and alcohol treatment to persons who violate this 48644
section or a municipal OVI ordinance, costs of any immobilizing or 48645
disabling device used on the offender's vehicle, and costs of 48646
electronic house arrest equipment needed for persons who violate 48647

this section. 48648

(c) Twenty-five dollars of the fine imposed under division 48649
(G)(1)(a)(iii) and fifty dollars of the fine imposed under 48650
division (G)(1)(b)(iii) of this section shall be deposited into 48651
the county or municipal indigent drivers' alcohol treatment fund 48652
under the control of that court, as created by the county or 48653
municipal corporation under division (F) of section 4511.191 of 48654
the Revised Code. 48655

(d) One hundred fifteen dollars of the fine imposed under 48656
division (G)(1)(b)(iii), two hundred seventy-seven dollars of the 48657
fine imposed under division (G)(1)(c)(iii), and four hundred forty 48658
dollars of the fine imposed under division (G)(1)(d)(iii) or 48659
(e)(iii) of this section shall be paid to the political 48660
subdivision that pays the cost of housing the offender during the 48661
offender's term of incarceration. The political subdivision shall 48662
use this share to pay or reimburse incarceration or treatment 48663
costs it incurs in housing or providing drug and alcohol treatment 48664
to persons who violate this section or a municipal OVI ordinance, 48665
costs for any immobilizing or disabling device used on the 48666
offender's vehicle, and costs of electronic house arrest equipment 48667
needed for persons who violate this section. 48668

(e) Fifty dollars of the fine imposed under divisions 48669
(G)(1)(a)(iii), (G)(1)(b)(iii), (G)(1)(c)(iii), (G)(1)(d)(iii), 48670
and (G)(1)(e)(iii) of this section shall be deposited into the 48671
special projects fund of the court in which the offender was 48672
convicted and that is established under division (E)(1) of section 48673
2303.201, division (B)(1) of section 1901.26, or division (B)(1) 48674
of section 1907.24 of the Revised Code, to be used exclusively to 48675
cover the cost of immobilizing or disabling devices, including 48676
certified ignition interlock devices, and remote alcohol 48677
monitoring devices for indigent offenders who are required by a 48678
judge to use either of these devices. If the court in which the 48679

offender was convicted does not have a special projects fund that 48680
is established under division (E)(1) of section 2303.201, division 48681
(B)(1) of section 1901.26, or division (B)(1) of section 1907.24 48682
of the Revised Code, the fifty dollars shall be deposited into the 48683
indigent drivers interlock and alcohol monitoring fund under 48684
division (I) of section 4511.191 of the Revised Code. 48685

(f) Seventy-five dollars of the fine imposed under division 48686
(G)(1)(a)(iii), one hundred twenty-five dollars of the fine 48687
imposed under division (G)(1)(b)(iii), two hundred fifty dollars 48688
of the fine imposed under division (G)(1)(c)(iii), and five 48689
hundred dollars of the fine imposed under division (G)(1)(d)(iii) 48690
or (e)(iii) of this section shall be transmitted to the treasurer 48691
of state for deposit into the indigent defense support fund 48692
established under section 120.08 of the Revised Code. 48693

(g) The balance of the fine imposed under division 48694
(G)(1)(a)(iii), (b)(iii), (c)(iii), (d)(iii), or (e)(iii) of this 48695
section shall be disbursed as otherwise provided by law. 48696

(6) If title to a motor vehicle that is subject to an order 48697
of criminal forfeiture under division (G)(1)(c), (d), or (e) of 48698
this section is assigned or transferred and division (B)(2) or (3) 48699
of section 4503.234 of the Revised Code applies, in addition to or 48700
independent of any other penalty established by law, the court may 48701
fine the offender the value of the vehicle as determined by 48702
publications of the national automobile dealers association. The 48703
proceeds of any fine so imposed shall be distributed in accordance 48704
with division (C)(2) of that section. 48705

(7) In all cases in which an offender is sentenced under 48706
division (G) of this section, the offender shall provide the court 48707
with proof of financial responsibility as defined in section 48708
4509.01 of the Revised Code. If the offender fails to provide that 48709

other penalties provided by law, may order restitution pursuant to 48711

section 2929.18 or 2929.28 of the Revised Code in an amount not 48712
exceeding five thousand dollars for any economic loss arising from 48713
an accident or collision that was the direct and proximate result 48714
of the offender's operation of the vehicle before, during, or 48715
after committing the offense for which the offender is sentenced 48716
under division (G) of this section. 48717

(8) As used in division (G) of this section, "electronic 48718
monitoring," "mandatory prison term," and "mandatory term of local 48719
incarceration" have the same meanings as in section 2929.01 of the 48720
Revised Code. 48721

(H) Whoever violates division (B) of this section is guilty 48722
of operating a vehicle after underage alcohol consumption and 48723
shall be punished as follows: 48724

(1) Except as otherwise provided in division (H)(2) of this 48725
section, the offender is guilty of a misdemeanor of the fourth 48726

the court shall impose a class six suspension of the offender's 48728
driver's license, commercial driver's license, temporary 48729
instruction permit, probationary license, or nonresident operating 48730

(2) If, within one year of the offense, the offender 48733
previously has been convicted of or pleaded guilty to one or more 48734
violations of division (A) or (B) of this section or other 48735
equivalent offenses, the offender is guilty of a misdemeanor of 48736
the third degree. In addition to any other sanction imposed for 48737
the offense, the court shall impose a class four suspension of the 48738

section 4510.02 of the Revised Code. 48742

(3) If the offender also is convicted of or also pleads 48743
guilty to a specification of the type described in section 48744
2941.1416 of the Revised Code and if the court imposes a jail term 48745
for the violation of division (B) of this section, the court shall 48746
impose upon the offender an additional definite jail term pursuant 48747
to division (E) of section 2929.24 of the Revised Code. 48748

(4) The offender shall provide the court with proof of 48749
financial responsibility as defined in section 4509.01 of the 48750
Revised Code. If the offender fails to provide that proof of 48751
financial responsibility, then, in addition to any other penalties 48752
provided by law, the court may order restitution pursuant to 48753
section 2929.28 of the Revised Code in an amount not exceeding 48754
five thousand dollars for any economic loss arising from an 48755
accident or collision that was the direct and proximate result of 48756
the offender's operation of the vehicle before, during, or after 48757
committing the violation of division (B) of this section. 48758

which a permit appears to be required under section 4561.31 of the 49078
Revised Code, but concerning which no application for a permit 49079
under section 4561.34 of the Revised Code has been filed, the 49080

department shall issue an order to such person to appear before 49081

Sec. 4561.34. (A) The department of transportation, subject 49083
to Chapter 119. of the Revised Code, shall grant or deny a permit 49084
for which an application has been filed under section 4561.33 of 49085
the Revised Code. In determining whether to grant or deny a 49086
permit, the department shall determine whether the height and 49087
location of a structure or object of natural growth, as set forth 49088
in the permit application, will be an obstruction to air 49089
navigation based upon the rules adopted under section 4561.32 of 49090
the Revised Code if installed, erected, constructed, or 49091
established as proposed. In the case of an application to 49092

safety shall be paramount to considerations of economic or 49097
technical factors. In making a determination under this division 49098
the department shall render its decision upon the record, but may 49099
consider findings and recommendations of other governmental 49100
entities and interested persons concerning the proposed structure 49101
or object; however, those findings and recommendations are not 49102
binding on the department. 49103

(B) The department may grant a permit under this section 49104
subject to any modification of the height or location of a 49105
structure or object the department considers necessary. In the 49106
absence of such modification or unless it grants a waiver from 49107
compliance with the obstruction standards, the department shall 49108
deny a permit if it determines, in accordance with division (A) of 49109
this section, that a proposed structure or object or a change to 49110
an existing structure or object, as set forth in the application, 49111
would be an obstruction to air navigation based upon the rules 49112

adopted under section 4561.32 of the Revised Code. 49113

(C) In rendering a decision on an application for a permit, 49114
the department shall issue an opinion stating its reasons for the 49115
action taken. The department shall serve upon the applicant and 49116
each party, as provided in division (C) of section 4561.33 of the 49117
Revised Code, a copy of its decision regarding a permit and the 49118
opinion. 49119

Sec. 4561.341. Pursuant to any consultation with the power 49120
siting board regarding an application for certification under 49121
section 4906.03 or 4906.10 of the Revised Code, the office of 49122
aviation ~~of the division of multi-modal planning and programs~~ of 49123
the department of transportation shall review the application to 49124
determine whether the facility constitutes or will constitute an 49125
obstruction to air navigation based upon the rules adopted under 49126
section 4561.32 of the Revised Code. Upon review of the 49127
application, if the office determines that the facility 49128
constitutes or will constitute an obstruction to air navigation, 49129
it shall provide, in writing, this determination and either the 49130
terms, conditions, and modifications that are necessary for the 49131
applicant to eliminate the obstruction or a statement that 49132
compliance with the obstruction standards may be waived, to the 49133
power siting board under section 4906.03 or 4906.10 of the Revised 49134
Code, as appropriate. 49135

Sec. 4561.36. (A) The department of transportation shall not 49136
issue any permit under ~~sections 4561.30 to 4561.39 of the Revised~~ 49137
~~Code~~ this chapter that will result in the creation of an 49138
obstruction to air navigation based upon the rules adopted under 49139
section 4561.32 of the Revised Code, unless the department waives 49140
compliance with the obstruction standards included in those rules. 49141

(B) ~~Sections 4561.30 to 4561.39 of the Revised Code do~~ This 49142

chapter does not authorize the department to restrict the height 49143

(D)(1) Subject to divisions (D)(2), (3), and (4) of this 53430

any rule that precludes an individual from receiving or renewing a 53432
license as a dispensing optician issued under sections 4725.40 to 53433
4725.59 of the Revised Code due to any past criminal activity or 53434
interpretation of moral character, unless the individual has 53435
committed a crime of moral turpitude or a disqualifying offense as 53436

that offense. 53454

In all other circumstances, the board shall follow the 53455
procedures it adopts by rule that conform to division (D)(1) of 53456
this section. 53457

(3) In considering a renewal of an individual's license, the 53458
board shall not consider any conviction or plea of guilty prior to 53459

was initially licensed, or after the most recent license renewal. 53462

(4) The board may grant an individual a conditional license 53463
that lasts for one year. After the one-year period has expired, 53464
the license is no longer considered conditional, and the 53465

(E) The board, subject to the approval of the controlling 53467
board, may establish examination fees in excess of the amount 53468
established by rule pursuant to this section, provided that such 53469

Sec. 4725.49. (A) ~~The Ohio optical dispensers~~ state vision 53472

and hearing professionals board may provide for the examination of 53473
applicants by designing, preparing, and administering the 53474

competence to dispense optical aids as a licensed spectacle 53477
dispensing optician, a licensed contact lens dispensing optician, 53478
or a licensed spectacle-contact lens dispensing optician. Any 53479
examination used shall be designed to measure specific performance 53480
requirements, be professionally constructed and validated, and be 53481
independently and objectively administered and scored in order to 53482
determine the applicant's competence to dispense optical aids. 53483

(B) The board shall ensure that it, or the testing service it 53484
contracts with, does all of the following: 53485

(1) Provides public notice as to the date, time, and place 53486
for each examination at least ninety days prior to the 53487
examination; 53488

The board or testing service shall provide the applicant with 53498
written notification of the postponement and of the next date the 53499
examination is scheduled to be administered. 53500

(D) No limitation shall be placed upon the number of times 53501
that an applicant may repeat any qualifying examination, except 53502
that, if an applicant fails an examination for a third time, the 53503

board may require that the applicant, prior to retaking the 53504
examination, undergo additional study in the areas of the 53505
examination in which the applicant experienced difficulty. 53506

Sec. 4725.50. (A) Except for a person who qualifies for 53507
licensure as an ocularist, each person who qualifies for licensure 53508
under sections 4725.40 to 4725.59 of the Revised Code shall 53509
receive from the ~~Ohio optical dispensers~~ state vision and hearing 53510
professionals board, under its seal, a certificate of licensure 53511
entitling the person to practice as a licensed spectacle 53512
dispensing optician, licensed contact lens dispensing optician, or 53513
a licensed spectacle-contact lens dispensing optician. The 53514
appropriate certificate of licensure shall be issued by the board 53515
no later than sixty days after it has notified the applicant of 53516
the applicant's approval for licensure. 53517

(B) Each licensed dispensing optician shall display the 53518
licensed dispensing optician's certificate of licensure in a 53519
conspicuous place in the licensed dispensing optician's office or 53520
place of business. If a licensed dispensing optician maintains 53521
more than one office or place of business, the licensed dispensing 53522
optician shall display a duplicate copy of such certificate at 53523
each location. The board shall issue duplicate copies of the 53524
appropriate certificate of licensure for this purpose upon the 53525
filing of an application form therefor and the payment of a 53526
five-dollar fee for each duplicate copy. 53527

Sec. 4725.501. (A) As used in this section, "license" and 53528
"applicant for an initial license" have the same meanings as in 53529
section 4776.01 of the Revised Code, except that "license" as used 53530
in both of those terms refers to the types of authorizations 53531
otherwise issued or conferred under this chapter. 53532

(B) In addition to any other eligibility requirement set 53533

forth in this chapter, each applicant for an initial license shall 53534
comply with sections 4776.01 to 4776.04 of the Revised Code. The 53535
~~Ohio optical dispensers~~ state vision and hearing professionals 53536
board shall not grant a license to an applicant for an initial 53537
license unless the applicant complies with sections 4776.01 to 53538
4776.04 of the Revised Code and the board, in its discretion, 53539
decides that the results of the criminal records check do not make 53540
the applicant ineligible for a license issued pursuant to section 53541
4725.50 or 4725.57 of the Revised Code. 53542

Sec. 4725.51. (A)(1) Each license issued under sections 53543
4725.40 to 4725.59 of the Revised Code shall expire on the first 53544
day of January in the year after it was issued. Each person 53545
holding a valid, current license may apply to the ~~Ohio optical~~ 53546
~~dispensers~~ state vision and hearing professionals board for the 53547
extension of the license under the standard renewal procedures of 53548
Chapter 4745. of the Revised Code. Each application for renewal 53549
shall be accompanied by a renewal fee the board shall establish by 53550
rule. In addition, except as provided in division (A)(2) of this 53551
section, the application shall contain evidence that the applicant 53552
has completed continuing education within the immediately 53553
preceding one-year period as follows: 53554

(b) Licensed contact lens dispensing opticians shall have 53559
pursued eight hours of study in contact lens dispensing, approved 53560

The board may provide, by rule, for an extension of the grace period for licensed dispensing opticians who are serving in the armed forces of the United States or a reserve component of the armed forces of the United States, including the Ohio national guard or the national guard of any other state and for waiver of the continuing education requirements or the penalty in cases of hardship or illness. | 53573

Sec. 4725.52. Any licensed dispensing optician may supervise 53596
a maximum of three apprentices who shall be permitted to engage in 53597
optical dispensing only under the supervision of the licensed 53598
dispensing optician. 53599

To serve as an apprentice, a person shall register with the 53600

board either on a form provided by the board or in the form of a 53602
statement giving the name and address of the supervising licensed 53603
dispensing optician, the location at which the apprentice will be 53604
employed, and any other information required by the board. For the 53605
duration of the apprenticeship, the apprentice shall register 53606
annually on the form provided by the board or in the form of a 53607

Each apprentice shall pay an initial registration fee of 53609

turpitude or a disqualifying offense less than one year prior to 53620
making the application, the board may use its discretion in 53621
granting or denying the individual a registration. Except as 53622
otherwise provided in this division, if an individual applying for 53623
a registration has been convicted of or pleaded guilty to a felony 53624
that is not a crime of moral turpitude or a disqualifying offense 53625

less than three years prior to making the application, the board 53626
may use its discretion in granting or denying the individual a 53627
registration. The provisions in this paragraph do not apply with 53628
respect to any offense unless the board, prior to ~~the effective~~ 53629
~~date of this amendment~~ September 28, 2012, was required or 53630
authorized to deny the registration based on that offense. 53631

In all other circumstances, the board shall follow the 53632
procedures it adopts by rule that conform to this section. In 53633
considering a renewal of an individual's registration, the board 53634
shall not consider any conviction or plea of guilty prior to the 53635
initial registration. However, the board may consider a conviction 53636
or plea of guilty if it occurred after the individual was 53637
initially registered, or after the most recent registration 53638
renewal. If the board denies an individual for a registration or 53639
registration renewal, the reasons for such denial shall be put in 53640
writing. Additionally, the board may grant an individual a 53641
conditional registration that lasts for one year. After the 53642

(E) For purposes of this division, an individual authorized 54361
to practice as a pharmacist or pharmacy intern accepts the 54362
privilege of practicing in this state subject to supervision by 54363
the board. By filing an application for or holding a license to 54364
practice as a pharmacist or pharmacy intern, an individual gives 54365
consent to submit to a mental or physical examination when ordered 54366
to do so by the board in writing and waives all objections to the 54367
admissibility of testimony or examination reports that constitute 54368

If the board has reasonable cause to believe that an 54370
individual who is a pharmacist or pharmacy intern is physically or 54371
mentally impaired, the board may require the individual to submit 54372
to a physical or mental examination, or both. The expense of the 54373

testimony or presentation of evidence. Any subsequent adjudication 54381
hearing under Chapter 119. of the Revised Code concerning failure 54382
to submit to an examination is limited to consideration of whether 54383

the failure was beyond the individual's control. 54384

If, based on the results of an examination ordered under this 54385
division, the board determines that the individual's ability to 54386
practice is impaired, the board shall suspend the individual's 54387
license or deny the individual's application and shall require the 54388
individual, as a condition for an initial, continued, reinstated, 54389
or renewed license to practice, to submit to a physical or mental 54390
examination and treatment. 54391

An order of suspension issued under this division shall not 54392
be subject to suspension by a court during pendency of any appeal 54393
filed under section 119.12 of the Revised Code. 54394

(F) If the board is required under Chapter 119. of the 54395
Revised Code to give notice of an opportunity for a hearing and 54396

hearing in accordance with section 119.07 of the Revised Code, the 54398
board is not required to hold a hearing, but may adopt a final 54399
order that contains the board's findings. In the final order, the 54400
board may impose any of the sanctions listed in division (A) of 54401
this section. 54402

(G) Notwithstanding the provision of division (C)(2) of 54403
section 2953.32 of the Revised Code specifying that if records 54404

proceedings in the case must be deemed not to have occurred, 54406
sealing of the following records on which the board has based an 54407
action under this section shall have no effect on the board's 54408
action or any sanction imposed by the board under this section: 54409
records of any conviction, guilty plea, judicial finding of guilt 54410
resulting from a plea of no contest, or a judicial finding of 54411
eligibility for a pretrial diversion program or intervention in 54412
lieu of conviction. The board shall not be required to seal, 54413
destroy, redact, or otherwise modify its records to reflect the 54414
court's sealing of conviction records. 54415

(H) No pharmacist or pharmacy intern shall knowingly engage 54416
in any conduct described in divisions (A)(2)(b) or (A)(2)(e) to 54417

section, information received by the state board of pharmacy 54420

discovery in any civil action. Any record that identifies a 54422
patient, confidential informant, or individual who files a 54423
complaint with the board or may reasonably lead to the 54424
identification of the patient, informant, or complainant is not a 54425
public record for purposes of section 149.43 of the Revised Code 54426
and is not subject to inspection or copying under section 1347.08 54427
of the Revised Code. 54428

(B) The board shall conduct all investigations or inspections 54429
and proceedings in a manner that protects the confidentiality of 54430
patients, confidential informants, and individuals who file 54431
complaints with the board. The board shall not make public the 54432
names or any other identifying information of patients, 54433
confidential informants, or complainants unless proper consent is 54434
given or, in the case of a patient, a waiver of the patient 54435
privilege exists under division (B) of section 2317.02 of the 54436
Revised Code. The consent or waiver is not required if the board 54437
possesses reliable and substantial evidence that no bona fide 54438
physician-patient relationship exists. 54439

On request, the board may share any information it receives 54440
pursuant to an investigation or inspection, including patient 54441
records and patient record information, with law enforcement 54442
agencies, other licensing boards, and other state or federal 54443
governmental agencies that are prosecuting, adjudicating, or 54444
investigating alleged violations of statutes or administrative 54445
rules. An agency or board that receives the information shall 54446

comply with the same requirements regarding confidentiality as 54447
those with which the state board of pharmacy must comply, 54448
notwithstanding any conflicting provision of the Revised Code or 54449
agency procedure that applies when the agency is dealing with 54450
other information in its possession. 54451

Any information the board receives from a state or federal 54452
agency is subject to the same confidentiality requirements as the 54453
agency from which it was received and shall not be released by the 54454
board without prior authorization from that agency. 54455

The board may, for good cause shown, disclose or authorize 54456
disclosure of information gathered pursuant to an investigation. 54457

an individual for treatment or recovery purposes as part of or 54459
following any disciplinary action taken under section 4729.16, 54460
4729.56, or 4729.57 of the Revised Code shall be conducted in a 54461
manner that maintains an individual's confidentiality with respect 54462
to the individual's treatment or recovery program. Information 54463
received or maintained by the board with respect to the board's 54464
monitoring activities is not subject to discovery in any civil 54465
action and is confidential, except that the board may disclose 54466
information to law enforcement officers and government entities 54467
for purposes of an investigation of a license or certificate 54468
holder. 54469

records, documents, and other tangible objects; issue subpoenas; 54474
and compel the attendance of witnesses and production of books, 54475
accounts, papers, records, documents, and other tangible objects. 54476

the board and after reasonable notice to that person, the board 54478
may apply to the court of common pleas of Franklin county for an 54479
order compelling the production of persons or records pursuant to 54480
the Ohio Rules of Civil Procedure. 54481

only on approval by the board's executive director and the 54488
president or another board member designated by the president, in 54489
consultation with the office of the attorney general. Before 54490
issuing the subpoena, the executive director and the office of the 54491
attorney general shall determine whether probable cause exists to 54492
believe that the complaint filed alleges, or an investigation has 54493
revealed, a violation of this chapter or any rule adopted by the 54494
board, that the records sought are relevant to the alleged 54495
violation and material to the investigation, and that the records 54496
cover a reasonable period of time surrounding the alleged 54497
violation. 54498

(C) The board may adopt rules in accordance with Chapter 119. 54499

(C) If the board determines that the evidence submitted with an application is satisfactory and the applicant meets the requirements for a license, the board shall issue to the applicant a license to practice medicine and surgery or osteopathic medicine and surgery, as applicable. If the applicant holds a medical degree other than the degree of doctor of medicine or doctor of osteopathic medicine, the license shall indicate that the applicant is authorized to practice medicine and surgery pursuant to the laws of this state. Each certificate license issued by the board shall be signed by its president and secretary, and attested by its seal. The certificate shall be on a form prescribed by the board and shall indicate the medical degree held by the individual to whom the certificate is issued. If the individual holds the degree of doctor of medicine, the certificate shall state that the

~~individual is authorized to practice medicine and surgery pursuant to the laws of this state. If the individual holds the degree of doctor of osteopathic medicine, the certificate shall state that the individual is authorized to practice osteopathic medicine and surgery pursuant to the laws of this state. If the individual holds a medical degree other than the degree of doctor of medicine or doctor of osteopathic medicine, the certificate shall indicate the diploma, degree, or other document issued by the medical school or institution the individual attended and shall state that the individual is authorized to practice medicine and surgery pursuant to the laws of this state.~~

The holder of a license to practice osteopathic medicine and surgery issued under this chapter may use the titles "Dr.," "doctor," "D.O.," or "physician."

~~(D) The certificate shall be prominently displayed in the certificate holder's office or place where a major portion of the certificate holder's practice is conducted and shall entitle the holder to practice either medicine and surgery or osteopathic medicine and surgery provided the certificate holder maintains current registration as required by section 4731.281 of the Revised Code and provided further that such certificate has not been revoked, suspended, or limited by action of the state medical board pursuant to this chapter holder of a license issued under this section shall either provide verification of licensure status from the board's internet web site on request or prominently display a wall certificate in the license holder's office or place where the majority of the holder's practice is conducted.~~

The board shall adopt rules specifying an acceptable examination and establishing the minimum score that demonstrates proficiency in spoken English.

(B) An individual is not required to demonstrate proficiency in spoken English in accordance with division (A) of this section if any of the following apply:

medicine and surgery, or podiatric medicine and surgery, who is 56413
not covered by medical malpractice insurance shall provide a 56414
patient with written notice of the ~~certificate~~ license holder's 56415
lack of that insurance coverage prior to providing nonemergency 56416
professional services to the patient. The notice shall be provided 56417
alone on its own page. The notice shall provide space for the 56418
patient to acknowledge receipt of the notice, and shall be in the 56419
following form: 56420

"N O T I C E: 56421

Dr. (here state the full name of the 56422
~~certificate~~ license holder) is not covered by medical malpractice 56423

notice in the patient's ~~file~~ medical record. 56434

(B) This section does not apply to any officer or employee of 56435
the state, as those terms are defined in section 9.85 of the 56436
Revised Code, who is immune from civil liability under section 56437
9.86 of the Revised Code or is entitled to indemnification 56438

pursuant to section 9.87 of the Revised Code, to the extent that 56439
the person is acting within the scope of the person's employment 56440
or official responsibilities. 56441

This section does not apply to a person who complies with 56442
division (B)(2) of section 2305.234 of the Revised Code. 56443

(C) As used in this section, "medical malpractice insurance" 56444
means insurance coverage against the legal liability of the 56445
insured and against loss, damage, or expense incident to a claim 56446
arising out of the death, disease, or injury of any person as the 56447
result of negligence or malpractice in rendering professional 56448
service by any licensed physician, podiatrist, or hospital, as 56449
those terms are defined in section 2305.113 of the Revised Code. 56450

Sec. 4731.15. (A)~~(1)~~ The state medical board also shall 56451
regulate the following limited branches of medicine: massage 56452
therapy and cosmetic therapy, and to the extent specified in 56453
section 4731.151 of the Revised Code, naprapathy and 56454
mechanotherapy. The board shall adopt rules governing the limited 56455
branches of medicine under its jurisdiction. The rules shall be 56456
adopted in accordance with Chapter 119. of the Revised Code. 56457

~~(2) As used in this chapter:~~ 56458

~~stretching, compression, and joint movements within the normal
physiologic range of motion; and adjunctive thereto, the external
application of water, heat, cold, topical preparations, and
mechanical devices.~~

(B) A certificate to practice a limited branch of medicine
issued by the state medical board is valid for a two-year period,
except when an initial certificate is issued for a shorter period
or when division (C)(2) of this section is applicable. The
certificate may be renewed in accordance with division (C) of this
section.

(C)(1) Except as provided in division (C)(2) of this section,
~~all~~ both of the following apply with respect to the renewal of
certificates to practice a limited branch of medicine:

(a) Each person seeking to renew a certificate to practice a
limited branch of medicine shall apply for biennial renewal with
the state medical board in a manner prescribed by the board. An
applicant for renewal shall pay a biennial renewal fee of one
hundred dollars.

(b) At least ~~six months~~ one month before a certificate
expires, the board shall provide a renewal notice to the
certificate holder.

~~(c) At least three months before a certificate expires, the
certificate holder shall submit the renewal application and
biennial renewal fee to the board.~~

(2) The board shall implement a staggered renewal system that
is substantially similar to the staggered renewal system the board

(D) All persons who hold a certificate to practice a limited
branch of medicine issued by the state medical board shall provide
the board notice of any change of address. The notice shall be
submitted to the board not later than thirty days after the change

of address. 56500

(E) A certificate to practice a limited branch of medicine 56501
shall be automatically suspended if the certificate holder fails 56502
to renew the certificate in accordance with division (C) of this 56503
section. Continued practice after the suspension of the 56504
certificate to practice shall be considered as practicing in 56505
violation of sections 4731.34 and 4731.41 of the Revised Code. 56506

If a certificate to practice has been suspended pursuant to 56507
this division for two years or less, it may be reinstated. The 56508
board shall reinstate the certificate upon an applicant's 56509
submission of a renewal application and payment of ~~the biennial~~ 56510
~~renewal~~ a reinstatement fee and the applicable monetary penalty of 56511
one hundred twenty-five dollars. With regard to reinstatement of a 56512
certificate to practice cosmetic therapy, the applicant also shall 56513
submit with the application a certification that the number of 56514
hours of continuing education necessary to have a suspended 56515
certificate reinstated have been completed, as specified in rules 56516
the board shall adopt in accordance with Chapter 119. of the 56517
Revised Code. ~~The penalty for reinstatement shall be twenty five~~ 56518
~~dollars.~~ 56519

If a certificate has been suspended pursuant to this division 56520
for more than two years, it may be restored. Subject to section 56521
4731.222 of the Revised Code, the board may restore the 56522
certificate upon an applicant's submission of a restoration 56523
application, ~~the biennial renewal fee, and the applicable monetary~~ 56524
~~penalty~~ a restoration fee of one hundred fifty dollars and 56525
compliance with sections 4776.01 to 4776.04 of the Revised Code. 56526
The board shall not restore to an applicant a certificate to 56527
practice unless the board, in its discretion, decides that the 56528
results of the criminal records check do not make the applicant 56529
ineligible for a certificate issued pursuant to section 4731.17 of 56530
the Revised Code. ~~The penalty for restoration is fifty dollars.~~ 56531

Sec. 4731.22. (A) The state medical board, by an affirmative 56532
vote of not fewer than six of its members, may limit, revoke, or 56533
suspend ~~an individual's~~ a license or certificate to practice or 56534
certificate to recommend, refuse to grant a license or certificate 56535
~~to an individual~~, refuse to renew a license or certificate, refuse 56536
to reinstate a license or certificate, or reprimand or place on 56537
probation the holder of a license or certificate if the individual 56538
applying for or holding the license or certificate ~~holder~~ is found 56539
by the board to have committed fraud during the administration of 56540
the examination for a license or certificate to practice or to 56541
have committed fraud, misrepresentation, or deception in applying 56542
for, renewing, or securing any license or certificate to practice 56543
or certificate to recommend issued by the board. 56544

(B) The board, by an affirmative vote of not fewer than six 56545
members, shall, to the extent permitted by law, limit, revoke, or 56546
suspend ~~an individual's~~ a license or certificate to practice or 56547
certificate to recommend, refuse to issue a license or certificate 56548
~~to an individual~~, refuse to renew a license or certificate, refuse 56549
to reinstate a license or certificate, or reprimand or place on 56550
probation the holder of a license or certificate for one or more 56551
of the following reasons: 56552

(1) Permitting one's name or one's license or certificate to 56553
practice to be used by a person, group, or corporation when the 56554
individual concerned is not actually directing the treatment 56555
given; 56556

(2) Failure to maintain minimal standards applicable to the 56557
selection or administration of drugs, or failure to employ 56558
acceptable scientific methods in the selection of drugs or other 56559
modalities for treatment of disease; 56560

(3) Except as provided in section 4731.97 of the Revised 56561
Code, selling, giving away, personally furnishing, prescribing, or 56562

administering drugs for other than legal and legitimate 56563
therapeutic purposes or a plea of guilty to, a judicial finding of 56564
guilt of, or a judicial finding of eligibility for intervention in 56565
lieu of conviction of, a violation of any federal or state law 56566
regulating the possession, distribution, or use of any drug; 56567

(4) Willfully betraying a professional confidence. 56568

For purposes of this division, "willfully betraying a 56569
professional confidence" does not include providing any 56570
information, documents, or reports under sections 307.621 to 56571
307.629 of the Revised Code to a child fatality review board; does 56572
not include providing any information, documents, or reports under 56573
sections 307.631 to 307.639 of the Revised Code to a drug overdose 56574
fatality review committee; does not include providing any 56575
information, documents, or reports to the director of health 56576
pursuant to guidelines established under section 3701.70 of the 56577
Revised Code; does not include written notice to a mental health 56578
professional under section 4731.62 of the Revised Code; and does 56579
not include the making of a report of an employee's use of a drug 56580
of abuse, or a report of a condition of an employee other than one 56581
involving the use of a drug of abuse, to the employer of the 56582
employee as described in division (B) of section 2305.33 of the 56583
Revised Code. Nothing in this division affects the immunity from 56584
civil liability conferred by section 2305.33 or 4731.62 of the 56585
Revised Code upon a physician who makes a report in accordance 56586
with section 2305.33 or notifies a mental health professional in 56587
accordance with section 4731.62 of the Revised Code. As used in 56588
this division, "employee," "employer," and "physician" have the 56589
same meanings as in section 2305.33 of the Revised Code. 56590

(5) Making a false, fraudulent, deceptive, or misleading 56591
statement in the solicitation of or advertising for patients; in 56592
relation to the practice of medicine and surgery, osteopathic 56593
medicine and surgery, podiatric medicine and surgery, or a limited 56594

branch of medicine; or in securing or attempting to secure any 56595
license or certificate to practice issued by the board. 56596

As used in this division, "false, fraudulent, deceptive, or 56597
misleading statement" means a statement that includes a 56598
misrepresentation of fact, is likely to mislead or deceive because 56599
of a failure to disclose material facts, is intended or is likely 56600
to create false or unjustified expectations of favorable results, 56601
or includes representations or implications that in reasonable 56602
probability will cause an ordinarily prudent person to 56603
misunderstand or be deceived. 56604

(6) A departure from, or the failure to conform to, minimal 56605
standards of care of similar practitioners under the same or 56606
similar circumstances, whether or not actual injury to a patient 56607
is established; 56608

(7) Representing, with the purpose of obtaining compensation 56609
or other advantage as personal gain or for any other person, that 56610
an incurable disease or injury, or other incurable condition, can 56611
be permanently cured; 56612

(8) The obtaining of, or attempting to obtain, money or 56613
anything of value by fraudulent misrepresentations in the course 56614
of practice; 56615

(9) A plea of guilty to, a judicial finding of guilt of, or a 56616
judicial finding of eligibility for intervention in lieu of 56617
conviction for, a felony; 56618

(10) Commission of an act that constitutes a felony in this 56619
state, regardless of the jurisdiction in which the act was 56620
committed; 56621

(11) A plea of guilty to, a judicial finding of guilt of, or 56622
a judicial finding of eligibility for intervention in lieu of 56623
conviction for, a misdemeanor committed in the course of practice; 56624

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Violation of the conditions of limitation placed by the board upon a license or certificate to practice;

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a

physician of an employee's use of a drug of abuse, or of a 56656
condition of an employee other than one involving the use of a 56657
drug of abuse, to the employer of the employee as described in 56658
division (B) of section 2305.33 of the Revised Code. Nothing in 56659
this division affects the immunity from civil liability conferred 56660
by that section upon a physician who makes either type of report 56661
in accordance with division (B) of that section. As used in this 56662
division, "employee," "employer," and "physician" have the same 56663
meanings as in section 2305.33 of the Revised Code. 56664

(19) Inability to practice according to acceptable and 56665
prevailing standards of care by reason of mental illness or 56666
physical illness, including, but not limited to, physical 56667
deterioration that adversely affects cognitive, motor, or 56668
perceptive skills. 56669

In enforcing this division, the board, upon a showing of a 56670
possible violation, may compel any individual authorized to 56671
practice by this chapter or who has submitted an application 56672
pursuant to this chapter to submit to a mental examination, 56673
physical examination, including an HIV test, or both a mental and 56674
a physical examination. The expense of the examination is the 56675
responsibility of the individual compelled to be examined. Failure 56676
to submit to a mental or physical examination or consent to an HIV 56677
test ordered by the board constitutes an admission of the 56678
allegations against the individual unless the failure is due to 56679
circumstances beyond the individual's control, and a default and 56680
final order may be entered without the taking of testimony or 56681
presentation of evidence. If the board finds an individual unable 56682
to practice because of the reasons set forth in this division, the 56683
board shall require the individual to submit to care, counseling, 56684
or treatment by physicians approved or designated by the board, as 56685
a condition for initial, continued, reinstated, or renewed 56686
authority to practice. An individual affected under this division 56687

shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 ~~or 4731.282~~ of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or

of any abortion rule adopted by the director of health pursuant to 56720
section 3701.341 of the Revised Code; 56721

(22) Any of the following actions taken by an agency 56722
responsible for authorizing, certifying, or regulating an 56723
individual to practice a health care occupation or provide health 56724
care services in this state or another jurisdiction, for any 56725
reason other than the nonpayment of fees: the limitation, 56726
revocation, or suspension of an individual's license to practice; 56727
acceptance of an individual's license surrender; denial of a 56728
license; refusal to renew or reinstate a license; imposition of 56729
probation; or issuance of an order of censure or other reprimand; 56730

(23) The violation of section 2919.12 of the Revised Code or 56731
the performance or inducement of an abortion upon a pregnant woman 56732
with actual knowledge that the conditions specified in division 56733
(B) of section 2317.56 of the Revised Code have not been satisfied 56734
or with a heedless indifference as to whether those conditions 56735
have been satisfied, unless an affirmative defense as specified in 56736
division (H)(2) of that section would apply in a civil action 56737
authorized by division (H)(1) of that section; 56738

(24) The revocation, suspension, restriction, reduction, or 56739
termination of clinical privileges by the United States department 56740
of defense or department of veterans affairs or the termination or 56741
suspension of a certificate of registration to prescribe drugs by 56742
the drug enforcement administration of the United States 56743
department of justice; 56744

(25) Termination or suspension from participation in the 56745
medicare or medicaid programs by the department of health and 56746
human services or other responsible agency for any act or acts 56747
that also would constitute a violation of division (B)(2), (3), 56748
(6), (8), or (19) of this section; 56749

(26) Impairment of ability to practice according to 56750

acceptable and prevailing standards of care because of habitual or 56751
excessive use or abuse of drugs, alcohol, or other substances that 56752
impair ability to practice. 56753

For the purposes of this division, any individual authorized 56754
to practice by this chapter accepts the privilege of practicing in 56755
this state subject to supervision by the board. By filing an 56756
application for or holding a license or certificate to practice 56757
under this chapter, an individual shall be deemed to have given 56758
consent to submit to a mental or physical examination when ordered 56759
to do so by the board in writing, and to have waived all 56760
objections to the admissibility of testimony or examination 56761
reports that constitute privileged communications. 56762

If it has reason to believe that any individual authorized to 56763
practice by this chapter or any applicant for licensure or 56764
certification to practice suffers such impairment, the board may 56765
compel the individual to submit to a mental or physical 56766
examination, or both. The expense of the examination is the 56767
responsibility of the individual compelled to be examined. Any 56768
mental or physical examination required under this division shall 56769
be undertaken by a treatment provider or physician who is 56770
qualified to conduct the examination and who is chosen by the 56771
board. 56772

Failure to submit to a mental or physical examination ordered 56773
by the board constitutes an admission of the allegations against 56774
the individual unless the failure is due to circumstances beyond 56775
the individual's control, and a default and final order may be 56776
entered without the taking of testimony or presentation of 56777
evidence. If the board determines that the individual's ability to 56778
practice is impaired, the board shall suspend the individual's 56779
license or certificate or deny the individual's application and 56780
shall require the individual, as a condition for initial, 56781
continued, reinstated, or renewed licensure or certification to 56782

practice, to submit to treatment. 56783

Before being eligible to apply for reinstatement of a license 56784
or certificate suspended under this division, the impaired 56785
practitioner shall demonstrate to the board the ability to resume 56786
practice in compliance with acceptable and prevailing standards of 56787
care under the provisions of the practitioner's license or 56788
certificate. The demonstration shall include, but shall not be 56789
limited to, the following: 56790

(a) Certification from a treatment provider approved under 56791
section 4731.25 of the Revised Code that the individual has 56792
successfully completed any required inpatient treatment; 56793

(b) Evidence of continuing full compliance with an aftercare 56794
contract or consent agreement; 56795

(c) Two written reports indicating that the individual's 56796
ability to practice has been assessed and that the individual has 56797
been found capable of practicing according to acceptable and 56798
prevailing standards of care. The reports shall be made by 56799
individuals or providers approved by the board for making the 56800
assessments and shall describe the basis for their determination. 56801

The board may reinstate a license or certificate suspended 56802
under this division after that demonstration and after the 56803
individual has entered into a written consent agreement. 56804

When the impaired practitioner resumes practice, the board 56805
shall require continued monitoring of the individual. The 56806
monitoring shall include, but not be limited to, compliance with 56807
the written consent agreement entered into before reinstatement or 56808
with conditions imposed by board order after a hearing, and, upon 56809
termination of the consent agreement, submission to the board for 56810
at least two years of annual written progress reports made under 56811
penalty of perjury stating whether the individual has maintained 56812
sobriety. 56813

abortion upon a pregnant woman; 56906

(48) Failure to comply with the requirements in section 56907
3719.061 of the Revised Code before issuing for a minor a 56908

3719.01 of the Revised Code; 56910

(49) Failure to comply with the requirements of section 56911

(50) Practicing at a facility, clinic, or other location that 56915
is subject to licensure as a category III terminal distributor of 56916

classification unless the person operating that place has obtained 56918
and maintains the license with the classification; 56919

(51) Owning a facility, clinic, or other location that is 56920
subject to licensure as a category III terminal distributor of 56921
dangerous drugs with an office-based opioid treatment 56922
classification unless that place is licensed with the 56923
classification. 56924

(C) Disciplinary actions taken by the board under divisions 56925
(A) and (B) of this section shall be taken pursuant to an 56926
adjudication under Chapter 119. of the Revised Code, except that 56927
in lieu of an adjudication, the board may enter into a consent 56928
agreement with an individual to resolve an allegation of a 56929
violation of this chapter or any rule adopted under it. A consent 56930
agreement, when ratified by an affirmative vote of not fewer than 56931
six members of the board, shall constitute the findings and order 56932
of the board with respect to the matter addressed in the 56933
agreement. If the board refuses to ratify a consent agreement, the 56934
admissions and findings contained in the consent agreement shall 56935
be of no force or effect. 56936

A telephone conference call may be utilized for ratification 56937
of a consent agreement that revokes or suspends an individual's 56938
license or certificate to practice or certificate to recommend. 56939
The telephone conference call shall be considered a special 56940
meeting under division (F) of section 121.22 of the Revised Code. 56941

If the board takes disciplinary action against an individual 56942
under division (B) of this section for a second or subsequent plea 56943
of guilty to, or judicial finding of guilt of, a violation of 56944
section 2919.123 of the Revised Code, the disciplinary action 56945
shall consist of a suspension of the individual's license or 56946
certificate to practice for a period of at least one year or, if 56947
determined appropriate by the board, a more serious sanction 56948
involving the individual's license or certificate to practice. Any 56949
consent agreement entered into under this division with an 56950
individual that pertains to a second or subsequent plea of guilty 56951
to, or judicial finding of guilt of, a violation of that section 56952
shall provide for a suspension of the individual's license or 56953
certificate to practice for a period of at least one year or, if 56954
determined appropriate by the board, a more serious sanction 56955
involving the individual's license or certificate to practice. 56956

(D) For purposes of divisions (B)(10), (12), and (14) of this 56957
section, the commission of the act may be established by a finding 56958
by the board, pursuant to an adjudication under Chapter 119. of 56959
the Revised Code, that the individual committed the act. The board 56960
does not have jurisdiction under those divisions if the trial 56961
court renders a final judgment in the individual's favor and that 56962
judgment is based upon an adjudication on the merits. The board 56963
has jurisdiction under those divisions if the trial court issues 56964
an order of dismissal upon technical or procedural grounds. 56965

(E) The sealing of conviction records by any court shall have 56966
no effect upon a prior board order entered under this section or 56967
upon the board's jurisdiction to take action under this section 56968

if, based upon a plea of guilty, a judicial finding of guilt, or a 56969
judicial finding of eligibility for intervention in lieu of 56970
conviction, the board issued a notice of opportunity for a hearing 56971
prior to the court's order to seal the records. The board shall 56972
not be required to seal, destroy, redact, or otherwise modify its 56973
records to reflect the court's sealing of conviction records. 56974

(F)(1) The board shall investigate evidence that appears to 56975
show that a person has violated any provision of this chapter or 56976
any rule adopted under it. Any person may report to the board in a 56977
signed writing any information that the person may have that 56978
appears to show a violation of any provision of this chapter or 56979
any rule adopted under it. In the absence of bad faith, any person 56980
who reports information of that nature or who testifies before the 56981
board in any adjudication conducted under Chapter 119. of the 56982
Revised Code shall not be liable in damages in a civil action as a 56983
result of the report or testimony. Each complaint or allegation of 56984
a violation received by the board shall be assigned a case number 56985
and shall be recorded by the board. 56986

(2) Investigations of alleged violations of this chapter or 56987
any rule adopted under it shall be supervised by the supervising 56988
member elected by the board in accordance with section 4731.02 of 56989
the Revised Code and by the secretary as provided in section 56990
4731.39 of the Revised Code. The president may designate another 56991
member of the board to supervise the investigation in place of the 56992
supervising member. No member of the board who supervises the 56993
investigation of a case shall participate in further adjudication 56994
of the case. 56995

(3) In investigating a possible violation of this chapter or 56996
any rule adopted under this chapter, or in conducting an 56997
inspection under division (E) of section 4731.054 of the Revised 56998
Code, the board may question witnesses, conduct interviews, 56999
administer oaths, order the taking of depositions, inspect and 57000

copy any books, accounts, papers, records, or documents, issue 57001
subpoenas, and compel the attendance of witnesses and production 57002
of books, accounts, papers, records, documents, and testimony, 57003
except that a subpoena for patient record information shall not be 57004
issued without consultation with the attorney general's office and 57005
approval of the secretary and supervising member of the board. 57006

(a) Before issuance of a subpoena for patient record 57007
information, the secretary and supervising member shall determine 57008
whether there is probable cause to believe that the complaint 57009
filed alleges a violation of this chapter or any rule adopted 57010
under it and that the records sought are relevant to the alleged 57011
violation and material to the investigation. The subpoena may 57012
apply only to records that cover a reasonable period of time 57013
surrounding the alleged violation. 57014

(b) On failure to comply with any subpoena issued by the 57015
board and after reasonable notice to the person being subpoenaed, 57016
the board may move for an order compelling the production of 57017
persons or records pursuant to the Rules of Civil Procedure. 57018

(c) A subpoena issued by the board may be served by a 57019
sheriff, the sheriff's deputy, or a board employee designated by 57020
the board. Service of a subpoena issued by the board may be made 57021
by delivering a copy of the subpoena to the person named therein, 57022
reading it to the person, or leaving it at the person's usual 57023
place of residence, usual place of business, or address on file 57024
with the board. When serving a subpoena to an applicant for or the 57025
holder of a license or certificate issued under this chapter, 57026
service of the subpoena may be made by certified mail, return 57027
receipt requested, and the subpoena shall be deemed served on the 57028
date delivery is made or the date the person refuses to accept 57029
delivery. If the person being served refuses to accept the 57030
subpoena or is not located, service may be made to an attorney who 57031
notifies the board that the attorney is representing the person. 57032

(d) A sheriff's deputy who serves a subpoena shall receive 57033
the same fees as a sheriff. Each witness who appears before the 57034
board in obedience to a subpoena shall receive the fees and 57035
mileage provided for under section 119.094 of the Revised Code. 57036

(4) All hearings, investigations, and inspections of the 57037
board shall be considered civil actions for the purposes of 57038
section 2305.252 of the Revised Code. 57039

(5) A report required to be submitted to the board under this 57040
chapter, a complaint, or information received by the board 57041
pursuant to an investigation or pursuant to an inspection under 57042
division (E) of section 4731.054 of the Revised Code is 57043
confidential and not subject to discovery in any civil action. 57044

The board shall conduct all investigations or inspections and 57045
proceedings in a manner that protects the confidentiality of 57046
patients and persons who file complaints with the board. The board 57047
shall not make public the names or any other identifying 57048
information about patients or complainants unless proper consent 57049
is given or, in the case of a patient, a waiver of the patient 57050
privilege exists under division (B) of section 2317.02 of the 57051
Revised Code, except that consent or a waiver of that nature is 57052
not required if the board possesses reliable and substantial 57053
evidence that no bona fide physician-patient relationship exists. 57054

The board may share any information it receives pursuant to 57055
an investigation or inspection, including patient records and 57056
patient record information, with law enforcement agencies, other 57057
licensing boards, and other governmental agencies that are 57058
prosecuting, adjudicating, or investigating alleged violations of 57059
statutes or administrative rules. An agency or board that receives 57060
the information shall comply with the same requirements regarding 57061
confidentiality as those with which the state medical board must 57062
comply, notwithstanding any conflicting provision of the Revised 57063
Code or procedure of the agency or board that applies when it is 57064

dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(a) The case number assigned to the complaint or alleged violation;

(b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;

(c) A description of the allegations contained in the complaint;

(d) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (B) of this section; 57095
57096

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public. 57097
57098

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension. 57099

57103
57104
57105

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual. 57106

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order. 57115

57125

plea, or judicial finding of eligibility for intervention in lieu 57126
of conviction is overturned on appeal, upon exhaustion of the 57127
criminal appeal, a petition for reconsideration of the order may 57128
be filed with the board along with appropriate court documents. 57129
Upon receipt of a petition of that nature and supporting court 57130
documents, the board shall reinstate the individual's license or 57131
certificate to practice. The board may then hold an adjudication 57132
under Chapter 119. of the Revised Code to determine whether the 57133
individual committed the act in question. Notice of an opportunity 57134
for a hearing shall be given in accordance with Chapter 119. of 57135
the Revised Code. If the board finds, pursuant to an adjudication 57136
held under this division, that the individual committed the act or 57137
if no hearing is requested, the board may order any of the 57138
sanctions identified under division (B) of this section. 57139

(I) The license or certificate to practice issued to an 57140
individual under this chapter and the individual's practice in 57141
this state are automatically suspended as of the date of the 57142
individual's second or subsequent plea of guilty to, or judicial 57143
finding of guilt of, a violation of section 2919.123 of the 57144
Revised Code. In addition, the license or certificate to practice 57145
or certificate to recommend issued to an individual under this 57146
chapter and the individual's practice in this state are 57147
automatically suspended as of the date the individual pleads 57148
guilty to, is found by a judge or jury to be guilty of, or is 57149
subject to a judicial finding of eligibility for intervention in 57150
lieu of conviction in this state or treatment or intervention in 57151
lieu of conviction in another jurisdiction for any of the 57152
following criminal offenses in this state or a substantially 57153
equivalent criminal offense in another jurisdiction: aggravated 57154
murder, murder, voluntary manslaughter, felonious assault, 57155
kidnapping, rape, sexual battery, gross sexual imposition, 57156
aggravated arson, aggravated robbery, or aggravated burglary. 57157
Continued practice after suspension shall be considered practicing 57158

without a license or certificate. 57159

The board shall notify the individual subject to the 57160
suspension by certified mail or in person in accordance with 57161
section 119.07 of the Revised Code. If an individual whose license 57162
or certificate is automatically suspended under this division 57163
fails to make a timely request for an adjudication under Chapter 57164
119. of the Revised Code, the board shall do whichever of the 57165
following is applicable: 57166

(1) If the automatic suspension under this division is for a 57167
second or subsequent plea of guilty to, or judicial finding of 57168
guilt of, a violation of section 2919.123 of the Revised Code, the 57169
board shall enter an order suspending the individual's license or 57170
certificate to practice for a period of at least one year or, if 57171
determined appropriate by the board, imposing a more serious 57172
sanction involving the individual's license or certificate to 57173
practice. 57174

(2) In all circumstances in which division (I)(1) of this 57175
section does not apply, enter a final order permanently revoking 57176
the individual's license or certificate to practice. 57177

(J) If the board is required by Chapter 119. of the Revised 57178
Code to give notice of an opportunity for a hearing and if the 57179
individual subject to the notice does not timely request a hearing 57180
in accordance with section 119.07 of the Revised Code, the board 57181
is not required to hold a hearing, but may adopt, by an 57182
affirmative vote of not fewer than six of its members, a final 57183
order that contains the board's findings. In that final order, the 57184
board may order any of the sanctions identified under division (A) 57185
or (B) of this section. 57186

(K) Any action taken by the board under division (B) of this 57187
section resulting in a suspension from practice shall be 57188
accompanied by a written statement of the conditions under which 57189

the individual's license or certificate to practice may be 57190
reinstated. The board shall adopt rules governing conditions to be 57191
imposed for reinstatement. Reinstatement of a license or 57192
certificate suspended pursuant to division (B) of this section 57193
requires an affirmative vote of not fewer than six members of the 57194
board. 57195

(L) When the board refuses to grant or issue a license or 57196
certificate to practice to an applicant, revokes an individual's 57197
license or certificate to practice, refuses to renew an 57198
individual's license or certificate to practice, or refuses to 57199
reinstate an individual's license or certificate to practice, the 57200
board may specify that its action is permanent. An individual 57201
subject to a permanent action taken by the board is forever 57202
thereafter ineligible to hold a license or certificate to practice 57203
and the board shall not accept an application for reinstatement of 57204
the license or certificate or for issuance of a new license or 57205
certificate. 57206

(M) Notwithstanding any other provision of the Revised Code, 57207
all of the following apply: 57208

(1) The surrender of a license or certificate issued under 57209
this chapter shall not be effective unless or until accepted by 57210
the board. A telephone conference call may be utilized for 57211
acceptance of the surrender of an individual's license or 57212

designed to improve through remedial education the clinical and 57245

the state medical board a certified copy of an adjudication by a 57285
probate court of the person's subsequent restoration to competency 57286
or has submitted to such board proof, satisfactory to the board, 57287
that the person has been discharged as having a restoration to 57288
competency in the manner and form provided in section 5122.38 of 57289

the state medical board of an adjudication of mental illness or 57291

(B) Before restoring a license or certificate to good 57315

and conditions including any one or more of the following: 57318

the same meaning as in section 2935.01 of the Revised Code. 57344

(B) Whenever any person holding a valid license or 57345
certificate issued pursuant to this chapter pleads guilty to, is 57346
subject to a judicial finding of guilt of, or is subject to a 57347
judicial finding of eligibility for intervention in lieu of 57348
conviction for a violation of Chapter 2907., 2925., or 3719. of 57349

and provided by the state medical board, shall promptly notify the 57355
board of the conviction or guilty plea. Within thirty days of 57356
receipt of that information, the board shall initiate action in 57357
accordance with Chapter 119. of the Revised Code to determine 57358
whether to suspend or revoke the license or certificate under 57359
section 4731.22 of the Revised Code. 57360

(C) The prosecutor in any case against any person holding a 57361
valid license or certificate issued pursuant to this chapter, on 57362

grounds of a felony charge; 57369

(2) A plea of guilty to, a finding of guilt by a jury or 57370

The report shall include the name and address of the license 57383
or certificate holder, the nature of the offense for which the 57384
action was taken, and the certified court documents recording the 57385

Sec. 4731.224. (A) Within sixty days after the imposition of 57387
any formal disciplinary action taken by any health care facility, 57388
including a hospital, health care facility operated by a health 57389
insuring corporation, ambulatory surgical center, or similar 57390
facility, against any individual holding a valid license or 57391
certificate to practice issued pursuant to this chapter, the chief 57392
administrator or executive officer of the facility shall report to 57393
the state medical board the name of the individual, the action 57394
taken by the facility, and a summary of the underlying facts 57395
leading to the action taken. Upon request, the board shall be 57396
provided certified copies of the patient records that were the 57397
basis for the facility's action. Prior to release to the board, 57398
the summary shall be approved by the peer review committee that 57399
reviewed the case or by the governing board of the facility. As 57400
used in this division, "formal disciplinary action" means any 57401
action resulting in the revocation, restriction, reduction, or 57402
termination of clinical privileges for violations of professional 57403

ethics, or for reasons of medical incompetence, medical 57404
malpractice, or drug or alcohol abuse. "Formal disciplinary 57405
action" includes a summary action, an action that takes effect 57406
notwithstanding any appeal rights that may exist, and an action 57407
that results in an individual surrendering clinical privileges 57408
while under investigation and during proceedings regarding the 57409
action being taken or in return for not being investigated or 57410
having proceedings held. "Formal disciplinary action" does not 57411
include any action taken for the sole reason of failure to 57412
maintain records on a timely basis or failure to attend staff or 57413
section meetings. 57414

The filing or nonfiling of a report with the board, 57415
investigation by the board, or any disciplinary action taken by 57416
the board, shall not preclude any action by a health care facility 57417
to suspend, restrict, or revoke the individual's clinical 57418
privileges. 57419

In the absence of fraud or bad faith, no individual or entity 57420
that provides patient records to the board shall be liable in 57421
damages to any person as a result of providing the records. 57422

(B) If any individual authorized to practice under this 57423
chapter or any professional association or society of such 57424
individuals believes that a violation of any provision of this 57425
chapter, Chapter 4730., 4760., 4762., 4774., or 4778. of the 57426
Revised Code, or any rule of the board has occurred, the 57427
individual, association, or society shall report to the board the 57428
information upon which the belief is based. This division does not 57429
require any treatment provider approved by the board under section 57430
4731.25 of the Revised Code or any employee, agent, or 57431
representative of such a provider to make reports with respect to 57432
an impaired practitioner participating in treatment or aftercare 57433
for substance abuse as long as the practitioner maintains 57434

participation in accordance with the requirements of section 57435
4731.25 of the Revised Code, and as long as the treatment provider 57436
or employee, agent, or representative of the provider has no 57437
reason to believe that the practitioner has violated any provision 57438
of this chapter or any rule adopted under it, other than the 57439
provisions of division (B)(26) of section 4731.22 of the Revised 57440
Code. This division does not require reporting by any member of an 57441
impaired practitioner committee established by a health care 57442
facility or by any representative or agent of a committee or 57443
program sponsored by a professional association or society of 57444
individuals authorized to practice under this chapter to provide 57445
peer assistance to practitioners with substance abuse problems 57446
with respect to a practitioner who has been referred for 57447
examination to a treatment program approved by the board under 57448
section 4731.25 of the Revised Code if the practitioner cooperates 57449
with the referral for examination and with any determination that 57450
the practitioner should enter treatment and as long as the 57451
committee member, representative, or agent has no reason to 57452
believe that the practitioner has ceased to participate in the 57453
treatment program in accordance with section 4731.25 of the 57454
Revised Code or has violated any provision of this chapter or any 57455
rule adopted under it, other than the provisions of division 57456
(B)(26) of section 4731.22 of the Revised Code. 57457

(C) Any professional association or society composed 57458
primarily of doctors of medicine and surgery, doctors of 57459
osteopathic medicine and surgery, doctors of podiatric medicine 57460
and surgery, or practitioners of limited branches of medicine that 57461
suspends or revokes an individual's membership for violations of 57462
professional ethics, or for reasons of professional incompetence 57463
or professional malpractice, within sixty days after a final 57464
decision shall report to the board, on forms prescribed and 57465
provided by the board, the name of the individual, the action 57466
taken by the professional organization, and a summary of the 57467

underlying facts leading to the action taken. 57468

The filing of a report with the board or decision not to file 57469
a report, investigation by the board, or any disciplinary action 57470
taken by the board, does not preclude a professional organization 57471
from taking disciplinary action against an individual. 57472

(D) Any insurer providing professional liability insurance to 57473
an individual authorized to practice under this chapter, or any 57474
other entity that seeks to indemnify the professional liability of 57475
such an individual, shall notify the board within thirty days 57476
after the final disposition of any written claim for damages where 57477
such disposition results in a payment exceeding twenty-five 57478
thousand dollars. The notice shall contain the following 57479
information: 57480

(1) The name and address of the person submitting the 57481
notification; 57482

(2) The name and address of the insured who is the subject of 57483
the claim; 57484

(3) The name of the person filing the written claim; 57485

(4) The date of final disposition; 57486

(5) If applicable, the identity of the court in which the 57487
final disposition of the claim took place. 57488

(E) The board may investigate possible violations of this 57489
chapter or the rules adopted under it that are brought to its 57490
attention as a result of the reporting requirements of this 57491
section, except that the board shall conduct an investigation if a 57492
possible violation involves repeated malpractice. As used in this 57493
division, "repeated malpractice" means three or more claims for 57494
medical malpractice within the previous five-year period, each 57495
resulting in a judgment or settlement in excess of twenty-five 57496
thousand dollars in favor of the claimant, and each involving 57497

negligent conduct by the practicing individual. 57498

(F) All summaries, reports, and records received and 57499
maintained by the board pursuant to this section shall be held in 57500
confidence and shall not be subject to discovery or introduction 57501
in evidence in any federal or state civil action involving a 57502
health care professional or facility arising out of matters that 57503
are the subject of the reporting required by this section. The 57504
board may use the information obtained only as the basis for an 57505
investigation, as evidence in a disciplinary hearing against an 57506
individual whose practice is regulated under this chapter, or in 57507
any subsequent trial or appeal of a board action or order. 57508

The board may disclose the summaries and reports it receives 57509
under this section only to health care facility committees within 57510
or outside this state that are involved in credentialing or 57511
recredentialing the individual or in reviewing the individual's 57512
clinical privileges. The board shall indicate whether or not the 57513
information has been verified. Information transmitted by the 57514
board shall be subject to the same confidentiality provisions as 57515
when maintained by the board. 57516

(G) Except for reports filed by an individual pursuant to 57517
division (B) of this section, the board shall send a copy of any 57518
reports or summaries it receives pursuant to this section to the 57519
individual who is the subject of the reports or summaries. The 57520
individual shall have the right to file a statement with the board 57521
concerning the correctness or relevance of the information. The 57522
statement shall at all times accompany that part of the record in 57523
contention. 57524

(H) An individual or entity that, pursuant to this section, 57525
reports to the board or refers an impaired practitioner to a 57526
treatment provider approved by the board under section 4731.25 of 57527
the Revised Code shall not be subject to suit for civil damages as 57528
a result of the report, referral, or provision of the information. 57529

(I) In the absence of fraud or bad faith, no professional association or society of individuals authorized to practice under this chapter that sponsors a committee or program to provide peer assistance to practitioners with substance abuse problems, no representative or agent of such a committee or program, and no member of the state medical board shall be held liable in damages to any person by reason of actions taken to refer a practitioner to a treatment provider approved under section 4731.25 of the Revised Code for examination or treatment.

(1) For a first violation, impose a civil penalty of not more than five thousand dollars;

(2) For each subsequent violation, impose a civil penalty of not more than twenty thousand dollars and, if the violator is a license or certificate holder, proceed under division (B)(27) of section 4731.22 of the Revised Code.

(B)(1) If the holder of a license or certificate issued under this chapter violates any section of this chapter other than section 4731.281 or 4731.282 of the Revised Code or the sections specified in division (A) of this section, or violates any rule adopted under this chapter, the board may, pursuant to an adjudication under Chapter 119. of the Revised Code and an affirmative vote of not fewer than six of its members, impose a civil penalty. The amount of the civil penalty shall be determined

by the board in accordance with the guidelines adopted under 57561
division (B)(2) of this section. The civil penalty may be in 57562
addition to any other action the board may take under section 57563
4731.22 of the Revised Code. 57564

(2) The board shall adopt and may amend guidelines regarding 57565
the amounts of civil penalties to be imposed under this section. 57566

not fewer than six board members. 57568

Under the guidelines, no civil penalty amount shall exceed 57569
twenty thousand dollars. 57570

(C) Amounts received from payment of civil penalties imposed 57571
under this section shall be deposited by the board in accordance 57572
with section 4731.24 of the Revised Code. Amounts received from 57573
payment of civil penalties imposed for violations of division 57574
(B)(26) of section 4731.22 of the Revised Code shall be used by 57575
the board solely for investigations, enforcement, and compliance 57576
monitoring. 57577

certificate holder. 57612

(E) The final decision of the board in any hearing which the 57613

~~(C)(B)(1)~~ Subject to divisions ~~(C)(B)(2)~~, (3), and (4) of 60759
this section, the board shall not adopt, maintain, renew, or 60760
enforce any rule that precludes an individual from receiving or 60761
renewing a license issued under this chapter due to any past 60762

individual has committed a crime of moral turpitude or a 60764
disqualifying offense as those terms are defined in section 60765

moral turpitude or a disqualifying offense less than three years 60777
prior to making the application, the board may use the board's 60778
discretion in granting or denying the individual a license. The 60779
provisions in this paragraph do not apply with respect to any 60780
offense unless the board, prior to ~~the effective date of this~~ 60781
~~amendment~~ September 28, 2012, was required or authorized to deny 60782
the application based on that offense. 60783

In all other circumstances, the board shall follow the 60784
procedures it adopts by rule that conform to division ~~(C)~~(B)(1) of 60785
this section. 60786

(3) In considering a renewal of an individual's license, the 60787
board shall not consider any conviction or plea of guilty prior to 60788

was initially licensed, or after the most recent license renewal. 60791

(4) The board may grant an individual a conditional license 60792
that lasts for one year. After the one-year period has expired, 60793
the license is no longer considered conditional, and the 60794
individual shall be considered fully licensed. 60795

~~(D)~~(C) Each license issued expires on the thirtieth day of 60796
January of the year following that in which it was issued. 60797

Sec. 4747.051. (A) As used in this section, "license" and 60798
"applicant for an initial license" have the same meanings as in 60799
section 4776.01 of the Revised Code, except that "license" as used 60800

in both of those terms refers to the types of authorizations 60801
otherwise issued or conferred under this chapter. 60802

(B) In addition to any other eligibility requirement set 60803
forth in this chapter, each applicant for an initial license shall 60804
comply with sections 4776.01 to 4776.04 of the Revised Code. The 60805
state vision and hearing professionals board shall not grant a 60806
license to an applicant for an initial license unless the 60807
applicant complies with sections 4776.01 to 4776.04 of the Revised 60808
Code and the board, in its discretion, decides that the results of 60809
the criminal records check do not make the applicant ineligible 60810
for a license issued pursuant to section 4747.05 or 4747.10 of the 60811
Revised Code. 60812

Sec. 4747.06. (A) Each person engaged in the practice of 60813
dealing in or fitting of hearing aids who holds a valid hearing 60814
aid dealer's or fitter's license shall apply annually to the state 60815
vision and hearing aid dealers and fitters licensing professionals 60816
board for renewal of such license under the standard renewal 60817
procedure specified in Chapter 4745. of the Revised Code. The 60818
board shall issue to each applicant, on proof of completion of the 60819
continuing education required by division (B) of this section and 60820
payment of one hundred fifty-seven dollars on or before the first 60821
day of February, one hundred eighty-three dollars on or before the 60822
first day of March, or two hundred ten dollars thereafter, a 60823
renewed hearing aid dealer's or fitter's license. No person who 60824
applies for renewal of a hearing aid dealer's or fitter's license 60825
that has expired shall be required to take any examination as a 60826
condition of renewal provided application for renewal is made 60827
within two years of the date such license expired. 60828

(B) Each person engaged in the practice of dealing in or 60829
fitting of hearing aids who holds a valid hearing aid dealer's or 60830
fitter's license shall complete each year not less than ten hours 60831

of continuing professional education approved by the board. On a 60832
form provided by the board, the person shall certify to the board, 60833
at the time of license renewal pursuant to division (A) of this 60834
section, that in the preceding year the person has completed 60835
continuing education in compliance with this division and shall 60836
submit any additional information required by rule of the board 60837
regarding the continuing education. The board shall adopt rules in 60838
accordance with Chapter 119. of the Revised Code establishing the 60839
standards continuing education programs must meet to obtain board 60840
approval and continuing education reporting requirements. 60841

Continuing education may be applied to meet the requirement 60842
of this division if it is provided or certified by any of the 60843
following: 60844

(1) The national institute of hearing instruments studies 60845
committee of the international hearing society; 60846

(2) The American speech-language hearing association; 60847

(3) The American academy of audiology. 60848

The board may excuse persons licensed under this chapter, as 60849
a group or as individuals, from all or any part of the 60850
requirements of this division because of an unusual circumstance, 60851
emergency, or special hardship. 60852

Sec. 4747.07. Each person who holds a hearing aid dealer's or 60853
fitter's license and engages in the practice of dealing in and 60854
fitting of hearing aids shall display such license in a 60855
conspicuous place in the person's office or place of business at 60856
all times. Each person who maintains more than one office or place 60857
of business shall post a duplicate copy of the license at each 60858
location. The state vision and hearing aid dealers and fitters 60859
licensing professionals board shall issue duplicate copies of a 60860
license upon receipt of a properly completed application and 60861

payment of sixteen dollars for each copy requested. 60862

Sec. 4747.08. After July 1, 1970, no person shall be issued a 60863
hearing aid dealer's or fitter's license unless such person has 60864
successfully taken and passed a qualifying examination. The 60865
qualifying examination shall be a thorough testing of knowledge 60866
required for the proper selecting, fitting, and sale of hearing 60867
aids, but shall not be such that a medical or surgical education 60868
is required for successful completion. It shall consist of written 60869
and practical portions which shall include, but not be limited to, 60870
the following areas: 60871

(A) Basic physics of sound; 60872

testing; 60879

(F) Masking techniques; 60880

(G) Recording and evaluation of audiograms and speech 60881
audiometry to determine proper selection and adaption of hearing 60882
aids; 60883

(H) Earmold impression techniques. 60884

The ~~state vision and hearing aid dealers and fitters~~ 60885
~~licensing~~ professionals board shall design, prepare, and revise 60886
such qualifying examinations as are determined necessary by the 60887
board pursuant to this chapter. It shall administer all such 60888
qualifying examinations and shall designate the time, place, and 60889
date the examinations are held. The board shall also furnish all 60890

materials and equipment necessary for the conducting of all 60891
qualifying examinations. 60892

Sec. 4747.10. Each person currently engaged in training to 60893
become a licensed hearing aid dealer or fitter shall apply to the 60894
~~state vision and hearing aid dealers and fitters licensing~~ 60895
professionals board for a hearing aid dealer's and fitter's 60896
trainee permit. The board shall issue to each applicant within 60897
thirty days of receipt of a properly completed application and 60898
payment of one hundred fifty dollars, a trainee permit if such 60899
applicant meets all of the following criteria: 60900

(A) Is at least eighteen years of age; 60901

(B) Is the holder of a diploma from an accredited high school 60902
or a certificate of high school equivalence issued by the 60903

moral turpitude, as those terms are defined in section 4776.10 of 60906
the Revised Code; 60907

(D) Is free of contagious or infectious disease. 60908

Subject to the next paragraph, the board shall not deny a 60909
trainee permit issued under this section to any individual based 60910
on the individual's past criminal history or an interpretation of 60911
moral character unless the individual has committed a 60912
disqualifying offense or crime of moral turpitude as those terms 60913
are defined in section 4776.10 of the Revised Code. Except as 60914
otherwise provided in this paragraph, if an individual applying 60915
for a trainee permit has been convicted of or pleaded guilty to a 60916
misdemeanor that is not a crime of moral turpitude or a 60917
disqualifying offense less than one year prior to making the 60918
application, the board may use the board's discretion in granting 60919
or denying the individual a trainee permit. Except as otherwise 60920

provided in this paragraph, if an individual applying for a 60921
trainee permit has been convicted of or pleaded guilty to a felony 60922
that is not a crime of moral turpitude or a disqualifying offense 60923
less than three years prior to making the application, the board 60924
may use the board's discretion in granting or denying the 60925
individual a trainee permit. The provisions in this paragraph do 60926
not apply with respect to any offense unless the board, prior to 60927
September 28, 2012, was required or authorized to deny the 60928
application based on that offense. 60929

In all other circumstances not described in the preceding 60930
paragraph, the board shall follow the procedures it adopts by rule 60931
that conform to this section. 60932

In considering a renewal of an individual's trainee permit, 60933
the board shall not consider any conviction or plea of guilty 60934
prior to the issuance of the initial trainee permit. However, the 60935
board may consider a conviction or plea of guilty if it occurred 60936
after the individual was initially granted the trainee permit, or 60937
after the most recent trainee permit renewal. If the board denies 60938
an individual for a trainee permit or renewal, the reasons for 60939
such denial shall be put in writing. Additionally, the board may 60940
grant an individual a conditional trainee permit that lasts for 60941
one year. After the one-year period has expired, the permit is no 60942
longer considered conditional, and the individual shall be 60943
considered to be granted a full trainee permit. 60944

Each trainee permit issued by the board expires one year from 60945
the date it was first issued, and may be renewed once if the 60946
trainee has not successfully completed the qualifying requirements 60947
for licensing as a hearing aid dealer or fitter before the 60948
expiration date of such permit. The board shall issue a renewed 60949
permit to each applicant upon receipt of a properly completed 60950
application and payment of one hundred five dollars. No person 60951
holding a trainee permit shall engage in the practice of dealing 60952

in or fitting of hearing aids except while under supervision by a 60953
licensed hearing aid dealer or fitter. 60954

Sec. 4747.11. Each person who holds a hearing aid dealer's or 60955
fitter's license or trainee permit shall notify the state vision 60956
and hearing aid dealers and fitters licensing professionals board 60957

intends to engage in the practice of dealing in and fitting of 60959
hearing aids, and shall immediately notify the board in writing of 60960
any change in such address or addresses. The board shall keep a 60961
record of the past and current place of business of each person 60962
who holds a license or permit. 60963

Any notice that is required to be given by the board to a 60964
person holding a license or permit pursuant to the provisions of 60965
this chapter shall be mailed to such person by certified mail to 60966
the address of ~~his~~ the person's current or most recent place of 60967
business as revealed in the records of the board. 60968

Sec. 4747.12. The state vision and hearing aid dealers and 60969
fitters licensing professionals board may revoke or suspend a 60970
license or permit if the person who holds such license or permit: 60971

moral turpitude as those terms are defined in section 4776.10 of 60973
the Revised Code. The record of conviction, or a copy thereof 60974
certified by the clerk of the court or by the judge in whose court 60975
the conviction occurs, is conclusive evidence of such conviction; 60976

upon the board; 60978

(C) Obtained any fee or made any sale of a hearing aid by 60979
