

Join an OASBO Committee Today! Committee Sign-Up Application for 2016-2017

As a member-driven organization, OASBO is founded upon the strengths and experience of our members. To make great things happen for our colleagues and for the school districts in Ohio, we need our members' involvement. Please consider joining an OASBO committee – we value your expertise, your opinions, and your willingness to commit your time to help us achieve our goals. YOU make the difference!

You may sign up for more than one OASBO committee, however we ask you to consider the time commitment involved in each committee before making your final selections. Some committees meet only once or twice a year, while others meet more frequently. Don't measure your involvement with OASBO by the number of committees you are on - measure it by your level of active participation and the ultimate impact you can make.

Tracking your committee participation is easy! Go to www.oasbo-ohio.org and click the Login button. On your profile page, you will see a list of each committee of which you are a member. You will also receive contact hours for your participation in committee meetings. They will be added to your Event Transcript after each meeting.
